"COVERING EASTLAND COUNTY"

VOLUME TWENTY-SIX

EASTLAND, TEXAS, TUESDAY, FEBRUARY 21, 1956

## Eastland Echoes

By Casey

**THOUGHT FOR TODAY:** "People seldom improve when they have no other model but themselves to copy after." — (Goldsmith).

Rotary last night honored its Anns with Ladies Night and the tribute was well deserved. We think the work of clubs like Rotary and Lions is worthy of support and the encouragement that the women give their husbands — to join, to attend, to labor on these institutions' projects — actually means much both to the clubs and to the community. We salute them.

A wedding ring may not be as tight as a tourniquet but it certainly stops the circulation. — (Selected).

F. M. Higgins of Olden claims — and apparently rightly — that he's the turnip king of West Texas. Mr. and Mrs. Higgins, it will be recalled, bought the irrigated truck farm formerly owned by the Whizenants at Olden — and he has a lot of things growing, especially greens, in abundance. The turnip samples he brought us measured as big as 11 inches across. And that's a "lotta" turnip! ... He has 57 acres, with 15 acres of it in collards, onions, turnips and mustard.

Observers of the World Day of Prayer filled the First Presbyterian Church the other night. It is to our community's credit, for in this atomic age people need to get closer to God than ever. Surely nobody doubts that.

### Mass Visit To Schools Set At Rising Star

Public School Week will be observed in Rising Star with a program which will include mass visitation to the schools. All business houses there will be asked to close from 9:30 a.m. to noon Tuesday, March 6, for visitation in the high school and elementary school. The program is being arranged by a committee from the public school faculty and the business men, with Vern Coleman, chairman, representing the Chamber of Commerce.

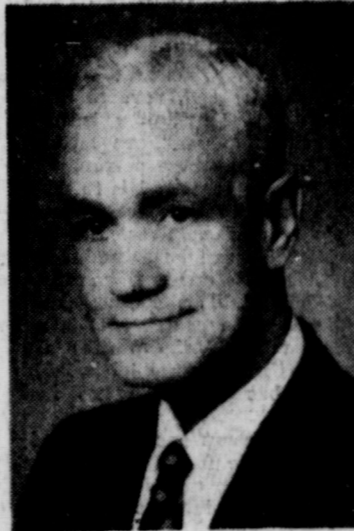

## Burleson Discusses Lobbying Activities

WASHINGTON, D. C. — Stories about lobbyists and lobbying activities have held the headlines, both in Texas and in the nation, during the last several weeks. Just what is lobbying? There are several definitions, but Webster defines it as "the effort to influence the proceedings in Congress." If we let this definition stand without qualification, anyone who writes a letter to his or her Congressman in behalf of a certain Bill must be a lobbyist. If I as a Congressman write my constituents for their views on legislation and they give them to me, they are, under this narrow definition, lobbyists. In other words, they do not have to be in the "lobby" of the halls of the Congress to "influence the proceedings."

There is hardly an organization of any size, whether business, professional or otherwise, which does not have a "representative" in Washington. They are there to watch Bills introduced and to determine how it affects their particular interest when they are sent. Many of them have been seen personally. If a Bill is introduced which affects a certain group, their

TOM WILSON

EARL STEPHENS

## Wilson Rotary Head; Stephens, Secretary; Ladies Banqueted

Eastland Rotary elected Tom Wilson president and re-elected Earl Stephens secretary - treasurer in a brief business session as they honored their Annes with a Ladies Night banquet Monday night at the Connellee Hotel Roof Garden.

Don Pierson and L. E. McGraw tied for vice-president — top recipient of ballots for director — and the club will vote off the tie at its next regular meeting. The other two board members of the four-man panel chosen are Dr. J. C. Whittington and Dr. M. A. Treadwell.

As the guests arrived, the Eastland High School Stage Band furnished musical numbers, under the direction of Prof. Howard Gill.

President Bernard Hanna was toastmaster and the invocation was given by Dr. Treadwell. Gladly Pipkin, program chairman for

the banquet, had as his guest Mr. and Mrs. Mervin C. Aude of Gunnison, Colo., and Mr. and Mrs. Veon Howard of Eastland.

Guests of Rotary honor for the occasion were Dist. Gov. and Mrs. Arch Evans of Stephenville. Mr. Evans spoke briefly on precepts of Rotary. Hugh Neeld was introduced by Dr. Whittington as a new member.

A ripple of merriment was precipitated when Mr. McGraw, in drawing for a prize for a lady guest, drew his wife's name. Favorites at the flower - bedecked banquet tables were Rotary memo booklets.

Mrs. Arthur Murrell, a Rotary-ane who is president of the Civic League and Garden Club, urged the Rotarians and their ladies to hear Helen Poe in her address here, under league sponsorship, Feb. 28.

Mr. and Mrs. Aude, who, their long-time friend, Program Chairman Pipkin, explained, are making a tour at their own expense to tell of and show the beauties of the Gunnison, Colo., resort country, each operated a slide projector and commented on pictures taken in color in that area of grandeur and many hues. Mr. Aude took the audience on a picture tour of scenic sections; Mrs. Aude dealt chiefly with the beautiful flowers there.

### Cisco Cafe Is Burglarized

About \$10 in change was taken when The Spot Cafe in Cisco was robbed recently, it was reported by J. D. Yardley, owner.

While making a routine cruise of the cafe's vicinity before dawn, Officers Raymond Wiggington and Tommy Wilson noticed that the back door was standing slightly open and upon closer check, discovered that the door's lock had been broken off.

This is the second break-in of the cafe in about two years, and little change was taken either time.

