

THE NEW CAR CAPITAL

EASTLAND, TEXAS, THURSDAY, SEPTEMBER 26, 1963

PRICE 10c

Ford For 1964 To Be Displayed Friday At King's

Total performance in a completely restyled package, with three distinctive new roof lines and a roomier interior, keynote the Ford for 1964.

All 16 models in the 1964 Ford lineup — including the uniquely styled 4-door hardtop models — are designed to combine an exterior look of greater luxury with still more of the luxury engineering features that have made the 1964 Ford the best seller.

Durability and ride improvements are only part of the total performance features designed and built into the Ford for 1964. He said that as a result of regular testing and knowledge gained through competitive events, all engines have longer lasting main bearings and better oil distribution for longer engine life.

New in the Ford power lineup for 1964 is a Thunderbird Special 352 CID V-8 with 4-barrel carburetion rated at 250 horsepower and offering both good performance and good economy on regular fuel. Five engine choices, four different transmissions and five rear axle ratios in specified combinations complete a choice of performance-economy options designed to tailor a 1964 Ford to every customer's exact driving requirements and preferences.

The Cruise-O-Matic Dual Range three-speed transmission will be available for the first time in 1964 with all engines except the Thunderbird High Performance 427. Added to the three year or 36,000-mile major lubrication interval pioneered on the Ford

Officers For EHS Band Are Elected Here

Officers for the new year were elected at a meeting of the Eastland High School Band held Thursday, Sept. 12.

John Foster, Band Director, presided over the meeting until the new president was elected. Officers to serve this year include the following: Terry Treadwell, president; Floyd Robertson, vice president; Jan Taylor, secretary-treasurer; scrapbook chairman; Jeanie Hanna and Anna Smith, librarians; Kenny Cogburn and Jim Pat Miller, quartermasters; and Mike Jones, sergeant-at-arms.

The new slate of officers assumed their duties on Friday, Sept. 13, and were given instructions by Mr. Foster according to their duties.

The Men's Shop To Have New Location Soon

James K. Smith, owner and manager of The Men's Shop, Eastland, has announced plans for relocation of his business from 113 S. Lamar to 111 W. Main, next door to Altman's Style Shop.

Smith said that he hoped for the move to be completed by Monday, Oct. 7, with a minimum of inconvenience for customers.

Decision to make the move was based on the desire to have a more modern center from which to serve the public.

THE EASTLAND TELEGRAM

WINS TROPHY — The Eastland office of the Stephenville Production Credit Association won the attendance trophy at the annual stockholders' meeting of the Stephenville PCA, held Saturday in Stephenville. Accepting the trophy for the Eastland office were Director C. M. McCain, Office Clerk Mrs. Johnnie Mathews and Field Representative R. W. Wesson, all of Eastland. During the business meeting, W. D. Brown and Mitchell Campbell, both of Eastland County, were elected to serve on the 1964 nominating committee.

Agriculture Commissioner To Open Jubilee Festival

John C. White, Texas Agriculture Commissioner, has accepted an invitation to open the Gorman Diamond Jubilee celebration.

Commissioner White will officially open the activities with an address to the crowd prior to the coronation of the Jubilee Queen at Brogdon Field on Thursday night, Oct. 3. His address will begin at 7:30 p. m. and will be preceded by a 30-minute concert by the Tarleton State College Band which will begin at 7 p. m. Immediately following the Commissioner's talk will be coronation of the Diamond Jubilee Queen. After the Queen has been crowned there will be performances by the Tarleton Band directed by John Giordano and the Gorman High Band directed by Mel Cowan.

Fun Nite will be presented in the high school auditorium on Friday, Oct. 4, at 7:30 p. m. This program will feature

EHS Program Will Feature Trained Seals

Mrs. Diane Wilson and her trained seals will be presented in a Southern School Assembly Friday at 9 a. m. at the Eastland High School auditorium.

Admission for the program will be 15 cents per person. In her stage presentation, Mrs. Wilson will relate interesting facts about seals. She explains what body of water sea animals are most commonly found, and what procedure is used in capturing them, how they are fed and cared for in captivity. She also explains the differences between Sea Lions and Fur Seals.

In an interesting demonstration of animal training, she puts a young untrained seal through a lesson of learning how to respond to the trainer's call. She then calls upon a fully trained seal to demonstrate the result of intensive training by performing a routine of stunts and tricks that will amuse and entertain the audience. As a star performer, the seal will walk up and down a flight of stairs on its flippers with a ball balanced on its nose, walk a horizontal bar, catch on its nose a large beach ball tossed high overhead, catch a hoop over its head, dance, play a musical tune on horns, and in self-approval, actually applaud its own artistry.

EASTLAND, TEXAS

Naval Officer Gives Rotary Program Monday

Chief Petty Officer Conner of the Abilene Naval Reserve showed a film to members of the Eastland Rotary Club at their weekly meeting held Monday at the White Elephant.

Ben Hamner, program leader for the day, introduced Conner. The naval film concerned the 61-day underwater trip around the world made by a submarine. Visiting Rotarians at the Monday meeting were the following: V. L. Clement of Abilene, Chief Petty Officer Conner of Abilene, Oz Gerrard of Cisco, Dr. Reynolds of Cisco, Lee Woodward of Alva, Okla., and Jimmy Moylan and Jody Cooper of Eastland High School.

CISCO FAMILY REPORTS GOOD RESULTS ON PROJECT

The Gaston Boyd family, who lives four miles north of Cisco, are an active 4-H family, as a recent project proves.

Mr. Boyd serves as an Adult Leader in the Cisco Community 4-H Club and his wife, Wanda, helps with nearly all 4-H functions. Two of their children, Kathy and Buster, are 4-H Club members and Barbara, the youngest, will become a member in about two years. Kathy has fed lambs for three years and is reported to have done extremely well.

This spring, the Boyds began a new project, a coastal bermuda grass demonstration. They planted one-half acre of bermuda grass by hand in a small trap that would not grow even weeds. The one-half acre was sprigged with one-half bale of springs and

4-H FAMILY — Kathy, Barbara and Buster Boyd, children of Mr. and Mrs. Gaston Boyd of Cisco, are shown with their two Southdown ewes in a one-half acre plot of Coastal Bermuda Grass, planted as an agriculture project.

Mavericks Will Entertain Gorman In Football Friday

Eastland and Gorman high schools will send their football teams into a non-conference battle at 8 p. m. Friday at Maverick Stadium in Eastland. A large crowd has been forecast for the contest between the two Eastland County rivals.

Coach Millard Glass' Mavericks, still smarting from a 34-to-13 setback at Cisco last week, have spent three days of hard work this week in preparation for the game. The players are in comparatively good condition, having come through the Cisco encounter without serious injuries.

The Mavericks will probably be favored in the game with Gorman on the basis of their season's record. Before running into trouble at Cisco, Eastland scored a 12-to-7 over Comanche in the opening game of the new season.

In three times out, Gorman's Panthers have lost three games. They opened at De Leon and lost, 20-to-12. The following week, the tough Greyhounds of Throckmorton won a 20-to-0 victory, and last week Ranger humbled Gorman, 12-to-0.

