

Cleanup Campaign Gets Into Motion

Additional impetus was given the Eastland Clean-Up, Fix-Up Paint-Up Campaign — sponsored by the Civic League and Garden Club — today by official proclamation of the period for this purpose.

Mayor G. L. Davenport issued the proclamation, in co-operation with the league project.

The city is working hand-in-glove with the movement.

City Manager A. E. Taylor has assured that the city trucks will

make a town-wide pickup, beginning Tuesday or Wednesday.

League President Mrs. Horace Horton and Cleanup Committee Chairman Mrs. Henry Pullman have urged, thus, that householders and businessfolk have all rubbish and other materials they wish started off at places convenient for pick-up by early next week — not later than Tuesday, if possible.

With announcement of the campaign Thursday and the request that an early start on the task be gained, a number of properties have already been given the "tidy treatment."

"We surely want our town to put its best foot forward at district Texas Federation of Women's Club convention time — just a week from Monday," said the committee statement, "and an important factor is to make our town as attractive as possible, in advance."

Eastland Echoes

By Casey

THOUGHT FOR TODAY: "Not everyone can do great things, but everyone can do small things in a great way."—(Anon.)

Let's go all out to join in the movement spear-headed by the Civic League and Garden Club for spicing-and-spanning our community. There's a lot of civic pride in Eastland and it is our hope and belief that it will be radiated throughout this movement — especially important now that in about a week there'll be hundreds of guests in our town for a district TFWC convention.

"The other night," recalls Uncle Mat, "I waited and waited for Aunt Slug, as we were going out visiting. Finally, she shouted down the stairs, 'I'll be ready in just a minute, dear.' 'No hurry, darling,' I said, 'I'll have to share again.'"

A number of kind folk have had nice things to say about the paper. We most assuredly want it to be a good one — and pledge our best efforts in that direction. Many thanks for the encouragement. We'll strive to merit it.

When Doc Davis looked in the trunk of the car of his fishing partner, O. M. White — who had just caught a big one — and saw that 27-pound yellow cat from Texas Electric Leon Plant Lake, he grinned and said: "I don't believe it!" Anyhow, he'll be trying to match it, now.

When Gene Rhodes and his family drove out to Lake Leon and shot the picture (elsewhere on this page) of existing water in that potentially sizable lake, they saw something that would run any hunter's favor mightily high. It was a whole flock of wild ducks, down in the cove shown in the picture.

This is one of the two most — spiritually — beautiful times of the year — Easter, observing the theme of the Risen Christ. . . the other, of course, being Christmas, observing Christ's nativity. . . The churches should be filled to overflowing Sunday!

Eastland, Tex. Dear Mr. and Mrs. Casebolt: We, the West Ward P-T-A, sincerely appreciate each time you give us write-up space in our Eastland Telegram. You have helped us have "Standing Room Only" in our recent Talent Show. Thank you.

—Mrs. Richard Middleton, Great privilege, to help a worthy school project.—(E.D.)

No, Dog Didn't Read Paper But Her Finder Did

It isn't true that Pat the Peke read the Eastland Telegram — but her finder, like thousands of other people did. Which is the end of a dog's tale.

And a happy one, for Mr. and Mrs. Carl Pierre. "Over at Cisco," Mrs. Pierre recounts, "a Mr. McGrew who works in a drugstore read about our dog's disappearance, in a Telegram for which a co-worker there, Mr. Doss, subscribes. Much as he hated to give our one-eyed Pekinese up — for he had become quite attached to the pet — he notified us.

"We figure that Pat was picked up on the street here by some passer-through and that when the car stopped in Cisco, at a service station, she got out."

Recreation Set Up By Sheriffs Posse

Mounted drills and large-ball polo are among the recreational features which will be planned by the Eastland County Sheriff's Posse, one of the county's newest organizations.

The Posse — which went into action even before it got its charter — and staged a colorful parade ahead of the County Livestock Show, also is going to provide some interesting sport for its members, Capt. Bill Hoffmann pointed out.

