

WEEKLY SUNDAY SCHOOL LESSON

BY W. H. WRYE

GOD'S LAW IN THE HEART
OLDEN TEXT—"Thy word have
I hid up in my heart; that I might
not sin against thee." Psa. 119:11.

Introduction
It is well for the reader to study
chapters 30 and 31 of the book of
Jeremiah in order to get a full back-
ground of this prophetic lesson.

The Text
In those days they shall say no
more, The fathers have eaten a
sour grape, and the children's teeth
are set on edge.

Individual Responsibility.
The popular proverb, "The
fathers have eaten a sour grape,
and the children's teeth are on
edge," was the way by which the
Babylonians claimed that they were suffering, though
they were justly punished for
the sins of their forefathers.

A New Covenant.
The covenant which God made
with Israel at Sinai was fleshly and
temporal. It was given as a
reward to bring Israel to
Christ (Gal. 3:24), being "carnal
commandments, imposed until a time
of reformation" (Heb. 9:10).

covenant had been outward. The
new covenant would lay hold upon
the motives in the heart. It would
have the spiritual urge from within
and not the outward coercion of
the law. Israel broke the law
written "in tables of stone," but
according to "the new covenant,"
God engages to "put his law into
the inward parts, and write it in
the hearts" of His people. The law
of the Lord genuinely written in
the heart by obedience creates a
judgment, disposition, and affection
congenial to the holy law of love.

Practical Observation
Jeremiah's prophecy is quoted in
Heb. 8:8-12 as being fulfilled in the
gospel dispensation. Christ estab-
lished at the cost of His life the
new religious order which has the
remission of sins as its fundamen-
tal blessing. The law of Christ is
the law of love. John said, "We
know we have passed from death
unto life, because we love the
brother." We can know that the
law of the heart that form of doc-
trine which was delivered you. Be-
ing then made free from sin, ye
become the servants of righteous-
ness." (Rom. 6:17, 18.) Obedience
from the heart is quite a different
thing from obedience outwardly.
Obedience from the heart is an ef-
fect resulting from sincere belief
in God's word, which leads to re-
pentance and baptism for the re-
mission of sins. To heart thusly
formed regenerated becomes a new
creature of Christ. The sincere
believer is continually in a heaven-
ly receptive mood, hungering and
thirsting for the law of the Lord,
that he might be steadfast, unmov-
able always abounding in the work
of the Lord.

Waco strengthened its first
place position by winning over
Dallas 3 to 2. Two home runs on
each side accounted for four of the
five runs scored in the contest.

Beaumont, almost hitless for
days in succession, came out of it
in the seventh inning of the Wich-
ita Falls game yesterday. The
Exporters scored six runs in the
seventh to tie the game at 8-all.
Then Akers hit a home run with

two on base in the eighth to make
the score 11 to 8.

Shreveport bunched 13 hits off
Baker, San Antonio twirler, to
win 9 to 2. Although the Indians
collected 10 hits off Cooper, who
opposed them on the mound, they
could make only two runs.

Houston, Dixie champions, con-
tinued their decline by losing to
Ft. Worth, 6 to 1. Meadows, by
holding Houston to three hits,
made the Cats look like real con-
tenders, both in actual play and
in the standings. It was the fourth
consecutive win for Ft. Worth,
who passed up Houston and Wich-
ita Falls by the victory.

ALPHA DELPHIANS
PRESENT FOUR LESSONS
IN ONE DAY
The Alpha Delphians kept
up with the game in an original
and remarkable manner yesterday,
in their all day session devoted
to presentation of the four programs
which yet remained to be given
this season's course and which
through circumstances had not
been presented in their usual rou-
tine, owing to sickness in the
association and several programs
having to have been repeated.
But every assignment in every
topic was covered, two programs
in the forenoon and two follow-
ing the luncheon period.
The session was held in the
Community Club House opening at
10 a. m., with Mrs. N. N. Rosen-
quest, the president, in the chair.
In a brief business session, the
association voted to have a deco-
rated car in the parade on June
30, honoring the dedication of our
new county courthouse.
This was the last meeting for
this season and the club will re-
convene the latter part of Sep-
tember.

At noon a long luncheon table
was arranged, presided over by
Mrs. Rosenquest.
The menu was furnished by the
various club members, with a
first course of fruit salad, follow-
ed by celery pickles, sandwiches,
devilled eggs and second course
of fruit compote, ice cream, with
angel food cake and coffee.

Are You Ready

When your Children Cry for It
Baby has little upsets at times. All you can prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot put away. And it's always ready for the cruder pangs of colic, or constipation, or diarrhea; effective, so, for older children. Twenty-five million bottles were bought last year.

