Beskow Jewelry Wins CC Window Contest

Beskow Jewelry was named first place winner of the Window Display Contest sponsored by the Eastland Chamber of Commerce. Winners were announced Tuesday afternoon by the Chamber office.

Prizes for the contest were \$50 for first place, \$25 for second; a 60-day show pass for third; and a 30-day show pass for the fourth place.

Other winners of the contest

were Aitmas, second prize; Harelis, third prize and Robertson's T.V., fourth prize.

The winning entry was a silver tea service and china against white and lavender draperies. Centering the china window was a white, floral arrangement. Set behind the diamond display was a spray of white flowers flanked by white tapers.

Entered in the contest which began on May 1 and ended May 31 were Eastland Telegram, W. C. Hamner, Jeanettes, Men Shop, Perry Brothers, Eastland Discount Store, A&C Studio and Mode O' Day.

All entries were judged by three local women who are members of the Civic League and Garden Club.

The second prize winning window held a display of summer creations against a background of seine and palm trees.

Harelis featured an attractive display of swimsuit complete with all beachwear. The display was flanked on the east and west by men's and women's fashions.

Television sets, portable and transistor radios and phonographs were displayed in the window of Robertson's T.V.

Final Rites Held Wednesday For Mrs. Roy Hollis

Final rites were held Wednesday at 2 p.m. in the First Baptist Church of Eastland for Mrs. Eunice Odell Hollis of 1408 S. Seaman.

Mrs. Hollis died Sunday, June 3, in a Houston hospital following a lengthy illness.

Rev. Henry Littleton of Eastland officiated at the services with interment in the Eastland Cemetery under the direction of Hamner Funeral Home.

Born in Carbon on April 4, 1920, she had been a resident of Eastland for the past 20 years. She was the daughter of the late Mr. and Mrs. H. L. Harris and was married to Roy C. Hollis on Aug. 25, 1937 in Carbon.

Survivors include her husband; two sons, Larry and Jerry, both of Eastland; two daughters, Mrs. s. Wayman Greenwood of Cisco and Miss Patsy Hollis of the home; two brothers, Earl Harris of Pleasant Hill and John Harris of Abilene; and one sister, Mrs. Alton Fleeming of Clyde.

Jim Horton Is Leader For Mon. Rotary Program

Jim Horton presented an interesting program to members of the Eastland Rotary Club when they met for the regular meeting Monday at 12:15 p.m. in the White Elephant Restaurant.

Horton showed colored slides of the trip he and his wife made last March on the new Rio Grande Highway. They traveled from Ojinaga to Los Mochis. He also showed slides of the sea coast town of Topolambpa and the city of Chihuahua.

Mike George, Rotary president, presided over a brief business session during which no important plans were made.

Out of town Rotarians attending the meeting were Al Anderson, Grady Hogue, E. J. Poe and Bill Wright, all of Cisco and Bob Waller of Artesia, N. M. Gene Deaton of Oklahoma was a guest of his father, Rotarian Frank Deaton.

The public is cordially invited and urged to attend.

Funeral Services For Drowning Victim Are Held Wednesday

Lake Leon claimed its second victim in as many years, Monday afternoon when Melton Neil Rodgers of Olden drowned while swimming near the O. D. Quarles Lodge.

The 19-year-old youth was swimming with a group of teenagers about 2:15 Monday afternoon, when he suddenly disappeared. The teenagers reported that they thought he had slipped out of the water and was hiding, as a joke. They searched for him on the shore for a few minutes, to no avail, and then the search was started in the water.

The swimming party was composed of three boys and three girls; Sheila Barker, Linda Warford and Virginia Hogan, all of Ranger; and Dickie Eaves and Doyle Welch of Carbon and Rodgers.

Volunteer firemen from Ranger and Eastland and the sheriff's department were notified of the accident by Mrs. Quarles, lodge operator. Men from both towns searched for approximately 45 minutes before the body was found. Wayne Jackson, first assistant fire chief of the Eastland Volunteer Fire Department, discovered the body in about 8 feet of water at 3:25 p.m. Rodgers was about 30 feet from shore when discovered. Jackson reported that Rodgers seemed to be in an upright position when he found him. Artificial respiration and a resuscitator was used on the youth for about 35 minutes in an attempt to revive him. He was in the water for over an hour.

One of the girls in the swimming party reported that Rodgers was swimming behind her and when she reached a boat dock, she noticed that he was no longer following her.

Justice of the Peace Ruby Springer of Ranger, returned a verdict of accidental drowning.

John Willingham and L. E. Sublett, deputy sheriffs from Eastland, investigated the accident.