### Return From Educational Trip To Mo.

Accompanied by their supervisor, A. Anable, a group of Eastland Fort Worth Press circulation representatives have returned from an educational tour to Kansas City, Mo.

Those going from here included Otis A. Green, local dealer for the past five or one half years, and two of his younger boys, Mike Thornell and Max Thornell, sons of Mr. and Mrs. Max Thornell, 603 Halbury street. Otis is the son of Mrs. A. Green, 902 W. Plummer street.

This trip toward the boys had earned them about 20 new customers. The paper boys who didn't make a trip earned other awards for their efforts. The Eastland group returned to Fort Worth. Over 60 were on the trip.

They were on their states on this 1,400 mile trip, traveling by car, bus and train, all expenses paid. The boys report the food unusually good, especially breakfast on the train. An experience. They toured Kansas City, Mo., and Independence, Mo., visiting former President Truman's home, all Swope Park, art gallery, and the world's largest clock and downtown Kansas City.

# Street Top Program Resumption in April

## L. T. Groves' Funeral Rites Held Sunday

Funeral services for L. T. Groves of Olden, long-time Magnolia Petroleum Company employee, were conducted Sunday afternoon at Hammer Funeral Chapel, Eastland, with the Rev. Alfred Nelson of Bay City officiating.

The Rev. Mr. Nelson was Mr. Groves' pastor when he was with the Baptist church at Olden.

Pallbearers were Onous Dick, Joe Lawrence, Homer Lawrence, Walter Colburn, Randle Covington, Paul Price, I. E. Talley and Ray Howell.

Interment took place in Eastland Cemetery.

Mr. Groves, a native of Carbon and a veteran of World War I, died in Midland Friday, having gone there for a medical examination.

## Additional New Equipment For Guard Shortly

More new equipment for the Cisco National Guard unit, whose members include numerous Eastlanders, has been made available by Department of the Army.

Capt. Frank Sayre, commanding officer, has announced. Two new 5-ton cargo trucks will be picked up in a few days by WO James Hendrick, administrative assistant for the unit. (Continued On Page Seven)

JERRY CARTER

## Jerry Carter To Position With Fullen

Jerry Carter, well-known young man who has spent most of his life in Eastland County, has accepted a position with Fullen Motor Company as Frigidaire appliance salesman.

Mr. Carter is a son of Mr. and Mrs. J. C. Carter of Ranger, formerly of Morton Valley. He and his wife, the former Miss Jane Myrick, reside at 209 1/2 E. Valley. In the US Navy from 1950 to 1954, Mr. Carter has more recently been with Lone Star Production Company.

## Eight Blocks Paid In Already Here In Spring Topping Plan

April will bring resumption of the street hot-topping program in Eastland which already has made much progress.

"The last two years," said City Manager A. E. Taylor, "twenty-four and a half blocks have been topped here."

The city manager said eight blocks have already been paid in by property owners — who pay for the materials at cost, with the city furnishing the labor — for surfacing this spring.

"We are inclined to believe that probably ten blocks, in all, will be topped," he said. "We know that a number of persons are interested, besides those who live in the eight which have already paid in."

The program had been deferred from the mild weather months of last year until this spring.

## Band Banquet Is Discussed For Gorman

Discussing a band banquet and electing officers, the Gorman Band Boosters Club met recently.

Officers elected were: Dr. Wm. Efrogdon, president; Gus Frossard, vice-president; Estelle Craddock, secretary - treasurer; Melvin Shell, chairman of finances; Mrs. Quail Thompson, entertainment; and Glen Mehaffey, attendance.

Director of the band is Ken Worsham.

## Resuscitator 4-in-1, Says Fire Dep't

The Stephenson resuscitator — which the Eastland Volunteer Fire Department seeks to purchase with contributions — is four machines in one: resuscitator, inhalator, aspirator and assistor.

"And with them," it was announced, "you, like its users all over the world, can do more for any non-breathing patient."

Donations may be left at Eastland National Bank or with any frieman.

## Ex-Rising Star Banker Buried In San Antonio

Funeral services for Holder Poteet, former Rising Star banker, who died in a San Antonio hospital, were held at San Antonio earlier this week with burial in Mission Burial Park.

Mr. Poteet, employed by the Harlandale State Bank, was with the former Continental State Bank of Rising Star, now the First State Bank, until he went to San Antonio about 1927 where he made his home since.

Survivors include his wife and one daughter of San Antonio. Lee Poteet of Rising Star is a brother; Mrs. Dan Hooper, also of this city is a sister.

## Oil News Rotary Wildcat Staked 7 Miles Northeast Cisco

An Eastland County wildcat is staked for 1,990 feet with rotary eleven miles northeast of Cisco.

It is V. M. Gambin, Cisco, No. 1 Mrs. Clara J. Trammell. Drill-site is 1,020 feet from the north lines of Section 51, Block 4, H&TC Survey.

L. R. Pearson of Ranger completed No. 1 W. E. Rice, Mary Perry Survey, regular field project 1 1/2 miles northwest of Olden.

Daily potential was six barrels of 39 gravity oil, plus 10 percent water. It is pumping from 24 perforations at 1,474-78 feet. Total length is 1,500 feet.

## Peanut Price Support, Administration Plan Suggested By SPGA

Recommendations concerning the 1955-56 price support program on peanuts and regarding its administration have been announced by the Southwestern Peanut Growers Association. They follow:

"Basically, we recommend a peanut program identical to the 1953-54 peanut program. Dual parity should be extended and price support level should not be less than 90 per cent of parity.

"Administrative expense deducted from growers should not be used for shelling or crushing operations for CCC.

"Minimum national allotments of one million six hundred and ten thousand acres should not be lowered.

