TEN CENTS (10¢)

Rehearsals Underway Easter Pageant

Rehearsals for the annual Easter Pageant to be held on Easter Sunday, are under way. The pageant will begin this year at 10 a. m., ending at 2 p. m.

The presentation will be in the Kendrick Amphitheater between Eastland and Cisco to an expected attendance of 50,000. Stage of the theater, constructed to accommodate 100,000 persons, is 325 feet in length and houses 12 separate stages built with a crystal white aggregate stone finish. Included on stage is a running River of Jordan, the Sea of Galilee and Mount Calvary.

The entire life of Moses from birth through the Ten Commandments will be added this year to the complete life of Christ from birth through resurrection, being portrayed in 50 scenes by a cast of some 135 people who donate many hours of their time for rehearsals and the presentation.

Towns to be represented in the cast are Abilene, Hamilton, Rising Star, Eastland, Breckenridge, Carbon, Cisco, and Mineral Wells.

This pageant will be the most complete performance presented in this state or surrounding states since, along with the cast, there will be live animals including a gray donkey for the Mother Mary, a white donkey for the Triumphant March of Jesus, a camel for the wise men, regular animals for the manger scenes and sheep for the shepherds in the field.

The script was taken word for word from the Bible and arranged into pageant scenes with no ad lib inserts.

It is believed that no person can sit through this Easter pageant and leave with the same feeling in his heart that he came with.

There is no admission charge and free parking will be available for 10,000 cars. The Kendrick says, "Just bring a blanket to sit on and keep warm in."

A two-hour musical program featuring gospel quartets and choirs from over the state will precede the pageant.

Improvements Being Made at Livestock Barns

Completion of the holding pens and other improvements are underway at the Eastland County Sheriff Possee and Livestock Raisers Association's show and arena facilities north of Eastland, according to an announcement.

Members of the posse have been working each Saturday on the pens at the arena, with a view toward more extensive use of the facilities in the near future.

M. G. Key of Eastland is captain of the Posse and Paul Riedge of Morton Valley is lieutenant.

The annual Eastland County Livestock Show will be held at the site beginning Thursday, March 16, for that weekend.

No Classes Here Friday

Eastland schools will be closed Friday, March 10, in order that teachers may attend the 26th annual State Teachers Association convention, beginning at 9 a. m. at the First Baptist Church in Wichita Falls.

The general session will begin at 10:15 a. m., in the Memorial Auditorium with Dr. George R. Davis, minister of the National City Christian Church, Washington, D. C., giving the keynote address.

Some 27 luncheon meetings are scheduled for 12:30 p. m. at various Wichita Falls school cafeterias, restaurants and other meeting places.

The House of Delegates meeting was held Thursday, March 9, at the Town and Country Motel.

Delegates attending from Eastland were Keith Watkins and Harold Price.

PUBLIC SCHOOLS WEEK — MARCH 6-10

The Texas Public School system, established 115 years ago, has been a rich training ground for the youth which has helped make our nation great in the fields of government, art, science and technology. In the White House, in museums, in the oil fields and now in outer space, Texas Public School graduates have pioneered new frontiers for the nation and the world.

Since this Texas Annual Public Schools week, we have cause to examine this Texas tradition. In recent years, there has been a schoolhouse revolution as Texas educators experiment with flexible new methods and educational techniques but the basic premise remains the same; that a nation's future strength depends on the trained potential of its youngest citizens.

This is a year of critical issues and crucial decisions in education. It is important that we, as parents and voting citizens, acquire an understanding of what the schools are trying to achieve and the methods used pursuant to this goal. It is no longer enough for Johnny to learn to read — he must learn how to apply his rational powers to new kinds of situations. In short, the parent, the school, the child form an important education triangle based on mutual understanding.

We can fulfill our obligation in this educational triangle by being an active participant in Texas Annual Public Schools Week, March 6th through March 10th. Visit your child's school. It will be a rewarding experience.

Work Underway for Opening of Little League Season April 24th

At the Little League kick-off meeting held Monday night, March 6, plans were made for the coming season with the first game scheduled for April 24th.

