Witness Is Subpoenaed in Murder Trial

A prime witness has been subpoenaed to testify in the murder trial of Nancy Gage, April 29, 1965 in the Eastland High School Courtroom. Mrs. Blanche Rockingham Fitts, a wealthy New York writer, has been contacted by the prosecuting attorney, Mark Wigam.

Mrs. Fitts was a close associate of the murdered woman, Thea Dorset and her niece, Ruth Dorset.

Mrs. Fitts and Mrs. Dorset were both in the same line of interest as both believed in the creative style of work.

The trial is to begin at 7:30 in the evening, with Judge Daniel Endicott presiding.

Sherry Miller, daughter of Mr. and Mrs. Pat Miller, is visiting here over the holidays with her parents and friends. Sherry is a Junior student at Texas University.

CLEAN-UP DIVISIONS — The city of Eastland is divided into five sections, four shown here, for the forthcoming Clean-Up Drive. In addition Mrs. Marene Johnson is in charge of the Hillcrest Addition. Residents who have questions about the drive or who wish to report particularly unsightly lots and locations, may contact these women. Also post cards will be mailed by the Civic League reminding persons of the need for joining in the Clean-Up and asking all-out cooperation. Seaman and Sadosa streets are the dividing streets in the town.

Outstanding Members Named at FFA Event

The second annual Father and Son Banquet sponsored by Eastland Future Farmers of America was held Friday night, April 9 in the cafeteria of Eastland Elementary School. Mike Lewis, chapter president, gave the invocation.

After the meal, Bill Boles recognized the fathers and Mike Lewis presented buyers of the chapter's show animals. Steve Perdue introduced the speaker for the evening, Mr. Harry Holt of Abilene, farm and ranch editor for KRBC Radio and T.V. in Abilene and well known quarterhorse raiser.

Holt informed the group that agriculture can and will survive in this atomic age. He challenged the boys to consider the field of agriculture for their life's work.

Chapter advisor, W. L. Sims introduced winners of the various awards as follows: Star Greenhand, Bryan Garner, son of Mr. and Mrs. W. L. Garner; outstanding in the field of swine was Terry Finley, son of Mr. and Mrs. O. D. Finley; outstanding sheep raiser, Jimmy Jordan, son of Mr. and Mrs. O. A. Jordan; top beef raiser, Sam Beggs, son of Mr. and Mrs. Sam

Beggs; and Star Chapter Farmer of Eastland FFA, Steve Perdue, son of Mr. and Mrs. E. S. Perdue.

Following the banquet, open house was held in the recently completed Vocational Agriculture Shop and classroom.

After the business session, a social was held and an Easter party was conducted by Program Chairman Johnnie Johnson. She read a story after which a spring shower game was played by everyone. May Kleiner of Cisco and Olive McCain of Eastland won prizes for staying in the game

Meet Wednesday

Four Eastland County Democrats were guests Wednesday at a private luncheon in Austin given by Gov. John Connally for his advisors. Over 100 persons from over the state were present for the four-hour session.

Attending from Eastland County were Don Pierson, Mike Collins, Mrs. Roscoe Hopper of Ranger and Richard Moore of Cisco.

The GLORY of

May all of us feel a renewal of faith and hope during this Easter time. May you and yours enjoy to the very fullest this wonderful season.

Now, That It's Spring Again —

... It is time to rejoice for the Season ushers in a period of new life, renewed hope and pleasant memories of Eastertime. But Spring, all too often, may bring memories of hail and windstorms, too, which are neither joyous nor pleasant. And sometimes they cause death and much destruction of property, without warning. If you are not carrying insurance against these hazards, and others just as destructive, better give us a call today. Tomorrow may be too late.

Scientists' Sunday Topic

What do Jesus' sufferings and triumphs mean to us today? This is the underlying question to be taken up at all Christian Science churches this Sunday. The subject is "Doctrine of Atonement."

The Bible Lesson to be read will include this verse from II Corinthians: "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." The theme will be carried through in related readings from the Christian Science textbook: "He to whom the arm of the Lord" is revealed will believe our report, and rise into newness of life with regeneration. This is having part in the atonement; this is the understanding, in which Jesus suffered and triumphed" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 24).