Funeral services were held Wednesday at 4:30 p.m. in the First Baptist Church of Eastland. Rev. Bill Penland, pastor of the Olden Baptist Church, officiated with interment in the Eastland Cemetery under the direction of Hamner Funeral Home.

Rodgers was born in Eastland April 11, 1943. He was a 1961 graduate of Olden High School and was a member of the Baptist Church.

Survivors include his parents, Mr. and Mrs. W. R. Rodgers of Olden; three brothers, Alvis, Ray and Bennie of the home; and a sister, Mrs. Charlene Thackerson of Olden.

Services For Mrs. Joe Roper Held Tuesday

Final rites for Mrs. Joe Roper, 66, were held at 2 p.m. Tuesday in the First Pentecostal Church, Ranger. Officiating was the Rev. J. E. Lamb, pastor. Burial was in Evergreen cemetery with Killingsworth Funeral Home in charge.

Mrs. Roper, a resident of Ranger since 1938 died Sunday, in Ranger General Hospital. Born Oct. 1, 1895 in Madison County, she had lived in Coleman County from 1907 until 1923, when she moved here. She was the former Eva Ophelia Rumfield.

She married Joe Roper Jan. 25, 1915 at Shields in Coleman County.

She is survived by her husband, two sons, John Henry Roper of Ranger and William Lloyd of Fort Worth; five brothers, Luther Rumfield, address unknown; Emmett and Jeff of Carlsbad, N.M.; Julian of Grapevine, and Carl of Tulare, Calif.; three sisters, Mrs. O. A. Hatton of Ranger, Mrs. Elmier Turner of Minden, La., and Mrs. C. L. Bell of Portales, N.M.; one grandson, Eugene Roper, Altus, A. F. Base, Oklahoma; three granddaughters, Janice Roper, Fort Worth, JoAnn Roper, Ranger and Mrs. Charlene Summers, Ranger.

Pallbearers were Roy Gene and Bob Barshill, Marvin and Alonzo Sides, Roy Vandergriff, Charles Gibbs, Jody Dunson and Sammy Summers.

LONE CEDAR GOLF PRIZES — Dr. Theodore Nicksick, Jr., (center) of Ranger, Tournament Chairman of the Lone Cedar Golf Tournament, and Archer Marx, (left) of Cisco, and Cyrus Frost, Jr., of Eastland, display a portion of the prizes to be given during the tourney. Play will start Friday and end on Sunday. (Staff Photo).

Pro-Am Set To Launch Lone Cedar Golf Meet

Everything was in readiness today for the 2nd annual Lone Cedar Country Club Invitation Golf Tournament Friday, Saturday and Sunday at the Lake Leon course. Approximately 100 golfers from throughout the region planned to enter the event.

A pro-am will begin teeing off at the golf course shortly after noon Friday to launch the tournament. Those who expect to compete for medal honors will be required to play qualifying rounds Friday. Match play will begin Saturday morning with the

finals continuing through Sunday afternoon.

George Powell of Weatherford, winner of last year's tournament, was expected to be on hand to defend his title. Top players from throughout this region were expected to enter the tournament.

Prizes will consist of some \$1,500 worth of top grade golf equipment. Entry fee will be \$12.50 for the tournament, plus \$3 for the pro-am, and this will include the stag barbecue Friday night and an orchestra dance Saturday night. Tournament players will be permitted to use the club pool and the dining room will be open to them.

Dr. Ted Nicksick of Ranger, the Tournament chairman, reported that all arrangements were complete and that the golf course was in top condition. The fairways are watered and much of the course lies along the shores of Lake Leon.

The tournament committees met last Saturday at 1 p.m. at Lone Cedar to complete details. Vice chairmen of the tournament committee are Cyrus Frost of Eastland and Archer H. Marx of Cisco.

Andy Taylor and Buddy Haun, both of Eastland, are in charge of the pro-am, and pairings for match play will be handled by Marx and Haun. Food and entertainment are being handled by Bill Collins of Ranger, Frank Kirk of Gorman and W. J. Sipes of Ranger. Prizes were handled by Bruce Pipkin of Eastland.

Neil Day of Eastland has been named the official starter, and Manager Lee Ellis of the Eastland Chamber of Commerce was arranging for a public address system. Homer Williams was in charge of the greens and golf course.

Miss Parsons, 66 Succumbs Sun.; Services Monday

Miss Iris Vera Parsons, 66, of 202 E. Olive died Sunday morning in the Eastland Memorial Hospital after a short illness.

Funeral services were held Monday at 2 p.m. in the local Church of God with Rev. W. E. Hollenbeck, pastor of the church, officiating. Interment was held in the Eastland Cemetery under the direction of Hamner Funeral Home.

