

FHA Making Out Forms On Feed

The Eastland Farm Administration office has the forms and is ready to make out applications

for farmers and ranchers desiring to take advantage of the county's being included in the drought emergency feed program, it was learned today from Homer Cole, manager.

Reduced prices on feed grains will be available to eligible farmers and stockmen, it was stated. "We are ready to accept the applications any time now," said Mr. Cole.

While the agricultural situation for the year ahead took on an improved outlook today, following rain and snow, this moisture came after a prolonged drought which has wrought a special hardship on those with livestock.

Eastland Echoes

THOUGHT FOR TODAY: "There is nothing truly great in a man but character."—(Everts).

As always, just when you think it isn't going to rain in Texas, sure enough it does! And in the present instance, we got a big snow along with it, to say nothing of such things as sleet. It's what everybody has been hoping for so we should be quite happy about it.

is Car Hazard weather take it easy. A garage-man made this remark: "Main thing's to drive slowly." True, isn't it? If you've ever driven on ice and slush at a rapid clip and started skidding—you know what we mean.

Less than two weeks remain for paying that poll tax. Don't forget. All who don't qualify themselves, we have an idea, will be sorry for this is "Election Year."

The story is told that on her return from Europe an American tourist hid several bottles of perfume so customs officials wouldn't find them. Sure enough, her luggage withstood the test right up to the last case. When the customs man started to open it, the tourist's small daughter cried excitedly: "He's getting warm, isn't he?"

If those seeking, actively, new industries for our town ever grow a bid discouraged about slowness of landing them, they may be cheered by the fact that virtually all towns with as much to offer as ours has, usually—by everlasting perseverance—finally can manage to build up quite a battery of industries, large and small. We already have several and we believe the list can be added to considerably, over a period of years.

Shades of His Majesty Ol' Rip

27 Years Ago Friday Famed Toad "Croaked"

Tomorrow, Friday, January 20, is a famous anniversary in Eastland.

Twenty-seven years ago tomorrow, Old Rip died. He departed this mortal coil on January 20, 1929.

He was the most famous resident Eastland ever had. He had visited the President of the United States and had become known all over the civilized world where newspapers were printed and where people could read and write.

He caused more people in this country to be called "liars" than any other thing his size that ever existed. He provoked heated conversations and arguments from everybody in

Burleson Expects Lengthy Cold War

Cong. Omar Burleson expects the cold war of Russia-Communism to be a lengthy affair, he says in his news release, received by this paper. Mr. Burleson points out:

As stated in most of my speeches back home during this past Fall, it was obvious soon after the Geneva Conference that the cold war would continue unabated.

Perhaps we should be thankful for the lesser of two evils—that the "cold" war has not turned into a hot one. We might as well make up our minds, however, that as long as there is a Russia and Communism, the present situation is going to be with us for a long time to come. The big problem is how to constantly face it with courage, determination, responsibility, and common sense.

We should now know we cannot buy friendship with dollars, but it does not mean that we can isolate ourselves from the rest of the world and be safe. If we are responsible, we must look beyond all tomorrows.

The Senate Finance Committee has voted to exempt farmers from the Federal gasoline tax for gasoline used in farm operations. This is a little "sop" which will amount to approximately 60 million dollars a year in savings to the farmers. It is a drop in the bucket considering conditions facing the farmers, and should have been included in legislation a long time ago.

Although we have our troubles, at least our area is free from one

of the very great difficulties facing many of the large cities in this Country. This has to do with "smog."

The city of Los Angeles, California, is reported to be one of the worst. Carbon monoxide from automobiles mixed with gases from industrial plants is said to be seriously impairing health and all that goes with it. Figures show that every day over the United States 35 tons of injurious matter fall from exhaust pipes of automobiles alone. A million and a half tons from automobiles and incinerators fall on New York City each year.

There is talk that the Federal Government will be called upon to assist in doing something about this situation.

Applications On Postmaster To Be Accepted to 24th

An examination for postmaster at Eastland, \$5,280 a year, will be open for receipt of applications until Jan. 24, 1956, the Commission has announced.

There is no written test for the position. Applicants will be rated competitively on evaluation of their business or professional experience and training and general fitness for the position. There is a 1-year residence requirement and all applicants except those entitled to veterans preference must be at least 30 years of age. There is no maximum age limit.

Complete information about the examination requirements and instructions for filing applications must be obtained at the post office for which this examination is being announced. Application forms must be filed with the U. S. Civil Service Commission, Washington 25, D. C. and must be received or postmarked not later than the closing date.

'Winter Wonderland' Weather Breaks Eastland County Drouth

Rain, Sleet, Snow Bring Moisture Of Help To Farming

The lengthy drouth in Eastland County, as at many other points, was broken by a precipitation that included rain, sleet and snow which gave most localities in this territory more than an inch of moisture in the forty-eight-hour period ending Wednesday mid-day. Rainfall in the area varied. Eastland received an inch of rain and three inches of snow.

Traffic hazards were considerable early Wednesday and bus schedules were temporarily disturbed by the icy condition of the highways. One traveler early Wednesday reported ten cars off the road, from skidding, which he saw enroute from Eastland to Ranger. Deputy Sheriff Johnny Boyd counted five a bit later when he made the ten-mile trip. However, only two serious accidents in the area were reported.