"We are sure the men will get a kick out of such things as the drills and the polo," he said. The posse has 34 charter members at present and opportunity for becoming charter members will remain open until Monday, April 18.

"We would like to have a minimum of 75, if possible," said Capt. Hoffmann.

On April 21, the posse will meet at the Courthouse and Secretary H. B. MacMoy will

Vet Housing Is Still In Study

Consideration of a veterans' house-building expansion here is still under consideration, with the Chamber of Commerce connecting the wires between prospects and Builder C. C. Broyles of Abilene. However, at present the number showing active interest stands at only about eight, whereas it had been hoped there would be at least thirty.

JIMMY HUGHES, Teacher-Coach, will be recreation director for the "Y" here, full-time in vacation season.

Blackface Vets Star Minstrel

Included in the 1955 cast of the Annual Quarterback Club Minstrel Show are several veterans of black-face acts such as Milton "Flapjack" Hunt, Wayne "Pepper" Jackson, Jim "Butch" Evert, Neil "Babe" Day, James "Beanzie" Watson, Frank "Kilowatt" Hightower, and others. Just as important though are the new faces which appear in the "Line" to offer new spice and enthusiasm. Put the two together, experience and illusion of the first-time, and you get just the proper blend for two full evenings of fun.

Another vet in the person of James Reid is on hand as always (though in a role entirely new to him. This year he is "Mr. Interlocutor" himself and does the same efficient job he always does no matter what line-called upon to do.

It is always interesting to note the ways in which the new members of the cast accept the antics of the old hands in rehearsals. Then before you know it, some of the new talent steps up and equals or surpasses the rest by some specialty act or joke that leaves you wondering where they have been hiding in the years before. Some of those appearing for the first time on this Tenth Anniversary of the Quarterback Minstrel are Bill "Bel Air" Sikes, Morris Lee "Nehi" Riggan, Wells "Chaser" Dalton, Earl "Liberace" Labredo, Ray "Foremost" Harbin, David "Short-Change" Fry, Milton "Carbonated" Underwood, W. T. "High-Bill" Eaton, Gerald "Blue-Flame" Parks, and Harvey "Center-Stripe" Lewis.

Also in the cast are the following who are not vets of all the shows, but have appeared more than once before in the annual production: John "Bogie" Lively, Tom "Transport No. 2" Lovelace, Stanley "Delinquent" Webb, Wendell "Sassfrass" Siebert, Neil "Power-Glide" Hurt, Norman "Rocket" Geuss, E. J. "Una Biggun" Lively, Jack "Snowball" Chamberlain Jr., and Carroll "Hambone" Shelton.

Small-fry who will also appear in specialties are Sandra and Jan Taylor, Dot Gibbs and Tom Lovelace III.

At the piano will be "Miss Candy" (Mrs. Andy Taylor) who is co-director with her husband.

Costumes are being readied by Mrs. Jack Chamberlain Sr., Mrs. Hubert Westfall, Mrs. Neil Day, Mrs. Vernon Humphrey and Mrs. Frank Hightower, General chairman of the show is Jack Chamberlain Sr., who does those necessary things to keep the show going.

"And we do want to mention the president of the Quarterback Club, Frank Hightower, to whom much credit is due for his behind-the-scenes work," it was pointed out.

County Song Festival Here At 10:00 Sunday

Eastland High School auditorium will ring with gospel numbers Sunday when the annual Eastland Singing Convention is held there.

By starting time — 10 a.m. — a throng is expected to be gathered for the popular songfest and by mid-day it is believed that an overflow crowd will be on hand.

Stanley Webb, president of the association, who will preside over the occasion, reminded the public that everyone interested is cordially invited to attend.

Judge R. L. Rust, always active in song festival enterprises, stated that the committee is well pleased with prospects for a big turn-out for the Easter Sunday sing.

Clyde Fisher, chairman of the arrangements committee, appointed Judge Jim Boggus to head up the sub-committee arranging for coffee and other incidental items. The wife of Frank Hodges, originally named to look after this chore, has undergone surgery. Judge Boggus also is ushering chairman.

