WHERE DO YOU GET ON? — At the Wagon Yard in Eastland. That's where the fun is this week with the annual Jaycee Club-sponsored Kiddy Karnaval. Complete with carousel and a bushel of other fun rides, the karnaval is attracting large crowds nightly.

It runs through Saturday night. The Wagon Yard is on East Main St. (Highway 80 just one block east of the square. These two young men were looking for the "getting on place" at the favorite Merry Go Round when this picture was made. The club also has booths and games for all ages. (Staff Photo).

Large Crowd Attends Band Booster Variety Show Friday

By EVELYN CLEMENTS A large crowd attended the Eastland Band Boosters Show Friday night, April 3, in the high school auditorium and enjoyed an evening of fine musical numbers, lots of good singing and various other acts featuring the many talents of local people.

The show was under the direction of Mr. and Mrs. Andy Taylor and Mrs. John Foster. Master of ceremonies for the evening was James Wright. The Eastland High School stage band, under the direction of Director John Foster, played two numbers, "Moon River" and "Rock Bottom." To get the program underway, next on the program was "Hanna's Piano," which featured piano solos by Becky Hanna and Susie Hanna.

Jaycee's Kiddy Karnaval Rolling Strong on 'Yard

Eastland Jaycee's Kiddy Karnaval has something for everyone, opened to a large crowd Wednesday night at the Wagon Yard, located on East Main St., just east of Perkins Implement Company. More rides, more games, more shows and more fun than ever before are being enjoyed by the young and old alike at the show this year. Some of the booths are being sponsored and manned by the Jaycee club members, and one that is drawing a lot of attention is the popular "dunking board".

The Jaycees have arranged to have the street north of the Wagon Yard closed, in order to expand the carnival facilities in that direction, clear to and onto the grounds of the Douglas Community Center.

Gene Ledel, proprietor, is offering more fun rides and shows than in the past. The attractions have the reputation of being the cleanest and most family-oriented features ever to appear in this area, according to Chairman Grover Hallmark.

Many of the features are particularly for the children.

VISITS PARENTS Mr. and Mrs. Karl Dorr of Longview visited during the Easter holidays with his parents, Mr. and Mrs. Floyd Dorr.

BREAD of Life

Four of the Eastland Maverick Band students who received a first division rating at the University Interscholastic League solo contest in Brownwood this year presented their solo. HEADS CAMPAIGN — Attorney Jack Frost has been elected Eastland chairman for Omar Burleson's campaign for re-election, by a large delegation of Mr. Burleson's supporters here. Mr. Frost will coordinate the drive in Eastland, assisted by other local residents. Workers here have been meeting and will begin active campaigning for the veteran congressman immediately. Mr. Burleson was in Eastland Thursday evening for the annual Jaycee Banquet at Lone Cedar Country Club. A woman's co-chairman and committee chairmen possibly will be named soon, it is announced.

Old Rip Scrip Drawing Set To Go on Eastland Square

Saturday will be Old Rip Scrip Drawing Day again in Eastland. This will be the third drawing day for the Old Rip Scrip. A number of Eastland shoppers are enjoying some easy shopping in Eastland due to their numbers being drawn in the two previous drawings.

No one claimed the \$50 prize at the last drawing, so there will be a drawing for \$60 in scrip, \$30 and two drawings each for \$10.

The drawing will be held on the west side of the square Saturday and will get underway about 1:30 p. m. when Roy Thackerson of Ranger, his steel guitar, and other musicians will present a program of musical numbers prior to the drawing at 2 p. m.

So come early — get a good place to park and do your shopping and enjoy the fine music before drawing time. (Local merchants have special bargains on all day).

Shoppers may deposit their stubs in the hopper which is at the Safeway Store this week, or at any of the many boxes available at the various merchants, or wait until drawing day and drop them in the hopper on the square.

The stubs will be thrown away after the drawing Saturday and will be started over again.

The Chamber of Commerce is sponsor of the event with local merchants participating in the program. Whoever wins the scrip may shop anywhere in Eastland with the Chamber members, select whatever he or she likes, and pay for it with the scrip. The merchant then redeems the scrip at the Chamber office for cash.

Everyone benefits — especially the shoppers who earn the extra bonuses for shopping in Eastland — so be sure to remind the clerk to give you your drawing tickets — you might be the lucky one.

County Has 16 Accidents In March; 2 Deaths to Date

Eastland County had no traffic deaths during the month of March, according to the rural monthly traffic accident summary released by the Texas Department of Public Safety.

The county had three personal injury accidents, 13 property damage accidents, and six injured, for a total of 16 accidents during the month.

Eastland County ranks third in the Eastland Sergeants area in the amount of property damage with \$6,744.

