

1956 CHRYSLER FEATURES FLIGHT-SWEPT REAR FENDERS

The Chrysler New Yorker for 1956 offers new flight-swept rear fenders which emphasize the low, slim, taunted lines of the car. It features a new 280-horsepower FirePower V-8 engine, fully automatic push-button drive, new center-plane brakes and super-safe LifeGuard door latches as standard equipment. Many of the new 1956 Chryslers will be given their first showing in Eastland on Friday of this week by Blevins Motor Company on West Main Street.

Tri-Hi-Y And Sponsors Take In State Fair

Leaving Eastland in a bus at 4:30 a.m. Saturday were 23 members of the local Tri-Hi-Y and their sponsors — Mrs. Arthur Murrell, Y president; Mrs. Thura Taylor and Mr. and Mrs. Hubert Westfall.

The Lone Star Gas Company had set up a "teen headquarters" in its building on the Fair Grounds Saturday to help take care of the youth from all over Texas on their "day" at the fair.

A general tour of the exhibits were educational for the Eastland Y-girls, Mrs. Murrell said. Some of them especially enjoyed watching the football games over colored TV sets.

The enthusiastic Fair visitors met their sponsors at appointed times all through the day. The happily tired girls and their sponsors arrived home about midnight.

Tri-Hi-Y members making the trip were Mildred Day, Jane Jordan, Pat MacMoy, Olivia Haliman, Gaila Walters, Patricia Fullen, Dixie Day, Donna Scott, June Warner, Mattye Jo Bentley, Ellen Whately, Nancy Beck, Sue Stoker, Julia Lynn Inzer, Jamie Stamey, Betty Jones, Marianne Myrick, Kathy Williamson, Alice Cushman, Marian Woods, Ladell May, Sara Sims and Dot Gibbs.

AROUND the TOWN

By Fay

Said to be "on wheels" much of the time on weekends, this nation's largest state worked the highways overtime the past weekend — what with the TCU-A&M game in Fort Worth Saturday (attended by the largest crowd, 38,000, ever to attend a football game in Fort Worth) and the State Fair of Texas in Dallas smashing its highest attendance record Saturday with 323,224 one-day world record which included more than 100,000 farm youths and may have been the nation's largest single gathering of farm youth.

They arrived mostly in big, yellow school buses from all over the state — 4-H, Future Farmers, Future Homemakers and various other youth groups. There were numerous private automobiles and station wagons carrying loads of young people from various high schools and other schools in addition to the many yellow school buses.

The State 4-H dress revue in the auditorium Saturday morning presented 46 district winners from among 7,000 4-H girls in the state who designed and made their own dresses for competition.

Free box luncheon were provided by the State Fair and Dallas business leaders for the youth Saturday. The thousands of young people ate four and a half tons of hot dogs, 6,000 gallons of fruit punch, 60,000 buns, 60,000 packages of potato chips and candy bars there Saturday, according to a Dallas News article Sunday, which said the punch was poured out of 120 50-gallon barrels and was mixed by a company of city firemen. A staff of 300 worked on the picnic operation, including about that number of Explorers from Circle Ten Council, Boy Scouts of America, who work the picnic every year as a good deed. Thirteen TV cameras took pictures which were televised over the nation Sunday.

The estimated 3,400 buses and rural cars monopolized the parking area Saturday morning but had begun to clear away and others could park by the SMU-Rice football game time. The first busload of 16 farm youths arrived at Fair Park at 4:30 p.m. Friday, parked their bus by the roller coaster and prepared to spend the night. It was from Pattison, Waller County, with about 200 population.

At 2:55 a.m. Saturday, the second busload of 22 boys, two girls and three men arrived from Jasper in Jasper county, with population 4,403, and from all over Texas buses left their hometowns with their youthful cargo and their adult directors at various early morning hours Saturday to get to the Fair by opening time.

(A bus left Eastland with the Tri-Hi-Y group, chaperoned by four adults, at 4:30 a.m., to cite one example. . . and these girls "lived it up" as only youth can do as they enthusiastically took in all the exhibits from the art museum to the Agricultural Building to say nothing of the rides on the Midway, the hot dogs, hamburgers, cotton candy and all the other "Fair" fare.

And it was a tired, but happily so, group of girls who arrived back in Eastland in their big, yellow bus about midnight and, we'll wager, still tired but just as happy, sponsors — MRS. ARTHUR MURRELL, MRS. THURA TAYLOR and MR. and MRS. HUBERT WESTFALL.