"No imports of foreign peanuts unless it is definitely determined that imports are necessary and if imports are allowed to be imported under the direction of the Department of Agriculture and import fees to be used for expense of the peanut program.

"Increase allotments allowed for types of peanuts in short supply.

"States which under harvest their allotments which was caused by no fault of the growers should be given increased acreage allotment. For each state sufficient acres for the estimated harvested acres to equal the intended allotted acres.

"Due to recurring short crop in the Southwest area, carry over in storage on set aside basis until next crop production could be determined.

"If a shelling or crushing operation is necessary to move surplus peanuts from the Southwest area, number two program should be put into operation and for every ton of farmers stock peanuts taken out from under the loan by shellers, shellers may deliver a ton of shelled number two peanuts to CCC.

"Extensive research on peanuts should be carried on by the Department of Agriculture which would include research on quality, promotion, net profits of processors, growers and shellers, quality of products as acquired by processors and shellers.

"Grade factors: Damage tolerance under U.S. shelled rules existing between Spanish and runner peanuts should be corrected. Foreign Material specifications on peanuts placed under loan in the Southwest area should not be less than 12 per cent and penalty on loose shelled kernels should not be increased."

thousand acres should not be lowered.

## Top Orchard Men To Be At County Meet

The annual Orchard Field Day at the J. E. Spencer orchard in the Long Branch Community Feb. 23 is open to growers in Eastland and adjoining counties according to the County Agents offices.

Top horticulturist from over the state are to appear on the all-day program it was said. The meeting will get underway at 10 a.m. that morning and last until late afternoon with time out for a picnic lunch at noon. Free drinks will be furnished but those who attend are asked to bring a picnic lunch.

New peach varieties, marketing, grape production, fertilization, pruning, control of diseases and insect pests, new sprays and insecticides are on the program for the all-day affair.

Those who will appear on the program include: Tom E. Denman, Agriculture Experiment Station, Stephenville; U. A. Randolph, Agriculture Experiment Station, Montague; B. G. Hancock and George R. Williams, A&M College Extension Service and J. W. Foster, Jr., Weatherford.

## Rev. Turner Is Speaker, Moran, For Fellowship

The Rev. Roy M. Turner, pastor of the First Christian Church of Eastland, spoke Saturday night at the regular fellowship supper of the First Christian Church of Moran.

His subject was "Cries in the Night."

The occasion for this supper was the farewell to the pastor, the Rev. Arthur Murrell, who will soon be the pastor of the First Christian Church of Henderson, Tex.

The church will also present a \$100 tuition scholarship to one of their young people who is preparing for Christian service. Both Revs. Murrell and Turner attend Brite College of the Bible, Texas Christian University, as well as serving the respective churches.

## Eastland Native Taken By Death At Houston, Tex.

Funeral services were held in Houston Feb. 9 for Arthur Raymond Treadwell, it has been learned in Eastland. Mr. Treadwell was 31 years old and a native of Eastland. He had lived in Houston 15 years. Death resulted from a heart attack.

He is survived by his parents, Mr. and Mrs. A. J. Treadwell, and one brother, Howard, all of Houston. Mr. and Mrs. Bill Neville of Anson and Mr. and Mrs. C. C. Rosamond of Quanah attended the funeral service in Houston for their nephew, Mr. Treadwell, according to the Anson paper.

## L. T. Florence To Position At Bender's Here

Leonard T. Florence of Abilene has accepted a position in the insurance department of Earl Bender & Co., south side of the square. Mr. and Mrs. Florence have moved here and are presently residing at Hillside Apartments and he has entered upon his duties.

The Florences were reared at Rule. Mr. Florence, in the insurance business for about 25 years, was at Haskell many years and also has lived in Houston.

The couple have four children, all married and residing in other cities: L. K. Florence of Fort Worth, Max Florence of Midland, Mrs. J. E. Wildman of Tatum, N.M., and Mrs. Curtis Kelley of Grandbury.

They are members of the Methodist Church and Mr. Florence was a member of the Lions Club at Haskell.

## Sgt. Jaynes Is Graduated From Non-Com

Sgt. Donald W. Jaynes, son of Mrs. Weldon F. Jaynes, Rising Star, recently was graduated from the Seventh Army Non-Commissioned Officer Academy in Munich, Germany.

A squad leader assigned to Company A of the 5th Infantry Division's 10th Regiment, he successfully completed a five-week course in leadership, map reading and other military subjects.

Sergeant Jaynes entered the Army in July, 1953, and completed basic training at Fort Ord, Calif. He arrived in Europe in December, 1953.

The sergeant was graduated from Rising Star High School in 1952.

COURAGE IS HER EASTER BONNET—The legs are weak, but there's nothing wrong with the big, happy grin of this year's Easter Seal Child. She's Clara Jo Proudfoot, 4, of Miami, Fla. Born with a crippling condition, she's symbolic of the thousands of crippled children who'll benefit from services financed by the annual sale of Easter Seals. Nationwide appeal for funds is made by the National Society for Crippled Children and Adults.

### RULES OF EVIDENCE PRESERVE JUSTICE

Are you hopelessly confused by court room procedure? Words such as "objection," "overruled," "sustained," "hearsay," "irrelevant," and "opinion" are meaningless to the average person.

The purpose of a trial is to settle disputes that the parties cannot settle by themselves. Before these disputes can be settled, the facts which give rise to them must be established. This sounds simple, but on the contrary it is a difficult task. If the parties agreed on the facts the job would be easy, but each side has its own version.

The trial court has the job of establishing the facts. This is accomplished by questioning witnesses and the introduction of physical evidence. This requires application of the rules of evidence.