Callahan County was the only county to have a fatal accident in the Eastland sergeants area during March. Accidents in March for the Eastland Sergeants office area totaled 64 with one fatal accident, 20 personal injury, 43 property damage, and 34 injuries. Sergeant Roger Sosebee is sergeant for the Eastland area which includes Brown, Callahan, Coleman, Eastland, Shackelford, and Stephens counties.

A comparison of rural traffic accidents in the Abilene Area of the Texas Department of Public Safety for the first three months of 1964 with the

Bill Holliday Is Transferred to Galveston Burn Hospital Monday

Bill Holliday, 25 year old Olden man, who has been in critical condition in a Fort Worth hospital with burns for about three weeks, was to have been transferred to John Sealey Hospital in Galveston Monday night.

The young man was critically burned in an automobile accident about three weeks ago and has been hospitalized in a Fort Worth hospital where he has been receiving intensive, specialized care.

Preliminary steps were taken to have him transferred to a Veterans Hospital but it was found that he was not eligible to be admitted to a Veterans Hospital because he was in service during peace time. He

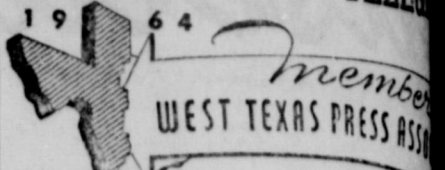

was in the service from August 1961 until August 1963.

Friends of the young man have responded to the need for funds to pay for this expensive care. Over \$700 has been donated in the form of many gifts, some have given quarters, some a dollar, and some many dollars, with contributions still coming in.

Contributions may be mailed to the "Bill Holliday Fund", P. O. Box 29, Eastland, Texas or may be left with Carey Hightower at Worth Food Store, Gaylon Ashton, Eastland Supply; I. E. How about a steaming, tantalizing pan of old-fashioned gingerbread one of these few nippy mornings we have left before warm weather gets here?

Here is a favorite of Dr. J. H. Caton. The delicious recipe was found scribbled on the back of one of Dr. Caton's old records. We tried and liked it very much.

GINGERBREAD Combine... 2 well-beaten eggs 1/2 c. sugar 1/2 c. butter 1 c. molasses 1 t. cinnamon 1 t. ginger 1 t. vanilla Add & mix... 1 c. boiling water mixed with 2 t. soda Add & mix... 2 1/2 c. flour Bake in oblong pan at 350 degrees for 30-40 minutes.

Did you know you can color those dingy or yellowed white plastic or plastic finished scarfs, tablecloths, etc? They turn out beautiful when dyed as usual.

Dear Editor: As you know Florida is the only State that has the U. S. motto "In God We Trust" on their state flags, although I've advertised for years in most states and many cities including in foreign countries for American tourists who visit there, the other 49 states don't seem to be interested in honoring God on their state flags, but I'm still advertising away, hoping that someone will be interested and have legislature pass a law to honor God on their state flags.

Twice my ad was published in the Manchester Guardian, I had Manchester, England but recently I advertised I had Brighton, Mass. My ad is religious and patriotic, and I'm happy to have it in your wonderful city, where they don't allow smoking, they care a lot about the health of your people. I wish other cities would follow your great example. Smoking causes cancer and many other troubles, but there is something being done now and I'm glad, as too many were killed by the treacherous weed.

Very sincerely, Mrs. Rose Hahn 70 Strathmore Road Brighton, Mass.

Rising Star News

by MRS. LEE WHITE
Pvt. Jim Fleming has completed nine weeks of basic training at Fort Polk, La., and is here for a two-weeks stay with his parents Mr. and Mrs. Joe Fleming of Pioneer.

When he returns to Fort Polk he will attend a finance and personnel records school.

Many Eastland countians will remember Jim as a 4-H club boy and feeding out winning animals for the livestock show a number of years ago. Ironically he was in competition one year with his sister and lost-but then it was all in the family. Mrs. Fleming was an active member in the Pioneer Home Demonstration Club as long as it functioned and Joe was a good supporter of the youngsters, and Nell, in all they did.

Mr. and Mrs. Rufus Pierce of Rising Star received a telephone call from their son, Elbert Pierce, at Yadkinville, North Carolina, where he and his wife are having a new home constructed. Their daughter Ingrid, according to grandfather and grandmother Pierce, is a student in school in New York where her mother's people live. Ingrid has won a \$500 scholarship to a college besides the honor of being president of the student body and having a leading part in a pageant there. Mr. and Mrs. Rufus Pierce are to be congratulated on the academic honors of the granddaughter, Ingrid.

