New Plant Is Still \$4000 Short Of Reality

It's Up To You!

(An Editorial)

It's up to you now, there's no one else to do it. Eastland must keep the Hollywood-Maxwell Corset factory here. There is only one way to keep this city from losing the half a million dollar annual payroll, and that's for you to dig deep and come up with part of the \$4000 still needed to assure this city of keeping and expanding its number one industry.

Here's the story. Hollywood-Maxwell feels that they can no longer operate here under the handicap of working in three separate buildings. They must have a new building, and they have set Oct. 1 as the deadline for completion of the building.

So far, the Industrial committee of the Chamber of Commerce has raised just over \$8500. That money has come from merchant and businessmen in contributions ranging from \$100 to \$1000. Now it is your turn.

What will your answer be? Are you willing to do your part now or wait and let George bungle the deal again. This is the first real step in the industrial program you have been talking about. Was it all talk, or is there action behind your words.

The money must be raised and the Telegram is confident that it will be. If you believe in Eastland, sit down and weigh the problem. Is it not worth something to you to keep a firm that employs 250 of our citizens here? This is the turning point. Eastland will either begin to rise with this move, or it will shrink with your failure to move.

Take your contributions to the Chamber of Commerce office. You will be repayed a hundred fold. For this is the first step in bringing our city out of a batting slump.

Does work, that has already started at the new location, continue, or will it be said that Eastland was willing to trade a half million dollars a year to save \$4000. It's up to you!

NEW HOLLYWOOD-MAXWELL PLANT—Pictured above is a drawing of the new Hollywood-Maxwell plant which will be constructed here. Work on the building is underway, but \$4000 in contributions is still needed to assure its completion. The new plant will combine the three local plants here, with possible expansion. (Victor Cornelius Drawing).

Work Is Underway At Hollywood Plant

Work on a new factory building for Hollywood - Maxwell Corset Co. got underway here this week, but the building cannot be completed unless Eastland citizens can raise \$4000 in the next few days.

That was the word today from Grady Pipkin, chairman of the Eastland Chamber of Commerce Industrial Committee, which has been working for the past 90 days in an effort to complete the deal.

Pipkin said that Hollywood-Maxwell has now signed a 10 year contract to lease the new building. He said that Stanford Engineering Co. of Midland had agreed to go ahead with construction with the understanding that the money will be raised. The committee only a few weeks ago faced the task of raising \$12,500. All but about \$4000 of that amount is now in the bank.

The contractor for the \$60,000 building, which is located on College Street, a block north of Highway 80, has set Sept. 15 as completion date on the building. Hollywood - Maxwell wants to be moved into their new plant not later than Oct. 1. If they can occupy the building by that time, it will come on their tenth year of business in Eastland. The firm opened its first factory here Oct. 1, 1946. Since then, two new plants have been opened. Continued expansion of Hollywood-Maxwell's work here has resulted in the situation the company faces now. They have stated that to continue operations here, they must have a larger building that they can combine their operations from.

The company has signed a 10 year lease with a five year option. Members of the Industrial Committee said they explored all avenues before deciding that this was the best way to get the building built. Donors will get their money back if the company exercises the five year option. Hollywood Corset Co. has an annual payroll here of a half million dollars. Two hundred and fifty full time employees are on the payroll of the firm.

Jo Ann Hollis Is Candidate At Girls State

Jo Ann Hollis of Eastland, a citizen of Bluebonnet Girls State now in progress in Austin at the Texas School for the Blind, was elected as the Nationalist Party candidate for county surveyor of "Shoes" County, tonight. Miss Hollis is assigned to the Nationalist party and is residing and voting in the Shoe County. She is the daughter of Roy C. Hollis of Eastland and was sponsored to Girls State by Unit No. 70 through the local Unit of the American Legion Auxiliary. Girls State is a mythical 49th State of the United States, sponsored by the American Legion Auxiliary. The prime purpose is in teaching city, county and state government and practical application. The girls who are the 1956 citizens have set up and are operating miniature city, county, and state governments.

The 360 citizens attending the sessions are selected on a basis of character and leadership from students who have completed their junior year in high school this year. At the conclusion of the session, two citizens of Bluebonnet Girls State will be selected to attend the American Legion Auxiliary Girls Nation, to be held in Washington, D. C., in July.

The regular third Sunday singing will be held in Gorman Sunday at 2 p.m. in the Congregational Methodist Church, according to A. E. Skaggs, president.

C. W. Tankersley of Eastland recently purchased the registered Brown Swiss bull, Doris Ann's Prince Royal, 125653, from N. A. Brown of Cisco, according to a report from Fred S. Iltse, secretary of the Brown Swiss Cattle Breeders' Association.