Maverick coaches have warned their players to guard against overconfidence, noting that Gorman has played highly regarded opponents in the three games they have lost this season.

Coach Glass and his assistants, Harold Price and Denison Moody, named Butch Phillips, Jody Cooper, Garry Rollins, Gaylon Griffin and Gary Graham as the outstanding players of last week's game.

The probable starting Ma-

verick lineup was listed as follows:

Ends — Johnny Moyland and Stanley Underwood.

Tackles — Garry Rollins and Butch Phillips.

Guards — Mike Jones and Bill Garner.

Center — Jim Wright.

Quarterback — Mike Miller.

Tailback — Gary Graham.

Wingback — Jody Cooper.

Fullback — Jerry McCul-

Twenty players were listed on the roster of the Gorman team, including Tommy Kiri, Terry Clark, Jerry Ormsby, Jackie Harrison, Gary Overstreet, William Jay, Ronnie Smith, David Kirk, Robert Whitt, Dicky Eaves, Buddy Eaves, Mark Sutton, Jim Rogers, Deryck Pocock, George Bolt, Dwayne Snider, Richard Watson, David Hunt, Robert Hunt and Tommy Clark.

LIONS HEAR PROGRAM ON DRUGS AND ANTIBIOTICS

The lives of two million Americans have been saved by the sulfa and antibiotic drugs in the last 20 years, a spokesman for the pharmaceutical industry told the Eastland Lions Club Tuesday.

The speaker, Mr. John C. Rickerson, of American Cyanamid Company's Lederle Laboratories, said new drugs save both lives and dollars. As an example, he cited the present day treatment of pneumonia.

Judge Clyde Grissom was program chairman for the day, but in his absence the speaker was introduced by Gillyn Gilliam.

"With today's antibiotics, deaths from pneumonia are

rare," Rickerson explained, "and the average cost of treating the illness is less than one hundred dollars compared with about a thousand dollars prior to antibiotics."

Mr. Rickerson said newer drugs have been an important factor in increased life expectancy which is about 70 years today in the United States, compared with 49 years in 1900.

The speaker paid tribute to the skill and knowledge of today's pharmacists and cited their key role in the efficient distribution of drugs to the public.

Game Preserve Barbecue Set Saturday Night

The Sabanno Valley Game Preserve will have their annual barbecue Saturday night, Sept. 28, at Center Point Community House, five miles south of Carbon, according to an announcement by Ernest Curb, secretary, and H. A. (Pete) Tyrone, president.

Serving will begin at 6:30 p. m. Cost of the dinners will be \$1.00 for adults and 75 cents for children.

Al Anderson of Cisco will furnish the musical program, and a film on wild life will be shown by the soil conservation after the meal. A drawing will be held for prizes.

The public has been invited to attend.

C. R. Thompson Has Completed Naval School

Marine Aviation Cadet Charles R. Thompson, son of Mr. and Mrs. J. O. Thompson of 213 S. Walnut, Eastland, has completed Naval Pre-Flight School at the Naval Air Station, Pensacola, Fla.

This marks the successful completion of his first step in earning his officer's commission and his designation as a naval aviator.

He was graduated from the School on August 23.

Established in 1911, the Air Station is headquarters for the Naval Air Basic Training Command. In the more than 50 years of naval aviation at Pensacola, thousands of Navy and Marine pilots have begun their training there.

PVT. JAMES M. ARNOLD

Eastland Man Enrolled In Signal School

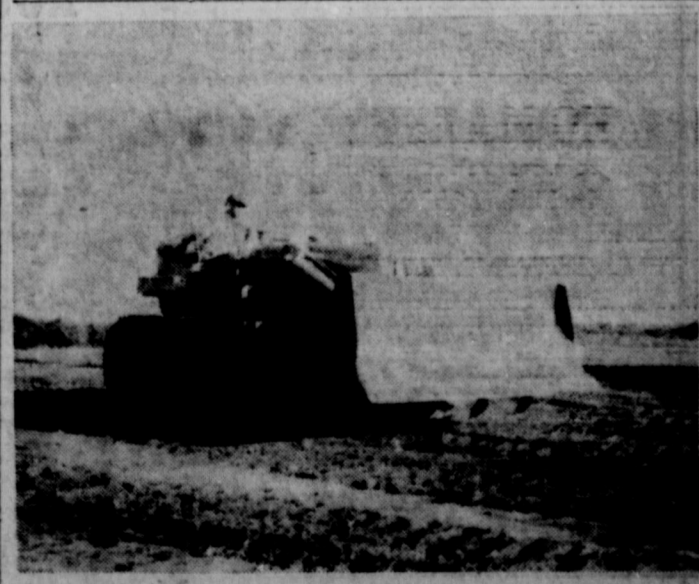

Private James M. Arnold of 506 Asbury Ave., Asbury Park, N. J., was today enrolled in the U. S. Army Signal School at Fort Monmouth for 28 weeks' intensive training as a radio technician.

The son of Mr. and Mrs. R. D. Arnold of 1313 W. Commerce, Eastland, he is a 1963 graduate of Carbon High School and is married to the former Miss Vanitta Hallum of Eastland.

Admission to the Signal School is limited to men of outstanding promise. Classed as a technical institute, the school gives training chiefly in the operation, maintenance and repair of about 40 different types of electronic equipment, from radio and radar sets to "electronic brains." Courses are also given in meteorology and both motion-picture and still photography.

A yearly average of 6,600 enlisted men are selected for admission. All are chosen from among the Army's best in point of intelligence, educational attainments and practical ability. Roughly 90 per cent are high school graduates, and 21 per cent have completed one or more years at engineering school or college.

The Signal School courses vary in length. All are designed to qualify the enlisted student for higher rank and more responsible duties in the Army.

WORK BEGINS — Ground breaking and leveling began this week at the site of Eastland's new elementary school and gymnasium. Construction work is being done by the firm of Kinard-Beck of Abilene. Plans call for the new school and gym to be completed by beginning of the 1964-65 school term. (Telegram Staff Photo)

LOOK WHO'S NEW

Mr. and Mrs. Don Hull of Carbon have announced the arrival of a daughter, Becky Loraine, who was born Friday, Sept. 13, in the Gorman Hospital. At birth, the baby weighed 11 pounds and six ounces.

Becky has one sister, Lonnie, who is two years old.

Grandparents are George Hull and Mrs. Faye Hull of Eastland and Mr. and Mrs. C. C. Rasberry of Route One, Eastland.

1964 CHEVROLETS HERE — The 1964 model Chevrolets are on display at Fullen Motor Co. in Eastland, T. M. Fullen has announced. The rich, luxurious appearance of the '64 Impala Sport Coupe, shown here, blends Chevrolet traditional graceful body lines with smart new styling both front and rear. In addition, many new mechanical refinements coupled with new sparkling color-keyed interiors and choice of 19 power teams will be noted as the new ones go on display Thursday.

'64 CHEVROLETS—

(Continued from Page One.)
 tures are continued for 1964, including X-built Safety Girder frame, Full Coil suspension, self-adjusting Safety-Master brakes, high capacity electrical system with Delcotron generator and long-life exhaust system.

