Pecan Men From Nine Area Counties Take Part In Tour

Pecan men from nine counties took part Friday in the annual Eastland County Pecan Growers Association fall orchard tour. The program included visits to five orchards, a new-type sprayer demonstration, and a luncheon at the Victor Hotel in Cisco.

Beginning at 9:15 a. m. with coffee at The Spot Restaurant in Cisco, the tour went first to the Earl Walker orchard, south of Cisco. There they saw 130 improved trees with a good crop outlook.

Next, the tour went to the F. O. Hilburn orchard on the Leon River, south of Cisco. Mr. Hilburn has some 2,900 trees, many of which are improved varieties.

Gary Shayer of Jackson, Miss., demonstrated a blower type spraying machine for orchard use. A new tractor was provided for the machine by Bob Perkins, Eastland Implement Dealer. The machine took a chemical mix and sent it in mist form throughout the trees. County Agent J. M. Cooper said the pecan men were impressed with the machine.

Following the demonstration the tour went to the Thurman Bros. orchard, also south of Cisco. Here they saw some 1,000 trees of several improved varieties in good crop.

At the Victor Hotel, President C. E. Smith of the association presided. Guests were introduced by Mr. Cooper, including George Blackburn, county agent of Stephens County, and others. Anton White, Cisco, gave a welcome address.

Bids for the 1963 pecan show, which will be held Dec. 13-14, were entered for Ranger by Manager Roy Plumlee of the Chamber of Commerce and for Cisco by Anton White.

Tom Denman, horticulturist at the Agriculture Extension Experiment Station at Stephenville, spoke briefly to report that fertilizer experiments are underway on five river bottom orchards. He noted that production in these orchards has not kept pace with the upland orchards.

Mr. Denman added that the case bearers, tiny insects that cause immature pecans to drop from the trees, now are in their third generation and that a fourth generation will be coming along in the near future.

L. D. Romberg, superintendent of the U. S. Pecan Experiment Station at Brownwood, reported on activities underway there, including studies for new varieties of pecans. He noted that 86 per cent of all pecans go to the shellers, hence pecan growers should try to please them with their products. He said that early maturing varieties were most desirable and that work was being done in this field.

Mr. Cooper said the county's over-all pecan crop appears to be about 45 per cent of normal. Inspection of orchards has shown from 30 to 70 per cent crops, he added.

During the afternoon, the tour went to the Cole orchard, southwest of Cisco, where 38 acres have some 400 improved trees. The tour ended after an inspection of the Carlisle orchard, ten miles south of Cisco, where there are 350 improved trees.

With approximately 100 persons taking part, the tour was a good success, Mr. Cooper reported.

Munsingwear, Inc., Minneapolis, and Rose Marie Reid, Los Angeles have completed arrangements that were announced in August whereby Munsingwear is acquiring a financial interest in Rose Marie Reid.

Munsingwear purchased a \$600,000 subordinated note which is convertible into 400,000 shares of Rose Marie Reid's common stock. Munsingwear will purchase another \$900,000 note and has an option to purchase a second \$600,000 note, both convertible at the same rate, when Rose Marie Reid stockholders increase the number of authorized shares to complete the transaction.

Munsingwear, reporting sales of approximately \$50,000,000 in 1962, manufactures and supplies women's brassieres, girdle and lingerie under the Hollywood Vassarette label. Women's hosiery, men's and boys' underwear, sleepwear, sport shirts, sweaters and hosiery are manufactured under the Munsingwear label.

Rose Marie Reid, with sales of approximately \$15,000,000 in 1962, manufactures women's swimsuits under the Rose Marie Reid, Marina del Mar and Western Miss labels. Manufacturing operations are centered in the Los Angeles area.

Don Viergever is manager of Munsingwear's local division.

Miss Johnson To Represent Cisco, College

Miss Sharon Johnson, CJC freshman, will represent the City of Cisco as Duchess in the City of Gorman's "Diamond Jubilee" in the Queen Coronation, Thursday, Oct. 3, in Gorman, according to Bob Hammett, chairman of the Executive Committee of the Chamber of Commerce.

The City of Gorman will celebrate its 75th year with a "Diamond Jubilee" and homecoming of all ex-Gorman school members. There will be a carnival with special attractions, a parade, a football game, Queen Coronation, and many other features, according to Gorman's mayor James W. Mears.

Sharon will ride in the parade on Saturday, Oct. 5, at 10 a. m. Her escort will be David Callahan.

Miss Johnson is a native of Carbon, and a 1963 graduate of Carbon High School. She represented the high school in the Peanut Bowl Queen contest last year, and was also elected FFA sweetheart her senior year. She was active in basketball, earning the title All Tournament for two years and All District for two years.

