

MANY REMEMBER when the Roof Garden of the Connellee Hotel was the sparkling jewel of the Eastland social scene. It's the Village now and the Roof Garden hasn't been used in quite awhile...But we're making up for lost time. Almost daily, it's the scene for beautiful and graceful ladies and gallant, handsome gentlemen, whirling to the various stages of ballet instruction, or spinning and tumbling in body - building gymnastic exercises. That hardwood floor is alive again.

The man with the magic wand is the talented Dance Master Ross Hancock, who picked Eastland recently to open his dance studio and the response proves that he certainly made the right choice. Youngsters from throughout this area are flocking to the classes and the lobby, the elevator and the top floor vibrate with youth in motion. Sore muscles and disciplining bodies are learning fast as only youth can. Let's not, as parents, be too quick to ask for recitals and demonstrations (as most invariably do), but let's all tell Ross we're glad he's in Eastland, and that we're ready when he and his classes are.

YOU'RE RIGHT: The city needs money, but not that bad. The new minimum water rate, of course, should have been \$4.00. (that's four dollars). Our proof reader is still wondering if she's going to have to pay "\$4,000" as printed.

Mrs. Waverly Massengale, who has been living in Eastland since her husband's recent death, was invited to attend a Lions Club meeting in Colorado City this past Monday - and was much surprised when she learned the purpose of the meeting.

Kindergarten To Open October 8th

Mr. and Mrs. Massengale have been living in Colorado City at the time of his death, and he was Tail Twister of the Lions Club there.

The club presented Mrs. Massengale a beautiful plaque at the Monday night meeting, in memory of Mr. Massengale. Club President Dennis Wright made the presentation.

The program was given by Jim Kelley, brother of Eastland's Mrs. Austin McCloud, who showed slides and told of his experimental fish farm in operation.

The plaque reads as follows:

"In Memory
Presented to
Juanita Massengale
In honor and
memory of
Waverly Massengale
while serving with outstanding leadership, vigor and ability for the distinguished and meritorious service given to the club.

Colorado City
Evening Lions Club
Jan. 24, 1968 to July 2, 1973.

Guests over the weekend in the home of Mrs. Nora Stiles Wilkinson were Mr. and Mrs. Earl Mayre of Coleman and a nephew, Mr. and Mrs. Truett Fulcher of Slayton.

Shrubs Planted At Library

Mrs. Dan Childress accepts the gift of two Yupon and four Junipers from the Eastland Civic League to the Centennial Library. The shrubs were planted and potting materials furnished by Poe Floral.

community wishing to purchase them, as part of the club's beautification project. Orders may be placed through Mrs. E.A. Connel or any Civic League officer. The Eastland Boy Scouts have offered to plant the trees and shrubs for anyone unable to do so.

AMY AT THE COWHEAD GATE...

The R.G. Hollowells of 9928 Knoll Krest, Dallas, Texas, have a cabin at Staff on Lake Leon. They have four children, Glen 12; Marta 14, Amy 9, and Gary 8. They spend most weekends at Lake Leon fishing, swimming and skiing.

This short poem was written by Amy:
LAKE LEON
Hey, Lake Leon here I come,
Right back where I started from.
Where boats, and cabins are all over the place.
Each morning at dawning no one ever has a sad face.
Sun kissed misses won't be late.
That's why I can't hardly wait.
Open up that cowhead gate,
Lake Leon here I come.

Mrs. Hollowell (Margaret) is the daughter of Mrs. Leon Bourland of 413 South Seaman, Eastland, Texas. The Hollowells had twenty-eight girl scouts from Dallas as their guests at Lake Leon this weekend.

WARNS OF PECAN WEEVIL DAMAGE

Pecan producers in Eastland County are urged to check groves for damaging infestations of the pecan weevil. Emergence of adult weevils has been on the increase in recent days. Pecans are changing in physiological development from the water to the dough stage. The nut must be in the dough stage before the immature stage of the weevil can develop. Feeding punctures before dough development will result in developing pecans falling from the tree.

County Extension Agent, DeMarquis Gordon, indicated the pecan weevil is a large weevil being brownish in color

and about three-eighths of an inch in length. Males are somewhat smaller in size than females. Pecan weevils have a beak about as long as its body.

Adult feeding is done prior to hardening of the nut shell. After nut kernels have hardened, the female chews a hole in the shell and deposits her eggs in little pockets in the nut. The legless grub feeds from three to six weeks. When the grub reaches maturity, they chew a hole about one-eighth inch in diameter in the shell and emerge from the nut and overwinter in the ground. Early maturing varieties may be more severely attacked than later developing varieties.

Siebert To Be Sworn In

Michael Lee Siebert will be sworn in as Attorney at Law Monday, Sept. 24, at 4:00 p.m. in the 91st District Court room by Judge Cecil C. Collings, retired, of the 11th Court of Civil Appeals. Judge Earl Conner will preside.

Attorney Siebert is the son of Mr. and Mrs. Wendell Siebert. He is a graduate of Eastland High School. He is associated with the Eastland law firm of Seaberry and Warford in the Exchange Building.

