R. Heckendorn Resigns First Christian Church

The Rev. Ray Heckendorn, who has been the minister of the First Christian Church here for the past four years, has resigned and has accepted the ministry of a church in Fort Worth.

H. R. Pop) Garrett, chairman of the local church's board, announced that Rev. Heckendorn called him Sunday from Washington State, where he is vacationing, to submit his resignation to the board.

Mr. Garrett said that the board accepted the resignation, and has expressed congratulations to the young preacher for his promotion in securing the Fort Worth church.

He will assume the ministry

of the Boulevard Christian Church on the first day of August. The Fort Worth church is much larger than the local one.

Rev. Heckendorn is to return to Eastland July 7th and will continue to fill the local pulpit through the month of July.

Max Beazley, chairman-elect of the board, had a meeting of the newly-organized board Wednesday night to discuss the replacement of Rev. Heckendorn. The new board is to take office on July 1st.

Rev. Heckendorn was well known in Eastland and was an active civic leader, having been recently elected secretary of the Eastland Jaycees, and other offices.

He will always be remembered for his interests in public school athletics. He usually led the in-season proceedings each Maverick home football game.

When he first came here as a part-time preacher, he was attending Texas Christian University, working on his Bachelor of Divinity degree. After completion of that degree, he and his family moved here for the full-time church work.

His wife and daughter, Marsha, were killed in an automobile accident near El Paso last August while the family was returning from vacation. He has three other children: Christi, Cathy and Mark.

Rev. Heckendorn replaced Roy Turner at the local church, which has a membership of about 150 at this time.

Dallas Golfer Wins Title In Eastland's Annual Meet

Gene Teter of Dallas achieved championship honors at the 12th Annual Invitational Golf Tournament held last weekend at Lakeside Country Club, by defeating Paul Mosley of Coahoma in the championship final, 6-4.

Eastland County golfers were among those winning top honors in flight divisions.

Winner of the first flight final was Archer H. Marx of Cisco, who edged by Mackey Morgan of Temple with a 2-1. Gary Bradshaw of Ranger defeated Ned Snyder of Brownwood, 4-3, in the championship consolation final.

Robert Justice, also of Cisco, was victorious with a 1-up over Bill Bowerman of Arlington in final play of the second flight.

In taking the title, Teter was without serious opposition. He won top-sided decisions in both matches Saturday, clipped Arlington's Charles Meisner, 3 and 2, in the semifinals and then defeated Mosley in 14 holes.

Teter was under par in every match except the final one. He fashioned a 1-over 37 on the front nine against Mosley and was even on the back side when the match ended. Mosley, usually a consistent shooter, skied to a 41 on the first nine holes. And he was 2-over on the back side.

The former Southern Methodist University collegian had two birdies in the match, a 3 on the par 4, a 285-yard 7th hole and a 3 on the par 4, 280-yard 14th. Mosley had just one birdie, a 3 on No. 9, a 345-yard, par 4 hole.

The pair halved the first two holes with bogeys and pars, respectively, but Mosley was never in the match thereafter. Teter quickly won No. 3 with a par 3 and No. 4 with a par 4. Mosley bogeyed No. 3 and had a buzzard on No. 4. After the two split No. 5 and 6 Teter picked up his birdie 3 on No. 7 to take a 3-up advantage. And he also won No. 8 with a par 4 to go 4-up. Mosley showed his own sign of a possible recovery on No. 9 by running down an 8-foot birdie putt to win the hole. But he lost No. 11 by taking a bogey and was again 4-down.

On No. 13 Mosley overshot the green by some 30 yards on his approach shot and bogeyed the hole. Teter was on the green with his approach and 2-putted for a par.

Then Teter won the final hole with a pickup birdie to end the match.

Bill Walters Celebrates 20 Years With SW Bell

Bill Walters Jr., central office repairman, Eastland, will celebrate his 20th anniversary with Southwestern Bell Telephone Company on July 1, according to an announcement made here.

Walters, 813 W. Valley St., was graduated from John Tarleton Agricultural College after attending Eastland High School. He is a native of Eastland.

The 43-year-old repairman served in the Merchant Marines from 1942-45 as First Radio Officer. Since that time he has

taken many advanced courses in electronics.

