

Red Offensive Gathers Speed

By DANIEL DE LUCE MOSCOW, Sept. 29 (AP)—The Red army's three-way offensive against Hungary from Romania and Yugoslavia developed swiftly today while rumors of peace feelers by the Budapest government indicated Hitler's last important satellite may be on the verge of deserting him.

Hungary's defensive position was dark as strong Russian forces, pressing forward in a 100-mile arc on the Romanian-Hungarian frontier, increased their mountain salient and utilized Marshal Tito's permission to cross Yugoslav territory and strike the Hungarians and Germans from the south.

The Russian war bulletin disclosed that Soviet troops had fought their way into Lupkov Pass leading from Poland into Czechoslovakia, taking Vydran, a Czechoslovak rail station nearly three miles inside the frontier.

(The American broadcasting station in Europe, quoting the Turkish radio, said last night the Hungarian premier was reported to have asked the Turkish ambassador in Budapest to learn Allied peace terms, and to act as an intermediary in preliminary negotiations for Hungary's exit from the axis.)

(Enemy reports asserted Marshal Rodion Y. Malinovsky, commanding combined Russian and Romanian forces, was using 30 divisions, or upwards of 300,000 men, in an offensive that reached to within 15 miles of Szeged, Hungary's second city, and within 102 miles of Budapest.)

(Berita reports said Russian troops had crossed from Romania into Yugoslavia at a point east of Belgrade.)

Red army assault troops within sight of Riga slugged forward through marshes and forests strewn with mines and dotted with machine gun nests.

Front dispatches said heavy fighting will be required before Riga is captured, but expressed belief that the three Russian armies converging on the city would not be held up for very many days.

Dixon To Make Second Speech At Post Theatre

1st Lt. L. E. Dixon makes his second appearance as a speaker before a graduating class at the Big Spring Bomber School at 9 a. m. Saturday in the post theatre.

This time he will bring the principal address. In January 1943, as a newly commissioned officer, he brought the class response, promising to do the job well.

Since that time he has personally carried out his promise in missions over Italy, Austria, Germany and Greece and was wounded three times in the process. Besides the Purple Heart with two clusters, he holds the air medal with six clusters and the presidential group citation for 52 missions.

From a family of distinguished fighting men, Lt. Dixon chose to be a bombardier rather than a fighter pilot because he believed he could do vastly more damage to the enemy.

Bombardier wings will be awarded by Col. Ralph C. Rockwood, commander of the post, and Capt. Pierre W. Curie will administer the oath of office. R. J. Willkie, Mission, Kans., honor council president, is to bring the response. Tickets are available at the Herald office.

Dewey Charged By Communist Leader

NEW YORK, Sept. 29 (AP)—Election of Gov. Thomas E. Dewey, Republican candidate, to the presidency, Earl Browder, American communist leader, asserts, would be "an American invitation to Europe to plunge immediately or soon into the most devastating civil war."

Browder called for the reflection of President Roosevelt last night at a rally in Madison Square Garden sponsored by the Communist political association to mark the 25th anniversary of the communist movement in the country.

He added that Dewey's election also would end United States cooperation with Russia and terminate America's participation in a world peace organization and declared that "the country will have given Dewey and his unknown cabinet a mandate to 'put labor out of politics.'"

SMALL FIRE HERE

A Hestand-Kimbell Grocery truck was reported afire Thursday at 3rd and Johnson. No damage was done and the blaze was extinguished before firemen arrived. Gasoline from a leaky carburetor was ignited.

Wells Completed For Furnishing Water For City

Four of the eight water wells being drilled in north central Glasscock county to give an ample water supply for Big Spring have been completed and tested, according to a report given by City Manager B. J. McDaniel. Three have been drilled and are ready for testing and one is being drilled now.

Wells number 1, 7, 10 and 12 have been completed and tested. A test on well number 7, a straight well, indicated a probable yield of 800 to 1000 gallons per minute. Well number 1, which is complete except for pump foundation, flow tested at 283 gallons a minute, with an approximate maximum capacity of 600. Well number 10 yielded only 40 - 50 gallons on flow test. The last well to be tested, number 12, will have a probable yield of 200 - 250 gallons.

The three wells which have been drilled but are as yet untested are number 2, number 4, and number 11. Numbers 2 and 4 have casing and screen set and are awaiting test pump for developing and flow testing. Testing on number 11 was begun last Thursday.

The rat hole has been drilled on number 9 and the contractor is starting work with a spudger rig. There are four complete pumps on hand, and four pumps which are complete except for bowls, which cannot be furnished until further information becomes available on well numbers 9 and 11.

The laying of the pipeline is progressing favorably. Over 78,000 feet of pipe have been laid, 38,100 feet of this being 14 inch pipe, 37,400 feet, 16 inch pipe and 800 feet, 100 inch pipe. Contractors report that all pipe for the job will be shipped from the factory by the end of next week.

A work order for high service pumps has been issued under the date of August 30, 1944 for delivery on Dec. 19, 1944. Bids for the Chlorinator station will be received October 4, 1944.

The contractor has the foundation complete, excavation and part of steel set for 50,000 sand trap reservoir at the pumping station. The wall for the pump station building is being erected on the O'Barr site.

Willkie Charges Party Platforms

NEW YORK, Sept. 29 (AP)—Platforms of the republican and democratic parties fail to meet the negro problem realistically, Wendell L. Willkie says in an article in the current issue of Collier's magazine, in advocating equal rights for 13,000,000 negro citizens.

While terming both platforms as "tragically inadequate," the 1940 republican presidential nominee said the republican plank was "distinctly better than the democratic."

Willkie declared neither party offered any workable program to outlaw poll taxes and lynching, but added that the republicans met a "fourth evil," the discrimination against negroes in civil life, by offering a "forthright pledge of a permanent fair employment practices commission."

However, he said the republican proposal for a constitutional amendment to abolish poll taxes ignored "the fact the south's 'white supremacy' congressmen would filibuster it to death."

Coahoma-Von Roeder Show Seen By Agent

The Coahoma - Van Roder Cotton Show was attended by Durward Lewter, County Agent.

A moving picture film was shown by Roder with reels taken of orchards, watermelon patches and one showing a patch of cotton through its growth.

While there, Lewter selected two calves for Wayne White coming from Donald Lay's herd. The calves are being put on feed this week, getting them ready for the 4-H Club show in March.

ALLIED SALIENT BROADENS — Black line indicates the Allied salient reaching to the Neder Rhine at Arnheim. Arrows show drives. British are ranged along the south bank of the Neder Rhine from Arnheim to Heteren and broadened the base of their wedge Sept. 28 with the capture of Heesch and Nistelrode, southwest of Nijmegen. The Allied salient threatens the escape route (white arrow) of German troops in the western Netherlands. Allied drives on the east are nearing the Siegfried Line. (AP Wirephoto).

Japs Report Capture Of Airfield As Yanks Smash Ships And Planes

By LEONARD MILLIMAN Associated Press War Editor Tokyo radio reported the capture of one of the three remaining advanced American airfields in China today as U.S. fleet carrier forces added up the most remarkable record of ship and plane destruction of the Pacific war.

In an almost unopposed raid on the central Philippines, sea-borne fighters and bombers sank 22 Japanese ships, damaged about 70 other surface craft, and destroyed 36 planes. The raid, Sept. 23, (U.S. time) cost the attackers ten planes and eight airmen.

Adm. Chester W. Nimitz announced last night.

This was the seventh day of sweeping raids over the invasion-threatened islands since Sept. 8 by the air arm of Adm. William Halsey's Third fleet. Altogether they have wiped out 1,014 Nipponese planes and sunk or damaged 360 surface craft. This mark surpasses most monthly totals for the entire Pacific.

Only seven interceptors dared oppose the raiders as they wrecked shipping, defensive installations and a "thoroughly bombed and strafed" airfield on Cebu, Leyte, Negros, Maricao and southern Luzon islands. All seven were shot down.

A Tokyo communique asserted Japanese columns captured Tanchuk, one of the last three U. S. airfields in southeast China, the remaining two—at Kwelin, 90 miles to the north and Luchow, about 200 to the south—were threatened. Their fall would force Maj. Gen. Claire L. Chennault's 14th airforce 480 miles west to Kunming.

Chungking conceded that the Nipponese were converging on Tanchuk and had broken into Paoching, 150 miles north of Kwelin. Tokyo said Paoching, a thorn in the Japanese southward push toward Kwelin, had fallen. Chungking, which normally announces the fall of a city several days after Tokyo reports it, asserted fierce fighting was underway in Paoching's streets.

In southwest Burma the Fifth Indian division closing in on Tidim neared the tortuous mountain trail known as the "Chocolate Staircase."