The Eastland County Farm Bureau Board of Directors are to meet at 8 p.m. tonight in the Nirod community center, S. E. Cloninger, manager of the Southwestern Peanut Growers Association, will speak.

Regular meeting of the Eastland City Commission will be held tonight at 7 p.m.

Bubba Hunter Leads Hitters In League

Bubba Hunter, the Lions' sensational pitcher - second baseman, leads the Little League in batting with a good .583 average after three games for each team.

Hunter, who is also the League's winningest pitcher, has hit safely seven times out of 12 trips to the plate. The little Lion star edged out Lindell Garrett of the Bulldogs for batting honors. Garrett has six clean hits in 12 trips to the plate for an even .500 batting average.

Tom Lovelace of the Bulldogs and Elijah Govan of the Lions tied for third and fourth place honors. Each have five hits in 11 times at bat for .455 averages.

The Bulldogs landed four men in the top 10, despite the fact that they hold only one win in three starts. The Comets have three men among the leading 10 batters,

the Lions, who are undefeated in three games, have just two and the Medics only one.

Harold Evans has hit safely four times in nine trips to the plate for the Dogs to ring up a .444 average. Tommy Beck of the Comets has three for seven for a .429 average and Terry Treadwell of the Medics has four for 10 for an even .400 average. Also ringing up .400 averages were Terry Moore of the Comets and Jimmy Lewis of the Dogs. Each has hit safely twice in five trips to the plate. Mike Miller of the Comets rounds out the first 10 with a .375 average, having three hits in eight trips.

Leading extra base hitter is Elijah Govan of the Lions. Govan has three doubles and two home runs to pace the League. Teammate Hunter tied Hunter for home run homers, and Elmo Webster of the Lions, Tom Lovelace of the Dogs and R. D. Ables of the Comets, are tied for triples honors, each having one to his credit. Govan, of course, is tops in doubles with three.

Lovelace has seven runs batted in to his credit to lead in that department, while Hunter has six to rank second.

Tom Beck and Stanley Underwood, both of the Comets, cause pitchers the most troubles. Each has walked six times to share honors in that department.

The Bulldogs lead in team batting average with a great .325. The Comets have a .288 average, the Lions a .255 average and the Medics a .245 average.

In tonight's games the Comets will meet the Lions in the first game of the twinbill, with the Bulldogs taking on the Medics. First game will begin at 6:30, and the Little League Board of Directors has ruled that no inning in the second games will begin after 9:30.

Burleson Says Peanut Farmers Get Raw Deal

Congressman Omar Burleson has severely criticized the Department of Agriculture's announced handling of the 1956 Soil Bank program as it applies to peanuts.

The Congressman said, "It is obvious that the Secretary of Agriculture is favoring the farm areas where the Republicans hope to get their votes. A base rate of pay on corn was fixed at 60 percent of the national average, whereas the rate on peanuts was fixed at about 25 percent. The fixed rate of pay for peanuts was set at three cents per pound. This means that the peanut farmer cannot very well afford to participate in the so-called Soil Bank Program."

Burleson stated that, "Department of Agriculture officials had promised that the rate would be about 50 percent on all crops, and the record is clear that this was the intent of Congress in passing the Bill. But in the handling of peanuts the Department has completely reneged."

"Never before have I seen Government officials so flagrantly flaunt the intent of Congress and so obviously favor those States where they hope to win votes," Burleson said.

Milk Producers To Receive \$6.02 In May As Base

Producers supplying milk to Central West Texas handlers which includes Eastland County will receive \$6.02 per hundredweight (4.0 percent) for base milk during May, according to an announcement by Byford W. Bain, market administrator.

The base price of \$6.02 per hundredweight for base milk is subject to the following location differential. For base milk which is received at Lamesa and Midland, the producers of such milk will receive a price 15 cents higher while those delivering their milk to plants located at Brownwood and Mineral Wells will receive prices 20 and 25 cents lower, respectively. For each point (.1 percent) that the average butterfat content of producer milk varies from 4.0 percent, a butterfat differential of 7.1 cents applies. The above price was computed from reports filed from 10 regulated handlers under Order No. 82 during May.

Central West Texas producers delivered 12,251,284 pounds of base milk and 2,211,806 pounds of excess milk, or a total of 14,463,090 pounds, during May. Total delivered base milk exceeded the volume of producer milk classified as Class I, resulting in 1,427,302 pounds of base milk being classified as Class II. In this case the base price was a blend of the Class I and Class II prices for May. The excess price for May would have been the order Class II price if there had not been a cheese credit provision in the order. However, with the cheese credit provision, the uniform excess price was \$2.98 per hundredweight for May.

Class I sales by Order 82 handlers increased from 11,131,792 pounds in April to 11,443,802 pounds in May. However, on a daily basis, the Class I sales decreased approximately 2,000 pounds per day from April.

