Ranger Wet Vote Slated

Saturday, September 8th, will be election day again in Ranger.

This time to determine if the voters want to legalize the sale of all alcoholic beverages. The County Commissioners Court set the election Monday after being petitioned by 284 qualified voters asking for the election.

A measure to legalize the sale of beer and wine was defeated in Ranger by a slim margin on June 9th of this year.

Delegates from both the wet and dry factions were present at the commissioners meet Monday, and tempers rose momentarily between the sides concerning the "hauling in of voters."

The dries questioned the legality of the application for the petitions because one of the application signers, the dries contend, does not in fact live within the city limits of the Ranger (area for which the election will be held).

A dry spokesman said that the application signer "lived at the lake." (Leon) has a business in Ranger, and used the city address as his legal residence.

Free Watermelon

All the watermelon you can eat will be available Saturday from 6:30 to 8 p.m. at Eastland City Park.

And you'll meet the Maverick football team, and their new coaches.

An all-free event, it will be sponsored by the Maverick Quarterback Club. President Glen Sealorn has announced that you can come anytime during the prescribed hours and get your fill of watermelon.

It'll be a get-acquainted session and everybody is invited to come out.

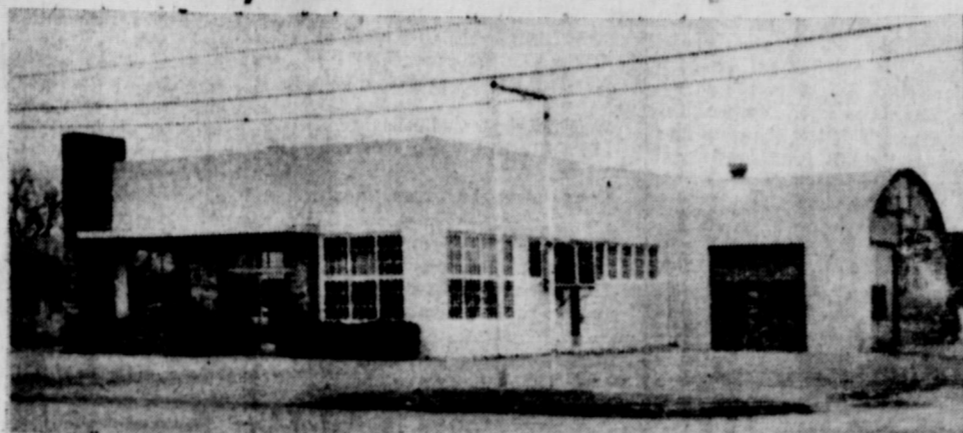

5 Indictments

A 91st District Court Grand Jury handed down five indictments and adjourned Tuesday afternoon.

Neither of the indictments were for murder. Two were for forgery, one for burglary, one for hog thief and the other for a misdemeanor or theft.

District Attorney Earl Conner Jr. said that the jury will (Continued on Page 4)

The New City Hall

DEAL CLOSED—The deeds have been signed and the city now owns the McGraw Motor Co. building on S. Seaman St., Chairman of City Commission Virgil T. Seaberry announced, this week. Negotiations had been underway for several weeks. Workmen will begin furnishing the building immediately, putting up partitions and getting it ready to become "seat of city government" in Eastland, Seaberry said, and the move is expected to be completed from the old City Hall building on S. Daughtery and W. Commerce Sts., within 30 days. Plans call for the demolition of the old building, which has been declared unsafe. All segments of the city administration are expected to be moved to the new site, utilizing the former motor company's shop space for police and fire equipment. (A&C Studio Photo)

Lions, Guests Charles Freyschlag Is See Europe Acting County Judge

Lions and their ladies took a "projected" tour of Europe and the recent International Convention at Nice, France, during a regular noon luncheon this week.

Deputy District Governor Clifford Schmidt of Mineral Wells and Sen. Tom Creighton of Weatherford brought the program.

Slides of the recent 18-day trip, taken by some 40 Lions and wives from this district, were shown.

Mr. and Mrs. Sutton Crofts of Cisco were among those who made the trip and were seen in several of the slides.

Originating in Fort Worth, the tour included stops in London, Paris, Rome, Venice, Lucerne, and the Riviera.

Charles Freyschlag, Eastland insurance man, has been named acting county judge to handle routine matters pending in county court. County Judge John Hart is at Scott and White Hospital in Temple where he underwent surgery late last week.

Selection of an acting judge was necessary, County Attorney Earl Conner Jr. said, because of some probate matters which need to be handled.

At last report Judge Hart was recovering satisfactorily following the abdomen surgery, and may possibly be returned to his home near here this week.

Mr. Freyschlag was selected Monday at a meeting of the Licensed Attorneys of Eastland County at a meeting at the courthouse.

A graduate of Hardin-Simmons University and the University of New Mexico Law School, he is associated with his father, E. E. Freyschlag, in the operation of the Freyschlag Insurance Agency in Eastland.

Attending the Monday meeting were R. E. Grantham and W. E. Wright, both of Cisco; L. R. Pearson and Dewey Cox, both of Ranger; Jack Frost, Frank Sparks, Virgil Seaberry Jr., Bill Crocker, Dist. Attorney Earl Conner Jr., all of Eastland.