Among his club memberships, Walters is president of the Eastland Lions' Club; president of the Skin Divers Club; presiding chairman of the Help of Needy Children; on the board of directors of the Lone Cedar Country Club; past captain of the Eastland Fire Department; and a member of the Eastland Blood Bank.

A member of the Church of Christ, Walters is an officer and director of the Men's Bible Class.

The telephone employee and his wife, Frances, were married in 1939. They have one child, Gaila Loya, 20, a graduate of McMurry College, Abilene.

In his leisure hours, Walters operates three farms, teaches skin diving, works on Boy Scout chapters, maintains all special call systems for the Eastland Hospital, teaches skiing, and does some flying each week.

Bernard Hanna was program chairman and showed the movie, "The Ultimate Weapon" which was narrated by Ronald Reagan.

According to the film the Communists believe that Americans are weak in several points — that they can't think for themselves, that they lack self confidence and that they don't know the difference between right and wrong — and use these principals to implant their brainwashing techniques.

The film was based on the findings of an imminent Army physician who studied the cases of returned prisoners of war, many of who were subjected to the subtle techniques of the Communists, and in so doing, lost their identity with the group (their fellow prisoners) and lapsed into a feeling of "I'll look after myself and you take care of yourself."

President Mike George announced that Monday's meet was the last over which he will preside, and that incoming president Jack Germany will take charge next Monday.

Guests included Dr. C. C. Cogburn, formerly of Eastland, now of Pasadena, and Larry Milner and Archer Marx of Cisco. He strongly recommended

GIVEN 35 YEARS District Juries Find Jailbreakers Guilty

Verdicts of guilty were reached by two juries in 91st District Court against James Bridges, 27, and Lawrence Paul Davis, 30, who were sentenced to a combined total of 35 years in the state penitentiary.

Each man was tried separately on charges of armed robbery of the Elison Grocery Store in Gorman.

Bridges received a sentence of 20 years and Davis 15 years. Jurors of the Bridges case were Mrs. John Leveridge, Harlin E. Denny, Mrs. Joe Britton, C. W. Graham, Mrs. Arlin Agnew, Mrs. Agnes Hays, Mrs. Everett Plozman, Homer Coleman, Tommy Hucksby, O. D. Phillips, R. H. Dunning and Horace Horton.

Following selection of jurors at 9:30 a.m. Tuesday, the case got underway.

Those giving testimony in the Bridges case included Mrs. F. J. Elison, owner and operator of the grocery, Kay Elison, her 17-year old daughter, E. L. Dennis, Gorman Constable, and E. T. Woodward of DeLeon, owner of the pistol used in the robbery.

The case was given to jury members at 1:30 p.m. and a verdict returned at 1:45 p.m. The trial concluded at approximately 1:55 o'clock Tuesday afternoon.

A 11-man, one-woman jury took less than 30 minutes to find Davis guilty and assess him 15 years in the state penitentiary Monday.

Both men were represented by Dewey Cox, Ranger attorney.

Judge T. M. Collier's court got into session about 11 a.m. Monday with the selection of jurors for the Davis case, and were to begin the Bridges trial at about 2 p.m., but it was almost 3:30 p.m. before the first case was finished.

Investigation of the jury venire began for the second case Monday afternoon but was suspended when the number of prospective jurors lessened, and Judge Collier announced that the trial would resume Tuesday morning at 9:30.

Additional jurors were "rounded up" at mid-day Monday, and several were excused for various reasons.

District Attorney Earl Conner Jr. put several witnesses on the stand during the Davis trial, including Sheriff Lee Horn, Dennis, and Mrs. Elison, a widow, who operates the small grocery on the outskirts of Gorman.

During the testimony, the statements which the two men signed, admitting the robbery, was entered as evidence, and the prosecuting attorney examined witnesses to corroborate the statement.

The robbery occurred on Feb. 8th, this year, and less than \$200 was taken, which was apparently spent for beverages in Strawn and Minus, where the two were arrested the same night, in the company of their wives.

Both were taken back to Gorman and efforts made to establish their identities. One witness, who had been in the store, while Davis was inside, said he saw him take a stocking from his head.

