Eastland Echoes

By Casey

THOUGHT FOR TODAY: "When you encounter stumbling stones along the way, step on them and go ahead." — (Cheer).

Congratulations are certainly in order for Cong. Omar Burleson of our district. He lately has been elevated to head the Texas Delegation — powerful unit that it is — in Washington. It's a signal honor and shows the esteem in which the Hon. Mr. Burleson is held by his colleagues.

We came across a story worth a chuckle imported from Scotland:
An Aberdonian who tossed a bad shilling into the cap of a pavement artist was reprimanded by his wife. She said: "A bad shilling would ha' been enough!"

Says County Office Mgr. Emmett E. Powell of the Eastland County ASC: "This will be a good year to build farm terraces." Then he explains: "The ACP program will share up to 70 per cent of the cost of the terraces not to exceed \$3.50 per 100 feet." If farming's your vocation and you'd like to equip your place with terraces, it's a good time to contact the office of Mr. Powell, at the Courthouse.

This is Congratulations Day — because here we go again: This time it's tiny Mary Ann Lee of Rising Star, first born in 1956 at Eastland Memorial Hospital, and our congratulations and good wishes go to Mary Ann and her parents, Mr. and Mrs. John Lee.

Don't miss the Quarterback Club-sponsored football banquet Thursday night, the 26th. Your \$2 will buy a ticket for yourself and a Maverick, and you — and the Mav — will enjoy every minute of the well-planned program.

Boosters for Fat Stock Show Coming Jan. 19

The Fort Worth Civitan Club, which will be in Eastland on a Fat Stock Show booster trip, is to be met at the eastern city limits by Eastland police escort at 9:30 a.m. Thursday, Jan. 19, according to Chamber of Commerce Manager H. J. Tanner.

The trippers, traveling by chartered bus, will come here from Ranger, and give a downtown program from 9:30 to 9:45.

Tension Of Election Year In Congress Is Told By O. Burleson

Congressman Omar Burleson, in his weekly news release of the Congressional session, explains today the tension which exists in Washington in election year. His comment:

"With the opening of the 2nd session of the 84th Congress, this column will again be written each week.

"It is the intent to write about matters of interest in Congress and in Washington. An effort will be made to discuss those things which do not appear in the daily newspapers, but at the same time to call attention to legislation and discussions under consideration.

"From time to time it has been urged that people write their congressman on matters in which they have an interest and on which they wish to express their views. You are as close to your congressman as a three-cent stamp, and can be assured your opinions will be appreciated and respected.

"At the opening of this session of the Congress, the Texas delegation, including our two Senators, bestowed upon me the honor

Eastland Memorial Hospital has announced its first baby for 1956.

She is Mary Ann Lee, who was born at 5:27 p.m. Sunday, Jan. 8, daughter of Mr. and Mrs. John W. Lee Jr. of Rising Star. Grandparents are Mr. and Mrs. John W. Lee of Austin and W. L. Robinson of Locust Grove, Okla. Mary Ann weighed 6 pounds 5 ounces.

The hospital reported births almost daily until Jan. 1 and then started looking for its first baby of 1956.

Almost when Mrs. Grace Reed, superintendent, and all the hospital personnel had despaired of reporting an early baby in 1956 — along came Mary Ann on the eighth day of the new year to capture the honor of being the hospital's first 1956 baby.

This is a coveted honor locally and Mary Ann was the recipient of much recognition in the way of gifts and attention from the hospital personnel and others.

Ten-Game 1956 Schedule Set For Rangers

San Burnham, athletic director at Ranger Junior College, today announced a 10-game football schedule for his Rangers next season.

The new schedule includes six games to be played here with some of the state's perennial top junior college teams. Among the leading contenders in the state race each year are Paris, Tyler and Kilgore plus conference teams, San Angelo and Arlington State.

Teams added to the new list are Kilgore and Cisco. Hardin-Simmons was not scheduled to meet the Rangers next year.

Opening date for the Rangers will be Sept. 15 when they meet Paris here. The third contest of the season, Sept. 15 against McMurry here will begin a string of four consecutive home contests.

The entire schedule:
Sept. 15—Paris (here)
Sept. 22—Tyler (there)
Sept. 27—McMurry (here)
Oct. 6—Open
Oct. 13—San Angelo (here)
Oct. 20—Tarleton (here)
Oct. 27—Henderson Co. (here)
Nov. 3—Kilgore (there)
Nov. 10—Arlington (there)
Nov. 17—Schreiner (there)
Nov. 22—Cisco (here)

The Cisco contest, which will wind up the Rangers' season, will be an afternoon affair.

Eastland Horse Awarded Ribbon

Mr. and Mrs. Don Russell and sons, John and Joe, attended the quarter horse show and rodeo in Odessa Friday and Saturday and entered their 9-month-old filly, "Cuate's Jo."

