

THE NEW CAR CAPITAL

NUMBER 58

EASTLAND, TEXAS, THURSDAY, SEPTEMBER 10, 1964

PRICE 10¢

**COURTHOUSE CORNERSTONE LAYING** — This picture was made May 28, 1928 on the day of the cornerstone laying of the Eastland County Courthouse. The print was found recently in an old trunk and is now the property of Mrs. Everett (May) Plowman, who gave permission for its publication here. Many faces in the picture are recognized by Eastland residents. How many can you put names to?

## Industrialization Project for Entire County Is Launched

Next step toward the industrialization of Eastland County will be taken Saturday morning when the mayor or a representative of each town and community in the county, the county judge and Larry Milner, community coordinator for the Texas Industrial Commission, sit down to map out specifics of a five-point program.

The meeting will be held at the Texas Electric Service Co. Reddy Room, beginning at 9 a.m.

The five points were spelled out Tuesday afternoon for approximately 55 people who met in the county commissioners courtroom to hear Harry Clark, executive director of the commission, and Milner.

Current action is the outgrowth of a promise by Gov. John Connally to make Eastland County the pilot site for his industrialization program.

Clark, during preliminary remarks explained the history of the commission, and explained that its format is being changed — by the planned elimination of the community coordinators and establishing a community development program, set up by a team of commission staff members.

"This is the idea," Clark said, "if Eastland County will agree to go into the program so that we may use it as a test area, we will concentrate our efforts here until next September when an evaluation of the program will be made for recommendation to the state legislature for use in other counties and areas."

The five steps called for by Clark, and which he said, have been proved through actual tests, are:

1. Coordinate data about the entire area including each community in it. (Much of this work has already been done in the Community Development Program, prepared and published by the Community Development Committee, through the local Extension Office)
2. Establish local industry. (Seventy per cent of new industry today, he said, is home-grown.)

### Olden Residents To Meet, Discuss Fire Equipment

Residents of Olden are urged to attend a community meeting Thursday Sept. 10 at 7:30 p.m. in the Community Center.

Purpose of this meeting is to discuss plans for securing fire fighting equipment for Olden. This equipment is badly needed as fire departments from Eastland and Ranger now has to answer fire calls in Olden.

### Kinzlers Are Vacationing

The Rev. and Mrs. E. E. Kinzler left Tuesday for a 10-day trip to Ruidoso, N. M. He is pastor of the Nazarene Church in Eastland.

Rev. Kinzler has announced that Rev. Austin Smith, a missionary, will have charge of the Sunday morning worship service at the church.

Sunday evening, the Rev. Reittin formally of California, now of Cisco, will have charge of the service. He has spent some 48 years in the mission field of Hong Kong, China.

Rev. Kinzler invited all the public to attend and here these inspirational speakers.

## Rep. Gibbons Speaks for WSCS, Lions Tuesday

"The greatest thing we have to fear today is that we will not give effective testimony to our youth of just what we have here in America and what it has cost in the history of our people," State Rep. Wayne Gibbons told the Eastland Lions Club Tuesday.

Rep. Gibbons' talk for the Lions followed an appearance before the Woman's Society of Christian Service of the First Methodist Church. His topic for the WSCS meeting was "Christian Citizenship" in observance of that organization's Citizenship Day.

The WSCS meeting was held at 9:30 a. m. Mrs. Harold (Loretta) Bulgerin, president, presided and introduced Mrs. D. L. Kinnaird, Jr., who in turn introduced Mr. Gibbons.

The group sang "America the Beautiful".

There were approximately 35 persons present at the meeting.

"The greatness of our nation has demanded the blood and sacrifice of the lives of our bravest and best youths to preserve our heritage, our freedoms and our liberties," Rep. Gibbons said. "Each new generation must be persuaded to keep America strong," he continued.

"Our young people don't just grow up knowing the significance of our Declaration of Independence, our Constitution and other great documents," he pointed out.

Bruce Pipkin was program chairman and introduced Rep. Gibbons for the Lions Club. President Leon Musgrove presided and introduced the one guest, Int. Counselor O. L. Stamey of Cisco.

3. Establish a county-wide promotional program with a paid staff.
4. Create an Eastland County industrial sales team of six or seven persons, each one qualified in a certain area, to be able to sell the advantages of the county.
5. Investigate with a view toward organizing a county-wide financing program, wherein all financing could be handled centrally.

