Eastland All Stars Top Opener, 4-0

Eastland little League baseball team had a bad League tournament at the home of the Eastland boys out to field again without a run.

and only one out, but a Breck pitcher came in fresh and powerful, met the crisis and turned the Eastland boys out to field again without a run.

Eastland All Stars beat Abilene on Saturday night and were victorious in the consolation game.

Apparently charged with their fifth inning triumph, the Brecks added three runs in the sixth to sew up the game.

Lineup for the locals was: Pat Miller, pitcher; Greg Imfinger, catcher; Steve Lund, first base; Wade Thomas, second; Freddy Thomas, short stop; Danny Norris, third; Tommy Lowrance, left field; Allen Steadham, center field; and Rhell Smith, right field.

Jack Mace assisted J. C. Butler in managing the team Friday night.

Eastland umpires Ray Harbin, first base, and Johnny Grimes, third base, both drew praise from the tournament directors for their work Thursday night in the Ranger-Albany game. Both were to umpire Saturday night.

Eastland umpires Ray Harbin, first base, and Johnny Grimes, third base, both drew praise from the tournament directors for their work Thursday night in the Ranger-Albany game. Both were to umpire Saturday night.

Farm Safety Week, July 22-28

'LET'S MAKE IT SAFE'—County Judge John Hart puts his signature to a document proclaiming this coming week as "Farm Safety Week" in Eastland County. At right is Joe Bob Browning, president of the sponsoring Farm Bureau, and at left is John Lave, chairman of the Bureau's public relations.

County Judge John Hart Proclaims Safety Week

County Judge John S. Hart has officially proclaimed July 22-28, 1962, as "Farm Safety Week" in Eastland County, according to Joe Bob Browning, President of the local Farm Bureau.

President Kennedy and Governor Daniel have previously designated that week on national and state levels as a period to call attention to worthwhile safety practices that can reduce disabling injuries and death.

The county farm leader said that farm people are faced with many accident hazards. He states that farming is one of the most hazardous occupations in America today.

In his official proclamation, County Judge Hart said: "Accidents result in disabling injuries and often death to many farm residents each year."

"A vigorous farm accident-prevention education will be conducted during this week by the Texas Farm and Ranch Safety Council, the Texas Agricultural Extension Service, and the Eastland County Farm Bureau with the theme, 'Family Safety — At Work and Play.'"

County Farm Bureau President Browning said that a different phase of safety would be emphasized each day during the week: Sunday — reverence for life; Monday — safety begins at home; Tuesday — agricultural chemicals; Wednesday — prevent falls; Thursday — rural highway safety; Friday — farm machinery; Saturday — recreation safety.

The Eastland County Farm Bureau is co-operating with the Safety Department in its efforts to promote FARM SAFETY WEEK all across the State.

County Farm Bureaus are becoming increasingly active in safety work. This includes co-operating with the high schools and by participating in fire extinguisher and auto safety seat belt projects.

Industrial Seminar Set Here July 31st

Two nationally-known industrial developers will participate in an industrial seminar in Eastland Tuesday, July 31st.

Speaking here will be Harry W. Clark, executive director of the Texas Industrial Commission, and James Bradley, head of the Industrial Economics Research Division, Engineering Experiment Station, Texas A&M College.

Eastlander To Mark 100th Year Sunday

A hundred years is a long time! So long, in fact, that it dates back to about the middle of the Civil War.

The children of Mr. Jack Carter, presently a patient in Eastland Memorial Hospital, are "hoping" for a celebration Sunday when Mr. Carter will reach his 100th birthday.

Mr. Carter, a retired Eastland County Farmer, has made his home for the past four and a half years with his daughter, Mrs. Virginia Vandiver, of Dallas.

A native of Alabama, he was married to the former Mary Ellen Ethridge in Searcy, Arkansas, 1888.

He moved to Eastland County in 1904 and made their home for many years about five miles from Eastland on the Old Breckenridge road.

Later they lived at a home on Walnut Street where Mrs. Carter died in 1945.

Mr. Carter was very active for his near-century age until January of this year when he contracted bronchial pneumonia. Since that time, he has not been quite so energetic, but has done a good job of trying to remain independent.

He has been in the local hospital for two weeks and his condition at times seems good. Last Sunday he was "spry" and talkative, and hopes are that he will be the same this Sunday for the birthday party.

Farming, gardening and his grandchildren are his main interests.

One daughter made the comment that he could never have too many children on his lap at one time.

His 20 grandchildren and 40 great-grandchildren might account for that!

He has three boys and two girls: Vernon of Eastland; Luther, who lives with another daughter, Mrs. James Hart, in Eastland County; J. C. Carter of Ranger; and Mrs. Virginia Vandiver of Dallas.

JACK CARTER on 84th birthday

Cisco Women Win At Lone Cedar

Mrs. Dick Bearman and Mrs. E. L. Graham of Cisco won first place in the Cisco Duplicate Bridge Club session held in the banquet room of the Victor Hotel at 7:30 p.m. Monday.

Players were from Brady, Gorman, Cisco and Eastland.