The automobile of Deputy Sheriff Elmer Todd of Lubbock County, formerly of Gorman which occurred 4 or 5 miles east of Ranger Tuesday night. His father, Robert Todd of Gorman, had gone with him to Longview and they were bringing a prisoner back when the mishap occurred. The deputy said that as he was meeting another car, the approaching machine's lights blinded him, as they were not dimmed, and he ran his car too close to the shoulder and it skidded and overturned. The car was damaged heavily but no one was injured. Sheriff J. B. Williams rushed to the accident scene and assisted the Todds and brought the prisoner to the county jail, where another prisoner also was being held for Deputy Todd.

Four persons were injured in a collision of two automobiles on the TESCO property road at Leon Plant Village about 6 p.m. Wednesday.

The crash was between the automobiles of Tommie Alford and R. D. Kelley, both of whom are TESCO employees at the plant. Mrs. Alford was driving one auto and with her were three of her children — Tommie Jr., Phil and Margaret — and Mr. Kelley was the sole occupant of his car.

Mrs. Alford was most seriously injured, her hurts including several broken ribs. Her son's and daughter's injuries were mostly bruises and abrasions, it was reported. Mr. Kelley was not seriously hurt. The cars were wrecked.

Mrs. Alford and children were taken to Ranger General Hospital for treatment.

By mid-afternoon Wednesday much of the sleet and snow had melted from the pavement of highways and thoroughfares and this greatly reduced the accident hazards. In Eastland, for the period, the police handled five minor car mishaps, mostly with small (Continued on Page 6)

Conduct Rites For Victims of Fire At Cisco

Funeral for Mrs. Fannie White and her son, Tony White, was held Tuesday afternoon in Hamner Funeral Home Chapel at Cisco.

Mrs. White and her son were found in the kitchen of their home, burned beyond recognition, when their four-room frame house at Cisco burned. Cause of the fire was still undetermined.

Mrs. White, 92, was born in Freestone County Nov. 15, 1863, and moved to Cisco 14 years ago from Brown County. She was married in Brown County in 1881 to Tom A. White.

Tony White, 70, was born in Brown County April 16, 1885, (Continued on Page 6)

Mavs Winners Over Wylie In Thriller Here

By NORMAN WRIGHT

In a basketball game that had spectators hanging from the rafters at the finish, the Eastland High School Mavericks barely managed to squeak by the Wylie Bulldogs here Tuesday night 55-53 in a thriller-diller that went into two extra periods.

The Wylie girls, who have lost only one game in the past three years, defeated the Mavericks 58-35.

In spite of the fact that the Bulldogs had three men on him all night, Dale Slatton emerged as high scorer with 20 points. That puts him far and away the high point man in the district. Going into the Tuesday night game, Slatton led his nearest competitor, Clark Baum of Cross Plains, 45-40. Baum made only 9 points against Gorman Tuesday night so the count now stands Slatton 65, Baum 49. As a matter of fact, when all the box scores are checked, Baum may not even be runner up at this stage.

In spite of Slatton's 20 points, (Continued on Page Two)

Robert G. Mauerman, wildlife biologist for the Fish and Game Commission, Austin, was unable to fill the planned engagement as speaker at the recent meeting of the Sabanna Valley Game Preserve but will be invited back to a later meeting, it was learned today.

The meeting, held at Center Point School House, drew a large attendance. In Mr. Mauerman's absence, short but interesting talks were given by visiting citizens from Cisco, Abilene and Nocona.

Paul Brashear, state representative from Cisco, reported on his conference with the Fish and Game Commission in regard to closing of season on deer in the southern precincts of Eastland County and the northern precinct (Continued On Page 7)

Animals From Eastland County To Stock Show

Harold Hilley, son of Boyd Hilley of Gorman, president of the Eastland County Livestock Raisers Association, and Mrs. Hilley, will take two shorthorn calves to the Fort Worth Fat Stock Show next week. Last year he won reserve champion shorthorn of the junior division.

R. S. Higgins, assistant county agricultural agent of Eastland County, will accompany young Hilley to the Fort Worth event.

Another Eastland County exhibitor will be Mrs. Don Russell of Eastland, who will show her quarterhorse - filly. At the recent Odessa show, the Russell animal won 5th place.

County Agricultural Agent J. V. Cooper and Don Hart, agricultural representative of the Texas Electric Service Company, will take a busload of 4-H Club boys from over the county to the Fat Stock Show Jan. 28, FFA Day.

Round-Table Dist. Scout Meet, Ranger

Plans are complete for a Boy Scouters' round-table and district committee dinner meeting at 7 p.m. Monday at the First Methodist Church, Ranger.

Those who plan to attend are to notify Arthur Deffebach, Ranger, by Friday, Dist. Chairman Dr. J. C. Whittington said.

Persons expected to attend, besides the district committee, include unit leaders, committee members and den mothers.

Official Invitation To Rotary By Lions Brotherhood Week

There will be a joint meeting of the Eastland Lions Club and the Rotary Club on Tuesday, February 28, it was decided at the Lions luncheon this week when they voted to extend an invitation to the Rotarians to have dinner with them on that date at the Methodist Church.