RATIONING LIFTED

COLLEGE STATION, Sept. 28 (AP)—Rationing restrictions have been lifted on all farm machinery except corn plows, effective today, state AAA head B. F. Vance said he had been informed by C. D. Walker, director of AAA's southern division in Washington.

Vance said he was instructed to notify county ration board of the order.

Cotton Ceiling Request Refused

COLLEGE STATION, Sept. 29 (AP)—Lack of a majority vote by eligible West Texas cotton producers for setting of a wage ceiling for picking and pulling cotton has caused the Texas War Food Administration wage board to decline to recommend establishment of any ceiling to WFA Administrator Marvin Jones.

Acting Board Chairman E. R. Alexander of Texas A. & M. college said yesterday that returns showed that of 33,227 eligible producers, about 40 per cent, or 14,741, have voted, of which number 13,643 favored the setting of ceilings.

FEA In Charge Of Peace Plans

WASHINGTON, Sept. 29 (AP) President Roosevelt today ordered a speed-up in American plans for rendering Germany harmless after the war, and specifically put the job under state department guidance.

The order was issued in a letter to Leo T. Crowley, chief of the foreign economic administration, and while it covered non-German subjects in its eight points, it apparently is the outgrowth of the sharp division in the president's postwar cabinet committee over a German peace plan submitted by Secretary Morgenthau.

The division reflected a fundamental policy disagreement between Secretaries Stimson and Hull on the one hand and Morgenthau, who proposed the virtual de-industrialization of Germany to prevent "its making future wars."

Hull and the state department, which had exercised unquestioned direction of a long-range German planning until Morgenthau won attention for his plan, have tentatively counted on restoration of Germany's industrial economy under ruthless Allied controls. Under the president's order today this policy now apparently is to prevail.

Point seven of the president's letter to Crowley said: "You have been making studies from the economic standpoint of what should be done after the surrender of Germany to control its power and capacity to make war in the future."

"This work must be accelerated, and under the guidance of the department of state you should furnish assistance in work and when requested to do so in personnel by making available specialists to work with the military authorities, the foreign service, and such other American agencies and officials as

participate with the United Nations in seeing to it that Germany does not become a menace again to succeeding generations."

Other than on this point, Mr. Roosevelt's order to Crowley covered what FEA should do in readjusting its long-standing operations to the defeat of Germany. "Lend-lease should continue to be furnished in whatever amounts are necessary for the most effective prosecution of the war," he said, making clear that this meant the flow of lend-lease aid should be continued as needed to defeat Japan as well as Germany.

Third And Seventh Surge Forward In Fierce Battle

Fifth Captures Mt. Battaglia; Move On Imola

ROME, Sept. 29 (AP)—Battling northeastward through mud and rain, American troops of the Fifth army have captured mount Battaglia, 11 miles from Imola, important Po valley city on the Bologna-Rimini highway. Allied headquarters announced today.

The doughboys also seized three key heights commanding the direct route north to Bologna. In the Adriatic sector British Eighth army forces made gains in the southeastern edge of the Po valley. The enemy has dug in along strong defense lines that parallel the Fiumicino river, the first major water barrier encountered since the breakthrough into level country, and is fighting savagely.

Adverse weather which precluded air support slowed the American attacks toward Bologna, but the doughboys knocked the Germans off additional heights on both sides of highway 65, all roughly 20 miles south of the historic city.

The gains gave the Americans observation over the road for many miles to the north.

Allied headquarters gave no specific information on gains on the west flank of the Fifth army, where the Brazilians and some American units have been keeping a steady pace, but said "important advances have been made" and "the entire Gothic zone has now been penetrated with the exception of a small area of the west coast."

Bonds Cashable At Big Spring Banks

War bonds may be cashed at local banks beginning Monday. Heretofore, bonds have been certified locally and then sent to the federal reserve bank at Dallas for redemption.

Under the new arrangement, institutions may be authorized by the federal reserve system to redeem the issues for purchase price plus accrued interest. For this service, a small fee is allowed the banks, which must then wait until the end of the quarter to make collection for the service.

Since the banks will be responsible for bonds cashed, identification will have to be positive and complete before the bonds will be redeemed.

The change in policy means that the postoffice will no longer be a leading place for having bonds certified for redemption since it will not cash any.

GERMANS FIGHT IN CALAIS

NEW YORK, Sept. 29 (AP)—BBC today quoted front-line correspondent Frank Gillard as saying the German garrison at Calais had asked for an armistice and was given until 10 a. m. (Calais time) to surrender unconditionally, but that fighting was still going on when that hour passed. The broadcast was recorded by NBC.

Sir Edward Grigg, a Conservative, declared there never had been a war in which Allied armies in the field had "worked so closely together with so little friction considering the immense difficulties involved."

Praising Churchill and President Roosevelt for an "extraordinary combination" of Allied land, air and sea forces, he added: "I do not believe there are any fighting men superior to the men of the British Commonwealth and the United States. Certainly the Germans with their long professional record as a military nation have produced nothing superior to what we have improvised in four or five years."

Allied Airpower Continues Non-Stop Blasting Of German War Industries

LONDON, Sept. 29 (AP)—American and British medium bombers took the spotlight in the air war over Germany today, with attacks on various Siegfried Line defenses and railroad yards at Saarbrücken in southwestern Germany and at Goldern on the Dutch border.

Bombing through openings in the clouds, Ninth Airforce Marauders from Britain plastered the Saarbrücken junction with what returning crewmen said were good results. Other Marauders struck at Nazi concrete fortifications in the Webenheip area 20 miles to the east. No enemy aircraft were encountered and it was announced all the bombers returned.

The freight yards at Goldern serve the German forces in Holland.

The round-the-clock air offensive was carried on by waves of planes which streamed across the channel in daylight after RAF Mosquitos came home from moonlight attacks on Brunswick and enemy airfields deep in central Germany.

The German radio reported this morning that "weak" formations of bombers were over the reich for the fifth consecutive day.

Armadas of more than 1,000 Fortresses and Liberators, with an average daily escort of 700 fighters, have since over Germany every day since Monday, when 2,000 planes launched a new campaign to smash railroad centers and war plants feeding the German army.

Losses from Monday through Thursday were 110 heavy bombers, each carrying ten crewmen, and 25 one-man fighters. The heaviest losses occurred yesterday, when more than 100 enemy fighters went on one bomber formation attacking Magdeburg and ignored others heading for Kassel and Merseburg. Forty-nine bombers were knocked down and 12 fighters failed to return, although several are reported to have landed in France after running out of gasoline.

Thirty-six German planes were destroyed, 26 by fighters and 10 by gunners in the bombers.

Commons Opens Heated Debate

LONDON, Sept. 29 (AP)—A long-anticipated House of Commons war debate — a follow-up to Prime Minister Churchill's global review — livened up today when members raised questions concerning American business and military activities.

John Loversed, elected over a government candidate in 1943 as a member of the new Common Wealth party, made a brief statement without protest that "American troops in France had got most of the plums" — "being given most of the spectacular tasks to perform while our boys have had tough and unglorious jobs."

But a longtime Independent member, Capt. Alec Cunningham-Reid, drew quick protest when he introduced allegations that "American business men had been allowed by SHAEF (Supreme Invasion Headquarters) to go to Paris, wearing while in transit American uniforms."

Sir Edward Grigg, a Conservative, declared there never had been a war in which Allied armies in the field had "worked so closely together with so little friction considering the immense difficulties involved."

Praising Churchill and President Roosevelt for an "extraordinary combination" of Allied land, air and sea forces, he added: "I do not believe there are any fighting men superior to the men of the British Commonwealth and the United States. Certainly the Germans with their long professional record as a military nation have produced nothing superior to what we have improvised in four or five years."

The O'Daniel resolution, adopted by voice vote without audible dissent, noted that all present representatives to congress from Texas as "campaigners for office and were elected as members and supporters of the great principles and ideals of the democratic party."

Texas AFL Requests O'Daniel Removal

AUSTIN, Sept. 29 (AP)—The Texas State Federation of Labor (A. F. of L.) today forwarded to congressional leaders a resolution asking that Texas Junior Senator, W. Lee O'Daniel, be "segregated from the section of the senate democrats usually occupy."

A resolution with this request was adopted yesterday at the Federation's annual convention which chose Houston for its 1945 meet and re-elected Federation president Andrew S. McBride of Houston.

Eighty-two Nazi Tanks Destroyed In New Offense

LONDON, Sept. 29 (AP)—The American Third and Seventh armies have surged forward three to five miles through fierce German resistance in Alsace-Lorraine, it was announced today. The Third army alone knocked out 82 German tanks in the powerful onslaught.