Second place winners were Mrs. Charles Sandler and Mrs. Luther McCrea of Cisco. Mr. and Mrs. Hofer Ferguson of Cisco were third and Helen Crawford and Mrs. George Foe of Cisco were fourth.

Next regular session will be held at the same place and time Monday.

Lloyd London is director of the club and Mrs. Bernie McCrea is secretary.

4-H Lamb Raisers to Pick Animals for Show Saturday

"4 H's will select their lambs for next year's County Livestock Show next Saturday, July 28th," according to Roger Blackmon, Assistant County Agent.

The event will be held at Blackmon's home in Eastland at 807 West Moss Street, two blocks north of the White Elephant Restaurant.

All 4 H's who intend to feed lambs next year should be there by 9 a.m.

These lambs were selected by the Assistant County Agent and came from Coleman and Runnels Counties. There are 40 lambs to be sold.

"These lambs are Dorset-Delaine crosses and excellent quality lambs," Blackmon said.

The lambs will cost about \$8 apiece. All the lambs will be vaccinated, drenched, trimmed up and ready to go.

The 4 H's will draw numbers from a hat to determine which choice of the lambs they get. Each 4 H'er will pick his own lamb with the help of a parent or leader if he desires.

There will be a short lecture on lamb feeding and some demonstrations on feeding a n d showing before the selecting begins.

This demonstration will be given by the Assistant Agent and 4 H's who have had experience feeding.

Local Bank Represented At Convention

Crez Bourdeau, executive secretary at the Eastland National Bank, will represent the local bank at a three-day convention of District Six of the American Institute of Banking in Abilene this weekend.

Marshall C. Tykall of Wilmington, Delaware was featured speaker at the convention which began Friday in the Windsor Hotel.

Three hundred persons from chapter banks in the district were expected to attend the convention.

The meet will be held in the director's room of Eastland Bank.

This will be the second in a series of such meets in Eastland.

Clark became Executive Director of the Texas Industrial Commission in January, 1962.

He has been active in the work since 1938, having served in several capacities in Mississippi and North Carolina before coming to Texas.

He is affiliated with the Texas Power and Light Co. and the Texas Pacific Railway Co. and the Texas Pacific Light Co. and the Texas Pacific Light Co. and the Texas Pacific Light Co.

Clark is a graduate of Kentucky's Bowling Green College of Commerce and he is a graduate of the National Institute for Commercial and Trade Organization Executives.

He served four-and-a-half years of military service in World War II, with over two years of overseas duty.

Recognition of his work in the industrial development field is indicated by his service as President in 1954 of the Southern Industrial Development Council and in 1957-58 as President of the American Industrial Development Council.

This organization earlier this year awarded him a "Fellow" one of the first three ever given to its members for outstanding distinctions in the industrial development field.

Clark is the only one in the South to receive this honor. He was one of the founders of the Texas Industrial Development Council and in 1961 was Chairman of the Dallas Area Industrial Development Association.

Immediately prior to coming to Texas, he was Vice President of the Fantus Area Research Inc., a part of the Fantus organization which specializes in finding plant locations for industry.

Other major activities have included service as State President of the Mississippi Jaycees and National Vice-President of the Jaycees. He also has been a District Governor in the Lions and in 1950 was recognized by the Jaycees as "Mississippi's Outstanding Young Man."

HARRY W. CLARK to speak here

CBR Course Completed

Specialist Six James D. Loflin, 32, son of James H. Loflin, Rising Star, Tex., recently completed a chemical, biological and radiological (CBR) course conducted by Headquarters, U. S. Army, Japan at Camp Zama.

Specialist Loflin received instruction in CBR operation and defense.

A n electroencephalograph technician in the U. S. Army Medical Command, Japan, Loflin entered the Army in 1945 and arrived overseas on this tour of duty last March.

Loflin is a graduate of Rising Star High School.

Eastland Woman Hurt In Wreck

Mrs. Billie T. Gray of 1036 S. Ammerman St. was in fairly good condition in Hendrick Memorial Hospital in Abilene Saturday morning after having been in a two-car wreck in that city Friday afternoon.

Attendants reported Mrs. Gray suffering from multiple injuries.

Killed in the 2:33 p.m. accident on U.S. 80 east of Abilene was a Houston woman.

An Abilene policeman, who witnessed the accident, said that the Houston woman's car was pulling out of a gas station and crossed the westbound lane to enter the eastbound lane.

Ex-Resident Buried Thursday

Graveside services for Odes Shirley, 34, former Eastland resident, were held Thursday at the Mount Hope Cemetery near Anson.

Mr. Shirley died Tuesday at his home in Pasadena, where he operated a grocery store.

Born at Wichita Falls in 1927, he came to Eastland where he was known only as Eugene, with his parents and lived here until about 1939, before moving to Anson, and then later to Pasadena.

When the family lived here, his father, J. T. Shirley worked at the Men's Store.

Other survivors besides his father, include his mother, both of Pasadena; two brothers, John L. of Dallas and Thomas W. of Pasadena.