Fifth place in her class was won by "Cuate's Jo" and she was awarded a pink ribbon.

"Always in an election year there is more tension in the Congress and the lines are more tightly drawn than usual. This year promises to be no different. There are numerous issues to be dealt with in this session and no doubt it will be strenuous.

"The foremost problem facing the Congress is what to do about the farm situation. Something should have been done about it last year which would have brought about better conditions for 1956. It is now likely that whatever is done will not be applicable to this crop year, but will apply to 1957. This likely means that the farmer is not going to be any better off this year insofar as production and prices are concerned.

"A highway bill is almost certain in this session, but it will be a long, drawn-out proposition. There are many ideas as to how it should be done, and particularly as to how the cost will be paid.

Death Car Driver Given Probation Term

Robert Franklin Carson, 33, of Fort Worth was given a five-year probation sentence in the automobile collision at S. 7th St. and Treadway Blvd. in Abilene.

Carson was charged after Conner was killed July 27 in a three-car collision at S. 7th St. and Treadway Blvd. in Abilene.

Carson pleaded guilty to the charge.

The jury recommended the defendant be required to report to the county judge of his resident county each month for 60 months, and that he swear in his report on each occasion that he had not driven any type of motor vehicle while under the influence of any type of intoxicating liquor.

Carson also lost his driver's license for a year.

H. Flowers, 64, Taken by Death Early Tuesday

Funeral services will be held in Grand Saline at the Methodist Church tomorrow, Wednesday, at 2:30, for Haywood Flowers, 64, of 408 S. Walnut Street, Eastland.

Mr. Flowers passed away at 2:30 a.m. today at a Grand Saline hospital where he had been suffering for some time with lung cancer. Grand Saline was his home town.

Mr. Flowers had lived in Eastland for about 15 years and was in the oil leasing business.

Survivors include his wife, Mrs. Frankie Flowers, and one daughter, Helen Ruth, who was valedictorian of Eastland High School last year and who is now attending TCU; two brothers, R. E. Flowers of Grand Saline and Babe Flowers, of Oklahoma, and also one sister, Mrs. J. D. Kirby, who lives in Dallas.

Burleson Is Head of Tex. Delegation

On the convening of the 2nd session of the 84th Congress, Representative Omar Burleson of the 17th District of Texas, whose home town is Amon, was elected by his colleagues to head the Texas delegation in Washington. The delegation includes the twenty-two members of the House of Representatives and the two Senators from Texas, and all were present when new officers were selected for 1956.

As chairman of the delegation, Congressman Burleson will preside over all meetings of the Texas delegation in Congress and become the central figure in such other activities as the members may engage in during the tenure of his office. In the 81st Congress, Representative Burleson served as secretary of the Texas group.

The Texas group meets each Wednesday in the dining room of the Capitol assigned to the Speaker of the House. At these meetings the members may have as their guests visitors from back home, except on those days when the meetings are closed for the discussion of legislation or other issues of mutual interest.

The Texas delegation, however, never attempts to agree to vote as a bloc on any bill, or take unanimous action on political matters. Depending on the section of the state from which the Congressmen come, there is a rather wide difference in political views at times, but the delegation as such is closer than any other in the Congress and it is generally conceded that, as a group, they have the greatest influence of any single state in the Union.

SINGLE RAIL FOR LONE-STAR RIDERS—Houston, Tex., will soon have a pilot model, 970-foot monorail line in operation. Artist's sketch, above, shows how a proposed car of a completed system might look, should tests on the "sample" system prove encouraging. Coach, 54 feet long, will seat 96 passengers. Engineer will ride in plastic "bubble" which protrudes above streamlined wheel housing above the single rail of the pillar-supported track. Twin engines would give the air-conditioned cars smooth acceleration and rapid transit-plus speed. Line, first of its kind in this country, would free streets of bus traffic, give commuters a swift, traffic-free ride to their destination.

Rotary Entertained By Cartoonist Hay

Eastland Rotary was entertained, as its program, by Johnny Hay, cartoonist and one of the directors for WPAP-TV, Monday noon at the Connellee Roof Garden.

Don Pierson, program chairman for the occasion, introduced him. Bernard Hanna, club president, presided over the meeting.

Several Persons Here Struck By USG & T Collapse

Several Eastland citizens, including prominent business and professional men, were among the many depositors in the now-collapsed U.S. Guaranty & Trust Co., it has been learned.

A number of others contemplated investing — but didn't, it was reported.

Electric Scoreboard For Mavs Going Up In Feb.

The new electric scoreboard for Maverick Stadium is now in Eastland resting comfortably, thank you, at the Coca Cola Bottling Company.