The Lions also voted to visit the school during the first week in March during Public School Week, and hold their weekly luncheon at the school cafeteria (for a fee, stressed Lion Wendell Siebert.)

Lion President Harold Reese was authorized to extend an invitation to the DeLeon Lions Club to meet with the Eastland Club and bring over a program at their convenience.

Lion Pop Garrett announced that the district governor would be here for the January 31 meeting. He also announced that all clubs in the zone had voted to have Ladies Night on March 23 and that meeting will be held in the Cisco College Gymnasium.

Three Countians Hurt In Mishap

Three Ciscoans and an out-of-town relative were injured late Monday in an automobile accident seven miles west of Baird on U.S. Highway 80. Hurt were Mr. and Mrs. Roy Fenley and Miss Willie Word, Cisco, and James M. Patterson of Gillette, Wyoming.

The group had taken Kent Word, Cisco, to the Hendricks Hospital in Abilene and were enroute home.

Mr. Fenley, 58, lost his left eye and suffered a broken left thigh, a broken collar bone and several broken ribs. Mrs. Fenley suffered cuts and bruises and was suffering from shock. Miss Word and Mr. Patterson, 71, had minor cuts and bruises.

Standing Committee, Dist. 8, 4-H Girls Meets In Hamilton

The District 8 girls standing committee met in Hamilton Saturday in annual session.

Attending were Rose Mary Berry of Cisco, co-chairman of the Eastland County 4-H Council, Miss Julia LaFaye Mason, Assistant Home Demonstration Agent, and Kathleen Zehr of Cisco.

The District 8 girls standing committee is composed of the chairman of each county council or committee in the district. If the chairman is a boy then the co-chairman acts as the delegate.

This organization works to promote and encourage girls 4-H Club work and to coordinate 4-H Club activities in the district.

Mavs -

(Continued From Page One)

It was Larry Tankersley with his 14 who kept the Mavericks in the ball game. In its early stages, Tank was the only man who could score, and he played an outstanding game on both offense and defense.

Whether Tankersley is playing football or basketball, he usually makes news. In the final seconds he scored two points that put the Mavs in the lead, then committed a foul that enabled the Bulldogs to tie the score with two free tosses. But happily, the game ended as it should have.

Cates played his usual fine game. Fast as greased electricity and deceptive with his left-handed playing, he stole the ball on countless occasions and made 12 points to boot.

Herrera, who plays as smooth as flowing honey, was all over the court and got himself 4 field goals and 8 points.

Lewis did a splendid job "quarterbacking" the club. He went into the fourth quarter with four fouls against him, but managed to hang on through the rest of the game, including the two extra periods.

Orchids to WEST WARD P-TA for installing venetian blinds in each of the classrooms at West Ward school during the holidays, costing them \$250!

And orchids to WEST WARD P-TA and its president, MRS. RICHARD MIDDLETON, and publicity chairman, MRS. M. A. TREADWELL JR., for supervising the planting of six cottonwood trees on the edge of West Ward school grounds one of the coldest days in November... and orchids to MR. TUCKER and MR. HULL of the TESCO force for digging, gratis, the holes on that cold day!

And orchids to the entire West Ward P-TA for buying the trees and the \$14 worth of rubber hose to water them, totaling about \$80 for the improvement of the school grounds! Aren't we glad we supported the P-TA carnivals, bake sales, etc.?

The overused expression, winter wonderland, "would be trite were it not so true" (to borrow an expression from one of Winston Churchill's famous wartime speeches), with foliage encased in sparkling ice, hanging grotesquely toward the earth, glistening in the car lights, Tuesday night; and then Wednesday morning the white blanket of snow reflecting a myriad of colors and hues in the sun — more, it seems, than a many-faceted diamond in the light! Did you ever notice the shades of purple on the snow in the late evening? How could the world be so awe-inspiringly beautiful?

And Mrs. L. E. CORBELL gave us a delicious recipe for snow ice cream — two eggs, beaten thoroughly, and then creamed with sugar to taste. Add a cup of whipping cream or top milk, vanilla to taste, and then stir into three quarts of snow. Stir and mix with a spoon. Yum! Yum! Chocolate syrup or any other topping may be added but we prefer ours plain.

She said she saw a car turn completely around on the ice and snow-covered streets downtown early Wednesday morning and there were four cars in the ditch between here and Ranger, a man reported to her husband early yesterday morning, Mrs. Corbell said. But no one was hurt, thank goodness! Bye now.

Denton Woman, Former Regional Vice President, TFWC, Candidate For 1st Vice President, TFWC

Mrs. Ben W. Boyd of Denton, formerly regional vice president of the Texas Federation of Women's Clubs, has been presented by the Woman's Shakespeare Club of Denton as a candidate for first vice president of the Texas Federation of Women's Clubs at the May, 1956, election to be held at the state convention in Dallas.

A life member of the Women's Shakespeare Club, Mrs. Boyd has been an active and enthusiastic organizer and leader in club, church and civic affairs. She has served as president of the Shakespeare Club and the Denton City Federation of Women's Clubs, president of Second District, Texas Federation of Women's Clubs, and regional vice president of the Eastern Region, including First, Second, and Third Districts. She received the award for best work done as regional vice president during the term she served.