The two American armies, prying at the Belfort Gap only 11 miles away and knocking at the four main passes through the Vosges to the Rhine, scored the deepest and widest gains of any on an Allied front seething with the mounting power of new offensives.

On these southern sectors of the 800-mile front, they shredded half a dozen enemy counterattacks which cost the Germans heavily. But to the north the German commander at Calais asked for surrender terms, while Lt. Gen. Sir Miles C. Dempsey's combined British Second army and parachute forces closed up to the Maas (Meuse) river on a 20-mile front from their Nijmegen corridor in Holland.

The U. S. First army, on the middle reaches between this Allied left wing and Lt. Gen. George S. Patton's Third army, pushed the line of assault up to the German frontier in yet another sector, capturing Remich in Luxembourg.

Field Marshal Sir Bernard L. Montgomery's 21st army group forces pushing out westward from their salient in Holland, where they threatened to cut off some 200,000 Germans, also moved to within five miles of Hertogenbosch.

But the fiercest fighting was to the south.

Gen. Patton's Third army struck five miles due east of Pont-a-Mousson, between Metz and Nancy, and liberated Port-aux-Sauvages.

Thirteen to twenty miles in an arc northeast and east of Nancy the Third held firm against four major counterattacks near Pettoncourt, Bezanze and Colcourt and smashed ahead to high ground in the forest of Parroy.

East of Lure, smashing through head on, the Seventh army also won a foothold close to the 15-mile-wide valley that is the Belfort gap to Germany.

Argentina Charged As Being Pro-Nazi

WASHINGTON, Sept. 29 (AP)—President Roosevelt today denounced the Argentine government for what he termed the growth of anti-fascist influences developing in that country at the very time when Nazi forces are facing defeat in Germany.

Mr. Roosevelt said Argentina has repudiated a solid inter-American system for defense against Nazi aggression and stated—in the words of Prime Minister Churchill of Great Britain—that every nation will be judged by the parts they play in the war, neutrals and belligerents alike. He said his statement today is important now because of deceptions on the part of Nazi radio broadcasts beamed to Argentina which say Allied councils are divided in their attitude toward Argentina. Mr. Roosevelt described the broadcasts as fabrications.

FATALITIES INCREASE

CHICAGO, Sept. 29 (AP)—There were 14,430 traffic fatalities in the first eight months of 1944, the National Safety Council reports, an increase of six per cent compared to the same period last year. Fatalities in August and July, however, dropped 5 and 4 per cent, respectively, and the council said this year's toll may not exceed the 1943 total of 23,490.

District President Conducts P-TA School Of Instruction Thursday

Study Club Meets In Compton Home

The Child Study Club met Wednesday afternoon in the home of Mrs. Escal Compton, with Mrs. John L. Dibrell as co-hostess. Mrs. A. R. Collins discussed "Democracy at Home" and Mrs. L. B. Edwards gave "New Slants on Familiar Dishes."

Refreshments were served. Those attending were Mrs. G. C. Chadd, Mrs. John Coffee, Mrs. A. R. Collins, Mrs. L. B. Edwards, Mrs. George French, Mrs. J. B. Mull, Mrs. Jack Smith, Mrs. R. W. Thompson, Mrs. Charles Watson, Mrs. H. W. Wright and Mrs. W. E. Wright.

Flying Bombs Hit Southern England

LONDON, Sept. 29 (AP)—Just before dawn today the Germans loosed another flurry of flying bombs against London and the southern counties.

The air ministry announced that British fighters had knocked down over the North Sea two German planes carrying robot bombs.

Sessions Are Held At First Baptist Church

Chief object of Parent-Teacher association work is to aid schools in building strong characters in children, rather than aiding financially, Mrs. D. R. Carter of Midland, president of the sixth district, Texas Congress of Parents and Teachers, said in a school of instruction Thursday at the First Baptist church.

Need for that type of work is even more acute during war than in normal times, she said.

Devotional given

The school opened with group singing of parent-teacher songs, led by Mrs. J. E. Brigham, local council president. Mrs. L. G. Byerly of Midland, state vice president, led the devotional, based on second Timothy 2:15. She urged mothers to do more Bible reading and teaching to children in homes. Mrs. Carter conducted the school, with assistance of Mrs. Byerly.

A short parliamentary law drill was conducted by Mrs. Byerly and presentation of a book, "Part-Teacher Organization, Its Origin and Development," was made to the local council by Mrs. Byerly.

Mrs. L. G. Talley, publicity chairman of the council here, presided at the registration book.

Luncheon served

A covered dish luncheon was conducted. Mrs. Della K. Agnell had charge of arrangements and was assisted by Mrs. Harwood Keith, Mrs. Bill Earley, Mrs. J. T. Brooks, Mrs. J. C. Lane, Mrs. Iva Huneycutt, Mrs. Ray Clark, Mrs. J. Mason, Mrs. Walter Davis, Mrs. C. R. Moad and Mrs. H. D. Stewart.

Bouquets of garden flowers and strings of fern and queen's wreath decorated the tables. Pot plants and roses were in the assembly room.

In the afternoon session, Mrs. Carter explained work of various officers and Mrs. Byerly reviewed contents of a local unit package of literature. Mrs. Howard Keith of Big Spring, a district vice president, spoke briefly to rural P-T-A members.

Mrs. H. D. Stewart presented bouquets of dahlias and fern to Mrs. Carter and Mrs. Byerly.

Others present were Mrs. Elmo Birkhead, Mrs. J. E. Brown and Mrs. Morris Gay of Knott, Mrs. Roy Tidwell, Mrs. J. C. Laird, Mrs. W. N. McClanahan, Mrs. Dewey Young, Mrs. F. R. Cowan, Mrs. H. B. Reagan, Mrs. G. T. Hall, Mrs. A. L. Cooper, Mrs. George Hill, Mrs. W. H. Ward, Mrs. Robert Hill, Mrs. M. M. Manell, Mrs. W. P. Edwards, Mrs. A. J. Cain, Mrs. C. E. Johnson, Mrs. J. F. Johnson, Mrs. J. B. Mull, Mrs. Kenneth Bonfoey, Mrs. C. W. Creighton, Mrs. J. D. Jenkins and Edith Wright.

Mrs. Parkhill Is Honored At Party

Mrs. Marvin Parkhill was honored at a pink and white shower in the home of Mrs. Lum Harris Wednesday afternoon.

Mrs. Chris Anderson and Mrs. Paul Morris were co-hostesses.

Several games were played and refreshments were served.

Those present were Mrs. Anis Underwood, Mrs. Paul Greer, Mrs. Troy Pierce, Mrs. Alvin Hudgins, Mrs. Jack Coffman, Mrs. Henry Harris, Mrs. Naomi Burns, Mrs. Mae Fitzgerald, Mrs. Patsy Parker, Mrs. C. A. Flynt, Mrs. Carl Parker, Mrs. Joe Thurman, Mrs. C. L. Hopper, Mrs. Oma O'Brian, Kathleen Harris, Ruthie and Mae Harris, the hostess and honoree.

Those sending gifts were Mrs. Bill Anderson, Mrs. Sam Patton, Mrs. B. P. Harris, Mrs. Rudolph Pachall, Mrs. Bill Reynolds, Mrs. Joe Stevenson and Letha Holcombe.

Activities at the USO

FRIDAY

Class Heads Named At Colorado City

COLORADO CITY, Sept. 29—Class officers and candidates in the Future Farmers of America Sweetheart contest were chosen at meetings of seniors, juniors and sophomores in Colorado City High school this week.

Officers are:

Senior—President, Udell Moore; vice president, Jimmy Pickens; secretary, Virginia Woodard; treasurer, Bit Terry; reporter, Bette Slagel.

Junior—President, Truman Bodine; vice president, Doris Hargrove; secretary-treasurer, Gerry Posey; reporter, Doris Ann Coffey.

Sophomore — President, Peggy Milling; vice president, Albert Beights; secretary, Frances Gist; reporter, Bud Dillard. Ernestine Venus was chosen sophomore song leader; Norman Jane Richardson, pianist; Rae Ann Hamm, program chairman, and Gloria Roensch, chairman of the entertainment committee.

F.F.A. sweetheart candidates are Claudia Renfro, senior; Patsy Wooten, junior, and Leatrice Fisher, sophomore.

Wilson's Return From Visit In California

Mr. and Mrs. W. G. Wilson, Jr. have returned from a visit with their son, W. W. (Billie) Wilson, USNR, in Los Angeles and San Diego, Calif. Billie had graduated from the West Coast Sound School, where he had been for the past six months. Prior to that he had been in combat aboard a destroyer for two years.