The public is invited to attend the official swearing-in ceremony Monday.

Reception Honors Mrs. Black

A reception honoring Mrs. J.L. (Mary) Black on her 95th birthday will be held Sunday, Sept. 23 from 2-4 p.m. at Valley View Lodge in Eastland.

The reception will be hosted by her children and families. No presents please just your presence. All friends and relatives are invited to attend.

Eastland Bows To De Leon 34 - 29

By Steve Haines
The Mighty Mavericks fell to the DeLeon Bearcats Friday night by a close margin of 34-29, in without a doubt, the most exciting game fans have seen so far this year.

The Mavericks, into the game with some injuries, had most of their regular starters back and ready to play. But against the Bearcats massive front line the Mavericks fought a nip and tuck ball game.

The Mavericks won the toss of the coin and elected to receive. DeLeon kicked to the Mavericks' 35 yard line. After three plays Eastland was unable to move the ball so Terry Ensor punted. But on the snap the ball was fumbled and DeLeon recovered on the Eastland 32 yard line.

On DeLeon's first play Smith threw a pass to Wilverson for the Bearcats' first touchdown. After the extra point attempt was good, this made the score DeLeon 7, Eastland 0 at the end of the first minute and half of play.

The Bearcats kicked to the Mavs 29 yard line. From there the Mavs tried to move the ball but after three plays gave the ball to DeLeon.

The Bearcats finally washed the ball down to the Eastland 28. There they tried a field goal which was no good.

The Mavericks' took possession of the ball on their 20 yard line. On the second down Ensor handed off to Tony Thomas and Thomas ran for an 80 yard touchdown - the longest run so far in the night. After the extra point by Tom Morren the teams were tied up 7-7.

Following Thomas' 80 yard touchdown run which left the Maverick crowd breathless, Morren kicked to the DeLeon 22. After three successive downs the Bearcats were forced to punt. Tate punted to the Eastland 5 yard line where B.W. Robertson took the ball for a 95 yard run for another Eastland touchdown. On the play there were several flags thrown so the Bearcats kicked over. It was kicked to the Eastland 16 yard line.

After three downs for the Mavs and a gain of eight yards, Ensor's punting to the Bearcats was blocked and Bearcats recovered on the Mavericks 1 yard line.

On first and 10 for DeLeon Smith ran in for the Bearcats' second touchdown on the keeper play. The extra point kick was good and the score at the end of the first quarter stood at DeLeon 14, Eastland 7.

DeLeon's kick to the Mavs left the red and black on their own 38 where after three downs the Mavericks were left with a punting situation, but Ensor punt is once again blocked by the Bearcats and so 1 left the Bearcats with a first and 10 on the Eastland 39.

Punt, Pass And Kick Saturday 29

The Annual Punt, Pass and Kick Competition sponsored by Ford Motor Co. and King Motor Co. of Eastland will be held Saturday, Sept. 29, at Maverick Stadium in Eastland, Chairman Russell Walker reports.

All boys between the ages of eight and 12 from the Eastland, Ranger, Olden and Carbon areas are invited to participate. Trophies will be awarded and winners will advance in the national competition.

Entry forms may be found in this newspaper or secured at King Motor Co. These should be filled out in advance and may be brought to the stadium on the day of the contest, Mr. Walker said.

Start-up time will be 10 a.m. There is no entry fee. A Ford representative will assist in staging the competition in Eastland.

The final score Eastland 29, DeLeon 34.

Outstanding players for the Mavericks were Ensor, Gary Wheat, Thomas, M Morren, John Marshall, Ralph Underwood, Doug Allmond, David Baze, John Hart, Robinson and Brent Parker.

Eastland will play Olney there next week at 8:00 p.m.

FULLEN MOTOR CO. Laugh A Day

"A certain grandma was so delighted when she heard that her grandchildren were coming for a visit that she gave \$5 to the church. The following Sunday, after the children had left, she gave \$10."

The First Christian Church (Disciples of Christ), 215 S. Lamar, extends an invitation to the public to attend the service of dedication and open house of their newly remodeled parsonage on Sunday, Sept. 23. Worship will begin at 5:00 p.m. in the sanctuary followed by fellowship and refreshments in the parsonage.

WE INVITE YOU TO SHARE WITH US

STEVEN M. CHURCH, MINISTER

Kickoff Is Tuesday

Aiming higher and higher! That's the Eastland United Fund way. Budget for the new year, established by the Screening Committee, is for a \$550 increase over last year's very successful drive, and achieving a new total of \$9,425.

September 25 to October 16 are the dates set aside for the United Fund Drive as Eastland joins some 88 other Texas communities in launching annual fall campaigns to raise funds to help others. A giant, joint meeting of the Lions, Rotary, and Jaycees will be held at the Ramada Inn on noon on September 25.

Emmett Lasater, last year's highly successful drive chairman, was elected president of this year's Eastland United Fund. Gene Johnson is vice president and Richard Watson is secretary-treasurer. James Reid, who has counted the United Fund treasury for many years, will assist as assistant.

E.A. Connel has been named Drive Chairman for 1973 and will be assisted by Doug Underwood.

