Cynthia Wrinkle was winner of the first place award in the student division; Kerry Wagon, Cont'd. on Page 3, Col. 4

Red Raiders
To Converge
On Muleshoe

A number of special guests are expected in Muleshoe next Wednesday for the annual Red Raider Day celebration, according to local president of the Red Raider Club, F. W. 'Chief' Jones.

Heading the list of celebrities will be Donnie Anderson, the Stinnett Sting Ray. He was All American in 1964 and 1965, a graduate of Texas Tech University and plays football for the Green Bay Packers.

Other guests are expected to be J. T. King, Tech Athletic director; Polk Robinson, athletic administrator of finance and development; John Connelly, first assistant line coach; Tom Wilson, defensive backfield coach; Leete Jackson, executive director of the Lubbock Red Raider Club; Floyd Boze; Mark Anderson; Dr. James Morris; Burl Huffman, who will be guest speaker; Johnny Simms; Charlie Duvall, Littlefield; Walter Nickels, Amarillo; Artis Barton, Earth and a delegation from Farwell headed by President of the Farwell Red Raiders, Delmer Hargrove.

The celebration will begin at noon Wednesday when the Lions, Rotary and Jaycees will jointly host a luncheon at the fellowship hall of the First United Methodist Church. Following that will be an afternoon of golf, a business meeting and dinner at the Muleshoe Country Club.

Youth Center Schedules Two July Events

President of the local Youth Board of the Muleshoe Youth Center, Martha Jane Chapman, said two events will be sponsored in July which will be of particular interest to area youth.

First will be a swimming party at the Muleshoe City Pool, which will be restricted to present members and new members. Times for the party will be released when plans are finalized.

The following night, July 17, from 8-12 p.m., a big 'battle of the bands' has been scheduled at the Youth Center at 1500 West Avenue B. Competing, said the Youth Board president, will be 'Zurich' from Lubbock and 'Wolfgang' from Amarillo.

In other action at the recent Youth Board meeting, it was decided to leave the dress policy open, within reason, and post a bulletin board with upcoming bands and events. It was also voted to decorate more extensively in the Youth Center in the future and do special decorations for some occasions.

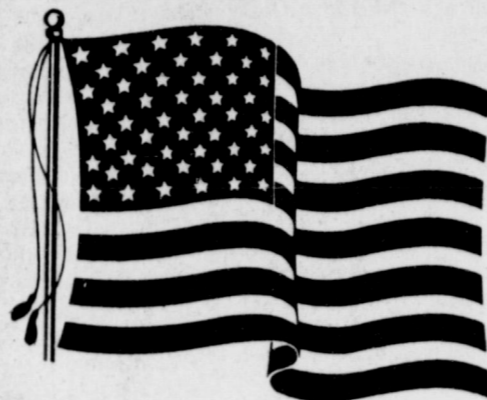

She said a discussion session was also held on the possibility of opening the dances to the public, and of the 16 member board, only one person voiced objections to allowing the colored youth of the area to attend the dances. The proposal was to be made to the Adult Board to allow the dances to be opened to the colored youth, she said.

Little League All-Star Team Announced

The Muleshoe Little League regular season wound up Friday night, and the all-star team was announced. Melvin Griffiths, president of the Little League said a championship game will be played at 8 p.m. Tuesday to decide LL champion for 1971. The championship game will feature the Builders and Cubs. Coaches for the 1971 all-star team are John Hayes and Sam Gonzales.

Team members include Terry Mick, Larry Parker, Dean Northcutt, Kevin Smith, Robert Toscano, Rickey Hayes, Mike Griffin, Mike Mimms, Mark Washington, Ronald Powell, Kent Winders, Nicky Bamert, Danny Wilson, Billy Vinson and alternate, John E. Estep.

Bug Infestation 'Light' Reports County Agent

Aphids, Greenbugs Pose Minor Problem

Although minor infestations of bugs have been reported in Bailey County crops, and local spray pilots have been kept

busy spraying fields, Bailey County Agent J.K. Adams paints an optimistic picture about the infestations. He commented, "My observation is that the corn leaf aphids are heavy in most fields as were mentioned in the last entomology report. But, I do feel that our farmers should go along with our trained entomologists."

"I hope that by allowing ladybugs and corn leaf aphids to live, we will have enough beneficial insects to avoid all spraying in grain sorghum this year."

Adams added that light thrips infestations have been reported in this county, as well as Lynn, Floyd, Swisher, Garza, Crosby and Gaines counties, but very little thrips damage.

Booster Trips For July 4th Draw Crowds

Jerry Hutton, manager of the Muleshoe Chamber of Commerce, expressed his appreciation to those persons who helped make the Fourth of July Booster trip a success and issued special thanks to the First Baptist Church for furnishing the bus for the FHA girls, Ambassadors and Girl Scouts.

The only business first represented on the two days were Harvey Bass Appliance, St. Clair's Department Store, Bailey County Electric Company, KMUL Radio and Black Insurance. Curtis Walker was trip chairman and Harvey Bass was assistant chairman.