He now is in San Pedro naval base awaiting assignment in his field as a radio and radar soundman.

At the Brown Derby, Mr. and Mrs. Wilson met another Big Spring youth, Dave Watt, a US naval officer, who is stationed in Florida. The Wilsons also witnessed the arrival of Thomas Dewey, republican presidential nominee, in Los Angeles and saw a large number of celebrities who turned out to greet him.

Fellowship Supper Is Held By Church

An all-church fellowship supper was attended by approximately 137 persons Thursday night at the First Presbyterian church.

Rev. J. E. Moore, pastor, presided and made announcements regarding Religious Education month, emphasizing Rally Day to be observed Sunday in the church school and world-wide communion to be observed Sunday, and announced plans for the cooperative leadership training school to be conducted by the Presbyterian, Christian and Methodist churches Oct. 9-13 at the Methodist church.

The colored community chorus sang.

Supper was served by the woman's auxiliary.

Episcopal Ladies To Present Vessels For Blessing Sunday

A gold and silver chalice and paten for use in celebration of Holy Communion will be presented by the woman's auxiliary of St. Mary's Episcopal church to the pastor, Rev. Charles Abele, at the 11 o'clock service Sunday morning.

Those presenting the vessels will be Mrs. Carl Blomsheld, president of the auxiliary, Mrs. J. A. Selkirk, chairman of St. Mary's unit, and Mrs. L. Wiley Curry, chairman of St. Anne's unit.

Railroad Man Dies

NEW YORK, Sept. 29 (AP)—Frederick E. Williamson, 68, who recently resigned from the presidency of the New York Central Railroad because of illness, died here today.

Government Prepares 'Must' List For Job-Seeking Discharged Vets

(Editor's Note: This is the fifth in a series on veterans' benefits, ranging from demobilization to job and pensions.)

By JAMES MARLOW
WASHINGTON, Sept. 29 (AP)—A veteran is discharged from the service. He begins his civilian life again. What are some of the main things he should—or must—do? And what about a job?

Here's a list of them, prepared by government agencies.

DRAFT BOARD:
Under the law he must report to his draft board in person or by letter within five days after his discharge. If he was not previously registered—that is, if he went into military service some way other than through the draft—he must register, too.

His draft board is a prime contact if he has trouble getting back his old job or if he seeks a new one.

GETTING OLD JOB BACK:
If he wants the job he had before entering the service, he must apply to his former employer in person or writing within 40 days after his discharge from the service.

And this means he must also be ready to report for work within 40 days unless the boss agrees to let him delay reporting for work.

If the veteran worked for a private employer or the federal government before entering the service and wants that job back, these are the qualifications:

The job he left must have been permanent, he must have completed his military service satisfactorily, he must still be able to fill the job.

On the other hand: The former employer is required to give the veteran back his job (or its equivalent) if he possibly can, at the same rate of pay and with the same seniority and privileges the veteran previously had, and the veteran can not be fired without cause within one year after re-employment.

If the veteran has any difficulty getting his old job back, he should go to the re-employment committee attached to his local draft board. It is through this committee that the veteran's re-employment problem, if he has trouble getting his old job back, may finally be taken into U. S. district court without any expense to him.

GETTING A JOB:
Suppose a veteran doesn't want his old job back but wants a new one. He can tell that to the re-employment committee-man, too. He's to get advice there. Or he should apply di-

Group Entertained At Thompson Ranch

COLORADO CITY, Sept. 29—Members of the Merry Wives club of Colorado City and their husbands were entertained with a farm-ranch party Tuesday evening at the Charles C. Thompson ranch with Mr. and Mrs. Ed Williams, Mr. W. W. Rhode, and Mr. and Mrs. Thompson as hosts at the home of Mr. and Mrs. Tom Bennett.

Prizes for games of bingo early in the evening were harvest sacks of farm products. After all guests had won bingo prizes, games of 42 were played.

Couples attending were Mr. and Mrs. Everett Winn, Mr. and Mrs. Sam Wulfin, Mr. and Mrs. O. B. Price, Mr. and Mrs. Jesse Pidgeon, Mr. and Mrs. Boyd Dozier, Mr. and Mrs. Ed Jones, Mr. and Mrs. Otto Jones, Mr. and Mrs. T. H. Roensch, and Mr. and Mrs. Benton Templeton. Mrs. W. A. Bandy of Austin and Mrs. Monroe Dawson were also guests.

Fifteen Roll Red Cross Bandages At Bombardier School

Fifteen women rolled bandages Thursday in the surgical dressing rooms at Big Spring Bombardier school.

They were Mrs. Genevieve Walker, Mrs. Eileen McConnell, Mrs. Barbara Laughlin, Mrs. Margaret Borden, Mrs. Shariene Kelly, Mrs. Jane Fielder, Mrs. Emily Tinsley, Mrs. Arlene Drexler, Mrs. Ann Dickson, Mrs. Modest Rockwood, Mrs. Shariene Keeling, Mrs. Thelma Johnson, Mrs. Esther Kercheval, Mrs. Jean Harris and Mrs. Etta Wheeler.

Cantor In Hospital

HOLLYWOOD, Sept. 29 (AP)—By doctor's orders Comedian Eddie Cantor was resting in Cedars of Lebanon hospital today.

Dr. Elmer Belt said the actor was in a run down condition, nothing serious, and needed a few days of complete rest as the result of a strenuous program of camp tours and other work.

Leaders Trained For Scout Troops

Eleven new leaders were present for the second session of the Girl Scout Training course for new leaders Thursday night at the First Methodist church.

Leadership now has been trained for 18 troops, including two Mexican troops, and comprising membership of 323 girls.

Announcement was made a new senior troop is being organized for girls entering high school, with Mrs. Harriet Smith and Dorothy Hall as leaders, and plans are being made for a Brownie troop at North Ward school.

Mrs. M. S. Toops, president of the Leaders club, appointed a Girl Scout week committee comprised of Mrs. M. A. Cook, Mrs. Max Johnson, Mrs. Smith and Mrs. Harold Parks.

West Texas Area Leads In Gains

The West Texas area not only outstripped all other districts in the Southwest region in membership gains last year, but quadrupled its own membership in achieving the record, Mrs. Gretchen Klaid, Girl Scout field worker, reported Thursday.

Mrs. Klaid recently returned from a regional conference in which records were announced. The gains were surprising even to leaders in the area, she said. Starting with a membership of 607 in June 1943, the area ran the total to 2,607 at the end of June 1944.

The area takes in counties from Gaines to Jones, from Winkler to Sterling, 18 counties in all. So rapidly has the work progressed that organization has been affected to date only in Abilene, Sweetwater, Big Spring, Midland, Odessa, Stanton, Lamesa, Sterling City, Snyder, Roscoe, Hermleigh, Seagraves and Garden City. The record is of particular interest in Big Spring since nucleus of the program was the organization here and the initial leaders' party here.

Yesterday and Today

There is a group in every church referred to by various titles such as, "The Faithful Few," "The Master's Minority," or "The Dependables." We have them in our churches in Big Spring. A church succeeds in proportion to the size of this group in it. They are the ones who build the church, others just belong to it. This is not a new development in religious life, it has ever been thus. In the days of Joshua the proportion was ten to two. Only Joshua and Caleb believed that Israel could and should, under the hand of God, go forward to possess the land which had been promised them. The majority report prevailed and it cost many years of wandering in the wilderness, on the part of God's people. In the days of Gideon an immortal three hundred won a great victory over God's enemies, but all of the people shared in the fruits of victory. Even so today it is the few who keep the Bible school going, the program of evangelism alive, the mission fires burning, the mid-week prayer meeting functioning and the stewardship responsibilities of the church affective. It has never been the mealy-mouthed majority but the militant minority which have kept the program of Christ moving.

In Revelation 3:4 we read an enlightening statement. Through John Jesus pays a compliment to a small group in Sardis in these words: "Thou hast a few names even in Sardis which have not defiled their garments: and they shall walk with me in white: for they are worthy." The faithful few in the churches of Big Spring need recruits and we are issuing a call for volunteers! A trite but pertinent question for each one of us would be:

"If all of its members were just like me,
What sort of church would our church be?"