Moore... About Eastland

Looks like fishing at Lake Leon is picking up. We've seen that because we have even been catching some lately, and when we catch 'em, anybody should be able to. Our advice: big minnows, real deep.

The Telegram today carries a news story and editorial concerning the new Hollywood Corset Co. factory. That should be enough about one thing, but we just can't get the deal off our mind. Did you realize that to get that needed \$4000 you would need only 40 people to kick in \$100. Too much money for some of us, you say. Maybe so, but we doubt it. But let's say it is. Even then it would take only 400 of us to kick in \$10 each to make the grade. That's not many considering the fact that 250 employees have a direct interest. Even they could raise \$2500 at \$10 a head. See, it's simple when you break it down.

Majestic Theatre tickets are waiting on L. C. Inzer, Jas. Harris Jr., T. W. East, T. L. Amis and C. W. Boles at the Telegram office. Just come and get 'em.

Been out to the Lakeside Country Club lately? Orville Ball, the new man out there, is really doing a bank up job. In fact, we say without fear of contradiction, that the local course is in better shape than any in many a mile of this city. The Country Club is really adding new members, too, and it looks like golf is on the upswing around here as well as fishing.

This is Flag Day, if you didn't know it already. It is also Mrs. Laila Garrett's birthday, according to the Band Boaters' community birthday calendar. And Saturday Mrs. Frances Cooper celebrates her birthday.

Things haven't changed too much in the last 38 years. Proof of that came in an old Fort Worth Star-Telegram Lee Horn found this week. Horn brought in the old 1918 edition, and what was the headline but, "President's Condition Is Serious." Even then the newspapers and general public were worried about the chief executive. Then it was President Wilson, today it's President Eisenhower.

The job of President is not an easy one. In fact it has proved to be a killer of leaders.

They have really been putting the water to the football practice field in the last few days in an effort to counteract the effects of the sun.

That's it for now. See you Sunday.

Full Retirement Not Necessary For SS Check

Workers or self-employed persons now 65 or over who are considering either partial or complete retirement should get in touch with the social security office for information which may be helpful in planning for the years ahead. R. R. Tuley, Manager of the Abilene social security office, said yesterday.

"Even though a worker may be eligible for benefits, they are not payable under certain earning conditions," he explained. "Workers under age 72 who earn less than \$2080 in a year can be paid one or more benefit checks, depending on the total amount earned and how much work is done. All checks for a year are due if earnings do not go over \$1200. After age 72, benefits are payable to insured workers regardless of the amount earned."

No benefits can be paid until an application is filed, Tuley added as a reminder. A free leaflet entitled "How Earnings Affect Social Security Benefit Payments" is available on request.

the college following statewide competitive examinations given to more than 500 applicants on April 28 and May 5.

The scholarships are valued at from \$800 to \$1,200, recipients receiving \$200 to \$300 per year for four years plus parttime employment provided by the College. Winners are chosen after consideration of each candidate's scholastic record, character, evidence of leadership in high school, and financial circumstances.

The play was begun at Texas A & M College 10 years ago, and is supported by former students, clubs, business corporations, foundations and individuals.

Since its beginning in 1946, 256 winners of the scholarships have graduated, 350 are currently students at Texas A & M College. Of the total number of boys enrolling in the program, 92 percent have either graduated or are still going to school on Opportunity Awards.

Country Echoes

Mrs. Bill Tucker
Do you know the way to our house out in this rural valley? Just follow a narrow, winding road 'til you come to Sunflower Alley. Our name is on the mailbox, a trail leads to our door. So come on in and set a spell, and rest, while we talk things over. We like the idea of neighbors and friends you learn to know. There is joy when one remembers, that the Master planned it so.
We imagine the above sentiment was achieved mainly after a session in the early morning with the hoe. About every third week was a sunflower, already awake with a myriad of yellow blossoms and we just simply end. Visitors in their home Monday were Mrs. P. E. Anderson and sons of Houston.
Mrs. Edna Hamilton and Mrs. Gorman Morton of Ranger also attended a family reunion at Seymour last weekend.
Mr. and Mrs. John Watson of Vanderbilt visited the Lee McGuides and in Mrs. Jessie Lee Holliday's home here last week.
Mrs. C. H. Everett and Mr. and Mrs. E. H. Everett made a business trip to Dallas last week. Upon returning they met Mr. and Mrs. J. C. Everett and Jimmie in Fort Worth. The latter couple attended the Cinerama in Dallas.
Miss Wilma Edwards is visiting her brother James and family in Wichita Falls this week.
Recent visitors in the home of Mrs. Willie Bockman were Mr. and Mrs. Mike Bockman of Dallas, Mr. and Mrs. Hillery Bockman and family of Abilene, John L. of Biloxi, Miss. Mrs. Dorman Black and children of Littlefield, Mrs. Helen Coleman and family of Gordon and Mr. and Mrs. Earnest Cogburn of DeLeon.
Mr. Head of Lockenridge visited the T. L. Lockharts here last week.

