# Twin Garbage **Pickup Begins** Monday,29th

garbage pickup schedule will begin Monday, June 29, City Manager Lewis Tiner has announced.

The double pickup is put into effect each summer during the hotter months - July and August - to insure that refuse is picked up as soon as possible, he said. It amounts to two pickups per week for residents rather than the ordinary one per week.

Those persons who have been having one garbage pickup on Monday or Tuesday, will have pickups on Monday and Thursday. Those accustomed to pickups on Wednesday or Thursday, will have pickups on Tuesday and Friday. Friday or Saturday thinking rounds will be made Wednes-

day and Saturday, he said. Residents may cooperate by planning their individual take-Il know outs for these days, so that in now. refuse may be picked up promptly in order to prevent at East- health hazards in the city.

## No Clues In Visiting over the weekend Alleged Shooting

An intensive search of the Ringling Lake area Monday aftersoon failed to turn up a body, a wounded man or any further explanation to law enforcement officers about an incident reported to them.

An Eastland man reported to the sheriffs department about noon that he had shot a man at the lake just a short time earlier. He had been asleep on the bank, he told the sheriff, and he awoke to find a man prowling through his trousers pockets. A scuffle ensued, he said, and as the man fled, he fired at him, and though he hit him.

No trace of an injured person at the lake could be found, and fishermen in the area told the sheriff's deputies that they hadn't heard a shot.