BIG SPRING PASTOR'S ASSOCIATION

Mighty Westerners Invade Big Spring Tonight

Favored Lubbock Eleven Confident Of Victory Over Underdog Steers

Probable Starting Lineups			
Big Spring Steers		Lubbock Westerners	
Wt.	Name	Pos.	Name
145	Huett	LE	Benefield
215	Bryan	LT	Giles
141	Clinkscales	LG	Crawford
145	Smith	C	Pressley
196	Rusk	RG	Pearson
155	Harris	RT	Foster
160	Cunningham	RE	Harris
142	Hardy	QB	Cole
149	Cochran	HB	Brewer
133	McLaren	HB	Davis
180	Cook	FB	Moyers

Rolling into town today the mighty Lubbock Westerners come ready to make it three-in-a-row over District Three AA teams this season and trounce the Big Spring Steers on their home grounds tonight at 8:30 in Steer Stadium. In the opening two performances the Lubbockites downed Odessa and San Angelo, both pre-season favorites to be leading contenders for this district pennant and the latter eleven doped to go high in the state playoffs. Now it is the Westerners who are making a bid for state-wide recognition and they plan to throw everything they have at the Steers tonight to keep their record intact.

The Steers and their coaches, John Dibrell and Harold Holmes, have limited themselves to few pre-game remarks but promises have come from the high school corral that the cocky visitors will not win the ball game without opposition. Dibrell stated that the offensive attack for the Steers will remain unchanged with the double and single wing formation being used along with the T. He said he hopes to keep the foe confused as to his next play and partially through this method, plus a lot of fast-developing power and deception, upset the favorite visiting team.

Defensively the Steers should employ everything in the 'books'. Dibrell has stated that every manner of defense has been worked on to stop a strong running game, as well as to slow the passing attack. Lubbock has both, and these departments each offer serious scoring threats as has been proven in their season openers. Dibrell added that the local eleven will vary from their five-man lineup to as many as eight men in the defensive forward wall. This, he hopes, will stop the Lubbock running game.

Fans are due to see a little passing from the host team tonight. The Steers did not throw a single pass in their last winning encounter with Cisco, but the opening game showed a few aeriels that looked fairly promising and it was evident that the receivers were not up to par. Since that time, two weeks ago, this has been worked on by the coaches. Tonight may see the locals take to the air quite a bit.

On the Lubbock side of the ledger everything seems to point to a victory for the charges of Coaches J. "Mule" Davis, father of the Westerner star back, and Dixie White. Their running game is better than average with George Brewer and Johnny Davis, both seat backs with plenty of deception, and R. W. Moyers, husky fullback who has been slowed earlier with a bad knee. With these men in the backfield, and with Johnny Pearson, a diminutive guard with plenty of ability and speed, and Clifton Benefield, end and line-captain, up in front to lead the forward wall things could be made rough for the hosts.

But in case their running game gets "balled up" Coaches

Football Broadcasts Scheduled Saturday

After warming up on a few preliminaries last week, Southwest Conference football teams are settling down to the season's work with a full schedule this weekend. As they have for the past nine years, Humble Oil and Refining Company will bring headcasts of the season's games to football fans.

Of the four games on the cards for the broadcast this Saturday, two are afternoon and two night games. The opener starts at 8:30 p. m. when the Texas University-Southwestern tilt takes the air. Kern Tips, dean of Humble announcers, has drawn the play-by-play assignment, while Dave Russell will handle the color. Stations carrying the games are KPRC, Houston; WOAI, San Antonio; WFAA, Dallas-Fort Worth and KTBC, Austin.

HEADS SEMI-PRO LEAGUE
NEW YORK, Sept. 29 (AP)—Ray Dumont, president of the National Baseball Congress, announced today that J. G. Taylor Spink of St. Louis, publisher of the Sporting News, had accepted appointment as global commissioner of semi-professional baseball for the 1945 season.

Davis and White have another department in the back corner that tallies scores for them. Against San Angelo, whose line outweighed the small Lubbock club, the Westerners took to the air to chalk up their upset victory. This might again be the case tonight if Leo Rusk and L. B. Bryan prove more than the visitors can handle. Benefield is an excellent receiver with Davis a good passer, also doubling in the kicking department.

Big Spring fans should see one of the best games of the year here tonight. It should be fast and furious, with plenty of action coming from both sides. Also an added drawing card is the fact that the Lubbock boys are one of the leading teams in the state and it might be an early-season chance for local fans to see one of the play-off teams in action, although local boosters say they have not passed the Steers yet.

Rain Halts Thursday Play In Hot American League Pennant Battle

By JACK HAND
Associated Press Sports Writer

Rain sent the "experts" hunting for new angles today to figure out whether Detroit, St. Louis or New York would profit most by postponements in the American league pennant race. The answer appeared to be Detroit.

If it pours until Sunday night, the Tigers could sit home by the fire and plan their world series strategy while the Browns, one game back, and the Yankees, three lengths out, rued lost opportunities.

All clubs were scheduled for doubleheaders today after yesterday's complete washout but even another day of rain wouldn't wash any games off the calendar for keeps. The same teams play one another the rest of the season four games and could make them up with twins on both Saturday and Sunday.

In the east, the pennant-winning St. Louis Cardinals were polishing off some unfinished business with the Giants and getting lined up for Wednesday's opener in Sportsman's Park. Billy Southworth took Stan Musial, Walker Cooper, Ray Sanders and

Explosive Issue Faces Texas Board

AUSTIN, Sept. 28 (AP)—At least one potentially explosive issue faced the board of regents of the University of Texas as they met here today for their first session in more than two months.

Included was Dr. Homer P. Rainey's recommendations for long range development of the university in which he proposed that the medical branch be moved from Galveston to Austin. This was originally made at the last meeting of the regents, but was not acted upon.

It provoked a storm of protest from Galveston and Houston, but Dr. Rainey reported that much favorable reaction had come to him directly.

Also pending were reports from the board's medical survey committee, the committee on a long-considered patent policy, and an offer of \$2,000,000 from the Sealy-Smith Foundation for building a new general hospital and private pavilion for the medical college in Galveston.

Also on the board's agenda was a mass of accumulated routine business.

Pvt. Clarence R. Redding, son of Mr. and Mrs. P. T. Redding of 205 Lancaster street, passed through Big Spring Wednesday night on the train enroute to a Long Beach factory for six weeks training. He has been stationed at Keesler Field, Alabama.

Bonnet Advances To Semi-Finals In Post Tourney

Aspirant Pierre Bonnet of the French section at the Big Spring Bombardier School advanced to the semi-finals in the officer's Tennis Tournament yesterday, and if he can get by one more match he will meet Lt. Hale H. Hendlin, favorite to win the tournament.

Bonnet, whose home is in Casablanca, defeated Major Herbert Moreland by impressive scores of 6-3, 6-0. His victory won him the right to meet Capt. Roland F. Hatfield, a topnotch player, at 4 p. m. today.

Winner of this match will oppose Lt. Hendlin tomorrow for the officer championship.

Meanwhile, Lt. Hendlin continued to show false form as he coasted into the finals Wednesday evening, defeating Lt. Blackburn Hughes by scores of 6-1, 6-1.

Lt. Hendlin, favored to win both the officers and Post championship, cut loose with a lightning service in his semi-final match. Lt. Hughes had been expected to offer some serious competition following his overwhelming victory over Lt. Charles L. Stout by scores of 6-1, 6-0, but he was unable to solve Lt. Hendlin's service.

Texans Reminded Of Duties To Vets

AUSTIN, Sept. 29 (AP)—Texans were reminded today not to forget their responsibilities to injured veterans of World Wars I and II.

Gov. Coke Stevenson, proclaiming Oct. 8-14 as Forget-Me-Not Week, noted that proceeds from the sales of Forget-Me-Not "are used for rehabilitation work for the men who were injured in the defense of their country, and in many instances for the benefit of their families and dependents."

The sale will be conducted by the disabled American veterans.

Lt. Barney C. McCoy, runner-up in the city tournament was eliminated from the officers competition when he was forced to forfeit to Capt. Hatfield. Tournament officials agreed a forfeit would be advisable because Lt. McCoy is out of the city.

Under a plan devised by the Physical Education department headed by Capt. Floyd Burdette, the winner of the officers competition will meet the winner of the Enlisted Men's tourney to determine the post championship.

Remaining matches for the enlisted men pair Pvt. Vidal vs. Pvt. Jimmie Freeman; Pvt. Carl Bolsem vs. Pvt. Ed Korzlow and Sgt. Sol Firestone vs. Cpl. William E. Bailey. S-Sgt. Jerome Pinkston, colored ace, has advanced to the semi-finals.

Fifty-nine High School Elevens Clash Tonight

Fifty-nine games tonight (Fri.) and tomorrow night brings every schoolboy football team in Texas into action.

Two teams which are staging a comeback in grid circles, the Greenville Lions and the Tyler Lions, battle tonight at Tyler in one of the state's top attractions. Both clubs had good teams in the thirties, Tyler copping the state title one year and reaching the quarter-finals another, while Greenville also won a championship and went to the finals in another year.

Other feature games tonight include Vernon at Amarillo, Brackensridge at Wichita Falls, Sherman at North Side (Fort Worth) and Marshall at Waco.