Several projects which must be completed before the season begins were planned. A number of persons volunteered; however, more volunteers will be needed.

Dates and times for these projects will be announced later.

One of the first of the projects was started Tuesday which is the erection of a new chain link fence down each side of the field and the

completing of new dugouts. Another project worked out was the purchasing of new uniforms for the four major teams.

Officers for the coming year are: Bill Kendrick, president; Kenneth Thompson, vice president; James Reid, secretary-treasurer; M. L. Forgy, player agent; Mrs. Ray Harbin, score keeper; Joe Culppepper, chief umpire; Mrs. Richard Arnold, concession stand manager.

Managers and coaches of the major teams are: Medicine, Bob Giles, Manager; Wade Freeman, coach; Lins, Ben Hernandez, Manager; Bulldogs, Bert Kent, manager; Ronnie Robertson, coach; Comets, John Morren, manager; Otto Morren, coach. Minor Bulldogs: Richard Arnold, manager; Bill Arnold, coach.

Church of Christ Gospel Meeting Now In Progress

A gospel meeting is in progress at the Church of Christ, North Ostrom Street, and will continue through March 12, with Mr. C. M. Walkup of Gould, Okla., as guest evangelist.

On weekdays, services will begin at 7:30 p. m. and on Sunday at 10:30 a. m. and 6 p. m. Singing is being conducted by Garth Latham of Breckenridge.

Subjects to be spoken on are the following: Thursday night, "A Cloud of Witnesses"; Friday, "The Second Coming of Christ"; Saturday, "Bible Mosaics"; Sunday morning, "The Power Card"; Sunday night, "The Books Opened at Judgment."

The public is cordially invited to attend these meetings.

ROTARY JOINT MEETING WILL BE HELD MARCH 20

A joint meeting for Rotarians in Eastland, Ranger, Cisco and Breckenridge will be held Monday, March 20, at Lone Cedar Country Club beginning at 7 p. m.

Mrs. James P. Morris, instructor at Ranger Junior College who teaches American Literature, will present the program.

Mrs. Morris holds a B. A. and M. A. degree and is well underway to a P.H.D. degree. She has attended the University of Colorado, the University of California and the University of London (England).

A graduate of the University of Texas, she has done post graduate work at TCU. In the summer of 1966, she spent several weeks in Russia and other satellite countries as a part of the study toward her P.H.D. degree.

Mrs. Morris has toured most of Europe and is in much demand as a book reviewer as well as a speaker on subjects of travel.

The Ranger Rotary Club will host the meeting.

On the Planning Committee are John C. Foster of Ranger, Edgar Cain of Breckenridge, Eris Ritchie of Cisco and Grover Hallmark.

Cisco Show This Weekend; County Event on March 16

A total of \$400.00 in prize money will be given at the annual Cisco Livestock Show which will be held Friday and Saturday, March 10-11 according to A. Z. Myrick, president of the Cisco Livestock Association, sponsors of the show. The show will be held at the Precinct Four Barn on W. 18th Street.

All animals must be in place by 6 p. m. Friday, except goats and breeding swine, which must be in place by 5 p. m. The animals must remain until 4 p. m. Saturday. There is no entry fee.

There will be a sifting committee to sift and send home either breeding or fat animals that will not be a credit to the show, Mr. Myrick said. Each Junior exhibitor will be limited to two animals in each class, in both Breeding and Fat Divisions.

The animals in both Breeding and Fat Divisions will not be judged on packer basis, but on a 1-2-3-4 basis, and the judge's decision will be final.

All fat hogs must weigh at least 175 pounds and not over 260.

Fat lambs may be of any breed, sex or weight. They must be shown with their wool on.

The Junior Division will be limited to FFA and 4-H Club members enrolled in the Cisco Schools.

Schedule for the show is as follows:

- FRIDAY**

Council participates.