District Judge T. M. Collier also attended but did not vote.

When you present your completed blank, you'll be given a cube of sugar, onto which have been dropped three drops of polio serum. After letting the cube dissolve in your mouth, you'll be immune to Type I polio in from one to six weeks.

If for some reason you can't come to Eastland Saturday, you can plan to come the following Saturday when the same program will be repeated for those who missed the first series.

When you present your completed blank, you'll be given a cube of sugar, onto which have been dropped three drops of polio serum. After letting the cube dissolve in your mouth, you'll be immune to Type I polio in from one to six weeks.

If for some reason you can't come to Eastland Saturday, you can plan to come the following Saturday when the same program will be repeated for those who missed the first series.

CHARLES FREYSLAG acting judge

Saturday Is 'Stamp-Out' Day For Polio in Eastland County

The sugar cubes are ready. The serum is ready.

The workers are ready.

And polio might be ready to strike in Eastland if the public isn't ready to take advantage of the giant Sabin Oral Polio Immunization drive to be held here Saturday.

Everybody in the county is urged to come to the courthouse lobby anytime from 10 a.m. until 6 p.m. for the polio protection. (Workers would probably appreciate your coming as early as possible.)

The Civic League and Garden Club is sponsor of the drive, which will be conducted under the supervision of the County Health Officer, Dr. E.R. Townsend, and City Health Officer, Dr. M. A. Treadwell. Other physicians and civic organizations will be assisting.

You'll move in lines and the entire operation shouldn't take but a few minutes.

In order to speed up your own participation, you've been asked to have the application form filled in before appearing for your serum. (A blank appears on this page in a convenient place for cutting out, and if you'll have it ready, you'll be through that much quicker.)

When you present your completed blank, you'll be given a cube of sugar, onto which have been dropped three drops of polio serum. After letting the cube dissolve in your mouth, you'll be immune to Type I polio in from one to six weeks.

If for some reason you can't come to Eastland Saturday, you can plan to come the following Saturday when the same program will be repeated for those who missed the first series.

Flower Shop To Open Here Next Monday

Mrs. Opal Craig, owner-manager of Betty's Flower Shop in Ranger for the past two and a half years, has announced that she will also open a shop in Eastland, Monday, August 20th.

The Eastland shop will also be known as Betty's Flower Shop and will be located at 200 N. Green St.

Mrs. Ita Parrish, native Eastlander, will manage the shop here.

Mrs. Parrish has recently completed the Edna Boone School of Floral Design in Fort Worth.

The shop will carry a complete selection of cut flowers for every occasion, as well as foliage of all kinds, including tropical.

A floral opening will be held later, Mrs. Craig said, in her announcement.

Early-Month Traffic Mishaps Likely to Boost Statistics

A rash of minor accidents since the first of this month may up the county's accident statistics substantially.

A Comanche man is facing possible driving while intoxicated charges after an accident last Sunday on Farm-to-Market 571, six miles south of the Lake Leon bridge.

The southbound automobile he was driving left the road and hit an embankment. The impact did considerable damage to the vehicle but the man apparently was not injured, investigating patrolman E. M. Rogers reported.

The day before, a two-car collision in Gorman resulted in minor damages to the cars but no personal injuries. The

accident occurred at the intersection of State Highway 6 and FM 8.

Highway Patrolmen also investigated auto accidents near Cisco and Ranger during the last week.

This county had more accidents during the month of July than any of the other four counties in the Patrol District.

Sixteen were reported, eleven of which resulted in property damages, and there were five in which eight persons were injured.

Property damage amounted to \$6,053 in this county in July, according to Patrol Sgt. Roger Sosebee.

Brown County had nine accidents, seven persons injured; Coleman, three accidents with one person injured; Shackelford, nine accidents, seven injured; Stephens, two accidents, and one injured.

There were no fatalities in the five-county district in July.

W. G. Walker Services To Be Held Today

Funeral services will be held this afternoon at 2:30 p.m. in the Hammer Funeral Chapel for William G. Walker, 200 Folts Street, who died at his home Tuesday evening at 9:50 p.m.

Rev. Lee Fields of Carbon will officiate at the services, assisted by Rev. Henry Littleton of Eastland. Interment will be in the Eastland Cemetery under the direction of Hammer Funeral Home.

Born Nov. 14, 1891 in Fairfield, Tex., Mr. Walker moved here 14 years ago from Jones County. He was married to Lula Mae McGee on November 23, 1913 in Anson.

Survivors include his wife, one son, D. J. Walker of Eastland; two daughters, Mrs. W. T. Harris, Mineral Wells, and Mrs. Woodroe Harbin of Houston; one brother, Y. G. Walker of Anson; four sisters, Mrs. L. L. Chittum, Mrs. O. M. Chittum, both of Wichita Falls, Mrs. Ida Blanche Johnson, Abilene, and Mrs. Ralph Goodman, Eastland; nine grandchildren, 13 great grandchildren.

Mrs. Frank Sayre
Eastland, Texas

Dear Mrs. Sayre:

We, the doctors of the Five County (Callahan - Eastland-Shackleford-Stephens-Throckmorton) Medical Society, wish to commend you, your local civic clubs, service organizations, etc., for your interest and initiative in organizing a program for mass inoculation with the oral (Sabin) Polio Vaccine.