Sharon will ride in the parade on Saturday, Oct. 5, at 10 a. m. Her escort will be David Callahan.

New County Budget Calls For \$430,850 During Coming Year

A budget calling for disbursements of approximately \$430,850 during the 1963-64 fiscal year, which begins Oct. 1, has been given tentative approval by the Eastland County Commissioners' Court, according to a report Friday.

The new budget anticipates receipts of about \$400,000. For comparison, the county had \$414,709.00 in expenses during the fiscal year that ends this month and receipts were expected to total about \$385,375.00.

The county will continue to be among the 5 counties of the state with lowest tax rates as the '63-64 budget is based on collecting 80 cents per \$100 valuation, the report said. The 80 cent rate provides 5 cents for the jury fund, 10 cents for the sinking fund, 60 cents for the general fund, and 5 cents for the road and bridge fund.

During the last five-year period, total collections were 92 per cent, the lowest being 91.9 in 1959.

Assessed valuations for next year are \$21,871,540 and were approximately the same last year.

County-wide indebtedness as of January 1, 1964 will be \$41,000, \$15,000 of which will be paid this year.

County Auditor Earl O'Brien reported that last of the road bonds will be retired in 1966 and that bonds have already been paid for 1969, '68, '67, part of '66.

Estimated receipts and disbursements for the various county funds include the following:

JURY FUND — \$8,176.02 receipts and \$8,909.44 disbursements with an estimated 85 per cent collection.

ROAD AND BRIDGE FUND — \$100,576.02 receipts and disbursements of \$58,430 county-wide and \$140,000 for the four precincts, a total of \$198,430. The estimated collection of \$145,000 is expected mainly from automobile licenses with the balance from taxes and fines.

PERMANENT IMPROVEMENT FUND — \$3,253. A total of \$1,000 is expected to be spent on courthouse maintenance during the ensuing year.

ROAD BOND INTEREST AND SINKING FUND — This bond has been retired and will be inactive this year.

ROAD AND BRIDGE SINKING FUND — \$16,152 receipts and \$16,146.25 disbursements (payment of bonds and interest).

COUNTY FARM — \$1,000 receipts added to a balance of \$2,800 and \$2,900 disbursements.

OFFICERS SALARIES FUND

—\$104,487 in receipts with the same amount of disbursements.

GENERAL FUND — \$116,252 receipts and \$99,911 disbursements.

Taxes become due and payable on October 1 through January. If paid during October, a 3 per cent discount

will be given, with 2 per cent in November and 1 per cent in December.

January requires payment of the assessed amount with interest of 6 per cent per annum.

All county taxes become delinquent on July 1, 1964.

All county taxes become delinquent on July 1, 1964.

EXTENSION OF INTERSTATE HWY. 20 TO BEGIN SOON

Negotiations for additional right-of-way necessary for the construction of Interstate Highway 20 (U. S. Hwy. 80) from 1.5 Miles East of Ranger, East to 3.0 Miles West of Erath County Line will begin in the near future, according to Jack H. Kirby, Supervising Right-of-Way Engineer for the Texas Highway Department in Brownwood.

Appraisals are being made and reviewed by the Highway Department at this time. The minimum right-of-way width is 300 feet to provide working space for the proposed four-lane divided facility.

In addition, frontage roads will be provided on both sides of the highway from its beginning point 1.5 Miles East of Ranger to Rogers' Truck Stop near Thurber Hill. There will be no frontage roads at Thurber Hill. Two roadside rest areas are also planned.

This highway improvement is a part of the 41,000 miles of Interstate and National Defense Systems authorized by the Federal Aid Highway Act of 1954. Texas will have 3,033 miles of these express, controlled-access highways, of which Interstate 20 is a major link.

It enters the state at Texas on the east and exits at El Paso on the west, having formed a junction with Interstate 10 west of Pecos.

The construction contract is planned to be let in March 1964. When completed, the facility will be similar to that section of Interstate Highway 20 previously completed from the Erath County Line to one mile west of State Highway 16 intersection, to which it joins. Another section of Interstate 20 is presently being constructed between F. M. Highway 569, 1.0 Miles West of Cisco and the Callahan County Line. Cecil Ruby of Austin, Texas, is the contractor on this \$2,000,000 project scheduled for completion late in 1964.

E. M. Pritchard, District Engineer

gineer at Brownwood, and R. P. Haun, Resident Engineer at Eastland, are in charge of construction on these projects.

MRS. CHARLES MILLIKEN

Mrs. Milliken Added To RJC Teaching Staff

Mrs. Charles Milliken of Ranger has been employed by Ranger Junior College as a part-time instructor of speech and English, according to an announcement by Dr. Theodore Nicksick, Jr., president.