Future Homemakers of America making the trip included Daymon Poteet, Cindy Chandler, Vi Jackson, Connie Johnson, Judy Dearing, Prisca Young, Regina Poteet, Jana Oylter, Rejanna Hardaway, Kim Milner. The Muleshoe Ambassadors making the trip were Kathy Pena, Tracy Cowan and Becky Milner.

Girl Scouts who traveled with the booster caravan were Doris Bartholf, Cindy Morgan, Cynthia Isaac, Janet Hopper and Sherrell Rasco.

Others on the caravan were Harvey Bass, Gil Lamb, Jerry Hutton, Doug Dubose, Buddy Black, Harold White, Mr. and Mrs. Pete Black, Pat Brown, Irvin St. Clair and Joe Harbin.

David Lee, chairman of the annual Sidewalk Sale, said Saturday morning that the one day sale was highly successful.

He said shoppers and merchants alike were very pleased with the result of the Friday, July 2 sale. Lee expressed his appreciation to all the merchants who participated in the sale and helped make it a successful venture.

Cont'd. on Page 3, Col. 1

BEST DRESSED--Mrs. Moyna Melson, an employee of St. Clair's Department Store was awarded a plaque as best-dressed sales person in the annual Sidewalk Sale last Friday.

Pledge To The Flag

I Pledge Allegiance To The Flag Of The United States Of America And To The Republic For Which It Stands, One Nation Under God, Indivisible, With Liberty And Justice For All.

The original author of the pledge was Francis Bellamy, who was born at Mount Morris, New York, May 18, 1855, and died August 28, 1931. He was ordained in 1879 at the Baptist Church in Little Fall, New York. The Pledge he wrote was first used at the dedication of the World's Fair Grounds in Chicago on October 21, 1892, the four hundredth anniversary of the discovery of America, and has been recited from that day to this, with some changes, by school children throughout our land. Reverend Bellamy's original wording was altered slightly by the First and Second National Flag Conferences in 1923 and 1924 and his work was officially designated as the Pledge of Allegiance to the Flag by Public Law 287, Seventy-ninth Congress, approved December 28, 1945. On June 14, 1954, Flag Day, President Dwight D. Eisenhower signed into law House Joint Resolution 243, introduced by Representative Louis C. Rabaut of Michigan, which added to the Pledge of Allegiance the compelling and meaningful words "under God".

Rotary Installs New Slate of Officers

Rex Webster of Lubbock was guest speaker at the Rotary Officer Installation banquet Tuesday night and gave a history of the Rotary Club and cited its growth.

He commented that Rotary had a good image in a community, by doing things in and for the community. He also spoke about the international group study exchange.

Webster is Past District Governor of Rotary. His wife, Madge accompanied him to Muleshoe. Kerry Moore arranged the program. Entertaining was Jerry Neuenschwander with vocal selections.

ROTARY OFFICERS AND SPEAKER--New officers were installed for the Muleshoe Rotary Club Tuesday night. Pictured here, from left are secretary, Albert Field; outgoing president, Harvey Bass; special guest speaker, Rex Webster, Lubbock; Troy Atkinson, incoming president and Kerry Moore, in-

coming vice president. A number of guests attended the banquet which also honored the Rotary anns, wives of the Rotarians. The installation banquet and ladies' night was held in the fellowship hall of the First United Methodist Church.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex.--Gov. Preston Smith, in an unprecedented veto action, turned the job of re-writing the entire 1973 state budget to a special legislative session next year.

Smith took the axe to \$3.1 billion in state spending which he found "unnecessary and unwarranted" for the second half of the biennium. He announced his decision on a statewide television program, and said that he will submit to the lawmakers, before September 1972, a new 1973 budget proposal which will require no new taxes.

Smith made it clear that a 1972 special session is inevitable, anyway, because the

Legislature did not appropriate welfare funds for the second year.

Governor's action may accomplish the following regardless of whether a new tax bill can be avoided next year (Texas Research League estimates a \$474 million biennial tax bill will be required in the 1972 special session):

--Legislators will have to take a sober second look at spending items in an election year when they are faced with general election contests.

--Fact that little additional federal aid is available for welfare spending, in spite of predictions by Smith. Lt. Gov. Ben

Barnes and others, will be partially obscured, since the special session will not be confined to welfare alone but opened to the entire area of government spending for 1973.

Smith declined to reveal his future political plans but left dangling the prospect of a third term race.

Governor claims the public response has been almost 100 percent favorable to his historic veto. Lieutenant Governor and House Speaker Gus Mutscher pledged cooperation.

COURTS SPEAK--State Supreme Court, in a five-four decision, held that an insurance company can't fight its policyholders in suits against uninsured motorists except in unusual situations.

A man fired by an oil company for not getting enough new business in the Beaumont-Houston area was granted a new trial through a Supreme Court order.

High Court upheld the county court at law finding that a San Antonio woman could collect damages from the City of San Antonio for condemnation of her land and for damage due to erosion.