Your program will coincide with many other such programs in this area. It is reassuring to see local communities sponsor such programs rather than rely on outside assistance.

Your local physicians and Medical Society will be happy to assist you in anyway to insure your program being an outstanding success.

Yours truly,

J. T. LAWRENCE, M. D.
President
Five County Medical Society

Sheep, Goat Field Day Called Success

The Sheep and Goat field day, held Aug. 7th at the Tiffin Plant at Ranger was called a giant success by County Agent J. M. Cooper. Over 125 persons were fed a barbecue lunch at the affair.

The program was opened at 10 a.m. by a welcome to Ranger by the Chamber of Commerce Manager, Roy Plumlee.

First speaker on the program was Sid Jenkins, Area Farm Management Specialist from Stephenville, who spoke on the outlook for wool and lamb prices, as well as the outlook for mohair.

The next part of the program was selection and management of the flock for greater profit.

This was given by the two Extension Service Sheep and Goat Specialists Jack Groff of Kerville and Jim Gray of San Angelo.

At 12:30 a barbecue lunch was served by Morris Newham courtesy of the Ranger Chamber of Commerce.

After lunch the group heard a talk on control of internal parasites by Dr. Hardy, Manager of the Sheep and Goat Experiment Station of Sonora, Tex.

Next the group was given a report on the Screw Worm Control Program by Dr. B. J. Herderson District Supervisor of the Texas Animal Health Commission of Coleman, Tex. Next a report on local progress was given by Henry Fry, of Cisco, Chairman of the Eastland County Screwworm Control Committee.

A financial report on the money collected by this committee was given by its Secretary, Glyn Gilliam of Eastland. The attendance and attention shown indicated a high degree of interest in this program by Eastland County Farmers and Ranchers.

HAVE ANNIVERSARY

Mr. and Mrs. J. Y. Jordan of Eastland observed their 43 wedding anniversary the past weekend. Present to celebrate the occasion were Landon Jordan and Linda Powers of Monahans, Mr. and Mrs. Bobby Webb of Fort Worth and Mr. and Mrs. Bill Jordan and Cathy Jo of Eastland.

Our Interstate Highway Cost Below Average

The cost per mile of building the Interstate Highway System in Texas is running some 40 per cent below the national average, the Texas Highway Department said today.

Highway 80 will be designated as Interstate 20 through Eastland County eventually.

Figures compiled by the U. S. Bureau of Public Roads show that Texas will complete its portion of the Interstate System at an estimated \$610,000 per mile—as compared with the national average of approximately \$1 million per mile.

(The Interstate System is a 41,000-mile nationwide network of super highways scheduled to be completed in 1972. Texas' portion of the system will total 3,027 miles).

Comparison of the Texas cost with that some of the large states revealed these figures: California, \$1.7 million per mile; Illinois, \$1.3 million per mile; New York, \$1.7 million per mile; Ohio, \$1.7 million per mile; and Pennsylvania, \$1.5 million per mile.

Since the beginning of the Interstate Program in 1956, Texas has consistently led the nation in miles open to traffic and work in progress. The latest quarterly report of the U. S. Bureau of Public Roads, dated August 3, reveals that Texas maintains this lead. Texas now has 1,018.5 Interstate miles open to traffic and 1,322 miles of work in progress.

Texas also leads all other states in highway building under the Federal-aid primary and secondary systems. Since

1956, Texas has built 11,088 miles under these programs).

What are the reasons behind Texas' low cost-per-mile in building its Interstate routes? State Highway Engineer D. C. Greer listed the following factors:

—Advance planning by the Texas Highway Department in anticipation of Interstate needs. Texas "skipped" engineering plans and thus was able to get an early start on its building program. This planning also built a team of engineers experienced in Interstate-type work, which has resulted in lower engineering costs on this program.

—A steady and planned flow of construction work each month (made possible by the advanced planning). This even flow of work has effectively stabilized the Texas road contracting industry and resulted in lower contract costs.

—Cooperation of Texas counties and cities, many of which provided much-needed right of way even before the advent of the Interstate program.

—Protective right of way buying for Interstate routes to keep land-acquisition costs down.

—Taking full advantage of local materials available in most parts of the state, thus avoiding the cost of shipping materials long distances.

Open House Saturday For Hotel Quarles

Open house will be held at the newly opened Hotel Quarles, the former West Texas Clinic, from 8 p.m. until 10 p.m. Saturday, August 18, according to a report here.

Delcie Quarles, owner-operator of the new hotel, stated that all interested persons are cordially invited to attend the open house. A tour of the bottom floor of the hotel will be conducted, several different musicians will be on hand, and refreshments will be served, she added.

The Hotel Quarles, with 25 rooms to accommodate boarders, has been redecorated and improved, according to Mrs. Quarles. It will be open to serve family style meals three times a day to the public and to the hotel boarders. Carmell Crews and Mary Bixler, both of Ranger, will assist Mrs. Quarles with the hotel.