Every year the Houston Livestock Show and Rodeo puts on calf scrambles for 4-H & FFA boys at each of the 14 rodeo performances. There are twelve calves and twenty-four boys in each scramble and every boy who catches a calf is awarded a \$150 certificate which may be used toward the purchase of a beef heifer. These certificates are sponsored by agencies, organizations, and individuals in the Houston area.

This year Eastland County 4-H Club Boy, Bobby Lee, was one of the boys to catch a calf in the Houston event. In order to receive the certificate Bobby must agree to take the heifer he purchases to the Houston Show to exhibit it in 1968. During the period between now and February, 1968, he must send in a monthly report of expenses and also pictures of his heifer so his sponsor can see how the heifer is progressing.

Bobby is the son of Mr. and Mrs. J. G. Lee of Cisco and is a member of the Cisco 4-H Club. He has been a 4-H club member for 4 years and is one of the outstanding young 4-Hers in the county. Bobby has shown numerous livestock at major and local livestock shows this year and in past years. He also has given numerous demonstrations has given valuable assistance to other 4-H club members and adult leaders. He has served as president of his club and is now the president of the Eastland County 4-H Council.

For his aggressive spirit and sure-fire determination we name Bobby Lee, Eastland county's outstanding 4-H'er of the week.

Washington

As It Looks From Here

WASHINGTON, D.C. — The flack and flap over the public disclosure of the subsidization of a number of organizations by the Central Intelligence Agency has been thick and fast these past two weeks.

The director of the CIA was scheduled in advance of this recent publicity to make a periodic report to my Committee. His appearance had nothing to do with the revelation that the CIA, acting through a number of foundations, was contributing funds to certain student, labor and church groups and other organizations with international activities. The Director was to brief the Committee on political conditions around the world as related to our own self interest. Inevitably, however, Committee members' first questions were about the immediate news of the Central Intelligence Agency's operations.

My concern as expressed to the Director was not a criticism of the CIA's purposes and intent but rather whether we had received our money's worth.

In this situation, "Money's worth" cannot be measured in yards, inches, pounds or gallons. It must be measured by the intangible accomplishments of the CIA in combating the ideological advances of communism.

The "Cold War" is as real today as it ever was. In fact by reason of the great scientific advances; by reason of

great strides in transportation and communication, our world gets smaller and smaller. As a result, people are closer and closer together. To relax our guard and not be knowledgeable of the communist conspiracy at home and abroad is to fail in our duty as a Nation to meet the threat.

We live in a world in which ugly mobism is only "democratic protest" in the opinion of some. We see today public officials barely saved from physical violence when facing the beatnik and peacenik; a world in which every agency of Government entrusted with this Country's physical security is physically attacked and smeared; in which night is day and truth is falsehood and patriotism has become a sour note.

On March 12, 1964, this column referred to the great influence of students in foreign countries. The university student in Latin America for instance has always carried a different flag.

that in this country. Presently, however, "campus demonstrations" whose leaders openly wear the symbol of communism are codified and publicized here at home. Now that there is publicity about the attempt of the CIA to have the true spirit of America reported by patriotic students meeting with other students in foreign countries, a few of our "great thinkers" worry about the "integrity of American education."

1700 students at Stanford University listened in civilized fashion to the Vice President of the United States speak on the Viet Nam situation. A mob of 300 outside his car called him a war criminal and shouted that well known slogan "Burn Baby Burn." The decent conduct of the 1700 was not news.

There is comfort in steps taken, as small as they may be, to prevent total capture of the international student movement by the communists.

Anniversary Dinner Tickets Placed on Sale

Tickets for the 45th Anniversary Banquet of the Eastland, Cisco and Ranger Lions Clubs are now on sale in the three towns, and a deadline of March 14 has been set for the purchase of the tickets, it has been announced.

The event will be held at the Eastland Elementary School Cafatorium, beginning at 7 p. m.

Representatives of the three clubs are scheduled to meet Thursday evening at the Village Hotel Coffee Shop in Eastland to map last minute plans for the event.

International President Edward Lindsey of Lawrenceburg, Tenn. will be the featured speaker. Other dignitaries expected to attend are Dave Evans of Texas, first

vice president; and, District Governor Bill Longley of Stamford.