CHEVELLE — Chevrolet's new automobile line for 1964 embodies a distinctive styling and will be offered in 11 models in three series — the top-of-the-line Malibu Super Sport, the Malibu and the 300.

Quality and vehicle width are stressed in the front end design which makes use of dual headlights and horizontal grille bars. Side treatment is clean and a peak line which carries throughout the car gives a look of length.

A special feature of the Chevelle is the use of curved side windows to give a lower look. A strikingly wide instrument panel is part of the distinctive interior styling which includes trim styles and materials color-keyed to the new exterior colors.

CHEVY II — In its third

year on the market, the Chevy II continues its popular blend of small car handling, roominess, economy and good taste in a total of 6 models in two series — the Nova and the 100 series.

The basic styling personality of the Chevy II is continued in 1964, but there is added beauty through refinements in the grille, side moldings, emblems and hub caps and more luxurious interiors.

CORVAIR — Entering its fifth year, the Corvair will continue its important place in the Chevrolet lineup by appealing to a group of buyers who like something sportier and less conventional in a small car.

Corvair styling for 1964 retains the clean, classic theme with new identification through emblems and ornamentation. All models except Green-brier feature a slender new front body molding with colorful plastic emblem insert. The word "Corvair" extends across luggage and engine compartment lids in bright block letter.

CORVETTE — This sports car — fresh from its most successful year in 1963 — continues the famed design of its two Sting Ray models, the convertible and the sport coupe for 1964.

Offering broader appeals to more kinds of buyers, the 1964 Corvette combines the driving and handling enjoyment of a genuine sports car with the luxury and convenience most fine car owners want.

Amend Petition In Butler Suit

An amended petition, styled plaintiff's first amended original petition and order of the court, was filed this week in 91st District Court at Eastland in the case of J. L. Butler vs. Glenn Justice et al, District Clerk Roy Lane reported.

The amended petition included the names of Bryan L. Johnson, W. H. McCullough and C. M. Cox, as plaintiffs with J. L. Butler. County Judge Scott Bailey and members of the commissioners' court were named defendants in the action.

Judge T. M. Collie has set a hearing for 10 a. m. Monday, Sept. 30, in the suit, which alleges use of county road grading equipment on private property.

Four Desdemona Students At RJC

Ranger Junior College has four students from Desdemona, three graduates of Desdemona High School and one who lives in Desdemona but graduated from Gorman High School.

Tommy Fonville, Curtis Lewis, Carman Gene Grimshaw, and J. Grimshaw are all full-time students at RJC. J. Grimshaw is the Gorman graduate.

WE'RE MOVING!

We are pleased to announce that we are moving our store from 113 South Lamar to 111 West Main Street (next door to Altman's).

Our decision to move was based on our desire to have a more modern center from which to continue serving you. We hope to complete the move by October 7th with a minimum of inconvenience for our customers and friends.

Be assured that we appreciate your patronage and that we will try hard to continue to merit it.

T. D. Stewart Is Again Rough Fish Winner

T. D. Stewart of Ranger has again been named winner of Lake Leon's Rough Fish Contest for the week of September 16-22.

He caught a total weight of 60 pounds, 13 ounces, including the largest fish weighing seven pounds, 13 ounces; seven pounds, six ounces; and seven pounds, four ounces. He won last month with a total of 244 pounds and four ounces.

D. L. Kennard of Eastland caught one weighing two pounds, 12 ounces; and D. H. Moss caught two fish totaling two pounds and eight ounces.

The Rough Fish Contest will continue through this month and all of the month of October, coming to a close on Sunday November 3.

Miss Tankersley New President For RJC DEBS

Officers were elected Friday at a 9:45 meeting for the DEBS, a social club for girl students at Ranger Junior College.

Gracie Tankersley from Eastland is the new president and Sandra Allsup of Ranger is the vice president. Judy Wright of Ranger is secretary-treasurer and Shirley Schwesig of Strawn is the reporter. Elected to representative on the Student Council is Tonia Arnold of Strawn.

The DEBS will hold open house Tuesday evening, September 24, from 7:30 to 9:30 p. m. in Mary Frances Jameson Hall. The occasion will honor RJC students, faculty and staff members, board members and husbands and wives of these groups.

The club officers will alternate in receiving guests and in serving refreshments. They will be assisted by their sponsor, Mrs. R. L. Hamrick, chairman of the department of humanities at RJC, and Mrs. Lillie Anderson and Mrs. Snowie Nix, dormitory directors.

NEWSPAPERS ARE TOP SALESMEN

Television, like radio before it but to a far greater extent, has brought about major changes in the advertising field. It has been an aggressive competitor with the other media, its appetite for the advertising dollar, with the cost of producing even Grade B programs running to comparatively nominal sums, seems insatiable.

But the power of the written word still gets top recognition. An announcement from Sears, Roebuck and Company indicates interest those who like to read as well as to stare. Last year the figure was \$58 million, which represented 71.2 percent of Sears' total retail media expense. The balance went to advertising through circulars, magazines, radio and television and other media.

A spokesman tells the story: "This is tangible evidence of our continuing faith in the potency of newspaper advertising. From the day Sears opened its first retail store, the company has made greater and greater use of newspapers. It is our conviction that Sears store managers continue to regard the newspaper as their major medium for more than historical reasons. This evaluation is based on the day-to-day results in their stores."

Television advertising is a catch-as-catch-can affair. You have to be looking at the set at the moment and it's gone in an instant. Print is durable and the prospective buyer can scan and consider it at his leisure.

James Cade Speaker At Old Settlers Reunion

James O. Cade, prominent Lubbock attorney and author of the book, "Communism Versus Christianity", was a speaker at the annual Old Settlers Reunion held at the American Legion Hall on Saturday.

Mr. Cade, a native of May, Tex., was introduced by the president of the Old Settlers group, Major Maz Prentice, also of May.

The speakers address was the highlight of the morning program and dealt with the conflict that has divided the world into two ideological groups. He presented many shocking aspects of the communistic world which so often the American public refuses to face or acknowledge.

Group singing was enjoyed with a special song, "Mockingbird Hill", presented by Roly Earp.

The barbecue lunch, catered by Underwoods of Brownwood, was served in the Legion Hall dining room at 12:30 p. m.

Registration indicated that 116 persons attended the event. Officers retained for another year are Major Max Prentice, president; Roly Earp, vice president; and Mrs. Olive Jones, secretary-treasurer. The 1964 reunion will be held Sept. 15 at the Legion Hall.

Nineteen members of the North Star Home Demonstration Club met on Tuesday and heard a discussion by the Clothing Leader and Triple E Chairman, Mrs. W. V. Fenter, on "Points of good Grooming". She tied her topic in with the West Texas Fair exhibit theme, "Accessories", which was set up by Eastland County club women.

Plans were made for the club achievement day pro-

gram and bake sale to be held at the old Drug Store building on Oct. 4 and 5. Crafts and handwork by the club members will be displayed. A quilt pieced and completed during the year will be given away on Oct. 5 to the person holding the lucky ticket.

The exhibit is open for everyone who cares to display their crafts and handwork. Anyone interested are to contact Mrs. Lee Burkhead, president of the club.