She is now serving her seventh year on the district board, seventh year on the state board of directors, fifth year on the state executive committee, and third year as chairman of the budget.

Mrs. Boyd has been active in the work of the Baptist Church, the Red Cross, Parent-Teacher Associations, the Gilmer-Aiken Committee, and Texas State College for Women Alumnae Association, of which she is a past president.

A graduate of the Texas State

MRS. BEN W. BOYD

College for Women, Mrs. Boyd received her master's degree from North Texas State College. She is a member of the American Association Women, Scholarship Society of the Southwest, and National Association of Parliamentarians. She is the mother of two daughters, Patsy, now deceased, and Charlotte, a college junior.

The Denton Ariel Club, Junior Shakespeare Club, Denton City Federation, and the Denton County Federation joined the Woman's Shakespeare Club in commending Mrs. Boyd to the clubwomen of Texas for first vice president.

Civic League's Special Drive Group Meets

Mrs. Frank Castleberry was hostess Tuesday morning to the Civic League and Garden Club group that worked on placing the club yearbooks with those members who had not received yearbooks.

Mrs. Jack Frost was awarded a coconut cake by Mrs. Castleberry for placing the most yearbooks on this special drive. Mrs. Herman Hassell was second, and others who worked and were present were Mrs. B. W. Brewer, Mrs. W. F. Davenport, Mrs. Milburn S. Long, Mrs. Arthur Murrell, Mrs. Horace Horton and the hostess.

Mrs. Castleberry, chairman of the special drive, presided at the meeting and it was suggested that the press report that any member, who was not reached by those working on the drive, be asked to contact a member of the committee and get her yearbook.

Some members of the committee were not asked to work because of illness, Mrs. Castleberry said.

Coffee, cake and tiny sandwiches of fresh country sausages and biscuits were served by Mrs. Castleberry.

VERSATILITY OF SOUR CREAM DRESSING, a new product on the Texas scene, is illustrated here. Its unique "blend-with-anything" flavor makes sour cream dressing equally at home atop steak, baked potato and salad in this dinner spotlighting Yorkshire Dressing, a scientifically soured cream produced by Oak Farms Dairies. Rich in Vitamin A, but only one-third as fattening as an oil dressing, Yorkshire Dressing is a natural for diners who like to add flavor and nutrition to their food without adding calories. This versatile new product — an improved version of one of the oldest dairy foods — is expected to put sour cream into many Texas kitchens for the first time.

Kenneth Taylor, Carbon, Elected Chairman, Co. 4-H Council At Meeting In Eastland Court House

The Eastland County 4-H Council met Thursday night at the county court house, Eastland.

Officers were elected, as follows: Kenneth Taylor of Carbon, chairman; Rose Mary Berry of Cisco, co-chairman, and Mary Lois White of Rising Star, secretary-treasurer.

Don Jobe, past chairman, presided at the meeting.

The council works to promote and encourage 4-H Club work in the county and most of the 4-H activities in the county are planned by the council.

Council membership is composed of each club's president and council delegate. Miss Julia LaFave Mason, Assistant Home Demonstration Agent and R. S. Higgins Jr., Assistant County Agricultural Agent, act as advisors to the council.

Mrs. Minnie Mae Hart, County Home Demonstration Agent, was present at the meeting and addressed several 4-H and 4-H club visitors.

Something prospered in Denmark. She has signed a \$2,400,000 contract with the Great China National Import Corporation, according to a trade-delegation spokesman in Hong Kong.

Of the 12 most important industrial developments of the past 25 years, only one—nylon—is based on fundamental 20th Century investigation. So says industrialist Frank J. Sgady, in a paper prepared for the American Association for the Advancement of Science.

Texas Federation of Women's Clubs Meet In Washington, D. C.

Mrs. L. E. Dudley, Abilene, president, The Texas Federation of Women's Clubs arrived in Washington, D. C. Wednesday, Dec. 18, for a two day session of the Board of Directors of the General Federation of Women's Clubs. This 187 member board are leaders of the 16,000 clubs and 5,500,000 clubmembers who make up the General Federation.

Madame J. H. van Roijen, wife of the Netherlands Ambassador will honor Mrs. Dudley with a luncheon at the Netherlands Embassy, Thursday, Jan. 19.

Mrs. Theodore S. Chapman, president of the General Federation and Mrs. Dudley have issued invitations to Texas Senators, Representatives and our Supreme Court Justice and their wives for a Congressional Reception to be held in the Federal Room of the Hotel Statler, Thursday evening, January 19.

One of the program highlights will be a panel discussion at the Friday evening session, of the findings of the White House Conference on Education, moderated by Mrs. Joseph M. Perkins, Eastland, GFWC Chairman of the Department of Education. Mrs. Dudley and other state presidents who are delegates to the Conference will participate in the panel. Mrs. Dudley was a member of the steering committee for the Texas Conference.