Through the years the law of evidence has been established. The rules place restraints on what type of evidence is proper. They have the effect of protecting the rights of the parties by insuring a fair trial.

Hearsay is a word often heard

### THE LANIERS HAVE GUESTS

Mr. and Mrs. N. S. Lanier of Abilene were guests Sunday afternoon of his brother and sister-in-law, Mr. and Mrs. J. R. Lanier. Jimmie Brannan of Abilene was a guest of the Laniers Thursday.

during a trial. Hearsay may involve a statement by a third person of a conversation between two other persons. It would be hearsay if Jones were asked to tell the court what he overheard Smith tell Greene. With certain exceptions, evidence of this type is excluded because it is not reliable, and might open the door to false testimony.

A lawyer objects to evidence he does not believe is proper. If a lawyer objects to evidence because it is irrelevant, he means that the evidence is of such little importance that it has no bearing on the case, and if admitted it would bog down the trial so that the time needed doesn't justify its admittance.

Opinion evidence of one not an expert is not admissible since such opinion carries no weight. When an objection is sustained by the judge the evidence is not received. Should the objection be overruled, the evidence is allowed to be presented.

## Puts you in the Big Time for a small-car price

Why hold back from the fun and thrill and pride of bossing a Buick—when you can boss such a big and strapping beauty for the price of a smaller car?

Hard to believe? Listen . . .

If you can afford any new car, you can afford this brawny Buick SPECIAL Sedan—for a very simple reason.

This Buick is priced within a few dollars of the well-known smaller cars—and actually costs less than some models of those very same cars. (The price we'll show you proves that.)

Want more proof? For two years in a row now, Buick has outsold every other car in America except two of those well-known smaller cars. And you can bet your bottom dollar that it takes bedrock prices to stay in the Top 3 of the nation's best sellers.

But even that isn't the whole story—not by a long shot.

Folks are buying Buicks in record numbers because they find in these big beauties a lot more automobile for the money.

They find here more styling freshness and distinction—more snap and ginger and power thrill—more comfort and luxury—more ride stability and steadiness—and more structural solidity and pure automobile, than the same money buys elsewhere.

So if you want to move into the big-car travel world at a small-car price—if you want to have the time of your motoring life with the lift and lilt and pride and prestige of a beautiful new Buick as your very own—what's holding you back?

Drop in on us right quick—tomorrow, maybe?—and we'll show you the biggest bundle of high-powered Buick ever offered in America's low-price field.

According to leading nutritionists, breakfast is the most important meal of the day. They advise us to eat 25 to 33 per cent of the day's food at this early morning meal.

You know the sad truth however. This meal is the most neglected meal of the day. Medical men blame poor breakfast habits for such common complaints as irritability, difficulty in concentration and fatigue.

Is it lack of time to eat? It could be. Yet most of us find time for the things we want to do, the things we consider really vital. But what is more vital than good eating habits to maintain health.

Is it lack of interest? Breakfast boredom no doubt takes a high toll of early day appetites. Sameness of menus morning after morning certainly does little to

excite interest and appetite. There is little defense for serving and eating the same breakfast day after day, not with the wide variety of breakfast foods to choose from. You find scores of breakfast cereals, meats, and fresh, frozen and canned fruit and juices. And think of the many ways you can cook an egg, or fix toast.

Never before has there been such wide variety and availability of the foods that make healthful breakfasts. Let's all determine to wage our own good breakfast campaign.

**Six Worthwhile Services Red Cross Performs**

- Red Cross chapters, numbering 3,713, direct the following services:
1. Working with families or servicemen — seeing that basic living needs are met when necessary — acting for them in clearances with the military on problems connected with their service.
  2. Working with veterans on claims — giving personal services in hospitals, et cetera.
  3. Teaching first aid — swimming — lifesaving — small craft safety — accident prevention.
  4. Teaching members of the community to care for the sick at home and the proper care of mothers and babies.
  5. Serving the sick, the handicapped, the aged in civilian hospitals, homes and institutions.
  6. Providing thousands of hours of service through Junior Red Cross members and in turn giving these Junior Red Cross members opportunities to learn and serve others.

**AROUND the TOWN**  
By Fay

Did you ever ride a hobby? If you haven't, you should! We have ridden many of them and they are all fun — collecting items from Mexico for a den and its many shelves, studying speech, photography, writing poetry, collecting journalism books, a try at earnest vocabulary building, making a study of plants and gardening, correspondence courses, night school courses as late as 1948 and we used to collect coins and stamps with our husband and, before the war, we bought a one-wheel trailer in which to gather together antiques for our home which we built in 1948 — but reading and writing have always been foremost and most lasting hobbies of this writer and her husband — so perhaps our hobby should be called "composition" pertaining both to news writing and to pictures. . . . Composition, of course, is what makes the structure of an article or a photograph attractive. Naturally, therefore, it is a most fascinating study!

But, one of the most delightful is to listen to the other fellow tell about his hobby and that is just what we were privileged to do at the interesting meeting of the Thursday Afternoon Club on Mrs. James Horton's Thursday. Every member told her hobby or hobbies and never has this columnist been more intrigued.

Then Friday a US bond promotion man, TONY ZIEGLER, called on us and mentioned that he and his daughter make candles — all kinds — for a hobby. In fact, he made more than 200 to give away for Christmas. He showed us pictures of some of them and had one alone his daughter had given him for Valentine. They were truly beautiful! He told us how to make them and that we want to try.

By all means, let's set aside the night of Feb. 28 to attend the lecture by Helen Poe at EHS auditorium, sponsored by the Civic League, and let's get our tickets early from any member of the League's executive board or from the Tri-Hi-Y members. That is something we just shouldn't miss, isn't it?

