Delegation In Austin Today Ask Highway Accesses

In the daily chatter among the people of Eastland there has been lately a serious subject that pops up frequently — the new highway.
 Interstate 20 will by-pass the city of Eastland.
 Although the road is already under construction at two points in the county, Eastland residents with active interest in the possible effect the by-passing will have on their city, have been hard at work to do something about it.
 After many weeks of hard, tedious work, their efforts are being recognized.
 On Thursday, July 29, (today,) at 3 p.m. in the office of the Head of the State Highway Department, Mr. Greer, in Austin, Eastland municipal leaders are meeting to put forth their request for an access road which will run from the new, federally-supported highway into the city of Eastland.
 The highway will veer away from Eastland and there will be a clover-leaf intersection at the junction of Interstate 20 and Highway 6. Another major clover-leaf is planned east of town near Harry Jordans. Both intersections are financed by the state, and the access road and intersection under request, Eastlanders are asking to be state supported.
 The Eastland leaders are putting before Mr. Greer a request for a access road which will run from an intersection between the two points already planned and will be built by the state from the

highway, running into Bassett and Seaman Streets.
 The City of Eastland's Highway Committee and the Chamber of Commerce have already passed resolutions asking for the access road, which is necessary for the growth of Eastland. The highway is a very important asset to Eastland's economy — an estimated 13,800 cars pass through Eastland every 24 hours. This estimate is a 1964 figure, and since the increase is 7½ per cent each year, there are projecting (Continued on page 2)

 Rev. Woods has preached in the Near East and in many countries in Europe. He is a graduate of Howard Payne College in Brownwood and Southwestern Seminary in Fort Worth.
 A cordial invitation is extended for everyone to attend these services.
 Rev. Haston Brewer is pastor.

'Stars Play At 7:45 In District Tilt

The Eastland All-Stars will open the District Little League Playoff in Cisco Thursday night against a powerful Weatherford nine, beginning at 7:45 p. m.
 The Eastland 'Stars polished off Albany and Cisco to win the area title and Weatherford shut-out Ranger last Friday night to claim the eastern zone title. Eastland dumped Cisco in the finale, 12-1, and Weatherford amassed six runs.
 Ruben Gaeta's grand-slam homer in the fourth inning and a double play in the first were highlights of the Area II championship game in Breckenridge between Cisco and Eastland.
 A pair of beautifully-executed double plays and a big bottom of the fifth scoring spree gave the Weatherford Little Leaguers their 6-0 shut-out over Ranger.
 An even half dozen of the Eastland 'Stars are 11-year-olds, indicating youth, and lots of zip for Manager James Smith's 'Stars. Coach is Bob Gailey.
 A large delegation of county fans are expected to be in the stands in Cisco Thursday, Friday and Saturday nights to see the district playoffs. Other competitors will be the winner of the Clyde - Cross Plains game, and the winner in a foursome composed of three Brownwood and a Coleman team.
 Eleven-year-old Eastland 'Stars are Craig Lund, Rodney Reynolds, Randy Rexroat and Bob Mace; and Bobby Emfinger and Butch Eidson, alternates.
 Twelve-year-olds are Billy Ray Harbin, Roger Sosebee, Rocky Maynard, Randall Treadwell, Phillip Smith, Jerry Don Doyle, Pat Campbell, Joe Herrera, Ruben Gaeta and Alternates Chon Mynoz and Rodney Pierson.
 Walter Maynard is president of the Eastland Little League. Weatherford's winning pitcher, Steve Risinger, went the six inning limit against Ranger, giving up only four hits, fanning nine and allowing only one walk during his tour.
 Friday night two other area winning teams, Clyde and Coleman, will battle for a berth in the finals to be played Saturday. Clyde won their area tourney at Cross Plains, w- (Continued Second Section)

Sheep, Goat Event Set For Friday

One of the most outstanding programs arranged for the event will be featured during the fourth annual Eastland County Sheep & Goat Field Day to be held Friday at Ranger.
 Site for the all-day meeting and mid-day lunch is the old pump station on Tiffin Road, three miles northeast of Ranger. The facilities are adequate to care for a record attendance which is expected for this year's agricultural event.
 Livestock producers of Eastland and surrounding counties are cordially invited and urged to attend this highly interesting and educational

field day which this year offers an added new feature — an Angora goat show and judging contest.
 Beverly S. Dudley Jr., Ranger High vocational agricultural instructor, is in charge of the new event.
 The day's activities will get underway at 9:30 o'clock and there'll be morning and afternoon sessions featuring leading experts and authorities in the sheep and goat field.
 The fourth annual event is co-sponsored by the Ranger Chamber of Commerce and County Agent J. M. Cooper and the Texas Extension Service.