"Prospects will come if you do these things," Clark said. "Larry (Milner) and I will hold your hand as you take these steps," he pointed out.

In answer to a question "Will we have to offer free inducements to industry?" Clark answered that in many cases the county would. But not, he said, as a public offer, but rather on a negotiated basis.

The commission spends some \$70,000 a year advertising in industrial magazines and turns up some 30 "suspect" industries a month, which communities are welcome to contact, he said.

Major item of concern to a prospective industry, he said, is "profit" — whether or not money can be made. Other aspects include community, financing, site and prospects.

Clark compared the job of "getting industry" to a football game — wherein ticket-buying fans root for the team, made up of some 33 suited out players, 11 of whom are three or four "professional" coaches, and with only one man at a time "carrying the ball."

Mr. and Mrs. N. F. Cowan and daughter of Borger spent Labor Day weekend with her parents, Mr. and Mrs. J. H. Windland.

Mr. and Mrs. Victor Cornelius, Mr. and Mrs. J. F. Williams and Mrs. C. W. Pettet had Mr. Charlie Ray Williams, brother of Mr. J. F. Williams and Mrs. C. W. Pettet as their guest over the Labor Day weekend. Mr. Williams is from Kosciusko, Miss., and is also a nephew of Mrs. Cornelius.

Guests in the home of Mr. and Mrs. T. L. Amis Labor Day weekend were Earnest Sneed of Midland and Dan Amis and family, Karen, Pam, Terri and Dana of Richardson. Visiting Mrs. Amis this week will be her sisters, Mrs. Jack Killian of Lake Jackson and Mrs. C. B. Blowers of Austin.

Graveside rites were conducted Tuesday, Sept. 8, at 2:30 p. m. in the Eastland Cemetery for James W. Ashley, who passed away while visiting his son in Graham. Mr. Ashley was 97 years old. He was laid to rest beside his wife, who preceded him in death.

**THE TEXAN**  
DRIVE-IN  
**TEST for fun**

Bank president: "I'm busy, son. Be short."  
College youth: "I will, I am."

A question about water? "Of the 317 new industries located in Texas last year, 85 per cent used no more water than does a motel," he said.

Purpose of the commission, Clark said, is the coordination of the many efforts being made over the state.

"Primarily, we're not in the prospect recruiting business," he pointed out. "We are presently leaving that to the area, and local professionals (chamber managers, utility industrial specialists, etc.). Generally, we've been talking to groups such as yours, telling them "Good luck and good bye," but under our proposed community development program, we'll be able to offer more concrete help."

### J. W. Ashley Buried Tuesday

Graveside rites were conducted Tuesday, Sept. 8, at 2:30 p. m. in the Eastland Cemetery for James W. Ashley, who passed away while visiting his son in Graham. Mr. Ashley was 97 years old. He was laid to rest beside his wife, who preceded him in death.

### Mav B Team Loses To Clyde, 8-6

The B team squad of the Maverick football team was defeated Saturday morning by the Clyde B team squad, 8-6.

The only score for the Maverick team was on a pass interception by Roger Terrell. The extra point try failed.

Gene Wilson was shook up a little on a play.

### To Undergo Surgery

Mrs. Cyrus Barcus was taken to Methodist Hospital in Dallas Tuesday by an Arrington Hamner Funeral Home ambulance.

Mrs. Barcus is to undergo surgery for the correction of a fractured bone in her left leg.

She is in room 311.

**BIG WATER VOLUME**  
According to Lewis Tiner, city manager, 29,190,400 gallons of water were billed for from July 15 to Aug. 15.

Mr. Tiner also said that the special summer water rate will end the 15th of this month.

**BREAD of Life**

His delight is in the law of the Lord; and in his law doth he meditate day and night.—Psalm 1:2.

When quiet in my house I sit, Thy book be my companion still;  
My joy Thy sayings to repeat, Talk o'er the records of Thy will.

## Lightweight Mavs Battle Heavy 'Cats in Rising Star

The Eastland Mavericks, smarting from an 18-6 loss to Comanche, will be facing a lot of beef when they go up against the Rising Star Wildcats in Rising Star Friday night.