Local Shriners Attend Picnic

Potentate Ray Holmes of Moslag Temple, Fort Worth, was among guests attending the picnic and barbecue of the Cross Timbers Shrine Club at Lake Leon Saturday night.

About 100 attended.

Holmes told the gathering about the recent Shrine convention in Canada. He said the Shrine has launched a campaign of medical study and research to benefit sufferers of burns.

The organization has been active in crippled children's work for 42 years, he added.

Holmes announced that Moslag Temple will send a caravan of Shriners and their wives to a New Orleans meeting Oct. 3-9. The cost will be about \$125 per person for the train trip, he said.

W. S. Sawyers of Cisco is president of the shrine club with Hood King a n d R. M. Sneed of Eastland as vice presidents and Carl E. Garner of Eastland as secretary.

Cool Foods Dominate Plentiful

Farmers are providing home-makers with a "bonus" list of plentiful foods for August, points out the Texas Agricultural Extension Service.

The "bonus" comes from the built-in "cool and refreshing" appeal of these foods — that is, their color, their texture and their natural goodness when served chilled.

Fresh peaches and cantaloupes top the August plentiful foods list, based on a survey of food stocks in this area by the Agricultural Marketing Service.

Fresh and processed lemons and limes as well as fresh pears and frozen orange juice are in much heavier supply than last year.

Turkey, always a star in cool and refreshing menus, is about as low in price as it has been in 20 years — especially at the farm level.

Both large turkeys for roasting and young turkeys for barbecuing are plentiful this month.

Many summer vegetables plus vegetable fats and oils complete the August plentiful foods list for this area. It will be to your advantage to shop often for the plentiful foods, concludes the Service.

AT RANGER GENERAL HOSPITAL

County Patients Cost Over \$43,000 for Year

(Ed. Note — The following is an article reprinted from the Ranger Times.)

Patients who pay their own way at Ranger General Hospital, the official city-county hospital for Eastland County, apparently also pay the way for the county's charity patients, a report released this week indicates.

During a one-year period ending June 30th, 1962, there were 1,049 patients admitted at the hospital.

Of that number, 871 were patients who paid their own hospital bills either out of their own pocket or with insurance.

One hundred and seventy eight were county patients. The hospital receives no direct re-embursement for these patients from the county or city, according to Mrs. Dortha Harris, hospital business manager.

During the year there were 7,961 patient days.

Total expense of operating the hospital for that year was \$104,713.85.

paying and non-paying) was \$13.15.

When one multiplies this figure by the number of charity patients, the total cost of providing hospital services for county patients for the year was \$43,736.90.

In actuality, the county only contributed \$4,445 during the year toward the operation of the hospital, leaving a deficit of \$39,291.90 which was absorbed by the hospital, according to the report.

(County payments: Share in purchase of automatic washing machine used only for county patients laundry, \$800, (cost of washer, \$1,295); an anesthetic fee, \$50; and an addition of a new heating unit for the building, \$3,595.)

The total expenses figure for the operation of the hospital includes \$53,169.13 paid out in salaries.

One Ranger physician has virtually taken care of all the county patients during the reported period, without re-embursement from the city or county, it is understood.

The report does not include any tabulations on out-patients (persons who are not actually confined to the hospital for treatment) treated at Ranger general.

In the past there has been an agreement under which the

SHEEP-CHECKING—Darwin Pharr, 13, and his brother, Butch, 8, who live south of Cisco, are inspecting a lamb in Eastland in preparation for the annual 4-H Club sell-off. The boys, who live with their grandfather, Erwin Grenweige, have been helping Assistant County Agent Roger Blackmon get some 40 head of sheep ready for the sell which will be held Saturday, July 28th. The lambs are at Blackmon's home at 807 W. Moss St., where the sell will be held. Darwin and Butch, who won't officially be a 4-H'er until he's nine, have impressive show record. Last year they had a championship crossbred lamb, a champion Duroc swine female and a reserve medium wool buck in the County show. The lambs to be sold will be shown in next year's show. (Staff Photo)

AT HAGAMAN RANCH

Sheep and Goat Field Day, Aug. 7

Plans are complete for the Eastland County Sheep and Goat Field Day, Aug. 7, at the Hagaman Ranch, east of Ranger, according to officials who have the all-day affair.

The Ranger Chamber of Commerce jointly with the Eastland County Agents office is sponsoring the event scheduled to begin at 10 a.m. on that date, according to Roy Plumley, manager of the chamber of commerce.

Topics to be discussed or demonstrated include future price outlook for wool and mohair, preparing and marketing wool and mohair, selection of breeding stock, control of internal and external parasites and the progress of the screw worm control program.

Those invited to appear on the program include Sidney Jenkins, Area Farm Management Specialist, Agricultural Extension Service, Stephenville; Weldon Cloud, wool and mohair buyer and warehouseman, Lampasas; James A. Gray, Animal Husbandman, Agricultural Extension Service, San Angelo; Dr. Rudolph D. Radeff, Animal Research Division, U. S. Department of Agriculture, Kerrville and Dr. J. B. Henderson, Texas Animal Health Commission, Coleman.