Mrs. Quarles, a resident of Eastland 20 years before moving to Cisco about three years ago, has been employed as a nurse in Abilene for the past 2 years. She has worked as a nurse for 12 years and stated that she would be available for any roomers who needed care.

Mrs. Quarles is a Baptist and has two children, Mrs. R. D. Harris of DeRidder, La. and Lindy Quarles of Shreveport, La.

Turnpike Names Tires Greatest Accident Cause

Driving on super highways, such as the Dallas-Fort Worth Turnpike, is probably your safest method of highway travel, but it increases the odds that your trip will be interrupted by a tire failure.

A recent survey shows that at least one turnpike names tires as its greatest single cause of accidents. All turnpikes reported that defective vehicles were a leading cause of accidents.

"Tire failure is our greatest cause of automobile accidents on the turnpike," wrote Florida's Sunshine State Parkway.

"During the calendar year of 1961 out of 36,124 aids to motorists, 8,983 covered tire trouble. This was the largest single factor in breakdowns," New Jersey's Garden State Parkway said.

Others made similar reports: The Ohio Turnpike reported 10 per cent of all its accidents were caused by defective tires; Indiana reported 41 of 600 accidents in 1961 were from bad tires; New Jersey said 9.2 per cent of accidents involved tires.

How is this possible with tire makers producing safer, stronger, and longer-wearing tires than ever before?

"We recommend drivers have their cars inspected before taking long, hard trips," says William L. Campbell, manager of Goodyear's product analysis department.

"The danger of blowout from impact, such as running through a pothole in the road, increased tremendously by high speed since the force of impact increases by the square of the speed.

For instance, a tire striking an object at 60 mph will receive four times the shock of a tire traveling at 30 mph.

Worn, or bald, tires are another case, the tire expert points out.

"A bald tire may provide sufficient traction on a dry road, but much less on a wet icy road. Of course, the less tread you have on your tire the more susceptible it is to cord damage upon hitting objects," Campbell said.

Indiana State Police, for instance, consider any tire showing "less than 1-16 of tread unsafe and we encourage motorists to keep a close check."

What are turnpike authorities doing to keep defective cars from upping their accident rate, which last year was only 107.5 per 100 million vehicle miles compared with 1,500 for other highways?

It varies greatly from one turnpike to another. A leader in safety checks is the Pennsylvania Turnpike, which last year inspected 89,570 vehicles and denied admission to 4,633—about half of these for worn tires.

Officers at the turnpike's 38 interchanges spot check for lights, windshield wipers, and intoxicated drivers, in addition to tires.

Some other turnpikes make spot checks at entrances or at service plazas, and some have no formal inspection program, according to the Goodyear survey.

Personals

Weekend visitors in the home of Mr. and Mrs. Kenneth Johnson and family of Eastland were Cent. and Mrs. Bill Caffee of Mineral Wells and Spec. Four and Mrs. Jack Akers of Ranger.

Mr. and Mrs. Bob Simmons and Mr. and Mrs. Delbert Justice, all of Eastland, spent the weekend at Lake Cisco. Joining them on Sunday were Mrs. Georgia Gosnell and daughter, Aletha, of Cisco, Mr. and Mrs. Jimmy Simmons and L. H. Whitely of Eastland. All enjoyed skiing, swimming and a fish fry.

Nazarenes Go to Camp

The Rev. and Mrs. C. R. Maners and their four children will attend the annual Campmeeting of the Abilene District Church of Nazarene to be held next week at Camp Arrowhead, near Glenrose.

Also expected to attend part of the meeting will be members of the Eastland Nazarene Church.

This year's Camp will be the 9th consecutive year these facilities on the Brazos River have been used.

The daily service schedule is as follows: 6:30 a.m.—Prayer meetings, 9:30 a.m.—"People's Meetings", 10:30 a.m. morning preaching, 4:30 p.m. Prayer meetings, and 7:30 p.m. evening preaching service. Attending the Camp will be ministers and laymen from the 28 churches which comprise the Abilene District. Over 400 persons will live in the Camp provided facilities with several hundred others driving in for the daily activities.

Has Surgery

Mrs. George (Lil) Hull underwent major surgery at the Post Hospital at Fort Polk, La., Thursday, August 2nd.

She has been removed from the critical list and is reported to be resting well.

She and her husband, S-Sgt. George B. Hull will return to their home at 2006 Ave. D, Cisco, when she is released in two weeks.

He will resume his duties with Texas Electric Service Co. in Eastland.

Cotton Bales Expected Soon

First bales are expected to be picked at many locations within this area soon. Temperatures up to 105 degrees are causing bolls to start popping open.

A small amount of plow cultivation and chipping is still being carried on.

Insect buildups are causing some concern and a good deal of poisoning is going on. There is no market activity at this time, however.

POSSIBILITIES FOR 1964

... were long...
... the future...
... building for 1968...
... This is not true any longer...
... As just about all qualified observers of the national scene are saying — whatever their own political faiths and affilia-

... Republican hopes are soaring, and a sizeable black cloud of pessimism and worry has moved to the other side of the aisle. In other words, Mr. Kennedy no longer looks like a cinch in 1964. Nor does it look as if the Democratic party is almost sure to have things pretty much its own way in this year's Congressional elections.