Much other trekking was done over the weekend — Eastlandites went to the ACC-McMurray game in droves — to the Fair and to the TCU-A&M game. Olden youth went to the Fair chartering a bus and COACH CHARLES HARRIS of the Eastland High Girls Basketball team took the girls to Brownwood on a charter-

Farm Bureau To Meet Thursday In Scranton Gym

A community meeting of interest to all Farm Bureau members and their friends will be held in the Scranton High School gymnasium Thursday evening, Oct. 20, at 7:30, according to T. C. Cozart, Farm Bureau director who will act as host for his community.

Local talent will furnish the entertainment and refreshments will be furnished by the County Farm Bureau.

All Farm Bureau members and their families and friends are urged to attend this meeting.

CHESTER L. MAY

Chester L. May Named To Board American Gas

Chester L. May, senior vice-president, Lone Star Gas Company, Dallas, was elected a director of the American Gas Association today at the 37th Annual Convention of the Association in Los Angeles. He was elected for a two-year term, expiring in October, 1957.

The American Gas Association is the national trade association of the fifteen billion dollar gas industry. Its membership includes the leading gas utility and natural gas pipe line companies, as well as gas appliance and gas equipment manufacturers from the United States and Canada. Nearly 4,000 delegates are attending the three-day meeting which is being held in Los Angeles in connection with the annual convention of the Pacific Coast Gas Association, October 17, 18 and 19.

Mr. May pioneered the Southwest in building natural gas distribution systems. His entire business life of about 40 years has been spent in the gas industry. Today he directs distribution operations in company owned and operated gas systems in 445 cities, towns and communities in Texas and Oklahoma. He was elected senior vice-president of the company in January, 1954, climaxing a distinguished career started in 1910, with the job of cleaning gas meters with a wire brush.

HAVING JUST RECEIVED HIS FIRE CHIEF BANNER, which he is proudly holding (center of picture) Mike Thornell was chosen "Junior Fire Chief" at South Ward school. Shown with him in the picture are his 15 assistants, who were selected as Fire Marshalls. They are all wearing their red "firemen's hats," 1 to r, as follows: (top row)—Mike Jones, Rickey Hobbs, Gary Graham, J. D. Ables, Mike Thornell, Julie Frost, Bill Taylor, Thomas Thornell, Mary Ann Manning, Martha Jane McMurray; (middle row)—Marilyn Stinchcomb, Steve Perdue, Jerry Dukes, Marilyn Huckabay, Jeanne Wright, Connie Koch; (bottom row)—Mrs. H. M. Hart, Mrs. E. E. Layton, Mrs. D. E. Frazer, Mrs. Guy Patterson and Mrs. Harold H. Durham, teachers. (Not in picture)—Miss Gladys Green, teacher.

S. Ward School Presents Junior Fire Chief And Marshalls in Fire Prevention Week Observance

Climaxing the Fire Prevention instruction and activities, in observance of Fire Prevention Week, South Ward school presented its Fire Chief, Mike Thornell, and his 15 assistant Fire Marshalls, in a program at the school auditorium Thursday morning.

Mike was presented his banner to hold in the center of the stage

and he and all the Fire Marshalls presented their Junior Marshal firemen's hats, before an unusually enthusiastic audience, made up of all the other pupils in South Ward School.

Fire Prevention Week also included the making of posters, songs, drills and games.

The City Firemen and fire truck visited the school and demonstrated the use of the water hose. Fire drills have been given as required. The children have completed the questionnaire regarding fire hazards in the home, with the assistance of the parents, and badges have been presented to those qualifying, said Mrs. Harold H. Durham, principal of South Ward.

Beta Sigma Phi's Annual Tea For New Members Held Sunday

The Beta Sigma Phi chapters of Eastland met Sunday afternoon for their annual "Preferential Tea" at the home of Mrs. R. M. Sneed, 403 S. Oak Lawn.

Hostesses were Mes. Sneed, Don Doyle, Luther Wilson, Norman Guess and Joe Sparks.

Mrs. Sneed was at the door and had her callers to register in the guest book. Mrs. Sparks and Mrs. Guess alternated in presiding at the silver tea service.