A ranch style lunch will be served at noon through the courtesy of the Ranger Chamber of Commerce, Plumley said.

Guests of Mrs. Myrtle Howard Thursday were Mr. and Mrs. J. T. Holder and Mrs. Myrtle Lee Hargroves of Rotan, and Mrs. L. B. Simmons and Mr. and Mrs. S. P. Howard of Fort Worth.

Mr. and Mrs. Rod Stephen and son, Mitchell, visited this week in the home of Rod's parents, Mr. and Mrs. Joe Stephen, en route to El Paso and Lubbock where Rod will attend the High School Coaches' Convention in August.

EDITOR:

Our country was founded by a group of very tough people, not softies such as you and me. They would be so ashamed of us.

We demand absolute security before we will embark upon any enterprise.

WHAT HAS HAPPENED TO US? We went through a depression with our heads up and our hearts strong.

Then in order to form a more perfect union (?) we received a taste of government hand outs — for a few crumbs and a few pennies we sold our birthright.

ARE WE SORRY? It seems that we are not, because we want more and more for less and less effort.

OUR INTEGRITY (?) That seems to be just a word to be tossed around very loosely.

Since the first taste of these government hand outs we seem

to be scared to death to depend on our own ingenuity and perseverance.

We have to be subsidized — just a prettier word for pan-handling — but which we all have to pay and I mean we pay and pay and pay.

Did you ever stop to think how much could be cut from government spending if each one of us would be willing to assume our own obligations, in other words, take up our own yoke?

I am not advocating "back to the good old days" but forward to an enterprising and good future.

Is it any wonder that our people are confused?

We no longer teach them to love and respect God, our country, grandparents or parents and lots of them do not have the slightest idea regarding courtesy or consideration for others or their properties.

If we would instill in our children love and respect — by examples set before them, half the battle would be won.

Next would come, pride in accomplishment. So many adults perform their duties in

Look Who's New

Mr. and Mrs. Jimmy Little of Route 2, Eastland have announced the arrival of a baby son, James Vernon, who was born Friday afternoon in the Blackwell Hospital in Gorman. James weighed 7 pounds and 2 ounces.

James has an older brother, Ray Neal, 7, and an older sister, Nelda who is 4 years old.

Mr. and Mrs. Veri Garrett of Route 2, Gorman, are the maternal grandparents and Mr. and Mrs. J. L. Little of Route 1, Eastland are the paternal grandparents.

Mrs. Ella Garrett of 418 E. Conner, Eastland, is the maternal great-grandmother.

Susan Gail Hargus is the new baby daughter of Mr. and Mrs. Ronald Hargus of Houston. Susan was born July 6th in Houston and weighed 5½ pounds.

Mr. and Mrs. J. D. Hargus, formerly of Eastland, of Groves are the paternal grandparents and Mr. and Mrs. Dollinger of Port Arthur are the maternal grandparents.

ANYTHING WORTH DOING IS WORTH DOING WELL?

Not just how much we can get for the least effort.

Of course I can get by with this slightly shady deal!

Look at all the people ready to help me!

Why do you think things such as the Billy Sol Estes case could happen. Just because too many are out to get something for nothing — as long as we can get by without being found out. Could anything like that happen among truly honest and upright God fearing people? Of course not.

It would have been stopped before it even started thereby saving much heartache as well as saving tax payers money that is paying for all the investigations.

How can I — you and I help? Very simple — Do unto others as you would have them do unto you.

Do a days work for a days pay — yes even go the second mile.

Hold your head high instead of your hand out!

Make our children and young people a part of our life and a pleasure instead of a burden and a thorn in the flesh.

Let us all band together to try to make our forefathers dad that they suffered such hardships that we might have a land flowing with milk and honey instead of blood, greed and corruption.

Mrs. Jack Chamberlain

Look Who's New

Mr. and Mrs. Brownie Woods and family of Fort Worth and Mrs. E. L. Tabor and family of Arlington, and Major and Mrs. E. L. Tabor and family of Scott's Air Force Base, Illinois, who have just completed duty in Iran, have been here visiting their mother, Mrs. J. W. Woods, who has been ill in Eastland Memorial Hospital.

Mrs. Frances Brock, Kyle and David of Fayette, N.C. have been here visiting her mother, Mrs. S. H. Brock and her mother-in-law, Mrs. Pat Murphy.

GUESTS

Mr. and Mrs. W. J. Novak of Noel, Mo., have been visiting in the home of Mr. and Mrs. Claud Boles and Mr. and Mrs. Carl Johnston this week.

THE CAR and its Companion

... are inseparable friends and should be. The car is harmless without the driver. With the driver, it may become most useful but never harmless. No operator of a moving vehicle ever realizes his responsibility to the public until he has an accident. Then it dawns on him that he is living in a world with other people, some very peculiar, who have plenty of personal and property rights. So if you drive, drive carefully, but never without adequate insurance protection.