New directors for the coming year are Jim Wright, James Fullen, Doug Underwood, Jerry Mathews, Emory Walton, Lynn Gibson, E.A. Connel, Wade Freeman. Hold-over directors are John Russell, Richard Rossander, D.L. May, Emmett Lasater, Richard Watson, Neiman Smith, Gene Johnson and David Martin.

The 1972 budget was \$8,875 and the drive resulted in a \$12,055 victory, for \$3.54 per capita giving. The goal for 1971 resulted 102.7 percent effort.

This year's goal has been set at \$9,425.00. The following 1973 budget has been announced: Camp Fire Girls \$200; Teenage League \$100.00; Boy Scouts \$1500, an increase of \$100 over last year; Salvation Army \$775; Muscular Dystrophy \$450; Red Cross \$1,000; U.S.O. \$200; Little League \$1300, an increase of \$200 over last year; Birth Defects and Arthritis \$100; Cancer \$100; Heart \$100; Texas United Fund \$50.00; Eastland Welfare Association \$500; West Texas Rehabilitation Center \$1400, an increase of \$1100 over last year; Local Contingency Fund \$100, a decrease of \$200 from last year; Girls' Softball \$500; and Campaign Expenses \$50, a decrease of \$150 from last year.

H.S.D.A. Food Stamp Explained

Teaching local Food Stamp recipients "how to make the most of their stamps" was the object of a two-day meeting at Temple this last week attended by Mrs. Janet Thomas and Arleen Hawkins, Eastland County Extension Agents. More than 30 county Extension agents from throughout the area heard Federal and State government agency representatives discuss food buying and nutrition, according to Mrs. Thomas.

Representatives from the U.S. Department of Agriculture's Food and

Nutrition Service explained how food stamp recipients can buy the nutritious foods necessary for a balanced diet without having to supplement their food stamp allotments.

A Texas Department of Public Welfare representative told agents how the food stamp program is administered in Texas and outlined its operation as well as the requirements for obtaining food stamps.

Foods and nutrition specialists with the Texas Agricultural Extension Service, Texas A&M University System, detailed food buying principles and demonstrated preparation of nutritious, low cost foods.

Efforts to convert all counties from a commodity food distribution program to the Food Stamp program were begun in Texas more than a year ago and will be completed

during the last part of this year. "The educational phase - subject of the two day meeting - is designed to help limited income people utilize resources," Mrs. Thomas explained. "Extension and the other agencies are cooperating in this program to avoid duplicating efforts between various government agencies at both state and national levels," the agent added.

HD NEWS
By Janet Thomas County
Home Demonstration Agent

Over 800 Home Demonstration members from Texas attended the Annual Texas Home Demonstration Association state meeting in Waco this week. Eastland County was represented by Mrs. Bernard Campbell of Carbon; Mrs. Zelma Lusk of Eastland as voting delegates.

Also attending were Mrs. H.E. Hartsell, of Morton Valley, Mrs. Ellen Reddick and Mrs. Guy Sherrill of Eastland, and the local extension agents.

Home Demonstration Club program "Housing for Retirement Living" will be presented to H.D. Club

program leaders on Monday, Sept. 24th at 2 p.m. in Eastland National Bank Civic Room. H.D. Club program leaders will present the program to clubs during October.

Goodies "like Grandma used to make" will be available at the Senior Citizen's Fall Bazaar on October 18 - 19 - 20 because thankfully there are still grandmothers who make them - and Grandpas too!

Quilts, afghans, sweaters, oil paintings, stuffed toys are among the hundreds of items that will be on sale in the Senior Citizen Bazaar building (old Majestic Cafe building) south side of square in Eastland.

Any person 60 years of age or older may enter their handmade articles. The Bazaar is sponsored in order to "recognize the talents and abilities of senior citizens and to provide them with the opportunity of displaying and selling things they have made. All proceeds from sales are

Sunday, September 23, 1973

returned to the men and women whose products have been bought.

Pepper and Pear Relish
3 qts. coarsely ground bell pepper and hot pepper
5 qts coarsely ground pears
3 cups sugar
1 qt. vinegar
5 tablespoons salt
2 tablespoons turmeric powder
2 tablespoons black pepper
2 tablespoons dry mustard
1 tablespoon allspice
Combine peppers, pears, vinegar and seasoning. Cook over slow heat until pears are tender. Fill sterilized jars with boiling hot relish. Seal, place jars in hot water bath and simmer 5 minutes.

Mrs. Vivian Blair, Aging Specialist for the Texas Agricultural Extension Service, Texas A&M University

will speak to a representative group of interested citizens from Eastland County on Wednesday, Sept. 26 at 2 p.m. in the Eastland National Bank Civic Room.

Mrs. Blair is a dynamic person and known throughout Texas for her work with county aging committees. Mrs. Blair's program will highlight ways individuals and organizations can better help the elderly person through services and projects.

STATE 4 - H DRESS REVUE

Arleen Hawkins

Dallas again will host the annual State 4 - H Dress Revue as 47 Texas county models today's fashions and compete for honors October 4 - 6.