PeeWee Revel, small daughter of Mr. and Mrs. Bob Revel of Lovington, N.M., will spend most of the summer with her grandparents, Mr. and Mrs. Jack Revel.
Cheaney Church visitors Sunday morning were Mr. and Mrs. Roy Watson and their daughter, Mrs. Wesley Lewis and baby, Mickie from Salem - Alameda community. Following the morning service they went to Ranger and visited the parental Mr. and Mrs. White.
Mr. and Mrs. Ernest Broom had as recent guests in their home, a brother of Mrs. Broom, Mr. and Mrs. Jesse Nolan, of Abilene.

We learned Sunday, that Mrs. Ed Campbell, of Ranger, who fell last week and suffered a fractured collar bone, is slowly recovering. Her injury was not serious enough to require a stay in the hospital, but she has been confined in bed at her home.
Mrs. Sophie Freeman is up and about some, following a long rest in bed to overcome a heart condition.
Mr. and Mrs. Shelley Tucker, of Loco Hills, N.M. and Tom Tucker, of Artesia, N.M. are spending vacation time with their mother, Mrs. Mary Tucker and brother, Richard Tucker at Cheaney. While here they will also visit in Ranger with the parental Levi Cozart family.
Mr. and Mrs. Earl Strickler of Caddo, and Mr. and Mrs. Oscar Strickler, from Fort Worth, visited Sunday with their mother, Mrs. J. P. Strickler.
Mrs. Elmer Blackwell tells us that their son, Medic Herman Blackwell, is now driving a staff car for Colonel John White, since he was transferred to Camp McCoy, in Wisconsin.
Mr. and Mrs. Jack Lowe and Tommy visited Sunday with homefolk before going to Stephenville Monday. They will carry a load of things back to their home in Odessa.

The Car and its Companion—
 . . . The automobile is useless and harmless without the driver. With the driver it may become most useful but never harmless. No operator of an automobile ever fully realizes his responsibility to the public until he has a wreck. Then it dawns on him that he is living in a world with other people, some very peculiar, who have plenty of personal and property rights. If you drive, drive thoughtfully, but never without adequate insurance protection.

Mr. and Mrs. Charles Massegee

Mr. and Mrs. Charles Massegee Are At Home In Abilene, After Marriage
 Mr. and Mrs. Charles Massegee are at home in Abilene after their marriage in the First Baptist Church in Ranger, May 29.
 Mrs. Massegee is the former Shirley Wymer, daughter of Mr. and Mrs. R. B. Wymer of Ranger. Chaplain and Mrs. Jasper Massegee of DeRidder, Louisiana, are the parents of the groom.
 Chaplain Jasper Massegee officiated at his son's wedding before a background of solid jade foliage encircled by candelabra burning white tapers. Candles were used all across the baptistry. The altar was covered in white. White columns with arrangements of gladioli completed the scene. The pews were marked with white satin bows centered with metallic bells.
 Dick Waters of Abilene, accompanied by Mary Ellen Deffenbach, organist, sang "The Lord's Prayer" and "O' Perfect Love."
 Dr. Leon Marsh of Abilene was best man. Ushers were Harold Barrett, Ranger, Neal Rodgers, Abilene, Glen Saur, Shreveport, Louisiana, and Don Cozart, Abilene. Mr. Barrett and Mr. Rodgers were also candle lighters.
 Mrs. Betty Williams of Eldorado was her sister's only attendant. She wore an aqua blue shantung taffeta dress over taffeta with a matching headpiece. She carried a colonial bouquet of pale pink carnations.
 The bride, entering on the arm of her father, wore a ballerina

and basketball sweetheart her senior year.
 Mr. Massegee is also a graduate of Ranger High School. He is now attending Hain-Simmons University, where he is a member of the varsity football squad. He is an ordained Baptist minister.

Gene Griffin and Bill Bryan Exchange Vows In Lubbock

Miss Gene Griffin and Bill H. Bryan were united in marriage Saturday at 6 p.m. in the Bowman Memorial Chapel of the First Methodist Church in Lubbock. Rev. Neil Pointer, boyhood friend of the groom and pastor of the First Christian Church of Monahans, officiated.

The bride is the daughter of Mr. and Mrs. M. B. Griffin, Lubbock, formerly of Eastland and the bridegroom's parents are Mr. and Mrs. H. H. Bryan of Pecos.