Pugh-McKinney Rites Spoken In Dallas

Mrs. Verda Carpenter of 310 E Plummer St. in Eastland recently attended the wedding of her grandson, Denny Jack Pugh and Miss. Gayle Jean McKinney in Dallas.

The couple were married in the Beacon Methodist Church at 8:00 p.m. on Saturday, July 14th.

The bride is the daughter of Mrs. Arnold Witherspoon of Dallas and the groom, the son of Mrs. Madalyn Johnson of Irving and John S. Pugh of Dallas.

Mrs. Pugh is a graduate of the Dallas Public School System and is presently employed in secretarial work in Dallas.

Mr. Pugh attended the Eastland Public Schools for many years but graduated from the Dallas School System.

He is now employed by an Auto Parts Firm in Dallas.

Al Gaeta who worked for Fullen Motor Co. before being called up; Fred Waller of Rt. 1, Carbon; Ruddy Fambrough, whose father runs the Greyhound Bus Station here; and Buddy Aaron. There are others whose names we can't recall off hand, but we'll be giving you a complete report after our visit with them.

Chamber's board of directors met Friday and had a good turn-out.

Talk centered mostly around developing retail trade in Eastland.

Dale Troutt, retail director of the recently-organized committee, reported on the group's progress to date. His group will meet again Thursday, and "suggestions are welcome", we understand.

C-C President Frank Denton reported that there are about six more weeks of free Saturday parking, and that downtown business apparently has improved as a result of the city's lifting the meter-feeding on that day.

Ronald Burton of Texas Electric Service Co. offered a program in the form of a speaker from his company's industrial department. The board members readily accepted the offer and a speaker is due to meet with the group at their next regular meet — the second Thursday in August.

Manager Lee Ellis reports that the C-C needs a mason, for the re-doing of the chamber office.

1,054 Cattle Sold Here

A total of 1,054 head of cattle were sold here Tuesday at the weekly sales of the Eastland Auction Company, 54 lower than last week's total.

There were 274 sellers and 83 buyers reported for sale.

Hogs sold totaled 346 and sheep and goats, 69.

Butcher bulls brought \$17 to \$19; canners and cutters, \$9 to \$13; butcher calves, \$24 to \$25.40; stocker calves, light, \$28 to \$32.75; stocker calves (heavy), 24 to \$26.40; pairs of cows and calves, \$160 to \$220; butcher hogs, \$16 to \$18.50 and sows, \$12 to \$15.

'BIG-TIME POLITICS'—The screen version of "Advise and Consent," Allen Drury's sensational novel about behind-the-scenes activities in our nation's capital, boasts the most impressive list of male stars ever assembled for one film. Shown above, left to right, top, are Lew Ayres, Henry Fonda, Walter Pidgeon, Peter Lawford, bottom, Charles Laughton, Burgess Meredith, Don Murray and Paul Ford. Not shown, but also of great importance to the story, are Franchot Tone, Eddie Hodges, George Grizzard; also Gene Tierney as the wealthy hostess, and Inga Swenson as the trusting wife. Actually filmed in Washington, D. C. by producer-director Otto Preminger, "Advise and Consent" opens at the Majestic theatre Sunday.

POWER OF ORGANIZED LABOR

Few, if any domestic issues have generated more controversy during the post-war years than the power of organized labor and what, if anything, should be done about it. It is a controversy which has so far been productive of much more heat than light. A variety of laws have been passed, Taft-Hartley being the most important, but, in the view of many, none of them have gone to the root of the problem.

The unions, rightly or wrongly, are free of primary legal restrictions which apply to management and industry. This, no doubt, stems from the age when unions were weak and struggling, and public indignation at gross abuses of management power had reached a peak. Sympathy was in favor of the labor movement and its basic goals, and law and public policy reflected that attitude.

But—entirely aside from what one may think should or should not be done now—the change has been complete. It's a fact, not an argument, that the unions are rich and enormously powerful today and can, should they wish, stop production of industry-wide bargaining. It is about this fact that the controversy rages.

David Lawrence recently contributed an article to the New York Herald Tribune, subsequently reprinted in condensed form by Reader's Digest, which reflects the thinking of many. He begins: "It's strange how often deep-seated issues are avoided or glossed over. The President appoints a Labor-Management Advisory Committee. It is asked to study 'free and responsible collective bargaining and industrial peace.' The committee is composed of prominent citizens representing labor, management and the public. A report is filed after months of study. It makes a few worthwhile suggestions about amending the procedures leading to the use of the Taft-Hartley Act injunctions, but it does not recommend any way to get rid of the union monopoly power that brings on major strikes."

Mr. Lawrence feels that the present Administration, as demonstrated by various Presidential statements concerning "non-inflationary" wage settlements, and its action in forcing the steel industry to rescind price increases, is doing nothing substantial to clear the air. For, as he repeats, he sees the fundamental question as union monopoly power.

More specifically—and here Mr. Lawrence is in agreement with a great many students of the problem—the need is to apply to unions restraints comparable to those applied to industry under the antitrust laws and other statutes. He writes "as long as industry-wide bargaining is not prohibited by law and a conspiracy to fix uniform wage costs in an industry by concerted action goes untouched by government, there is little chance for a free economy to operate... National unions covering a whole industry are no more logical in a free-enterprise system than are national cartels of management or ownership."