**Burleson -**

(Continued from Page One)  
have an opinion to present.

The evil of lobbying come from the evil that is in a few unscrupulous people. It takes a combination of the unscrupulous lobbyist and the unscrupulous public official to produce this evil.

Lobbying has a long history. It actually started in George Washington's administration on the tariff issue. It reached unsavory heights in the decades from the Civil War to the turn of the century.

Lobbying activity in Washington today is very tame as compared with what the record shows it must have been back in the early 1870's when Jay Gould offered members of Congress \$1000 cash and \$5,000 when the Bill was passed, plus \$10,000 of the bonds, to approve a railroad route across the continent.

Even the ministers have lobbies in Washington — even the Indians. Educational institutions, churches, foundations, hundreds of big corporations, farmers' organizations, labor unions, and just about everything and everybody have representatives in Washington. They are lobbyists. There are good apples and bad, but it is my observation and experience that the vast majority are honest, sincere, and serve a useful purpose.

Pressures — yes. But to believe that there is widespread dishonesty is to destroy our confidence in our representative form of government. A scrutinizing investigation should be conducted into any wrongdoing. Lobbying laws now on the books should be strengthened and enforced. But there will always be a few rotten apples in the barrel, wherever the barrel is to be found.

Better to get rid of those who are dishonest than to condemn the system.

Mr. and Mrs. Eugene Sutton

### Double Ring Ceremony Unites Sara Beth King, Eugene Sutton

Miss Sara Beth King became the bride of Howard Eugene Sutton Saturday evening, February 11, in a candlelight ceremony at 8:00 o'clock at the First Methodist Church in Ranger.

The bride is the daughter of Mr. and Mrs. M. L. King of Ranger, and the bridegroom is the son of Mr. and Mrs. C. L. Sutton of Ranger.

The Rev. Bruce Weaver read the double ring ceremony amid a background of white gladioluses flanked by four branch candelabra holding tall white tapers. Single candles lined the altar rail. The pews were marked with white satin ribbons.

Miss Mildred Bach, organist, played the traditional wedding march and accompanied Miss Jeanine Winn as she sang "Al-

ed sleeves and the dainty Peter Pan collar were fashioned of chantilly lace. The very bouffant skirt was beautifully accented with a garland of lace appliques. The skirt extended into a chapel length train.

Her veil of imported bridal illusion cascaded to fingertip from a half hat of lace and scallops of pleated tulle and seeded pearls. The bride carried an arm bouquet of white rosebuds.

For her daughters marriage, Mrs. King chose a navy blue taffeta dress with rhinestone accessories. Mrs. Sutton wore a mauve faille suit with white accessories. Each wore an orchid corsage.

A reception following the ceremony was held at the Community Club house, with parents of the bridal pair and members of the wedding party forming the receiving line.

Mrs. Johnny Rambie of Uvalde presided at the registry table, which was arranged with a fan bouquet of pink roses.

The bridal table was centered with an arrangement of white roses. The wedding cake was formed as an open Bible and on one side it was decorated with a bouquet of pink spun sugar roses and on the other with the names of the bridal pair. Mrs. Andrew Urban, aunt of the bride, poured coffee from the silver coffee service. Miss Shirley Oliver served the cake.

When Mr. and Mrs. Sutton left on a short wedding trip, she wore an avocado green wool jersey dress and a mouton coat with brown accessories.

Among the out of town guests were: Mr. and Mrs. Andrew Urban of Abilene; Mr. and Mrs. Charles D. Dean and children of Athens; Mr. and Mrs. T. J. Bass and children of Olney; Mr. A. T. King of San Angelo; Mr. and Mrs. McKinley Rhodes, Jr., Dallas; Mr. Hugh Smith, Borger; Mr. and Mrs. Dean Sutton, Lubbock; Mr. and Mrs. Charles Sutton, Fort Worth; Mr. and Mrs. Johnny Rambie, Uvalde; Mr. Gayle Saffel, Bruceville, and Mr. and Mrs. Jennings Thompson, Dallas, and Mr. and Mrs. Joe Gillespie, Jr., Waxahachie.

Miss Mary Ann Wallace attended the bride as maid of honor. Miss Wallace wore a waltz-length gown of pink taffeta and lace. The princess style dress had a scoop roll neckline which came to a deep V in the back with a bow. The lace over taffeta gathered skirt was worn over crinolines. She wore matching shoes and a matching shell style hat, and carried a fan bouquet of pink rosebuds.

Mommar Lee King, Jr., brother of the bride, was best man. Ushers and candlelighter were Noel Kim of Ranger and Gayle Saffel of Bruceville, Texas.

The bride, given in marriage by her father, wore a gown of imported white nylon tulle. The snugly-fitting bodice, long point-

### Creamy Rice and Blue Cheese Salad Fine Accompaniment for Cold Cuts

You'll find this tangy salad a refreshing flavor idea. It's hearty enough for a complete meal, but you'll probably want to add some cold cuts to your menu.

#### CREAMY RICE AND BLUE CHEESE SALAD

INGREDIENTS:  
2 cups water; 1 1/2 teaspoons salt; 1 cup uncooked white rice; 1 cup chopped celery; 1 cup chopped cucumber; 2 tablespoons chopped onion; 3 tablespoons vine-

gar; 4 teaspoons sugar; 1 cup sour cream; 1/4 cup crumbled American Blue cheese (about 3 ounces); salad greens; tomato slices or wedges.

METHOD: Put the water, salt and rice in a 2-quart saucepan. Bring to a vigorous boil. Turn the heat as low as possible. Cover with a lid and leave over this low heat 14 minutes. Remove saucepan from the heat but leave on 10 minutes.