The old scoreboard has been torn down and the new one will go up next month, according to Coca Cola officials. However, it is not planned to install some of the more delicate, vital parts until shortly before the new football season: This is a precautionary measure to prevent damage by the elements or tampering with by the curious.

Eastland citizens raised \$1,125

for this new scoreboard within the record time of two days, and Coca Cola donated about that much more for the privilege of putting its name on the thing. It is a beautiful board like the one in Fair Park Stadium at Abilene, if you've seen that one. Its installation will make Maverick Stadium one of the finest small stadiums in the state.

Ten Countians At Education Meet, Austin

Ten school executives from Eastland County were among those attending the School Administrators' Advisory Conference on Education at Austin sponsored by the Texas Education Agency the past week-end.

Countians present included: H. R. Garrett, county schools superintendent; Wendell Siebert, superintendent, Eastland schools; G. B. Rush, superintendent, Ranger schools; Charles P. Marshall, principal, Eastland High School.

Also Travis A. Hilliard, superintendent, Olden schools; Jack Everett, supervisor, Cisco schools; Sam Jones, superintendent, Rising Star schools; Ross Wilson, superintendent, Gorman schools; W. H. Mullins, superintendent, Carbon schools; George Hilton, superintendent, Desdemona schools.

1st District Cage Game of Mavs Tonight

The Eastland High School Maverick basketball team plays its first conference game of the season tonight, Tuesday, as they meet the Cross Plains Buffaloes over there.

The girls' basketball team will open the skirmishes with a game against the Cross Plains girls at 7:00 o'clock, and the boys game will follow.

The Mavericks lost a game last Friday night when the Stephenville quintet nosed them out 73-38.

Nathan Powell, 70, of Carbon Dies At Work

Nathan Powell, 70, of Carbon became fatally ill while engaged in yard work at a residence at Carbon Monday afternoon.

Mr. Powell had been pruning shrubs and trees on the lawn of Mrs. Annie Reese's home and had just carried a tree limb to a stack of prunings he had taken to the street when he was stricken.

He fell to the ground and died before he could be removed to a hospital. A report reaching them that a man had been found dead at Carbon, County Attorney Joe Nuesse, Sheriff J. B. Williams and Peace Justice Jim Borgus went to that community where

Outstanding Cage Game At Olden Tonight

The most outstanding basketball game to be played this year at Olden will take place tonight, Tuesday, when the Olden Hornets take on the flashy quintet from Burkett. The Burkett team was runner-up for state champions in their division last year, and in a previous encounter this year the Hornets were able to beat them by only two points.

Olden expects a packed gymnasium tonight.

The Olden "A" Girls will start the program with a game to be held at 6:30, followed by the "B" Boys, after which will come the thriller between the Hornets and the lads from Burkett.

Despite Need For Rain, Soundness Is Noted In Structure

Railroad Man Laid To Rest On Tuesday

Funeral for E. C. (Pete) Barnes, 66, retired brakeman for the Texas & Pacific Railway Co., were held at 2 p.m. Tuesday at the Wylie Funeral Home Chapel, Cisco. Burial was in Oakwood Cemetery.

Mr. Barnes died at 7 a.m. Monday at his home in Cisco.

He was born Sept. 17, 1888 in Nashville, Tenn. He married Miss Antha Robertson in 1914 in Grand Saline. They had lived in Cisco since 1918.

He retired in 1948 after working 30 years for the railway company. He was a member of the Methodist Church and the Railroad Trainman Lodge.

Survivors include his wife and a number of nieces and nephews.

While this area, along with many others, needs a rain, at the same time a sound financial situation exists in town and territory, as reflected by the statement of the Eastland National Bank.

Except for one temporary instance, its overall capital structure is at an all-time high, \$4,004,488.75, with \$3,780,067.56 of this figure representing deposits.

The temporary exception took place when money from construction bonds was placed in the Eastland and Ranger banks at the time of the building of the Lake Leon dam, funds for which were expended some time ago.

The bank's statement shows more than a quarter million dollars' increase in deposits over that of this time last year.

"While agriculture's big need at present is a rain, the general economy of our territory, judging by this picture, continues sound," said Tom Wilson, president of Eastland National.

Arrangements For Farm Program In County Outlined

Practices and payment rates for the 1956 county Agricultural Stabilization Committee program were announced Saturday by Office Manager Emmett E. Powell for the county ASC Committee. The committee is composed of Elmer E. Blackwell, W. E. Cooper and W. R. Essery.