The bride's father gave her in marriage. She wore a frock of white imported French organdy over taffeta. The tight fitting bodice and a yoke of illusion was outlined with heirloom lace adorned with pearls. The lace and pearls also accented the short cap sleeves. Her gathered skirt flowered into a full length train. The fingertip illusion veil fell from a princess crown of pearls and she carried a bouquet of phalaenopsis orchids and stephanotis interspersed with lace and pearls. Earrings of a tiny cluster of pearls were her only jewelry.

Mrs. Kay Benefield of Plainview, soloist, sang a medley of "Until," "Oh, Promise Me," "At Dawning" and "Through the Years." "If I Could Tell You" and "Wedding Prayer" were sung as the couple knelt for benediction.

The couple were married before an altar entwined with tropical foliage and yellow tapers in Old English spiral candelabras. White wrought iron Gothic urns were filled with arrangements of

pale yellow and white mixed bouquets of carnations, gladiolas and daisies. The bride's aisle was marked with tropical foliage and white satin.

Mrs. Jack Cole of Dallas was her sister's matron of honor and bride's maids were Miss Dorothy Briggs of Tulla and Miss Karen Griffin of Clovis, New Mexico, cousin of the bride. Mrs. Cole wore white organdy fashioned with an off shoulder draped neckline which tied on shoulder in butterfly bows. The bouffant waltz length double tiered skirt was bound with yellow satin and was accented with a yellow satin cummerbund. The bride's maids' dresses were identical to that of the matron of honor, only bound in mint green satin with matching cummerbunds. They carried styled bouquets of yellow majestic daisies with satin streamers to match their dresses.

Joe Bryan of Monahans, served as his brother's best man and ushers were Jack Cole of Dallas and Bobby Adams of Estelline. Weldon Cole of Dallas was ring bearer and candlelighters were Mrs. Dwaine Lusk and Mrs. Harold Spraggins both of Lubbock.

The bride's mother was dressed in a beige lace with scoop neckline featuring a yoke embroidered in seed pearls and rhinestones. Her hat and gloves were of matching beige lace. She wore a pink carnation corsage. The bridegroom's mother's dress was a sheath beige cotton with pink hat and gloves and a pink carnation corsage.

A reception was held in the home of the bride's parents, 2819 24th Street, Lubbock. Throughout the house were arrangements of yellow and white carnations, daisies and gladiolas. Bride's confectioneer's cake was flanked by white cupid epergnes holding silver tapers and entwined with miniature daisies. Fresh daisies encircled the bottom of the cake. The table was covered with floor length white organdy and lace.

The register table held a white styrofoam musical car holding a couple which revolved and played the wedding march. Details were in gold braid and brilliants.

Mrs. Anna V. Huggins of Dallas poured punch and Mrs. George Fletcher of Pecos served the cake. Others in the house party were Mrs. Dwain Lusk and Mrs. Harold Spraggins of Lubbock and Mrs. W. B. Elkins of Hamlin.

For a honeymoon to points of interest in New Mexico and Colorado, the bride wore a sheath dress of sapphire blue cotton satin fashioned with an empire bodice and softly draped neckline. White hat, shoes and gloves completed the ensemble. After June 23, the couple will make their home in Pecos.

The bride attended North Texas State College in Denton and received her bachelor of science degree in elementary education from Texas Technological College in May. She was a member of Alpha Phi and served on the College Panhellenic Council and Council of Association of Women's Students at Tech. She was 1956 sweetheart of Alpha Phi. She will teach in the Pecos public schools next year.

The bridegroom received his bachelor of science degree in Animal Husbandry from Texas Tech in May, 1956, where he lettered in football two years. He is a member of the Double T Association and played in the Sun Bowl and Gator Bowl games.

Visiting in the home of Mrs. Roy Rushing and Mrs. E. E. Williams are Mrs. E. R. Steward of Tulsa, Oklahoma, Mrs. Williams' daughter and Mrs. Rushing's sister, and Mrs. C. H. Jameson of Irving.

Jean Morren Is President of Scalerunners

Jean Morren was named president of the Scalerunners Juvenile Music Club at a meeting and theater party Friday at 4 p.m. in the home of Mrs. A. F. Taylor.

Joyce Robertson, president presided and Jo Ann Morren read the minutes of the last meeting. Both girls were promoted to the Beethoven Club for next season.

Officers elected for next season besides Miss Morren were Mary Ann Manning, vice president; Sheila Sneed, secretary; Patricia Ann Liles, pianist; Marilyn Huckabay, treasurer; Lila Lane Middleton, parliamentarian; Donna Kay Ford, critic and Marsha Treadwell, reporter.

The meetings for next year will be in the home of Donna Kay Ford in September, Marsha Treadwell in October, Marilyn Huckabay in November, Patricia Ann Liles in December, Mary Ann Manning in January, Rentha Seabourn in February, Sheila Sneed in March, Georgia Bess Faircloth in April and Mrs. Taylor in June. "On a Bright Blue Sea" was played by Jo Ann Morren and "Peek A Boo" was played by Marsha Treadwell and Karen Green.