The tea table was laid with an intricately designed handmade cloth and centered with a black bowl of Talisman roses. The sojourners colors are gold and black and its flower is the Talisman rose. White cake squares embossed with Talisman rosebuds were served from silver trays and black napkins further carried out the decorative theme.

The new members are Mes. Bill Sikes, A. L. Gallagher, Jerry C. Carter, Les Strawn, Willis

Moore, R. S. Beard and R. S. Higgins.

Besides the new members and hostesses about 20 members attended.

Tri-Hi-Y Hears Talk By High School Principal

Meeting at the high school Monday night in regular session, members of the Tri-Hi-Y discussed projects for the year.

Charles Marshall, high school principal, was guest speaker for the meeting, taking as his subject the possible worthy projects the Tri-Hi-Y could adopt for the year.

Annette Sherman, president, presided at the business session. About 25 members attended.

The Rev. Smith To Speak Thurs. Afternoon Club

The Rev. Richard R. Smith III, pastor of First Methodist Church, will speak on the United Nations and Foreign Policies at this week's meeting of the Thursday Afternoon Club.

Each member may invite one guest to the program, which will begin at 3:30 at the Woman's Club.

Mrs. Frank Sparks, president, will preside at the meeting and Mrs. R. E. Sikes, leader, will present the program. Hostesses are Mes. Milburn S. Long, W. P. Leslie, Frank Crowell and Cecil C. Collings.

A business session will be held at 3 o'clock preceding the program, Mrs. Sparks announced.

VISIT RELATIVES IN FORT WORTH

Mrs. Don Doyle and children spent the weekend in Fort Worth with relatives.

Remember Passing Events—

... like the first dime you ever made, the winning touchdown by the home team or the tears at high school graduation? Yes, we do, just little things and trivial, but how they do linger in our memories! And we remember the big events, too, like the Texas City explosion, last June's hail storm in Eastland or the more recent tropical hurricanes on the coast. These familiar disasters pose another question, who pays for them? That's insurance. Don't get caught without it.

Eastland Members Attend Meet Of Delta Kappa Gamma, Cisco

Antelope Supper Fetes Horton's Employees Here

Employees and their families from Horton Ceramics plant and the Jim Horton Tire Service, totaling about 80, were honored with a barbecued antelope supper Friday night at the City Park.

Hosts and hostesses were Mr. and Mrs. Jim Horton and Mr. and Mrs. Horace Horton.

The two antelopes, which had been bagged recently in Alpin by Jim and Horace Horton, had been barbecued prior to the gathering and were served with "all the trimmings."

THE CAROTHERS ATTEND TCU-A&M GAME SATURDAY

Mr. and Mrs. H. J. Carothers attended the TCU-A&M game in Fort Worth Saturday with Mr. and Mrs. Jake Gould and son, Harry, an A&M student. The Goulds met the Carothers, who formerly lived in Athens, in Fort Worth, prior to the game.

The Delta Kappa Gamma sorority met Saturday afternoon at the Club House in Cisco with about 25 attending from Eastland, Ranger, Cisco, Clyde, Cross Plains and Baird.

Mrs. Bernice Carter of Cisco, president of the chapter, presided at the meeting.

Mrs. Minnie Hill of the business department of Cisco Junior College and Miss Olga Fay Ford, an English teacher in the college, gave the program on the subject, "Professional Growth Through Association."

Following the program and business session Mrs. Carter, Mrs. Gorum Glasscock and Mrs. Eva Laws, all of Cisco, hostesses for the meeting, served frosted punch, salted nuts and candies from a table decorated in the Halloween motif.

Attending from Eastland were the following members: Mrs. Ethel Johnston, Mrs. Modena Turner, Miss Nettie Thornton and Miss Verna Johnson.

A regional meeting of Delta Kappa Gamma will be held at the Woman's Club in Abilene Nov. 5, it was announced.

Good Neighbors

WHAT IS IT that makes a neighbor a "good neighbor"?

Sometimes it's the thoughtfulness of a surprise cake handed over the back fence.

Sometimes it's a smile, or a gesture that lets you know there's a friend near who's always ready to lend a helping hand just because it's the natural thing to do.

In short, being a good neighbor is simply the business of putting the Golden Rule into everyday practice.

Since it began operation in 1871, the Texas & Pacific Railway has been blessed with some of the finest neighbors anyone could want. During our eighty-four years we have received many surprise "cakes over the back fence" from our good neighbors who wanted to show their appreciation for the part T&P has had in the growing Southwest. We are grateful, too, for the friendly and understanding support of our neighbors through the years.