Miss Joann Green, member of the Cisco 4 - H Club and daughter of Mr. and Mrs. F. Alfred Green of Cisco, will represent Eastland County in the event.

The statewide competition is held in conjunction with the State Fair of Texas and is a feature of Rural Youth Day at the fair.

Three top winners and runners up will be announced during a press luncheon October 5 at 2:00 p.m. in the Baker Hotel Texas Room after a morning of judging events.

Mass media representatives from throughout the state are expected to attend the luncheon sponsored by the Fuller Foundation, Inc. and Celanese Fiber Marketing Co.

The 47 finalists, including the top winners, will model their fashions in a public showing at 10 a.m. and 11 a.m. the next morning at the Women's Building Auditorium on the State Fair grounds.

Top overall winner of the state revue will represent Texas at the National 4 - H Club Congress Nov. 25 - 29 in Chicago.

In the wool division, the top two winners will receive bonds from the Texas Sheep and Goat Raisers' Association.

In the cotton division, the top two winners will win cash awards from the Texas Cottonseed Crushers Association.

To compete at the state level, all 47 finalists took top honors in county and district competition across Texas last spring. They represent more than 17,000 4 - H youth now enrolled in clothing projects.

The contestants will be judged on the overall appearance of the garment, suitability of fabric, style and color for the individual, as well as accessory choices and poise.

This will be Ms. Green's second year to compete in the State 4 - H Dress Revue. She was selected as a finalist in last year's competition. Ms. Green will accompany three other winners from District 8 to the State event.

Sponsored by the Texas Agricultural Extension

The Light Touch
By Clint Bray
When you're young, you think money is the most important thing in life. When you're middle-aged, you're sure of it.
Unemployment is just a rumor circulated by a lot of people out of work.
Experience is what you have left after you've pulled the boner.
Have you noticed how every time you make your mark in the world, the tax man comes along with an eraser?
Our friend is trying to think of a winter vacation less expensive than last year's. Last year he stayed home.

Gordon Spot

by DeMarquis Gordon

Leaf drop of oak trees has been a problem all over Eastland County this summer. Usually the falling leaves have small spots on them.

We mailed several samples of these leaves to disease and insect specialists. It has been difficult for them to find the cause of the problem. They have found some mildew spores on the leaves.

Dr. Thomas Lee, Extension Plant Pathologist, suggests that homeowners spray their trees with Maneb, a fungicide to help reduce leaf shed. If insects seem to be a problem, you might add Malathion or Diazinon to the spray solution.

The old complaint that you cannot have shade trees and an attractive lawn is not necessarily true. The keys to maintaining both a good lawn and good shade trees are adequate moisture, soil fertility and proper pruning.

provide the light and ventilation needed for the growth of healthy - disease - resistant turf and plants. Even St. Augustine, our most shade tolerant grass needs some light, which can be provided by judicious pruning to open up heavy canopies and by removing some low hanging branches.

Careful pruning, as well as the removal of a few unnecessary trees or shrubs, will also improve air circulation and help eliminate conditions to the spread of disease.

As far as moisture and fertility are concerned, it is usually the shallow rooted "surface feeders" that cause most of the problems with lawns. Siberian elm, hackberry, silver or soft maple, and willow, all planted for quick shade, are the worst offenders. These plants compete with the lawn for soil nutrients and in late summer and fall use enormous quantities of water at

the expense of the lawn. We suggest thinning or even replacing these shallow-rooted trees with better species where lawn maintenance has become a problem. Where the lawn and trees must compete, additional water and fertilizer should be provided.

A glimpse at one of Texas' historic ranches and latest research findings on brush and weed control will highlight the 1973 Statewide Brush Control and Range Improvement Field Day at Vernon on Thursday, Oct. 4, 1973.

A tour of major brush control work at the half-million acre W.T. Waggoner Ranch south of Vernon will be one phase of the day-long event.

The field day, held on a rotating basis across the state's vast rangeland area, serves as a report to ranchmen on the newest brush and weed control recommendations, regulations and a research-in-progress report.

The Waggoner Ranch tour by air-conditioned busses will depart from Wilbarger Memorial Auditorium in Vernon at 8 a.m. (full tour) and 9:30 a.m. (short tour).

After a Dutch treat luncheon, developments in brush control research will be covered in a 1:30 to 3:30 p.m. confab at the auditorium, including a ran-

Retired Civil Service Employees To Meet Sept. 24.

Retired Civil Service Employees in this area are invited to attend a dinner meeting at the Ramada Inn in Eastland Monday night, Sept. 24th at 7 p.m.

The program for this meeting will be presented by William Tully of Ranger, a retiree of the Department of Interior. The Bonneville Power Administration has furnished him one of their 30 minute color

chman's panel. Waggoner Ranch's brush control work includes spraying 25,000 to 35,000 acres with herbicides annually, plus root plowing, chaining and grass reseeding. There will be no charge for the 50-mile tour. About 600 people are expected.

The ranch is not generally open to the public, and field day participants will have a rare opportunity indeed to view effective brush control on a truly grand scale.