Mrs. Taylor thanked the students for their excellent playing in the recent recital.

Assisted by Mrs. M. A. Treadwell and Mrs. Eugene Green, Mrs. Taylor served sandwiches, cookies, potato chips, cheese bits, pickles, olives and Cokes.

Pink gladiolas and pink carnations decorated the Taylor home. Following the meeting, the children enjoyed a theater party at the Majestic Theater.

Those present were Donna Kay Ford, Sheila Sneed, Marsha Treadwell, Patricia Ann Liles, Mary Ann Manning, Rentha Seabourn, Lila Lane Middleton, Jean Morren, Charlotte Peoples, Pat McMillin, Marilyn Huckabay, Karen Green, Joyce Robertson, Jo Ann Morren, Linda Ann Perry, Carolyn Key and Mesdames Treadwell, Green and Taylor. Members unable to attend were Janice Dendy, Georgia Bess Faircloth, Jeannie Wright, Sarah Earnest, Johnny Stuard and Terry Treadwell.

The next meeting will be September 26 at 3:15 p.m. in the home of Donna Kay Ford.

Wanda Yielding, Jimmy Colburn To Be Married

The engagement and approaching marriage of Miss Wanda Yielding to Jimmy Ray Colburn was announced today by the bride-elect's parents, Mr. and Mrs. Dick Yielding of Olden. Jimmy is the son of Mr. and Mrs. Walter Colburn, also of Olden.

The wedding date has been set for June 29 at 8 o'clock in the Church of Christ in Eastland. Bro. E. T. McKelvin of South Texas, uncle of the bride-elect will officiate at the candle-light ceremony.

Miss Yielding is a graduate of Olden High School and attended Draughons Business College in Abilene. She is now employed with the Texas Electric Service Company in Ranger. Mr. Colburn also

was graduated from Olden High School and is employed with the Magnolia Petroleum Co. in Olney. No invitations are being sent and all friends and relatives are invited to attend. The reception will follow at the bride-elect's home in Olden.

Willing Workers To Hold Food Sale Saturday

The Willing Workers Women's Class of the First Christian Church will hold a food sale in the church annex Saturday morning from 9 to 12 with a coffee hour in connection with it.

Proceeds will go for the benefit of sending the youth of the church to the church camp. Mrs. Neil Day is in charge of the sale.

The Campaign Is Now Underway

Between now and July 28th, there is going to be a lot of conversation, speech making, and just plain political humbug. Some people are going to be talking to you and when they get through you won't know anymore than before they started. There will be a lot of handshaking. It is pretty obvious that at election time handshaking is done for only one purpose — to get your vote. There will be much talk about team play, worthiness of the candidate, smears, etc. Just remember this, friends. There is only one real team and that is the people of the 17th Congressional District. You are going to choose your own captain this year — a real honest-down-to-earth spokesman for the people of the district.

So many representatives first go to Washington with good intentions. After a year or two in office they forget why the people sent them there. The boys in the back room get hold of them and make politicians out of them, instead of statesmen. They listen to intellectual do-gooders, statisticians, "one worlders," and become so indoctrinated that all of the common folk back home are no longer represented. The power of the Federal government and the politicians are making the common folk into a pawn to be used in the collective bargaining of trying to reach a one world goal supported by American blood and American money, all at the expense of Mr. and Mrs. Average American with absolutely no contribution from the rest of the world.

Who are my campaign managers? All of us. You the voters will support me and I will, in turn, support you on the floor of Congress. All of this fancy speech making and political garblydoos that you hear between now and July 28th may be just so much conversation. Remember that! And rest assured that I will carry the sentiments of all we the people of the 17th Congressional District to Washington. We have done a lot of talking and complaining in the barber shop, in the cotton fields, in the peanut patch, on the cattle ranch, in the living room, in the drugstore, in the grocery store, in small groups and elsewhere. Now I stand before you ready to try to do something. We will have to put up or shut up at the polls on July 28th. We can be an inspiration — We can set an example for all the common folk throughout our country by voting in such overwhelming majority at the July 28th Primary that other districts throughout the country, in near future elections will have the courage, the bravery, and spirit of our founding fathers to adopt similar platforms and bring dignity, common sense, and spiritual greatness back into our Federal government. Only when this is achieved will our foreign friends begin to respect us and perhaps make some worthwhile contributions that will be a step in the direction of the brotherhood of man.

Our voice in the wilderness springing from the 17th Congressional District of Texas can and will be heard. Our team can play a winning game, and adopting our platform in such overwhelming majority will bring respect and notice from our fellow Americans. We must start somewhere and we can start right here, now, in our own district.