Add the celery, cucumber and onion to the hot rice. Mix together the vinegar and sugar until the sugar dissolves. Add to the rice mixture and mix well. Mix in the sour cream and Blue cheese.

Cover well and store in the refrigerator until time to serve. To serve, arrange the salad on salad greens and garnish with tomato slices or wedges.

This recipe makes 8 to 10 servings.

### SOCIAL CALENDAR

Thursday, Feb. 23  
3 p.m. — Alpha Delphin Club will meet at the Woman's Club for Texas Day program.

9:30 a.m. — The Gleaners Sunday School Class of First Baptist Church will meet for a coffee at the home of Mrs. J. N. Smith.

7:30 p.m. — Civic League and Garden Club - sponsored lecture, presenting Helen Poe, internationally known speaker and world traveler, will be held at Eastland High School Auditorium. Tickets available by phoning or contacting any member.

Among the out of town guests were: Mr. and Mrs. Andrew Urban of Abilene; Mr. and Mrs. Charles D. Dean and children of Athens; Mr. and Mrs. T. J. Bass and children of Olney; Mr. A. T. King of San Angelo; Mr. and Mrs. McKinley Rhodes, Jr., Dallas; Mr. Hugh Smith, Borger; Mr. and Mrs. Dean Sutton, Lubbock; Mr. and Mrs. Charles Sutton, Fort Worth; Mr. and Mrs. Johnny Rambie, Uvalde; Mr. Gayle Saffel, Bruceville, and Mr. and Mrs. Jennings Thompson, Dallas, and Mr. and Mrs. Joe Gillespie, Jr., Waxahachie.

### Please Phone If You Miss Your Paper

If, for any reason, you fail to receive your Eastland Telegram, by late afternoon, please phone the office (No. 601) by 5:30 p.m. or, afterward, the Casebolt residence (No. 1088) and a copy will be brought to you.

### Inspection of Cars At Once, Is Being Urged

Have your motor vehicle inspected today, advised Captain G. L. Morahan of the Abilene Highway Patrol district.

"All motor vehicles registered in Texas must be inspected by April 15, 1956 so to avoid long lines have your vehicle inspected now," he suggested.

"Enforcement of the Motor Vehicle Act is in effect now, and all vehicles must display the new inspection sticker after April 15, or owners and operators are subject to fine not to exceed \$200 for each violation. The inspection is only \$1 if no repairs are needed."

A DISTINCTIVE NEW CAR, BIG AS ALL OUTDOORS, STYLED AND POWERED TO A TEXAN'S TASTE!

# "The Texan" BY DODGE

Choice of this dashing Lancer Hardtop or the big, rany 4-Door Sedan

Now available at your Dodge dealer's is the snappy 2-door Lancer hardtop pictured above, and also the universally popular 4-door sedan... both easily distinguished by specially designed, gold-plated insignia on front, rear quarter panels and deck lid. Go see them... see how big and roomy they are... just like the proud, State they represent! Actually drive a Dodge "TEXAN" and discover the thrill everyone feels behind those high-spirited Dodge Super Red Ram V-8 engines that give you up to 230 horsepower. You'll say these cars are as sensitive to your commands... as sure-footed and easy to maneuver as a prize-winning quarter horse. Yet, snappy as they are in action, Dodge also promises you traditional dependability and ruggedness in every feature of these "TEXAN" bodies and frames. They're every bit as husky as a Brahma Bull. And they're priced 'way down to offer you more power, more comfort, more "class" at scarcely more than the so-called "low-priced" three.

Today, if possible, see these two handsome "TEXANS" close up. Note especially their dynamic Jet-Fin styling, their snappy insignia, their fresh colors with exclusive complementary interior trims, their jaunty twin exhausts indicating power aplenty. Then actually ride in one with Magic Touch Push-Button Control for PowerFlite automatic driving. That's when you'll surely agree that these special models will carve a niche "deep in the heart of Texas."

IN EVERY DETAIL OF STYLING AND MECHANICAL ADVANCE, "The Texan" IS A PURE-BRED...

### Scranton Man Laid To Rest At Scranton

George Berry Gattis, 82, retired farmer, died Saturday afternoon at his home in Scranton near Cisco. He had been in ill health for many years.

Born March 24, 1873, in Tennessee, Mr. Gattis had lived in Scranton the past 80 years. At the time of his death he was living with a niece, Miss Myrtle Gattis.

Mr. Gattis had been a member of the Methodist Church since boyhood.

Besides Miss Gattis he is survived by a number of nieces and nephews, including Mrs. O. V. Williams of Falls and John W. Gattis of Fort Worth.

Funeral services were held Sunday at the Methodist Church in Scranton, with the Rev. G. R. Grace of Caddo officiating. He was assisted by the pastor of the church, the Rev. Joe G. Black.

Burial was in Scranton Cemetery.

**Additional -**  
(Continued from Page One)

The trucks are supporting vehicles for the self-propelled 155-mm howitzers received sometime ago.

Designated the M54 by Department of Army, the new trucks carry a two man crew and handle a gross payload with trailer of 35 tons. The power plant is a 6 cylinder Continental engine developing 196 horsepower.

National Guard units are allowed, at the armories, 50 per cent of total authorized vehicles. An armored personnel carrier and 1/2 ton truck are expected for delivery this year, bringing the local unit to full allowable on ordnance vehicles.

**THE W. L. WHARTONS ATTEND HIS BROTHER'S FUNERAL AT LEONARD**

Mr. and Mrs. W. L. Wharton attended funeral services Feb. 11 at Leonard for Mr. Wharton's brother, J. T. Wharton, who died Feb. 9 at his home there.