The club is also taking contributions of good usable clothing, school supplies, cosmetics, toys and dolls to be sent to the Travis State School at Austin.

Rising Star Wildcat Band officers for the 1963-64 term are Larry Weise, president; Tommy Darnell, first lieutenant; Larry McKinnerney, second lieutenant; Sharon Donham, secretary; Judy Lewis, treasurer; and Mike Pruett, reporter.

Drum major is Judy Lewis and Sharolyn Roach is head majorette. Other majorettes are Marcelene Roberts, Sandra Teague, Virginia Bishop, Sherry Jones and Charlene Vermillion. Band director is Alton Roan.

1964 has arrived — at your Plymouth-Valiant Dealer

New '64 Plymouth...this good-looking car really gets up and goes and has a 5-year/50,000-mile warranty* to keep it going that way.

This is the brand-new Plymouth for 1964. It is clean, simple, modern in every line. It is quick, alert, vigorous in every move. And it is backed by a tough 5-year/50,000-mile warranty* on the parts that keep you going... the engine and drive train. Altogether, if this is the year to buy a new car, you picked a wonderful year to **Get up and go!**

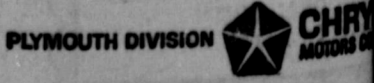

New '64 Valiant...this smart-looking compact is a hummer in its own right and it's the low-priced compact with a 5-year/50,000-mile warranty*.

It would take a lot of compact to top Valiant this year. Take styling. Valiant has more charm all around than most compacts. Take performance. Valiant's standard 101-hp engine is where the word "hummer" comes from. Take quality. Valiant's 5-year/50,000-mile engine and drive train speaks for itself. Take a test drive. **VALIANT 64/STYLE—Best all-around.**

***HERE'S HOW THE 5/50 WARRANTY PROTECTS YOU:** Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, and every 6 months furnishes to such dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

See Plymouth and Valiant in action on "The Bob Hope Show," the "World Series," and "The Huntley-Brinkley Report"—NBC-TV.

SEE BOTH AT YOUR PLYMOUTH-VALIANT DEALER'S TODAY!

Held For Plane Victim Monday

Services for Mary were conducted at 3 p. m. at the First Baptist Church, pastor of the church, Rev. J. C. Tankersley, officiating. She died on her way to the crash at Sonora, appearing to be a passenger on a plane which crashed at about 8 p. m. Monday. She had lived in New York City while and for the past

Pvt. DICKIE BYARS

Pvt. DAVID HENDRICK

Pvt. RAY EDWARDS

AT ARMY CENTER — The three young men pictured above have reported to the U. S. Army Artillery Training Center at Fort Sill, Okla., for advanced individual training after recently completing basic

combat training at Fort Polk, La. Byars and Edwards, while at Fort Sill, will be trained as crewmen in a field artillery battery. Hendrick will receive training as a fire direction specialist. All three are 1963 graduates of Eastland High School. Hendrick attended the Cisco schools until he moved to De Ridder, La., in 1961. All three are members of the National Guard Unit in Cisco.

five years had lived in Midland where she was employed as a secretary for an oil company.

Burial was in the Alameda Cemetery under the direction of Killingsworth's Funeral Home.

Survivors include her parents, Mr. and Mrs. Gene E. Ferrell of Eastland; two brothers, Frederick M. of Delta Junction, Alaska, and Lester T. of Olden; one sister, Mrs. Frank Fory of Fort Worth; her paternal grandmother, Mrs. Lizzie Melton of De Leon, and her maternal grandmother, Mrs. J. T. Walton of Ranger.

Miss Garcia Will Wed Mr. Castens

Mr. and Mrs. A. Garcia have the honor of announcing the engagement and approaching marriage of their daughter, Idelada, to R. W. Castens of Dallas.

The wedding will take place on the 5th day of October at 10 a. m. at St. Rita's Catholic Church with the Rev. Joseph L. Van Winkel officiating.

RJC Pep Rally To Be Thursday

The Ranger Junior College pep rally "Under the Trees" will be held Thursday morning 10:15 till 10:45 instead of Wednesday morning.

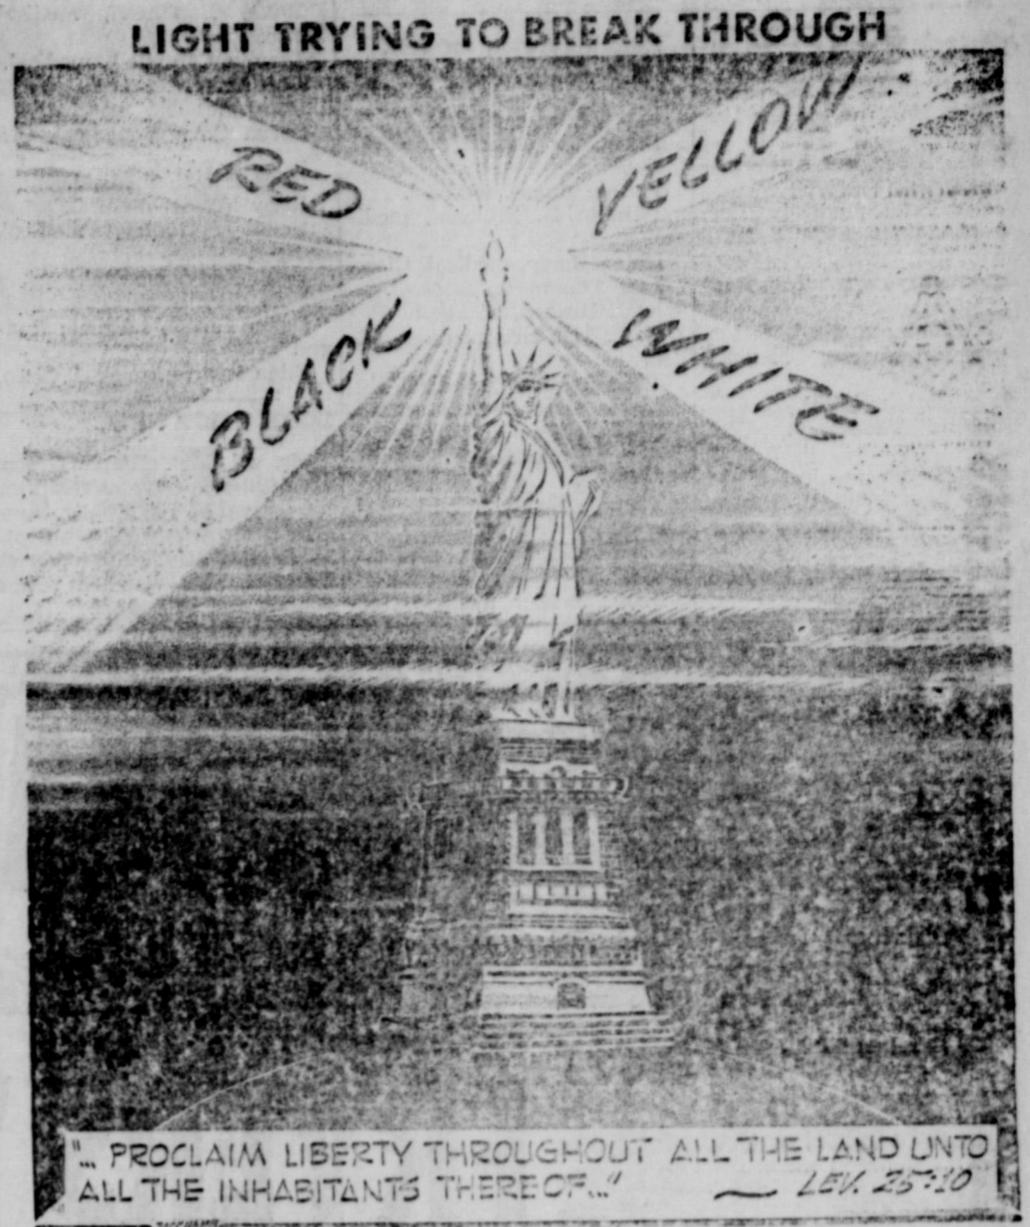

The public is invited to attend and join the cheerleaders, band, other students, and faculty members is giving the Rangers a good send-off for their game Thursday night against the ACC "B" team.