Terrell T. Fair, a farmer stockman of Comanche County has bought from Ed Kizer, the ranch home and farm south of town, which was formerly owned by Dr. Ben Bradley. The land and home involved in the sale is located in Brown County about two miles south of Rising Star. Mr. Kizer, who is president of the Kizer Telephone Company, stated that he plans to build a home in Rising Star. The contract sale and consideration was not disclosed but customary legal and title formalities are being processed.

VARIETY SHOW

(Continued from Page One)
panied by his sister, Marsha Treadwell.

One of the highlights of the evening was the beautiful singing of the Senior Choir of the First Baptist Church (colored.) The choir sang "There Is Not a Friend," "How Great Thou Art," "None But the Righteous Shall See God," and "The Upper Room."

Another highlight of the evening was "The Beatles." Featured in this group was Connie Turner, La Juan Dorsey, Jeanne Morren and Sharon Day, all senior students at Eastland High School. They did a pantomime of one of the Beatles' latest recordings, "I Saw Her Standing There."

"The Standells," a musical group featuring Larry Mace, Tony Lowrance, Bill Hoffman and Larry Lane, presented 3 numbers, "Wipe," "From Me to You," and "Pipeline." Eastland High School Band Twirlers presented a routine "The Stripper." Twirlers were Carolyn Key, Donna Ford and Jeannie Wright.

Richard Jones sang two numbers, "All the Things You Are," accompanied by Floyd Robertson on the drums; and "I Believe," accompanied by Carrie Crawford at the piano. "The Gleemen," featuring Floyd Robertson, Jim Pat Miller, and Mike Jones played and sang "All Over this World," "Tom Dooley," and were joined in their last number "Michael Row the Boat Ashore" by a group of students for a "hoot-nanny." The Hootnanny group, accompanied by Floyd Robertson, Miller, Mike Jones, and Mace, also sang "Cottonfield."

The program was closed with the entire cast and audience singing "God Bless America." Following the close of the program, Gary Graham and Jimmy Wright, dressed like men of the old West, and who had been coming on stage and along the aisle all through the show "hunting someone" as they put it, announced that they were looking for all the people in the audience to tell them to be sure to come to the Senior play on May 1.

Lee Hughes was elected to the Rising Star Independent School District board in Saturday's election, April 4. Derrill White, the third candidate received 23 votes. Jim Ray Cox was re-elected to the board. 96 votes were cast. Concrete walls of the new disposal system have been completed and the outfall line to the big sewage tank located one and one-half miles east of Rising Star is being laid. Failure to receive machinery shipments will delay the completion of the project it was explained this week.

4-H Sewing Group Meets

Eastland 4-H Sewing group met with Mrs. Bill Sullivent at 4 p.m. Monday, with the president, Pat Sullivent, presiding.

The pledge and prayer were led by Barbara White. Mrs. Sullivent was in charge of the meeting as the members sewed on blouses.

The meeting was adjourned by the president.

BOB PATTERSON

and influence will be greatly appreciated.

"Although I realize it is impossible to personally contact each voter, it is my sincere desire to do so, and I shall see as many of you as possible before May 2.

Respectfully yours,
R. A. PATTERSON."

A native of Eastland County, Patterson is a graduate of Ranger High School and Ranger Jr. College. He has been active in civic affairs and is commander of the Ranger post of the American Legion and also a member of Veterans of Foreign Wars. He also is a member of First Methodist Church of Ranger, local representative of the Salvation Army and an officer in the Elks Lodge. He is active with Boy Scouts, a member of Texas Police Association, and a veteran of World War II and the Korean Conflict, having served with the U.S. Navy as a Petty officer. Was awarded Service Ribbons for Combat Duty in both the European and Pacific Theatres of operation, with six (6) Battle Stars, also holds a Navy unit commendation and ribbon.

His law enforcement experience includes duty as a special investigator for Pinkerton's National Detective Agency in Dallas, Chief of Police of Ranger, and City Marshal of Cross Plains. He has also attended courses and briefings related to various facets of law enforcement conducted by the F. B. I. and Texas Department of Public Safety.

RETURNS HOME

Mrs. Ruth Haney has returned home from San Diego, California where she visited her daughter and husband, Mr. and Mrs. John Thomas. Mr. Thomas is recovering from several heart attacks which he has suffered recently.

TIDBITS . . .

(Continued from Page 1.)

Saw many Eastlanders with their autos in line for the inspection stations early this week. Also talked with several who said they had to spend Tuesday evening preparing their income taxes. Our Central Drug Store St. Joseph Aspirin All-Purpose, Almanac Calendar has a picture of a contented man sipping coffee on the April 15th date. The man either has forgotten the significance of the day, or was efficiently wise to get it all done in time. The Treasury Department mails news stating that automatic data processing equipment is being used in the Southwest Region to handle tax returns. Now there's a thought to give you nightmares.