His point, then, is that union monopolies need to be curbed. For if they are not, those who believe in this doctrine are convinced, the inevitable alternative, forced by public pressure, will be more and more regulation by government of the economic system and everything with in it. Then the rights and freedoms of labor, like those of management, would grow fewer and fewer.

Dr. Brashier To Detroit Hospital For Three Years

Dr. and Mrs. Colonel D. Brashier and daughter Kelly left their home in Fort Worth Saturday, July 14, for Detroit, Michigan, where Dr. Brashier will complete his residency in the Detroit Osteopathic Hospital.

Dr. Brashier, a graduate of Baylor University and a former teacher at Ranger College, recently completed his internship of 12 months in the Fort Worth Osteopathic Hospital. Mrs. Brashier is the daughter of Mr. and Mrs. Clell Reed of Cisco. The former Rhelda Reed, she is a graduate of Cish High School and North Texas State University.

At Detroit, Dr. Brashier will specialize in Internal Medicine (cardiology and the diagnosis and treatment of all diseases known to medical science) in the large, 600-bed medical center. He will be on 12 hours per day, six day a week duty and is scheduled to conclude his residency there in three years. Mrs. Brashier plans to teach in the Detroit Public School system during the coming school year.

Desdemona News

Mrs. Ruth Knaack of Fort Worth spent the weekend here with Mrs. Inez Heeter.
Mrs. Lois Clark Measelle, Linda and Donny of Eastland visited her parents, Mr. and Mrs. E. L. Clark, recently.
The Tom Alreads and Bill Karnes of Odessa visited friends here Saturday.
Mr. and Mrs. Aaron E. Henslee and her parents, Mr. and Mrs. Yeager, of Goldwaite spent the weekend here with his parents, Mr. and Mrs. Aaron Henslee.
Mrs. Katie May was on the sick list last week.
Mr. B. V. Martin entered the hospital at Gorman Tuesday morning.
Mrs. S. E. Carter is on the sick list also.

August Last Month For '62 Hunting License

It's nearing the time when fishermen and hunters will need to purchase their new 1962 licenses. August is the last month in which the 1962 licenses can be used. Many people still haven't used up their vacation time, but probably expect to do so before September 1. When they finally take off on this long anticipated period of rest and relaxation, much of their time will be spent attempting to fill their ice chests with fish. J. B. Phillips, law enforcement coordinator for the Game and Fish Commission, reminds these people that even though the 1962 license will be good just through August, they will have to have one.

Last month, 211 fishermen failed to buy the proper license and were arrested by game wardens. "Don't be one of those who will be apprehended by our officers in July or August," advises Phillips. "If you plan to fish during these two months, get that license now while you are thinking about it. The reason why most fishermen fail to have a license is simply because they wait until the last minute, and then forget it or decide to take a chance."

In June, a total 289 persons were charged with violating the game and fish laws of this state. Of these, 68 cases were dismissed, 3 persons had their fines suspended and one was found guilty. Fines and court costs amounted to \$5,987.27.

Witnesses To Attend Meet

Jehovah's Witnesses of the Eastland congregation will join 5,000 associates at the Courageous Ministers District Assembly in the San Angelo Coliseum July 27 to 29 according to Curtis Boase, local minister. The meetings at the local Kingdom Hall will be discontinued during the convention week as members of the Eastland congregation will attend the convention.

Olden Center to Hold Work Night

Work night has been scheduled for Tuesday, July 24th, for the Community Center in Olden. Work will begin at 6 p.m. Ice cream and cake will be served to the workmen.

The George Carters have recently returned from their vacation in the Ozarks in Arkansas, Missouri, Tennessee, Mississippi and Louisiana. They saw Vicksburg National Park, and Six Flags on the return trip.

Pauline Cogburn of Houston is home for the summer visiting her parents, the A. W. Cogburns. Pauline and her sister, Deloris, have recently returned from a trip to New Mexico with friends from Houston. Mrs. Carnathan and Jareen, where they visited Ruidosa, White Sands and Carlsbad Caverns. The Carnathans were overnight guests with the Cogburns on the return trip to Houston.

Mrs. J. W. Cawley of Rising Star visited her sister, Mrs. Walter Gray, and other relatives here last week.

Baptist Plan Youth Retreat

First Baptist youth will leave Thursday for Lueder's Baptist Encampment near Stamford for their annual Youth Retreat. Young people of the church will leave for the one-day camp at 1 p.m. Thursday and will return the following Friday at the same time.
Those planning to attend include the pastor, the Rev. Haston Brewer, Mrs. Jack Smith, Mrs. M. A. Treadwell, Jr.
Rev. Brewer is in charge of devotionals, which will be held during the retreat.
Swimming and other recreation will be included among activities of the camp.
H. V. O'Brien is in charge of entertainment for the camp Thursday evening.