A resident of Eastland for 49 years, Miss Parsons was born Oct. 21, 1895 in Eastland County.

Surviving are one sister, Mrs. Della McDougal of Portales, N.M.; and several nieces and nephews.

Burl G. Guy Has Completed Armor Course

Army Pvt. Burl G. Guy, whose wife, Sandra, lives at 108 Northeast Avenue B, Andrews, recently completed the ten-week armor turret maintenance course conducted by the Weapons Department at The Armor School at Fort Knox, Ky.

Guy received instruction in small arms repair, armor firing systems and tank maintenance.

The 23 year old soldier entered the Army in November 1961 and received basic training at Fort Carson, Colo.

He attended Carbon High School. His parents, Mr. and Mrs. J. F. Guy, live in Carbon.

June 30 Date Is Vital For Some Disabled Persons

The date of June 30, 1962 is very important for the disabled. Protection against severe disability is a relatively new feature of the social security program. Fifty million working people under social security now have this protection against complete loss of earnings.

Anyone who has been disabled for more than one year may lose all of his rights to cash disability benefits if he does not apply for benefits before June 30. One out of every three disability applicants risks the loss of some disability insurance benefits because he waits more than 18 months before applying.

Please advise those people you know who have been disabled more than six months to check with their social security office at once.

The local social security office will provide all the necessary assistance to help disabled people obtain their rights.

Do You Know

Before our civilization had made any impression upon the natives of the North Pacific Coast, these original settlers maintained tribal and family pride.

They possessed an aristocracy—the noble families taking some kind of fish, bird or animal as their name or title, which also furnished a motif for their family crest, an idea not confined to the Pacific Coast alone. It has its counterpart in the lion of Great Britain, the American eagle, the distle of Scotland, the shamrock of Ireland and the arms of noble families. The practice can be traced indeed throughout all history, among the greatest empires and the most savage tribes.

Bobwhite Quail Offered To Clubs
 COLLEGE STATION. — Hatchery raised bobwhite quail, by agreement with the Texas Game and Fish Commission, are available to 4-H Clubs for quail management demonstrations, reports Ed Cooper, extension wildlife specialist.
 He advised 4-H Clubs and FFA Chapters interested in the program to provide brood stocks of birds to qualified clubs which in turn can use them for the purpose of restocking suitable bobwhite habitat created through club activities and supervision and instruction in quail management to participating clubs through facilities available from the Commission and 4-H and FFA sponsors, Cooper said.
 The property will be inspected by a game warden or conservation officer serving the area for details on the program. To be eligible, the application for birds must be for a club or chapter project; the club must have available as much as 160 acres upon which to carry out their habitat improvement work and the land must be pledged for a period of at least three years.

Book Published On Texas Catfish
 AUSTIN — It's catfishing time in Texas, and some big ones are now being hauled in on trot lines, and even with rods and reels. But a great many fishermen don't know their catfishes. Every day letters come into the office of the Game and Fish Commission seeking information about these fresh water species found in the lakes and streams of Texas, according to T. D. Carroll, coordinator of information and education.
 To answer these questions, the Commission has reissued its bulletin No. 39, entitled "The Fresh Water Catfishes of Texas, and How to Know Them." The bulletin lists the fresh water catfishes, with a chart making identification easy.
 Also, it covers the feeding habits and habitat, enabling fishermen to have greater creel success. This bulletin is sent free to interested persons.

CALL MAIN 9-1707 TODAY

Similar things are making headlines every day. A psychology professor at one of our leading Eastern universities told me recently, "There is a moral rot in America." The Harvard Business Review in a recent issue said that four out of five business executives questioned throughout the nation confessed that they know of practices

in their own industries which are unethical and immoral. In a recent issue of Look Magazine Walter Lippmann said, "America is beginning to accept a new code of ethics that allows for chiseling and lying."

In addition, we have become almost obsessed with sex. We have built "sex goddesses" which is shaving a detrimental effect on the country. Professor Sorokin, head of the Department of Sociology at Harvard University said, "If more and more individuals are brought up in this sex-saturated atmosphere, then without deep and moral restraint they will become rudderless folks controlled only by the winds of their environment."

Ours has become an age of escapisms and spiritual emptiness. Ernest Hemingway said, "I live in a vacuum that is as lonely as a radio tube when the batteries are dead and there is no current to plug it into." How many thousands of people throughout the nation are in this same condition? Drug ad-

iction and alcoholism are rising alarmingly. Dr. Carl Jung said, "The central neurosis of our time is emptiness." Thousands of Americans seem to be lost and frustrated.