The following practices and payment rates have been approved for conservation work during the coming year:

1. Establishment of additional vegetative cover in crop rotation; payment — 50 per cent of the cost of seed.
2. Initial improvement of an established permanent vegetative cover payment — 50 per cent of cost of seed.
3. Control of oak to permit growth of desirable vegetative cover payment — 50 per cent of cost of seed.
4. Construction of earthen dams; payment — 50 per cent of the cost not to exceed 9c per cubic yard.
5. Establishment of permanent waterways; payment — 70 per cent of cost not to exceed \$7 per 100 feet.
6. Construction of standard terraces; payment — 70 per cent of cost not to exceed \$3.50 per 100 feet.
7. Construction of diversion terraces; payment — 50 per cent of the cost not to exceed 7c per year.

Those who desire to perform any of the above practices were asked to contact the County ASC Office to make application. As soon as applications are approved, money will be set aside to pay for practices.

Mr. Powell noted that "now is the time to make application for new grower cotton and peanut allotments." These allotments are for farms that have not grown cotton or peanuts in the past three years. To be eligible for a new grower allotment, neither the operator nor the landlord can have an interest in another farm that has an allotment established.

February 3 is the final date for accepting applications for new grower peanut allotments, and the cotton application deadline is Feb. 24. Producers have until May 22 to release cotton allotments and until June 2 to release peanut allotments.

Producers who do not intend to plant their cotton or peanut allotments for 1956 were asked to release the allotments to the committee so that the acreage can be distributed to other producers. The farm releasing the acreage receives credit for the acreage and the acreage goes back to the farm for 1957.

Employment Commission Has Multiple Tasks

The Texas Employment Commission during the last year found 1,037,593 jobs and that was only a part of the agency's work.

Also, the Texas Employment Commission points out in its annual report, that agency also collected over \$16 millions in payroll taxes and investigated 161,234 claims for unemployment compensation.

The job placements represented an increase over the 1954 figure and the taxes collected were lower than last year's by four and one-quarter millions, a change of pace for governmental agencies. But then no other tax collecting unit can offer what the TEC may hold out under Texas unemployment compensation statutes, a chance for taxpayers to reduce their own liability.

A better employer experience rating can accomplish such a reduction, and Texas employers realized a neat saving by such means in 1955. The payroll tax starts at a flat 3 per cent, which would be a fixed rate under Federal control instead of state operation. Texas' taxable payrolls for the year amounted to \$3,973,000,000. The saving to Texas employers because of the employer experience rating operation amounted to \$92 millions.

More than half of the million-old job placements by the TEC's 77 local offices were on farms, showing that agriculture still is a leading industry. And women filled 39.7 per cent of the 501,161 non-agricultural jobs, eloquent testimonial of woman's place in the booming Texas economy.

The TEC's report, currently being distributed to all newspapers as well as state officials, also revealed that of 496,091 job applicants, 28,861 were physically handicapped, 21.3 per cent were veterans; more Texans look for jobs in June than any other month and fewer in December; the state's cotton farms need four times as many "hands" as all other farming activities combined; and the TEC, as agent of the Federal government, paid out nearly \$4,500,000 to unemployed veterans.

All, according to the TEC, in a year's work.

HERE FROM DALLAS
Mr. and Mrs. Tom Dabney of Dallas spent Saturday and Sunday with his parents, Mr. and Mrs. Allen D. Dabney who also had as their guests Saturday their son-in-law and daughter, Mr. and Mrs. Melvin C. Sullivan of Dallas.

IN MEMORIAM

To the Worthy Matron, Worthy Patron, and Members of Eastland Chapter No. 280, O.E.S.

Whereas, Another link in our Fraternal Chain was severed on December 3, 1955, when Death Angel bore to the Grand Chapter above, the soul of our departed Sister Eunice Burkhead, and

Whereas, It has pleased our heavenly Father, in his infinite wisdom and mercy, to call from the toil and suffering of this earthly life to her eternal reward, our friend and sister; and whereas, we know that our loss is her gain, we bow in humble submission to the will of God, and tender our heartfelt sympathy to the bereaved loved ones.

"Blessed are the dead which die in the Lord,
They rest from their labors,
And their works do follow them."

Therefore be it resolved:
While the members of Eastland Chapter No. 280 O.E.S. do mourn her death, and sincerely sympathize with her loved ones, we commend them to God of all comfort who alone can sustain and strengthen and console in such trying times.

Fraternally submitted,
Elsie G. Fiensy, Chairman
Mildred Amis

AROUND the TOWN
By Fay

Back into the groove again since the breathtakingly busy holidays . . . are organizations, people and the various clubs of the town as well as the church organizations . . . all of which carried an unusually heavy load during the Yuletide . . . Routine is a wonderful thing 11 months out of the year . . . and the happy holiday events the 12th month are especially fine and conducive to inspiration for better living, good will, and all the things that count, but no one could stand the pace more than one month out of the year, so it looks like everything has been made just right for God's children—all they have to do is to make the most of it.