Pecan Producers Urged To Check Groves

Pecan producers in Eastland County are urged to check groves for damaging infestations of the pecan weevil. Emergence of adult weevils has been on the increase in recent days. Pecans are changing in physiological development from the water to the dough stage. The nut must be in the dough stage before the immature stage of the weevil can develop. Feeding punctures before dough development will result in developing pecans falling from the tree.

County Extension Agent, DeMarquis Gordon, indicated the pecan weevil is a large weevil being brownish in color and about three-eighths of an inch in length. Males are somewhat smaller in size than females. Pecan weevils have a beak about as long as its body.

Adult feeding is done prior to hardening of the nut shell. After nut kernels have hardened, the female chews a hole in the shell and deposits her eggs in little pockets in the nut. The legless grub feeds from three to six weeks. When the grub reaches maturity, they chew a hole about one-eighth inch in diameter in the shell and emerge from the nut and overwinter in the ground. Early maturing varieties may be more severely attacked than later developing varieties.

movies "The World Behind Your Light Switch". It tells the story of how B.P.A. builds, operates, and maintains some 11,000 miles of high voltage transmission lines "to make sure the power is there when you flick your light switch". Set against the breathtaking scenery of the Pacific Northwest, the film shows sequences of repairing damage caused by nature and by man. It takes the viewer into B.P.A. Control Center, up mountains by Snow-Cat and snowshoe, and across awesome terrain by helicopter patrol.

A member of the National Association of Retired Federal Employees (NARFE) the Eastland chapter has just recently been organized.

A special invitation is extended to Rising Star area retirees to come have dinner, hear a report on pending legislation for retirees, and meet other former Federal employees. For information about the meeting, or organization, Rising Star members to contact are Lessie Smith, Cliffogene Witt or Rex Hudson.

Eastland County Hay Show To Be Tuesday

Eastland County hay producers and stockmen are urged to attend the first Eastland County Hay Show next Tuesday, Sept. 25. The hay show will be held at the County Livestock Show barn at 10:00 a.m. Thirty-four hay entries will be classified by the judge, A.C. Novosad, Extension hay and pasture specialist from Texas A&M.

Novosad will discuss the characteristics of high quality hay, the factors effecting hay quality which the producer can partially control, and forage analysis as a guide to hay quality.

The hay show and meeting is being planned by the Eastland County Rural Development Committee and sponsored by county agri-business stores. The stores have paid the cost of getting all the hay samples tested for protein analysis.

Hay harvesting equipment will be on display at the show. The committee says the entire family is welcome to attend. The meeting will be over about 11:30 a.m. so that stockmen will have plenty of time to attend the Eastland livestock sale.

The hay crop in Eastland County is valued at \$800,000 annually the committee says. The purpose of the hay show and meeting is to encourage the production of better quality hay and provide information on forage quality.

County 4-H Meeting Held September 18

A joint meeting of the Eastland County 4-H Junior Leaders' Association and Adult Leaders' Association was held Tuesday night, Sept. 18, in the Farm Bureau Meeting Room in Eastland.

Dr. Bill Jackson, area 4-H and Youth specialist of the Texas Agricultural Extension Service presented the program on "Opportunities and Responsibilities of Adult and Junior 4-H Leaders". Dr. Jackson discussed the different types of 4-H Club organizations and the many opportunities available to 4-H youth of which they are not aware. He added that it is the responsibility of 4-H Leaders to keep members informed of these opportunities. Dr. Jackson also discussed the responsibilities of teen 4-H Leaders to younger 4-H youth.

Following Dr. Jackson's presentation, a discussion period was held in which those present were able to have questions answered by the specialist.

Ginger Whitacre, 19, of Stephenville, 1973 Texas State Peanut Queen waves to admirers during last Saturday's Peanut Bowl Game Parade. Miss Whitacre also shared spotlight during Saturday night's football game between Ranger and Cisco Jr. College Annual Bowl game which was won by Ranger 22-2. (Photo by James Dabney)

State Fair Opens Oct. 6-21

All roads lead to the State Fair in Oct. 6-21, at the "World Gateways Exposition". One of the main thoroughfares will open to enchanting vistas in the Women's Department.

At the entrance to the Department a mini-stage will be set up as a special spot where American Indians will demonstrate various crafts of weaving, pottery work, beading, basketry, jewelry making, leather tooling, and silversmithing. They will also be presented in tribal, ritual, and ceremonial dances.

Along the pathway will be displays of jewel-like jams and jellies, a kaleidoscope of patchwork quilts, exhibits of ceramics, a cruet collection, paintings, a miscellaneous assortment of handwork for the viewing pleasure of the Fair crowd.

The Cyclorama Stage will be both a rest stop and a destination where free programs and demonstrations of all forms of dance art will entertain those who love to watch the gliding grace of a waltz or the explosive tempo of the Spanish flamenco.

Traffic will pile up at the daily free fashion shows which will mingle songs, choreography of foreign lands and continental decor with "Texas Fashions International" to carry out the Fair's global theme.

Special events will be traditional contests of bread baking and cake making, candy and cookies, chili and pies to display culinary skills of contestants.