Jurors in the Davis case were O. E. Hise, Floyd Woods, Vernon Harris, J. A. Brown, H. H. Oliver, E. E. Blackwell, James Roggus, W. L. Garner, R. H. Donovan, George Ford, J. C. Collins and Mrs. Maybell Oyler.

Davis and Bridges broke out of the Eastland County Jail, where they had been held since May 2nd, about two weeks ago, but were recaptured in DeLeon less than five hours later and returned here.

Indications are that additional charges arising out of the jail break may be forthcoming when a 91st District Court convenes early in July.

Both men had already been tried and given sentences for an armed robbery in Strawn, Gorman on the same day as the Gorman robbery.

Leland Everton Is Graduate Of Aviation School

Leland D. Everton, airman apprentice, United States Navy, son of Mr. and Mrs. Elver W. Everton of Route one, Eastland, was graduated on June 1, from the Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn., according to an announcement made by the Navy.

Graduates of the school are advanced to one of the many technical training schools at the center for continued study.

Blue Sox Team Defeats Gorman

Members of the Eastland Blue Sox teenage baseball league defeated the Gorman Bulldogs with a score of 12-2 during a game played Friday evening.

Billy Collins pitched the winning game for the Blue Sox team. Mike Rodgers was the losing pitcher for the Bulldogs.

The Blue Sox team was aided with a three run home-run batted by Wayne Waldon.

Damage Suit Is Postponed

The \$50,000 damage suit against Mrs. John T. (Juanita) Robertson of Ranger, which was scheduled for this term in 91st District Court, was passed Monday and will be set for trial later.

Eastland Attorney Frank Sparks represents Mrs. Robertson in the suit, filed by Mrs. Ira V. (Nancy Lee) Pennington.

The case resulted from an automobile accident in Ranger on Feb. 8th, this year.

Plentiful Foods Listed For July

There's delightfully cool summer eating in store for Texas homemakers who shop the "plentiful foods" route this July, suggests the Texas Agricultural Extension Service.

The July list features tender turkey, exceptionally economical and ideal for warm-weather sandwiches, salads, or patio barbecues. Turkeys in storage are more than 40 percent higher than a year ago. Live turkey prices have been running the lowest since 1942.

Then, consider these additional menu sparklers: milk and all dairy foods; a galaxy of summer vegetables from local and commercial gardens; fresh juicy peaches; a bonanza of cantaloupes; and frozen, refreshing orange juice.

All are on the July list of plentiful foods as determined by the Agricultural Marketing Service in cooperation with producers and the food trade. Supplies of each exceed normal trade needs.

Gulf Oil Gives Well Logs To Harvard

WICHTA FALLS — Gulf Oil Corporation has given electric logs from wells in 46 North Central Texas counties to Dr. Alfred S. Romer of Harvard University.

Dr. Romer, a paleontologist and curator for the Museum of Comparative Zoology at Harvard, has come here for the summer to study surface geology of North Central Texas as he has for a number of years. He intends to use data from the logs to develop more knowledge about the stratigraphy of the area.

The gift consists of logs from more than 3,400 wells. More than 100 logs from each of the following counties were included in the grant: Callahan, Coleman, Eastland, Fisher, Haskell, Jones, Montague, Nolan, Rannels, Shackelford, Stoneburn, Taylor and Throckmorton.

Made with instruments lowered into wells, electric logs are graphic records which indicate the depth, type and thickness of each subsurface formation penetrated. They are used in locating oil and gas bearing formations.

Gulf previously had given well logs from 12 other North Texas counties to Texas Christian University at Fort Worth and Sul Ross College at Alpine, Texas.

Mr. and Mrs. O. B. Hogan recently returned to their home here after spending two weeks with their two youngest sons and families, Mr. and Mrs. Glenn Hogan of Danville, Ind. and Mr. and Mrs. Gale Hogan of Hokendauqua, Pa.

Upon their arrival in Danville, the Hogans received word that their son, Gale, was in Sacred Heart Hospital awaiting surgery. Mrs. Glenn Hogan accompanied them to Pennsylvania by car. They arrived in time to be with Gale before the surgery.

Before going home, they topped at Sandusky and later enjoyed the mountain ranges, six tunnels and various other points of interest.