Supreme Court heard arguments in the Braniff and Texas International Airways effort to ground the new Southwest Airlines (Dallas, Houston, San Antonio routes).

Court of Criminal Appeals reversed the death penalty of a man convicted of a 1967 knife murder of a Baylor University coed and ordered a new trial.

Trial of former San Marcos Police Chief Waymon Dial, for burglary, has been transferred to Harris County.

AG OPINIONS--Texas Water Quality Board may contract for the state with the federal government for federal grants or loans under the federal water pollution control act--subject to a 60-day limitation and the governor's approval -- Atty. Gen. Crawford C. Martin has held.

In other recent opinions, Martin concluded that:

* El Paso can contract with the Council of Governments for a recreation area partly within the city limits, partly in the county and partly in Dona Ana county, New Mexico.

* National Guard Armory Board has authority to determine the lowest and best bid and best interest of the state on armory construction which involves unknown factors on a fixed bid, price and congressional factors.

* Concentrated Employment Project federal funds are not

subject to auditing procedures applicable to county funds.

* A city fireman, on returning from military leave, is entitled to credit for the time spent in service, in figuring city payroll longevity.

Where the legislature has made specific lump sum appropriations for hourly wages, the head of a state agency to whom an appropriation is made has the discretion to fix the hourly rate of pay.

APPOINTMENTS--James L. Lindsey of College Station, longtime newspaperman in Midland, San Angelo and San Antonio, was named by Governor Smith to succeed Dr. Elmer Baum of Austin on the State Banking Board.

Smith also recently named: Emory Walton of Eastland--criminal district attorney for the county; Dr. Hampton C. Robinson of Houston (reappointment)--State Board of Health;

J. R. Owen of Taylor--26th district attorney; Jack C. McKenzie of Corpus Christi, Curtis C. Gunn of San Antonio, I. G. Andrews Jr. of Stamford, Dick McAlain of Houston, Fenner Tubbs of Lubbock and W.O. Bankston of Dallas--Texas Motor Vehicle Commission;

Harold Boyd Harvey of Lubbock -- Industrial Accident Board.

Governor also named a 41-member Texas Film Commission.

District Judge Tom Davis of Vernon and Earl E. F. Dally of Houston have been appointed commissioners for the Court of Criminal Appeals.

Attorney General Martin is the new president of the National Association of Attorneys General.

Richard Keahey of Austin is now director of the Veterans Land Program and Jim Watson of Lubbock is General Land Office personnel director.

CITIES COLLECT \$35.5 MILLION--Texas cities which levy a one percent local option sales tax received nearly \$35.5 million from January-March collections on sales within their boundaries.

Collections for the first quarter of 1971 compared with \$39.6 million for the final quarter of 1970 and \$36.3 million for the third quarter of 1970.

More than 400 cities levy local option sales tax.

Money goes to the state comptroller and is handed back to cities of origin. During the quarter ending March 31, the state retained \$719,756 as its service fee.

INSURANCE RATE HIKE ASKED AGAIN--Auto insurance companies were expected to request rate increases of more than 25 percent at a hearing before the State Insurance Board June 30.

Companies six months ago were granted a 14 percent increase, but were far from happy and insisted on more. They wanted a 27 percent boost.

A new law permits motorists to purchase deductible liability insurance if they are willing to assume the risk of the first \$250 damage their car may do to property. Another new act gives the State Insurance Board direction to promulgate rules for cancellation and non-renewal of policies.

SIX CITIES WIN CITATION--Six Texas cities received plaques as winners of governor's community achievement award.

Cities were Victoria, Trinity, Mansfield, Taylor, Lamesa and Grand Prairie. Awards went for efforts to improve the quality of living.

PARKS APPROVED--A \$558,600 project for Lake Arrowhead State Park near Wichita Falls has been approved, with state and federal agencies splitting the cost.

Two park projects totalling \$510,400 were approved for Dallas; as were a \$274,613 land acquisition for Denton park; a \$75,200 park land purchase in Pasadena and a \$51,200 new park purchase in Terrell.

SHORT SNORTS Construction of a million dollars worth of new ward buildings has been started at Rusk State Hospital.

After September 1, Texas Department of Public Safety law officer recruits must have a semester's college training or agree to get it within two years after enlistment.

Texas Parent-Teacher's Association board of managers went on record as opposing

CROWD-PLEASERS--Thrifty shoppers flocked to downtown Muleshoe where they sought bargains offered by a number of Muleshoe merchants Friday for the annual Sidewalk Sale. This annual presentation which kicks off the Fourth of July holidays

drew hundreds of shoppers to town where they browsed among the sales items up and down the streets. Clothing, linens, household goods, cosmetics, and numerous other items were on display in front of the stores for the shoppers.

BEAT THE HEAT PROBLEM BOTH WAYS

Let Reddy beat the heat problem this summer with electric air conditioning . . . and while you're at it do the job completely . . . put in modern electric heating and you'll beat the heating problem in the wintertime. It's wise to do both comfort jobs while

the installers are at your home. Makes sense that they can do both jobs — electric cooling and heating — in one trip. There'll be some money saving, too! The Electric Company manager can help you beat the heat problem at your home . . . call him this week!