Several reasons have resulted in that attitude. Time will tell whether or not they are valid, but they exist. One is a feeling that Mr. Kennedy's eloquent words have not been matched by deeds — that he has been a poor performer after the stage was brilliantly

set. Another is that he often has accepted bad advice from men who are out of key with the needs and wishes of the country, and that this is reflected in the current restless attitude of the electorate. A third — and by far the most important, in the light of practical politics — has been the legislative disaster his program has encountered.

Whether you are for Mr. Kennedy or against Mr. Kennedy, the record speaks for itself. A box score: The White House placed a stack of blue chips on the proposal to create a Cabinet-level Department of Urban Affairs. It died in Congress.

Federal aid to education has high Administration priority. The chance of a bill being released to the floor for a vote is exceedingly remote. The responsible Committee will, in all possibility, see to that, and the consensus is that the bill would be defeated anyway.

The Administration went all-out for the farm bill. It is no secret in Washington that extremely heavy pressure was applied to Congressmen whose position was uncertain. The bill was defeated in the House, and is dead, for this year at least.

But the worst blow of all came on July 17. The Ad-

ministration had saved its biggest guns for the medicare bill, providing for medical benefits for all persons drawing Social Security payments. When it became clear that the original bill was doomed, a compromise plan was substituted, though it was still based on the Social Security approach to the problem. Action was delayed until leaders felt the bill had a good chance. They were wrong. The Senate killed it.

On the same day the House voted down a new proposal for production of electric power at the Hanford, Washington, nuclear reactor plant by a group of public utility dis-

tricts. This was not an Administration "must" measure, but it did have Administration backing. Last year a bill for federal generation at the same site was defeated.

This series of Administration losses cannot be attributed solely to Republican solidarity. The Democrats have heavy majorities in both branches of Congress. But the Administration has been unable to firm the Democratic lines, and large numbers of its party members have voted in opposition to measures on which great prestige and authority were gambled.

A major change may take place between now and 1964,

and the hopes of the GOP for making heavy gains in this year's Congressional contests — including, even, control of the House — may prove groundless. Politics, after all, is an art, not a science, and the arts tend to unpredictability. But the hopes are there, and we will see some lively maneuvering in both camps.

"Browsing With Bev"

By Mrs. Beverly Nicholson, Eastland County Home Demonstration Agent

I have a good many people asking me questions lately about the rules for entries in the West Texas Fair which will be held in Abilene September 10-15, 1962. Here are a few of the rules for entries which I hope will answer some of the questions.

GENERAL RULES: 1. Entries will be accepted, 9:00 a.m. to 5:00 p.m., Friday, September 7, and 9:00 a.m. to 12 Noon Saturday, September 8, in the following divisions: Youth, Foods, Needlework, Art, Antique, and Hobby Division. No entries will be accepted after 12 noon Saturday, September 8. Enter Fair Ground with Exhibit at Gate 11.

2. Each person desiring to exhibit articles in the Women's Home Art Display Department is requested to complete and return entry sheet not later than September 3, 1962, showing items to be entered. Entry sheets may be obtained from the West Texas Fair Association, P. O. Box 2281, Abilene, Texas.

3. Articles which have received a premium at any previous exhibition of the West Texas Fair will not be permitted to compete.

4. An exhibitor cannot enter more than one article under any one premium number in his department.

5. All exhibits must be the work of the exhibitor and made within the last three years, except where special rules require otherwise.

6. No article can be exhibited to compete for more than one premium.

7. No entry fees will be charged.

8. Exhibitors are requested to redeem their entries from 9:00 A.M. to 1:00 p.m. Monday, September 17. No articles will be released except on presentation of duplicate entry tickets.

9. All exhibitors must remain on display for the entire period of the Fair unless otherwise specified.

10. Food entries (cakes, breads, candy and other foods) will be auctioned off at various times during the day with proceeds going into a fund for air conditioning the woman's building. (Donations of these entries is on a strictly volunteer basis.)

These are the general rules for the Women's Home Art Displays. However, such division in this department has a set of rules, so it would be best to check the catalogue or write or phone me if you have any questions.

Let's have a lot of entries in the fair from Eastland County, so get busy and talk it up with your neighbors and friends.

Bethel Church To Host Meet

Bethel Baptist Church will host the Association's Officers' Workshop Monday, August 20th, from 10 a.m. until noon, according to Jimmie Roberts, pastor.

All whose names are being put in nomination for associational offices and any others who want to be present are urged to attend.

Purpose of the workshop is (1) to check on the progress of worker enlistment, (2) to help each other in enlisting and planning (3) to work up a tentative 1963 calendar (dates and places for various meetings) (4) to check budget needs (5) to plan annual program for Oct. 18 at First Baptist Church, Eastland and (6) to seek ways of improving our work.

Those who wish to eat (at own expense) and fellowship after the meeting may do so at a local restaurant.

TidBits-

(Continued From Page One) of the nation and visit into Canada. The couple, sponsors of the recent annual musical at their home, headed west for California, plan to visit Washington, the World's Fair of course, thence into Canada, and back into the states in the Great Lakes area. They'll also go to Washington, D. C., before turning west again for home.

