HOMEMAKERS HINTS

By JANET MEYERS
Home Demonstration Agent

This week the County Home Demonstration Agent was out in the Scranton community for their regular monthly business meeting at which time Scranton community leaders presented their \$25 award and certificate of appreciation for work they had accomplished this year in the Community Improvement Contest.

Scranton community club members presented their district singing contest and Nimrod singing sixth. One hundred eight communities in 67 counties received cash awards this year in the Texas Community Improvement Contest which is sponsored by the Texas Agriculture Extension Service and electric utility companies.

During the business session, a list of new officers was presented and elected: President, Mrs. E. G. Johnson; Vice-President, Mrs. B. O. Angle; Secretary, Mrs. P. Ray; Treasurer, Mrs. Violet Gattis; Reporter, Mrs. Bill Houston; Chairman of the Organizing Committee, Mrs. Ray.

With the Scranton and Nimrod community organizations active groups with much work being accomplished by these community leaders.

making plans for their 4-County Camp to be held July 6th in Comanche this year. Eastland County along with Comanche, Brown, and Mills counties make this an annual affair — and counties alternate as hostess for the all day meeting each year.

Besides being an educational day, the ladies will share handicraft ideas. Mrs. Joe Bond, Olden, will demonstrate to the group the making of leather flowers. Others will display crafts.

All County home demonstration ladies are urged to attend 4-County Camp on July 6 in Comanche.

The worth of a housewife is going up! A housewife is worth \$8,300. She may be priceless — but in dollars and cents, at least \$8,300 would have to be shelled out to get someone to take over the different jobs — some 12 in all — she fulfills at one time or another. These are the major conclusions of a survey undertaken by Envoy, a new monthly magazine. It shows that she spends most of her time each week as a nursemaid and cook. In addition though less regularly — she also puts in time as a dietitian, food buyer, dishwasher, laundress, seamstress, practical nurse, maintenance man, gardener and chauffeur.

Make It Yourself With Wool' Contest Forms Are Available

Rules and entry forms for the 1967-68 "Make It Yourself With Wool" contest have been delivered in the County Home Demonstration Office, Janet Meyers, County Home Demonstration Agent, has announced. Those participating in the program as contestants must make a garment of 100 per cent wool, knitted or knotted America. This garment may be a dress, coat or suit for occasion. Imported fabrics or fabrics that contain

more than five percent of a fiber other than wool are not accepted.

This contest is open to adults as well as young girls from 10-21 years of age. Participants in the program do not have to be enrolled in a clothing class or club to participate.

Date of competition is December 2, 1967, on the campus of Texas Women's University, Denton, Texas. National awards include college scholarships, and a free expense paid trip to Athens, Creek Isles, Rome and Madrid.

Additional information may be received by contacting the County Home Demonstration Agents, Telephone 629-1729, Eastland.

Marine Private First Class Rodney L. McCoy, son of Mr. and Mrs. Clarence L. McCoy of 108 New St., Eastland, has completed four weeks of individual combat training at the Marine Corps Base, Camp Pendleton, California.

He will now receive at least four weeks of specialist training before being assigned to his first permanent unit. Marines going to combat units will get detailed training in the particular combat skill they are designated for. Those who are going into the field will receive their advanced training at one of a variety of technical schools throughout the country.

TIDBITS . . .

(Continued from Page 1.) AS SUMMER officially hits town and the really hot days set in, it might be well to consider these refreshing lines by a local:

LEAVES
Green and tender young leaves on a tree.
Their beauty is adored by you and me.
Then the change to a brilliant gold;
Not far off is winter's biting cold.
And as we watch as they become a gorgeous red.
We see the geese now fly overhead.
Now a faded, brittle brown,
Mournful they fall, hurling their rasping voices to the ground.
Then as the north winds blow,
They respectfully make their bed for the snow. — Glen Bryant.

MARRIAGE VOWS

Mrs. Prudie Gibson and Mr. Wilson Watson were married June 12 in the Miller Heights Baptist Church at Belton, with the Rev. David Shuttleworth, pastor of the church, officiating.