Also, there is a deep philosophical uncertainty which I sense on every university campus that I have visited in the last few weeks. Millions of young people have become "rebels without a cause." They no longer know what to believe. The old moral values have been destroyed, and we have given them nothing in their place. Dr. Nathan Pusey, President of Harvard, says, "American youth are searching for a creed to believe and a song to sing."

I am convinced that this alarming tide which has affected every area of American life can be halted and turned back. There were times in the history of ancient Israel when moral and spiritual decline threatened the fiber of the country, and God raised up prophets like Isaiah, Jeremiah or Amos to call

the people back to God. On several occasions, the people repented of their sins and turned to God. This brought about moral and spiritual reforms that have saved the nation in times of peril and crises. I am convinced that the United States is in need of a moral and spiritual reform of major proportions.

We have accepted an invitation to the City of Chicago for a major crusade which began on May 30 at McCormick Place. This is the largest indoor auditorium in the world. We will also be using Soldier Field. The preparations in Chicago have been the most extensive and intensive we have ever known. I believe this could be the platform from which we could say something to the entire nation during the month of June this year.

This crusade is no panacea for the ills of the nation, but it could be used as a peg to hang stories on which might cause people to think.

Most sincerely yours,
Billy Graham

ATTENDING CAMP

Rev. Clarence Manners, pastor of the local Church of the Nazarene, and son, Tommy, left Monday for Camp Arrowhead where they will spend a week in the Abilene District Youth Camp and Institute.

Tommy Manners will be entering the District Finals Competition in the Junior Vocal Solo division. He placed first in the Zone competition at Mineral Wells in April.

Rev. Manners will serve as Counselor to a group of boys. They expect to return Friday.

Increase Noted In Funds From Social Security

Eastland County showed an increase of 15.2 per cent in number and 21.8 per cent in amount of monthly social security checks from December, 1960, to December, 1961, according to figures just received by R. R. Tuley, Jr., district manager for the Social Security Administration in Abilene.

A total of 1967 persons received \$122,257 in retirement checks for December, 1961, and 122 persons received \$10,334 in disability payments. Some 728 wives and dependent husbands received \$24,096 in retirement claims and 28 others received \$1,069 from disability claims.

Some 278 children received \$12,934 from claims on a retired or deceased parent, and 28 children were paid \$981 from claims on a disabled parent. 383 widows, dependent widowers, and parents received \$22,234.

At the present time, social security benefits total over a billion dollars a month to just over seventeen million beneficiaries: (1) more persons in the aged group; (2) age qualifications now 62 instead of 65, and (3) less social security credit now needed for eligibility to retirement or survivors benefits.

IS YOUR WATER HEATER ON "BORROWED TIME"?

Replace it now with a flameless **ELECTRIC WATER HEATER**

CLEAN • FAST • SAFE • INSTALLS ANYWHERE

Why put up any longer with an old water heater that may break down at any time? Install a modern flameless quick recovery electric water heater and enjoy clean, fast, worry-free hot water service for your home. A quick recovery electric water heater gives you **hotter water faster**... plus the peace of mind that comes with its efficient, flameless operation. There are no valves to stick, no flames to blow out accidentally, no noise, no soot, no fumes. And because an electric water heater needs no flue, it can be installed anywhere in the house, close to the point of greatest use, eliminating long pipe runs which waste heat from the water. See the new quick recovery electric water heaters at your dealer's or our office soon.

PICK a Chevy PACK up the family & GO traveling

If variety is the spice of your life, see the choice selection of buys now at your Chevrolet dealer's One-Stop Shopping Center. One of those new Chevrolets, Chevy II's or Corvairs should suit you perfectly and spare your budget any amount.

We wouldn't presume to tell you which one to buy, but your Chevrolet dealer has more ways of helping you make up your mind. Like the Jet-smooth Chevrolet Impala, luxurious, extremely comfortable, undoubtedly the best riding car in its field; the Chevy II Nova, lively, lovely, and inexpensive, too; the Corvair Monza, a family car that rather thinly disguises its desire to be a sports car; and the Corvette, America's out-and-out sports car. As you see, your Chevrolet dealer has just the tonic for that "let's go traveling" look in your eye. And, what's nice about buying one, you won't have to juggle your life around to afford it. You know?

Four Sun 'n' Fun ways to get away (shown top to bottom) are the Corvette, Corvair Monza Coupe, Chevy II Nova Station Wagon and Chevrolet Impala Sport Sedan.

