CIRCLE OCT. 25 on your calendar and keep it open; that's the date for the Fall Festival in Eastland. The Parent-Teacher Organization will be announcing big plans soon.

GOOD NEWS is reporting that young Randy Boles is home from Temple and easing back into his high school schedule, which will include football.

LIONS SAW films of the Eastland-Ranger grid clash on Tuesday with Everett Plowman in charge of the program, and you know what? Eastland won in the film too. Visitors were Raymond Cox, O. L. Stamey, Tom Stark and R. W. Merrett, all of Cisco. . . . Guests are always welcome, but especially next Tuesday noon when Mr. Earnest Sneed will speak for the Lions on the subject: "What can I do to help attract industry to Eastland?"

MRS. FAK GRANT, social security representative, reports her Courthouse Eastland 10 a. m. schedule as follows: Oct. 6 and 20; Nov. 3 and 17; and Dec. 1, 15 and 29.

MR. CURLEY MAYNARD over at King Motor Co. has a curiosity that many will want to drop in to inspect. It's a giant, four-foot photo of a dedication of some 500 men and women attending the Texas Fox and Wolf Hunters Association meeting at Leary (near here) on April 1, 1924. Out front is seen B. B. Crime, noted evangelist who was holding a revival in Eastland at the time. Curley's brother, the late Sam Maynard is shown as one of the judges. This particular photo was discovered in an old house in Breckenridge and given to Toby Boles who lives near where the oil-boom town of Leary once stood.

DALE BAKKER of Arrington Funeral Home reports that the historic 1934 Studebaker hearse belonging to the Home is now on permanent display at a Dallas museum. The museum people drove it from Eastland after a little water-pump cleaning.

RE-REMINDER: We're always glad to receive letters and run 'em everyone. WHEN the writer let's us know who they are, we'll honor requests to withhold names, but we must know who the writers are. We'll keep the unwanted ones on hand for a short time.

THE 4 PARSONS (Henry, Neta Fay, Michael and Mark) write from their new home at Irving, that they were down for the Ranger-Eastland football game (that's 140 miles) and regardless where they may live, they'll always consider Eastland home.

VISIT HERE Weekend guest in the home of Mrs. Etta Johnson were her daughter, Mrs. Barbara Jones of Longview and Mrs. Reba Phillips of Gladewater, who were on their way to give china painting demonstrations in Pecos and Hobbs, N.M.

I just wanted to write you a short note expressing the fact that I have no objection to the astronauts of the future being granted the right to read aloud from the Holy Bible while in the midst of a space mission.
It is my opinion that to deny this privilege would be in direct conflict with our democratic way of life. Rather than continue to negate a means of spiritual inspiration in areas of public life, we would hope for the basic freedom of each individual to worship if he chooses.

Thank you for considering this letter.

Sincerely,

Wolverines Whip Sidney

The Carbon Wolverines defeated Sidney 46-8 Saturday night and continue to be undefeated this season.
Wolverine Quarterback Larry Stubblefield zeroed to toss touchdown passes of 5 yds and 20 yards to Duward Webb and Bobby Carlton.
Carlton threw a touchdown pass of 15 yds to Duward Webb and 30 yds to Donald Hughes. Carlton picked up 119 yards rushing including a 49-yd scoring run. Donald Hughes scored again on a 255-yd run and kicked 2 extra point goals.
Carbon completed 17 of 23 passes and intercepted 7 on defense.
Carbon's game with Gustine this week has been cancelled due to the death of one of the Gustine players Monday. Instead the Wolverines will play Milford at Iradell Friday at 8 p.m.

Annual Day for Miss Sallie Day To Be Sunday

Another year has passed by swiftly and it is time again to remember Miss Sallie Day's birthday. Her nieces and nephews have planned a party for her in the sitting room of Hickman Nursing Home, Sunday, October 5, from 1 to 3 p.m.
"I want to see them all" are the words that Miss Sallie has been repeating many times in the last few months, and this means all friends and relatives are welcome. She is looking forward to the occasion and she says, "I am from the old school of Reading, Writing, and Remembering. Remembering that is to invite you to my Birthday Party, Sunday, October 5, Hickman Nursing Home in Eastland, 1 to 3 p.m. Now don't go around trying to find out my age. There is no courthouse, newspaper, radio, TV, or computer to tell you. I've seen them all some and the Indians all go. I'll tell you this though I once admitted to 29 and in 1900 to 30."
Will she miss you if you are not there? Yes, and she will ask you're not there, too. Her family says, "Come and make Aunt Sallie's birthday a happy day."

A ROTARY CAVEL — H. T. Wilson of the Eastland Rotary Club displays a "king-size" gavel recently found on his desk. Story behind the some 150-pound gavel goes something like this: R. W. Merket of Cisco recently craft two beautiful pecanwood gavels (standard size) for the Eastland Lions Club to present to visiting Foreign Exchange Students. After seeing the fine handwork, Mr. Wilson commented in passing, to his associate, Mr. James McCracken of the Cisco Lions Club, that the Eastland Rotary Club would certainly appreciate a similar token, adding in jest, that "of course, the Rotary gavels would have to be even more impressive." This one mysteriously appeared Tuesday morning and Mr. Wilson agreed "it's impressive."