The Maverick starting lineup against Comanche averaged 145 pounds and that same squad will be toying it with what is reported to be a 190-Wildcat team average. The Wildcats are a much-touted team too, being picked as leaders in their Class B district — so the Mavericks have their work cut out for them.

However with the aggressiveness displayed by the Eastland team against Comanche, plus the smart quarterbacking of young Jerry McCullough, quick thinking backfield and hard-headed hitting of the line, the tilt Friday night should be a real tussle.

A large delegation of Eastland fans are expected to make the trip to Rising Star to see their team do battle on foreign soil for the first time this season.

Individually the Mavericks performed well, all agreed after the Comanche bout. McCullough led his teammates, with 85 yards gained; followed by 150-pound fullback Gaylon Griffin for 50; 15-pound Mickey Sargent with 33; and 155-pound John Moylan getting 14. End Mike Miller was credited with five and half-back Ted Martin with one.

Reports are that Rising Star's defensive line against Eastland will weigh about 190 pounds (one of the heaviest in Class B teams in the state) with the offensive unit averaging little less.

The offensive unit will be directed by Veteran Terry Geyer, with Dwight Carter and Danny Wooley at halfback slots and Kenny Butler at full. Mike Donham will be at center.

The defensive unit will be Rex Long, Dick Goldston and Gary Duggan at end; Mike Donham, Russell Botts and James Clark at guards; and Frazer Cox and Kenny Butler at tackles.

Probably starters for the Mavericks include: Mike Miller, No. 10, end, 150 pounds; Jerry McCullough, 12, quarterback, 150; Gaylon Griffin, 22, fullback, 150; John Moylan, 40, half-

back, 155; Bill Boles, 50, center, 150; Garry Rollins, 52, tackle, 170; Wayne Waldon, 65, guard, 145; James Fullen, 67, guard, 140; Butch Phillips, 70, tackle, 172; Larry Wilson, 80, end, 135; Mickey Sargent,

82, halfback, 145.

The Mavericks trounced the Wildcats, 33-6, last year, and 44-6 in 1962, and will be looking for a repeat to bolster their record.

Kickoff time is 8 p.m.

## Spirit Behind the Mavericks Is Very Important Ingredient

By SHARON SAYRE

Football season has begun! The time of cheering stands, prepe papered goal posts, bands playing, majorettes twirling, and cheerleaders yelling is finally here. But do we appreciate it?

It comes only once a year but many do not get the thrill of watching our hometown boys who have worked so hard most of the summer trying to learn the plays to use against the opposing team as they play an exciting game on Friday night. Some of the people who

come to the games are not filled with the football spirit that it takes to fully enjoy the cheering and excitement that goes along with a football game.

The reason might be that the people just have not given themselves enough time to get really enthusiastic about the games.

A remedy for that is very simple — start attending the pep rallies, and be a Maverick booster. Talk to your friends and urged them to go, too. It might have been a long time since you have been to a pep rally, and perhaps you may think that they are for teenagers only. If that is the case then now is the time to forget such a mistaken idea and come out on Thursday evenings to cheer for our team.

At the games, let's be truly enthusiastic all of the time. It is easy to yell and jump up and down when we are ahead, isn't it? That is when we really feel good. But, also we must remember that when the Mavericks are behind is when they need our support most. During a moment when the boys are a bit low-spirited because the score-board does not show a favorable score, it is up to us to show them that we are behind them all the way. Some cheering might be just the encouragement they need to pull the score back up and win the ball game.

So the next time we have a football game, why don't you attend the pep rally and then go to the game prepared to stand up and shout when the cheerleaders yell "All for the Mavericks, Stand up and holler!" You'll enjoy the game more and our boys will try harder knowing you appreciate the job they're doing. See you at the next pep rally!

## Top Rip Cash Unclaimed, To Be \$60 Next

The Old Rip Script Drawing's first \$50 was not claimed Saturday and the \$50 will be carried over to the next drawing and \$10 will be added to it, making a total of \$60, as first money, B. W. Robertson, chairman of the Chamber's Retail Committee said.

The three winners were Lillie Milford who won \$30 with a ticket from Western Auto; Bascom Robinson who won \$10 with a ticket from Hanna Lumber Co. and Mrs. Homer Duncan who won \$10 with a ticket from Robertson's Radio and TV.