Ministers Invite

RJC Students To Attend Services

Ranger Junior College held an assembly for the students and faculty at the regularly scheduled activities period, Monday, September 23 at 9:45 in the auditorium with Dean Ernen Haby presiding.

The occasion was the introduction of the pastors of Ranger churches to the assembly

and each one extended an invitation to the students and faculty to attend the church of his choice.

Rev. Avery J. Sullivan, pastor of the First Baptist Church was first to speak and assured the students that "we are not as bad as you think and I'm sure we are not as good as we think we are."

Pastors present and their respective churches are: L. E. Carpenter, Church of Christ, Rev. B. L. McCord, First

Methodist, Frank Brooks, Second Baptist and instructor of Bible at the college, Rev. David Downing, First Christian, R. D. Ashcraft, Church of God, and Father Joseph L. Van Winkle, St. Rita's Church.

"The churches of Ranger have a special interest in you and your activities. We are interested in your church life, your social life and your academic progress. We are the biggest boosters your football team has." These statements

were the gist of the short talks made by the church pastors. Ranger's churches have always cooperated with the college in making the students and faculty members feel "at home" in Ranger and have made special efforts to get the young people affiliated with their churches here. Different churches entertain the students annually.

CRIME MARCHES ON

Crime — every kind of crime, from muggings to purse snatching to bank robbery to juvenile depredations to murder — constantly feeds the headlines and the news reports. It vies for space and attention with the other great problems that bedevil the world we live in, all the way from wars to what to do about the tax problem. But few of us are prepared to answer the specific questions: Is crime really seriously on the increase, or is it simply being more effectively dramatized and noticed? What kind of crime is most prevalent? Who and what are responsible? What, in the view of experts, should be done to expose and control it?

U. S. News & World Report recently devoted a lengthy feature article to matters such as these, and presented findings and possible solutions. It is a sad and ominous account. For, as the magazine puts it, "By every measure, America is on the brink of a major crisis in crime. Rise in crime far outstrips population increase. It shows across the board — in crimes against property and in vicious assaults on persons." And it is a truly national problem, in which the smaller communities and the great cities share. Actually, crime is rising faster (comparing 1962 with 1961) in towns of 25,000 people, where it is up 6.9 per cent, than in cities of over a million, where the rise is an even 6 per cent. Biggest increase — 10.9 per cent — is in the 500,000 to one million population centers.

Name any crime, as U. S. News makes it clear, and you'll find it prevalent. City streets are unsafe to walk on in city after city; armed robbery becomes a comparative commonplace; the upturn in bank robberies is "sensational"; and "The rise in crime by youths spreads across the whole range of criminal offenses."

What underlies this grave situation, and what needs to be done? U. S. News reporters sought answers from the FBI and from police officials here and abroad and found general agreement on four points. In summary, they amount to this:

1. As more and more people, mostly strangers to each other, crowd into the cities each individual must be held more strictly accountable for his conduct.

2. The public at large must take more interest in and give more support to law enforcement, and to the punishment of criminals.

3. Juveniles guilty of serious crimes must pay a full penalty. They must not be treated as errant children.

4. The courts must show more interest in protecting the law abiding population from the criminal element, rather than in zealously guarding the rights and privileges of the criminals themselves. One want in this category is a major tightening of the parole and probation system. This idea is based on fact, not just theory. U. S. News says, "In cities where there is a no-nonsense attitude toward crime and criminals, and where people insist upon law enforcement, streets are relatively safe."

Meanwhile, to paraphrase an old slogan, crime marches on. According to the magazine, bank robberies have almost tripled in 6 years, embezzlements nearly doubled since 1956, robberies are up 15 per cent since 1958, and assaults soar. And last year youths under 18 were responsible for 62 per cent of all auto thefts, 51 per cent all larcenies, 49 per cent of all burglaries, 19 per cent of all forcible rapes, and so on.

This, in capsule form, is the sorry story. An ending worth thinking about is provided by Chicago Police Superintendent Wilson: "Everybody seems to be organizing today to protect civil liberties. I would like to organize the victims of criminal assaults who have been robbed and raped in our streets."

Desdemona News

This community was saddened early Saturday upon receiving word that Ronald Clark, youngest son of Jessie Clark of Electra, had been killed in a car wreck near Nacona. Funeral services were held Monday at Electra. Ronald is the grandson of Mr. and Mrs. L. E. Clark of Desdemona.

H. L. Gantz of Dallas, field editor of the Farm and Ranch magazine, was here Wednesday visiting with his sister, Mrs. Pinky Eaton.

B. V. Martin spent several days recently in the hospital at Gorman.

Mr. and Mrs. Sam Burney of Hico spent Monday of last week with Mrs. Ethel Keith. They are schoolmates.

Mrs. Ethel Riggs returned to her home here Friday from an extended visit in Oklahoma with relatives.

Mr. and Mrs. John Arnold returned home Saturday fol-

lowing a weeks fishing trip near Junction. They reported a wonderful time and lots of fish.

Mr. and Mrs. Bill Maupin of Denton spent the weekend here with her parents, Mr. and Mrs. John Allen and Joe.

The Robert Brown family of Gainsville spent the past weekend here with his parents, Mr. and Mrs. Anse Brown.

Mr. and Mrs. Charles Nicks, Diane and Cindy visited here Sunday with her parents, Mr. and Mrs. J. D. McMasters.

Mr. and Mrs. H. T. Lane spent last week in Big Spring and Andrews visiting with relatives.

Mr. and Mrs. Raymond Sparkman of Freer, Mr. and Mrs. Jesse Sparkman, Mr. and Mrs. Joe Murrell and Mr. and Mrs. Elmer Hughes spent Sunday in Weatherford visit Edwards House.

LOOK WHO'S NEW

Mr. and Mrs. Ralph Green of Midland have announced the arrival of a baby boy, Timothy Scott, who was born Sept. 23 in the Midland Memorial Hospital. He weighed seven pounds and 14 ounces.

Timothy Scott has one sister, Vicki Jo, who is five years old.

The maternal grandparents are Mr. and Mrs. J. C. Poe of Eastland and the paternal grandparents are Mr. and Mrs. Emmitt Green of Cisco.