ROYAL NEIGHBORS OF AMERICA
Glenn Rule Camp of the Royal Neighbors of America had an unusually large attendance at their session Wednesday night presided over by their oracle, Mrs. Gussie Tucker.
Preparations were made to entertain the state supervisor, Mrs. Eva Huskey, who comes in early June.
A special drive will start June 1 for new members and the campaign will be pushed until August 31.
The social hour was transferred to Friday night, in M. W. A. Hall at 8 o'clock and hostesses will be Mmes. Watson and Gertie Williams.
This will be a special meeting and members are urged to be present as the work started must be completed on the quilts, which are being made for the benefit of the order.

ST. FRANCIS ALTAR SOCIETY
Mrs. J. P. Laurent was a pleasing hostess to the St. Francis Altar society yesterday afternoon, with session conducted by their president, Mrs. George Wilkins, who opened the meeting with prayer.
The society voted to put handsome bronze fixtures for electric lights in their church and this will be done immediately by their committee, Mmes. Paul Brown, D. P. Leary and George Wilkins.
Mrs. W. T. Root was greeted as a new member of the society.
A contest featured the social hour when Mrs. Brady was awarded a hand embroidered boudoir pillow. Delicious refreshments of strawberry ice cream, angel food cake, and devil's food cake were served by the hostess.

GOING ABROAD
A card received from Mrs. Milburn McCarty at Washington, D. C., states she is having a very interesting and delightful visit and that she and her son, Milburn Jr., are leaving May 29 on an European trip and will not return to Eastland until the latter part of the summer.
NOTES AND PERSONALS
Mr. and Mrs. Joseph B. Leonard spent Monday and Tuesday in Ft. Worth attending the oil scouts' convention.
In the program of compositions by Texas featured at the recent convention of the Texas Federation of Music clubs at Brown-

wood, a group of Amarillo numbers were sung by Mrs. Charles F. Smith, contralto, of Amarillo with Mr. Marsh at the piano. The report says, "Mrs. Smith's rich full contralto was well suited to the numbers, and she presented them with finished skill." The composers were Charlotte Ingram Ward, Mrs. J. Crumgrazin and Julia Lockett. Mrs. Smith has many friends in Eastland who are interested in her musical experiences. She is formerly resident in this city. She is president of the 7th district, Texas Federation of Music clubs.

NEW HONORS AWAITING MRS. NORTON
Mrs. Charles G. Norton was notified yesterday that she has been elected superintendent of music in the public schools of Stratford, Texas, her future home.
Mrs. Norton has done much for the musical life of Eastland, and prior to the family's locating in this city, she was the editor of the musical section of the Fort Worth Record, a post she filled with ability for some years.
She is a graduate of three conservatories of music and had the additional advantage of study abroad.
Her success with private classes of music has been outstanding, and her natural ability of sympathizing with the young people has made a conformity of interest between the junior talent and herself that has been very delightful.
Mrs. Norton stated she planned to have rhythm bands and orchestra for boys as one feature of her new work.
Mr. Norton has been located in Stratford the past few months as editor-owner of the Stratford Times.

With his son, Mark, he is also interested in the ownership of another Texas newspaper, located near Stratford.
NEW WELLS START NEAR STINNETT 1
Extension Well Makes \$500 a Day in Gas Besides Oil.
(From Ranger Times)
Two wells will start immediately in the vicinity of the Stinnett No. 1 which recently extended the Ramsower pool a mile west. The Belya Oil company will drill the No. 2 Good, 600-foot east of the extension well and the Arnold No. 1, a quarter of a mile north of the Stinnett well, will start at once. The pool is 12 miles west of Ranger.
In the meantime, the new producer—which is owned by the Belya Oil company and the Braden Oil company—is making 7-500,000 cubic feet of gas a day and a big output of oil. Tuesday, the well made 325 barrels but the oil sand has been drilled into only a foot and a half and the flow is expected to prove much greater when the sand is further penetrated. Its best performance was

55 barrels in one hour.
How valuable a big gas well is may be realized from the fact that the value of the gas from the Stinnett is estimated at \$500 a day or \$15,000 a month—besides the value of the oil from this well.
A line is being laid to take care of the gas. The Arab Gasoline corporation will take the gas.
For three years, the Stinnett No. 1—which was owned by the Braden company—produced at 3,250. Then the rig burned down and plugging the well was contemplated. But the Belya agreed to deepen the well for an interest so the derrick was re-built and the well was drilled less than 250 feet deeper to the Bond sand. The total depth at present is 3,503 feet.