At noon, there will be "dinner on the grounds," convention-goers having been invited by the ladies serving to bring lunches with them. The food will be spread on long tables, by the ladies present, and those attending will "help themselves."

Numerous quartets — probably eight or ten or more — will take part in the festival of song. They will include such widely known groups as the Stamps-Baxter Mixed quartet, the Robert Arnold Quartet, the Gospel Airs and several others, along with countless individual singers.

"Come on out to the school auditorium and sing and visit with us — filling your soul with some good old Gospel music," the committee urged.

So Let's Make It Shine

Much good for the community can be accomplished by the Clean-up, Paint-up and Fix-up campaign, which has been set in motion by the Civic League and Garden Club. League President Mrs. Horace Horton and Campaign Chairman Mrs. Henry Pullman report that they have received numerous co-operation encouragements — such as the city's offer to make a careful town-wide rubbish pick-up early next week—and that they believe the project will be a success.

For it to succeed will mean that such objectives as sanitation, attractiveness and reasonable freedom from fire hazards will be served.

Too, when the hundreds come to the TFWC district convention the following week they will be quite favorably impressed by the community-wide neatness of our little city.

Let's all pitch into this chore and spic and span our town until it shines.

Mrs. Sparks Gives One-Act Play Thurs. Afternoon Club's Tea

"Cowards die many times before their death; the valiant never taste of death but once."

These prophetic words from Shakespeare's Julius Caesar formed the climax for the heart-tugging drama interpreted vividly by Mrs. J. Frank Sparks as the program feature of the Thursday Afternoon Club's meeting at the Woman's Club.

With deep feeling, Mrs. Sparks faithfully portrayed the four characters of the one-act play, "The Valiant," by Holworthy Hall. Her animation and rich talent for the dramatic transported her audience behind the prison walls for the last tragic hour of the play's principal character.

She was presented by Mrs. Iral Inzer, leader for the program, who said that Mrs. Sparks, president-elect of the club and a former teacher of speech, had given this play recently for a Dramatic Club program at Hardin Simmons University, Abilene.

Mrs. Frank Castleberry, president, presided at the business session, preceding the program. Mrs. James Horton reviewed convention plans for the Second District, Texas Federation of Women's Clubs, meeting here April 18 and 19. She announced that those wishing to attend the Monday night, April 18, convention dinner at the high school gymnasium must make their reservations with Mrs. B. W. Brewer by April 15. Also, she announced that beginning Monday there will be a city-wide "clean-up" campaign to make the city "spic and span" for its several hundred convention guests.

Mrs. Cecil Collings announced that the club's next program would be an open meeting at 7:30 p. m., April 28, at the high school gym presenting Albany, Texas' Fort Griffin Fandangle. This famous extravaganza, staged and cast by Robert Nail, is expected to draw a minimum of 500 people to its Eastland performance. It is Al-

Miss Jane Myrick of Eastland exchanged vows with Jerry Carwyn Carter of Ranger in a twilight ceremony at 6:30 p. m. Friday at First Baptist Church, Eastland.

The bride is the daughter of Mr. and Mrs. Amos Roy Myrick of Eastland and her husband's parents are Mr. and Mrs. Jesse Carbo Carter of Ranger.

Officiating at the double ring ceremony was the Rev. Harvey Kimbler, pastor of the church, and giving the closing prayer was the Rev. Ralph Perkins, pastor of First Baptist Church, Ranger.

Decorating the church altar were baskets of white gladioli and multiple tapers which burned in Swedish steel floor candelabra. Pews for the couple's relatives were marked with white satin ribbons.

Pre-nuptial music was by Mrs. Arthur L. Gallagher of Lubbock, organist, and Dick Waters of Ranger, vocalist. Mrs. Gallagher, who wore a beige cotton frock with yellow carnations in her hair, played "Because of You" and "Tenderly" and, as the candles were lighted, she played "Melody of Love." She accompanied Mr. Waters who sang "Yours" and at the close of the ceremony, Maiotte's "The Lord's Prayer." For the recessional she played Wagner's Bridal Chorus from Lohengrin and for the recessional Mendelssohn's Wedding March.