Mrs. Trippet Attends Service Honoring Her Late Husband

Mrs. Louise Trippet attended a special memorial service, during a recent visit to Fort Worth, for her husband, the late Paul Trippet. At the sacred "Eleventh Hour" service, Mrs. Trippet was presented 18 beautiful American Beauty Roses and a life membership card to the Elks Club.

Mr. Trippet was Exalted Ruler of the Elks Club when he and Mrs. Trippet, the former Miss Louise Crosby, were married in the Central Christian Church of Austin.

After the memorial service, Mrs. Trippet and 18 close friends were taken by limousines to Greenwood Memorial Park, where she placed the roses and a beautiful marker on her husband's grave.

Miss Andrea Taylor of New York gave Mrs. Trippet a satin covered book containing a record of the special events of 18 years.

Oran Rhodes, a teacher in the Clyde Public School system is visiting his parents Mr. and Mrs. Doyal Rhodes, over the Easter holidays.

Leon Briefs

MRS. O. D. QUARLES

Fishing is going great at Lake Leon. The largest fish weighed in at Quarles' this week was seven pounds, four ounces, caught by Dick Henderson of Rankin. Helen Stark of Hobbs,

N. M., caught a six pound bass and being her first lunker, caused excitement, happiness and a picture snapped. Helen is a sister-in-law of Mrs. Mae Carr of Ranger.

Among others having real good luck were the H. Pearces of Monahans, with a total of 19, weighing from three to six pounds. Hub Jones and J. B. Crisler, with a total of 17 weighing from two to

five pounds and one-fourth. Jones and Crisler are from Lubbock and plan to be back again in a week or so. Also fishing here were Mr. and Mrs. Ray Walker of Odessa and Dr. George Y. Mahan and son, Doug, of Fort Worth; O. H. Bryant, George Kiker, Ray Lewis, Tom Epleen and Ernest Harbor, all of Abilene.

The big yellow cat are beginning to move around. The Z. O. Mahaffey's took two that weighed eight pounds and

12 pounds and one-half. Via the "grapevine" we hear that Odie Monroe of Gorman got a 20 pound yellow; also, the Billy Becks of Ranger caught three.

Dr. L. Y. Morris of San Angelo, fishing with Milton and James Fullen, had real good luck this weekend. Some weighed up to four pounds and one-half, but we failed to get the exact number of bass they caught.

Saturday morning The lake is clear and beautiful. Spring has "sprung" and fishing fever is high. Minnows and red wigglers are in demand and the most popular lures are jigs, hellbender, bombers and Herb's Dillys for the deep runners. Some top water baits are being used too — skipjacks, cobras and mirro-lures.

Picnicking, camping-out and skiing are picking up also. Take a break from your daily

routine, come out to relax and enjoy our wonderful lake. See you soon?

Pirates, Indians, Spee - Lunkers Found In The Magic Of Six Flags

By FAYE JOHNSON
 Hundreds of families flocked to the newly reopened top tourist attraction in Texas last weekend, as members of the staffs of Texas' newspapers and their families were special guests of Six Flags Over Texas during Press Weekend.

In the group of visitors were many of the families of The Press in Cisco, the Eastland Telegram, and Ranger Times.
 Pleasant weather prevailed Sunday, and the happy, holiday mood was apparent everywhere as parents leisurely pushed baby strollers, children in Easter finery thronged the streets and concession stands with expressions of awe and anticipation, while squeals of delight were heard on every hand as both parents and children took to the air in the variety of exciting rides offered throughout the 115-acre park.