Jimmy Horn, County Republican Party Chairman, tells us that there will be GOP primaries in Eastland and Cisco on May 2nd. Places are to be announced. A copy of the local GOP ballot lists 14 races and a presidential preference list. Party precinct and county chairmen races are the only local contests, and there are no candidates listed on the ballots for these.

Postmaster Maureen Johnson will be happy to know that we just heard a sure-fire way to remember our five-number code. The first number is one larger than the second, and the third and fourth, when added, equal the fifth. Now isn't that a nice way to remember our number is 76448?

Understand that the new automatic car wash on N. Daugherty St. will probably be open for business early next week. You'll want to watch this newspaper for the announcement. It's to be a modern, economical and convenient service for our city.

Visited briefly with City Patrolman Bill Partin this week, and he tells us that he is due some more treatment. He is being missed by his friends and all wish him a speedy return to duty.

A Young Man Going Places

(An Editorial)

This newspaper does not attempt to tell its readers how to vote. But we feel an obligation to point out facts pertinent to questions on which the readers will decide for themselves the stand they will take at the polls. We believe, too, that the citizens of the five counties composing the Texas House of Representatives' District 63 deserve the most effective representation they can obtain in the Legislature at Austin.

The experience of two terms in the House equips Wayne Gibbens of Breckenridge especially well for effective service. His dedication to purpose and principle during two sessions has very definitely marked Gibbens as a young man with a promising future in the service of his state.

Gibbens is serving as chairman on the finance committee of the Legislative Council, a research and bill-producing arm of the Texas Legislature, as a between-sessions activity. In addition, he is a member of three other study groups, including a legislative internship program that has won recognition sufficient to be financed by the Ford Foundation.

Twice in the past two years Gibbens has been nominated to represent the state at interstate conferences working on official matters. In the last regular session, he served on the revenue and taxation, rules, oil and gas, agriculture, and contingent expense committees.

Gibbens has won commendation for his energy and effective representation of his district. An example of his service to his district was the successful fight he staged to keep the 11th Court of Civil Appeals from being moved to Abilene from Eastland. Gibbens faces issues. He considers the welfare of his district and state in every vote.

A graduate of Breckenridge High School, where he won his letters as a football player, Gibbens has since graduated from Texas Tech. It is very definitely to his credit that Gibbens has used such time as he could spare and without neglecting the duties of his office to attend law classes at the University of Texas.

The mature judgment that experience has given him plus the energy of his youth have enabled Gibbens to become a real leader in the Texas house, as evidenced by this comment by Governor Connally: "Wayne Gibbens is an outstanding young man and an intelligent, effective legislator. . . . The people of his district are indeed fortunate to have his capable representation."

What do the colleagues think of Gibbens? Said Ben Barnes of De Leon and Brownwood: "Wayne is an industrious, progressive and capable member. . . . one of the most valuable members of the house." Said Raleigh Brown of Abilene: "He is a young man dedicated to the principles of responsible government and completely devoted to his duties as a representative."

These are some things that the voters will want to consider when they go to the polls May 2nd.

Two Ciscoans Win Honors In Texas For Bridge Play

Two Cisco women were the winners in District 16 (the State of Texas) of a nationwide charity bridge championship tournament held last March 6th, according to an announcement today by the American Contract Bridge League in New York City.

They are Mrs. Charles S. Sandler of 404 West 9th Street and Mrs. R. A. Bearman of 1113 West 7th Street.

The Ciscoans were among those participating in the tournament at the Hi-Way House in Abilene in a game conducted by Mabel Lilius 4258 Don Juan, Abilene. They had a score of 68.5 per cent as compared with 74.2 per cent for the national winners — a couple from California.

A total of 18,846 players participated in the tournament, which was held to raise money for the League's Charity

Fund. The large field played identical deals in 222 separate games throughout the United States and Canada on the night of March 6th, raising \$47,888 for the fund.

Both Mrs. Sandler and Mrs. Bearman are members of the Cisco Kid Duplicate Bridge Club and the Lone Cedar Country Club duplicate club and play weekly in their sessions. Lloyd London of Cisco is the director of both clubs.

"This is a very fine honor for Mrs. Sandler and Mrs. Bearman and for Cisco," Mr. London said. "When you consider the fact that they were the top players for the entire state you realize the significance of their victory."

Members of the two bridge clubs will certainly have every right to be very proud of their state championship players."