Games last night saw Arlington Heights (Fort Worth) trounce Corsicana 12 to 2; Sunset (Dallas) defeat Woodrow Wilson (Dallas) 7 to 0 and French (Beaumont) down St. Anthony (Beaumont) 19 to 0.

TEN PERSONS DIE
MISSOURI VALLEY, Ia., Sept. 29 (AP)—At least ten persons lost their lives and about 100 were injured in a collision last night between a Chicago & Northwestern passenger and freight train on the outskirts of Missouri Valley.

Authorities Study Juvenile Delinquency

AUSTIN, Sept. 29 (AP)—Tips on procedure and methods of expediting trials will be discussed by Texas district and appellate judges in a two-day shop talking session opening here today.

Among the topics will be a talk on juvenile delinquency as related to the judiciary by Dr. Robert L. Sutherland, director of the Hogg Foundation for Mental Hygiene.

The judges will be welcomed to their annual session by Associate Justice Richard Critz of the supreme court.

HELP WANTED

TO BUILD THE

B-29 SUPERFORTRESS

(THE BIG NEW BOEING BOMBER)

Fifteen Facts About This Urgent Appeal

1. Free transportation to the West Coast.
2. Both men and women are eligible, married or single.
3. Men are especially needed right now.
4. Many different types of factory work available.
5. You will be trained by Boeing Aircraft Company.
6. Full pay during your training period.
7. Here is a direct production job you can do.
8. A good paying job of greatest War Importance.
9. Help produce America's most needed big bomber.
10. Excellent working conditions, housing, transportation.
11. Boeing representative here soon to interview and hire.
12. Watch this paper for date of arrival at local U.S.E.S. Office.
13. Make your plans to apply now.
14. Many more Boeing B-29 Superfortresses must be built.
15. No other job will give more evidence of patriotic duty.

BUILDING FOR VICTORY

THE OLD JUDGE SAYS...

"That's really a great editorial you just read to us, Judge. Where did you say it appeared?"
"In 'The Stars and Stripes'... the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?"
"It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?"
"Glad to, Bill. It says, 'We can remember

the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police officials. As a result, we claim we know what we want in the way of liquor legislation and feel those at home should wait until we return before initiating further legislation on liquor control."
"Out of fairness to our boys over there fighting, Judge, how could we disobey such a wish?"

This advertisement sponsored by Congress of Alcohol Beverage Industries, Inc.

Editorial - - -

It's More To The Same

It is bad psychology, we are told, to admit in the beginning that an editorial effort is doomed to failure, but here goes anyway.

Let us direct our attention to the monster evil of conferences, committee meetings, etc. They are peas in a pod—all alike. There may be different kinds of conferences and different kinds of peas, but they are always alike in kind.

Here is the program from one of the latest: 1) Registration, 2) Call to order by presiding officer, 3) Address of welcome, 4) Response, 5) Announcements, 6) Appointment of committees, 7) Address, 8) Recess, 9) Luncheon, so and so presiding.

Don't stop us if you have heard that arrangement before. But who cares? The poor guy who is sucker enough to make these affairs is sucker enough to take the same old dish without complaint. He is a long sufferer.

And this is not the worst. Conference A holds forth with vigor, with a great deal of wasted time, consumed hotel space, additional congesting of transportation systems, etc. Now comes conference B, repeating the crime under the grace of different subject matter. Thus it goes until presently, what have we? Conference F (really conference A back in a new face) all ready to back track to dig up dead bones and bore weary delegates with same old dish of verbal hash.

And what happens at most of these meetings? Why just what the program suggests—registration, address of welcome, response, announcements, appointment of committees, address, ad nauseum. And what is said in these addresses? Why some immortal lines such as these—"My friends, we are fortunate indeed to be able to assemble today in a country without fear of having bombs fall upon our meeting. . . . We must strive to make our country (state, county, town) a better place in which to live; or "We must earnestly preserve those things which our men are fighting for, the corner drug store, the cat with little kittens, the Saturday afternoon picnic, the double-header ice cream cone, etc."

But, we hold no hope for relief. Indeed, we shall be among the first to register and on the front row to catch the first deathless words of welcome—"It is indeed a privilege and pleasure—" But wouldn't it be wonderful for everybody to just show up at an appointed hour, at an appointed place, and have somebody say something, sit down and when it was through, everybody take out home?

Coalition Is Improbable

R. B. Creager, major domo for the Republican party in Texas and who cut quite a lot of ice in federal appointments in Texas from Wilson to Roose-

The War Today

By J. M. ROBERTS, JR. (Substituting For Dewitt Mackenzie)

It is clear now that Allied operations in Albania are minor, airborne and commando units having been landed to help plug any gaps through which enemy forces fleeing Greece might escape to northern Italy or through the loosely-held Yugoslav Partisan territory to Austria.

It is doubtful that the western Allies plan any major action in the Balkan area, leaving it instead to Russia and Partisan forces.

The intensity of Allied interest in the situation, however, is indicated in the announcement of an Allied over-all command for Greek Partisan forces which not so long ago were fighting among themselves.

One of the headaches which the Greek government in exile was unable to solve in recent united conferences was the matter of command. The ELAS army of the leftist EAM, which has claimed control of a large portion of Greece, insisted that other Partisans, including the EDES which also had been very active against the Germans, should come under ELAS command. This was refused.

Now, apparently, the Allies have stepped in to take over the whole show, probably with the approval of both sides.

The main job against Germany, of course, is to be done by the Allies in the west and Russian forces from Poland. But a southeastern front is rapidly being developed which may prove, in the long run, more important than the Italian campaign in the actual battle for Germany.

velt, has indicated a willingness to combine forces with anti-Roosevelt democrats in an effort to wrest Texas from the Roosevelt-Truman column in November. Leaders in the anti camp, however, have disclaimed any knowledge of such a plan.

Mr. Creager has stated a point which is an apparent fact, namely, if Roosevelt is beaten, Dewey will have to be the one to do it. This logic is not apt to bear much fruit with the Texas Regular party, the anti's, for they are not warm for Dewey but red-hot to see Roosevelt defeated. Thus, all of this can be put down as good spot news stories as they occur. In the end there is not apt to be any coalition. Events likely will prove that the outcome of the Texas presidential vote was settled in the Texas supreme court a week ago.

Washington—Public Uninterested In Politics Steelworkers Vote To Return To Jobs

WASHINGTON — With the President's first self-designated "political speech" out of the way, this campaign will take on an entirely different complexion, according to political observers here.

It's no secret that strategists in both parties are alarmed over the apparent lack of interest of the voters in the presidential race. Reports along the line from Gov. Thomas E. Dewey's campaign tour have frequently emphasized the smallness of the crowds. Republican leaders attribute this to the absence of men in the armed forces, to the fact that almost every one else is busy with war work and to the fact that the Dewey battle plan calls for emphasis on local and state organizations rather than on making a triumphal parade across the nation.

However, it is the Democrats who are most concerned with this seeming lethargy. Politicians on both sides of the fence are practically unanimous in the opinion that an extremely light vote in November will work to the disadvantage of President Roosevelt.

That's why the Oct. 5 speech of the President already has been described as a sort of pep talk at which party workers in about 125,000 voting districts have been urged to assemble at least ten voters around their radios.

Persons close to the White House are now predicting that the President won't stop with his two announced speeches but will make from three to five more before election day, they say that several of these will be made in other places than Washington. In other words that the President may, after all, make a little political tour of his own, in spite of his former announcement that he didn't expect to campaign in the usual way.

They point to the fact that the sweep of the war across Europe has lessened the executive load considerably. Also, his meeting with Prime Minister Churchill in Quebec has gotten pressing plans for the mop-up of Germany and the war in the Pacific out of the way.

Steelworkers Vote To Return To Jobs

DALLAS, Sept. 28 (AP) — Receipt of a telegram from Philip Murray, United Steelworkers of America (CIO) head and CIO president, has resulted in a vote by a Moshier Steel Company Plant Workers here who walked out Sept 15 to return to work under protest.

Murray's telegram appealed to the workers to return to their jobs in accordance with the organization's no-strike pledge and added that he would continue efforts to persuade government agencies to enforce directive orders of the National War Labor Board.

Cause of the dispute, over which more than 100 employees walked out, was listed as the firm's failure to meet a WLB order concerning vacations and the inclusion of a maintenance of membership clause in its contract with the local union.

LONDON HAS BIG DAMAGE LONDON, Sept. 28 (AP) — The list of London's bomb damage is given today in the House of Commons: Houses damaged beyond repair, 25,111.