It is obvious that I cannot shake each of your hands and talk to each of you. If I spent a half hour with each of you, I would spend approximately four years day and night without sleeping nor eating. But I will get my message across to all of you somehow during this campaign. My heart and soul are in this and you, my friends, are one big team with me. We are all in this together and we will stick together. This campaign will be the most unusual in the history of the country, because we the people are going to do our own thinking this time and our own voting and our own campaigning. I am gratified for the hundreds of telephone calls and letters and offers of assistance from all of you, from the working man to many of the established democratic leaders in the district. I will see all of you that I can and remember I am always ready to consider your valued advice and recommendations. This is your campaign and your government. This is your opportunity to speak out. God bless each and everyone of you.

Shirley Lee Godfrey Becomes Bride of Dennis E. Parmer

Miss Shirley Lee Godfrey, daughter of Mr. and Mrs. Jim E. Godfrey of Comanche, became the bride of Dennis E. Parmer June 1 at 7:30 p.m. in the First Baptist Church in Comanche. Rev. S. J. Isham, pastor of the Mt. Pleasant Baptist Church, performed the double ring ceremony.

The bridegroom is the son of Mr. and Mrs. C. D. Parmer of Modesto, California.

Given in marriage by her father, the bride wore a ballerina length dress of slipper satin. The bodice featured a long torso waistline with a scoop neckline, and was topped with a lace jacket with three quarter length sleeves. The peler pan collar was cased with tiny lace and satin covered buttons. A crown shaped headpiece of lace and seed pearls held her shoulder length veil. She carried a bouquet of a white orchid and featured carnations atop a white Bible. A single strand of pearls, a gift from the bridegroom, was her only jewelry.

Miss Peggy Godfrey who served as her sister's only attendant, wore a ballerina dress of ice blue antique taffeta with elongated bodice and full skirt. Her headpiece was of matching net. She carried a colonial bouquet of white carnations with white satin streamers.

Pen Jones of Stephenville served as best man and Eddie Ray Johnston, nephew of the bride, was ring bearer. Ushers were James Ruth and Creath Davis both of Comanche. Miss Toni Eyering and Miss Betty Wood, in ballerina length dresses of yellow and green antique taffeta, lighted the candles.

Mrs. Bill Godfrey of Marshall, accompanied by Chan Edmondson, Comanche, on the organ, sang "I'll Walk Beside You," "Because" and "The Lord's Prayer."

For a short wedding trip, the bride chose a navy shantung suit with white accessories. Her car-

sage was the orchid from her bridal bouquet.

The bride is a graduate of Comanche High School and Tarleton State College. At Tarleton, she was a member of the Tarleton Scholarship Society for four semesters, an honor graduate, named outstanding member of the Home Economics Department and was secretary of her social club, the Coronas.

The bridegroom graduated with honors from Santa Anna High School and from Tarleton State College, where he was a Cadet Major in the ROTC Unit. He received technical training in Hendricks Memorial Hospital in Abilene and is now medical technologist in the Eastland Memorial Hospital.

A reception followed the wedding in the church parlor. The bride's table was covered with an eucalyptus table cloth from which a four-tiered wedding cake topped with the traditional miniature bride and groom was served. Mrs. Bill Godfrey served cake and Mrs. Thomas Johnston, sister of the bride, served punch.

Out of town guests included Miss Lola Rivers Thompson, Miss Marty Hutcheson, Mrs. Layman Miller, Mrs. Johnny Kirklen, Miss Bonnie McGehee, Ben Jones and Miss Bettye Wood all of Stephenville, Mrs. Truman Fletcher and family, Coleman, Mrs. Lois Henderson, Santa Anna and Mr. and Mrs. Bill Godfrey and son, Marshall.

Carter Family Holds Reunion

Those visiting in the home of Mr. and Mrs. O. B. Hogan, 307 Oak last week and attending the Carter family reunion at Lake Cisco were their sons Airman Robert G. Hogan and First Lieutenant Elton G. Hogan, both of Shepard Air Force Base, M. B. Hogan and wife of Wichita Falls, O. O. Hogan, wife and children, Carla and Jim of Odessa, and daughter and family, Mr. and Mrs. A. W. Harris and children, Elaine, Patricia and Allen of Odessa.

Mrs. Hogan's brothers and their families present were Mr. and Mrs. Gerald Carter and son Gerald Clay of Eunice, New Mexico, Mr. and Mrs. P. J. Carter and children, Clayton and Betty and a grandson from Salmen, New Mexico. Sisters present were Ruth Carter of Eastland, Mrs. Melvin DeGraw and husband of Dickens and Mrs. Jennie King and husband of Ranger.