ARKANSAS VISITORS

Mr. and Mrs. Nute Smith and their oldest daughter, Mrs. Frances Purdom of Piggett, Ark., and her daughter and son-in-law, Mr. and Mrs. Oliver Gregg, of Saint Louis, Mo., and their two children have been visiting with their relatives, Mr. and Mrs. Ervin Smith, Mr. and Mrs. R. H. Purdom, Mr. and Mrs. Jim Patton, Mr. and Mrs. W. B. Ensor, the Floyd McBees and the Arbrey McBees.
Sunday the group had a picnic lunch at Ringland Lake.

G. A. Girls Attend Camp

Mrs. J. O. Jolly from the First Baptist Church, Junior Girls Auxiliary sponsor, will accompany her group to Lueder's Baptist Encampment tomorrow.
Junior G. A. girls from seventy churches located in three associations within District 17 will attend the encampment which is to continue through Thursday. Callahan Association and Fisher Association, in addition to Cisco Association will participate.

Mrs. Pauline Horton of Fort Worth visited in the home of her cousins, the A. W. Cogburns, recently.

'Interesting Places' Theme For Flatwood H. D. Club Meeting

"Interesting Places" was the program theme for the Flatwood Home Demonstration Club Meeting this week.

The group met in the home of Mrs. Frances Talley in Olden. Eleven members answered the roll with "A Vacation I Would Like To Take."

Mrs. Beulah Turner, president, presided over the meeting and Mrs. Ina Pogue and Mrs. Talley were in charge of the program.

Mrs. Olive McCain read the minutes followed by a report on cancer dressings which members made last week given by Mrs. Dene Sherill.

A report on the council meeting which was held last week was given by Mrs. Brown and plans were made for members to attend the Four-County Meet at Brownwood on July 20th.

For entertainment, Mrs. McNatt gave some humorous readings.

Refreshments were served and Mrs. McCain invited the club to her Lake Cabin for the annual Vacation Picnic on August 2nd. The Olden and Morton Valley Clubs have also been invited to attend.

The next regular meeting will be in the home of Mrs. Sherill on September 6th.

In addition to the eleven members, one guest, Mrs. Billy Gene Hammark, of Olden was president.

Many Counties Still Offer Bounty Money

In the last three years the number of counties in the State paying bounties for snakes and some predators, has dropped very little. At least in June 1959 at the beginning of this month, 45 counties were paying bounty still offering a reward for the same animals.

During those three years, 14 counties were added to the list while 22 counties decided to stop paying bounties.

The Game and Fish Commission has no part in the payment of these bounties. It is strictly a county project, and anyone wishing to collect bounty money should contact the county judge in the county in which the animals are taken.

Here is a list of the counties offering bounties, the animals for which the money will be paid and the amount to be paid by each county. Brazos: coyote-7.50, wolf-7.50; Bee: coyote-2.00, bobcat-2.00; Bell: bobcat-2.50; Bosque: timber wolf-40.00, bobcat-10.00, wildcat-10.00, rattle-snake-10; Burnet: timber wolf-25.00, bobcat-5.00, rattlesnake (January through March-50, April through December-25); Chambers: timber wolf-5.00, gray fox-1.50, red fox-1.50; Comal: timber wolf-50.00, red wolf-50.00, bobcat-5.00, (these bounties paid to Comal County residents only); Comanche: wolf-5.00, bobcat-5.00; Cooke: timber wolf-3.00, red wolf-3.00; Coryell: rattlesnake-50 (January through March); Cottle: coyote-1.50, bobcat-1.50; DeWitt: coyote-5.00, timber wolf-5.00, red wolf-5.00, gray fox-1.00, red fox-1.00; Eastland: wolf-5.00, bobcat-5.00; Ellis: coyote-20.00, timber wolf-10.00, red wolf-10.00; Falls: wolf-5.00; Fanin: coyote-5.00, red wolf-5.00, timber wolf-5.00; Fayette: red wolf-5.00, bobcat-5.00; Grayson: coyote-5.00, timber wolf 5.00, red wolf-5.00, (pups-2.50); Guadalupe: coyote-7.50; Hamilton: bobcat-10.00, rattlesnakes-25; Hardin: timber wolf-25.00, red wolf-25.00; Harris: timber wolf-5.00, red wolf-5.00, gray fox-5.00, red fox-5.00, bobcat-5.00; Hood: wolf-10.00, bobcat-5.00; Jackson: timber wolf-5.00, red wolf-5.00, bobcat-2.50; Kendall: mountain lion-50.00, coyote-25.00, timber wolf-25.00, red wolf-25.00, bobcat-5.00, gray fox-1.00, red fox-1.00; Kerr: wolf-15.00, coyote-15.00, mountain lion-15.00, bobcat-2.50; Lampasas: rattlesnake-25 (January through April); Limestone: coyote-5.00, red wolf-5.00, timber wolf-5.00; Live Oak: coyote-2.00; McLennan: wolf-7.50; Marion: timber wolf-10.00, red wolf-10.00; Mills: bobcat-5.00; Montague: timber wolf-3.00; Rains: timber wolf-5.00, red wolf-5.00, coyote-2.00; Somervell: timber wolf-7.50, bobcat-3.50; Tarrant: coyote-2.00; Titus: red wolf-

5.00; Upshur: coyote-5.00, red wolf-5.00, timber wolf-5.00; Van Zandt: timber wolf-5.00, red wolf-5.00; Waller: wolf-5.00; Wharton: timber wolf-5.00, red wolf-5.00, bobcat-2.50; Williamson: rattlesnake-25; Wilbarger: coyote-5.00 (adults), 2.00 (pups); Wood: coyote-5.00, timber wolf-5.00, red wolf-5.00 (these bounties paid to Wood County residents only); Young: timber wolf-2.00, red wolf-2.00, bobcat-2.00.