Style Show Downtown Eastland Saturday at 1:15 at Fabric Center

TERRI PRATER, 13 year old daughter of Mr. and Mrs. Art Prater of Gorman is shown modeling one of Helene's originals. The design is a basic shirtwaist pattern with the fabric of embroidered dacron and cotton, accented by two large pink buttons.

A summer-ending style show will be held in downtown Eastland Saturday afternoon beginning at 1:15 directly in front of Helene's Fabric Center, Owner Mrs. Helene Prater has announced.
 A portion of the sidewalk will be sectioned off for spectators, to whom free coffee and soft drinks will be served, and the style show will be held in one of the shop's giant display windows. In the other window, Mrs. Prater will reveal how she buys fabrics to stock this and 14 other outlets, she said.
 The Eastland Jaycees have loaned her their public address system for the showing, she said. Most of the garments to be modeled will represent those which have been made by the models this summer.
 To model, Mrs. Prater said, are Brenda and Annie Lee Butler, and Shirley Burns, all of Gorman, her daughters, Terri and Toni, and her son-in-law Wayne Brown of De Leon.
 Eastland models announced by local manager, Mrs. Pete Chapman, will include Ash and Carla Boney, Lana Parks, Georgeann Sikes, Tonua Sanderson and Eddie Sikes.

Letter'Bout Rip Scrip Day Plans

Dear Stella:
 This letter is meant for you, your neighbors and kin. There is gonna be a big ado down here in town this Saturday. I've been a hearin' these Eastland people must be going wild.
 They're gonna just "give away" \$100 in Old-Rip Scrip cash if they're name's drawn from a little round cage — looks like a rabbit cage, but it's round, can't figure it — that people's been puttin' ticket stubs in for a good spell.
 Now don't throw my letter away 'til you've read it all. There'll be four prizes. The first one is for a whole \$50, the second, \$30, and then two worth \$10 each.
 "I always say "a good chance is worth trying for." Gonna hitch up the team bright and early Saturday mornin' (July 31) trot into town and find out what this is all about — gotta be there by 2 o'clock. Hope you get all your canning done so you can come too.
 Gonna keep my eyes peeled for you. We can't miss a opportunity like this.
 Cousin Annie.

performances, there'll be no reason to expect anything but the finest of hustle and good play in a sportsmanlike attitude. President Walter Maynard and all the other Eastland Little League officials are to be congratulated for their leadership of these fine youngsters. They're the type of young boys you're always happy to root for, and all agree they're champs, win, lose or draw.

WELCOME SHOWERS fell in the South part of the county this week, but despite beautifully threatening morning clouds, have through Wednesday, eluded Eastland. High temperatures and a scorching sun seem still to be the order of the day. The more pronounced philosophers around the square, wipe their brow, and remark "Well, it's seasonal," and predict that it'll surely rain soon. Don't know of any who isn't ready.

A PICTURE CUTLINE in Sunday's edition unintentionally slighted Mr. Cyrus Justice. He was the fourth man in the picture and there were only three men named in the cutlines about the Farm Bureau's Farm Safety Week. He's the PR-man and a hard worker for the Bureau, and certainly deserved to be listed by name and not just title.

YOU'LL WANT TO REMEMBER that Monday, Aug. 2, is DOLLAR DAY in Eastland, and merchants all around town have some real surprises in store — not to mention the bargains and savings they'll be offering. Just everybody was pleased as punch at the First Dollar Day, held last month, and all seem anxious for the next to roll around — what with Back to School thoughts prevalent and thoughts of cooler days on everybody's mind.

So there's two big days for you ahead in Eastland — Saturday is Old Rip Scrip Day, and Monday is Dollar Day. How can you beat that?

If you've heard that GAS central air is out of our reach, don't believe it!