Bill Jones Wins Jaycee Road-E-O

Bill Jones of Eastland won first place in the Teenage Road-E-O, a safe-driving contest held Saturday, May 26, at the National Guard Armory under the sponsorship of the Cisco Junior Chamber of Commerce. Second and third place winners were F. E. White and Kay Wallace, both of Cisco. Miss Wallace also won first place in the girls' division. After winning the Cisco contest, which consisted of a written examination and a driving contest, Jones won the regional Road-E-O held in Albany Sunday, May 27. He will participate in the State Jaycee Road-E-O to be held in Houston sometime in July.

Barbara Sue Hallum, children of Mr. and Mrs. W. A. Hallum, left Monday for Odessa where they will spend several weeks visiting with relatives.

Ranger Site For Colony Reunion

The annual Colony Reunion will be held in Ranger on June 17 in the CIO Union Hall located on Highway 80 east. Last year's reunion attracted 169 former students and residents of the Colony Community.

Efforts are being made by the reunion committee to locate former teachers at the Colony School, students and residents of the community. Approximately 350 letters have been mailed to ex-residents and students inviting them to attend the reunion. Mrs. Mae Isabell, secretary-treasurer of the reunion committee said other addresses are being sought so that letters may be sent inviting others to the reunion.

The committee is also seeking information for the year 1908 on the old Colony School that was located near the Colony Cemetery. It is known that Mr. Eric Bruce taught school during that period, but very little is known of the students of that time. Mrs. Isabell said that if information for that period is known by anyone, she would appreciate hearing from them.

A number of former teachers of the school have indicated that they will attend this year's reunion. During the past five years, ex-students and residents of Colony have attended the reunion from far away as California, New York, Illinois, Louisiana, New Mexico and Oklahoma, as well as from every section of Texas.

President of the Colony Reunion Association is Mr. Wesley Poynor and vice president is Mrs. Loretta Weaver. Both reside in Ranger.

Average Of 100 Farm Ponds Are Built Annually

On the farm fishing is a delightful side benefit of the conservation program in this area. Approximately 100 new farm ponds are built in this vicinity each year for stock-water. More than half of these are stocked with game fish by the federal and state fish hatcheries. The yearly production of fish in these ponds is tremendous. The recreation value of these ponds to farm families and their city friends can not be measured.

Fortunately, the conditions for storing clean abundant stockwater are also ideal for fish growth. The best ponds for both are located on the gass, are relatively deep, and have a minimum of shallow water along the edges. The provision of wide spillways to control the overflow to a shallow depth prevents the escape of fewer usable-size fish.

Large mouth bass and redear sunfish have proven to be the most desirable combination for farm ponds in this area. Channel catfish are also used in many ponds. Heavy fishing is most desirable and most pond owners welcome their friends to fish. If ponds are not heavily fished, the fish population rapidly depletes the food supply which results in stunted fish.

Research shows that an acre of pond water needs 300 to 500 man hours of fishing each year to keep fish production at a maximum. All small unusable size fish that are caught should be discarded as each fish removed means more food available for those remaining. Some pond owners are using commercial fertilizer to increase their fish production.

Lone Star Will Finish Storage Reservoir Soon

DALLAS — Lone Star Gas Company will complete construction of a new underground storage project in Hamilton County, Texas, within 30 days, a company official said.

The underground reservoir is located in the Pottsville Southfield some 13 miles south west of Hamilton. Lone Star engineers estimate the reservoir has a capacity of about 9 billion cubic feet of natural gas.

The Pottsville project is included in the \$2.3-million budgeted by Lone Star to reinforce the company's transmission system and implement utilization of its storage facilities in the West-Central Texas area during 1962.

The Pottsville reservoir will give Lone Star a total storage capacity of about 79 billion cubic feet of gas on its system in Texas.

Pottsville is Lone Star's seventh field to be utilized in this important phase of maintaining ample, year-round gas supply for customers, the company spokesman said.

Some gas stored in the Pottsville South reservoir will be available for use beginning the winter of 1962-63. The gas will be utilized in the Hill Country segment of Lone Star's transmission pipeline system which now measures some 8,888 miles in length.

One 660-horsepower compressor, which is already installed, will pump gas into and out of the reservoir which has an average depth of approximately 2,600 feet.

Natural gas to be stored in the Pottsville field will be purchased from producers in Eastland, Stephens, Erath and Palo Pinto counties. Stored gas then will be used primarily to supplement supply to Lone Star customers in the Hill Country during high demand periods in the winter.

Natural gas injections are expected to begin early this summer, the Lone Star spokesman said. The field has seven wells which will be used for both injection and withdrawal.

Lone Star has three other storage reservoirs in the West-Central Texas area. They are located in the View field, Taylor County; Leeray field, Stephens County; Hill Lake field, Eastland County (now under construction).

