THE CHALLENGER EVADING THIS CHALLENGE FEATURES

Here is a challenge that rings with fulfillment. Its bid is to all who would own the best, and no car is excepted.

In Fast Getaway—against the champions of any price class. In Speed—anything the road offers up to 70 miles an hour. In Endurance-60 miles an hour all day long is being proved by thousands. In Hill-climbing-give it the hardest task you know. In Size and Roominess-match with big cars of large passenger capacity. In Appearance and Smartness-compare it with the costly cars, in which high price is paid for just those things. In Economy-against small light cars, whose chief appeal is economical operation, and which do not contend for performance distinction.

These are but a few of the 76 advanced features which a million Super-Six owners are appraising in Essex the Challenger. Come examine and drive it. It will not only win your endorsement, but challenge your ownership interest against any value that motordom may offer.