Great grandparents are O. Stone of Carbon, Mr. and Mrs. S. N. Poe of Cisco and Mrs. Pelfery of Cisco.

Mr. and Mrs. Clinton Ray Humphreys of New Braunfels announce the arrival of their first child, Randall Lee, who was born at 4 a. m. Monday, Sept. 23. The baby weighed seven pounds and 14 ounces at birth.

Mr. and Mrs. Vernon Humphreys of Eastland are the paternal grandparents and Mr. and Mrs. Raymond Beck, also of Eastland, are the maternal grandparents.

Mrs. A. F. Beck of Eastland is the great-grandmother. The baby is a nephew of Mr. and Mrs. James Wright.

Mrs. Williamson Complimented At Bridal Shower

Mrs. Doug Williamson, the former Merla Rae Miller, was honored with a bridal shower Friday evening, Sept. 13, in the home of Mrs. Jerry Cate.

Members of the hostess committee were the following: Mrs. Cate, Benny Skinner, Winice Graham, Ruth Butler, Milton Terrell, Ed Watson, A. F. Beck, Raymond Beck, Wayne White and C. L. Henderson.

Mrs. Williamson received a lovely array of useful gifts.

JoAnn Morren Cheer Leader For Wranglers

Jo Ann Morren of Eastland was elected one of the Cisco Junior College Wrangler cheer leaders during a general election of the student body, it was announced Saturday by Clayton Womelsdorff, student council sponsor.

Acting as head cheer leader will be Carolyn Fox, sophomore from Cisco. Other cheer leaders are Mitzi Rider, Roberta Mitchell and Margaret Turner, all of Cisco.

The cheer leaders will be boosting spirit and leading yells at all home football and basketball games, and have scheduled several out of town trips with the team.

LOOK AT THE FORDS — New luxury styling its total performance gives a bright, new lineup of Ford cars for 1964, to be on display King Motor Co. in Eastland Friday. The Ford Galaxie 500 series offers three eye-catching roof lines including the 4-door sedan (top photo) and the 2-door coupe (middle photo). The Squire station wagons with simulated wood both attractive and durable (bottom photo).

FORDS—

(Continued from Page 1.) last year are new extended-life headlamps. Together with a new, longer-life battery, they add a more dependable lighting and electrical supply to the reduced maintenance features. The "24-24" total car warranty — for 24 months or 24,000 miles, whichever occurs first — is continued for the 1964 Ford.

The new line of 16 new 1964 Fords will be introduced in at Hood King Motor Co. Ford showroom Friday, September 27, in Eastland.

Styling Features

The quality and luxury look of the completely restyled 1964 Ford line is keynoted by a three-dimensional, horizontal bar grille. Widely-spaced dual headlamps and a full-depth and full wrap-around bumper give the cars a lower, wider and more massive front end appearance.

The dynamic roofline of each 1964 Ford is accented by tasteful sculpturing which picks up the rear roof pillar and sweeps the line back and across the top of the rear deck.

Interior Styling

Materials and design have been combined in all Fords for 1964 to provide interiors that are attractive, durable and comfortable. New, high-styled fabrics and trim schemes of nylon cloth and vinyl of all-vinyl interiors are used to make the 1964 line luxurious and practical.

New, thin-shell, front bucket seats add to the glamorous appearance of the sporty Ford Galaxie 500-XL models. The seats provide improved comfort, take up less room and, due to the twin pedestal mount, increase foot room in the rear compartment. The all new door trim panel styles on the 500-XL models feature a unique pull type door handle.

Power

For 1964, the quiet-running, incredibly-smooth, modern short stroke-Challenger V-8 engine has 289 cubic inches and develops 195 horsepower. Standard on all eight-cylinder

AUSTIN — Are cataracts catching? Is it safe to look directly at the sun while wearing dark sunglasses? Will a

child eventually outgrow crossed-eyes? Medical scientists know the answers to these questions. Do you know them? September, Sight-Saving Month, serves as an annual reminder to check your eyesight and your eye I.Q.

You may be going blind and not realize it. Chronic glaucoma, often called the "sneak thief of sight," may cause permanent loss of sight very slowly and without symptoms noticeable to the patient, especially those over 40 years of age. The best defense against glaucoma is a medical eye examination at least every two years.

Are cataracts catching? Cataract, the clouding of the

lens within the eye, cannot spread from one eye to the other. It is not contagious. It may, however, develop independently in each eye.

Surgery is the only known, effective treatment for cataract at present. Claims that magic salves or drops will dissolve the cataract are false.

Is it safe to look directly at the sun while wearing dark sunglasses? No, never look directly at the sun while wearing sunglasses. Tinted lenses will provide relief from the sun's glare but not from the harmful infra-red rays that can penetrate the dark glasses and damage the delicate retina of the eye.

Is blindness preventable? One of every two cases of blindness could be avoided, according to the National Society for the Prevention of Blindness, by diligent use of sight-saving knowledge.

Can glaucoma be cured? Glaucoma, or hardening of the eyeball, can usually be controlled if discovered in time. Increased pressure causes the eyeball to harden. The eye doctor ophthalmologist - can usually control the pressure so that vision is preserved.

Since glaucoma symptoms may be absent while the disease is present, health authorities advise a periodic eye examination.

Can eyes indicate bodily disease? Sometimes the eyes act as a barometer and foretell the coming of bodily ailments. Such conditions as hardening of the arteries may first be detected in this way. Periodic examinations enable your physician to detect the signs.

Will a child eventually outgrow crossed-eyes? Children do not outgrow crossed-eyes. Visual defects such as crossed-eyes and amblyopia - dimness of vision - can lead to permanent loss of vision in the affected eye. Treatment should be initiated at least by six years of age. Eye exercises, glasses or surgery may be required.

ANNUAL FALL PECAN TOUR IS PLANNED FOR THIS WEEK

The annual fall tour of the Eastland County Pecan Growers Association will be held Friday, Sept. 27, according to C. E. Smith, Rising Star, president of the group. Five orchards will be inspected during the day, according to Ben McKinnis, Eastland, secretary.

Leaving the Spot Cafe in Cisco at 9:15 o'clock on the above date, the group will visit the Earl Walker, the F. O. Hilburn, and the W. D. and J. C. Thurman orchards before noon. After lunch and a business meeting at the Victor Hotel in Cisco, the group will visit the H. W. Cole and the Dale Carlile orchards in the afternoon.

A large crowd from several counties is expected to attend the annual affair, it was said. The tour is one of the activities sponsored by the Pecan Growers Association. Others include the annual county pecan show, the mid-winter meeting, and the spring field day.

Other officials of the group include: Hank Sims, Eastland, Vice President, and directors B. B. Freeman, Route 1, Ranger, W. V. Fenter, Rising Star, Joe Philpott, Cisco, and C. T. Barton, Pioneer.

Pecan growers from adjoining counties are also invited to participate on the tour, McKinnis said.

Modern Kitchen Display Planned By Lone Star Co.

DALLAS — A gala kitchen spectacular featuring five practical, showcase model kitchens will be a highlight attraction in the Gas Exhibits Building at the State Fair of Texas, October 5-20.