The Standells of Eastland performed at the drawing.

Saturday, Sept. 19, will be the next Old Rip Script Drawing day.

Visiting in the home of Mr. and Mrs. H. C. Pounds this past weekend were her brother, Mr. Luther Smith of Andrews, Bill Amason of Eolian and Pearl Cazort of Cisco.

## Locals' Son Back From Navy Duty

Erie-C. Mayo, lieutenant commander in the U. S. Naval Reserve, and son of Mrs. C. W. Mayo of Eastland, has just returned home from Newport, R. I., where he spent two weeks on active duty to attend the Navy's course in military justice and administrative matters.

He is a resident of Coleman where he is resident engineer for the Texas Highway Department.

A veteran of 21 years in the Naval Reserve, Mr. Mayo is a member of the Brownwood Unit that attends weekly drills at the Navy Building on the Howard Payne campus.

Mr. Mayo is a graduate of Texas Tech and has been with the highway department for 32 years. He grew up in Eastland County.

Mr. and Mrs. L. B. Bishop had as their weekend guests, Mr. and Mrs. L. T. Bishop and children, Gary and Paula Kay of Hurst.

## Course In Gasoline Plant Operation Planned At CJC

The Technical - Vocational Division of Cisco Junior College will offer a night course titled "The Charge to a Natural Gasoline Plant" beginning Sept. 15, according to an announcement by G. C. Hogue, college president.

This is one of six courses which are included in a series of Natural Gasoline Plant Operations and Technology. The course will be 18 hours in length and will be conducted from 7 to 9 p.m. each evening on Sept. 15, 17, 22, 24, 29, Oct. 1 and 6. Total cost for the course will be \$16. This will include the cost of the manual which will be issued each class member.

Meetings will be held in the air conditioned lecture room of the new science building. W. A. Robinson, District Superintendent for Lone Star Producing Company, Gasoline Department, Ranger, will be the instructor. Mr. Robinson has had a number of years experience in gasoline plant operations and has completed this entire series in a previous company program.

The course will be limited to 20 to afford better group participation. Persons already in gasoline plant occupations are encouraged to attend. Individuals who are seeking knowledge in gasoline plant operations for the purpose of improving their possi-

bility for employment are also encouraged to enroll. Specific results for those participating in this study will be a better understanding of complex plant operation, increased confidence by those involved in this work, greater opportunity for promotion, improved safety through a better understanding of plant operation, and a better chance for employment in this type operation by those desiring to enter this field.

Gasoline plant personnel in the Cisco, Eastland, Ranger, Breckenridge, Graham and Albany areas are being contacted and advised of the course and given an opportunity to register in advance. If the series is continued to completion, it will require several months of intermittent courses.

This is but one of many programs which the technical-vocational division at CJC plans to offer. Many of the programs will be offered in outlying towns and cities. These programs will be designed to assist those not pursuing a college degree to attain skills and knowledge in a vocation or trade and to improve or upgrade their present skills and knowledges for a better and more secure position in life. Any course will be offered where there is a sufficient number requesting it, Mr. Hogue said.

## Former Local Reporter Writes Of Her New Job And Life In New York

Editor:  
Well, here I am in New York and I hardly know where to begin to tell you all about how exciting it is. I guess newspaper work is practically the same no matter where you go, because this is my fourth day on the job, and I feel very initiated and in the groove of things. There were several old habits to break and now ones to learn, because naturally style changes from one paper to the next.

There are several different things that the Leader Herald does. They never never use a.m. or p.m., but put last night or tomorrow or today or in the afternoon, which I find very d. y. cumbersome and strange. They never use the word "held" for meetings in the past tense and they never put US before Army, Navy, etc. Of course these are only small things and it won't be long before I'll finally get the hang of it all.

The paper isn't quite as large as I had expected. There are only three regular reporters on duty each day, a city editor, three men on the desk, two proof readers, a sports editor, photographer, managing editor and business manager in the editorial department. Of course it's a lot larger than the ones at home, but not nearly as large as the American Statesman. I rather enjoy it being this small, however. No chance of getting lost in the shuffle.

The people here are wonderful — really as friendly as Texans. All of the Leader Herald staff have been helpful and patient in getting me adjusted and oriented. I know I'm going to like it even more and more.