Modernize HOME WIRING now for easier, more comfortable living . . . electrically!

Your enjoyment of electrical living—now and in the future—depends to a large extent on your home wiring. And even though your home was built as recently as 5 or 10 years ago, the wiring may not be adequate for today's increased use of electric service

By modernizing your home wiring, you will enjoy increased convenience in use of your appliances . . . they'll operate more efficiently . . . and you'll have the circuits you'll need for room air conditioners, an electric range, clothes dryer and other appliances.

Modern wiring is the best investment you can make in comfort, convenience and year-around better living. See your electrical contractor soon and find out what it will take to bring your home wiring up to date.

MODERN HOME WIRING INCLUDES:

- 1 Enough electrical outlets and switches to assure maximum convenience.
- 2 Enough circuits to carry full power to all lights and appliances.
- 3 An electric service entrance large enough to meet your electrical needs.

It is unusual to go to the hospital and not be able to peek through the glass and see at least one new baby . . . and is it fun? We were out there one night when a nurse brought in a brand new one and placed her in one of the tiny beds right next to the window and she acted as if she had lived upon this earth for years—never have we seen such nonchalance!

Mrs. Perkins To Meet Engagement In Eastern Towns

Mrs. Joseph M. Perkins, chairman of the education department, General Federation of Women's Clubs, and vice president of the Texas Cancer Society, left by train at noon Saturday for New York, Washington, D.C., Providence, Philadelphia and Boston.

She will attend meetings and meet speaking engagements at the various places she visits.

In Philadelphia she will attend the semi-annual meeting of the Woman's Medical College board of which she is a member.

Meth. Parsonage Scene of Open House Hosted By Pastor and His Wife and Members of the WSCS

Open house was held by the Rev. and Mrs. Richard R. Smith III and members of the Women's Society of Christian Service of First Methodist Church Friday night at the Methodist parsonage, 805 So. Seaman.

The Rev. Mr. Smith, pastor of the church, and Mrs. Smith received at the door and Mrs. W. P. Leslie, Fred Davenport and Joe Stephen were in charge of registering the guests.

WSCS officers alternated in presiding at the silver tea service and serving as hostesses in the reception rooms, as follows: Mrs. Turner Collier, president; Mrs. Henry Van Geem, vice president; Mrs. Ina Bean, secretary; Mrs. Taylor Smith, treasurer; Mrs. James Horton, chairman of mis-

sionary education, and Mrs. Tom Haley, pianist.

Assisting in serving, at alternate periods, were Mrs. O. M. White, Guy Quinn, Rudolph Little, A. E. Cushman, Joe Anderson, Thura Taylor and B. O. Harrell.

Hot apple juice flavored with red cinnamon candies was served from the silver tea service, decorated cookies from a large silver container and centering the table was a tiered crystal container whose top was decked with nuts and base with cookies. Around the center arrangement were tall green tapers in crystal holders and the cloth was of green net edged in wide green satin ribbon.

Poinsettia and begonia plants added rich notes of color to the invitingly attractive reception suite of the parsonage.

Members of the church and their families called from 6 to 9 o'clock.

RECENT GUESTS OF THE WILLIS SMITHS AND MRS. ROSENQUEST

Mr. and Mrs. Darrell Tully and children, Terry and D. D., of Galveston; Mr. and Mrs. Billy Blake Wood and children, Jeannie Blake, Danny and Jazen, Abilene, and Mrs. Rosenquest's granddaughter and husband, Mr. and Mrs. Wayne Lambert of Fort Worth.

Delia Joiner - Glenn Clifton Exchange Marriage Vows

Miss Delia Mae Joiner, daughter of Mr. and Mrs. Ben Joiner, of Little River, Texas, became the bride of Glenn Errol Clifton, son of Mr. and Mrs. H. Lee Clifton, 4606 Ramsey Ave., Austin, Texas, at 7:00 p.m., December 23, 1955 in the Rosedale Baptist Church.

Rev. Billy Roland officiated at the double ring ceremony, amid a candlelight setting which featured a background of palms and baskets of gladiolus.

Leonard Woosley, pianist, accompanied Miss Jo Ann Crider as she sang "The Wedding Prayer", "Always", and "The Lord's Prayer", and played the traditional wedding march.

Miss Nancy Gayle Wuethrich of Corpus Christi was maid of honor. Miss Wuethrich wore a pink waltz-length net dress and carried a sprayed mum bouquet.

The bridesmaids were Miss Martha Guest of Tyler and Mary Ann Arnette of Austin. They wore pastel colored net ballerina length formals and carried fan bouquets of sprayed mums. The flower girls were Carol Clifton, who wore a blue net dress, and Debra Joiner, who wore a pink net dress.