Other Texas members of the General Federation Board of Directors are Mrs. Van Hook Stubbs, Wortham, chairman of the Division of Mental Health, Community Affairs Department — recently, GFWC has placed special emphasis on a Mental Health program patterned from one initiated in Texas by Mrs. Stubbs in 1953 during her administration; Mrs. J. Howard Hoke, Midland, chairman of

the Division of Safety, Public Affairs Department—during the past year she has directed three Safety campaigns and contests; and Miss Ethel Foster, Sterling City, chairman of the Program Division of the Council of International Clubs—who will be unable to attend due to injuries suffered from a fall on January 9.

WITH THE Mavericks

By NORMAN WRIGHT

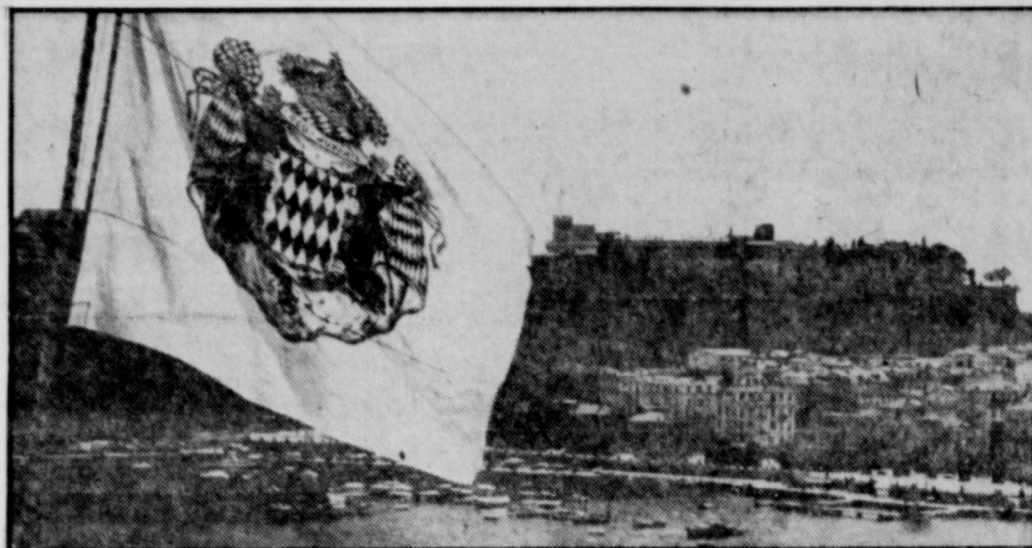

Jerry Clark, the sports writer over at Gorman, has started sniping at us early. A short while back we predicted that the Mavericks would win the football championship in District 10-A next year, and Clark says he just can't see Eastland beating Albany or Throckmorton, and certainly not Albany.

Well, Jerry, we can dream, can't we?

As a matter of fact, we're not nearly as worried about beating Albany or Throckmorton as we are about winning a basketball game from Gorman next Tuesday night, January 24. That's not going to be easy to do. Gorman is led by Max Pierce who is their high point man in conference play with 35 and we sure will be glad when he graduates. If he is having any difficulty with his grades, we'll be glad to go over there at night and help him with his homework to be sure that he gets a diploma. Max is a great athlete and his ability is highly respected in Eastland.

Let us hope the Mavs have their one bad basketball game out of their system, sufficient to take their past Ranger and Gorman, and then comes Cross Plains again and that is a game we've GOT to win.

That "one bad game" is the one they played Tuesday night against Wylie. They played good ball all right. They didn't make any wild shots and they passed the ball well and played with each other as a good team should but

CASTLE FROM A DREAM WORLD—Standard of Prince Rainier III of Monaco flies from a rampart overlooking the harbor of Monaco, on the Mediterranean. Castle, seen on bluff across the bay, is home of the ruler of the tiny, 0.59-square-mile European principality

they were just off. During the first half of the game they couldn't have dropped the ball in Lake Leon at three paces.

The Mavs were off on one other thing, too, against Wylie. They didn't play the rebounds like they did against Rising Star. There is only one way to think about a ball that has been shot towards a basket and that is to be firmly convinced that it's not going in and be there to nab it on the rebound.

Everything happens to Larry Tankersley. In the closing seconds of the Wylie ball game, he sunk the shot that put Eastland ahead by two points, and then with 12 seconds left to go he made a foul that allowed the Bulldogs to tie up the game. But he played himself a whole of a ball game, and there were a few times there when we were in the notion of passing the hat for him.

Eastland takes on Ranger Friday night, at Ranger. The two clubs have each played two common foes, Rising Star and Cross Plains. Ranger beat Rising Star 53-43, and Eastland beat that team 72-48. Cross Plains beat Ranger 58-43, and they beat Eastland 45-44.

Mmes. Dick, Parker and Whatley Give Las Leales Club Program

Mrs. O. H. Dick and Mrs. Don Parker were speakers and Mrs. J. C. Whatley showed a film as program numbers at Monday night's meeting of Las Leales Club at the Woman's Club.

Mrs. Dick's subject was "How To Be a Good Doctor's Good Patient" by Martin S. Gumpert, M.D., who stresses in his article the importance of "doing as the doctor says" among other things. Mrs. Parker's talk was an expose of various phony money-raising schemes as written by Bernard Tompkins entitled "When You Give — Are You Being Taken?" Mrs. Whatley projected a film, "That the Deaf May Speak," which showed how the exceptional children are taught to speak.