Sewing contests for teenagers and their moms or dads will discover fresh talent

Hold Capping Ceremonies October 4

Cisco Junior College's School of Vocational Nursing will hold capping ceremonies for its tenth class on Thursday evening, October 4, at the Corral Room of the CJC Hotel Annex at 7:30 p.m. The public is invited to attend, according to Mrs. May Dell Bahr, R.N., who is nursing instructor for the college.

Fifteen ladies make up the class of Licensed Vocational Nursing candidates, and all will receive caps at the October 4 program. They are: Regina Hallmark, Hilda Bocanegra, Vicki Ewing, Debbie Jammer, Becki Wright, Jo Ellen Blackwell, Dolores Vinson, Julie Alford, Helen Bates, Hazel Damron, Angus Rushing, Mary Holly, Barbara Alexander, Johnnie Gray, and Vicki Squires.

Invocation for the program will be given by Audy Moore, minister of the Cross Plains Church of Christ. It will be followed by a vocal solo by Becki Wright, accompanied by Mary Holly, Debbie Jammer, president of the class, will welcome guests and introduce the speaker, who will be Dr. H.L. Gohlke of Ranger.

Following Dr. Gohlke's address Mrs. Mary Williams will point out the significance of the caps, after which will follow the capping ceremony itself. It will be administered by the nursing instructor, Mrs. Bahr. Gary Adams, director of the Biblical Studies Center at CJC, will give the benediction.

in the needle and thimble department.

If you can blow a bigger bubblegum bubble, tap a faster pumpkin, trim a prettier Christmas tree, or just own a crop of freckles, here's your chance for fame and fun.

"Gateway to the Arts" will show a clock maker making a clock, a portrait painter painting a portrait, and a metal sculptor sculpting metal.

Parks And Wildlife Department Dove Banding Study

AUSTIN -- With a few exceptions, mourning doves are pretty much home bodies, according to results of a Texas Parks and Wildlife Department banding study.

The department and private individuals banded 51,095 doves between 1925 and 1965 and have recovered 1,734 bands from birds marked in Texas, according to a recent article in TEXAS PARKS & WILDLIFE magazine.

Department biologists say that 85 percent of the birds were recovered in Texas, and

the majority of these recoveries were made in the same ecological region where the birds were banded.

Because 63 percent of the recoveries from winter-banded adults were made during the following hunting season in the same region of the banding, biologists believe that adult doves return to the same wintering area year after year. A portion of the population could be there year-round.

More than two-thirds of the recoveries from nestling and juvenile mourning doves

banded in summer were taken the following fall within the same ecological region where they were banded, indicating that a substantial proportion of immature doves remain in the area where banded until hunting season begins.

Louisiana accounted for 24 percent of Texas-banded birds recovered in the United States. Hunters in 18 other states, including California, Minnesota, North Dakota and Florida at the extremes, have recovered bands from Texas birds.

Biologists do not know the speed of dove migrations, but they have a couple of indications that doves can travel great distances in a short time. One dove banded in Manitoba was killed in Travis County 37 days later after a journey of 1,600 miles.

Another dove banded in Brooks County in Texas was killed 66 days later in North Dakota after a 1,500 mile trip. Biologists point out that there is no way to determine how long the doves had been in the area

before they were shot.

Mexico accounted for 54 percent of the bands recovered from doves killed outside of Texas. Bands were also received from Guatemala, Honduras, El Salvador and Nicaragua.

The record for the longest time between the date banded and the date recovered is held by a dove banded June 4, 1953, in Palo Pinto County. The bird was shot 11 years and four months later in Mexico. Another dove was recovered 10 years after it was banded as a nestling.

Deer Permit To Be Issued September 25th

Texas Parks and Wildlife Department officials will issue antlerless deer permits on Sept. 25, 1973, from 8 a.m. to noon and 1 p.m. to 5 p.m. for the special archery season in Blanco, Burnet, Gillespie, Llano, Mason, McCulloch, San Saba and Travis Counties.

In Blanco, Burnet, Gillespie, San Saba and Travis Counties, permits can be obtained at the County Courthouse.

Personnel at Chambers of Commerce offices will handle the permits in Mason and McCulloch Counties.

Permits will be available at Parks and Wildlife Department offices in Llano County.

Landowners or their agents are urged to be present to obtain their permits during the period scheduled for permit issuance.

The 1973 archery season in these eight counties is slated for Oct. 18 - Nov. 16.

Legislative statute sets this season as the 30 days immediately preceding the regular fall deer season. Only

long bows and arrows may be used during the special hunt. Only one antlerless deer may be taken in addition to two bucks.

It is unlawful to have any type of firearm or crossbow on the person and at the same time have in possession bow and arrow in an automobile or in a hunting camp or otherwise have any type of crossbow in possession while hunting deer, turkey gobblers or javelina during the special archery

I REMEMBER
By Dick O'Brien
remember with deep

emotions the beginning of the East Cisco Baptist Church. I was 20 years of age, had just been ordained and was called as pastor at Mitchell. I

was the church's first pastor and it was my first pastorate. Then, to my great surprise the newly organized church on "Grass Burr Ridge" in Cisco called me.