The Eastland Mavericks go to De Leon Friday night to face another top-ranked Class A challenger. Game time is 8 p.m.

The De Leon Bearcats of District 10-A opened their season with a loss to Hamilton, but have come on strong the past two weeks with impressive victories over Comanche (38-7) and Gorman (22-0).

The Mavericks are averaging over 50 points a game and will be heavy favorites, but Head Coach Shirley Frazier warns that the team will have to play a better ballgame than they did last week against Baird. Despite their high scores, the Mavericks have been penalized over 100 yards in each of their games.

The Bearcats played three quarters of tough football against the Mavericks last year and lost only four starters from that squad.

Top players for De Leon are Quarterback Herman Harding, 6'3", 185 lbs. and Halfback Rocky Bunting, 5', 170 lbs. Harding is an excellent runner and passer, and Bunting leads the team in scoring and rushing.

Indications are that the Bearcats think that they are ready to play and will be mentally "hip" for the game. A lot of paint has been sold in De Leon.

Coach Frazier singled out two Maverick offensive linemen Bill Hart, Ricky Culpepper, Alex Jimenez, Phillip Smith and Phillip Harrison for the good job they did against Baird. Their outstanding pass protection allowed Maverick Quarterbacks Craig Lund and Ron McCleskey to complete 5 of 7 passes.

The Eastland Junior High and High School Junior Varsity teams do not play this week. Their next games are Oct. 9 in Clyde beginning at 5 p.m.

ODE TO THE MAVS

In 1969—The Young Mavs are looking fine. Coach Frasier says the kids look great. Looks like they might go on to State. Dublin, Cross Plains & Ranger fell by the way. Looks like the Mavs are here to stay.

This Friday nite the Mavs journey to Baird. From all indications the Bears will run scared. When the last gun has sounded which will be very late. All the Mav Boosters will be hollering— "On To State."

The following week its DeLeon, another mean bunch.

But according to statistics, the Mavs will eat their sack lunch.

The Albany Lions will next meet their fate. The Eastland Boosters yell "On To State." From the looks of things it's the Mav's all the way.

But, wait just a minute, the fans forgot about 8AA.

SALES TAX RATES GIVEN

The state sales tax which became effective at 12:01 Wednesday changes computation to the following scale:

AMOUNT OF SALE	TAX
\$.01-11	No Tax
" 12-35	1
" 36-59	2
" 60-82	3
" 83-105	4
" 106-129	5
" 130-152	6

In computing the tax on sales above this amount, the computation is to be made by multiplying .0425 by the amount of the sale. Any fraction of penny less than half a cent shall not be collected. Any fraction of one-half of one cent or more shall be collected as a whole cent of tax.

Rebekah Group Has Meeting in Clifton Home

The Rebekah Group of the CWF of First Christian Church met Monday afternoon in the home of Mrs. B. H. Clifton, with Mrs. George Sallee, chairman, presiding. The open-

ing prayer was led by Mrs. Curtis Young, CWF president. Minutes of the previous meeting and correspondence were read by Mrs. May Wood. Cards were sent to sick and shut-in members of the church.

The group voted to sew new clothing for five girls at the Juliette Fowier Home in Dallas. Mrs. Omie White displayed six dresses and four pairs of pajamas she has already made.

Mrs. Christene Beskow gave the devotional, "They Did Not Bloom."

The lesson, taken from the book of James, was taught by Mrs. Eugene Williams, assisted by Mrs. W. Q. Verner.

The group will meet at 3 p.m. October 13, in the home of Mrs. White.

Mrs. Clifton served cake, ice cream, cheese and crackers, potato chips, coffee and neograde.

Present were Mrs. C. M. Oakley, White, Porter Woods, Sallee, Lela Malone, Beskow, Fred Maxey, Verner, Williams, Young, Guy Robinson, and Clifton.

Baird Homecoming Set For Oct. 11

The only football game between two Callahan County teams will be that between Cross Plains and Baird Saturday, Oct. 11, in the county seat city. The contest is scheduled to coincide with the annual homecoming of the former students of Baird school.

Frankie Crow, president of the Ex-Student Association, and other officers have completed plans for the homecoming.

A coffee will be held from 10 to 11:30 a.m. in the school cafeteria and registration will begin at the high school at 1:30 p.m. The business session and recognition of classes and teachers will begin at 2:30 p.m.

The speaker for the program will be Dr. Cecil Thompson, Class of '54, who is now professor of physics at the University of Texas at Arlington.

A supper will be served for \$1.50 a plate in the cafeteria beginning at 5:30 p.m. Kick-off time for the Baird and Cross Plains football game will be 8 p.m.