B. J. Clifton accompanied his brother as best man. Groomsman were W. H. White of Ranger and John Shaffer of Austin. The ushers were Joe Rosentritt of Austin and Shelly Bolsins of Temple. Her only jewelry was a string of pearls given to her by the groom.

Mrs. Joiner chose a dress of navy blue taffeta with white accessories for her daughter's marriage. Mrs. Clifton wore a pale blue suit with navy blue accessories. Each wore a corsage of white coronations.

A reception was held in the undercroft of the church with parents of the bridal pair and members of the wedding party forming the receiving line.

Punch and wedding cake were served from a table covered with a ruffled white net skirt over a white cloth, and centered with a sprayed mum centerpiece. The three tiered wedding cake was decorated with pink roses and green leaves, of spun sugar, and topped with a miniature bridal pair.

When Mr. and Mrs. Clifton left for a short wedding trip the bride wore a charcoal colored boxie suit with pink accessories and wore an orchid corsage.

The bride attended McCallum High School in Austin, where she was a majorette for the McCullum High Band. For the past two years she has attended Ranger Junior College, and is a majorette for the Rangeann drill team.

The bridegroom is a graduate of McCullum High School, where he was a letterman on the Knight football team and is now attending Ranger Junior College.

The couple plan to make their home in Ranger.

VISIT ILL RELATIVE IN STEPHENVILLE

Mr. and Mrs. Willis Moore and son, Wayne, visited recently in a hospital at Stephenville with Mrs. Moore's brother, Edward Huffstetter, who was injured in an auto accident on the night of Dec. 24. Mr. Huffstetter is getting along fine, Mr. Moore said.

Mrs. Siebert Is Hostess To Meth. Wesleyan Guild

Mrs. Wendell Siebert was hostess to the Wesleyan Guild Tuesday night in the Guild's regular first Tuesday meeting.

Mrs. Joe Stephen, vice president, presided in absence of Miss Jessie Lee Ligon. Mrs. Bill Walters presented the worship service, emphasizing the meaning and the scope of "Revolution" in relation to the church.

Mrs. Charles Marshall brought the program which was taken from the study book, "This Revolutionary Faith." Her topics were "Christianity is Revolutionary" and "For the Greater Glory of God." She distributed individual copies of statements from which a panel discussion was held.

Among the topics discussed were the following: Health and Food are a Christian Concern, Education and Daily Life are a Christian Concern, Education Alone is Not Enough, Christianity Can Combat Communism, and The Gospel Fulfills Our Hopes in Ways Beyond Our Expectations.

Mrs. Siebert presided at the candle-lighted tea table from which hot punch was served from the silver service. Her daughter, Sherry, assisted, serving date

cookies, nuts, and mints. Those present were: Mmes. Taylor Smith, Tom Stamey, Virgil Mas-singill, K. P. Haun Jr., Bill Walters, Charles Marshall, Joe Stephen, Miss Loretta Morris and the hostess, Mrs. Siebert.

The next meeting will be with Mrs. Taylor Smith with Mrs. Stamey and Mrs. Frazer bringing the program.

SCRAP: Vital Raw Material For A Better World

The timing is perfect today, on scrap iron and metal. Because fast-moving world events highlight their importance.

Two things could happen. Either a lessening of world tensions, leading to a freer interchange of trade, or the collapse of hopes for peace and resumption of the armament race on an intensified scale.

In the meantime Eastland Iron and Metal Co. is buying all kinds of scrap iron and metal.

Texas...meet "The Texan"

STYLED FOR THE BOULEVARDS BUT AT HOME ON THE RANGE!

Choice of this dashing Lancer Hardtop or the big, rangy 4-Door Sedan

Now available at your Dodge dealer's is the snappy 2-door Lancer hardtop pictured above, and also the universally popular 4-door sedan... both easily distinguished by specially designed, gold-plated insignia on front, rear quarter panels and deck lid. Go see them... see how big and roomy they are... just like the proud State they represent! Actually drive a Dodge "TEXAN" and discover the thrill everyone feels behind those high-spirited Dodge Super Red Ram V-8 engines that give you up to 230 horsepower. You'll say these cars are as sensitive to your commands... as sure-footed and easy to maneuver as a prize-winning quarter horse. Yet, snappy as they are in action, Dodge also promises you traditional dependability and rugged-

ness in every feature of these "TEXAN" bodies and frames. They're every bit as husky as a Brahma Bull. And they're priced way down to offer you more power, more comfort, more "class" at scarcely more than the so-called "low-priced" three. Today, if possible, see these two handsome "TEXANS" close up. Note especially their dynamic Jet-Fin styling, their snappy insignia, their fresh colors with exclusive complementary interior trims, their jaunty twin exhausts indicating power a-plenty. Then actually ride in one with Magic Touch Push-Button Control for PowerLite automatic driving. That's when you'll surely agree that these special models will carve a niche "deep in the heart of Texas."