We bought a vacant four room residence and removed all the partitions and used boards across nail kegs as our seating. After one Sunday in this building, it burned and there we were! We had moved into Cisco and lived in a small three room residence near the church. For several months we met in the "Front Room" of this tiny house for worship.

Then we launched a campaign to build more commodious quarters. We did the carpenter work ourselves and only when we could pay cash for lumber did we proceed. In due time a one room building was completed without a dime of debt. Each member seemed to have a different idea as to the kind of pews we would build, and you can imagine the variety of seats that filled the place. The people came, prayed, sang and witnessed and we baptized many converts.

We used a stock tank on the Bill Hitson place at the edge of town.

There was no salary stipulation and we lived on what the members would give voluntarily Sunday by Sunday.

We didn't know what the word "budget" meant, but we were happy in our unbroken fellowship and the blessings of heaven upon our puny efforts. It is a great church now!

Mrs. Clara Cockrill, a former Eastland resident, is back at home in the Ridgmar Apts. in Fort Worth after a stay in the hospital with a broken shoulder.

League Kicks Off New Year With Coffee

The Eastland Civic League and Garden Club kicked off their new club year with a morning coffee, Friday in the home of Judge and Mrs. Clyde Grissom. New members and guests were greeted by Mrs.

Grissom and Club President Mrs. Austin McCloud. Mrs. E.A. Connel explained the club's beautification

project and showed some of the sample trees that the club is making available to the community.

Civic League Centennial Cookbooks, also were made available to those who had not had an opportunity to purchase one.

Recent out of town guests in the home of Mr. and Mrs. J.C. Allison were Rev. and Mrs. Weems S. Dykes and Susan Jane of McCamey, Texas; Miss Ann Shelburn and Mrs. Vera Adams of Fort W Hancock, Texas; their son, Nelson Allison of Odessa; Mr. and Mrs. Walter Anderson of Denver City, Texas; Mrs. Anna Beth Ward of Fort Davis, Texas; Mrs. Gracie Rushing of Plains, Texas and Mrs. Cora Parker Shaw of Blanket, Texas.

Mrs. Bobby Bingham and Mrs. T.M. Fullen registered members and presented each with a 1973 - 74 yearbook. At 11:30 ninety four members had been registered.

For those unable to attend, registration will continue at the first club meeting, October 3, at the Ramada Inn.

Couple Returns

Mr. and Mrs. Dick Yielding left September 8 on a 2000 mile trip through Texas, New Mexico, and Colorado. They drove to Midland and spent the weekend with their daughter, (Wanda) Mr. and Mrs. Jimmy Colburn and Scott and Wade.

On Monday they drove to Clovis, N.M. where they spent the night with their granddaughter Mrs. Max Proctor. Mrs. Proctor teaches in junior high school and Mr. Proctor is in law school.

Leaving Clovis on Tuesday they drove to Durango, Colorado, where they spent a week with another daughter (Melba) Mrs. G.T. Nabors. Mr. Nabors and two boys.

Mrs. Yielding celebrated a birthday while there. Their daughter and son-in-law treated them to a steak dinner at the new Villa Restaurant. They ate by candlelight and listened to soft music in the background.

They also visited with Mr. and Mrs. C.U. Norton in Farmington, N.M. There are still lots of apples, peaches and pears up there they say.

They returned to Clovis on Sunday. Upon entering their granddaughter's home late, they found a wonderful birthday dinner had been prepared for Mrs. Yielding. Also some nice gifts.

The Yieldings returned home on Monday stopping for a brief visit in Merkel with Mrs. Yielding's brother Mr. and Mrs. Tommie L. Fox.

Pioneer Club

The Pioneer Club will meet Thursday with Mrs. Nora Wilkinson for a covered dish luncheon and business meeting.

Organizational Meeting Monday Nite For All 4-H

By Milton Kellner
Assistant County Extension Agent

Eastland 4-H Club members and any interested youth between ages 9 and 19 will have an opportunity to learn more about horses and horsemanship at a special 4-H club meeting.

There will be an organizational meeting of interested young people and adults on Monday night, September 24th at the Farm Bureau building in Eastland. The purpose of the meeting will be to organize a 4-H Horse Club in the Eastland area. We would like to invite anyone interested in such a club to come to the meeting.

Now, more than ever, electricity is worth using wisely.

Electricity, like all forms of energy, should be used wisely — especially now, with growing shortages in supplies of natural gas and oil, the basic fuels used to generate electricity in Texas.

At Texas Electric, natural gas is our major fuel supply with oil used on a standby basis. To reduce our dependency on these fuels, we have well developed, long range plans to diversify our fuel sources.

We have joined with Dallas Power & Light and Texas Power & Light in acquiring long range supplies of east Texas lignite. We now have one lignite plant in

operation and two others under construction. The three companies have also announced plans to have a nuclear fueled plant in operation by 1980.

One big advantage of lignite and nuclear fuels is that neither is being used extensively for any purpose other than the generation of electricity. A disadvantage is that generating plants that use these fuels cost much more to build. And, because of the long lead time required to plan and build these plants, it will be many years before natural gas can be replaced as our major fuel supply.