Candles were lighted by Miss Marianne Myrick of Eastland, sister of the bride, and Miss Janis Carter of Ranger, the bridegroom's

banys' "claim to fame" and deservedly so, according to reports. It will be the club's "Texas Day" program and will honor the City Commissioners and Eastland school children.

Mrs. Floyd W. Casebolt was welcomed into the club as a new member. It was announced that Mrs. I. C. Heck, historian, had completed a history of the club.

Refreshments of punch, cookies and tiny Easter egg candies in pastel hues were served. Centering the table was an arrangement of stock, carnations and gladioli in pastel shades; and a crystal candelabrum held lighted tapers in the same pastel hues. Mrs. Castleberry presided at the crystal punch bowl. Hostesses were Meses. Milburn S. Long, Jackson C. Oglesby, D. L. Houle, Heck, Frank, Lovett, Grady Pipkin, Don Russell and Tom Wilson.

Each member was privileged to invite two guests to this meeting, and Mrs. Heck presided at the table where 65 members and guests registered on a stylized yellow paper covering, which was enhanced with colorful Easter eggs.

Miss Myrick And Jerry Carter Take Vows In Church Ceremony

Given in marriage by her brother, Donald Tye Myrick of Breckinridge, the bride wore a navy blue linen box suit with pink hat of beaded satin, pink nylon blouse and pink kid sandals.

Her only jewelry was a pair of pearl earrings, a gift of the bridegroom, and she carried a colonial bouquet of pale pink split carnations centered with a white orchid, which she removed and wore pinned to her lapel as the couple left for their wedding trip.

Her maid of honor was Miss Frances Ellen Van Geem of Eastland, whose tan linen box-styled suit was highlighted with white blouse, white straw hat and corsage of white carnations.

Roddy Max Carter of Ranger was his brother's best man. Ushers were Dick Evtat of Eastland and Max Dillard of Ranger.

For her daughter's wedding, Mrs. Myrick chose a brown faille suit, white straw hat and white gloves while the bridegroom's mother, Mrs. Carter, wore a navy blue faille suit with white accents. Both wore corsages of white carnations.

The bride was graduated from Eastland High School and has been employed by the Eastland National Bank for two and a half years. Her husband, who is a graduate of Ranger High School, spent the past four years in the U. S. Navy. He is employed at C. P. Cloud and Sons Wool and Mohair Company, Ranger, and is a night school student at Ranger Junior College.

The couple will live at 3021 1/2 Main Street, Eastland. Mrs. Carter will continue her work at the bank and Mr. Carter will commute to his work and to night school at Ranger Junior College.

Relatives and friends attending the wedding were from Eastland, Ranger, Cisco, Lubbock, Midland, Odessa, Okra and Rising star.

Beware of the Spring Months—

... when we usually have hail and wind both destructive elements that we can do little about except to expect and prepare for. The No. 1 cost to property owners in this season of the year is hail damage to residence and business properties but windstorm damage to plate glass is a close second. One city in Texas last year reported a half million dollar loss on plate glass. Guard against these hazards with adequate insurance coverage. Now is the time to see us before it is too late.

Christian Science

God's healing and redemptive power will be emphasized in the sermon - Sermon entitled "Are Sin, Disease, and Death Real?" at Christian Science services this Sunday.

Scriptural selections will include the following from Psalms (103:2-4): "Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases; who redeemeth thy life from destruction; who crowneth thee with lovingkindness and tender mercies."

The present availability of God's goodness and power will be brought out in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (4:2-24-30 All): "All reality is in God and His creation, harmonious and eternal. That which He creates is good, and He makes all that is made. Therefore, the only reality of sin, sickness, or death is the awful fact that unrealities seem real to human, owing belief, until God strips off their disguise. They are not true, because they are not of God."