ELECTRICITY . . . IT DOES SO MUCH GOOD FOR SO MANY PEOPLE!

CUSTOMER NUMBER 20,000—Mrs. Jewell Campbell of Olton smiles as she is personally served her steak by XIT Steakhouse Manager Don Barnes last Sunday. At 1 p.m. on Sunday, June 27, Mrs. Campbell was the 20,000th customer to be served in the steakhouse since it opened its doors on Monday, April 12. Barnes said the steakhouse has been open a total of 66 days since April 12.

District 4-H Show Lists Local Entries

The top 4-H horsemen in Bailey County will be vying for honors in the Extension District 2 4-H Horse Show at Tulia July 7 with hopes of qualifying for state competition.

Bailey County 4-H'ers who will be competing in the upcoming district show are Mitzi Bass, Terry Wheeler, Lavern Carpenter, Jole Carpenter, Curtis Carpenter, Bobby Henderson, Jimmy Henderson, Sherman Presley, Benny Floyd and Connie Floyd.

The district show will be held in the Cobb-Wheeler-Mote Arena east of Tulia, announces County Agricultural Agent J.K. Adams.

Judging of the halter classes will begin at 9:15 a.m. and will be followed by showmanship, Western pleasure, reining, pole bending and barrel racing, in that order. Registration of entries will begin at 8 a.m.

Judges for the halter and performance classes will be Billy Reagor of Stanton, Martin county agricultural agent, and John Trimier of Hale Center. Showmanship judges will be Ronald Gooch of Clarendon, Donley county agricultural agent, and Ed Garnett of Amarillo, Extension area farm management specialist.

Some 150 entries are expected from 4-H boys and girls in the 20 South Plains counties in the district.

The top 20 contestants from the district-wide show will be eligible to compete in the State 4-H Horse Show which will be held July 29-31 in the Will Rogers Coliseum in Fort Worth.

The Bobo Insurance Company Public Opinion award will be presented Monday, July 5, at 4 p.m. All adults have been asked to vote on their favorite picture while viewing the art display. The art association said children are not eligible to vote in the Public Opinion award.

The exhibit opened Thursday and will continue through Monday, July 5. Hours for today (Sunday) and Monday are 1 p.m.-5 p.m. on Sunday and 9 a.m.-5 p.m. on Monday.

The county agent's report included fleahoppers in light varied amounts in the area, but said he had seen no fleahoppers in Bailey County, even in older cotton.

It has been suggested that since fleahoppers are of greater concern when cotton begins to square, producers should check their fields carefully for fleahopper infestations during the period that cotton is squaring.

Corn leaf aphids in grain sorghum are high in some areas, although County Agent Adams said there seems to be very little problems as yet in this area. He added that constant checks are being made in grain sorghum fields in an effort to detect and check any possible infestations that occur.

Adams continued that browning of leaf tips from these aphids has been observed in Crosby County, but where moisture is adequate no economic damage has been observed. He said these insects provide a valuable food supply for beneficial insects. Although corn leaf aphids build to great numbers, seldom do they cause significant damage in grain sorghum and chemical control is generally not needed. Control of corn leaf aphids will result in elimination of beneficial species, such as lady bugs, commented the county agent.

Greenbug infestations for the most part remain light and scattered, said County Agent Adams, but some fields in Bailey and Lubbock Counties have sufficient greenbugs to produce visible honeydew. He said that area entomologists, who conduct the tests, have ruled that these fields appear to be the exception rather than the rule over most of the area at the same time.

The Bailey County infestation has been reported to be 0-17 greenbugs in one field, with no damage to red spots on two lower leaves of 50 percent of the plants.

Adams reported that at this time, he felt there was no concern where bug infestations are concerned, but suggested farmers keep a close watch on their crops for a buildup of bug infestations.

Highway Department Gives Driving Tips

AUSTIN -- The current drought conditions in Texas won't last forever and when the dry spell ends, many Texas motorists may find themselves involved in a wet-weather driving accident.

Wet-weather driving is different, and extensive research project conducted by the Texas Highway Department indicates. But is need not be as dangerous as the rash of accidents

that always seem to happen as soon as the rain starts to fall.

The Highway Department study points toward several actions the motorist can take for his own safety when driving in the rain:

- Slow down.
- Avoid sudden stops and driving maneuvers.
- Make sure tires are in good condition.

The tips are just plain common sense, but, unfortunately, not everyone uses common sense when it rains.

For example, the Highway Department researchers found that high speeds loom large among the factors involved in wet weather accidents.

Checks made by the research engineers indicated that the average motorist diminishes his normal dry pavement speed by only a few miles per hour in the rain.

But a slight decrease in speed will not provide a good margin of safety in rainy day driving. For one thing, it can take as much as four times more distance to stop on wet pavement than on dry.

Tires are another factor in wet-weather accidents that the driver can do something about.