Barring difficulties with our existing natural gas supplies or delays in the development of our lignite and nuclear generating capability, we will be able to provide the electricity our customers need. However, the much higher cost of diversifying our fuels and inflation make it inevitable that the price of electric service will rise.

As rising costs and the energy squeeze make electricity increasingly valuable, we will continue to encourage its efficient use. Now, more than ever, electricity is worth using wisely.

Engagement Announced

Engaged and planning to marry January 12 are Miss Phyllis Mary LaBelle and Airman First Class Forrest Lee Tucker.

Parents of the couple are Mr. and Mrs. James Carl LaBelle of Houghton, Michigan and Mr. and Mrs. Pete Tucker of Eastland.

The bride-elect is a 1972 graduate of Houghton High School. Airman Tucker attended Eastland High School and is now serving at the Calumet Air Force Station in Calumet, Michigan.

After their marriage, the couple will live in Nevada where Forrest will be assigned.

Vows To Be Said Saturday Sept. 29

Jo Ann Haskins and Lanny Lee will be married Saturday, Sept. 29 at 2:00 p.m. in the Church of Christ on Daugherty Street. A reception will be held at the Ramada Inn immediately following the wedding. Lanny is the son of Mr. and Mrs. J.H. Lee of Eastland. All friends and relatives are invited to attend the ceremony.

First Meeting Of P.T.O. Held Valley H.D.C.

The first meeting of the Eastland P.T.O. met Tuesday night, Sept. 18, at 7:30 p.m. in the Eastland Elementary School building. Mrs. Emory Walton, president, called the meeting to order. All teachers were presented with a pink carnation. Mrs. Walton introduced the new officers. The minutes were read by Mrs. Durel Reid.

A welcome to all teachers and parents was extended by Virgil Seaberry, Jr., a member of the Eastland Independent School Board of Trustees.

Christian Church CWF Has Meeting

The morning group of the Christian Women's Fellowship, First Christian Church, met Monday in the fellowship hall. Officers as follows were elected: Mrs. Joe Tow Group leader, Mrs. Carl Garrett, secretary and treasurer; Mrs. Ben Bassett, telephone chairman; Mrs. Verge Daniel, study chairman; Mrs. Frankye Flowers, worship.

Mrs. Curtis Young is the General Treasurer. Hostesses will be named at each meeting. Plans to continue to sponsor a Korean child were made. The CWF groups have supported a child since he was three. He writes that he is now out of school and has a job and hopes we will sponsor another child. Local missionary work was discussed and plans will be completed next meeting. Monthly fellowship dinners and luncheons will be set on a monthly basis. Lesson was brought by Mrs. Daniels and worship program by Mrs. Flowers. Mrs. B.F. Clifton was hostess.

Hickman Nursing Home volunteers honored resident Mrs. Annie Terry with her 90th birthday party Thursday afternoon at the nursing home. Pictured is Mrs. Annie Terry with her daughter Mrs. Arleta Mace.

Dick Johnson Shows Exciting Color Slides

Exciting color slides of Scouting activities was program for members of the Eastland Lions Club Tuesday at noon.

Troop 103 Scoutmaster Dick Johnson was in charge of the program and showed slides taken at Camp Billy Gibbons and of a pack trip into the Pecos River Wilderness near Santa Fe, N.M.

Honored guests were Scouts who had won an inspection last week. They were Frank Murphy, John Aimes, Brian Lund and Ken Swift.

President Darwin Miller presided and announced the club will meet jointly with the Rotary and Jaycee Club at noon next Tuesday, Sept. 25, to officially open the 1973 United Fund Drive Campaign. Dr. Ferhman Lund will have the program the following week.

BAKKER FUNERAL HOME

Dear friends,

Prior to the death of our late President John F. Kennedy, the American funeral tradition was being questioned. The President's tragic death suddenly brought home to our entire nation the sense of bereavement - the need to mourn - the need for lying in state, for ritual, for procession, as a catharsis for our grief. The need for the American funeral tradition is now better understood.

Respectfully,

Dear Agent:

RE: A New Property Insurance Rate Reduction

We are happy to announce that a substantial property rate deviation has been approved effective October 1, 1973, for both new and renewal business.

The new rate for Standard Dwelling and Farm Fire and Extended Coverage, Homeowners, Farm and Ranchowners, will reflect a 15% deviation from rates established by the Texas Board of Insurance.

The new rate for most all Commercial Fire and Allied lines will reflect a 20% deviation from rates established by the Texas Board of Insurance.

This is a substantial rate reduction, particularly in the Standard Fire, Extended Coverage, and Commercial lines where we had previously been selling at the established standard rates.

for details

Lots of people have jobs we taught them.

Think of today's Army as the world's largest technical school and you'll realize why we have so many successful alumni.

There are over 300 occupations in today's Army that are like corresponding civilian jobs. So when you learn a job with us you have a skill when you get out.

You get to pick that skill, too, before you enlist. And if you're qualified, you'll get training to perform it like a professional.

While you learn you get paid. Starting at \$307.20 a month before deductions.

If you'd like to know more, call or see your local Army Representative.

Today's Army wants to join you.