Good neighborliness is a two-way track, however. As a good neighbor always should be, we have tried to be interested... in a practical and understanding way... in the well-being of those with whom we live and work.

Down through the years, the folks at T&P have extended a hand of fellowship to their neighbors... in good times as well as in times of disaster.

In 1953, for example, a prolonged drought parched farms and ranches of many areas of the West. Our farming and ranching neighbors needed help... and T&P joined with other railroads and the Federal Government in providing that help. The railroads of the West cut in half their rates on feedstuffs to the drought-stricken areas. This reduction was equivalent to a contribution of 20 million dollars, for that is the sum these railroads gave up as a result of the rate reductions.

No other transportation agency made any contribution whatsoever... through rate reductions... to the farmers and ranchers. Only the railroads heeded their call for help.

We're proud of the way our Southwestern neighborhood has grown, and we're thankful that we've been able to grow with it. Even though the region we serve now has become an industrial and agricultural empire, the spirit of the good neighbor still exists... and is as important now as it was in the pioneer days.

MRS. WELCH CALLED TO FORT WORTH

Mrs. Marguerite Welch went to Fort Worth Monday morning having received a phone call from her sister, Mrs. C. L. Hudgens of that city that Mr. Hudgens had become ill Sunday, apparently of a stroke of paralysis.

Fire Curbing Week Features For W. Ward

West Ward school observed Fire Prevention Week in various ways. A fire drill was held on the playground; the city firemen and fire truck visited the school and demonstrated the use of the water hose; the children made posters, completed questionnaires regarding fire hazards in the home and the climax was the presentation of the school's fire chief, Tommy Beck, and the nine fire marshals. Each was presented a junior marshal's fire hat, said J. W. Turner, principal, in a ceremony in the school auditorium.

Besides Tommy Beck, fire chief, the following were chosen as fire marshals: Larry Don Finley, Larry Miller, Miss Nettie Thornton's first grade; Paul Varner, Wayne Moore, Mrs. Marvin Hood's second grade; Keith Elliott, Mrs. T. L. Amis' second grade.

Kenny Cogburn, Mrs. Homer Smith's third grade; Terry Treadwell, Mrs. Frances Cooper's third grade; Dwain Webb, Mrs. Eugene Green's fourth grade; John Pipkin, Miss Gladys Green's fifth grade.

The awards were made on the stage to enthusiastic applause by the classmates of the fire chief and the marshals.

ATTENDS GAME SAT.

J. W. Eidson was among the many who attended the TCU-A&M football game in Fort Worth Saturday.

Cheaney HD Club To Participate In Achievement Day

Plans for educational and craft exhibits to be displayed at the annual Achievement Day event Nov. 12 in Eastland, were discussed at the Thursday afternoon session of the Cheaney Home Demonstration Club.

Miss Billingsley, County Home Demonstration Agent, was unable to attend the meeting.

Exhibits will be based on work which has been done in carrying out the 1955 program, including braided rugs, upholstering, canned tomatoes and juice, pickles, crafts, pictures, safety and fire prevention, three-day food supply and gifts for Christmas.

Cheaney Club members will choose selections from the list which best suits their accomplishments for the year. They will also participate in the bake sale in connection with the event.

Mrs. R. W. Gordon, hostess, served coffee and cake at the close of the meeting. The next meeting will be held Nov. 10.

THE RAY LANEYS HOME FROM ENJOYABLE TRIP

Mr. and Mrs. Ray Laney have arrived home from Amarillo and Melrose, N.M., where they visited her relatives and from Royalty, Crane and Midland, where they visited his relatives. They also went to Carlsbad and through the Caverns while in New Mexico. They were impressed, especially, they said, by the many beautiful new homes in Midland.

Two From Cisco Junior College To Appear Here

"The Role of Music in International Relations" is the subject for Wednesday's meeting of Eastland Music Study Club to convene at 3:30 at the Woman's Club.

Mrs. H. R. Garrett, program leader, will present Mrs. Minnie Hill of the business department of Cisco Junior College in a travelogue of the Holy Land and Jack Chambliss, chairman of the division of fine arts at Cisco Junior College, who will furnish a musical program.