The Highway Department studies, based on analysis of 500 wet weather accidents which occurred in a 10-county area of Central Texas, show that slick tires can be murder.

Researchers say thread depth of all four tires should be at least 2/32 of an inch. Any less, and there is real danger of skidding or hydroplaning.

Hydroplaning occurs when a thin film of water builds up between the pavement and the tire. When the tires do not have good contact with the

traveling surface, of course, the driver has no control over his car.

Through research, Highway Department engineers have found ways to improve curves; they have found ways to improve the cross section of the roadway so that water will drain faster; they have found ways to develop new skid-resistant surfacing material and many other improvements.

Still, it is up to the individual driver to do his part -- slow down, avoid sudden stops or maneuvers and make sure tires are in good condition.

Owen Jones' Vacation In The South

Mr. and Mrs. Owen Jones and Mike of Muleshoe, Tommy of Amarillo and Mr. and Mrs. Tony Jones, Kaci and Steve of Plainview returned Wednesday from a two week's vacation. They visited in Bowling Green, Kentucky with Jones' brother. While in Kentucky they visited Mammoth Cave, Lexington, Calumet Farms and Keenland. While there they also saw "My Old Kentucky Home". They went to Nashville, Tennessee where they attended the Grand Ole Opry, the Country Music Hall of Fame and the Hermitage, home of Andrew Jackson. They visited Abraham Lincoln's birthplace and on the way home stopped in Oklahoma City and toured the Cowboy Hall of Fame.

The meeting was called to order by the club leader June Vinson. The members then recited the TOPS pledge and sang the TOPS song. Tana Holmes read the minutes from the previous meeting. A salad supper was held in honor of the new six months

queen, Bobby Spurgeon. Runners-up were Mary Johnson, Ruth Miller, Paula Daniels, Lillie Baker, Ann Newman, Jewel White, Leta Hefner, Ona Berry and Jenny Mitchell.

Crowned queen for the month was Mary Johnson. First runner up was Ruth Miller and second runners-up were Lillie Baker and Anna McDonald.

Queen for the week was Myrtle Chambless. First runner-up was Candace Gable and second runners-up were Clara Crain, Becky Embry and Rose Sain. The meeting was adjourned with the singing of the good-night song.

4-H Dress Revue To Be In Chicago

Every young girl dreams of being a storybook princess with a prince charming gazing at her in admiration.

And 51 young ladies may bring their dreams to reality in Chicago later this year. Representing their home state and Puerto Rico, each will glide across the stage in self-created ensembles at the 1971 National 4-H Dress Revue sponsored by Simplicity Pattern Co. Inc.

The event climaxes a year's activity in which more than 35,000 4-H girls have participated in county and state dress revues conducted by the Cooperative Extension Service. Theme of the 1971 revue, sponsored by Simplicity for the 25th time, is Storybook Fashions. With a "Prince Charming" to open the gala event and a "Fairy Godmother" to introduce the winners and describe their ensembles, the Conrad Hilton ballroom will become a virtual dream castle. And the audience of loyal subjects will include more than 1,600 delegates to the 50th National 4-H Congress.

At the close of the 1971 National 4-H Dress Revue, six winners will be awarded \$700 scholarships. Selection of the scholarship recipients will be made on the basis of their 4-H records, leadership and work in the dress revue program.

During the National 4-H Congress, the 51 girls as guests of Simplicity Pattern Co. Inc., will be recognized at a special supper. They will also see a

YL 4-H Club Travels To Boy's Ranch

Reporter: Pam Vinson At 8:30 a.m. on June 30, members of the YL 4-H Club took a field trip to Boy's Ranch. There were 21 members and seven adults attending.

They were given a tour of the facilities by two of the Boy's Ranchers, Craig Ketcherside and Mike Cutshall. The group enjoyed eating a family style meal with the boys at the ranch.

Those attending were Karen and Kelly Head, Vowery, Danita and Belinda Throckmorton, Linda, Susan and David Head, Kathy and Terri Boren, Pam Vinson, Toby Tucker, Carlos Contreras, Gayla and Larry Hooten, Mark Shank, Ross McKillip, Paul Harbin, Kirk Lewis, Kathy Throckmorton and Shelly McGlaun.

preview of spring fashions and participate in tours and educational programs with other delegates.

Leading to this gala event, 4-H girls are expected to earn more than 26,000 medals of honor at county dress revues. The company, through the National 4-H Service Committee, also provides these awards and gives added support through assistance of its 4-H stylists and publications on modeling.

For information about the program and locally scheduled dress revues, contact Robin Taylor, Bailey County Home Demonstration Agent.

Grand Officers Attend Tea

The Line Officers Club of District 2, Section 3, Order of the Eastern Star, entertained the Area Grand Officers with a tea in the El Centro Room of City National Bank, Plainview, Sunday, June 27.

Attending from Muleshoe were: Mr. and Mrs. Wyle Bullock, Mrs. Frank Hinson, Mrs. Glenn Lust and Mrs. John Farley.