Mrs. Milliken was reared in Ranger, daughter of Mr. and Mrs. E. A. Crawley and is a graduate of Ranger High School, Ranger Junior College and Texas Christian University, where she also has done 15 hours of graduate work toward a masters degree in education. She taught for three years in the Fort Worth School system.

Mrs. Milliken, her husband and three children live at 710 Cypress Street.

Her hobbies are concentrated in civic work and she has been active in promoting the welfare of Ranger through her memberships in her church, Ranger Garden Club, 1947 Club and American Association of University Women.

The record enrollment at Ranger Junior College necessitated an additional instructor and Dr. Nicksick said, "We are indeed fortunate to have Mrs. Milliken available for this work and we appreciate the fact that she will give her time and energy toward furthering education in our community."

Sissy Blackwell, Gorman Diamond Jubilee Duchess

Vinetta (Sissy) Blackwell, Ranger Junior College freshman, has been selected to represent Ranger as duchess at the Gorman Diamond Jubilee to be held in Gorman Saturday, October 5. Miss Blackwell will attend the Queen Contest in Gorman October 3 and will represent Ranger in the Diamond Jubilee Parade on Saturday.

A 1963 graduate of Ranger High School, she was a member of the Bulldog Band for four years, serving as major for three years.

A petite young lady with black hair and blue eyes, she is the daughter of Mr. and Mrs. Earl Blackwell, Sr., Ranger.

An education major, she plans to attend Sul Ross State College after finishing Ranger Junior College.

Mavericks Stun Gorman With 39-0 Victory Friday

The Eastland Mavericks sweetened their winnings column with a 39-0 victory over a "couldn't get started" Gorman Panther Eleven in Maverick Stadium Friday evening.

Scoring in every quarter, fourth in the second and fourth, virtually every one of Coach Millard Glass's charges saw action.

Fabled Panther Tailback, 184-pound Gary Overstreet, put on a good show against the Eastlanders, but the Gorman gear trailed in the statistics department, as well as on the scoreboard. The Mavericks out-rushed, 327 to 39; out-passed, 70 to 13 yards; and racked up an impressive 15 first downs against the hapless Panthers' two.

Back Jimmy Moylan was in charge of the first quarter scoring after a succession of four first downs, when he charged over on a first-and-goal situation; then came back to kick the extra point. Warhorse Gary Graham would have shared the first quarter honors after he intercepted a Panther pass and galloped all the way across the goal—had the Mavericks not been guilty of a clipping penalty on the play, which kept the six points off the boards.

Graham's counting turn came in the second quarter, when he went over from the eight to score. Moylan's kick went bad. John Moylan set the Mavs up again after the punt return, when he intercepted a Gorman pass. Five plays later, Graham set it again from within the ten, on a double reverse which saw Quarterback Jerry McCullough hand off to Cooper, who in turn put the ball into Graham's hands for the gallop. Moylan's run over added two more points, putting the

half-time score at 21-0. McCullough and Mike Miller alternated at the signal-calling position throughout the night, gaining experience, doing yeoman work, and putting Cooper (who's been calling the shots) into an area where his speed counts more.

Seventy yards of Maverick turf passed under foot as Moylan went the limit early in the third quarter. Extra try was bad: Gorman received; saw this. The score was set like the ball go over after a no-gain in four tries; Eastland lost the ball on a fumble after picking up 11 yards on two plays; Gorman bogged on their turn after Bill Garner, Wayne Waldon and Mike Jones smothered an attempted sort by Overstreet; the Panthers' third-down quickkick (with 18 yards need for a first), put the ball on the ten; then Eastland began to move it—McCullough to Moylan, 12 yards; to Cooper for six; to Graham for 3; and then to Moylan for the 70.

Guard Don Griffith had a leg bruised up shortly afterwards and was taken from the game, after turning in an excellent outing.

With four minutes left in the game, Perky Stanley Underwood, 150-pound end, wrapped his fingers around a 20-yard pass from McCullough on a first-and-ten, and looped over the paydirt. Extra try was no good, and the packed Eastland stands "Assumed" that was the scoring for the night, with Eastland due for a 33-0 win.

Not so. With Gorman deep in their own territory thanks to an interception by McCullough, and a decent drive by the Mavericks, another lightweight, 140-pound end Norman Rhodes was in the right place at the right time, and snagged a Panther pass,

turned and stepped off about five yards for another touch down.

Gorman got one of their two first downs after the local TD in the closing seconds, but the clock and a field-full of scrappy Mavericks were too much.

Waterflood Meeting Set For October 9

The October meeting of the West Central Texas Waterflood Association, will be the annual field trip to be held October 9. The trip will begin at 1:00 p. m. at the Skelly officers in Sweetwater. It is planned to visit the north and south units of the Nena Lucia (Strawn) Field in Nolan County, operated respectively by Skelly Oil Company and Sun Oil Company.