Houses seriously damaged and not habitable, 52,277. Houses damaged, but habitable, 77,030. Houses slightly damaged, 873,177. Total — 1,027,995.

Bridge

Ernie Pyle: Laymen Mystified By Aerial Combat But Pilots Sometimes Lose Touch

By ERNIE PYLE A FORWARD AIRDROME IN FRENCH NORTH AFRICA, Feb. 1943—It is hard for a layman to understand the fine points of aerial combat as practiced at the moment in North Africa. It is hard even for the pilots themselves to keep up, for there are changes in tactics from week to week.

We will have some new idea and surprise Germans with it. Then they'll come across with a surprise maneuver, and we will have to change everything to counteract it. But basically, at the moment, you can say that everything depends on teamwork. The lone dashing hero in this war is certain to be a dead hero within a week. Sticking with the team and playing it all together is the only guarantee of safety for everybody.

Our fighters go in groups with the bombers, ranging the sky above them, flying back and forth, watching for anything that may appear. But if they see some Germans in the distance nobody goes after them. That would be playing into the Germans' hands. So they stick to their formation above the bombers, making an umbrella. The German has two choices—to dive down through them, or to wait until somebody is hit by flak and has to drop back. Then they are on him in a flash.

When that happens the fighters attack, but still in formation. Keeping that formation always and forever tight is what the flight leaders constantly drill into the boys' heads. It is a great temptation to dash out and take a shot at some fellow, but by now they've seen too many cases of the tragedy of such action. The result is that this war doesn't have many individual air heroes. A team may be a composite hero, but not an individual. One group leader told me: "If everything went according to schedule we'd never shoot down a German plane." We'd cover our bombers and keep ourselves covered and everybody would come home safe."

The fighter pilots seem a little different from the bomber men. Usually they are younger. Many of them were still in school when they joined up. Ordinarily they might be inclined to be more harum-scarum, but their work is so deadly, and the sobering dark cloud of personal tragedy is over them so constantly, that it seems to have humbled them. In fact I

Hollywood—Kesseling Comedy Is Released

By JACK O'BRIAN Associated Press Drama Editor (Ane star means poor, four means *** "Arsenic and Old Lace," with Cary Grant, Priscilla Lane, Raymond Massey, Peter Lorre, Jack Carson, Josephine Hull and Jean Adair.

The tremendously amusing ghoulish farce, "Arsenic and Old Lace," was made into a movie about two years ago and placed carefully away in a can to await the end of the Broadway run. For a while it seemed the macabre comedy by Joseph Kesseling had become so popular it never would close. And since the arrangement with Howard Lindsay and Russel Crouse, producers of the Broadway smash hit, was such as to preclude release of the film version until the New York stage original had run its lengthy course, Warner Brothers had this problem:

The longer the play ran, the more certain they were of their good judgment in buying it. But on the other hand, if it were to run for years in the fashion of "Life With Father" and "Tobacco Road," perhaps the decor and clothing used in the film would become so outlandishly old hat as to force them to scrap the whole thing. Luckily for the Brothers, and incidentally for the movie-addicted public, the Broadway run of "Arsenic" finally came to an end. After going down to their store

Texas Today

Ideas And Hard Work Combined By Temple Editor For Outstanding Job

By HAROLD V. RATLIFF Associated Press Staff

Texas editors, each in his own way, have done their share on the home front, and some of them have done more than their share.

Such an editor is Walter R. Humphrey of the Temple Daily Telegram, whose friends, in Central Texas say that "everything good" in Temple has his support and that many such movements, activities and enterprises were inspired or started by him.

Personally, Humphrey is like Judge Kenesaw Mountain Landis, the high commissioner of baseball, who said he had no objection to an article being written about him "so long as you leave me out of it."

You can't leave the Temple Telegram out, because this is his working creed:

"The editor's wartime job is to put his nose and meaning into the home front jobs, to assume responsibility for seeing that they are done. . . . And to see, at the same time, that the nominal community activities are preserved insofar as possible.

"He should consider it an obligation to conduct his newspaper that the people, under the pressure of trouble and worry and tragedy, retain their perspective and their balance.

"Every wartime job at home, every community job is his personal concern. It's got to be that way. The degree to which the editor responds to this responsibility measures how well he justifies the title he carries."

Walter Humphrey is talking about an editor's duty on the home front during wartime; his creed, however, applies to an entire career whether it be in war or in peace. His work has only been multiplied at this time and he already had enough to break a fellow's back. He has a strong back.

What does an editor do in wartime? The Temple editor is typical of editors on small city papers, but anyway here's a sample of his program, which includes civic betterment as well as the numerous duties that have fallen to his lot since the war started:

A director of the Brazos river conservation and reclamation district.

President of the 36th division memorial commission.

International counselor of Lions clubs.

First chairman and still on the committee operating the Temple USO.

Member of the executive committee of the Texas Press association (he was named while he wasn't present and couldn't prevent it—even if he had so desired).

A director of the Community Chest since it was organized a year ago. He campaigned in his newspaper for this for 13 years.

Deacon in the First Presbyterian church. He's usually at church on Sunday no matter how long he may have worked Saturday night putting the Telegram to bed.

These are not all the affiliations of Walter Humphrey with the civic life of Temple and Texas. And he has found time to win the local badminton championship.

He was president of the chamber of commerce until last April. He formerly was district governor of Lions and still does much work over the state in his role of international counselor.

Here are three projects he inaugurated in Temple, and still personally directs:

1. The Gridiron dinner (it's been going on for 13 years). At this affair from \$300 to \$500 is raised annually for civic enterprises.

2. Central Texas handicraft exposition. This Temple Telegram enterprise is to show boys and girls what can be made with the hands. From 2,000 to 3,000 different articles the kids make are to be seen at the 14-year-old institution.

3. Central Texas Pioneers club.

WALTER HUMPHREY

This organization is for all persons in the Temple area who have lived in Central Texas more than 50 years. There are 4,000 members. The editor organized it. The old folks come here and swap yarns on June 29—Temple's birthday. The club is popular.

Other enterprises could be mentioned. He is ready for anything worthwhile that comes along—in addition to writing three of four columns a day for his newspaper. One column is front-page and titled "The Home Town." It's an institution.

Seven days a week he writes The Home Town, where many of Temple's projects and enterprises originate. From his type-

writer have come such ideas as the master plan, community chest, a tax for operating a city library, a no swimming pool, subscriptions to build a tennis court.

He works 12 hours a day except on Sunday when it's only two or three—unless there's a convoy of wounded soldiers arriving at McCloskey hospital.

There are times when three convoys in 24 hours arrive at McCloskey hospital—and the editor of the Telegram is there to interview the incoming men—no matter what the hour—and file the stories that give the folks at home the exact status of loved ones.

The Associated Press Managing Editors association passed a special resolution of appreciation for his work for the cooperative news-gathering association.

All is not peaches and cream in the conduct of his column. Once he was beamed with a pop bottle by an irate reader. Once, he admits, his criticism of a man helped the latter to be elected to office. His capacity for work is unlimited—just so long as it's reporting the news, or doing something for Temple and Texas.

Houston-Galveston Said Major Asset

WASHINGTON, Sept. 28 (AP)—Houston - Galveston areas' position as the country's fourth ranking seaport was cited today as a major asset for postwar development of the two Texas cities into a western entrance for air traffic to Latin America.

T. E. Braniff, president of Braniff Airways, Inc., told a civil aeronautics board (CAB) hearing that a seaport as large as Houston-Galveston "should not be denied the right to develop in this new and coming form of transportation."

Braniff, which now serves midwestern and western states, is asking the board for permits to operate routes out of a Houston - Galveston gateway to the Caribbean, Mexico, Panama Canal zone and South America. The company is the first airline to present proposals for service as far south as Brazil and Argentina at CAB's current hearing on plans for postwar air operations in Latin America.

The Braniff president termed an "amazing accomplishment" the development of Houston - Galveston from a minor port into fourth largest in the nation.

Towns Washed Away; Residents Drowned

MEXICO CITY, Sept. 28 (AP)—Seventeen residents of Tepic and Hacienda de la Candelaria, in the nearby state of Hidalgo, have perished in the floods of that region, and the towns mentioned have been washed away, radio messages to the defense department said.

Dispatches to the defense department from Espinal (Veracruz) said that that town as well as Tabladuro, Comalteco, Pajaspas, Vizcaya, Meridiano and Plan de Hidalgo had been almost completely washed away and that "numerous people" have been drowned.

The military commander of the 19th zone, with headquarters in Tuxpan (Veracruz) reported that floods were slowly subsiding in that region.

Former Ft. Worth Mayor Dies Today

FORT WORTH, Sept. 29 (AP)—William Bryce, 83, mayor of Fort Worth from 1927 to 1933 and long associated with the City's industrial and cultural progress, died in a hospital here today.