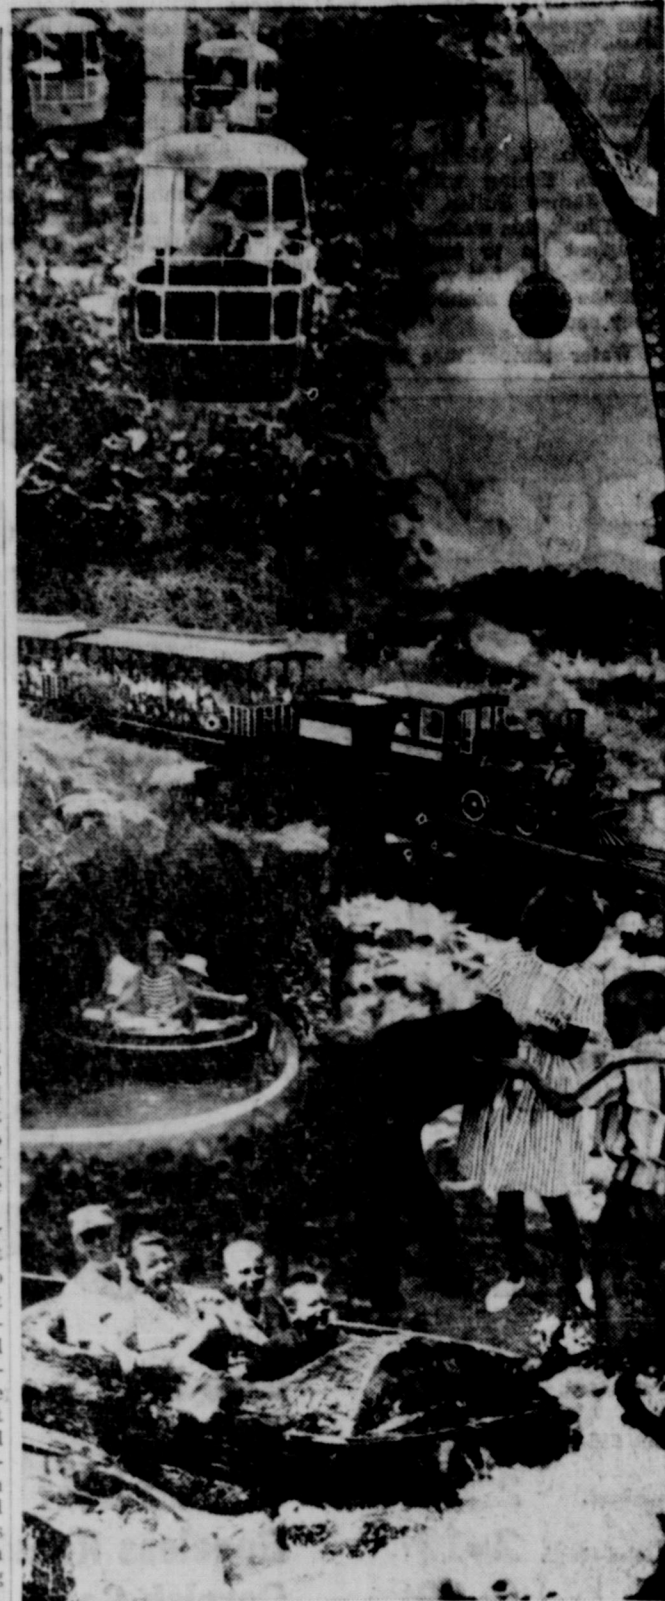

With the emphasis centered on historical values and landscaping, more than half a million dollars has been expended on Six Flags Over Texas for the 1965 season. Other attractions added this year include "El Sombbrero," a new ride in the Mexican Section, and an aviary containing approximately 100 of the most exotic birds found anywhere on the globe in the

Animal Kingdom. A rare and interesting collection of branding irons from many of the most legendary ranches in Texas and the Southwest are displayed in the Texas Section.
 For budding deputy sheriffs "J. Bean's Shootin' Irons," an indoor range, has been built just across from Judge Roy Bean's court.
 The lighting at Six Flags after dark has always been a conversation piece, and the efforts of lighting engineers this year has produced added dramatic visual effects.
 Guest surveys taken at Six Flags indicate that visitors are of the opinion that no other tourist attraction in Texas offers so much for so little, and for family entertainment the one price ticket policy is a boon, in that no more money can be spent, once in the park, except for food or souvenirs.