Get the facts. Call Lone Star Gas for a free estimate!

Don't be fooled by "horseback rates" on costs! Get a bona fide conditioning price from Lone Star Gas and compare with other rates of the same size electric unit. You'll find the little win, month to month, that buys you a lot more air conditioning over the years.

SPECIAL SUMMER GAS AIR CONDITIONING RATES

Owners of gas air conditioners get reduced gas rates for cooling during the hot summer months. This makes for even more economy from an efficient gas unit!

GAS ECONOMY PAYS OFF YEAR AFTER YEAR AFTER YEAR

You save in operating efficiency, low maintenance, amazingly long service. Combined heating and cooling costs with gas are substantially lower than for electric heating and cooling. Add to that the savings in maintenance and electric compressor replacements and you'll see why gas is your best home air conditioning investment.

CALL FOR A FREE ESTIMATE ON GAS AIR CONDITIONING. NO OBLIGATION.

GAS MAKES THE BIG DIFFERENCE

IF YOU HAVE CENTRAL GAS HEAT, IT IS LIKELY YOU CAN USE THE SAME DUCTS FOR GAS COOLING

You may have half of a gas central air conditioning system installed in your home! Just add the gas cooling system (takes up no extra floor space) and start enjoying year-around gas comfort and economy!

GAS UNITS OUTLAST ELECTRIC COMPRESSOR TYPES. Gas cooling for homes has no compressor. A simple gas flame heats the heart of the cooling cycle with few moving parts to wear or need repair. No wonder can expect gas air conditioning to outlast electric!

Commissioners Discuss Finance, Road Payments

County Commissioners met last Monday, July 26, in the Commissioners Courtroom for a regular meeting.

Commissioners approved several tax reports and conferred with C. E. Burt regarding the financing of several improvements to the courthouse, according to County Judge Scott Bailey.

They also talked with local and district engineers for the State Highway Dept. and approved the payments of the utility adjustments in Carbon for the Farm to Market road to Kokomo, the Judge stated.

The courthouse improvements will consist of extensive remodeling of the Eleventh Court of Civil Appeals, enlarging library facilities and offices of the judges. This action was recommended by the Eastland County Bar Association, Judge Bailey said.

Nonfat dry milk and skim milk are among the many dairy foods in abundance now as the nation observes June Dairy Month.

These forms of milk actually are whole milk with most of the fat removed.

Skim milk is sold in containers, house-to-house or at nearly all dairy counters, just as other fluid milks. It needs to be refrigerated to stay at its fresh best. Skim milk may be used just as whole milk, as a beverage or in cooking. You may choose this form of milk to reduce calories or cost of the finished dish.

Nonfat dry milk is the powdered form of skim milk. It is convenient to store on the pantry shelf, safe to tote on warm weather outings, easy to use at a moment's notice, and usually is a "best buy" for the economy-minded shopper.

When reconstituted with water, it too can be used in place of whole milk. Or, add the powder to a recipe, along with other dry ingredients, and add water with other liquids. Try instant nonfat dry milk in your own Pancake Mix.

This is a dry mix that you can prepare ahead of time and keep in a tightly covered container until used. For mix that will make 10 to 12 pancakes, you'll need 1 1/2 cups flour, 3 tablespoons sugar, 2 teaspoons baking powder 1

Mrs. Doc Williams and Mrs. Myrtle Reid were shopping in Stephenville last Friday.

Mr. Murrah Foote, who underwent surgery in Eastland last week, is expected to be home soon. Then, his son and family are expected to visit him.

Mr. and Mrs. Horace Rullenburg of Austin and Mr. Dan Johnson of Pampa were recent visitors with Mrs. Salada Northcutt and Grannie and Eva Northcutt.

Mrs. Cecil Carr left early Monday for Kingsville to visit Mr. and Mrs. Kenn Maltby.

teaspoon salt and 1/2 cup instant nonfat dry milk. Sift together the flour, sugar, baking powder and salt. Then mix in the dry milk and put in tight container until you want to use it. To make the pancakes, add 1 1/2 cups water, 2 eggs and 3 tablespoons melted butter. Combine the water, eggs and butter, add mix and blend well. Pour about one-third cup batter for each pancake onto hot buttered griddle. When bubbles appear, turn and bake other side. Serve with butter, syrup, apple sauce, cottage cheese or other toppings.