Mrs. Bullock is a member of Fraternal Visitation Committee and Mrs. Farley is a member of Membership Restoration Committee of the Grand Chapter of Texas, Order of the Eastern Star.

UNCLE SAM MONEY DOLL . . . Mrs. Jerry Hutton and Mrs. Mac Brown of the Epsilon Sigma Alpha Sorority are shown at the Sidewalk Sale Friday where they had a table set up to take donations for the Uncle Sam Money Doll that is to be given away July 5 at 9:00 p.m. at the football stadium. The doll with \$100 is a project sponsored by the Epsilon Chi chapter and donations are \$1.00.

SEPTEMBER BRIDE . . . Mr. and Mrs. Stan Barrett of Muleshoe announce the engagement and approaching marriage of their daughter, Lynne, to Kenneth Box, son of Mr. and Mrs. Fred Box of Borger. The couple will marry September 4, 1971, at 6:00 p.m. in the First United Methodist Church of Muleshoe with Rev. J. Frank Peery, pastor of the First United Methodist Church of Canyon officiating. The bride is a May 1971 graduate of West Texas State University where she was a member of Phi Gamma Nu National Sorority. The groom is a December 1970 graduate of West Texas State University and a member of Lambda Chi Alpha National Fraternity. He has served three years in the U. S. Army and is employed as a salesman at Crowe-Gulde Cement Company in Amarillo.

Everyone has a plan and all of them begin with getting someone else to do the work. It's surprising how most people, though uninformed, will talk authoritatively about any subject.

Miss Trenea Bryant, bride-elect of Derrell Matthews

Bridal Courtesy Honors Miss Bryant

Miss Trenea Bryant, bride-elect of Derrell Matthews, was honored with a bridal shower Wednesday morning, June 30, from 10:00 until 11:30 a.m. in the home of Mrs. Don Cihak. Receiving the guests were the honoree, her mother, Mrs. Don Bryant, the prospective groom's mother, Mrs. C.C. Matthews, Jr., Angela Matthews, sister of the groom, Terry Bryant and Stephanie Bryant, sisters of the bride elect.

Miss Pattie Camp registered the guest in the register book. The serving table was laid with yellow mums and baby's breath. A cooper and brass tea service with matching compote of fruit, assorted breads and coffee completed the table setting. Serving the guests were Miss Gayetta Gable and Miss Janet Ellis.

Hostesses for the shower included Mrs. Don Cihak, Mrs. Sam Damron, Mrs. Dick Ellis, Mrs. Clarence Christian, Mrs. Bob Harvey, Mrs. J.A. Nickels, Mrs. Claude Riley, Mrs. Sam McKinstry, Mrs. C.E. Moore, Mrs. Herbert Griffiths, Mrs. F.H. Gable and Mrs. Bill Jim St. Clair.

Hostess gift was an antique tea cart.

Mrs. Mozier Honored At Shower

Mrs. Hattie Jo Mozier was honored with a baby shower Tuesday night, June 29, in the home of Mrs. Pat Bennett. The serving table was centered with an arrangement of pink and white flowers and featured a white decorated cake. Hostesses for the occasion were members of the Lydia Sunday School Class of Trinity Baptist Church.

Those present included Mrs. Roy Baker, Mrs. John Harris, Mrs. Frankie Carpenter and Mrs. Pat Bennett.

A long time dream of a short-cut between Muleshoe and Portales is rapidly becoming a reality and what once was billed as only a "please don't rain" highway, may become an all-weather route before too long.

As a matter of fact, when New Mexico gets through with its portion of the road, the only unpaved portion will be a seven and a half mile strip on the Texas side of the line.

Miss Sherry Smith, 17 year old daughter of Mr. and Mrs. Leslie Smith, was crowned "Miss Muleshoe" at the Beauty Pageant held in the Muleshoe High School Auditorium.

Harold White, former city patrolman and highway patrolman, has been promoted to the

President To Visit Rebekahs

The State President of the Rebekah Assembly of Texas, Gertrude Whitney, will make her official visit to Districts 5, 8, and 9 at the Oddfellow Hall, 308 West Second Street Tuesday night, July 6, at 8:00 p.m.

District 8 is composed of the following lodges: Muleshoe, Number 114; Needmore, Number 160; Earth, Number 139; Morton, Number 39; Littlefield, Number 61; and Sunset, Number 333. District 5 is composed of Friona, Number 308; Dimmitt, Number 54; and Hereford, Number 228. District 9 includes Floydada, Number 77; Abernathy, Number 17; Petersburg, Number 238; Lockney, Number 259; and Plainview, Number 309.

Juanita Snow is the District 8 District Deputy President and Delle DeLoach is the Lodge Deputy.

Mrs. Whitney will speak to the group and her theme is "Reflect Happiness Through Achievement".

Everyone attending is asked to bring a salad for the dinner that will be served.

post of Chief of Police, according to city manager, Albert Field.

20 YEARS AGO
June 21, 1951

An earth tremor was felt in Muleshoe at 12:40 p.m. Wednesday, June 20, 1951. The reader might clip that statement out and preserve it to show his grandchildren or even to skeptical newcomers.