The five de luxe, professionally decorated kitchens were created to display new trends in kitchen designs and construction materials in settings ranging from Ultra-modern to colonial.

One of the first kitchens to greet visitors to the Lone Star Gas Company display will be the "Concina Azul Celeste" kitchen designed for the luxury Cloisters estates development by Doris Jenkins, builder-developer.

The kitchen, scheduled for transfer to a new Doris Jenkins home following its exhibit at the fair, features custom styling in a clean, tasteful blue and white interior and the latest in plastic laminate finishes by Nevamar.

An O'Keefe and Merritt island top-burner with custom range hood highlights the kitchen's built-in motif.

Additional gas appliances in the kitchen include a Norge gas refrigerator and an O'Keefe and Merritt built-in oven.

Adjoining the "Concina Azul

Celeste" kitchen is the "Blue Star Home Kitchen" by Wood Mode.

Chasing the Fire Trucks —

... is an ancient American habit. It all started years ago when the first fire wagons drawn by hand and horse were invented. This foolish pastime has grown with the years until today it is not only a nuisance but a problem of gigantic proportions. Such acts cost many lives and thousands of dollars in property values every year. Why do we do it? Nobody knows. It's silly, folks, so let's quit it, thereby leaving the streets and alleys open for the boys who fight our fires.

FHA Girls Will Hold Area Meet At CJC Saturday

The Area IV meeting of Young Homemakers of Texas will be held on the campus of Cisco Junior College Saturday, climaxing "Young Homemakers of Texas Week." On the program will be

adoption of the area constitution in its present or amended form and the election of a state officer from this territory. Child care will be one of the principal subjects discussed. An awards luncheon at the Victor Hotel will follow the morning business session. Honors to be presented include recognition of the outstanding "Little Sister," the outstanding Young Homemaking chapter of the area, the best of recently established chapters, and an award to the most productive job on publicity. Representatives from chapters throughout the area are planning to attend.

State Capital NEWS

By Vern Sanford

AUSTIN — Finance companies which hope to operate in the State under the new Texas Regulatory Loan Act must be licensed by November 21.

The so-called "Loan-Shark" law, passed by the 58th Legislature, allows a much higher rate of interest for lenders. But it saddles them with stiff licensing requirements.

Regulatory Loan Commissioner Frank Miskell predicted that 2,000 loan offices would come under the act. Already he has received more than 2,000 letters of intention to file application for a license. And letters still are flowing in at the rate of 30 or more a day.

One reason for the big response is that many automobile financing companies want to up their interest rates, too. Question of whether they are eligible to operate under the act has not been settled. But they are signing up just in case.

House General Investigating Committee will explore possible scandals in nursing home construction according to its chairman, Rep. Bob Fairchild of Center.

Investigation was requested by Speaker Byron Tunnell after a series of stories on substandard nursing homes for people appeared in the Fort

Star-Telegram. A separate check by the State Department of Public Safety has been ordered by Gov. John Connally. Atty. Gen. Waggoner Carr also has promised support.

Land Commissioner Jerry Sadler thinks the State should have an official rainmaking agency. He says he has discussed the subject with the Governor and hopes to soon have a "concrete proposal to offer."

The Land Commissioner feels that his success with several cloud-seeding experiments warrants serious consideration of a rainmaking agency. Texas, with 53 reservoirs completed since 1950 and 12 more under construction, needs a stronger water development program says Governor Connally.

He proposes that the State harness surplus flood water for the protection of persons and property in areas which have too much water, then transport it to areas which

have too little. "We have the water resources to meet future demands. But only if they are properly managed," the Governor stated.

According to the Texas Water Commission, reservoirs in the state stand at 65 per cent of capacity. That's nine per cent less than last year at this time. As of the end of August (before Hurricane Cindy) stream flow was deficient for the entire state.

Rep. George Hinson of Minnola has come out swinging against repeal of the poll tax. Furthermore, he has volunteered to join any state-wide organization which might develop to retain it.

Hinson said his district — Wood, Upshur and Camp Counties — is two-to-one against repeal. He charged that voter registration laws are not strong enough at this time to justify dumping the poll tax.

Republicans, fearful that repeal might help the voter registration drive of the Democrats, dodged the issue at their recent meeting and left the decision "up to the individual voter."

The last (\$200,000) State penalty suit growing out of

Veterans Land Scandals is set for trial here on October 14.

Former Land Commissioner Bascom Giles, now living in Minnesota, may be brought into court again. The defendants, B. R. Sheffield of Brady and L. V. Ruffin of Shreveport, La., want Giles to pay a share of any judgment the State might win.

SHEEP AND GOAT FIELD DAY HELD NEAR RANGER SEPT. 20

About 150 ranchmen, business men and citizens attended the second annual sheep and goat field day in Ranger, Friday, September 20, and at least six counties were represented.
 Dr. John W. Foster, local veterinarian, was master of ceremonies and the program included talks on most every phase of the sheep and goat industry, by experts.
 The Ranger Chamber of Commerce co-sponsored the event with County Agent J. M. Cooper, and the group was served a barbecue luncheon at noon, courtesy of the Chamber of Commerce.
 Jim Gray of San Angelo, sheep and goat specialist, A&M College, told the group that breeds are just as important in the livestock field as varieties of crops are in the plant world. "Ranchers need to consider where the breed originated, what kind of conditions as to forage, climate and humidity," he states. "This area of Texas is a fine wool country and is able to withstand these problems. Fine wool breeds are not seasonal in their breeding habits." He told the group. Also that fine wool breeds withstand the heat better.
 John G. McHaney, economist of the A&M Extension Service, presented the group with a mimeographed booklet on past prices of sheep and wool and mohair. The number of sheep in the United States has declined from a high of 52 million in 1940 to a low of 30 million on January, 1963, he said.
 McHaney told the gathering that sheep are on about one-tenth of the farms and ranches in the United States today. Per capita consumption of lamb and mutton has decreased in recent years and the per capita consumption of beef has increased from 59 pounds in 1920 to 89 pounds in 1962. Imports of lamb and mutton increased from three million pounds in 1950 to 143 million pounds in 1962.
 Dr. C. M. Patterson, A&M College Extension Service, who formerly practiced veterinary medicine in Eastland County, stated that with sheep and goats you may have internal parasite problems that you wouldn't have in cattle. Rotation of sheep and goats in different pastures keeps down internal parasites. "Drugs cannot take the place of management for control of internal parasites," he said.
 Dr. J. B. Henderson, Texas Animal Health Commission, told the group that in 1958 and

1959 the screwworm fly was eradicated in Florida and started the thinking in Texas of the possibility and feasibility of attempting the elimination of screwworms in Texas. Over three million dollars were raised by livestock producers in Texas to initiate the program.
 Jack Groff of Kerrville, sheep and goat specialist, A&M College Extension Service, talked on the selection of sheep and goat breeding stock for greater flock profit. He recently returned from an

European tour where he studied the market for mohair in England, France, Germany and some of the Scandinavian countries. He stated that the big complaint of the mill owners was the shortness of the staple of our Texas mohair. He stated that the demand for mohair in the foreign countries depends on the whim of the fashion world. There are approximately 50,000 head of goats in Eastland county and the industry makes a sizable contribution to our economy, stated County Agent J. M. Cooper.