Thrillers added last year and seen for the first time by many are the 190 foot tall Sky Hook, the only ride of its kind in the world, which was brought from the Brussels World's Fair in Belgium, and the Log Flume, which last June carried its first guests to a thrilling, splashing climax to terminate an enjoyable ride.
 Colorful and meticulously clean, the park offers the most educational entertainment to be found in Texas. What could capture more the attention and imagination of a child than Pirate's Island, the thrilling riverboat ride in the French Section, the shootin' at Judge Bean's courthouse, and Spee-Lunker cave, which became an instant success with its odd - shaped, animated Spee-Lunkers that visitors watch perform as they ride in bull boats on swiftly moving water?

By-gone days have come to life for thousands of children where five years ago cattle grazed on a dairy farm and a dream was born in the mind of Angus G. Wynne, Jr., of Dallas for an amusement park at that site. Today that dream has come true in every respect.

Bethel WMU Holds Meeting April 13
 The Bethel WMU met at 9:30 a. m. Tuesday, April 13, at the church with Mrs. Elsie Brown, program chairman, in charge. The opening prayer was given by Mrs. Kate Oats.
 Program discussions were led as follows: "A Fellowship of Concern," Mrs. J. C. Alli-

Six Flags Over Texas, a 115-acre composite of fun and Texas history, is viewed here in six scenes representing a few of the popular attractions that have been enjoyed by nearly 5,000,000 visitors to date.

son; "Agency of Communications" by Mrs. Harrison Curtis; "Channel of Cooperation," by Mrs. James Pittman; "The Tie that Binds" by Mrs. James Glenn, the president; and "Our Common Denominator," by Mrs. Tom Clark.
 Mrs. Pittman closed the meeting with prayer. Seven members and a visitor, Mrs. Kate Oats of Missouri, were present.
 It was announced that the next meeting would be April 27th for business and a mission book lesson.

Sp. 5 Kent In Medical Exercise

Army Specialist Five Billy W. Kent, son of Mrs. Ada F. Kent, Gorman, took part in a medical field training exercise conducted by the 30th Medical Group in Germany April 2-8.
 Specialist Kent participated in various maneuvers designed to evaluate mass casualty and medical evacuation procedures.
 Kent, a cook in the 128th Evacuation Hospital near Stuttgart, entered the Army in June 1957. He was last stationed at Fort Bliss, and arrived overseas on this tour of duty in November 1963.
 The 25-year-old soldier is a 1957 graduate of Gorman High

Rising Star News

The Rising Star Cancer Drive for 1965 will be during the month of April, according to the fund-raiser, Mrs. A. Louise ...

A series of revival services are in progress this week at the First Baptist Church of Rising Star and the pastor, A. D. Kyle Jr. urges all members and the public to attend. Services are scheduled for 7 a.m. for the convenience of all who are employed so that they can attend the morning service and begin their work at 8 o'clock.

Delbert Tarver of the Romney Community north of Rising Star was elected to the Rising Star school board instead of James Wolf, who did not choose to run, in last Saturday's election.

Candy Easter eggs, cookies, candy, gum, popcorn and other items to cheer a child's heart were packed by the North Star Home Demonstration Club members at their April 6 meeting to be sent to the Travis State School for children in Austin. The club remembers these children at Christmas, Easter and other holidays throughout the year.

The other two re-elected were Joe Fraley and C. M. (Mutt) Carroll. The newly constituted board met on Monday night and organized for the year. Jim Ray Cox was elected president of the board; C. M. Carroll, vice president; and Roy Holly, secretary.

DR. JOHN FOSTER, Ranger Veterinarian, to administer inoculations. Usual fee to apply.

Rising Star Chapter of Future Homemakers of America had a busy week last week in observing National FHA Week.

First on the schedule was Friendly Day; then Color Day, when every member wore the organizational colors, red and white.

Each member planned something for her family during the week. The group served refreshments to the school faculty one day.

The week's activities were under the guidance and supervision of the chapter advisor, Mrs. Nowlin.