CONDITION IMPROVED
Mr. and Mrs. Gale Hogan of Hokendauqua, Pa. remain in poor condition following an automobile accident in September, 1961, according to an announcement received here.

Both, Mr. and Mrs. Hogan, received compound fractures of both legs and Mrs. Hogan sustained a broken left arm.

A spokesman reported Mrs. Hogan doing better and that Gale had undergone surgery for bone grafting.

They are both at home at 130 N. 3rd St., Hokendauqua, Pa.

Of course doctors support health care for the aged...

We agree that all of our elderly should receive all the health care they need when they need it. The question is how health care for the aged can be financed...and whether the program should be voluntary or compulsory.

WHY WE FAVOR VOLUNTARY PROGRAMS

Voluntary programs are available now. They are private health insurance and prepayment plans for those able to purchase these policies . . . and the Kerr-Mills Law and other state and local programs for helping those who need help.

- Health insurance now is available to all the aged everywhere, and more than 9,000,000, or 53%, already have it.
 - The Kerr-Mills Law enables the individual states to guarantee to every aged American who needs help the health care he requires.
 - In addition to the more than 2,500,000 Americans covered by old age assistance, the Kerr-Mills Law is designed to benefit all older persons who can not meet the cost of a serious or prolonged illness.
 - And, under Kerr-Mills, each state can pattern the program to meet its own particular needs.
- The voluntary way avoids waste of tax dollars by helping those who need help and by preserving the right of the self-reliant to take care of themselves.

WHY WE REJECT THE COMPULSORY PROPOSALS

The King-Anderson Bill (HR 4222), now before Congress would force all wage-earners and all employers to pay a substantial increase in payroll taxes to buy health care for millions who can well afford to take care of themselves.

- It would not provide any help for the 3,500,000 not covered by social security—the group most in need.
 - It would lower the quality of health care with the Federal Government controlling standards of practice.
 - The cost of the bill would be staggering even when figured by the lowest estimates; yet, it would cover less than 25% of an aged person's health care costs.
- Every hospitalized patient would be required to pay \$100 for the first nine days. Many aged could not afford the \$90 the well-to-do could easily afford the \$90 and get a free taxpayer's expense for the rest of their hospital charges.
- It is bad medicine any way you look at it!

We believe voluntary programs should be given a fair trial. They should not be cast aside for a radical, costly, compulsory, irreversible government medicine plan.

If you believe as we do, write Congressman Omar B. Anderson and Senators Ralph Yarborough and John Tower. Urge them to vote against the King-Anderson Bill (HR4222).

IT'S THE LAW

LEGAL TERMS

Words are good tools. All professions have to use them precisely to get their work done. Your doctor has words for your ills; and your pharmacist, for your drugs.

As a rule, we say what we have to say: If people do not get it first time we tell them again. But you can't always do that in wills and contracts.

In legal papers, words need clear meanings for courts to interpret them right. Hence, technical terms such as the following:

1. Real property: Land, buildings, fences, and things attached to the land such as trees and crops.

2. Personal property: Movable things: Bonds, bank accounts, notes, cars, livestock, furniture, jewelry, clothing, television sets etc.

3. Community property: Property which a man or wife earn after marriage.

4. Separate property: Gifts, inheritances, and some court awards received after marriage as well as things which man or woman owned before marriage.

5. Trusts: You have a trust when someone holds title to property for another person's sake. Thus a man's will may have someone or someone hold and manage his business interests and turn the income over to his widow.

6. Deposition: A sworn statement to get or keep testimony for a law suit — a help when a witness is sick or far away, for instance; or when facts can be taken down in "discovery" proceedings to shorten actual trial time. Depositions are of two kinds:

a. Lawyers on each side ask the witness questions before a notary public. His answers are taken down, and he signs the "transcript."

b. The lawyers write out their questions beforehand; and the answers, given before a notary, are also written out. The notary sends the testimony to the court where it may be used during hearings.

(This newsfeature, prepared by the State Bar of Texas, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Veteran Orphans Are Eligible For Col. Education

Many boys and girls in 1962's graduation crop are eligible for a college education at government expense, the Veterans Administration pointed out.

These are children who lost one or both parents as a result of their war-time service and who are generally between the ages of 18 and 23 years.