A company pipeline crew will handle installation of necessary pipelines.

CARD OF THANKS

We wish to express our sincere appreciation for the food, floral offerings and kind acts offered by the many relatives and friends during the illness and loss of our loved one. We also wish to thank Dr. M. A. Treadwell and the Eastland Memorial Hospital staff for their help.

Cadillac

How to pay for a Cadillac—and not get one!

There are several ways that a man can pay the price of a new Cadillac car—and find himself in possession of an automobile of far less stature.

Because there are many motorists currently considering the purchase of their next car, we would like to enumerate these ways of going astray.

1. Assume that the purchase price of a new Cadillac car is higher than it actually is. (There are eleven models of other makes that this year cost more than the lowest-priced Cadillac model.)

2. Fail to appreciate that the basic price of a new Cadillac includes important things that are extra on many other cars. (Including automatic transmission, power steering and power braking.)

3. Neglect to find out from a Cadillac dealer what your present car is worth in trade. (He is especially anxious this spring to welcome new owners.)

And if you take one of these detours, think of all the unique pleasures you could be missing.

There is Cadillac's styling—so majestic that it attracts attention wherever it goes.

There is Cadillac's comfort—so wonderful that every journey becomes a brief vacation.

And there is Cadillac's performance—so great that it is without rival on the world's highways.

So we suggest that you play it safe—and get all the facts from your dealer soon.

You might be closer to a Cadillac than you think.

EX-STUDENT PROVIDES CENTER

Home is located on a high plateau overlooking Files Valley, five and one half miles north-east of Itasca.

It has capacity of 90 children who are accepted without regard to race, creed or color and is licensed by the Child Welfare Division of the Texas State Department of Public Welfare.

The Home and the other services the Synod provide had their beginning in the plea of a dying Dallas mother whose final concern was for her four young children. The Women's Missionary Society of the First Presbyterian Church set up an emergency orphanage to care for them and soon was taking in other orphans.

As a result of the good work of this small facility and the need it demonstrated existed for its services, the officers of the Synod of Texas in 1903 voted to establish a home for orphaned children from throughout their jurisdiction.

The first two cottages at Itasca were occupied on May 1, 1906. The Home prospered and expanded and new services were added. Today, the Agency operates a Placement Division with an adoption program that places some 30 children a year and a foster home program that accommodates 24 children.

Immediate plans for the establishment of a maternity program for unwed mothers and long range plans include increasing the Children's Home

capacity to 100, the Foster Home population to 50 and the establishment of several Group Homes and Counseling Centers throughout the state.

Personals

Mrs. Solara Gilkey recently returned home from a two weeks' vacation. She visited in Dallas with her sister, Mrs. Ella Callaway, Mrs. Annie Bennett and Mrs. Sammie Yates. After leaving Dallas she visited her daughter and family, Mr. and Mrs. M. L. Poole, in Hearn.

Livestock Will Be Surveyed

Miss Lynda Eidson returned home Wednesday after a visit with Mr. and Mrs. John Connell in Dallas. She also attended Six Flags Over Texas.

Mr. and Mrs. Ed Allgood spent Sunday in Rising Star visiting with Mr. and Mrs. B. B. Morris.

Bobby Phillips visited with friends in Abilene Sunday and Monday.

Mrs. Florine Miller has returned home from her vacation during which she visited with Mr. and Mrs. Robert Miller in Big Springs, Mr. and Mrs. Lee Buckett in Midland, Mr. and Mrs. Larry Miller in Odessa and Mr. and Mrs. Thomas H. Dendy in Abilene.

Mr. and Mrs. Wesley Goheen and Stevie of Plainview have returned home after visiting in the home of her parents, Mr. and Mrs. H. S. Lewis and Judy.

Mr. and Mrs. Ray Norris and Mrs. Ray Burton Norris and Stevie spent Thursday through Sunday at Fort Polk, La., with their son, husband and father, Corp. Burton Norris.

USDA bases livestock and poultry estimates on replies to this survey.

Carriers assisting with the survey are: Varge Daniel, Rt. 1 and George Parrack, Rt. 2. Survey cards will be forwarded to Cary D. Palmer, State Agricultural Statistician in Austin.

After adding and analyzing these cards, USDA statisticians are able to estimate the State's milk production, calf and pig crops, lamb and wool crops, and the number of hens and pullets.

Mr. and Mrs. Jimmy Sandlin and Larry of Abilene, spent Friday night in the home of her

parents, Mr. and Mrs. Dean Collins. The Sandlins were enroute to a Sandlin family reunion in Springtown. Mr. and Mrs. D. D. Sandlin, Carol, Billy and Kathryn of Carbon also attended the reunion.