In addition, Sun's water plant installation in the Jamison (Strawn) Field in Coke County will be seen. Supper at the Sweetwater Country Club will conclude the trip. Refreshments will be furnished by Lone Star Cement Company.

Eastland Pastor Is Speaker For Cisco Rotarians

Guest speaker at the Cisco Rotary Club Luncheon Thursday was Rev. Cy Barcus, pastor of First Methodist Church, Eastland. Rev. Barcus was introduced by Dr. S. Wayne Reynolds, program chairman for the day.

In a classification talk on the subject "How I Do my Work," Rev. Barcus covered five important points — who, what, where, when, and why. Pointing out the fact that the church needs men, he said that the church has not failed, but that men have failed the church.

"The church is the most important institution in the community," he stated. "It is big business, and it pays big dividends. Take the church (people) out of this community and leave it to the Goddess, and no intelligent person would live here 48 hours."

Oz Gerrard announced the following program chairman for October: Bill Wright, Oct. 3; Al Anderson, Oct. 10; J. D. Collier, Oct. 17; and Doc Cabaness, Oct. 24.

Visitors were Buford Bracey of Bellville, Larry Shoemaker and Mrs. S. Wayne Reynolds of Cisco, Mrs. Cy Barcus of Eastland, visiting Eastland Rotarians Jack Muirhead, Kenneth Thompson, I. C. Inzer, and Roy Smith, and Paul Herman of Downtown, Fort Worth.

Group At Club

A musical group of Eastland students, were featured in a Nevada article while at the Holiday Hotel in Las Vegas.

The group is composed of Al Ricardo, Al and Bill Patton, and the Holiday Hotel. The group was organized by Patton, who is leader. He, as well as Ricardo, a pianist, and Patton, a trombone player, and Patton, a leader.

Other Spirals, Rodgers and Patton, play bass and guitar, respectively.

The youths moved to the Coast several months ago and have appeared in Las Vegas and Southern California entertainment spots.

CHRISTIAN SCIENCE

"Reality" will be the subject of the Bible lesson this Sunday at all Christian Science churches.

A prayer from Psalms (119:18) will be included in the Bible readings: "Open thou mine eyes, that I may behold wondrous things out of Thy law."

These lines from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be read: "If the disciple is advancing spiritually, he is striving to enter in. He constantly turns away from material sense, and looks towards the imperishable things of Spirit" (p. 21).

Rangers Take ACC "B" 12-6 In Non-Conference Game

The Ranger Junior College Rangers found the right formula Thursday night at Bulldog stadium, in cooking up an impressive victory over the ACC Junior Varsity.

Take three parts defense, add two parts offense and mix thoroughly with Wildcats for one full hour. The end results — Ranger 12, Abilene 6.

Abilene's only score came late in the first quarter with tailback Cullen Davis taking a Ranger punt on his own 40 and returning 60 yards for a touch down.

The point after was not good and Abilene led at the end

of the first quarter, 6 to 0. This lead was not to last long however.

The kickoff following the TD launched the Rangers into the only sustained scoring drive of the evening.

From the 38 Ranger moved 62 yards in eight plays and two first downs to even the score. The big plays on the scoring drive came on two passes from QB Tom Napolitano to Dwayne Jackson. One for nineteen yards and another for the final 27 yards. Rangers try for extra point failed and the score was tied at half time, 6 to 6.

The defenders of the Ranger team was called upon on more than one occasion to man the barriers as the Cats came knocking.

Four times the stiff forward wall pulled the welcome mat from under the Abilene suitors. Two times on the nine yard line and two times on the eight yard line.

On one occasion the Wildcats had first and ten on the fourteen yard line. Four downs.

One play and Abilene was once again in possession following a Ranger fumble on the eleven.

For the second time within minutes the Rangers were called upon to defend the goal line. Again proving equal to the occasion, after Abilene had attained the four yard line, they were driven back and forced to give up the ball on the eight.

After two exchanges, one punt and one by downs, Abilene was forced to kick for the first time of the evening. This proved to be costly for them.

Taking the Wildcat punt on the twenty yard line, John McKee was set free by two key blocks on two hard charging Abilene defenders. With free air to breathe for a short distance to the 50, McKee seemed almost destined to be cut down at that point. Emerging from the swarm of different colored jerseys, he was once again saved by a block.

From that point on it was up to the runner with two defenders to take care of. The odyssey of John McKee ended with what was to be the winning score. The point after try failed and the score was Ranger 12, Abilene 6.

Scoring by quarters:
Ranger 0 6 0 6
Abilene 6 0 0 0

FOR SALE

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

Let us help you to arrange for a loan that's as handy as monthly rent.