**JUSTICE TOPIC AT MEETING OF Group Tours
THURSDAY AFTERNOON CLUB Chandor Gardens**

The Thursday Afternoon Club met in the community club building, Thursday afternoon. Mrs. Harold Bulgerin presided over the business session in the absence of Mrs. Turner Collie, the club president. Mrs. James Horton, program leader, stated the subject, "Justice," and gave the quotation: "Through force can protect in an emergency; only justice, fairness, consideration and co-operation can finally lead man down to the dawn of eternal peace."

Mrs. W. D. R. Owen introduced Dr. Theo Nicksick of Ranger Junior College, who discussed "The Power of the Supreme Court." Dr. Nicksick gave a very interesting and informative talk, telling

that Article 3 of the Constitution set up the Supreme Court and that it was to be used to protect the Constitution of the United States. He told of the way that the Constitution had been stretched to protect human rights—that human rights should be protected but there is a limit to what should be done.

Mrs. Pat Crawford introduced Judge Seaberry, who very ably discussed "The Problem of State Rights." He stressed the fact that we are a nation under law—not under men, and that if the National Government does not have power, it should not step in and do for the States.

The club house was decorated with spring flowers and Mrs. W. D. R. Owen served coffee, sandwiches, and assorted cookies from a table laid with cut-work linen and centered with blue dutch iris and white candles.

The following club members and guests were present: Mmes. Harold Bulgerin, Cecil Collings, Pat Crawford, Fred Davenport, Cyrus D. Frost, James Horton, Iral C. Inzer, Donald Kinnaird, Milburn Long, Frank Lovett, Arthur Murrell, W. D. R. Owen, E. G. Rice, Sallie Bishop, T. E. Richardson, Floyd Robert-

son, Frank Sayre, Carl Timmons, E. R. Townsend, Esco Walter, R. L. Young, Miss Marjorie Van Hoose and Dr. Nicksick, Virgil Seaberry, and Wendel Siebert.

a visit to the Chandor Gardens in Weatherford.

The group reported a very enjoyable and leisurely trip to Weatherford and reported that the scenery was beautiful, with everything so pretty and green.

It was reported that the Chandor Gardens were at their peak at this time of the year. Among the beautiful flowers that were in bloom were the many varieties of azaleas, iris, hyacinths, and tulips. Several of the members took colored slides and pictures and hope to show these at a future club meeting.

The ladies enjoyed having lunch together following the tour of the gardens and returned home in the afternoon.

EASTLAND

FIRST CHURCH OF GOD — Located at the corner of Lamar and Valley Streets, the First Church of God, was first organized in 1922. Rev. Joseph L. Downs is the present pastor of the church.

First Church of God Was Organized 42 Years Ago

The First Church of God of Eastland was organized in 1922. Rev. Paul Bennett came to Eastland on January 20, 1922 in response to an invitation of Rev. T. H. McNeal. Together they started a meeting in a building at the corner of Commerce and Lamar Streets. The attendance increased and the meeting was moved to the Methodist Tabernacle, now a warehouse, while arrangements were being made to move to a larger building that stood in the block now occupied by the Coca Cola Company. As a result of a seven weeks meeting in which attendance was unusually good, a Sunday School was started in the building which is now the site of the Venetian Blind Company.

Rev. Henry McNeal remained as pastor. Toward the close of the year a building site was purchased at the corner of Lamar and Valley Streets, and work was begun on the present building.

Rev. E. W. Barnett of Indiana became the second pastor in 1924. Other pastors who have served the church in their respective order are W. S. Hancock, H. M. Sell, John Batdorf, E. W. Barnett (a second time), R. E. Bowden, H. C. Hathcoat, L. B. Morrison, A. A. Gerard, J. R. Hale, W. E. Halenbeck, and Joseph L. Downs. Rev. Downs, pastor of the

church now, has served the church since July 1962. Rev. and Mrs. Downs and their daughter Pamela reside in the church parsonage at 210 West Valley Street. In the past two years the parsonage has been completely redecorated. Plans are now being made for redecoration of the church.

The Church of God believes in "A United Church for a Divided World," which is the slogan of the "Christian Brotherhood Hour", a radio program sponsored by the Churches of God throughout the world. The membership is made up of all people who have been born into the family of God by experiencing the new birth, and is not confined to the membership of this movement alone. Satisfaction as a definite second work of grace, and the doctrine of divine healing are also teachings of the Church of God.

Ordinances practiced by the Church are baptism by immersion, the Lord's Supper, and feet washing. However, the primary concern of the Church is sending lost souls to Christ.

The business of the local church is transacted by four committees which are Board of Trustees, Pulpit Committee, Board of Christian Education, and the Executive Committee. The officers of the church are Joe Downs, chairman, Marlyn Jackson, Sunday

School superintendent Darrell Basham, secretary-treasurer, and Orval Johnson, vice-chairman.