Rising Star News

The Lakewood Recreation center project, mid-way between Rising Star and Cross Plains, has been approved by the Farmers Home Administration and is waiting the completion of plans and specifications by Abilene engineers, Yeates & Decker. Sponsors of the project are hopeful that the plans will be completed by Aug. 1, so that actual construction can begin. The project is expected to be in bidders this fall.

The Center, development site of the present Lakewood Country Club at the Phillips-Co., will be designed to serve the recreational needs of the citizens of Rising Star, Cross Plains and surrounding rural areas to have contributed their part of the project.

Mr. and Mrs. Wayne Sellers of Rock Hill, S. C., publisher of the Rock Hill Journal, visited his parents, Mr. and Mrs. M. S. (Doc) Sellers in Rising Star after attending the Chicago convention of newspapermen held early in July. He served as chairman of the panel for newspapermen under 15,000 circulation in April while in New York for the American Newspaper Publishers Association. The son of a former Rising Star editor-publisher, Mr. and Mrs. Sellers visit the old home town quite often.

Two submersible pumps have been installed by the city of Rising Star to improve the water supply and the pressure during high water usage this summer, according to Mayor W. G. Reed. This brings to three pumps to help maintain adequate pressure.

The Eastland County Singing Convention will begin at 10 a.m. Sunday, July 11, at the Kokomo Baptist Church, four miles north of Gorman. Several out-of-town singers and quartets have promised to attend.

A basket lunch will be spread at noon and local countians are urged to bring an extra portion of food in order to help take care of the visitors.

The general public is cordially invited.

The Rising Star Emergency Corps is planning new projects for the new year which will include a fund raising campaign and organizing a Junior Chamber of Commerce.

Members of the corps give voluntary service in emergencies and are on 24-hour alert at all times.

Minister and Mrs. Herbert McDonald are in Pine Spring Summer Camp at Cloud Croft, N. M. this week, where Mr. McDonald is serving as camp director.

On Friday, they went to Silsbee for a reunion of the McDonald family, after completing a week at the Cisco Youth Camp where he served as head counsellor and Mrs. McDonald supervised the girls in camp.

The Union Center Club which met on the fourth Tuesday, completed one quilt, then took care of the lawn about the club house at that time.

Members will meet again on the second and fourth Tuesday in July; however, the group decided to omit the meeting during the month of August.

Attending the last meeting were five members.

The North Star Home Demonstration Club met for the regular Tuesday afternoon meeting and constructed the linter brushes to be used at the four-county encampment in Eastland later this month.

Each county club will be responsible for constructing these items made of foam fiber.

Gary T. Grogan, technician with the local Soil Conservation Service office in Rising Star, received his commission as a second lieutenant in the Texas National Guard in recent ceremonies in Austin.

He completed training and was awarded his commission at Camp Maybry by Major General Thomas S. Bishop. Grogan has been assigned to the First Battalion, 142nd Infantry, Brownwood as platoon

leader of the Anti-Tank Battalion.

Edward Watkins, principal of the Rising Star grade school, reports a worthwhile and profitable three-day work conference of elementary principals and supervisors in Austin last week.

Mr. Watkins was accompanied by Ivan Sherrill, principal of the O'Donnell Elementary School.

They reported that more than 600 persons attended the conference.

Mike Alford, grandson of Carl Alford of Rising Star, is one of five boys of Wichita County who will be delegates to the Annual Youth Conference at Austin on August 20-22. Mike is sponsored by Downtown Kiwanians of Wichita Falls.

He is the son of Col. and Mrs. David G. Alford of Wichita Falls and was recommended by his principal at Burkburnett High School to attend the third annual conference.

Members of the Raymond Gray family attended the annual family reunion at Lake Whitney over the holiday weekend.

All members of the family, including Mrs. Gray, widow of the late Raymond Gray, convened at Whitney Friday night through Sunday. Activities included boating, swimming and skiing.

Members of the "Doc" Hamlett family, held their annual family reunion in Rising Star at the home of Mr. Hamlett. Children are Vernon Hamlett of Kermit, Ernest Hamlett of Houston, Mrs. Elsie Criswell of Rising Star and Mrs. Corinne Weatherby of Eastland.