His survivors includes two other brothers, C. E. Wharton of Bloomburg, Ark., and S. I. Wharton of Compton, Calif.; his wife of Leonard and four daughters, Mrs. H. T. Reynolds and Mrs. Kim Macon, both of Leonard; Mrs. John Jackson of Sulphur Springs and Mrs. Elzie Jackson of Lubbock.

### 95% Texans Affected By Dental Disorder

AUSTIN — Over 95 per cent of our population is afflicted with some sort of dental disorder. However, if parents took advantage of all the preventive measures available, their children would grow up relatively free from dental disorders, asserts Dr. Henry A. Holle, Commissioners of Health.

Since these dental disorders have their start in children, early attention to proper dental health procedures helps the child avoid the dental disease that plagues his parents, he said.

"Tooth decay," Dr. Holle said, "is probably the most widespread dental disorder among children and improper diet can be blamed for the large incidence of the disease. Sugar, one of the main factors in decay, is consumed in 10 times larger quantities today than it was 100 years ago."

He urged parents to substitute fresh fruits such as apples and oranges and uncooked vegetables such as carrots and celery for sweets as between-meal snacks for their children.

The toothbrush, Dr. Holle pointed out, is one of the best weapons against decay. He stressed, however, that to achieve maximum benefits the timing and method of toothbrushing are vitally important.

He explained that since toothbrushing removes bits of food which have become lodged in the teeth, the teeth should be brushed immediately after eating. The brush, he said, should be firm and small enough to get to all surfaces of the teeth easily. For best results, he suggested that the upper teeth be brushed down and the lower teeth brushed up.

Another weapon against decay, Dr. Holle said, is fluoridation of public water supplies.

"Scientific studies have shown that fluoridation has reduced tooth decay as much as 65 per cent," he said. "No ill effects have been discovered from the measure which is currently in effect in more than 1,100 communities in the United States."

In communities that have no public water supply it is suggested that children receive direct applications of a fluoride solution from their dentists. These treatments have been found to reduce decay up to 40 per cent.

Parents are urged not to neglect periodic dental for their children in order that small cavities and other irregularities can be detected before they become serious. He also advised that early visits tend to eliminate any fears in the child, since little or no discomfort is involved.

### Committee Heads Announced For Safety Meet

Committee chairmen have been announced for the 17th annual Texas Conference to be held jointly with the governor's highway conference in Dallas, March 26-27 at the Baker Hotel.

To head major planning functions for the statewide meetings are D. M. Johnson, Employers Mutual Liability Insurance, Dallas, Arrangements; W. F. Leonard, Jr., The Southland Corporation, Dallas, Attendance; Paul Campbell, Lehigh Safety Shoe Company, Dallas, Exhibits; E. C. McFadden, Employers Casualty Company, Dallas, Banquet; Val Jean McCoy, Shell Oil Company, Houston, Publicity; Don L. Baxter, Don L. Baxter, Inc., Dallas, is publicity committee co-chairman.

Cooperating with the Texas Safety Association in sponsorship of the meeting is the American Society of Safety Engineers, Southwest Chapter. Chairman for this group is Phil Falletto, National Surety Company, Dallas. Conference General Chairman Dudley W. Coursey, Dallas, said an expected 2,000 representatives of industry, schools and colleges, and state and local government will confer on methods for cutting down the serious accident toll in Texas — both on and off-the-job.

### Graham Publicity Announced By Manilla's Catholic Church

By GEORGE BURNHAM  
Chattanooga News-Free Press Staff Writer

MANILLA — Filipinos are hoping today Billy Graham will repeat General MacArthur's famous phrase "I will return."

The evangelist, faced with the only organized opposition on his current tour of the Far East, received a rousing reception and scored one of his greatest triumphs during a single rally in Manila. It whetted the appetites of people for more, and Billy, impressed by the biggest Protestant meeting in the history of the Philippines, may return for a major campaign within the next two years.

Response from the crowd of 40,000 to the invitation at the end of the message was the greatest in Billy's phenomenal history. More than 6,000 walked onto the football track to make decisions for Jesus Christ. By comparison, when Billy addressed 120,000 at London's Wembley Stadium in 1954, there were 2,500 decisions.

Billy asked the people to get up and take their stands for Christ. They came from all sections of Rizal Memorial Stadium. Thirty minutes later they were still coming in a steady stream and continued right up to the benediction. Ministers and missionaries looked on in amazement. The people making decisions were not the unloved and the unlovely as some have claimed Christians to be. They appeared to be the cream of the crop, and came from all areas of the Philippines.

Also looking on was American Ambassador Homer Ferguson and many leaders of the Filipino government. The ambassador had met Billy at the airport when he arrived from Bangkok. They entered Manila under a huge horseshoe which said "Welcome Billy Graham."

Some felt the stadium would be half empty but the crowd began to arrive early and by the time Billy came every seat was taken. People overflowed onto the play-

ing field and covered two-thirds of it and sat patiently on the grass.

A lighted sign at the back of the platform stated: "Jesus said I am the way, the truth and the life. No man cometh unto the Father but by Me."

The 1,000 voice choir opened with Billy's theme song "Blessed Assurance Jesus is Mine" and minutes later doubling pastors set on the platform with bowed heads as the great choir sang "Great is Thy Faithfulness."