A grandson of the late Reep Patterson, formerly of Rising Star, was one of the top winners in the South Piedmont Science Fair at Charlotte, N. C. recently.

He is Ernest F. Patterson Jr., whose father, Ernest, also is a professor of economics at Davidson College. The high school youth took top billing among more than 200 high and junior high school contestants from 14 North Carolina counties.

Ernest Jr., who plans to be a Marine Biologist, won top honors and an all-expense paid trip to the National Science Fair in Saint Louis in May.

The young people, about 15 in number, of the Church of Christ, accompanied by Minister and Mrs. Herbert McDonald, went to Coleman on Friday night, April 2, to hear the Lubbock Christian College, a Capella choir, sing at the Coleman Church of Christ. They reported an inspirational program.

James Cox and Patricia Driskill of May were among the 13 finalists in the Oratorical Contest sponsored by the Comanche County REA, according to Bill Parks, manager.

The 13 young people will compete on April 15 at 7:30 p.m. at the Comanche Junior High School. Judges will be from Austin, Coleman and Stephenville to select one boy and one girl as winners of an all-expense paid trip to Washington, D. C. with the Texas Electric Cooperative Youth Tour in June.

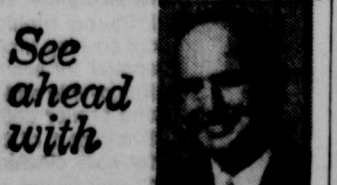

A new aluminum and glass entrance has replaced the heavy wooden door at the First State Bank of Rising Star.

The City of Rising Star has acquired and stockpiled over 4,000 feet of four-inch gas pipe which was purchased from a Kansas firm. The pipe is slated for future use in replacing and in increasing the city's need of gas line.

The old door installed in 1919 had almost worn itself from the hinges but then, it had good reason to be. The old door was found to weigh more than 200 pounds.

In a recent article of the Bankers Digest, a Texas bankers periodical, Post, Texas has been given credit for having furnished more bankers per capita than any other town in Texas. The Digest lists 12 members of banking institutions who are natives of Post.

Add one more, James E. Rutherford, vice president of the First State Bank of Rising Star, was also born there.

CJC VOCATIONAL NURSES CLASS ELECTS OFFICERS

Mrs. Sam Kimmell of Cisco has been elected president of the Cisco Junior College Vocational Nurses Training Class. Other officers recently elected were Mrs. Mary Featherstone of Albany, vice president; Mrs. Jane Magee of Albany, secretary-treasurer; and Mrs. Francis McCree of Breckenridge, reporter.

At a meeting of the class last Wednesday, assistant reporters from each town were appointed by Mrs. McCree as follows: Mrs. M. Clemets, Eastland; Mrs. Barbara Baker, Albany; Mrs. A. Nash, Ranger; and Mrs. L. Arledge, Cross Plains.

The group voted to have dues of ten cents a week and discussed adopting a motto.

Mrs. Barbara Baker was elected chairman of the entertainment committee with Mrs. Christall Gaines of Eastland Hospital as assistant. Elected as program chairman was Mrs. Musgrove, with Mrs. Gaines assistant on this committee also. Miss Orana of Hamlin was elected art chairman.

The class voted on aqua

Zing into spring! Chevrolet Impala

 Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.
People who buy other big expensive-looking cars get one thing you won't (big expensive-looking payments)
 It looks like a big car. And is—by almost any standard you want to apply.
 Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?
 One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

MRS. O. D. QUARLES

...fishing is going great at Lake Leon. The largest weighed in at Quarles' this week was seven pounds, four ounces, caught by Dick Henderson of Ran-

N. M., caught a six pound bass and being her first lunker, caused excitement, happiness and a picture snapped. Helen is a sister-in-law of Mrs. Mae Carr of Ranger.