The eligibility of children of deceased veterans for benefits under the War Orphans Education Assistance Act is not affected by subsequent adoption or even by marriage.

They remain "children" as far as this benefit is concerned even if they marry, and "orphans" even if one parent is still living or if the remarriage of the surviving parent results in their legal adoption.

Six 4-H Scholarships To Be Given Merit

Six 4-H Club conservation or forestry scholarships will be awarded present or former 4-H Club members who are college freshmen planning to major in those subjects, according to county home demonstration agent, Mrs. Beverly Nicholson.

The Cooperative Extension Service offers the six college scholarships through the National 4-H Service Committee of Chicago and the scholarship sponsors. Four are for \$1,600 each and are the largest college scholarships offered in the national 4-H award program. They will be provided for the sixth straight year by Homelite, a Division of Textron Inc. of Port Chester, N. Y.

The other two scholarships for \$800 each, are identified as crop protection-crop production. They also will be given for the sixth year by California Chemical Company Ortho Division, San Francisco. To qualify, students must be juniors in a college of

agriculture, in years in one following: agronomy, plant pathology, horticulture (fruit).

Ronald C. who has spent eight years in is now coming year at Texas A&M, after winning forestry scholarship and to carry the parents' farm ana, Bowie won previous his work in

Applicants scholarships through the leader or the sion agent. tion also is these sources Mrs. Nicholson

Thurber Reunion Set For July 4
All ex-residents of Thurber are invited to attend the annual homecoming to be held on July 4th. The gathering will be held in the old dry goods store of the ghost town, which at one time had a population of 8,000. Those who care to may spread lunch at noon with old friends.

Hohertz Sisters Married in Double Church Ceremony

Misses Melbadean and Esther Pearl Hohertz, daughters of Mr. and Mrs. Arthur Hohertz of Priddy, became the brides of T/Sgt. Jack Tarter of Kirtland AFB, Albuquerque, N.M. and Calvert Hennig of Clifton respectively in a double ceremony held Saturday evening at 7 o'clock in the Zion Lutheran Church of Priddy.

The Rev. John Striepe of Priddy read the double ring vows amid a nuptial setting of candelabra and palm branches.

T/Sgt. Tarter is the son of Roy Tarter of Dallas, Mr. and Mrs. R. C. Hennig Jr. of Clifton are the parents of Mr. Calvert Hennig.

A medley of musical selections was presented prior to the ceremony by Edna Striepe of Priddy, vocalist, and Patricia Teinert of Odessa, organist. Members of the bridal party entered to strains of the "Wedding March." During the ceremony, "Because" and "Whether Thou Goest" were rendered.

Mrs. Bill Tarter of Abilene, sister-in-law of the groom T/Sgt. Tarter, served as matron of honor for the bride. Capt. Bill Tarter served his brother as best man.

Ushers for the ceremonies were Robert Tiemann of Priddy, N. L. Schrank and Gaylon Schrank of Priddy, all cousins of the brides, and Raymon Zwhe-

ke of Clifton, cousin of Mr. Hennig, bridegroom.

Dorothy Kunkel attended Miss Pearl Hohertz as maid of honor. Johnnie Hennig served as best man for the groom.

The brides' attendants were identically attired in mint green ballerina length dresses made of peau de soie. The dresses were fashioned with a V neckline and bouffant skirts. Each attendant carried six long stems, white roses in an arm bouquet and each wore one-button gloves.

Miss Melbadean Hohertz was escorted by her father and Miss Pearl Hohertz by her brother, Charles Hohertz.

The brides, given in marriage by their father, wore identical chapel length dresses of white satin. The fitted bodices were overlaid with white lace. The V necklines featured lace scallops in front and back. Short sleeves were complimented with lace scallops. Bouffant pleated skirts featured jeweled appliques made of lace fell into graceful folds. Each wore a single strand of pearls and carried white orchids in an array of lilies of the valley atop a white lace-covered Bible.