Apparently the tremor was felt in many parts of this section for a distinct tremor was reported at once by an Amarillo radio broadcasting station.

Marion F. Harris said the tremor was not only felt but was heard at his home on West Fifth Street. He said a door popped open, dishes rattled and that Mrs. Harris hollered. (Mr. Harris said this, not the Journal). A farmer whose name was not learned, but who lives west of town, telephoned the Journal to say he had felt the tremor.

Clifton Finley left Sunday for Dallas to report back for service with the U. S. Navy, in which he served four years during World War II. He is a member of the Reserve. Mrs. Finley and their little son, Neil, will remain here until he is permanently located.

During the last two and a half years he has been bookkeeping at the St. Clair Department and Variety Store in Muleshoe.

Grocery specials include: Gold Medal Flour, 85 cents for 10 pounds; beef roast, 72 cents a pound; lemonade, 16 cents a can; ground beef, 65 cents a pound; coffee, 85 cents a pound and fryers, 59 cents a pound.

Terrific property and crop damage resulted from the fierce storm which visited Muleshoe and vicinity Sunday night. Many buildings in Muleshoe and thousands of acres of cotton and wheat were wiped out. Sudan and Muleshoe seemed hardest hit in the two storms, one about

eight and the other about 11 p.m.

Muleshoe airport's hangar was blown away completely and the Cox Drive-In Theater was put out of business temporarily when the screen was blown down. Much damage was done at the theater.

Pieces from the hangar were found more than a mile beyond the theater and on the D. L. Morrison farm on the Friona highway. An airplane belonging to Earl Ladd and stored in the hangar was destroyed. Two sections of plate glass went out in the new Crow Chevrolet building and when the glass went the wind sucked sections of the ceiling down.

Tremendous crop damages occurred to the west, south and southeast of Muleshoe.

30 YEARS AGO
June 1941

The wheat harvest in this section of the state is on the verge of getting into full swing, since the fields are becoming dry enough for farmers to get their machinery into operation.

The first load of new crop wheat was received by the Rav

Griffiths Elevator at Muleshoe last week. The wheat was grown by Paul Lewis who resides near Earth and graded Number One, testing 60. The wheat was of the Red DarkHard variety and yielded around 20 bushels per acre.

Grocery specials this week include: oranges, one cent each; bananas, 4 1/2 cents per pound; flour, 48 pounds for \$1.63; English peas, two cans for 19 cents; coffee, 28 cents a pound or two pounds for 55 cents; bologna, 11 cents per pound; beef roast 16 cents a pound; steak, any cut, 23 cents a pound; peaches, 85 cents a bushel; and rib roast 15 cents a pound.

Two cases of typhoid fever have been reported in the Maple community.

Special training for national defense industries is being given to 12,644 Texans in an educational program designed to provide skilled workers in rapid order.

With Texas defense work constantly increasing, it is estimated that 17,500 additional skilled workmen will be needed in vital industries before another year has passed. The demand for shipbuilders is particularly strong in Texas. A total of 103 vessels are now under construction or on order in Texas shipyards at Beaumont, Orange and Houston.

In Fashion

A new shirt for men—which is reminiscent of days gone by—is one of wide stripes, in color, with a rather large white collar. Ties are worn, hampering with the stripes.

Wrap around dresses used to be confined to what we called Hoover aprons and were made of cottons but some of the newest summer dresses are now being fashioned as wrap arounds and are comfortable as well as attractive.

Tiny sleeves—some of them a mere ruffle—are favored by older women.

Texas Has Emerged As Industrial Power

AUSTIN, Tex. -- Texas emerged as an international industrial power at a recent "Invest in the U.S.A." conference in Munich, Germany through the efforts of Texas Industrial Commission officials.

Sponsored by the German Institute of Economic Affairs, the conference was prompted by a growing demand for expanding German industry to the United States.

After presenting the Texas industrial story at the meeting, Texas Industrial Commission Executive Director Jim Harwell

and Jim Havey, director of international trade, expressed satisfaction at the German industrialists' positive response.

"They are shying away from the Eastern seaboard because Texas has the ports, resources and growing room industry requires," Harwell said. "We are convinced that Texas is becoming a front-line international trade power."

At least 75 percent of the companies attending the conference indicated that they would

contact the Commission for specific information, Harwell said.

More than 200 West German and English industrial leaders attended conference sessions exploring U. S. investments, legal procedures, taxes and other corporate areas. In addition to state agencies, the U. S. Department of Commerce also cooperated with German experts in conducting the meet.

Export development came under conference scrutiny, and the Texas team assessed the

German market as "virtually wide open."

"The expanding German economy is ripe for importing Texas products," Harwell said. "Texas manufacturers are limited only by their vanity and ingenuity."

Harwell said a trade mission to cement West German industrial contacts has reached the drawing board. Similar Commission efforts in Mexico and Australia netted new industry for the state while expanding its export markets.

MEN WORKING

This is the sign that should be lifted high in our beloved country — "Men Working." Men working with all they have and are, for a country that must show the world how to live in brotherhood and love and peace under God.