The order of services of the local church is Sunday School at 9:45 a. m., Morning Worship at 11 a. m., Evening Worship at 7 p. m. and Youth Fellowship at 8 p. m.

Other activities of the church include the Wednesday night prayer meeting and the Woman's Missionary Society which meets twice monthly.

A revival is scheduled to begin May 10-17th with Rev. Edwin Ogle, Executive vice-president of Gulf Coast Bible College, our Church School in Houston, Texas. The Church of God extends a welcome to everyone to attend.

EHS Students Do Well In UIL Contests

Three Eastland High School students went to Cross Plains Saturday April 4 for UIL typing contest.

All three placed in the top fourteen. The students took two five-minute speed tests and after grading them, turned in the one on which they had scored the highest.

Those students attending from Eastland were Lois Ann Sims, Hayden Wilson, and Janice Watson. Their sponsor was Mrs. Ethel Woloszyn, business teacher at Eastland High School.

Verell Boasen, also of Eastland, was entered in the slide rule and science contests.

Leaving Bora Bora -- On South Pacific Tour

JOSEPH PERKINS
March 27, 1964

We were up early this morning and soon after sunrise saw the island of Bora Bora clothed in clouds. As we got closer to it we found it to be a series of steep mountain peaks forested to the summits with bright green verdure. These tropical islands get rain showers nearly every day and plants and trees grow well. Our ship entered the lagoon on the island's west side and anchored a mile off shore.

Soon several launches appeared and took the passengers ashore at two different landing places four miles apart. The launch which we boarded landed us at the "Village" a most beautiful spot amid coconut palms and flowering trees and shrubs. There were shops, churches, a school and many thatched covered houses. Children were everywhere and many of the natives had bicycles, also.

There appears to be only one road four miles long practically level that runs between the Village and Hotel located at the other landing place. We decided to walk part way in order to see the sights along the shore line. The ship's Chaplain and his wife walked with us so we were in good company.

As we walked past the Cathedral the people were just coming out from the morning service on Good Friday. They were in gay colors, straw hats and attractively dressed, although many were barefooted. The scenery along the way was delightful and we took several pictures including some of native children who picked flowers to give to us.

I have just taken time out for four o'clock tea served in the main lounge on the promenade deck, just as the ship got underway, and Emily and I stepped out on deck to take a last look at beautiful Bora Bora.

While ashore we took lunches put up by the ship's waitresses and we ate them under trees at the edge of the lagoon. Soon a sharp shower came almost out of a clear sky, and we took refuge on the porch of one of the hotel's cottages. The occupant, a gentleman from Ohio made us welcome and visited with us. The rain stopped and we were amazed at the color of the lagoon, with its turquoise and purple colors, nature at her very best!

Tomorrow morning we will land at Papeete, Tahiti, and take the Tahiti Island Tour, the description of which follows:

This unique tour by bus leaves the ship's side at 9:15 a. m. You will motor to the tomb of Tahiti's late King Pomare V then on through the strikingly beautiful panorama of Taharua, called by Captain Cook "One Tree Hill", and continue then to Point Venus the spot where Tahiti's history began.

Your drive then takes you to Punaauia, called the "Wonder district of Tahiti", where the great French painter Gauguin once lived. You will also see the Marae Arahurau the ancient open air temple.

Arriving next at the Tahiti Village Hotel, a delightful spot on the beach with a view of Tahiti-iti and the beautiful island of Moorea. You can swim, or sun on the lovely white sand beach, or enjoy cool refreshments on the terrace.

Luncheon will be served in this enchanting atmosphere, and your appetite will be satisfied by excellent European cuisine, supplemented by exotic Tahitian dishes. After luncheon you will be entertained with an exhibition of Tahitian dancing and music—an excellent subject to capture by camera. This tour returns to the ship at approximately 3 p.m. leaving you free to shop and sample the quaint and colorful life of Tahiti.

JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office. When John Connally appointed him to the Railroad Commission, the Governor said:

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck and bus rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

ON THE OTHER HAND—

Jim Langdon's Opponent Is a 10-Time Loser!

Jesse Owens, 69-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:

- 1926—Defeated for Sheriff of Foard County by L. D. Campbell
- 1930—Defeated for District Attorney by John Meyers.
- 1932—Defeated for District Attorney by Ed Gossett.
- 1940—Defeated for District Attorney by T. Gene Rogers.
- 1946—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
- 1952—Defeated for Court of Criminal Appeals by K. K. Woodley.
- 1956—Defeated for Court of Criminal Appeals by W. A. Morrison.
- 1958—Defeated for District Judge by Tom Davis.
- 1960—Defeated for Court of Civil Appeals by James Denton.
- 1962—Defeated for Texas Supreme Court by Meade F. Griffin.