IN EVERY DETAIL OF STYLING AND MECHANICAL ADVANCE, "The Texan" IS A PURE-BRED...

HERE FROM PECOS AND ODESSA

Nelson Allison, teacher in Pecos, visited his parents, Mr. and Mrs. J. C. Allison, the past week-end, and had as his guest, Marion Luper, teacher in Odessa Junior College.

Roger Babson Was Asked Recently—

... "What shall I do with my money?" His reply: "First, invest it in a good home with enough land for a vegetable garden; Second, in other well located, revenue-producing real estate." "That's good, sound advice" said the reporter, "but haven't you forgotten something?" "What's that?" he asked. "Do you believe in insurance?" "I sure do," he replied. "What's worth having is worth insuring. It's another good investment."

Eastland (Insurance since 1924) Texas

will be under the direction of Jack Chamberlain, Sr., who will head all committees. It is a fundraising project that is usually highly successful.

Other club activities will be discussed as the year progresses, and you can rest assured that whatever the club undertakes it will be for the betterment and advancement of the schools and the community, and its results will be tangible — something that can be seen and used and enjoyed.

That is why the club deserves the support of everyone, whether it concerns the purchase of a ticket to the banquet, or a ticket to the minstrel, or a membership fee for a year. Every dollar given to the Quarterback Club is returned many fold in physical assets to Eastland.

Political Announcements

This paper is authorized to make the following announcements, subject to the Democratic primary election, July 24, 1956. For Sheriff J. B. Williams (For Re-election)

Meandering

WITH THE Mavericks

By NORMAN WRIGHT

The Eastland Quarterback Club is an outstanding organization in this city devoted to the advancement of athletics and the athletic plant in the public schools, both white and colored.

The club is headed this year by its newly elected president Harvey Lewis, with Jack Chamberlain, Jr., as vice-president and Milton Underwood as secretary-treasurer.

The board of directors consists of Joe Stephen, Wells Dalton, Frank Hightower, James Reid, J. W. Watson and Curtis Koen. The membership consists of practically every man in town who pays dues of \$5 a year, every penny of which goes for the advancement of the athletic program.

1955 was a year of great accomplishment for the Quarterback Club. Under direction of outgoing president Frank Hightower the practice football field and track was completed at the high school at a cost of approximately \$1,500. If this job had been contracted for it would have cost in the neighborhood of \$10,000, but the Quarterback Club was able to put it over for \$1,500 because so many people donated their time and services and equipment to the task. Most of the materials were either donated or secured at a fraction of their actual worth. It stands as a marvelous job well done.

One of the immediate projects for the near future is the Quarterback Club Banquet which will be held at the Methodist Church on the night of Thursday, January

26. Quarterbackers will be around selling tickets for this affair within a few days and it is hoped that everybody who is contacted buys one. The price will be \$2.00. That will entitle the ticket holder to his own plate, and will also buy a plate for one Maverick. All of the Maverick football players, including the Junior High School players, will be guests.

George Sauer, athletic director of Baylor University, will be the principal speaker at the banquet. Sauer came to Texas from Annapolis where he had spent some years coaching the Navy, and he became quite prominent in Southwest Conference football circles. Sauer made headline news across the nation this past season when he fired the biggest part of his Baylor football team for allegedly spending most of the night in a beer joint on the eve of the game with Texas A & M.

The banquet will be strictly a social affair, and no effort of any kind will be made at the feast in the way of securing members for 1956. The membership drive will get under way later on under direction of Hubert Westfall.

The next project for the club will be the Quarterback Minstrel Show which is scheduled for the first part of March, the exact date to be announced later. This show

Cadillac

Not Wealthy... Just Wise!

Most people think that the gentleman who owns and drives a new Cadillac must necessarily be blessed with an abundance of this world's goods.

But the truth of the matter is that a great many motorists of relatively modest means—like the happy man you see here—sit at the wheel of the "car of cars."

For wisdom and practicality lead to Cadillac—just as surely as prominence and prosperity!

Listen, for a moment, to this remarkable assembly of facts—and see if you don't agree.

The Series Sixty-Two Coupe... the beautiful and inspiring motor car pictured above... costs just a few dollars more than many cars in the "medium-price" bracket.

Cadillac's dependability is so extraordinary that

the car is virtually free from all but the purely routine requirements of service.

A Cadillac stretches a gallon of gasoline over so many miles that it is actually the rival of much smaller, lighter cars in this regard.

And a Cadillac will retain its value over the years better than any other automobile in the land.