He suffered a heart attack Tuesday.

Bryce was a native of Scotland and began his career as a brick mason in Fort Worth in 1883. At his death, he was chairman of the board of Acme Brick Company and a director of the Fort Worth National Bank, Millers Mutual Fire Insurance Company and the State Reserve Life Insurance company.

Funeral arrangements await word from Mrs. Annie Mears of Toronto, Canada, a sister and only survivor.

Reconversion Meeting At State University

AUSTIN, Sept. 28 (AP)—Industrial and educators meet at the University of Texas today for discussion of reconversion as it affects small business, the returning soldier and the war-industry jobs.

Conferees are railroad and utility agents, business men, chamber of commerce executives, bankers and members of the university's industrial and commercial research council.

Programmed for speeches were J. V. McGoodwin of Houston, regional manager of the Committee for Economic Development; W. B. Glidden of Dallas, regional manager of the Reconstruction Finance Corporation; Hamilton Morton of Fort Worth, regional director of the procurement division of the treasury department and Morton D. Harrison of Dallas, regional director of the Smaller War Plants Corporation.

Stock Show At Fair Is To Be Moved

DALLAS, Sept. 29 (AP)—Jack Frost, president of the Texas Hereford association, said today that failure to reach an agreement with the lessee of the State Fair of Texas livestock arena for its use by the greater Pan-American Hereford exposition, would necessitate holding the show elsewhere on the grounds.

The arena is under lease for an ice rink by Ice Sports, Inc. The exposition is to open Nov. 11 and continue, through Nov. 19.

Labor Leaders Seek Scrapping Of Scale

WASHINGTON, Sept. 28 (AP)—President Roosevelt's labor advisory committee, composed of AFL and CIO leaders, recommended to him today that the Little Steel wage formula be scrapped but got no impression from him, members said, how he feels about the proposal.

The labor advisory committee is headed by William Green of the American Federation of Labor and Philip Murray of the Congress of Industrial Organizations.

Both men said after the meeting that they told Mr. Roosevelt the Little Steel formula is outmoded and should be revised upward. The formula limits wartime wage increases to 15 per cent above January, 1941, levels.

Nazis Give Warning To Remaining Allies

By The Associated Press

The Nazi party newspaper Voelkischer Beobachter served notice today that Germany would not "tolerate another case of Bulgaria" and, although no particular nation was mentioned, it seemed obvious the warning was directed to wavering Hungary.

A Berlin broadcast quoted the organ's diplomatic correspondent, and said a spokesman for Foreign Minister Joachim von Ribbentrop commented that the article "meets the Wilhelmstrasse conception 100 per cent."

"Only those should feel addressed who were about to betray, namely the underground subversive elements," the spokesman said. "We are in a situation which forbids sentimentalities because our very existence or non-existence is at stake. Any further breach into the front of the joint struggle will be prevented with all available means by Germany."

Guards Posted At Border For Slayer

EDINBURG, Sept. 29 (AP)—Guards today were stationed at three international bridges in the lower Rio Grande valley and highways were being watched closely in an effort to capture a suspect in the slaying of a laborer, said Deputy Sheriff Will Cabler of Brownsville. A second suspect was held there in the Cameron county jail.

A Latin-American farm worker, Roseno Aurigo, 24, was killed Tuesday night and Trevino Valdez, 25, a companion, critically injured; at a ranch five miles north of Harlingen.

Cabler said the men were attacked as they slept in the garage home on the ranch of their employer. Valdez was not expected to live.

Pockets of both men were turned inside out, said the officer, indicating that robbery was a probable motive.

Building Permits

John Tidwell, to build 10x16 foot frame addition to present house at 506 Benton, cost \$50.

L. and L. Housing and Lumber company, to build 14x48 foot carpenter's shop at 206 Bell street.

Mrs. Fannie Barrett, to build 12x16 foot frame addition to present house, will demolish 12x16 foot garage to make addition, at 704 E. 12th street, cost \$190.

Lige Harrison, to build 8x20 frame addition to present house for garage at 1010 E. 2nd, cost \$125.

John Jarrett, to build 12x16 foot frame addition to present house at 2201 Channing street, cost \$95.

Father Drops Sons Into Mohican River

COSSHOTON, O., Sept. 29 (AP)—Warren Patterson, a slender 31-year-old machinist, whom Prosecutor Russel E. Lyons said admitted in a signed statement that he stood on a bridge and dropped two of his four sons into Mohican river because he had no home for them, was held in jail today.

One of the boys, Larry, 14, drowned, and Lyons said he would file a murder charge this afternoon.

The other, Raymond, 7, crawled from the stream, wandered most of the night in a cold rain and finally was picked up by a motorist, Lyons said.

The two other boys, Gene and Glenn, eight-year-old twins, were put out of their father's automobile a half mile from the bridge and left with a blanket under a tree. They stayed there 16 hours in a rainstorm, the prosecutor added.

Lyons said that Patterson told him and Sheriff Jay Abbott in the statement that he intended to push the twins into the river too, but "hadn't the heart" to go on after dropping the first two.

A search disclosed the drowned child's body, Abbott said.

Fisher Brothers File Two Articles

LANSING, Mich., Sept. 29 (AP)—Articles for two new corporations bearing the name of the Fisher brothers were filed here today, setting out their purpose to design, manufacture, sell, repair and deal in airplanes, automobiles, "and any and all automotive products."

The corporations are the Fisher Brothers, Inc., Delaware and Detroit, and Fisher Motor Car company, Delaware and Detroit. Stock of each was described as 1,000 shares no par common.

NEGRO CONVICTED

ALEXANDRIA, La., Sept. 29 (AP)—Conviction of a sixth negro soldier in seven trials in connection with the Aug. 16 disturbance at Camp Claiborne was announced today by Brig. Gen. Louis F. Guerre, camp commander.

Pfc. Ernest B. Collier, 30, Orlando, Fla., was sentenced to 30 years at hard labor.

City-County Nurse To Give Patch Test

Mrs. Ann Fisher, city-county health nurse, went to Vealmoor, Knott and Moore Friday to make arrangements for giving tuberculosis patch tests. Two hundred additional tests have been obtained on the order of 1900 which have been purchased by the Howard County Tuberculosis association.

The schools will be organized for testing and permission cards will be arranged, Mrs. Fisher said. The testing will be done the first of next week. The health nurse urged the parents to bring in preschool children for the tests.

Zone One To Hold Election Tuesday

Zone one of the Martin-Howard Soil Conservation District will hold an election at Stanton Tuesday, October 3, for the purpose of electing a district supervisor.

The election is being called by Earl Heald, present supervisor of zone one, comprised of the following areas:

Beginning at Martin and Dawson County line and following the Lamesa highway south to Stanton; to highway 80 southwest of Midland, to Midland and Ector County, north, along the Midland-Ector county line to Midland and Andrews County line, east from the same line to Martin and Andrews line; north from that county line to Martin and Dawson line, east to Lamesa and the Stanton highway.

Before you pass judgment, hear the other side.

Criminal Suits Filed On Butchers

DALLAS, Sept. 29 (AP)—William A. Orth, regional head of the Office of Price Administration, said that civil and criminal suits were to be filed today against 166 slaughterers, wholesalers and other meat handlers in four southwestern states for price regulation violation.

Orth said included among the cases, mostly civil, would be several for treble damages totaling about \$132,000. The suits were to be filed by district offices in Texas, Oklahoma, Missouri and Louisiana.

Orth asserted the action was taken by OPA's enforcement division to defeat what he called the black market in meat prices before the anticipated supply shortage grows more acute this winter.

Charges of upgrading utility or grade C meat to grade A, and grade B to grade AA, were to account for most of the complaints and applications for injunctions, Orth declared.

Texans Disagree On Peace Plans

BEAFAST, Ireland, Sept. 29 (AP)—Two touring Texas members of the national house of representatives—O. C. Fisher of San Angelo and W. R. Poage of Waco—don't agree on what type of peace terms Germany should be offered.

On a tour of Europe as representatives of the house foreign affairs committee, Fisher in an interview suggested that "collaboration among great Allied nations could resolve possibility of a misunderstanding" in treatment of Germany, while Poage said he favored a hard peace.

"It shocks me," Poage declared, "to hear some British talking about Germany being a great nation. I talked to a lot of people in England who said they wanted to help rebuild Germany, and I simply was amazed."

"If by a soft peace Germany is encouraged to launch a third war in Europe I don't see how America could be expected to take part. Central Europe is rotten to the core, and if we don't cut out that core we'll have a rotten apple."

"We must not spare the knife."