Mrs. Whatley also conducted a business session and roll call was answered with "Capsules of Advice."

Mrs. Eldress Gattis was hostess for the meeting. Others present were Mmes. Whatley, Dick Parker, Ella Birmingham, W. E. Brasher, Anna Grace Bumpass, Wayne Caton, Opal Cross, D. E. Fraser, H. L. West Ward P-TA Meets; Letters Thanks for Blinds Are Read

When West Ward P-TA met at the school cafeteria Tuesday afternoon Mrs. Richard Middleton, president, conducted a brief business session and Mrs. R. M. Sneed, secretary, read letters from each of the rooms.

The letters expressed appreciation to the P-TA for the venetian blinds installed in each of the classrooms during the holidays.

The P-TA spent \$250 on the blinds and about \$80 in November planting six cottonwood trees on the edge of the school ground including \$14 in rubber hose with which to keep the trees watered. Funds for these worthwhile im-

provements are made at the P-TA carnivals and other projects throughout the year. For instance, at this meeting the group planned a bake sale to be held within the next few weeks with the room mothers working with the teachers and the executive committee.

Mrs. Eugene Green's fourth grade won the room court prize for having the most mothers present. The field trip to Victor Cornelius Theatrical Advertising plant was postponed because of inclement weather.

Women From All Over County Invited To Co. Fed. Meeting In Eastland, 2:30 p.m. Saturday

Members of the federated clubs of Eastland will be hostesses to the other federated clubs of the county when the Eastland County Federation of Women's Clubs meets for a program-tea at the Woman's Club at 2:30 p.m. Saturday.

Mrs. E. E. Todd of Gorman, president of the county federation, will preside.

The program will include a talk, "There Is No Unanswered Prayer," by Mrs. Anna Grace Bumpass, and piano solos by Charlotte Vaught and Kay Culbertson, pupils of the Dragoo Studio.

The committee from the Eastland federated clubs in charge of the program and tea is composed of Mrs. Dave Fiensy, president of the Alpha Delphian Club; Mrs. Arthur Murrell, president of the Civic League and Garden Club; Mrs. J. W. Whatley, president of Las Leales Club, and Mrs. E. Roy Townsend, vice president of the Thursday Afternoon Club, serving for Mrs. Frank Sparks, president, who will be out of town. Mrs. James Horton has been appointed by the committee to decorate the table.

A large delegation of women from all over the county is expected, from the county federation's large membership, which is made up of the county's active and praiseworthy Home Demonstration Clubs and all those organizations affiliated with the Texas Federation of Women's Clubs.

Twin Operators Added, Crawley Beauty Shop

Something new in beauty operators has been added to Eastland this week. They are twins.

Mrs. Ruby Crawley has announced the addition to her staff of Millie Sue and Billie Ruth Fleming, twin daughters of Mr. and Mrs. J. W. Fleming of Cisco.

The two young ladies are graduates of Waco Beauty School and are experts in all types of beauty work and hair styling.

Mrs. Crawley invites her friends to meet the two new beauticians at her Beauty Shop on North Lamar street.

Decorator's Notebook
by Alicia Joyce

Here is an idea for your room that will meet your furniture fashion requirements. At the same time it will give long-term comfort, durability, and pleasure for the entire household.

The charming room pictured above has been designed to please the man of the house, and to reflect his hobbies.

Adhering to the growing trend to color in furniture, the beautifully tailored chair is done in Capri blue leather, and has an ottoman to match. The chairside reading table is of solid cherry. It is from a new collection introduced at the recent furniture markets. The hardware on it is brass.

Interpret this setting in your own home. Add a comfortable chair and handy table to a cozy corner of your living room. Then display hobby equipment such as the fishing rods and reels in the setting pictured above.

Another interesting note in this room is that the use of leather has been carried out even to the matting of the wall panels. The color of the leather is the same as that of the chair and ottoman—Capri blue.

Two Wildcat
Locations Staked
In County

Location for a new Eastland County wildcat was staked two miles north of Cisco by Big Six Oil Co. of Cisco.

It will be No. 1 Ivy, spotting 330 feet from the east and 1,770 feet from the south lines of Section 507, S1° Survey. Proposed depth is 4,000 feet with rotary.

Issett and James of Brownwood No. 1 H. L. Vestal will be a 1,600-foot rotary project three and a half miles northwest of Pioneer in the Issett Field.

Location is 1,615 feet from the north and 1,817 feet from the west lines of Sam Damon Survey.

damage to the autos.

Towns and countryside looked like "winter wonderlands," blanketed in ice and snow. Many trees and shrubs were bent to virtually the ground by the heavy ice that cloaked them and numerous trees were damaged when limbs broke off under the weight. A few TV antennas also were broken by this cause.

Four service wires of the Texas Electric Service Company were knocked down by falling branches in Eastland and one line 2 1/2 miles east of Ranger was out temporarily also. Service was soon restored, however.

County Agricultural Agent J. M. Cooper said that the precipitation was a fine start toward moisture for a new crop year and that it will help such small grain — wheat, oats and rye — as survived the drought.

"If we get some more moisture," said Agent Cooper, "there'll be spring oats sown in February."