The conclusion is, we think, self-evident: Cadillac ownership is not only wonderful and thrilling—but sound and sensible as well.

Why not stop in soon for a look and a ride?

You'll discover the most beautiful Cadillac ever built... the finest-performing Cadillac of all time... and the greatest value in Cadillac history.

That's Cadillac's magical combination for 1956—and it's waiting for you now in our showroom.

Judge Boggs ruled that Mr. Powell's death was due to natural causes.
"No doubt," said the justice of the peace, "his death was due to a heart attack."
The body was taken to the Higginbotham - Bailey - Logan Funeral Home at Gorman to be prepared for burial.
Surviving Mr. Powell are his wife and several children.

Warmup Begins Here As Ice Paralyzes East

This area was in the midst of a gradual warmup after a dry cold front pushed temperatures to 24 degrees here Sunday morning.
The Weather Bureau said highs today and Wednesday will range between 65 and 70 with the low tonight around 35.
As Texas warmed in above normal temperatures in clear skies, a mid-winter storm with winds of hurricane force turned the Eastern Seaboard into a treacherous sheet of ice Monday, paralyzing automobile transportation in metropolitan areas.
The drizzle, so fine it could be called a mist — began falling late Sunday night, glazing streets and sidewalks with a dangerously slippery film.
The combination of ice and fine rain moved southward, endangering Maryland and Washington.
Snow, which fell through the night in West Virginia, western Pennsylvania and parts of New York and Ohio, was expected to turn into sleet.

Services Held Today For Ranger Woman

Funeral services for Mrs. Eva Stallings, 78, who died Sunday night in a Ranger hospital, were held at 10 a.m. this morning at Killingsworth Funeral Chapel.
Mrs. Stallings, born at Jasper City, Mo., Feb. 4, 1876, had lived in Ranger since 1921. She was married to C. J. Stallings, who preceded her in death in 1944, at Carthage, Mo. in 1900.
She is survived by three sons, Glenn Stallings, Aransas Pass, Wesley Stallings of Houston; two daughters, Mmes. Josephine Rogers and Freda Rainwater, both of Ranger; 13 grandchildren and six great grandchildren.
Mrs. Stallings was a member of the Rebekahs.
Rev. L. H. Subblett, pastor of the Mangrum Baptist Church and Rev. Williams of Eastland officiated at the services. Interment was at Evergreen Cemetery.
Fallbearers were Homer Blackwell, Ray Todd, C. E. Bell, A. H. Williams, J. M. Winsett, and L. T. Rushing.

Ranger Officer Assigned To Base In Georgia

A Ranger officer, First Lt. Lloyd M. Huffman, has been assigned to the Signal Corps Training Center at Camp Gordon, Ga. His duty will be with the 133rd Signal Co. of SCTC's Unit Training Group.
Lt. Huffman first entered the service in 1943, and served as an enlisted man at various military posts around the country until 1946, when he was discharged. He remained in the inactive reserve until 1951, when he was commissioned and returned to active duty.
He was assigned to Camp Gordon in 1952 as a basic training officer, then volunteered for pilot training at San Marcos Air Force Base. After his training, he was sent to Korea, serving during the police action with the 101st Signal Battalion.
The lieutenant attended Ranger Junior College and Texas Tech, Lubbock.
His parents, Mr. and Mrs. Albert Riley Huffman, live at 621 South Oak St., Ranger. He resides with his wife, Ida, and his daughter, Billie Jean, at Augusta, Ga.

Invest in Dependability... get a Bonus in Go!

You can buy it on its name alone—this big, high-powered '56 Pontiac—and be safe in the knowledge that you couldn't have made a better investment in years of dependable, carefree motoring.
The good things you've been hearing about Pontiac for years assure you that.
But "go" is the word for '56! Performance so new and dramatic it must be experienced to be believed!
A short spell behind the wheel will nail that statement down as a fact. Come along for a drive and see.

Waiting for the light to change, you can't hear the engine. But touch your toe to the accelerator and in a split second there's a torrent of power, sparked by the most advanced engine of them all—the blazing 227-h.p. Strato-Streak V-8.
Team this terrific power plant with Pontiac's all-new Strato-Flight Hydra-Matic* and you've got the smoothest take-off that ever brightened a highway.
And remember—this easy handling dream is actually among the biggest, huskiest cars built!

Now for the final test—head for the open road and some landmarks you can challenge. Wipe out a hill. Straighten a curve. Smooth out a stretch of rough road that's bothered you for years.
Now see why they're calling this the greatest "go" on wheels?
More than that—it's the greatest buy on wheels! And that too, is easy to prove.
Then take a look at the price tag—check on our deal.
Nothing will stop this powerful beauty from being yours!