The double reception was held in the Educational Building of the church. Members of the joined houseparty included Mrs. Monte Browning of Tyler, Mrs. Edward Bryn of Clifton, Misses, Gwen Schrank of Priddy, Eunice and Ruth Striepe of Priddy, Carla and Isabell Hein of Fredricksburg, Faye and JoAnn Kunkel of Priddy, Wynett Rost of Priddy, Carolyn Spinn of Priddy, Mrs. Charles Hohertz, and Mrs. Helmut Ticnert of Odessa, Mrs. Mary Morgan of Eastland, Mrs. Lynn Nicholson of Eastland, Mrs. Wayne Zimmerman of Fredricksburg and Mrs. Charles Seider of Brownwood.

White net ruffles over taffeta covered the brides' table. Lighted tapers and the brides' Bibles centered the table. Mrs. Monte Browning of Tyler nourished punch and Mrs. Edward Bryn of Clifton served cake.

For her daughters' weddings, Mrs. Hohertz wore a pink lace dress with beige accessories and a white cimbidium corsage.

T/Sgt. and Mrs. Tarter will be at home in Albuquerque, N.M. after August 15th. For her wedding trip to Lake Texoma, Mrs. Tarter chose a pink dress designed with a V neckline and pleated skirt. A waist length jacket with three-quarter sleeves topped the dress. Her accessories were beige and she wore a pink hat. Her corsage was the orchid from her bridal bouquet.

Mrs. Tarter is a graduate of Priddy High School and East Texas State College in Commerce. She taught school in Farfold and is presently employed as Assistant County Home Demonstration Agent in Eastland.

T/Sgt. Tarter attended Sunset High School of Dallas and is making a career with the United States Air Force. He

Mrs. Hopper Is Attending Convention

Mrs. Cora M. Hooper, 506 S. Daugherty, Eastland, is attending the 25th national convention of Royal Neighbors of America, fraternal benefit society, at Denver, Colo., June 25-29. She is attending the convention held at the Shirley-Savoy Hotel as a delegate.

The convention is being devoted to consideration of constructive measures for the advancement of the Society, reports of national officers, enactment of new by-laws and amendment of those now in force, and election of national officers. The Society is composed of about 4,000 lodges located throughout the United States.

Approximately 350 persons are attending the meeting. This figure includes delegates, elective and appointive national officers, members of the five standing national convention committees, and a number of employees.

A Pioneer Writes to His Decedents

(Ed Note — This is a brief history in the form of a letter to his children of a Pioneer Eastland Countian. It was written in pencil by the late W. J. Poe of Cisco. Mr. Poe died in 1954. He was the father of two Eastland residents, Mrs. Edgar Altom (Ada), and Parks Poe, and a Cisco resident, Jewell Poe. We have found reading of this simple narrative a refreshing interlude and hope that you too will enjoy reading about early Eastland Countians.)

this earth, and thinking my decedents would like to know something about their ancestors, as I would like to have known about mine, I am leaving these lines hoping and praying in some way it will be of help to you.

I was born in Columbia Co., Ark. April 2nd, 1872. My wife, Mittie Gardner, was born in the same co., July 17, 1874. We played together as children, went to the same school. We walked to one school a distance of four miles, taught in a log school house.

We drank water from a spring. Walked to two other schools a distance of three miles. Our studies consisted of the following named books. Blue back spellers, the 1st, 2nd, 3rd, 4th, 5th readers, Rays Arithmetic, Geography, History, and Grammar.

Married Oct. 25th, 1894, leaving for Eastland Co. Tex. four days later, in an Ark. wagon, pulled by two Ark. mules in company with Bro. Lee and wife, Bro. Nathan and two sons, Hossie and Sam, and a young man by the name of Will McClane.

It took 23 days to arrive at our destination, eleven miles south and east of Cisco, 1 1/2 miles south of the Pleasant Hill Cemetery. We rested Sundays on our trip. The 1st Sunday was spent at Pittsburg, the 2nd Sunday at Dallas, the 3rd at DeLeon. We camped on the river at Dallas, leaving our

teams across the bridge to the Court House for water, there being a public watering tank there.

On Sunday Bro. Lee and I took our brides for a street car ride. Most of the cars were pulled by very small mules, however we rode the electric cars.

When we arrived at Pleasant Hill, we checked up and found our earthly possessions consisted of \$195.00 in money, two mules and a wagon, and enough bedding for one bed. Nearly 400 miles from the old home and only knew one family in Tex, besides the ones that came with us.