Look Who's New

Mr. and Mrs. D. L. Claborn are the parents of a daughter, born June 13 at 12:32 p.m. in the Eastland Memorial Hospital. The baby was named Pamela Ann and weighed 7 pounds. Grandparents are Mrs. J. W. Brawley, Cisco and Mr. and Mrs. H. F. Claborn, Cisco.

Textured Siding Gives Character to House

A TEXTURED house siding gives the building character sometimes missing when unpatterned boards are used. Rapidly becoming a favorite because of its rich texture is Masonite Ridgeline, a durable hardboard which may be painted or stained to bring out the handsome but subdued pattern.

This hardboard siding has a linear texture in a restrained combed ridge effect. Ridgeline panels are four feet wide, one-quarter inch thick and up to 16 feet long. This siding also comes in strips for horizontal application. Here the widths are 12" and 16". Those desiring shingle sizes also may have this beautiful siding.

Used on exteriors in panel form, Ridgeline may be installed with or without battens.

The unusual texture of this material has prompted its use by interior decorators, who have specified its application indoors as accent walls or "interest areas."

Like Tempered Preswood, the new siding material has unusual strength, durability and resistance to all types of weather. Its versatility is making it a favorite among builders.

Ronny Sims of Odessa is spending the month of June here with his grandparents, Mr. and Mrs. J. L. Sims and his uncle, Jerry Sims. He arrived in time to attend the graduation of Jerry from Eastland High School. During his stay here, he plans to learn the turkey business from his uncle and grandfather. In July, Ronny will go to Beloit, Kansas where he will visit an aunt, Mrs. Wendel Wooster.

Mr. and Mrs. Richard P. Young and children, Ricky, Nancy and Evelyn of Rotan, have been visitors in the home of Mr. and Mrs. W. A. Martin.

Beethoven Club Has Meeting And Luncheon

The Beethoven Junior Music Club met in the home of their teacher and counselor, Mrs. A. F. Taylor Friday at 11 a.m. for a luncheon and business meeting. The meeting was the last of the club year.

Julia Lynn Inzer, president, presided. Jo Ann Morren and Joyce Robertson were promoted from the Scalermans Club and were formally initiated by Mrs. Taylor.

Officers who were elected and will be installed in September are Jan Robertson, president, Linda Huckabay, vice president, Mainelle Cole, secretary, Phyllis Phillips, pianist, Joyce Robertson, treasurer, Gaila Walters, parliamentarian, Patricia Fullen, reporter, Jo Ann Morren, assistant reporter, Carolyn Miller, historian and Ruth Miller, critic.

The club was invited to be the guests in the following homes next club year: September — Patricia Fullen, October — Linda Huckabay, November — Kay Dodson, December — Mrs. Taylor, January — Phyllis Phillips, February — Gaila Walters, March — Mainelle Cole, April — Carolyn and Ruth Miller at Ranger and June — Mrs. Taylor.

A duet, "Morning Mood" was played by Joyce Robertson and Linda Huckabay and "Gondolier" was played by Joyce Robertson.

Mrs. Taylor, who greeted the guests, wore an orchid corsage presented to her by Sarah Earnest for her recent student recital. An arrangement of pink carnations

and candytuft, presented by Kay Dodson, centered the dining table.

Following the meeting, the group went to the White Elephant Cafe, where place cards were arranged on a table laid with a white cloth. An arrangement of gladiolus and abellia centered the table.

The class prophecy was read by Patricia Fullen. Gaila Walters presented humorous entertainment.

Following the luncheon, the group adjourned until September.

Window Awnings Lower Cost Of Operating Air Conditioner

When it comes to beating the summer heat, air conditioning is no doubt the best method yet devised by man.

Though this be true there is no substitute for sun protection. Home owners who want to save money on air conditioning first must take stock of their windows and see that they are well shaded by awnings. When sun heat passes through glass, indoor temperatures soar and so do operating costs of cooling units.

Easily installed at windows and doorways, awnings not only keep rooms degrees cooler but air conditioning costs down. Facts and

figures support these claims. Awnings can help save up to \$250 in the initial price of an air conditioning system. They can also save \$20 every year in operating expense for each 100 square feet of glass they cover. These figures are the result of tests made by mechanical engineers at the Case School of Applied Science, Cleveland, Ohio.

Engineers at the school constructed an experimental room with 100 square feet of window surface facing west. Tests were made in the middle of the afternoon during the hottest part of

the day. Results showed that a full awning made the room 13 to 14 degrees cooler than when no sun protection was used.

The time to solve sun problems created by unshaded windows is before air conditioning is installed. The less sun heat entering a room or house, the lighter the

cooling load will be. Thus, smaller or fewer units will be needed. Awnings can make a house, with or without air conditioning, a more pleasant place in which to live during the summer. These bright sun protectors will also keep colors in draperies and other interior furnishings fresh and unfaded.