RE-ELECT THE QUIET MAN WHO GETS THINGS DONE

OMAR BURLESON

INCOME TAX REDUCTION
The income tax reduction bill that became effective in April of 1964 had the vote and support of OMAR BURLESON who has long felt that tax relief for the public was one of the most important issues before Congress.

LIMITED BEEF IMPORTS
OMAR BURLESON introduced a bill in Congress to limit the imports of beef from foreign countries. With a 25% wholesale price decrease caused by foreign imports this bill would provide a broader market for the ranchers and cattlemen. Retail prices remain high.

REDUCE FEDERAL BUDGET
Long an advocate for lower federal spending, OMAR BURLESON, in his 18 years in Congress, has voted to reduce the federal budget from three to 13 BILLION dollars each of his nine Congressional terms. He has never voted to reduce defense expenditures.

CUBAN EMBARGO
During the Cuban affair OMAR BURLESON introduced a bill for a complete embargo on trade with that country. He voted against the sale of wheat to Russia, recognizing that it would encourage our allies to sell to Cuba which they have done in fact.

CIVIL RIGHTS
Because the present form of the Civil Rights bill contains provisions to limit the freedoms of all Americans, he voted against it. He is for the constitutional guarantees for all Americans regardless of status.

LIMITED OIL IMPORTS
In 1949 OMAR BURLESON introduced the first bill to limit imports, and then voted for the bill that gave the President of the United States power to limit or abolish oil imports.

REDUCE COMMITTEE BUDGETS
As chairman of the House Administration Committee OMAR BURLESON has consistently reduced the spending of congressional committees. He reduced Adam Clayton Powell's committee spending budget by 50%.

FOREIGN AID
OMAR BURLESON has voted against foreign aid since late 1940s. The recent reaction in Congress as to discussing reducing foreign aid and discussion about abolishing proves him correct.

Good Crowd Attends Recital Given By Mrs. Jack Frost Last Sunday

Many Eastland County people were in Abilene on Sunday, April 12, to hear the recital given by Mrs. Jack Frost, Eastland soprano, in Radford Auditorium on the campus of McMurry College.

Mrs. Frost has been a student of Dr. Richard von Ende, chairman of the fine arts department, for the past four years. She was assisted in recital by Mrs. David Pickrell, Ranger violinist, Mrs. Tom Wilson, Eastland cellist and Ben Karnes, Breckenridge pianist. Mr. Karnes played two Chopin waltzes and he and the strings accompanied Mrs. Frost in her first group of five numbers. The remainder of Mrs. Frost's selections were accompanied by Mr. Karnes, at the piano.

Eastland were Mmes. Don Russell, Gwen Meachem, Cyrus Frost, Virgil Seaberry Jr., Milburn Long, Grover Halkmark, Frank Sparks, Arthur Murrell, Mr. and Mrs. Pat Miller, Mr. and Mrs. Jack Muirhead, Rev. and Mrs. Eugene Surface, Tom Wilson, Jack Frost, and several children of the families attending.

Following the recital Dr. and Mrs. von Ende were hosts at a reception in Radford Auditorium, honoring Mrs. Frost and her accompanists. Mrs. D. L. Kinnaird of Eastland served punch from a lace covered table, centered with a colonial arrangement of spring blooms.

Among those from Cisco were Helen Crawford, Mrs. James McCracken and her son and Mrs. Winston Heidenheimer. Mr. and Mrs. Buck Pickens attended from Fort Worth as well as others from members of the McMurry faculty.

The string group which includes Mrs. Earnest Hittson, Cisco violinist, along with Mrs. Frost and Mrs. Karnes and the Ranger Junior College choir will be presented in a concert at the college in Ranger on April 23, at 8 p.m., sponsored by the fine arts division. Kenneth Alford, chairman of the department will direct the choir. The guest artists are appearing at a special invitation of the college president, Dr. Theodore Nicksick, Jr. and Mr. Alford.

Others attending from Ranger were David Pickrell, David Pickrell, II, Shirley Offield and Joe Pete Miller.

Nick Gray Named New County Jailer

Nick B. Gray has been named as jailer at the county jail, according to an announcement by Sheriff Lee Horn.

Mr. and Mrs. Gray assumed duties at the jail on April 1st. They moved here from Cisco, where they had lived for the past five years. They are both natives of Eastland County, but had lived near Littlefield for a number of years before moving back to the county in 1959.

Mr. Grays parents were the former Mr. and Mrs. Nat Gray of the Mangum Community and Mrs. Gray is the daughter of Mr. and Mrs. J. M. Seabourn.

L. E. SUBLETT

primary.