Among others having real good luck were the H. Pearces of Monahans, with a total of 19, weighing from three to six pounds. Hub Jones and J. B. Crisler, with a total of 17 weighing from two to

five pounds and one-fourth. Jones and Crisler are from Lubbock and plan to be back again in a week or so. Also fishing here were Mr. and Mrs. Ray Walker of Odessa and Dr. George Y. Mahan and son, Doug, of Fort Worth; O. H. Bryant, George Kiker, Ray Lewis, Tom Epleen and Ernest Harber, all of Abilene.

The big yellow cat are beginning to move around. The Z. O. Mahaffey's took two that weighed eight pounds and

12 pounds and one-half. Via the "grapevine" we hear that Odie Monroe of Gorman got a 20 pound yellow; also, the Billy Beck's of Ranger caught three.

Dr. L. Y. Morris of San Angelo, fishing with Milton and James Fullen, had real good luck this weekend. Some weighed up to four pounds and one-half, but we failed to get the exact number of bass they caught.

Water temperature was 62

degrees Saturday morning. The lake is clear and beautiful. Spring has "sprung" and fishing fever is high. Minnows and red wigglers are in demand and the most popular lures are jigs, hellbender, bombers and Herb's Dillys for the deep runners. Some top water baits are being used too — skipjacks, cobras and mirro-lures.

Picnicking, camping-out and skiing are picking up also. Take a break from your daily

routine, come out to relax and enjoy our wonderful lake. See you soon?

Pirates, Indians, Spee-Lunkers Found In The Magic Of Six Flags

By FAYE JOHNSON
Hundreds of families flock- ed to the newly reopened top- tourist attraction in Texas last weekend, as members of the staffs of Texas' newspa- pers and their families were special guests of Six Flags Over Texas during Press Weekend.

day mood was apparant every- where as parents leisurely pushed baby strollers, chil- dren in Easter finery throng- ed the streets and concession stands with expressions of awe and anticipation, while squeals of delight were heard on every hand as both par- ents and children took to the air in the variety of exciting rides offered throughout the 115-acre park.

Animal Kingdom. A rare and interesting collection of branding irons from many of the most legendary ranches in Texas and the Southwest are displayed in the Texas Section.

Pleasant weather prevailed Sunday, and the happy, holi- day mood was apparant every- where as parents leisurely pushed baby strollers, chil- dren in Easter finery throng- ed the streets and concession stands with expressions of awe and anticipation, while squeals of delight were heard on every hand as both par- ents and children took to the air in the variety of exciting rides offered throughout the 115-acre park.

With the emphasis centered on historical values and land- scaping, more than half a million dollars has been ex- pended on Six Flags Over Texas for the 1965 season.

Thrillers added last year and seen for the first time by many are the 190 foot tall Sky Hook, the only ride of its kind in the world, which was brought from the Brussels World's Fair in Belgium, and the Log Flume, which last June carried its first guests to a thrilling, splashing climax to terminate an enjoyable ride.

Six Flags Over Texas, a 115-acre composite of fun and Texas history, is viewed here in six scenes representing a few of the popular attractions that have been enjoyed by nearly 5,000,000 visitors to date.

Beginning at the top left are the Astrolift cable cars, the 190-foot Sky Hook, Narrow gauge steam engine, Speelunkers Cave, Animal Kingdom and the Log Flume ride.

Now, That It's Spring Again -

. . . It is time to rejoice for the Season ushers a period of new life, renewed hope and pleasant memories of Eastertime. But Spring, all too often may bring memories of hail and windstorms, which are neither joyous nor pleasant. And some times they cause death and much destruction of property, without warning. If you are not carrying insurance against these hazards, and other- wise just as destructive, better give us a call today. Tomorrow may be too late.

The Rising Star Cancer Drive for 1965 will be during the month of April, according to the fund-raising committee chairman, Mrs. A. Louise ...

can attend the morning service and begin their work at 8 o'clock. Evening services are at 7 p.m. Rev. Lester White of Anson is bringing good lessons each time. The song service is being conducted by the youth director of the church, Riley Altherton.

of the Gregory Air-Flo Manufacturing Company of Fort Worth. Delbert Tarver of the Romney Community north of Rising Star was elected to the Rising Star school board instead of James Wolf, who did not choose to run, in last Saturday's election.