Let us resolve to dedicate anew our lives and our talents to our country and our God when we attend church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Amistad Has At Least 23 Fish Species

DEL RIO--Amistad Reservoir on the Texas-Mexico border has at least 23 species of freshwater fish, according to George Henderson, a project leader for the Texas Fish and Wildlife Department.

Of this number, at least half are of some interest to anglers, and the fish populations has been bolstered by periodic large releases of fingerlings and fry from Texas fish hatcheries.

Some of the more popular fish are drum, crappie, largemouth bass, white bass, channel, flathead and blue catfish and several types of sunfish. The Rio Grande perch is a species interesting to the fly fisherman.

We certainly do appreciate all of you who have called inquiring about our Youth Employment Service. We have placed a number of our youth this past week and we feel a big lot of the credit goes to KMUL and the Muleshoe Journal for the good coverage we have received. We still have a good number of students wanting summer jobs and encourage you to call us if you have work for them.

We would like to thank the FHA girls and Girl Scouts for going on the booster trips, and the First Baptist Church for the use of their bus; also the City of Muleshoe and Bailey County for taking Law Enforcement vehicles. Those businesses represented during the Harvey Bass Appliance, Bailey County Electric, KMUL Radio and Black Insurance. We especially thank Rev. Doug Dubose for driving the bus both days. We are all looking forward to the Fourth of July this coming Monday and we will have more to say about it next week.

In my last column I omitted a paragraph of the music workers in United Methodist Vacation school and I surely want to include these girls as their job was an important one in providing songs and relaxers which the little ones especially enjoy. LeAnn and Susan Farley, Rita Davis, Connie McDonald and Olean Seaton were the music department workers.

Miss Leatrice Gallman is the new youth director of the summer activities at Muleshoe's United Methodist Church.

FHA girls attending the officers workshop held on the campus of Texas Tech for two days were: Arelia Mosely, Rhonda Treider, Mary Longoria, Cassandra and Karen Cargile, Jeane McGehee, Cynthia Johns and Debbie Engelking. Chapter Mothers Tommie McGehee and Marilyn Engelking and advisor Audrian Martin accompanied the girls.

The standing ovation the girls gave Dean Willa Vaughn Linsley, along with flowers and a nice charm, was especially touching. Dean Linsley retires in August from her position as head of

the Home Ec. department at Tech and has given many years of dedicated service to FHA and Young Homemakers Clubs in this area.

While on the campus at Tech, Tommie and I enjoyed visiting with Dale Blackstone who was on a coke break from his part-time job in the greenhouse. Dale is a senior horticulture major at Tech and it is so good to see him doing well in the thing he always excelled. When his parents, the Harvey Blackstones lived in this community their yard was a thing of beauty and

I understand Dale was most responsible for the lovely, giant blossoms on various varieties of flowers. This indeed takes a special touch in this climate where the elements can be so cruel. (As for me, I'm having trouble with my "Punch'n Gro" Kit!!)

Baptist Vacation Bible school started Wednesday, June 30 with an enrollment of 96. Director Mrs. Billy Weir announces her state of workers as following: Nursery; Mrs. Orville Burnett, Laura Barnett, Jeanne Morris and Paula Tarter: Pre-school

II; Mrs. Sam Bradley, Mrs. Keith Menefee, and Mrs. Roger White; Pre-School III; Mrs. Wayne Hardage, Mrs. Dud Winters, Mrs. Vivian Ham and Mrs. Gary Wood; Children's I (1 and 2 grades); Mrs. Dale Cain, Mrs. Buddy Brock, Mrs. Gary Hicks and Rhonda Treider, Children's II (grades 3-4); Mrs. Dan Smith, Mrs. Bob Jones, Mrs. Scotty Windham, Mrs. Gene Paul Jarmon and Raygena Treider, Children's III (grades 5-6); Mrs. Jerry Smith, Mrs. Jerry Glover, Mrs. Gary Wood, Mrs. Ray Precure and

Marilyn Fred. Serving on the refreshment committee were: Mrs. Juel Treider, Mrs. Gene Smith, Mrs. Kenneth Cox, Mrs. J.T. Mayfield, Mrs. Glen Scott and Mrs. Artis Ivy.

Church secretary, Mrs. Ted Treider and Pastor Rev. Dale Cain are also assisting in the school which will continue until the ninth of July.

Beginning Monday July fifth, youth directors Mr. and Mrs. Gary Wood will sponsor teen time, nightly at 8:30 and will also conclude Friday, July nine-

th. Hillcrest Park and Zoo in Clovis was the scene of a recent outing of the Junior High Sunday School class of United Methodist. Those enjoying the weiner roast, watermelon feast were members Danny Howard, Robert Oglesby, Danny Hill, Davey Engelking, LeAnn and Susan Farley, Connie McDonald and guests Jimmy Robinson and Mark Foster. The kids were accompanied by teacher, Mrs. Richard Engelking and parent, Mrs. Roy Farley.