However we had a will and a faith similar to Abraham. Our house was a 14-14 room, with a shed room 7x14, porch in front, 2 windows to the house, with most of the lights out for seven years.

We lived in this house, then built a better one. Our first crop consisted of 3 acres oats, 15 acres of cotton, 17 acres of cane. The oats were good, gathered 7 1/2 bales of cotton, for which we received \$266.00 and made 680 bu. of corn. Corn was worth 18 cts for bu. on the farm, and 25 cts in town.

I would never sell any until I was sure of another crop. We hauled all the water we used for three years from a public tank, or a well. 1896 was very dry, and we drove our cows to water for awhile, a distance of 3 1/2 miles. We put all the money we made on improving the place, and buying more land.

At that time there was more wood under the ground than on top of it. It was called shinary land. We used two yoke Oxen to break the new ground. After having bought three more places in that community on Aug. 22, 1907, I bought a sec. of land in Dawson Co., 5 miles east of Lamesa, paying \$6400.00 for it, all cotton money.

Had posts and wire hauled from Big Springs, a distance 55 miles, to fence this land. Sold this sec. in 1915, and on the 22nd day of Aug. 1919, bought 7 9/10 acres of land in Harlingen, Tex., paying \$500.00 per acre for it. Sold this place in 1925.

Later, I began to get lame, and on Dec. 28, 1931, wife and I rented out and moved to Cisco. After living here four years, we bought the place where we now live, 502 W. 18th St. Cisco, Tex. We are the parents of four children, E. J. borned July 22nd, 1895, Ada, borned Dec. 6, 1897, G. P. July 14, 1906, and A. C. Sept. 26, 1911.

To show you the progress of our Nation in the last 68 years or since my birth, I give you the following; all houses in the country were log. I was borned in one. My Mother cooked on the fire place until I was about 10 years old. She bought the first wood stove and the first sewing machine in our community.

My mother had the spinning wheel and the loom, made all of our clothes. I was about 12 years old when I saw my first train at Hope Ark. About a year later I got my first store bought suit of clothes. At that time we only bought one barrel of flour a year, 196 lbs., and a very little granulated sugar. Our other sugar was

brown, made from ribbon cane syrup.

At an earlier date, we had pet deer. At times, the wild deer would come with them in the yard. One time during a big snow one came and went into the barre stall, and one of my bro's, killed it with a piece of timber.

The first money I ever made was minding the gap for Bro. Nathan. All fences were rail. When he gathered his corn, he would lay down one pannel of fence, called the gap. I stayed at this place from sun up until sun down. For this service I received 25 cts per day. A little later my brother-in-law gave me three little pigs, two or three days old. I lost one, fed the others milk and nutberries for awhile, and then turned them on the mast, consisting of white oak, pin oak, and post oak, acornes, hickory nuts, and different kind of haws & berries.

When they were about two years old, I sold one and bought me a saddle, paying \$11.85 for it. Then I bought me a young horse for \$225.00. I made this money by picking cotton. Went to work for myself when I was 21 years old. Made three bales of cotton, 110 bu. of corn, and 33 gallon of syrup. Received \$106.00 for my cotton, 40 cts. per gal. for the syrup. I kept the corn for my pony.

The next year I went to work for Bro. Cap at \$25.00 per month and boarded myself. He ran six wagons, eight steers to the job, hauling pint logs. My job was to feed the teams and cut roads to the timber, however when one of the drivers got sick, I would drive his team. Bro. Lee was one of the drivers. He and I stayed at home, about 1 1/2 miles from the camp. Mother prepared the food for us as best she could. We got up at 4 o'clock, cooked our breakfast, prepared a lunch for dinner, and walked this distance to work. Had to be there before sunrise and stayed until about dark. Bro. sold out the 18th of May and I went to work on a farm for \$15.00 per month. From the small wages I received in the year and half I had worked for myself or up to the time I married, I had accumulated the wagon and team I brought to Tex. and \$220.00.

I was out \$25.00 on our trip to this county. Out of that I bought an overcoat, a razor, and a pair of shoes for my wife, paying \$31.00 for them in Dallas.

We came to this co. 14 years after the T-P R-Road ran through the co. Was a member of the First Grand Jury that convened in the new Court House, after the old one burned.