Mrs. R. L. Carpenter, president of the club, will preside at the business session. Mrs. W. E. Brashier, treasurer, will have yearbooks for all members who were unable to attend the opening meeting, it was announced.

Frank Sparks Is Feted By Wife; Children Guests

Mrs. Frank Sparks honored her husband, a local attorney, on his birthday anniversary Sunday with a dinner at their home on West Commerce street.

For the occasion she had invited all of his children and their families for the weekend, and for the birthday dinner Sunday the table in the dining room bore an elaborately decorated birthday cake, complete with candles, which Mrs. Sparks had created.

Present were the honored guest, his wife and hostess, and his children and their families, as follows: Mr. and Mrs. Ben Sparks and daughter, Marty, Colorado City; Mr. and Mrs. Carl Butler Jr. and children, Mike and Linda, of Bryan, and Mr. and Mrs. Joe Sparks and children, Mary Jo and Janie, Eastland. Mr. and Mrs. Dick Sparks and daughter, Shari, of Snyder, were unable to attend.

Heavy Pioneer Activity Set Saturday Night

The Pioneer Conference title chase gets underway in earnest this Saturday as four of the five loop teams are scheduled to engage in league competition.

The Arlington State Rebels with three consecutive victories over tough non-conference opponents will play the steadily improving Schreiner Institute Mountaineers at Arlington in the first league game for both teams. And at Stephenville the Tarleton State Flowboys, defending conference champions, will face the Ranger Junior College Rangers who were beaten by San Angelo, 45-0, in the opening conference game of the season last Saturday.

The Rebs, playing at home, will be slight favorites over the Mountaineers who won against Cisco, 19-6, last week. Arlington State defeated the Cameron Aggies, who had previously routed five consecutive opponents, by a 14-13 margin at Lawton, Oklahoma, last week. Despite a home field advantage, however, the Rebels will have to be at their best to beat Schreiner which has improved tremendously since falling before Victoria, 46-0, in the season opener.

Tarleton State, 28-26 victors over a strong Hardin-Simmons freshman team last week, will be favored over Ranger. The Flowboys have four victories and only one defeat on their record thus far this season. Led by Gary Berry, league's leading runner, the Stephenville team appears certain to make a strong bid for the loop crown again this year.

San Angelo, now leading the league in conference play, goes to Corpus Christi this Saturday to play Del Mar, one of the two undefeated junior college teams in the state, in a non-league tilt. The Rams now appear to be the major hurdle in the path of other loop teams as they launch their conference campaigns.

MAKES DEBUT HERE TOMORROW: Modern in the forward look manner but the ultimate in the tradition of graceful elegance is the new 1956 De Soto Firelight four-door sedan shown here. The new line of 1956 De Sotos will make their debut in Eastland tomorrow at Rushing Motor Company. De Soto's new look highlights extensive exterior body changes including a dramatic new upswept lift to the popular color sweep that runs the virtual length of the car. Other new glamorous touches are the all-new front and rear ends, lush color-keyed interiors in brocades, damasks, leather, faille and other decorator materials. New perforated mesh grille with built-in parking lights, and a dramatic, turreted, three-tiered taillight assembly are among over two dozen high-light changes in design and engineering in the new De Sotos.

NEW Push-Button Driving . . . NEW 255 V-8 Horsepower!

Push-button driving is here . . . on the 1956 De Soto. Revolutionary in design . . . superbly simple . . . you just touch a button and . . . Go! That's all there is to it . . . no levers to get in your way. Push-button control is safely located on the left side of the instrument panel. A light touch of your finger tip and you're off . . . just like that. You'll have to try it to believe it. See the brilliant new 1956 De Soto with amazing push-button driving, on display now at your De Soto Dealer's.

Never has any automobile boasted such tremendous "get-up-and-go". De Soto's new V-8 power (up to 255 hp) gives you "out front" performance at any speed. Sizzling "high torque take-offs" . . . lightning fast emergency "step down" power for quicker, safer passing. No matter what you're after in a new car, De Soto's got it. New Flight-Sweep styling, luxurious new interiors, glamorous exterior color combinations. Now more than ever before . . . Drive A De Soto Before You Decide!

THE NEW FORWARD LOOK

YOUR DE SOTO DEALER PRESENTS GROUCHO MARX IN "YOU BET YOUR LIFE" ONLY WITH AN 8-TUBE RADIO AND TELEVISION . . . NBC NETWORKS.