Lacasa News
James Bradford, formerly of this community, died at Breckenridge, September 24, after a brief illness. Funeral services were Thursday afternoon, with interment in Mt. Zion Cemetery of this community. Survivors are his wife, Addie Lee; two sons, Ollie, of McCamey and Red of Magnolia, Arkansas; six grandchildren; one sister, Mrs. Ida Stephens; and five brothers, O. E. and Lewis of Breckenridge, and Elbert, Earl, and Joe.
Guests of Mr. and Mrs. A. N. Bradford Friday night and Saturday were Mr. and Mrs. B. S. Lemma of the South Texas Children's Home at Beeville.
Mrs. Zelma Herrington and Larry spent the weekend visiting her son and family, Mr. and Mrs. Bill Herrington and Billy Lynn at Quanah. They were helping Billy Lynn celebrate her birthday.
CARD OF THANKS
We wish to express our thanks for the lovely flowers, cards, food, and all the kindnesses shown us in the loss of our daughter and sister, Mary Ferrell.
Mr. and Mrs. F. E. Ferrell
Mason and Lester Ferrell
Mrs. Frank R. Fary

Chasing the Fire Trucks —
... is an ancient American habit. Years ago when the first fire wagon hand and horse were invented. This has grown with the years until today it is a nuisance but a problem of gigantic proportions. Such acts cost many lives and thousands in property values every year. Why? Nobody knows. It's silly, folks, so thereby leaving the streets and alleys boys who fight our fires.

**Bill H. Martin
Is Manager Of
Insurance Firm**

The Millers Mutual Fire Insurance Company, with home offices in Fort Worth, has announced the establishment of a new surety and fidelity bond department and the appointment of Bill H. Martin as manager.

"Current plans are to streamline the writing of all fidelity and surety bonds. Simplified procedures will enable us to provide greater service to customers. Initially bond facilities will be offered in Texas. As the department expands, these services will be extended to all Millers agents in other states," Martin said.

Recently Martin was elected assistant secretary of Millers Mutual Fire Insurance Company of Texas, one of the three companies comprising The Millers Insurance Group. Others in the group are Millers Casualty Insurance Company of Texas and Millers Life Insurance Company of Texas. Martin formerly was in the bond business in Colorado and prior to that was a special agent with a surety company for a number of years.

Mrs. Hattie Baker has returned home from Norman, Okla., where she attended the funeral of a niece, Mrs. Sue Soren Vawter. Mrs. Baker was called to the bedside of her niece about a month ago.

MRS. CHIP WHITE
... former Lynda Cagle

**SATURDAY RITES UNITE
MISS CAGLE, MR. WHITE**

Miss Lynda Mae Cagle and Mr. Chip White were united in marriage Saturday evening, Sept. 21, at 7:30 p. m. in a double ring ceremony read in the Olden Baptist Church by Rev. Bruce Stovall, pastor.

Parents of the couple are Mr. and Mrs. J. D. Cagle of Olden and Mrs. Jo White of Cisco.

Nuptial arrangements were rendered by Miss Glenda Fox of Olden and included "Always" and "O Promise Me".

Miss Carolyn Thomas of Eastland, maid of honor, wore a yellow satin dress with white accessories and yellow and white mums.

Jim White of Cisco served his brother as best man.

Given in marriage by her father, the bride chose a white brocade taffeta sheath dress with white accessories and a single strand of pearls. A shoulder length veil fell from a crown of orange blossoms. She carried frenched mums atop a white Bible.

The bride's mother wore a black and blue dress of woven cotton accented with a white mum corsage. Mrs. White, mother of the groom, wore a beige jacket dress with white mums.

A reception followed the ceremony in the home of the bride's parents. Members of the houseparty included Mrs. Mary Hightower, Mrs. Dean Biles and Mrs. Almos Lasater. The bride's table was laid in white and centered with the yellow and white wedding cake and crystal appointments.

For a wedding trip to Abilene, Mrs. White wore a three-piece green and gold multi-colored suit with brown accessories.

The couple are making their home in Cisco. Mrs. White is attending Olden High School and her husband, a graduate of Cisco High School is attending Cisco Junior College. He is employed by W. W. Smith.

Several out of town guests attended the ceremony

**Doreas Class
Officers Are
Installed**

The Doreas Class of the First Baptist Church met Tuesday, Sept. 14, in the home of Mrs. Harlin Denny for their monthly social and installation of officers.

"Use of the Hands" was a theme carried out by the installing officer, Mrs. Haston Brewer.

The following officers were installed: Miss Opal Hearn, teacher; Mrs. Don Estes, president; Mrs. Harlan Denny, vice president; Mrs. Howard Upchurch, secretary; Mrs. C. M. Cox, reporter; and Mrs. Russell Turner, Mrs. Sidney Roff, Mrs. Paul Taylor and Mrs. Richard May, Group captains.