After about 28 years of service in that house, I was the foreman of the Grand Jury that condemned that house and recommended the building of the present house. I have never liked to use the letter I on what I have done, but I have told you all of this to show you if you are industrious, honest, and have the will power, you can get somewhere in life.

I have made many mistakes in life, but my policy has been not to buy anything you couldn't pay for. The first thing in life is to make the preparation for the future life after this one is over. I did that about 18 years old and united with the Missionary Baptist Church.

I have been blessed with having as a companion through life, one among the best of women. If I have in any way helped to make this a better place in which to live, I attribute it to my Mother. I know I have made mistakes in trying to rear my family, as probably you will do.

I ask your forgiveness for all of them. Remember me as a Loving Father and Grandfather. My prayer is that

Mrs. Crawford is Hostess To Olden HD Club Meeting

The Olden Home Demonstration Club members were guests June 14th in the home of Mrs. Pat Crawford, Eastland.

Mrs. W. P. Edwards, vice-president, was in charge of the meeting in the absence of the president, Mrs. Rudi Marshall. The group was led in the opening exercise by Mrs. Homer Lawrence. Eleven members answered roll call with "My Favorite Summer Vegetable."

After a short business session, the meeting was turned over to Mrs. Crawford. She led the group through her home showing them her handi-work, antiques, many lovely pictures, glass ware and plants. Among the interesting articles she had recently made was a colorful patio dress, made of material scraps. The point Mrs. Crawford made to the group was that many beautiful things can be made inexpensively from materials that most people discard.

Mrs. Crawford also gave the devotional on the subject, "Family Life in the Bible." Punch cookies and mints were served to the following: James, E. Craven, W. P. Edwards, Jessie McIlvain, Homer Lawrence, Louise McFarland, J. D. Harrell, Jewel Browning, Bud Griffin, H. C. Fox, Rudi Marshall.

This will be an unbroken family in that better world. I hope you will do as we have tried to do all of our married life.

Never miss a service at the Church unless providentially hindered. After being a member of Pleasant Hill Church 41 years, we united with First Ch. Cisco Jan. 2, 1944. Motto: A good name is rather to be chosen, than great riches. Proverbs 22-1. Lovingly Dad Sept. 19, 1940

shall and the hostess, Mrs. Crawford. The next regular meeting will be held Thursday, June 28 in the home of Mrs. M. C. Fox. The program on China Painting will be given by Mrs. Gerald Wingate.

ATTENDS PROGRAM

Mrs. H. E. Basham, owner and operator of Basham Beauty Par. attended a special program at the Sands Hotel in Abilene on Sunday. The program featured Mme. Marguerite Buck of New York, famous hair stylist and designer, and was sponsored by the Zotos Beauty Supply Co.

Lonnie Joe Basham, a student at the Glen and Lottie's School of Beauty in Abilene, accompanied his mother to the program. Highlight of the program was a noon luncheon and several contests. Mrs. Basham won a 1950 Gruen ladies wristwatch as one of the door prizes.

GUESTS

Recent guests in the home of Mr. and Mrs. Dick Yielding were their three daughters and families, Mrs. Joe Crawford, Ricky and Kathy of Atlanta, Tex., Mr. and Mrs. G. T. Nabors, Connie, Gary and David of Durango, Colo., and Mr. and Mrs. Jimmy Colburn and Scott of Midland.

The Nabors returned to Colorado on Saturday afternoon following a two weeks vacation here and in Temple. Others visiting in the Yielding home were Mr. and Mrs. Pitt Crawford of Cathage, who also visited with friends in Oklen.

How can this car have so much extra—and still be almost low-priced? Answer: it's a Buick...in name, styling, quality and resale value. Yet its price is right close to many models of "low-priced" cars. So before you do any buying, come see how little extra it costs to get all the values included in LeSabre's surprisingly low price. Some examples...finned aluminum front bumper—the safest made! A 401-cu. in. Wildcat V-8. Exclusive Advanced Thrust engineering that moves the car forward—gives you straight tracking, flat cornering—and a nearly flat front floor! Turbine Drive automatic transmission—smoothest there is! And lots more you'd never guess LeSabre gives you. Your dealer's great trades make LeSabre an even greater buy right now! **BUICK LESABRE IS THE**