"I was born in this county, one of six sons of Mrs. E. Sublett of Cisco and the late E. Sublett, who was one of the first pioneers of the county. I have four living brothers, Joe and Russell of Los Angeles, Calif., H. W. (Bill) of Enterprise, Kansas, and the Rev. L. A. Sublett of Stamford.

"My health is very good and I will be able to devote all the time necessary to fulfill the duties of the office.

"Raised on a farm two miles south of Dothan, I married Ann Edwards of Scranton in 1931. We both are long-time members of the Baptist church. We presently live at 407 E. Foch in Eastland.

"We have two sons, L. E., Jr. of Dallas and Jim, who is employed on government installations on the Johnston Island. Both served in the U. S. Navy and we have four grandchildren.

"I worked 16 years for the county for Mr. Arch Birt, Commissioner of Precinct Four and was for six years mechanic and maintenance man for the City of Cisco, and during the same time, served as automotive mechanics instructor in the Veterans Education program in night school.

"For four years I was combination driver for the Cisco Fire Department and Police Dispatcher. I was jailer at the Eastland County Jail from Jan. 1, 1961, to July, 1963. At that time I was named Chief Deputy in the Sheriff's Department where I am presently employed. I have served 18 years in Volunteer Fire Department work and served three years as Fire Chief. A member of the W.O.W. Lodge, I have served every officer's station in the lodge. With a baseball background of my own, and especially with two sons, I have spent a lot of time working with Little League and Teenage League baseball programs.

"Acquainted with city, county, state and federal officers of this area, I'm convinced that it takes everyone doing his part to make an effective law enforcement team.

"My experience has taught me that complete honesty in your dealings with everyone, as well as courtesy and consideration, is the best way to utilize the sheriff's office in combatting the growing criminal rate.

"Cooperation with law enforcement agencies means more to me than answering questions when called upon. It means actively participating in raids; it means doing work quietly with the FBI; it means physically going along with highway patrolmen in times of

crisis. Attention to details means personally inspecting jail quarters, examining personnel, promptly handling paper work and being on call 24 hours a day.

"That's the kind of sheriff I plan to be, and your vote, and your influence, in advising your friends will be greatly appreciated in my campaign for election.

"I am making every effort to personally contact every voter, but should I miss any, I trust that they will accept this as my personal request for support as sheriff."

Letters TO THE EDITOR

To the Editor

In the Democratic primary election, we voters have an opportunity to return to Congress a man who has served this 17th District diligently and faithfully for nine terms.

Omar Burleson has established himself as a reliable and respected member of Congress. Because of seniority and committee position, Congressman Burleson is representing us in a manner that exceeds any we have had in perhaps 50 years.

We should turn out in great numbers on election day and return Omar Burleson as our strong voice in the United States Congress! E. W. Hendrick Mineral Wells, Texas

15 Year Old - Eastlander Writes Kennedy Tribute

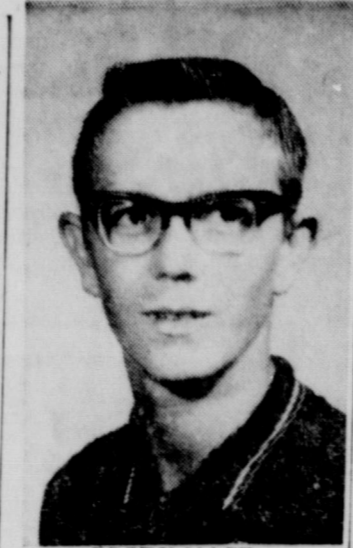

Larry Mace, son of Mr. and Mrs. Jack Mace of Eastland, received an acknowledgment from Mrs. John F. Kennedy this week, in appreciation of the poem which he composed in tribute to the late President John F. Kennedy.

Larry, 15 year old freshman at Eastland High School, composed the poem as part of a school assignment in the English class of Mrs. Earl Conner. The class was assigned to compose something on a subject that meant a great deal to them. Larry is a carrier boy

for the Eastland Telegram and is a member of the Eastland High School band and stage band.

The following is a copy of the poem which he composed: **A Tribute to John F. Kennedy**

President Kennedy was a great man,
He loved his country, he loved his God;
He looked to the future and to world peace,
And traveled the paths great men have trod.
He set a course for world peace,

LARRY MACE
And helped you love your fellow man;
He fought real hard to win his place,

And made the world love him as few men can.

The day he died was sad indeed,
It made the whole cruel world stand still;
It made the people think and wonder,
Was this death of him for real?

Yes, he is gone, but not forgotten,
His memory will linger on and on;
Still, we will teach our sons and daughters,
Of this great man who now is gone.

The flaming torch beside his grave,
That burns through storm and wind and rain;
Will help the world to realize,
That John F. Kennedy did not die in vain.