Tickets are \$2.25 each and may be secured from any Lion member. Eubanks of Breckenridge will cater the steak dinner.

Glyn Gilliam of Ranger is in charge of invitations to district officers and Joe Weaver of Cisco is handling invitations to area Lions. Tom B. Stark of Cisco is in charge of ticket sales and C. W. Hoffmann, Jr., of Eastland is making arrangements for the decorations and printing of the program.

U. S. Bond Goal Set At \$370,000 For This County

The 1967 United States Saving bond goal for Eastland County is \$370,000, according to an announcement made by

Mrs. Gay Parker, chairman of the Eastland County Savings Bonds Committee. January sales in the county totaled \$17,267 which represents five percent of the 1967 sales goal. The Texas 1967 saving bond goal is \$181.3 million. E and H sales during the month of January totaled \$15,191,696 which is an increase of 18 percent over January 1966.

"The County Savings Bonds Committee was happy to learn about the new Freedom Shares announced by President Johnson of Feb. 21. They will go on sale May 1, 1967. Freedom Shares along with E and H Savings Bonds this year in supporting our forces in Viet Nam and in helping stabilize the U.S. economy," Chairman Parker stated.

are un - announced, but his family will remain in Brownwood until school is out, he said.

FUNNY WEATHER last weekend gave Eastland Countians a high - 80 degree Saturday, and a temperature plunge Sunday night that brought sleet, snow and what was believed to have been some hail. It did amount to some .70 of an inch of moisture, so you can be sure that was welcome.

A CLIPPING from a Maryland newspaper was handed us by Rancher Sam Kimmell of Cisco. You'll find it interesting, as follows:

Fifty-four years ago, in 1913, a young Congressman drafted an income tax bill. His name: Cordell Hull. The bill provided for a normal tax of one percent. On large incomes it rose as high as six percent. Every taxpayer had a personal exemption of \$3,000 and an additional \$1000 if married. The head of a family who had \$20,000 net annual income had to ante up \$160 to Washington.

A year later a man named Henry Ford, announced that henceforth he would pay his workers a minimum wage of \$5 per day for an 8-hour day—about three times the national average. Which of these events stirred up the greatest furor in the press?

The Henry Ford announcement wins, hands down. Even the war in Mexico moved to the inside pages. Some papers editorialized that the American free enterprise system would be destroyed. Others thought that workers would foolishly squander their money and realize no gain from it. The issue was debated wherever two gathered together. Henry Ford made the working man a buyer of goods, even luxury goods, a "consumer" and an investor. This country, and every other in the world felt the influence of that announcement in Detroit 53 years ago.

Time passed and Cordell Hull became Secretary of State. The basic exemption on the income tax was trimmed 80 percent. The basic tax was increased more than 20 times. The value of the dollar depreciated some 55 percent. At present union plumbers in New York accepted a new contract calling for \$5.50 an hour.

In Washington, however, the talk is of a 5 percent surtax on personal and corporate income in 1967. Businessmen continue to put increasing amounts of money into the pay envelope. But we continue to send men to Washington who take it away even faster.

LVN MEETING

The Licensed Vocational Nurses Association, Division No. 64, will hold its regular meeting Monday, March 13th, at 7 p. m. in the Conference Room at the Eastland Memorial Hospital. All members are urged to attend.

Mr. and Mrs. Eddie Simms, Sharon, and Jerri Beth visited in Fort Worth with their parents, Mr. and Mrs. W. M. Simms and Mr. and Mrs. Frank Hardesty, over the weekend.

**Lions Preview
Graham Picture**

Members of the Eastland Lions Club saw a newsreel presentation of the Billy Graham film, "The Restless Ones" at their regular luncheon meeting, Tuesday.

Dick Dixon, civic club chairman of the full-length premiere showing in Eastland, was program chairman

and introduced the background film.

The future film will be shown at the Majestic Theater in Eastland Tuesday and Wednesday, March 28 and 29, with two showings daily, at 6:15 and 8:30 p. m. Admission will be \$1 per person.

