Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a wan that's as easy to handle as monthly rent.

The ship's morning paper, The Polynesian, says that somewhere on our way between Rarotonga and Auckland we cross the International Date line, being at a point 180 degrees east and also west of the zero meridian at Greenwich, England. And as we are going in a westerly direction we will lose one day. However, as we again cross the date line between Australia and the United States we will regain the lost day so we will arrive in our homeland without loss or gain of time.

We are due to arrive at Auckland on Monday morning, April 6 and the ship will be there until late evening on Tuesday when it will leave for Sydney, Australia. We have been told that while in port we can place local and long distance telephone calls from our stateroom. There are telephone directories available for all of the cities where the ship calls. There is no charge for local calls from the ship. This ship is really being run for the pleasure and convenience of its passengers.

TO THE CITIZENS AND VOTERS

OF PRECINCT 1

In a spirit of gratitude and humility I sincerely thank those of you who voted for me in Saturday's Democratic Primary election. And may I say again how deeply I appreciate your support and your friendship.

My opponents were all fine men and conducted clean, constructive campaigns in seeking the office of County Commissioner, Precinct 1.

I invite all of their friends and supporters to investigate my qualifications and experience and hope they will give my candidacy in the runoff their serious consideration, and respectfully solicit the vote and influence of them and of all citizens of the precinct in the Second Democratic Primary on June 6.

Sincerely yours,

EARL BLACKWELL