GOSPEL MEETING

Church of Christ

Corner of Plummer and Dougherty

DATE
 JUNE 8 — 10. Services Daily At 7 a.m. and 7:30 p.m. Sunday Morning services at 10:20.

PREACHER:
 Neal Lightfoot, Professor of Bible at Abilene Christian College.

The CHURCH OF CHRIST — Holding the line against digression and Modernism!

The Bible Is Still The Greatest Book The World Has Ever Had!

1. It is inspired of God through the agency of the Holy Spirit — II Timothy 3:15,16.
2. It shall never pass away — Matthew 24:35.
3. It will judge us in the last day — John 12:48.
4. It must not be changed by man's wisdom — Rev. 22:18, 19.

Pleading For The Acceptance of The Scriptures As The All-Sufficient Rule In Every Phase of Religious Faith And Practice:

1. Jesus promised the Holy Spirit to "guide into all truth" — John 16:13.
2. This guidance is provided in the Scriptures and is sufficient for every phase of our religious life — II Tim. 3:15, 16.
3. Let us speak where the Bible speaks, and remain silent where the Bible is silent. In matters of Faith, let us have God's word; in matters of opinion, let us have liberality; in ALL THINGS let us have love. This Gospel Meeting Is Being Conducted For Those Who Still Love And Respect The Bible As God's Own Word And Who Feel What They Are And What They Do Should Be Determined By "What The Bible Says!" You And Your Family And Friends, Are Cordially Invited To Attend Every One Of The Services Of The Above Announced Gospel Meeting.

Inside SPORT

By Al Silverman, Editor, Sport Magazine

ROOKIES ARE HELPING BASEBALL. This looks like a vintage year for newcomers in the major leagues. A flock of them were among the leading hitters and pitchers early in the season. More important, some of the new boys are real characters, and baseball badly needs characters. One notable example: Bo Belinsky, Los Angeles Angels' phenom, who pitched a no-hitter on May 5. Before this season Belinsky was noted less for his pitching than for his eccentricities, like \$200 mohair suits and a glib tongue. "I'm just socially sharp," Belinsky said. "When there's a chance for a few laughs, I like to take advantage of it."

Another good-looking rookie is third baseman Rich Rollins of the Minnesota Twins. The 25-year-old, 175-pounder wears glasses when playing because of astigmatism. "The doctors told me I have one eye shaped like a basketball," Rollins says, "and the other like a football. I don't know which is which."

PRO FOOTBALL'S KEY QUESTION MARKS. Two of the biggest names in the game are hurting and if they don't come around, their teams will be in deep trouble. Quarterback Sonny Jurgensen of the Philadelphia Eagles suffered a shoulder separation in the post-season "Pro Bowl" game in Miami last January. It is said he still can't throw a football. So the Eagles are looking around desperately for another quarterback.

Joe Schmidt, the great middle linebacker of the Detroit Lions, recently had an operation on his shoulder and he is wary about the results. "If it's not right this summer," Joe said sadly, "I'll just have to call it a career."

It was former Lions' general manager Ed Kerbow who provided the best estimate of Joe's value to the team. "The Lions without Joe Schmidt," said Kerbow, "is like going to burlesque just to hear the music."

GUS WYNN'S STRUGGLE. The strapping 42-year-old White Sox pitcher is working hard towards his biggest goal in baseball — 300 victories. At the beginning of the season he had eight to go, and he was battling old age and gout in his pitching elbow. But Early "Gus" Wynn has always been a battler. In the current issue of Sport, Baltimore Orioles' infielder Dick Williams tells of this incident.

"One day when I was with Cleveland, Gus and Bob Lemon and me were having some beers on a day when Gus got beat. I wasn't making the kind of money the other guys were but, hell, I still wanted to buy my rounds."

"Put your money in your pocket," Wynn told me.

"I waited and the next time I didn't ask. I just slipped a fiver on the bar. Gus didn't say a word. He picked up my bill and shredded the damn thing into 20 pieces and gave it back to me. Then he said, 'I told you to keep your money in your pocket.'"

"Later when he'd gone, Lemon said to me, 'On a day when Gus loses, it's a good idea to do exactly what he says.'"

SHORT TAKES. A recent explanation by ex-featherweight champion Willie Pep, who earned over a million dollars in purses on where all the money went. Said Willie, "Fast women and slow horses."

... One of the most successful "name" wrestlers recently confessed how blood gets into a pro wrestling match. "It comes from what we call the 'kicker,' a small plastic capsule containing red powder. You carry the capsule in your mouth or under a knee bandage. You can break it pretty easy with your fingernail or your teeth and when the powder comes out and hits sweaty flesh, it immediately makes that area look like it's bleeding."

