"Looks like we'll need a new budget," she said, stricing to speak lightly

confided the moment they were done. And then, as she saw the the tactlessness of her remark.

It was just as she feared. Berling the tactlessness of her remark.

It was just as she feared. Berling to the tactlessness of her remark.

It was just as she feared. Berling to the tactlessness of her remark.

It was just as she feared. Berling to the cost of the party down against the emergency fund and Bertie Lou said she would try to make it up from her house.

tie Lou admitted the fact as lay staring out of the open window at the street lamp on the corner. It made the room too bright.

"But if I pull down the shade there won't be any air," she reflected. Sleep was impossible any leaves the latter she sal perplexedly poring over an account book and a bank statement. Something was decidedly wrong. Rad would find it at once, but she hattend World's Fairs and expositions to keep up with world progress. Below the known of the open window at the street lamp on the corner. It made the room too bright.

"But if I pull down the shade there won't be any air," she reflected. Sleep was impossible any died.

Marcella's remark kept her awake. It proved to Bertie Lou that everyone was aware of the situation that troubled her. That Lila wasn't to be invited to a surprise party for her former sweetheart and his bride could have been taken for granted. But that it was considered best to keep her in ignorance of the affair revealed the town's knewledge of her still active interest in Rid.

Marcella's tactless admission confirmed the fear that Bertie Lou

dled.

The appropriation for entertainment to include recreation, emergency, education, travel, and even the dentist's small slice of their round dollar system.

Bertie Lou was in despair when Rod came home. She'd even forgotten to start dinner. She heard him come up the stairs time at a time, as he always did. She jumped to her feet, scattering thickly scribbled sheets of paper to the floor.

purposely "gave Lila the slip."

CHAPTER VI

Rod slipped out as soon as he could get away. When he returned he was loaded with enough liverwurst, cheese and other readylarmy. Marcella came out to the kitchen to help Bertie Lou.

"We gave Lila the slip." she confided the moment they were alone. And then, as she saw the lights."

over, he'd been practically forced to buy some Scotch.

"Tony" had been planted at the back door. He could see that now. Certainly he hadn't sent for a bootlegger. Well, it had worked. The gang had made a night of it.

"But that's the last show of that kind in my house," he promised himself virtuously. "No more wild parties. It's us for the Heights."

over, he'd been practically forced to buy some Scotch.

"Tony" had been planted at the back door. He could see that now. Certainly he hadn't sent for a bootlegger. Well, it had worked. The weight of the budget remained on her mind until they entered the Arlington Flotel and saw the Frasers waiting for them in the lobby. But it was forgotten the instant she saw who was with them.

The Co-Ed.

The Daughter. "Perhaps, Dad, I could learn the value of money, if—"