There is one very unusual thing. We print an afternoon paper and have a deadline, so stories we write all morning are geared to be printed.

## FOR SALE

85 Acres — \$6,500 No. Eastland.  
32 Acres — All cultivation, well, \$85 per acre.

## TIDBITS . . .

(Continued from Page One.)  
Eastland County's chances of getting two more Highway patrolmen and another vehicle units are good, if volunteers are plentiful for the Department of Public Safety's current recruitment program, reports Dan Nowlin, P. R. man for this district. A golden opportunity awaits qualified men between the ages of 21 and 35 to join and attend the DPS school beginning Nov. 19. Enrollees are paid \$375 a month while training, and then are raised, Nowlin said. Further information and application blanks can be obtained at the Highway Patrol Office in the county courthouse. Sgt. Roger Sosebee has been asking his headquarters for more help for a long time and, according to Nowlin, the accident reports filed by this county certainly indicate that more help is needed.

Don't you agree Director John Foster's Maverick band looked good at the football game. Were disappointed that the presentation wasn't longer, but thought Miss Jeannette Hanna, head drum major, and her associates, looked particularly nice. Musical numbers were "Temptation" and "The Young Lions". (Noticed the Comanche band used the "Lions" too) . . . Larry Marshall did a yeoman job too on the public address system — in spite of some disconnected speakers.

After Tuesday's meeting in the commissioner's courtroom, where some 50 to 60 met to talk about industry, several were heard to comment that air conditioning the courthouse might be a progressive start.

THEIR FIRST FULL-LENGTH MOTION PICTURE IN COLOR!

It's McHale and his Entire Crew... kidnapping race horses... ramming subs on their Maddest Adventure!

**"McHALES NAVY"**  
Starring ERNEST BORGNINE  
JOE FLYNN · TIM CONWAY

### TO WHOM IT MAY CONCERN

I will not be responsible for any debts other than made by me. I am not married and never have been. I am innocent of the accusation against me. P.F.C. Lonnie Joe Basham, U.S.M.C.

Gets the DIRT OUT But Treats the Peanuts GENTLY!

**LONG DIGGER-SHAKER**  
WITH PATENTED VINE LIFTER

When it comes to digger-shakers, you'll find the LONG tops. A patented lifter action knocks out dirt as vines are lifted off the shaker chain. Keeps chain from dragging vines under, too! No other shaker has this important feature.

Throughout, you will find a heavier, stronger-built machine to give long, useful life. Special flattened points shed grass better and reduce peanut loss caused by stripping.

Many other features, too... adjustable vine deflectors, adjustable shaker pick-up drive, precision machined gear box operating in oil, ball bearing pillow block bearings and double V-belts.

Let your LONG dealer show you this shaker today. See for yourself why it does such a good job.

MANUFACTURED BY **LONG**

## Library News

By Mrs. C. L. Cushman Librarian

The Eastland Public Library reports a most successful summer. June, July and Aug. were record making months when 2585 books were read; 1953 were read by young people and 632 by adults. The Library Committee of the Thursday Afternoon Club named Anna Hart for the Library Citizen of the month of August.

We have many new books, something for all ages. On the High School reading lists we recently acquired: "Day of Infamy" — Lord, "A Nation of Sheep" — Lederer, "The Turn of the Screw" — James, "My Name is Aram" — Saroyan, "The Hurricane" — Nordhoff and Hall, "Come Rack! Come Rope!" — Benson, "The Babe Ruth Story" — Considine, "The Last of the Plainsmen" — Grey and "The White Company" — Doyle.

Many new biographies for the children such as: "Albert Einstein," "Amelia Earhart," "Luther Burbank," "Victor Herbert," "Stonewall Jackson," "General Douglas MacArthur" and "John Muir".

New for adults are: "Look Away, Look Away" — Haas, "The Rector of Justin" — Auchincloss, "This Rough Magic" — Stewart, "The Spy Who Came in from the Cold" — LeCarre, "Kirkland Revels" — Holt, "Wildfire at Midnight" — Stewart, "Dr. Scott on Call" — Siefert and "The Lost City" — Gunther.

Mysteries: "The Grave — Makers House" — Weber, "Frame-Up" — Grave, "Vendetta For the Saint" — Charteris, "The Transcendental Murder" — Langton, "A Stranger to Herself" — Williams, "Three For Lord Peter Wimsey" — Sayers and "The Devious Ones" — Lockridge.

