Antelopes must be slowing up!

A lot of you will be glad to know that Norman Wright, former Telegram, staffer, has returned to the county as editor of The Ranger Times. Wright is going to have to eat a lot of his own words over there, because he sure used to give those Bulldogs a fit.

We were telling old Bishop, down at the White Elephant Cafe, but Norman was coming back, that Norman was coming back, and Bishop immediately told us to inform him that he wasn't going to allow any soup stirring this of home building in Eastland, it is agencies require that the lots be time. Norman use to have the now possible to build a house on well located, on paved streets, in habit of going back to the kitchen the same low initial-cost plan that the better sections of town, etc. As and inspecting the soup. He and exists in larger cities, James Dab- a result, a lot of undesirable lots Bishop had a running feud.

water rates. We believe that such on a two bedroom home of this Broyles in this area, persons wisha committee would be able to bet- type are \$37.76 per month, which ing to build in Eastland, Ranger, ter explain to local citizens that includes the principle and interest, or Cisco need only to own their the local rate is not out of line.

You know, every once in a years due to many contributing while we get to thinking what a factors, among them (1) building ing from \$125.00 to \$250.00. shame it is that Wayne Hudson, contractors have not in the past the Mercury dealer here, couldn't have been named Wayne Mercury. connections with the right lending But then we guess that's asking

too much. Wayne was smart lower downpayment plan, coupled enough not to call his firm Hudson with lower monthly installments, bedroom houses, complete and Mercury Co. though.

Willis Moore, manager of A&P ing housing areas of the larger nere, handed us a little slip of pacities, (3) mortgage investment tate Exchange. per yesterday about a half inch companies, and other lending wide and five inches long. Across the top of it it had "A scratch pad for narrow minded people." Not that narrow minded boy.

bably the best reporter we able lots in Eastland are owned H. P. Pentecost. Mr. Pen- and controlled by a few indivialways remembers us when he duals, and other organizations such a visitor in town, and comes as orphan's homes, who do not wish by the office and tells us about it.

Monday he was telling us about "This unwillingness to sell lots has the time that he sold a whole bunch of mail boxes to folks out es, because FHA restrictions, and in the country. One fellow complained a few months later that he had had the box up for all that time and hadn't received a single piece of mail in it yet. Mr. Penny told him not to worry, that he would fix that. And he did. He went home and wrote all the major farm equipment manufacturers a letter saying the fellow was interested in purchasing quite a

bit of farm equipment.
"After that," Pentecost said, "he got more mail than anyone else on the route."

-vem-Fellow by the name of John McCaugher was by the office this week. He represents the Tex Carson Circus and informed us the show would be here Sunday week

for an afternoon performance. The circus publicity man said business was better than ever. Said his circus had really been drawing the crowds since Ringland Bros. folded their tents and announced the day of the circus (Continued on Page 3)

What put the magic

SEE IT FOR YOURSELF!

The new Ford Fairlane 500 (118-inch wheelbase). Longer, lower, larger than many medium-priced cars, yet lower in price than most of them!

100 E. Main

The roof got lower. And it's designed to let you make the easy entries and graceful exits you've always known.

The body got quieter. It's the strongest body built for a low-priced car. No car in Ford's field has such generous sound-proofing. The room got bigger. There's head room to spare for a tycoon-type hat. There's real stretch-out leg room, too.

The lines got sweeter. They have the Touch of Tomorrow. Each graceful contour says, "Let's go!"

The style got smarter. With this new-look Ford you have a car that belongs anywhere! All Fairlane models look like hardtops. The value got greater . . . the price is still