Refreshments were served to the following members attending: Mmes. Fern Savage, Paul Taylor, Dutton, Don Estes, A. K. Garrett, Howard Upchurch, Richard May, Russell Turner, Haston Brewer, Hank Sims, E. E. Garner, Harlan Denny and Miss Opal Hearn.

**Nineteen
Attend
HD Meeting**

Eighteen members and one visitor answered roll call with "How I have informed non-club members of the value of our work" when the Morton Valley Home Demonstration Club met Wednesday afternoon for their regular meeting.

Mrs. Fritz Huffman, president, presided over the short business meeting. Opening exercises were led by Mrs. M. V. Harrison and Mrs. G. M. Hargus gave the devotional from Proverbs.

Minutes of the last meeting were read and approved, and members made plans to take a box of fruit to the Green Acres Nursing Home on October 23.

Recreation for the afternoon was the exchange of old purses and shoes. When wardrobes are completed, members will wear them to a meeting.

Members then worked on their reporter's book.

Mrs. H. N. Sherman, hostess for the day, served sandwiches, coffee and tea to the following: Mmes. J. B. Bryant, C. M. Pogue, Jeff Laughlin, D. J. West, L. E. Orms, G. M. Hargus, H. C. Pounds, Homer White, M. V. Harrison, E. L. Danley, Josie Nix, Fritz Huffman, C. T. Brockman, Joe Bond, H. C. Thompson, Robert Kincaid, Albin Kincaid, and a visitor, Mrs. Lewis Orms of Snyder.

The next meeting will be held Wednesday, Oct. 9, with Mrs. D. J. West as hostess.

ODESSA VISITORS

Mr. and Mrs. Herbert Morrison of Odessa are here visiting with Mr. and Mrs. Jack Daniels of Eastland, Mr. and Mrs. Walter Greer of Carbon, Mr. and Mrs. Elmer Walker of Carbon and Mrs. Winnie Griffith of Eastland.

Long-term loans are helping many families to own their own homes. Since World War II, both government loans and conventional payments of mortgages have been increased from 20 years to as long as 40 years under special circumstances.

Proof of the fact that long-term mortgages with lower monthly payments have been important factors in the increase in home ownership is shown during the decade of 1950-60, when the proportion of owner-occupied homes that were mortgaged increased from 44 per cent to 57 per cent.

By using a long-term rather than a short-term mortgage, a family with a specified amount available for shelter each month can buy a more expensive house or a family buying a house at a specified price can make smaller monthly payments.

What families should be aware of is that the long-term mortgage will cost more for interest by the time it is paid off. The important decision for the family to make is to decide which is more important to them — to own now and pay more or save and buy later. The savings can be drawing interest. The family must remember to consider the amount of rent they are now paying, and how much taxes, insurance, and upkeep would be necessary should they decide to own now.

An example of the added cost of interest a family would pay on a \$15,000 loan at five and one-fourth per cent would be \$17,823 if it took 35 years to pay, and \$9,264 if it took only 20 years, a difference of over \$8,500. The mortgages would be \$78.15 and \$101.10 respectively. Total interest costs on a five and one-fourth per cent mortgage exceed the original amount of the loan when it takes more than 30 years and three months to pay the debt.

Each family must consider its own situation, needs, and goals before making decisions about loans. Whether the family selects the long or short term loan, members should make sure that the mortgage contract permits the borrower to pay off the debt faster than is required. Then the family can make larger payments if its financial situation improves later, and gain some of the advantages of a shorter-term mortgage.

**Second Annual
Bridge Tourney
At Brownwood**

The second annual Heart of Texas Sectional Bridge Tournament of the American Contract Bridge League will be held Oct. 11-13 in Brownwood's fabulous new air-conditioned coliseum, according to I. F. Bay, tournament chairman and ACBL Director.

Invitations to all known bridge players throughout the Heart of Texas playing area have been extended through the ACBL offices in New York City. The sectional tournament area is bordered by Amarillo, Midland, Del Rio, San Antonio, Fort Worth and Wichita Falls.

First and second place trophies will be awarded in all events.

Playing will begin at 1:30 p. m. Friday, Oct. 11, with teams of four and menard pairs. Other sets will begin at 8 p. m. Friday, 9:30 a. m. Saturday; 1:30 p. m. Saturday, 8 p. m. Saturday; 1:30 p. m. Sunday and 8 p. m. Sunday.

The sponsoring organization is the Heart of Texas playing area of Fort Concho Unit No. 204.

LOOK WHO'S NEW

Mr. and Mrs. Bobby Tucker of Carbon are the parents of a baby boy born Thursday, Sept. 19, at 5 a. m. in the Eastland Memorial Hospital. The baby weighed eight pounds and has been named Johnny Mart.