PASTORATE IN RANGER ACCEPTED
New Central Baptist Pastor From Winters and Fort Worth.
(Ranger Times)
The Rev. H. H. Stephens has accepted the pastorate of the Central Baptist church.
The new pastor and Mrs. Stephens were in Ranger today seeking a house into which they will move next week.
For the past six years, the Rev. Mr. Stephens has been pastor of the First Baptist church at Winters and for five years preceding that, he was associate pastor of the Broadway Baptist church of Fort Worth where he concentrated his efforts to a considerable extent, and with marked success, on Sunday school classes and E. Y. P. U. work.
His reputation for building up the Sunday school and young people's work is widespread.
Last Sunday, Mr. Stephens occupied the pulpit at the Central Baptist church at both services and his eloquent sermons and his splendid personality made so favorable an impression that the congregation called him to the pastorate.
At the meet, she broke three Southern records. Miss Betts is a student of Diamond Hill school at Fort Worth. Her picture appeared in the Fort Worth Record-Telegram this morning.

"How did you get here?" said the general hospital doctor to the patient.
"This," replied the victim softly.—Tit-Bits.

Girl Makes New Athletic Record

Miss Bobbie Betts, who won high point honors in the Texas girls' A. A. U. meet in Dallas last week, is the cousin of Mrs. Roy Earnest and of Homer and Victor Short of Ranger. Miss Betts has visited in Ranger a number of times.

Some interesting things for TRUCK USERS with LIGHT DUTY PROBLEMS

WHERE there's a light duty haulage or delivery job to be done, a truck-user will be repaid by investigating this great series of General Motors Trucks—powered by the 1929 PONTIAC engine.

They have established an all-time record for economical operation and maintenance. In the service of thousands of users, as well as under the punishing tests of the General Motors Proving Grounds.

These trucks are light and fast, to increase work-capacity per day. But they have amazing ruggedness—that means long, profitable service-life.

Nut-Sweet Flavor

It takes three years to produce Lucky Strike's flavor. This unrivaled cigarette is a blend of finest tobaccos from each of three consecutive growths—the cream of the crop. Then comes the secret toasting process which in the opinion of 20,679* physicians makes Lucky Strike less irritating than other cigarettes. This exclusive heat treatment also purifies the tobacco and adds a touch of nut-sweet flavor—appetizing, delicious, different—the earmark of one of the world's most popular products.

LONGHORNS SUPREME ON TENNIS COURT

Have to Play Against Each Other for the Titles.

By BOB CANTRELL.

AUSTIN, May 22.—When Bruce Barnes defeated Berkeley Bell for the Southwestern conference singles title here last Saturday afternoon, he brought to a close one of the most successful seasons in the tennis history of Texas. The Texas entries were favored to win the title, but not in the overwhelming manner in which they did. Showing complete superiority over the other conference players, the Steers placed four men in the singles, semi-finals and both their teams in the doubles finals.

During the past season, the Steer netters have lost only one match, that to Southwest Texas State Teachers college by one of the lower ranking members of the squad. Not a single member of the first six ranking squad members has dropped a match this season, and only four or five sets have been dropped by these six men, Bell, Barnes, Ferguson, Dunlap, Taylor and LaCoste.

Following their sweep of the conference titles, the Steer netters will continue practice for the state meet, in which practically every member of the Steer squad will be entered. Bell and Barnes will be favored to go a long way in this meet, with one of them coping the singles crown and paired together, they are favored to cop the doubles title.

Texas will send two men to the national intercollegiate meet to be held at Germantown in early June. More than likely, the pair will be Barnes and Bell. Bell was in the meet last year and went to the semi-finals before he was eliminated. This year, he and Barnes will be listed among the favorites to fight it out for the crown in the singles. Barnes has improved 100 per cent since the beginning of the year, and the youthful Texas ace has a good chance of coping the national crown.

CLASS TO HEAR PAT. M. NEFF IN MAIN ADDRESS

Rev. Acker C. Miller Will Preach Baccalaureate.

(Crescent Daily News) Seniors of the Cisco high school are in the midst of examinations, perhaps the last they will ever take under the roof of that school. These examinations started Tuesday and will be ended tomorrow.

The majority of the graduates of the school are planning to attend colleges, many of them selecting Randolph as their prospective alma mater.

It has been the custom at the Cisco high school for the seniors to have their examinations one week before the rest of the students in order that they may have time to prepare for their graduation exercises which will take place in the high school auditorium.

The baccalaureate address will be delivered by the Hon. Pat M. Neff, ex-governor of Texas, at 8 o'clock on the evening of Thursday, May 30. The class is fortunate in securing Mr. Neff for this address. He is noted as one of Texas' ablest orators, a man distinguished for his achievements in statesmanship and one whose words should mean much in incentive and helpfulness to those about to desert the halls of learning for the sterner realities of life.

The baccalaureate sermon will be preached by the Rev. Acker C. Miller, pastor of the First Baptist church of this city. It will take place at 11 o'clock Sunday morning in the high school auditorium.

Invitations which the senior class will send out arrived Tuesday.