Since all of it will soak into the soil, it will be of benefit in beginning a "season" for such spring planting as Sudan seeding. May and June are the big months for planting the county's main crop, peanuts, and, also cotton.

Business improvement was anticipated because of the encouragement of the moisture.

Both the Eastland and Ranger Public Schools are closed through this week-end, to reopen Monday. Several rural schools were reported closed, following the lead Wednesday of Carbon and Scranton.

Eastland Supt. Wendell Siebert, in announcing the closing, stated that while school will be resumed Monday, high school exams will be Tuesday and Wednesday.

An Eastland County wildcat location was staked two miles southeast of Rising Star.

It is C. E. Joyce, Rising Star, No. 1 J. T. Nunnally, slated for 1,200 feet with rotary. Site is 150 feet from the north and west lines of the northeast quarter in Section 11, BB&C Survey.

Two miles northeast of Eastland location for a regular field try was staked. Slated for 1,999 feet with rotary, it is W. D. Evans of Angleton, Tex., No. 1 Levie R. Van Geem.

Site is 648 feet from the north and 154 feet from the east lines of southeast quarter in Section 12, Block 4, H&TC Survey.

Delegation of
Local Baptists
To Ass'n Event

A sizable delegation from Eastland attended the regular Workers Conference of the Cisco Association held at First Baptist Church in Carbon Tuesday.

The Rev. J. B. Fowler, pastor of First Baptist Church at Moran, is moderator of the Cisco Association and presided at the meeting, whose theme was "This, I Believe."

The following made talks: the Rev. C. R. Myrick of Nimrod, subject, "The Sinfulness of Man"; the Rev. Wayne Peck of Union, "The Saving Power of Christ"; the Rev. W. S. Bunton of Caddo, "The Security of the Believer"; the Rev. H. H. McBride of Breckenridge, "The Growth in Grace."

Among the 183 attending the Association were the following from Eastland: the Rev. Harvey Kimbler, pastor of First Baptist Church; the Rev. James Flaming, pastor of the Baptist Chapel; Gayle Bowen, director of education and music, First Baptist Church, and J. C. Allison; Mmes. Carl Jones, Harvey Kimbler, J. W. Wallace, Roy Rushing and Grace Ray.

Theatrical advertising produced by the local concern in its large plant here goes virtually all over the United States and some of it even is shipped to Alaska and Newfoundland, for military bases in those areas, after forwarding by the military from New York. It was learned. Between 45 and 50 employees are engaged in tasks of the firm.

Sales made by the Cornelius concern average more than three-fourths of a million dollars a year.

T. E. Hale, 69,
Dies Wednesday;
Rites Set Today

T. E. Hale, 69, died Wednesday at 7:20 a.m. in his home, 121 Bowie.

Mr. Hale worked most of his life building tanks for oil companies.

He was born May 5, 1888, in Howard County, Arkansas, and moved at an early age to Erath County, Texas. He later moved to Lorenzo, in Crosby County, and moved to Ranger 30 years ago. He married Virgie Huckaby in Erath County in 1909.

Mr. Hale was a member of the First Baptist Church of Ranger. Funeral was held at the First Baptist Church at 3 p.m. Thursday with the Rev. Ralph Perkins, pastor, and the Rev. Calvin Bailey, pastor of the Second Baptist Church, officiating. Burial was in Evergreen Cemetery with Killingsworth Funeral Home in charge.

Mr. Hale is survived by his wife; three sons, Twyman Hale of Ranger, Delton Hale of Ranger, and Staff Sgt. Udell Hale of Goodfellow Air Force Base of San Angelo; one daughter, Miss Linnie Hale of Ranger; two brothers, A. N. Hale of Huckaby and J. R. Hale of Ranger; three sisters, Mrs. N. W. Minnick of Snyder, Mrs. E. R. Ball of Fluvanna, and Mrs. G. S. Kennedy of Wickert, and one granddaughter, Miss Phyllis Jane Hale of Ranger.

her parents, Mr. and Mrs. Edd Munn, here while her husband is stationed overseas with the Air Force.

Mr. and Mrs. Bob Fox and children moved into the Dunlap house south of Olden over the week-end.

Miss Betty Smith of Abilene visited her parents, Mr. and Mrs. Martin Smith, Saturday.

Mrs. Granvel Nabors and children of Mineral Wells visited her parents, the Dick Yieldings, over the week-end. Mrs. Nettie Fox accompanied them home for a visit.

Mr. and Mrs. Sapulver, Mrs. Lester, Mrs. Lowe and Mrs. Ruth Norton attended the singing in Sabanna recently.

Mrs. Bill Hicks and children of Abilene visited her parents, Mr. and Mrs. Clyde Garrett, last week.

Mrs. Garrett accompanied them home for a few days' visit.

Mr. and Mrs. Martin Smith and boys visited with her mother, Mrs. J. R. Slaughter, of Cisco last Friday evening. Mrs. Slaughter has been quite ill.

Mrs. Tom Marlow, who has been in Ranger General Hospital was dismissed Sunday morning and returned to her home here.

Mrs. Nina Lockhart and Pauline Norton spent Saturday afternoon in Abilene. They visited the Marcel Daniel family while there.