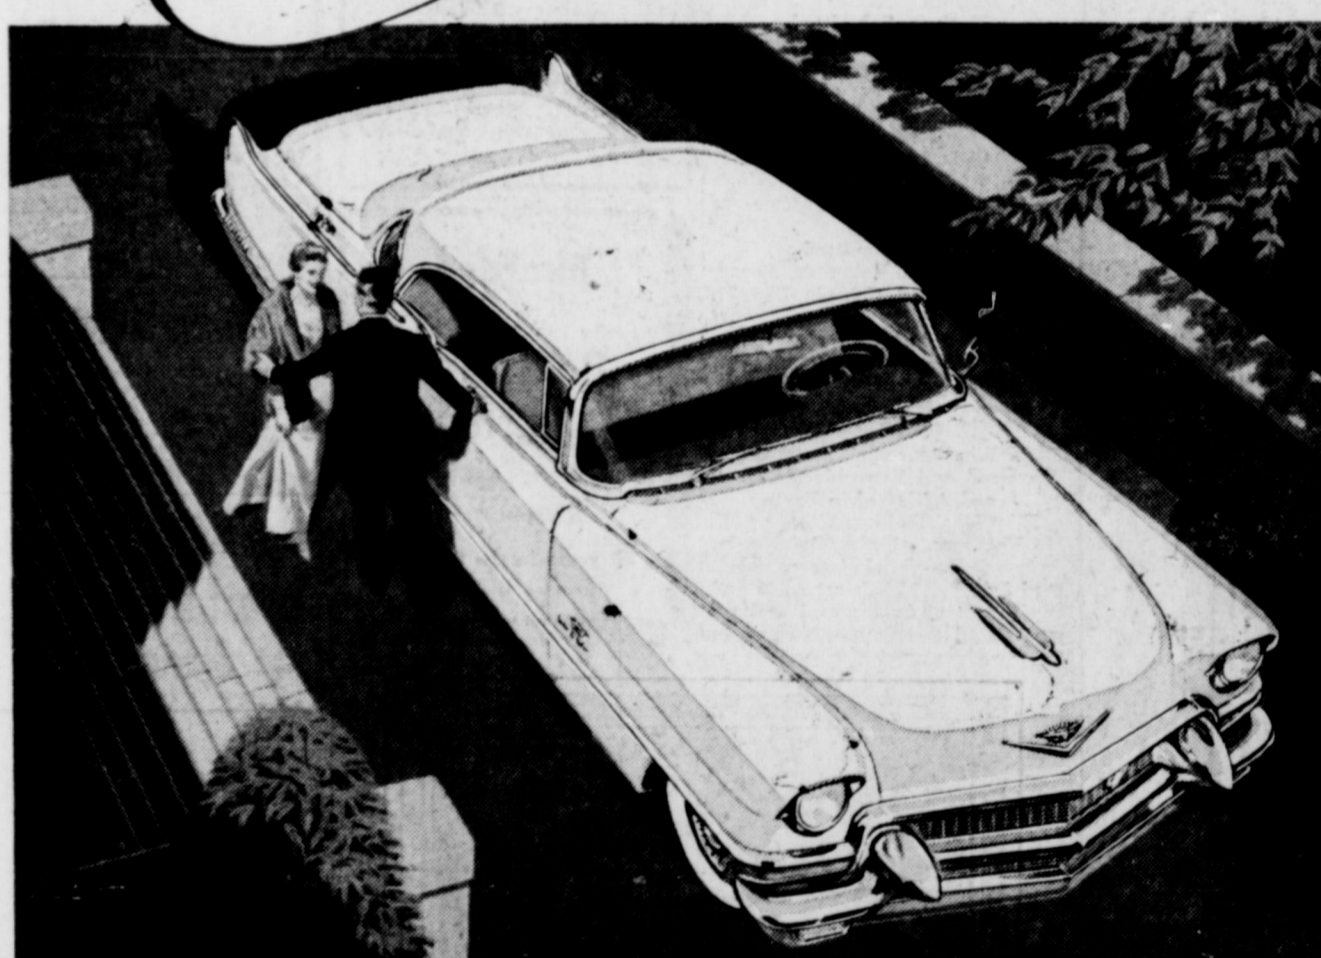

Then Billy startled a few in the audience when he said, "The greatest problem faced by Christianity today is church members who profess the name of Christ but do not live like Christians."

Many of the 6,000 who made decisions were church members. Before leaving Manila the next day Billy was invited to the palace to have breakfast with President Magsaysay.

And the President observed that must have been quite a meeting out at Rizal Stadium.

### Stepping Out...With His Two Loves!

It's the hour of twilight!  
And what happier prospect could a man ask for a wonderful evening. For tonight he's stepping out with his two favorite companions—the lady in his life . . . and the car in his life!  
And you can rest assured that the "car of cars" will make a contribution all of its own to his evening's enjoyment.  
First of all, there will be the inner satisfaction a man always feels as he steps into his Cadillac and settles behind the wheel. All about him will be the inspiration of Cadillac's luxury . . . and beauty . . . and graciousness.  
Then there will be the thrill of Cadillac's marvelous performance. Driving will be so easy and so effortless that every mile will be a mile of relaxation and pleasure.  
There will be the contentment that comes with Cadillac's great safety . . . and the comforting

knowledge that he—and his lady—are surrounded with every comfort and safeguard known to automotive science.  
And, finally, there will be the joy of arriving in the "car of cars" . . . and of catching those glances of admiration that will come his way as he pulls to the curbstone at journey's end.  
Little wonder, then, that Cadillac owners have so great an affection for their motor cars.  
And their sentiments etch themselves all the more deeply in the light of Cadillac's great economy and practicality. For how wonderful it is to know that the satisfactions of Cadillac ownership are coming from motordom's soundest and wisest investment.  
Why not come in soon—with your lady—and "step out" for an hour or so at the wheel of a 1956 Cadillac? The car is waiting for you . . . and we'll be delighted to do the honors!