If you're not full of watermelon (and polio serum) Sunday morning, it's your own fault. Two watermelon feeds in a row are set for City Park. As you'll see on this page, Friday the Fellowship Class sponsors one, followed Saturday by the Quarterback Club. Everybody is invited to each. So circle your calendar for this.

The Fort Worth Anglers Club has officially been invited to hold their annual tournament at Lake Leon. The club is to meet tonight (Thursday) and vote on coming here. The Eastland County Water Board extended the invitation this week after a meeting, and agreed to offer the club and the public free fishing the weekend of Sept. 29th.

That incidentally is Peanut Bowl Weekend and from what we hear, that event is going to be a special one this year. So circle your calendar for that weekend and plan to be ready for the Bowl in Eastland. Glyn Gilliam, chairman of Zone 5, of the Eastland Lions Club, attended the first cabinet meeting called by District Governor Pete Shotwell, in Graham Sunday.

Objectives and projects for the oncoming year were discussed and deputy governors and some chairmen outlined their schedule for meetings with the individual clubs.

Other troops in the events Breckenridge, land; Troop 111, Cisco. Leaving Sunday, Navy were Gary James Kenney, both boys and mechanical training.

Five 49's Still Due

Five Texas men from C. B. were assigned to Fort Polk, this rest of the unit. Staff Sgt. G. Specialist 4 Bill Specialist 5 Thomas Specialist 4 R. do Specialist Duty 13 and be discharge duty August home station. These guards last of Battery return home.

Indictment (Continued) probably recon month. Serving on H. L. King both of Eastland Elliott of Carbon Robert Butler Coy, all of R. Donaldson, Green Dean Beckett, W. C. Brown all of Gorman.

Ranger S

(Continued) Executive of I starter for all Judges for Pete Brasher. Pryor of Eastling of Cisco. Also present event were Joe Trickett Scout Executive Smith, president Trail Council all of Brown.

Other troops in the events Breckenridge, land; Troop 111, Cisco. Leaving Sunday, Navy were Gary James Kenney, both boys and mechanical training.

Gorman Gatherings

Mr. and Mrs. Leonard Thompson and children of Burkburnett are visiting with Mrs. Ed Wyatt, Mr. and Mrs. Marvin Nix and other friends. They are spending their vacation at the Wyatt cabin on Lake Leon.

Recent visitors in the home of Mr. and Mrs. R. E. Boucher were her sisters, Mrs. J. A. Pritchard of Phoenix, Ariz., Mrs. C. J. Mangum, Miss Mattie Vaught and Mrs. Jack Burress all of Post, Mrs. Nora Vaught of Eastland and Mr. and Mrs. Charles Mason of Dallas. Mrs. Charles Kearny, John and James of Columbus visited with her parents, Mr. and Mrs. R. C. Boswell and her sisters and families, Mr. and Mrs.

Dear Kirk and family and Mr. and Mrs. James Smith and children of Eastland. Mr. and Mrs. D. Howry of Comanche have moved into the home they purchased from the B. Lewises' on West Ragan St. Mr. Howry and Mr. Jimmy Ellison attended school together in the old Grady school when they were small school children. Mr. Henry Kinney of Stamford and his daughter, Mrs. Kathryn Ross, of Lamesa visited with his mother, Mrs. Ada Kinney, who is a patient in the Gorman Nursing Home. Miss Louise Angel of Iredell spent the past weekend with her uncle and aunt, Mr. and Mrs. J. E. Walker. She is leaving August 17th for Guam where she will be employed in the schools there for the next two years. W. O. (Bill) Paer has been transferred from postal clerk to rural carrier on Route 2, Gorman. He succeeds Roscoe Reeves who retired last June after 40 years of service on that route. Bill's smiles and greetings are going to be missed by the elderly people, who are his "favorites", when they call at the windows. Mr. J. N. Ellison was home over the weekend on business but returned to San Antonio

Sunday where Mrs. Ellison is under a doctor's care. Mrs. Jo Ann Clark and son, Jimmy, of Bridgeport are spending the weekend with his parents, Mr. and Mrs. Marvin Nix and Mrs. J. W. Clark and other relatives. Mr. and Mrs. E. H. Nix of Redwater are spending a few days with his brother and wife, Mr. and Mrs. Marvin Nix.

Of Boat Club Regular Meet Held Saturday

Members of the Lake Leon Boat Club met Saturday for their regular meeting at the club grounds with 31 members and guests present. Swimming and skiing was enjoyed by those who attended early. James T. Wright, president, presided over a short business meeting during which he appointed several committees. New members and guests were welcomed to the meeting. The next meeting will be held Friday, Aug. 24, at the club grounds. Highlight of the evening will be a covered dish supper. Following this meeting, the club will change back to its regular monthly meetings on the second Saturday evening of each month until May, 1963.