Mrs. Melvin Holt and children and her sister, Bobby Loyce, of Abilene visited their parents, Mr. and Mrs. George Fox, last Thursday.

Word was received recently of the death of Mrs. Langlitz of

Goldthwaite, mother of Clarence Langlitz and Mrs. Dora Elliott. Those who attended the funeral Thursday from Olden were Mr. and Mrs. Clarence Langlitz, Mrs. Eva Dick, the Berry Elliotts, Jack Elliott and family, Eastland. The Olden people extend deepest sympathy to the family.

Mr. and Mrs. Herman Knotgrass of Abilene spent Sunday in the home of Grandma Thomas.

Rosco Lester of Lamesa visited Mrs. Bob Lester and Mrs. Lowe last week.

Red Adams was admitted to the Ranger General Hospital late Monday.

Marshall, 70, retired December 31 after 14 years as executive director of the Texas State Soil Conservation Board. Well known to rural Texas for nearly 40 years, Marshall helped write Texas' first rural aid bill for schools which inaugurated the school bus system and free transportation for rural children.

Since the early 30's he has been an active leader in the conservation movement and is generally credited with having done more than any other individual to make soil conservation districts a fact in Texas.

He helped write, then vigorously supported, the bill which became Texas' Soil Conservation District Law when it passed the Legislature in 1939. This law open-

... "What shall I do with my money?" His reply: "First, invest it in a good home with enough land for a vegetable garden. Second, in other well located, revenue-producing real estate." "That's good, sound advice" said the reporter, "but haven't you forgotten something?" "What's that?" he asked. "Do you believe in insurance?" "I sure do," he replied. "What's worth having is worth insuring. It's another good investment."

Eastland Well Represented At Delta Kappa Gamma Meet, Cisco

Five of the six Eastland members of Beta Upsilon chapter of Delta Kappa Gamma attended the meeting of the two-county (Eastland and Callahan) organization at the club house in Cisco Saturday afternoon.

Hostesses were Mrs. Gladys Hunter, Mrs. Lillie Robinson, Miss Anna McEver and Mrs. Emma Hagaman, all of Ranger, and Mrs. Helen Hagaman of Ranger gave the program. Her subject was "Professional Growth Through Reading" and she suggested a list of cultural, instructive and inspirational books, explaining a little of each one.

Mrs. Bernice Carter of Cisco, president, presided.

The Ranger women served bottled beverages and cookies from a table decorated in the DKG colors, gold and red, using a centerpiece of yellow chrysanthemums and a gold cloth.

Among the 29 attending were Mrs. Ruth Herring, Miss Nettie Thornton, Miss Verna Johnson, Mrs. J. C. Whatley, all of Eastland, and a new member, Mrs. Charles Marshall of Eastland who is transferring to this chapter from the Wichita Falls chapter.

Game -

(Continued From Page One)

Miss Eudora Hawkins of Abilene, well-known official of the Federation of Women's Clubs, told how her organization was interested in the preservation of game and presented a film showing in detail how deer are trapped and transported for stocking purposes. Miss Hawkins expressed great interest in the coming visit of Mr. Mauerman and asked to be notified of the meeting at which he will be the speaker.

Anthony (Tony) Fenoglio, state representative from Nocona, proved to be an entertaining speaker. He gave an amusing introduction of himself and distributed new Texas highway maps and samples of his fine Mahan pecans which he grows on his Montague County farm. Association leaders stated that he and Mr. Brashers and Miss Hawkins are invited to join with them in future meetings, also.

A. D. Anderson and Mr. Padgett, Cisco businessmen, brought a movie projector and showed interesting films of wildlife and game fishing.

Refreshments of coffee and cake were served.

Mr. Mauerman has written that he is anxious to meet with the association any time a mutually satisfactory date can be agreed upon. It is hoped that he will be able to attend the meeting which will be held Feb. 14, it was learned.

Latest members to join the as-

sociation are: E. F. Mauphi, Mrs. Eula Meadow Caldwell, John G. Warren, Lucian Burns, B. W. Rankin and Homer E. Stephens, all of Gorman; Billy J. Mathis of Baton Rouge, La.; A. M. Ogle of Ranger and John Reed of Carbon.

place vogue has sent fire wood sales beyond 50 million cords a year. (Maybe there is hope for another Abe Lincoln.) I am afraid there is still not much market for a considerable amount of mesquite wood I have on my place in Jones County.

As the Congress gets under way it would seem to me to be a good idea if each Congressman would take note of the following words of Thomas Jefferson:

"I served with General Washington in the Legislature of Virginia, before the Revolution, and during it, with Doctor Franklin in Congress. I never heard either of them speak ten minutes at a time, nor to any but the main point,

which was to decide the question. They laid their shoulders to the great points, knowing that the little ones would follow of themselves. If the present Congress errs in too much talking, how can it be otherwise, in a body to which the people send one hundred and fifty lawyers, whose trade it is to question everything, yield nothing, and talk by the hour? That one hundred and fifty lawyers should do business together ought not to be expected."

If we heeded the words of Jefferson, we probably would get a

great deal more accomplished. "I believe in having strong convictions, but it is dangerous to have them unless they are based on knowledge."