CJC VOCATIONAL NURSES CLASS ELECTS OFFICERS

Mrs. Sam Kimmell of Cisco has been elected president of the Cisco Junior College Vocational Nurses Training Class. Other officers recently elected were Mrs. Mary Featherstone of Albany, vice president; Mrs. Jane Magee of Albany, secretary-treasurer; and Mrs. Francis McCree of Breckenridge, reporter.

At a meeting of the class last Wednesday, assistant reporters from each town were appointed by Mrs. McCree as follows: Mrs. M. Clemets, Eastland; Mrs. Barbara Baker, Albany; Mrs. A. Nash, Ranger; and Mrs. L. Arledge, Cross Plains.

The group voted to have dues of ten cents a week and discussed adopting a motto.

Mrs. Barbara Baker was elected chairman of the entertainment committee with Mrs. Christal Gaines of Eastland Hospital as assistant. Elected as program chairman was Mrs. Musgrove, with Mrs. Gaines assistant on this committee also. Miss Orana of Hamlin was elected art chairman.

The class voted on aqua

Candy Easter eggs, cookies, candy, gum, popcorn and other items to cheer a child's heart were packed by the North Star Home Demonstration Club members at their April 6 meeting to be sent to the Travis State School for children in Austin. The club remembers these children at Christmas, Easter and other holidays throughout the year.

Miss Meiba Jean Kent, daughter of Mrs. Emma Kent and Sam Cathey Jr., son of Mrs. Sam Cathey Sr. of Fort Worth, exchanged wedding vows at 8 p.m. Friday evening, April 9, at the Union Baptist Church of Cook Community.

Rising Star Chapter of Future Homemakers of America had a busy week last week in observing National FHA Week.

First on the schedule was Friendly Day; then Color Day, when every member wore the organizational colors, red and white.

Each member planned something for her family during the week. The group served refreshments to the school faculty one day.

The week's activities were under the guidance and supervision of the chapter advisor, Mrs. Nowlin.

A grandson of the late Reep Patterson, formerly of Rising Star, was one of the top winners in the South Piedmont Science Fair at Charlotte, N. C. recently.

He is Ernest F. Patterson Jr., whose father, Ernest, also is a professor of economics at Davidson College. The high school youth took top billing among more than 200 high and junior high school contestants from 14 North Carolina counties.

Ernest Jr., who plans to be a Marine Biologist, won top honors and an all-expense paid trip to the National Science Fair in Saint Louis in May.

The young people, about 15 in number, of the Church of Christ, accompanied by Minister and Mrs. Herbert McDonald, went to Coleman on Friday night, April 2, to hear the Lubbock Christian College, a Capella choir, sing at the Coleman Church of Christ. They reported an inspirational program.

James Cox and Patricia Driskill of May were among the 13 finalists in the Oratorical Contest sponsored by the Comanche County REA, according to Bill Parks, manager.

The 13 young people will compete on April 15 at 7:30 p.m. at the Comanche Junior High School. Judges will be from Austin, Coleman and Stephenville to select one boy and one girl as winners of an all-expense paid trip to Washington, D. C. with the Texas Electric Cooperative Youth Tour in June.

A new aluminum and glass entrance has replaced the heavy wooden door at the First State Bank of Rising Star.

The City of Rising Star has acquired and stockpiled over 4,000 feet of four-inch gas pipe which was purchased from a Kansas firm. The pipe is slated for future use in replacing and in increasing the city's need of gas line.

The old door installed in 1919 had almost worn itself from the hinges but then, it had good reason to be. The old door was found to weigh more than 200 pounds.

In a recent article of the Bankers Digest, a Texas bankers periodical, Post, Texas has been given credit for having furnished more bankers per capita than any other town in Texas. The Digest lists 12 members of banking institutions who are natives of Post.

Add one more, James E. Rutherford, vice president of the First State Bank of Rising Star, was also born there.

Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

People who buy other big expensive-looking cars get one thing you won't (big expensive-looking payments)

It looks like a big car. And is—by almost any standard you want to apply.
 Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?
 One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.