Two Eastlanders To Graduate At Sul Ross Sunday

Two Eastlanders will be among graduates at Sul Ross State College at the Summer Convocation exercises to be held August 19th. They are Mr. and Mrs. Clinton Ray Humphreys and they will both receive Bachelor of Science degrees. Clinton Ray is the son of Mr. and Mrs. Vernon Humphreys of Eastland and Mrs. Humphreys, the former Nancy Beck, is the daughter of Mr. and Mrs. Raymond Beck of Eastland. Mrs. Humphreys is a Business Education major and Mr. Humphreys majored in Physical Education. One hundred six Bachelor's degrees and 43 Master's degrees will be awarded by President Bryan Wildenthal of the college at the exercises. The ceremony originally scheduled for Sunday evening, will be held instead at 4 o'clock in the afternoon, in the Main Auditorium, according to Dean Delbert A. Dyke. The commencement speaker will be Judge Edward Clark, prominent attorney of Austin, Texas. The Reverend Clyde Chessnutt of the First Methodist Church will give the Invocation. Music and choral programs will be under the direction of Professor Glenn F. Davis, head of the Fine Arts Division of the College.

Rotary Hears Of Oral Polio Immunization

Mrs. Frank Sayre, president of the Civic League and Garden Club, and chairman of the Sabine Oral Polio immunization program which gets underway Saturday, spoke to the Eastland Rotary Club Monday. Everyone in the county is urged to take advantage of the drive and plan to be in line Saturday in the lobby of the Courthouse, she said. The dosage will be given on cubes of sugar, beginning at 10 a.m. and extending through 6 p.m. There will be no cost, but donations will be accepted, she said, to help defray the cost of the serum. She emphasized that there will be two Saturdays on

which the serum but it is necessary person to only for the Type I. In about four the Civic League sponsor the Type II, and Type III. There will be usual units available land. The Eastland to 15 visiting day. A large de Cisco "making included: E. V. lins, Grady Ho row, James Co myer, Larry M. Poe. Other visitors Nix of La Faye man Smith of B. Brogan of Abil B. Mr. and Mrs. Bill Jordan and Cathy Jo of Eastland returned home the past weekend from a week of sightseeing in Colorado. While there they visited Mesa Verde National Park near Durango. While in Durango, they attended the Spanish Trail Fiesta Rodeo and Parade as well as the Indian Tribal Ceremonial Dance, where seven tribes were represented by dancers. From there they motored to Colorado Springs via the scenic million dollar highway making stops in Silverton and Ouray. After two days in Colorado Springs, the Jordan family returned to their home here. Mr. and Mrs. Ray Lacey returned Friday after a three weeks vacation with their daughter, Mr. and Mrs. H. E. Callaway in Selbeck, Wash. Enroute to Washington, the Laneys spent two days in San Francisco, Calif. with Mr. and Mrs. Earl Francis, former residents of Eastland. Upon their arrival in Washington, they attended the Worlds Fair at Seattle and visited in Victoria, Canada. Mrs. Laney reported that Mt. Rainier was visible from the dining room of the Callaway home, located at the foot of the Cascade Mountains. Recent guests in the home of Mr. and Mrs. Finis Johnson of Route one, Eastland were Mr. and Mrs. Travis Arnold and children, Homer and Bernice, of Elmhurst, Ill.

Parks Elected

W. J. Parks, manager of Comanche County Electric Co-Op with headquarters at Comanche, was elected Thursday (Aug. 9) to the board of directors of Texas Electric Co-operatives, Inc. at the twenty-third annual meeting of the association in Corpus Christi. Parks, along with six other board members elected from over the state, will direct the operation of the association for the coming year. Comanche County Electric Co-Op, which Parks has managed since 1952, has approximately 5,500 members in seven Texas counties — Comanche, Mills, Brown, Eastland, Stephens, Shackelford, and Callahan. Parks has served on several committees for Texas Electric Co-operatives in the past, and he also has been active in Lions Club and other community improvement work. He served in the Navy during World War II. Before he became manager of Comanche County Electric Co-Op, Parks had worked with two other rural electric, one in Kansas and the other the Magic Valley Electric Co-Op at Mercedes.

Something you should think about if you're about to buy a truck:

If all trucks were built the same way, cost the same to keep up, were worth the same at trade-in... then probably the price tag would be your only concern. It can't be, of course, because some trucks have more quality than others. And marks of quality are the real keys to low cost. Chevrolet trucks, for example, have double-wall construction, which gives bodies and cabs more strength. Cabs are insulated against heat, cold and noise. A big part of road shock, which shortens truck life, is damped out by Chevrolet's suspension system; it also makes riding in the truck a pleasure. Pickup bodies and cabs are separated to eliminate stress between them.

Value such as this has induced more people to invest in Chevrolet trucks every year since 1937.

This can be a good time to buy a modern new Chevrolet truck

Late summer traditionally is the season for all-around savings on a new Chevrolet truck... selection is still good... deliveries are prompt... and Chevrolet dealers are doubly anxious to put you into a new vehicle in order to make way for next year's models. Coupled with the efficient performance a new Chevrolet truck will give you, it seems evident that you couldn't buy at a better time. Come in and take full advantage of it!

B. H. CLIFTON installing new TESCO guard-lite

New Lighting Now Offered By TESCO

A new lighting service being offered by Texas Electric Service Company is receiving an enthusiastic reception by the company's customers according to TESCO Manager F. N. Sayre.

Called Guard-Lite, the new service provides for a complete outdoor lighting fixture which will adequately light up to 30,000 square feet.