Mrs. Ferne Green and father Rev. Asa Hoskins have returned after spending two weeks with daughter and granddaughter Mr. and Mrs. Charles Douglas Chaney and new son Charles Howard of Bangs.

Mr. and Mrs. Dwayne Knight and Kim of Wichita Falls spent Labor Day weekend with her parents, Mr. and Mrs. Weldon B. Armstrong.

## Olden Community Center Meets

Olden Community Center met Saturday, Sept. 5 for a regular meeting. Burt Proctor called the meeting to order.

Minutes of the previous meeting were read by Travis Hilliard in the absence of the secretary, Mrs. Bill Hooks. Jim Everett gave the treasurer's report.

Plans were discussed on the erection of signs in Olden and individual name signs at each residence. Also discussed was the continuation of the testing of well water. Bottles for mailing water samples to the Center.

The Olden homecoming, set for November 28, was discussed. Anyone knowing

names and addresses of former residents of Olden may give them to Mr. Hilliard or to Mrs. Gene Woods.

Approximately 25 members attended.

Labor day guests in the home of Mr. and Mrs. Ed Allgood were: her mother, Mr. and Mrs. B. B. Morris of Rising Star, her aunt, Mr. and Mrs. Earnest Floyd of Los Angeles, Calif.; her sisters, Mr. and Mrs. Harold Phillips and sons, Richard and Hall Dean and Mr. and Mrs. Jess Gordon and daughter, Sidney Sue of Oklahoma City. They were joined later by Mr. and Mrs. Bobby Phillips, Mrs. Allgood's sister, and Mr. and Mrs. Joe Allgood, Ed Allgood's uncle, of Rising Star. All enjoyed a buffet supper of sandwiches, cold salad, ice cream and cold drinks.

### P.F.C. Basham Finishes Course

Marine P.F.C. Lonnie J. Basham, son of Mr. and Mrs. H. E. Basham of 1416 South Lamar, Eastland, Tex., completed a course July 24, on Automotive Maintenance Familiarization while serving with the Seventh Motor Transport Battalion, First Marine Division at Camp Pendleton, Calif.

The Three-week period of instruction consist of information and practical application of the theory and construction of automotive engines, power trains and brake and chassis repair. In-struction is also given on the electrical systems, principals of carburetion, the fuel systems and lubrication components.

Detailed instruction through courses such as this one, helps insure the high degree of preparedness vital to the Marine Corps in fulfilling its role as the nation's "Force-in-Readiness."

Before entering the service in January 1964, Basham attended Olden High School, Olden.

Mr. and Mrs. Glen Doss and daughters and Jim Jordan of Austin and Mr. and Mrs. Ronald Robertson of Fort Worth visited this last weekend with Mr. and Mrs. B. W. Robertson.

Visiting in the home of Mrs. L. C. McNatt last weekend was her daughter Mrs. Opal McNatt Jones of Los Angeles Calif.

paredness vital to the Marine Corps in fulfilling its role as the nation's "Force-in-Readiness."

Before entering the service in January 1964, Basham attended Olden High School, Olden.

Mr. and Mrs. Glen Doss and daughters and Jim Jordan of Austin and Mr. and Mrs. Ronald Robertson of Fort Worth visited this last weekend with Mr. and Mrs. B. W. Robertson.

### Can you harvest 200 acres and spend only \$25-\$50 for upkeep?

**You may if you own the LONG Peanut Combine**

Many owners report they harvest 100 to 200 acres and have to spend less than \$50 on repairs. Acre for acre, field for field, we don't believe you can beat the outstanding record of Long Peanut Combines.

These combines have established such an outstanding record that we will be happy to have you ask any owner about his upkeep costs — speed of harvesting — and quality of harvest.

**TWO SIZES—LONG Super-extra large capacity, handles up to 4 rows, bulk basket PTO or 60 hp air-cooled engine. LONG Standard—with bagging attachment or bulk bin PTO or 36 hp air-cooled engine.**

We believe they will back us up when we say Long is the best peanut combine you can buy. Many of these owners have used other combines and are now sold 100% on Long. See your dealer and let him show you the many reasons why Long will give you better service.