About Your Health

Forty years ago when a generation of Texans decided to smoke there were no recognized health factors to consider.

There were aesthetic, moral and sometimes financial considerations, but the lay public never thought of tobacco as a deterrent to health.

Today the health factor holds the star role in the current and sometimes melodramatic struggle to evaluate and interpret the latest scientific data on cigarette smoking and its relationship to the health of the individual.

Observations recorded from this generation of smokers and extensive laboratory tests yield information daily that must be considered and weighed carefully by the thinking man.

According to the U. S. Public Health Service the death rate from coronary heart disease among regular users of cigarettes is 63 percent higher than the rate of non-smokers. The number of deaths from coronary artery disease tends to rise with the number of cigarettes smoked.

Last year more than 26,000 Texans were victims of this type of heart disease. How important a role the cigarette played is not fully understood, but the statistical evidence

County Patients

(Continued from page one) County paid the hospital on a debt basis. That is, at the end of each month an audit of the profit and losses of the hospital were calculated, and the county paid the amount to make up the deficit. This agreement was not in effect for some time, according to records.

The hospital was built some 30 years ago as a cooperative basis by the city of Ranger and County. Each was to contribute to the construction of the hospital in amount not to exceed \$50,000, it is understood.

During the one-year period reported the hospital, which is administered by a six-man board, the hospital did improvements as follows:

Refurbished six rooms at a cost of \$176 per room; added a new automatic washer for \$1,275 (not installed), a driver for \$428.40; refloored six rooms for \$234.60; and added two refrigerated air conditioners for a cost of \$459.35.

Current plans at the hospital call for the lowering of hall ceilings which is expected to boost the efficiency of the present heating and cooling systems.

W. J. Herrington is administrator.

Board members include B. A. Trunnell, Dr. W. P. Watkins, I. Floyd Killingsworth and Herrington, all of Ranger; Don Parker and Bernard Hanna, both of Eastland.

has been such as to move informed, objective, and deliberate bodies to call attention to the risk of cigarette smoking.

One survey after another has shown a sharp statistical association between lung cancer and cigarette smoking. Lung cancer death rates also mount steadily with the amount smoked.

Other official reports have stated that there is striking evidence that regular cigarette smokers are subject to increased risk of dying from bronchitis, pleurisy, emphysema, ulcers of the stomach and duodenum, and cirrhosis of the liver.

Water heater need replacing

INSTALL A FLAMELESS **ELECTRIC WATER HEATER** AND ENJOY ALL THESE ADVANTAGES

SAFE—NO FLAME

Perfectly safe in any location, an electric water heater has no flame to blow out accidentally, no fuel to leak, no pilot light or flue to worry about. And the outside of an electric water heater is always cool to the touch.

EFFICIENT

Electric heating elements are in water, inside the tank. The tank is completely insulated, even on the bottom to prevent heat loss. And no heat is wasted up a flue. You get hotter water faster and it stays hot longer.

LONG LIFE

With an electric water heater, the tank bottom is not subjected to the corrosive action of flames. There are no valves to stick, no burner to adjust. An electric water heater assures you many years of trouble-free service.

INSTALLS ANYWHERE

Because an electric water heater requires no flue, it can be installed anywhere in the house, close to the point of greatest use. This saves long runs and consequent waste of heat to water cooling in the pipes.

SUNSHINE CLEAN

With an electric water heater, there are no by-products of combustion to soil walls or ceilings. No unpleasant fumes. No flue to accumulate soot. An electric water heater provides the cleanest method known for heating water.

MODERN—COMPACT

Choose from round or table top models at your plumber's or appliance dealer. Compact round models require only four square feet of floor space. Table top models provide additional counter space in kitchen or laundry.

NEW LOW RATE FOR ELECTRIC WATER HEATING

Only 1 1/4¢ per kilowatt-hour for all electricity normally used for water heating by the average family. Call our office for full information.

\$50 INSTALLATION CERTIFICATE OFFER EXPIRES AUGUST 31

Good for \$50 on the retail purchase and installation of new electric 40-gallon (or larger) glass-lined quick recovery water heater, replacing your present water heater, good for installation in any home served by Texas Electric Service Company. Certificate available now and through August 31 only, from your appliance dealer, plumber or electrical contractor. See about it soon!

TEXAS ELECTRIC SERVICE COMPANY

F. N. SAYRE, Manager MA 9-2651