The '64s from Ford are here:
 The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

1964 SUPER TORQUE FORD
 Strongest, smoothest, steadiest car in its field—by hundreds of pounds... More steel in frame and suspensions... Unique suspension lets wheels move backward as well as up and down to flatten bumps... Distinctive new rooflines.

1964 FAIRLANE
 Unique combination of family-size room, sports car feel and modest price... Optional 289-cubic-inch V-8 so lively it was adapted for famous Cobra sports car... Five engine choices, six transmission choices, eight different models.

1964 FALCON
 All new except the economy that made Falcon famous... Falcon's Six still holds all-time Mobil Economy Run record for Sixes or Eights... Plushest ride ever built into a compact car... 14 models plus 3 extra-duty wagons.

Three Civic Leaders Named Lifetime WTCC Directors

ABILENE — Three of West Texas' most prominent business and civic leaders will be honored in Abilene on September 25 as the West Texas Chamber of Commerce confers on them lifetime memberships on the WTCC Board of Directors.

All three are longtime directors on the West Texas Chamber board and active leaders in their own home towns. They are W. G. Swenson of Stamford, manager of the Swenson Land and Cattle Co.; Price Campbell of Abilene, member and honorary chairman of the board of directors of West Texas Utilities Co. and former president of WTU; and Eldor L. Buelow

of Abilene, regional manager of Lone Star Gas Co.

The three men will be honored at a reception and dinner to be held at the Windsor Hotel in Abilene at 6:30 p. m. on September 25, announced E. H. Danner of San Angelo, president of the West Texas Chamber. The dinner will precede the regular quarterly meeting of the West Texas Chamber's board which begins at 9:30 a. m. on September 26 at the Wooten Hotel in Abilene.

The dinner will also serve to introduce the new executive vice president of the WTCC, Danner said. Jack G. Springer, new WTCC executive, will take over his duties here October 1. Springer, formerly the general manager of the Galveston Chamber of Commerce, succeeds Fred H. Husbands, WTCC executive vice president for nearly 13 years, who is moving to Memphis, Tenn., to become executive vice president of the National Cottonseed products Association.

All three of the honorees at the September 25 dinner have served 20 years or more on the WTCC board and all have served on the regional Chamber's executive board and as chairmen and members of various committees in the organization. All three have recently gone off the board as regular and active members.

Danner said the chamber's selection committee had chosen Swenson, Campbell and Buelow as lifetime directors "because of their longstanding record of service to West Texas, its growth and economy, and their faithful and devoted service to the West Texas Chamber of Commerce."

Campaign Opens To Help Society For Blind People

HOUSTON — "Sight-Saving Month" appeal letters have been mailed today to residents of Texas.

This announcement was made by Senator Criss Cole, Campaign chairman of the Texas Society for the Prevention of Blindness.

An appeal goal of \$51,000 has been set by the Texas Society to help finance its year-round programs of aid to research, public and professional education and preventive services. The Texas "Sight-Saving Month" campaign is part of a nationwide observance.

The theme for "Sight-Saving Month" in Texas is "Life Is Worth Seeing." "Each of us can personally participate in the fight to prevent blindness by having a regular eye examination and by contributing to the Sight-Saving Campaign of the Texas Society," Senator Cole declared.

Senator Cole advised that contributions to the Sight-Saving Campaign of the Texas Society will make possible an expanded attack against Glaucoma. Free Glaucoma Detection Screenings will be

sponsored by the Texas Society for Prevention of Blindness in various sections of the State, September through November.

The public education campaign seeks to alert residents of Texas to the need for preventing loss of sight among all age groups. "Disease, accidents and neglect have already cost the eyesight of an estimated 24,400 people in Texas," Senator Bole reported.

The Texas Society estimates that there are 66,000 adults over 40 in the State suffering from glaucoma, often called the "sneak theft of sight," blindness without pain or warning. Half of these people do not even know that they have the disease, the prevention of blindness officer said.

Early detection of glaucoma is necessary to prevent loss of sight. A regular eye examination, particularly for those over 40, is the best defense against glaucoma.

Among children, an estimated 613,250 school pupils need some form of eye care and another 8,000 will suffer from accidental eye injuries during the next twelve months, the Society said.

SOUTHWESTERN BELL TELEPHONE COMPANY

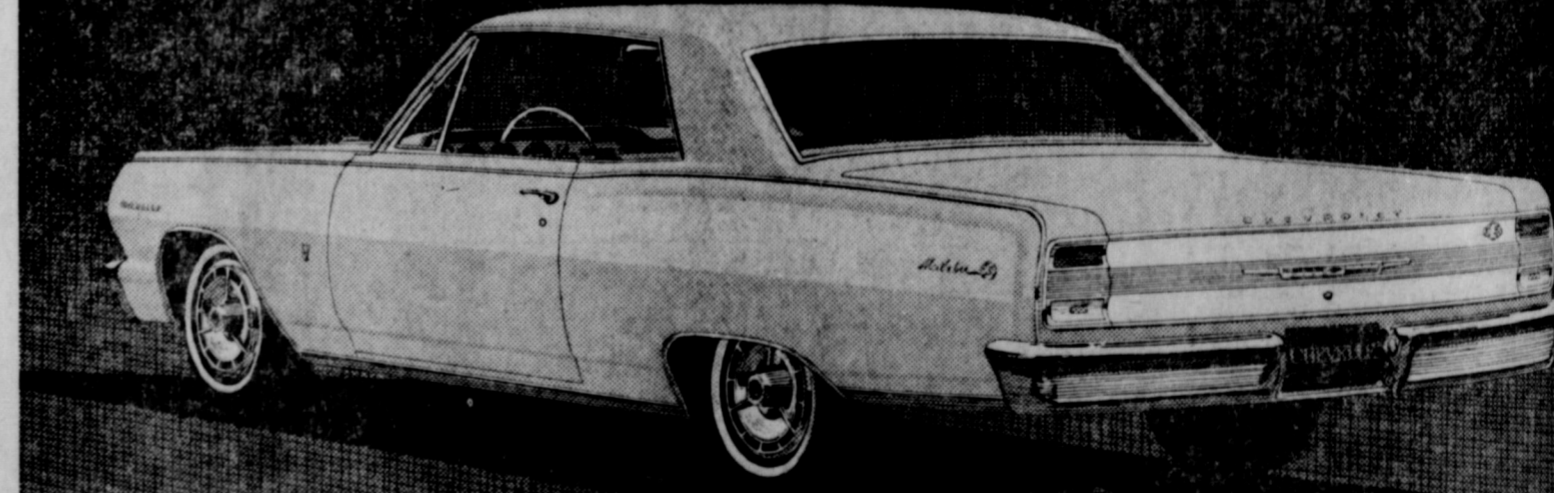

Expect great things from Chevrolet again—for '64

Today... Jet-smooth Luxury '64 CHEVROLET

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flush-and-rocker panels, Delcotron generator, adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra options there are to choose from—that's to be entirely up to you.

Take your first look at the first CHEVELLE!

CHEVELLE! by Chevrolet

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)