Johnny has one brother, Clint, who is three years old. Grandparents are Mr. and Mrs. Robert Tucker and Mrs. Vadis Phelps, all of Carbon. Mrs. J. H. Phelps of Carbon is the baby's great-grandmother.

of the Women's Union of the First met in the Fellowship Tuesday for the first time in the new building.

donated the land on which the church was built, laid the corner stone for this historic site. Mrs. Sater was the great-great-grandmother of Annie Armstrong.

Treadwell Jr. was born in Baltimore, Maryland, in 1805, was converted and baptized in 1870 and immediately became active in missionary work. During the 18 years that she served as Corresponding secretary for WMU, she also served as Corresponding secretary of Maryland Baptist Mission Rooms, president of the Woman's Baptist Home Mission Society of Maryland. She wrote extensively for Baptist publications including Sunday School and Foreign Mission periodicals. The Annie Armstrong Thank Offering for Home Missions, which is still taken each spring, was named for her before her death in 1938.

Those who helped with the presentation of her life story were the following: Mmes. Herbert Ekru, H. M. Hart, J. O. Jolly, A. E. Hallford, Frank Sayre, J. W. Bailey, M. A. Treadwell Jr., Haston Brewer, H. W. Sims, E. C. Ragland, Kenneth Thompson, Gene Rhodes, C. W. Boles, J.

Vets Questions And Answers

Q — My husband made out his GI insurance to his mother and sister during the war. Since then he married me and we have two children. I tell him he should change the GI

insurance beneficiary of record. He says VA will pay the money to me as his wife in case of his death regardless of the listing. Is this true?
A — No it is not true. Unfortunately many GI insurance holders are making the same mistake. The Veterans Administration is required by

MAN OF THE HOUR — John McKee, the man responsible for the long punt return in Thursday night's game with Abilene is shown on one of his numerous journeys of the evening. Shown closing in on the play are ACC's Pheron Jackson, No. 30 and Dwight Chaffin, No. 40. (Photo by Capps Studio)

Breckenridge Represented In Ranger College

by law to pay the insurance proceeds to the beneficiary of record. In your case it would go to his mother and sister as he originally arranged. Tell him to notify the VA insurance office where he sends his premiums of his wish to change the beneficiary listing.

Q — I am married and the mother of a child. Can I still go to school under the War Orphans Education Program if I am otherwise eligible?
A — Yes. Neither marriage nor motherhood cancel your eligibility to participate in this program.

Q — In the case of a serviceman's death while he is on active duty, what are the limits of the death gratuity payment and who receives it?
A — The benefit is a sum equal to six months pay of the deceased. However, it shall not be less than \$800, nor more than \$3,000. It is paid to the surviving spouse, child or children, unless the serviceman has designated his parents, brothers or sisters.

Four students from Breckenridge are enrolled in Ranger Junior College this year. They are Johnny Creager, Wayne Broyles, Phil Wiggins, and Ken Browning.

Creager, a sophomore, is a 1962 graduate of Breckenridge High School. He is a music major and was vice-president of the Ranger Junior College Band last year. The son of Mr. and Mrs. R. S. Creager, Breckenridge, he plans to attend the University of Houston or West Texas State University next year.

Broyles, a freshman, is also majoring in music. In Breckenridge High School he was a member of the band and played in the Dixieland Band. After finishing RJC, he plans to enroll in East Texas State

College. He is the son of Mr. and Mrs. Wood Broyles of Breckenridge.

Wiggins, the ex-Buckaroo representing Breckenridge at Ranger Junior College, is a freshman majoring in physical education. The son of Mr. and Mrs. C. O. Wiggins, Breckenridge, he plays end on the RJC football team.

Browning who graduated from Breckenridge High School in 1960, is a freshman majoring in journalism. He is the son of Mr. and Mrs. J. W. Browning, Breckenridge. He is still undecided about his plans after finishing junior college.