An inter-denomination group requested the film for this county and arrangements are being made with World Wide pictures for the showing, Dixon explained.

Guest was Jimmy Johnson of Strawn, and President Ed Ethridge presided, and reported plans or the appearance here of International President Edward Lindsey who will be the feature speaker at the Eastland - Cisco - Ranger Lions Club 45th Anniversary Banquet to be held at the Eastland Cafetorium March 21. A press conference with the president will be held at 5 p. m.; a reception at the C. W. Hoffman Jr., home

will begin at 6 p. m.; and the banquet will begin at 7 p. m. he explained.

During a board of directors meeting it was voted that the club will hold its annual lightbulb sale in lieu of other fund-raising project which had been discussed earlier.

The Graham preview film is available for public showings throughout the county, and may be secured for 16 mm projection, from Dixon at the Majestic Theater, he

Easter Seal Appeal Letters Delivered

Easter Seal Appeal letters are being delivered this week in Eastland County, according to H. T. Wilson who is the Easter Seal Representative for the Easter Seal Society for Crippled Children and Adults of Texas.

As Representative, Mr. Wilson serves as contact representative for disabled persons needing Easter Seal rehabilitation services and also serves as treasurer of the Easter Seal Appeal in Eastland County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipments loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the

annual Easter Seal Appeal. The Society also provides for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarships for training of professional personnel to staff rehabilitation centers.

Mr. Wilson pointed out that all these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1966, the Texas Easter Seal Society provided treatment and services to 11,043 children and 4,986 adults who were in need of rehabilitation services. These services are available to anyone disabled person who can benefit from help provided by the Easter Seal Society, Mr. Wilson added.

The Easter Seal campaign will run through Easter Sunday, March 26.

Mr. Wilson urged increased support for the Easter Seal Society and its program of services to crippled children and adults.

WHAT IN THE WORLD IS THE RADIAL TIRE?

to buy a set of five radials of the size that corresponds to the conventional tire size specified for your particular make and model car. Recommended pressure (usually two pounds more than specified for conventional tires) should be strictly maintained even though the tires seem too soft.

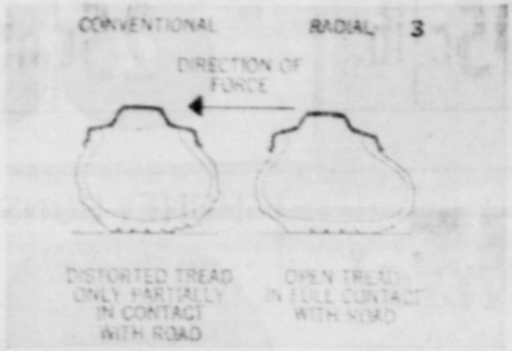

What does all this mean to you? It means a safer tire at less cost per mile. The radial tire will outperform the conventional tire in just about every area: faster stops, more accurate cornering, and more responsive steering. Radials cost from 25 to 40 percent more than conventional tires, but tread life is longer by 60 to 70 percent or more than that of conventional tires.

(No. 2 in a series)
"Performance studies show that steering, road-holding, and cornering are noticeably improved with radial tires." —from an article in the March issue of "Better Homes and Gardens."

skid resistance is maintained throughout the curve, provided speed is not excessive. As further evidence of their superior traction capability, radial tires are as effective in snow as snow tires in most instances.

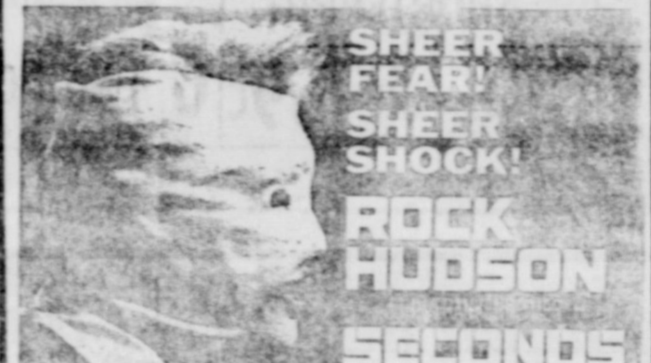

What happens to conventional and radial tires when cornering or rounding a curve? The conventional tire, with its more rigid sidewall, has a tendency to put the stress on the tread and cause further distortion. At the same time, centrifugal force pulls the inside tread edge off the road and results in less tread rubber gripping the surface. The radial tire with its more flexible sidewall bends easily in the direction of the force while the best holds all the tread firmly on the road. There is very little tread distortion and full traction and

corner better with radials. The ideal way to go about the switchover to radials is