The lights are available to Texas Electric customers in the Eastland area for as little as \$4 a month. This monthly charge includes normal installation on a 30-foot wood pole, electricity, and all maintenance, including replacement of lamps.

The Guard-Lite fixture contains a white mercury vapor lamp which gives the brilliance of more than four 100-watt incandescent light bulbs. An electric eye turns the lamp on at dusk and off at dawn.

"There are hundreds of uses for this unit," Sayre said. It will light up to an acre of farm area or a 100-car parking lot.

It makes an ideal security light, and can be used to bring nighttime fun to recreational areas.

Churches, drive-ins, hospitals, schools and motels also will find Guard-Lite service convenient and economical, according to the District Manager.

Woman Attends Sister's Rites

Mrs. Joe Lawrence of 609 S. Lamar St. here recently attended the funeral services for her sister, Mrs. Lula Spencer, in Tuscola.

Rites for Mrs. Spencer, who passed away in Hendrick Memorial Hospital after a three month's illness, were held at the First Baptist Church in Tuscola under the direction of Frey Funeral Home. Rev. Richardson of Abilene officiated.

Survivors include one son, Haley, of Artesia, New Mexico; two daughters, Mrs. Choice

Ragsdale and Mrs. Pansy Gill, both of Tuscola; four sisters, Mrs. L. A. Ivy of Kerrville, Mrs. Norris Griffin and Mrs. Walter Blanton of Tuscola, Mrs. Lawrence of Eastland; and one brother, Howard Baker, of Abilene.

Maoney Will Participate In Navy Maneuver

Charles V. Maoney, gunner's mate third class, USN, son of Mr. and Mrs. S. M. Maoney of Route 1, Gorman, Tex., is serving aboard the destroyer USS Robert K. Huntington, operating out of Mayport, Fla.

The ship is scheduled to depart the U. S., Aug. 3, with Destroyer Squadron 14 to join the Sixth Fleet in the Mediterranean.

During the seven-month cruise the ship will participate in intensive training maneuvers with U. S. and allied units operating there. Crewmen will have the opportunity to visit many European ports before the ship returns to Mayport in early March.

Regional 4-H Club Camp Set At Lake Cisco August 16 - 17

Plans are complete for the annual regional 4-H Club Camp at Lake Cisco Park on Thursday and Friday, Aug. 16 and 17, according to an announcement by County agent J. M. Cooper and Assistant Agent Roger Blackmon. Boys from some six area counties were expected to attend. Approximately 100 boys were expected along with the fathers of a good man, according to Mr. Cooper. Plans called for campers to begin arriving at 10 a. m. Thursday. The program will include swimming in the Lake Cisco pool, baseball games, a track meet, washer and horse show pitching, and various other games and activities. Ribbons will be awarded to the winners.

Ralph Lindsey, county agent of Palo Pinto County, is the camp director this year, assisted by agents and assistants from other counties, including Eastland, Stephens, Shackelford and Callahan. Curley Hays and his staff from the West Texas Utilities Co., Abilene, were expected to assist with the games. The campers will sleep in the park Thursday night, and the camp will be concluded at about 2:30 p. m. Friday. It is the annual custom to invite area civic leaders to eat supper with the group Thursday night.

There will be a charge of \$1.75 to cover swimming, pay the camp cooks, life insurance and for some of the food that will be purchased. Each boy was asked to bring

a change of clothes, swim suit, comb, toothbrush and paste, towel, eating utensils, bed roll and pillow, baseball cap, mosquito repellent, a small loaf of bread, packaged cookies, two onions, small jar of pickles, two eggs, half pound of bacon, half cup of red beans, small jar of jam. The camp program is purely recreational, Mr. Cooper said. The 4-H boys have held their regional meetings at Lake Cisco Park for many years, he added.

Two Men Injured In Auto Mishap

Two men suffered painful injuries and two motor vehicles were damaged considerably Tuesday morning in a collision at the intersection of 14th Street and Base Line Road, according to a police report.

Injured were Don C. McKnight, 43, of Gorman and Boyce B. Jackson, 36, of Rising Star, the drivers. Mr. McKnight was treated for several broken ribs, cuts and bruises at Graham Hospital. Mr. Jackson went to a local doctor's office for treatment of cuts and bruises.

The police report said that a 1959 Volkswagen, driven by Mr. McKnight, was a total loss and that a 1960 Chevrolet pickup driven by Mr. Jackson had damages of about \$500.

VISITS PARENTS

Miss Sandra Fogue, who has been employed in Eastland for the past month, visited over the weekend with her parents, Mr. and Mrs. G. T. Fogue of Merkel. Also visiting in the Fogue home were their daughter and family, Mr. and Mrs. Kenneth Molt, Danny and DeAnn of Snyder.

Miss Fogue accompanied the Holts to Eastland where they visited with his parents, Mr. and Mrs. M. S. Holt. They then attended Six Flags Over Texas.

RETURNS HOME

Mrs. Jack Lusk has returned to her home here following a visit with her daughter and family, Mr. and Mrs. James LeFan, Mike, Loris and Kevin, of Temple. Loris and Kevin returned for a visit with their grandparents. They were joined on Tuesday by their parents and attended Six Flags Over Texas after which they visited in Greenville with LeFan's parents.