Sister Of Mrs. Osteen Dies In Tennessee

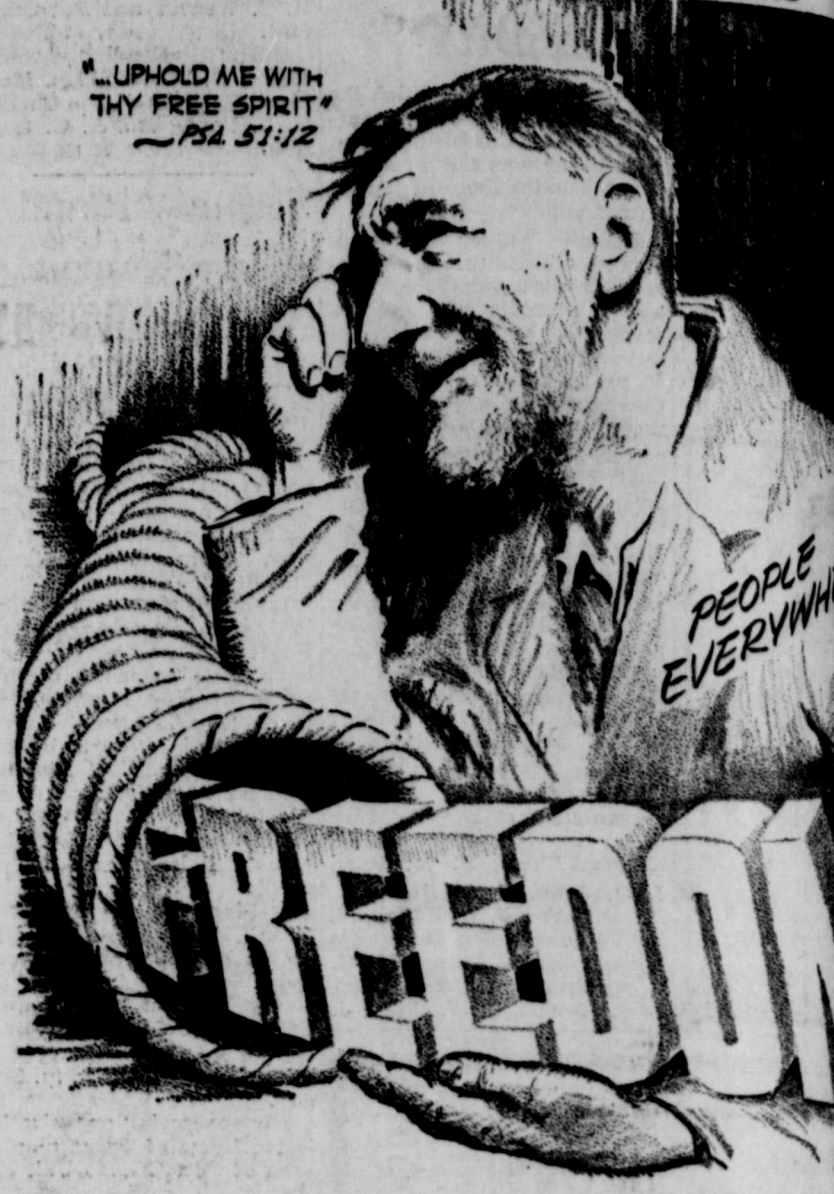

The sister of a Ranger woman died in Unionville, Tennessee, Wednesday, after several months illness attributed to heart attacks.

Funeral services for Mrs. G. R. Ezell were held in Unionville Friday afternoon at four o'clock.

She was the sister of Mrs. C. B. Osteen of Route 3, Ranger. Mr. and Mrs. Osteen left Ranger early Thursday to attend the services.

HEART WISH AROUND THE WORLD

FINE PESTICIDES VITAL TO U. S. FOOD SUPPLY

Without pesticides, food would have to be rationed. Housewives would line up to buy inferior foods, blemished tomatoes, scrawny potatoes and sweet corn pocked with wormholes." So report John Strohm and Cliff Ganschow in an October Reader's Digest article, "The Great Pesticide Controversy."

While use of pesticides has killed wildlife, the writers find human deaths due to pesticides are "all from improper use of the chemicals, none from the consumption of contaminated food."

Some of the deaths have been suicides. More than half have been traceable to careless children got hold of the toxic material. The other deaths have been traceable to careless handling and application of some pesticide, failure to heed the warnings on the label.

The toll of 85 to 160 a year, L. L. Baldwin, University of Wisconsin bacteriologist points out is almost twice as many deaths as "are known to be caused by aspirin" and that bee stings kill almost half as many.

Without pesticides "the price of food items would double," says Dr. George Decker, head of the entomology section of the Illinois Natural History Survey. "The U. S. simply could not feed itself without the aid of chemicals," asserts Dr. Arnold Lehman, Pharmacology chief of the U. S. Food and Drug Administration.

The authors find most scientists favor more thorough inspection of food, more research on residues and their long range effects on humans, and stricter controls over use

ONLY ELECTRICITY GIVES YOU FLAMELESS CLOTHES DRYING

the cleaner
the heat...
the cleaner
the clothes

Women who dry clothes electrically agree it is the cleanest of all methods of drying. There is no flame, none of the by-products of combustion. Clean flameless electric heat adds nothing but warmth to the inside of the dryer, so white clothes stay white, colored clothes stay bright. And electric heat is so gentle and so precisely controlled that even the most delicate fabrics dry with complete safety. See your favorite appliance dealer soon for a flameless electric dryer that will save time, work, clothes and money. Electric drying is one of the nicest features of living better... electrically!