... Heavyweight challenger Sonny Liston's definition of how it feels to hit a man. "It's like the spirit that comes into you in church." And on how it feels getting hit. "Like you walk down a street not looking and you hit a pole that don't give."

Scholarship For Writers Course Won By Student

The Richard Carey Memorial Scholarship to the 18th Annual Southwest Writers Conference has been awarded to Karen Taylor, freshman student at Cisco Junior College and daughter of Mr. and Mrs. A. D. Taylor, 1209 Seaman, Eastland.

The Richard Carey Scholarship was made available to a Cisco Junior College student through Mrs. Mary Carey, photo-journalist of Houston and sister of Mrs. E. C. Lloyd, journalism instructor at CJC, in memory of the late Richard Carey, husband of Mrs. Carey.

The Writers Conference will be held at the Robert Driscoll Hotel in Corpus Christi June 2-5. Program for the conference includes a children's book party, a bienvenida and autograph party, a publisher's evening, a poets meet, a sailing party, a magazine editor's luncheon, and an awards dinner.

Lecture sessions will be held on the short story, history and the writer, TV and movie scripts, Hollywood problems, science and fiction — yesterday and today, historical research and photography.

Workshop sessions will be held on children's literature, poetry, fiction, non-fiction, and other subjects.

Among the instructors to be at the conference are Emilie and Fritz Toepferweine, The Highland Press; Donald A. Wollheim, Ace Books; Frank Wardlaw, University of Texas Press; Lilith Lorraine, Avalon Books; Loring Williams, American Weave Press; Ken McCormick, Doubleday and Co.; Henry Biederman, The Cattlemans; Betty Fininn, Woman's Day; Frances Smith, Boy's Life; and Mrs. Carey.

Trash Pickup Costly On Texas Highways

Almost two million dollars—funds that could have built 72 miles of farm to market roads or 24 miles of two-lane primary highways—had to be spent by the Texas Highway Department to remove litter from the highways and repair vandalism damage last year.

This is much like a man throwing trash in his own yard and then paying someone to pick it up, for Texas motorists are covering the "front yards" of their state with a trail of trash and then "footing the bill" to have it cleaned up. Last year the Highway Department had to spend \$1,344,000 to remove this unsightly and unsanitary mess from the roadsides.

In addition, sign vandalism accounted for another \$385,000. Other vandalism totaled \$70,000 bringing the total for litter removal and vandalism to \$1,799,000.

Vandalism, according to the Highway Department classification, covers such items as damaging and destroying signs and sign supports, marking on structures, and damaging safety rest areas (roadside parks). Litter includes beer cans, watermelon rinds, bottles, wrappers, newspapers, milk cartons, and cigarette packages.

The litter problem is more or less localized to certain sections of highways along the more heavily traveled routes and the urban area. It is believed that people are more likely to throw trash from their cars when they travel the same route every day. Also, roads leading from "wet" counties to "dry" counties come under heavy bombardment of cans and bottles.

At the present time, well-traveled federal and state highways are cleaned about three or four times a year, farm to market roads once or twice a year. Freeways in the urban areas require much more mowing and cleaning.

Highway engineers are constantly seeking new methods or machines that will help to remove the mess from our highways, but so far the only satisfactory method has proven to be the man with the stick.

Many concerned citizens and highway engineers feel that an education program and strict law enforcement of the anti-litter law are necessary to stop the litterbug. Strict law enforcement helps to some extent, but it is almost impossible to stop littering by patrolling "heave litter" areas. The trend, and some feel the only solution to the problem, is toward education of the public through mass media and through programs sponsored by the Texas Highway Department, civic clubs and other organizations.

Does Ford Fairlane's "compact" price mean it's a compact car?

NO!

Rambler is a compact!
 The experts classify cars by wheelbase. Anything under 114-inch wheelbase is a compact. The biggest Rambler's wheelbase is only 108 inches!

Chevy II is a compact!
 Chevy II tries to sound like a middle-size car . . . but its wheelbase is only 110 inches!

Our Ford Fairlane is right between the compacts and the big cars—gives you compact price with big-car room and ride!
 Fairlane's wheelbase is a full 115.5 inches. From bumper to bumper, Fairlane measures 197.6 inches . . . 14.5 inches longer than Chevy II . . . 7.5 inches longer than the longest Rambler. Fairlane is as roomy inside as most of the cars on the road today . . . and rides more smoothly than most. Yet it's a foot shorter . . . easier to park than the big cars . . . less gas-wasting bulk. Look at the facts, and you, too, will go Fairlane. Come size it up today.