You can cook a steak in a Gas Infra-Red broiler before the ice melts.

Put an ice cube on a steak and put the steak in a gas infra-red broiler. The steak will be done before the ice cube melts. That's because gas infra-red broiling is so fast... up to 30% faster than ordinary broiling! And it's smokeless, just like all gas broiling. The flame inside eats up the smoke. And you broil with the broiler door closed with gas. Your kitchen stays cooler and cleaner. See the modern, automatic, economical gas ranges now on sale at gas appliance dealers and LONE STAR GAS.

Harris and Graham Are Briefly Told Saturday

Mrs. J. D. Morehead and Mrs. Leroy Hattball, the former Judy Morehead have been in Eastland the last few days to be with Mr. Morehead who is in the hospital. Mrs. Morehead and Judy have been staying in the home of Mr. and Mrs. Charles Reed.

Mr. and Mrs. L. D. Harris visited with her sister, Mrs. J. E. Adams, and her mother, Mrs. A. A. Reese, of Royce City. They celebrated Mrs. Reese's 91st birthday with her.

Mrs. Clyde Garrett has recently returned from a three weeks visit in Bryan with a daughter and family, Mr. and Mrs. Paul Pate.

Recent guests in the home of Mr. L. A. Greer were a sister, Mrs. H. B. McDowell of Monroe, La. and Mr. G. W. McCoy of Coleman.

Mrs. McDowell was here to be with her father, L. A. Greer, Sr., on his 95th birthday. Mr. Greer received a birthday card from President Lyndon Johnson.

Alabama Youths Lay Out Fines In County Jail

The four young people from Alabama who were arrested on vagrant charges and driving violations Wednesday, March 1, "laid out" their \$30 fine in the County Jail March 5, according to Jailor Shook.

Charged with vagrancy were James R. Reeves, 23; Joyce Duncan, 23, and Clyde Kelly, 19. Gerald Penty, 20 was charged with driving without a license.

All were from Alabama enroute to California. They said there were three couples who left Alabama and that two of the girls left the group en route here.

Rotary Club Hears About Water Pollution

A program on "Water Soil Pollution" concerning local conditions was given by Dr. Dickie Hodges of Ranger at the Rotary meeting last Monday.

Kathy Clark, a student at Eastland High School, was a guest.

Program chairman for the day was Veon Howard and President Roland McFarland presided.

It was announced that a joint meeting will be held Monday, March 20, at Lone Cedar Country Club beginning at 7 p. m.

Mrs. James P. Morris, instructor at Ranger Junior College who teaches American History and Literature, will present the program.

Mrs. Morris holds a B. A. and M. A. degree and is well underway to a PHD degree. She has attended the University of Colorado, the University of California and the University of London (England).

A graduate of the University of Texas, she has done post graduate work at TCU. In the summer of 1966, she spent six weeks in Russia and other satellite countries as a part of the study towards her PHD degree.

Mrs. Morris has toured most of Europe and is in much demand as a book reviewer as well as a speaker on subjects of travel.

The Ranger Rotary Club will host the meeting for the four cities, Eastland, Ranger, Cisco and Breckenridge.

On the Planning Committee are John C. Foster of Ranger, Edgar Cain of Breckenridge, Eris Ritchie of Cisco and Grover Hallmark of Eastland.

Visiting in the home of Mrs. J. M. Gray Tuesday will be a daughter and family, Rev. and Mrs. J. A. Lovell of Dallas. A recent guest was Mrs. J. H. Pollard of Strawn.