A social will be held at the American Legion Building in Baird after the game.

Cohen Resigns to Attend School

Robert Cohen, assistant county agent, has resigned effective September 30, to continue his education at Texas A&M.

County Judge Scott Bailey said the Commissioners Court hopes to find a replacement for Cohen in the near future.

DRAWING TOWARD GOD
 The Art and Inspiration of **JACK HAMM**

Introduction by CHARLES SCHULZ
 Creator of "PEANUTS"

DRAWING TOWARD GOD is a book designed to apply scriptural truth to
 everyday living. By means of some 80 full-page drawings interspersed in the text, the
 reader is led to reflect with the artist-author on the great issues of life. Over a billion
 impressions of Jack Hamm's religious art have been printed in the U. S. and 17
 foreign countries. For the first time he sets down his reasons behind the drawings.
 Winner of four national cartooning awards, Hamm contends that the nature of God
 and man's nature need to be, and can be, related one to the other.

"Jack Hamm has a way of using his brush, crayon, and
 pencil to set through to some of the great theological truths that
 concern us all. This is a marvelous book for individual medita-
 tion, or for any group of dedicated people who wish to have
 a guide to promote inspirational discussion. Jack has a rich
 imagination and a fine sense of fundamentals. We have been
 blessed in our world with many great editorial cartoonists, but
 I know of no other man who has been able to turn his talent
 to interpreting religious truths as has Jack Hamm."
 FROM THE INTRODUCTION
 BY CHARLES M. SCHULZ
 Creator of "Peanuts"

"I like the work of Jack Hamm. He has a great gift for
 picturing, and therefore making simple, important truths that
 would be difficult to express in words."
 DR. NORMAN VINCENT PEARL

"A fine artistic portrayal . . . bringing the inspirational
 Word of God into American homes."
 J. EDGAR HOOVER
 Director of F. B. I.

"The most difficult task for a cartoonist is to obtain a
 point of view over a long period of time, even when the subject
 is the Word of God. Jack Hamm has kept his work in such
 sharp focus that it sustains the believer among his readers
 and most certainly gives hope to those who need it."
 MILTON CANIFF
 Creator of "Steve Canyon"

"Jack Hamm is helping to create a moral and spiritual
 atmosphere throughout the United States."
 BILLY GRAMM

"How better to reach people of all ages than with the
 Christian scriptures retold in timely pictures."
 PAUL HARVEY

If you don't know the answer, you don't really know the Texas Plains.
 But let's give you another chance. Try this quiz on for size.

1. What is a dust devil and where can you see one?
2. Where can you take a picture of the life-size "Monument to a Lule"?
3. Old-time desperados who were slow on the draw ended up under what hill?

Still puzzled? Then take a "discovery trip" soon. Before you start travel-

THE GORDON SPOT

By De GORDON
Eastland County Agent

A range management short course was the first of several educational activities sponsored by the Extension Service recently. About twenty-five men attended two sessions on Sept. 10 and 11. Dr. Bobby Ragsdale, Extension Range Specialist from Texas A&M, presented some good information on brush control—the first session. He said brush control was worthless unless it was followed by

good range management. In the second session he discussed stocking rates and deferred grazing programs. He illustrated how a rancher could use deferred rotation with four pastures, three pastures or two pastures. We appreciate the interest that Bernard and Minton Hanna showed in the short course. They provided coffee and cookies as refreshments.

The annual county pecan tour was conducted Friday, Sept. 12. We visited in the or-

chards of Mrs. L. S. Webster, Tom Birdsong, Charlie Underwood and Check Smith, all near Gorman. These orchards have a pretty good crop of pecans. It appears the quality will be extremely good. A large pecan crop is not expected in the county this year. Our growers over the county report they have only a 20 percent crop this year. The Texas Crop and Livestock Reporting Service forecast the Texas pecan crop at 33 million pounds. Last year Texas pecan producers harvested 69 million pounds of pecans.

After the noon meeting the pecan growers toured Chester Marrs' pecan orchard at Chaney. He has a much smaller crop than has been produced during the past two years. Dr. J. W. Worthington, Extension Horticulturist; D. R. Jerral Johnson, Extension Plant Pathologist; and Tom Denman, Experiment Station Horticulturist, were with the growers on the tour. They discussed insects, diseases and weed control in pecan orchards.

Another recent educational activity was the leadership training workshop conducted at Cisco Junior College, Sept. 15 and 16. Speakers during the first session included County School Superintendent O. L. Stamey, Dr. O. B. Clifton of Texas A&M and B. A. Butler Cisco and Rising Star newspaper editor. Tuesday night Miss Emogene Emery, parliamentarian from Hardin-Simmons taught practical parliamentary procedure. Because of the outstanding instructors the short course provided some very good training. We had hoped that more people would take advantage of the training. About twenty five people attended each session.

Miss Martha Graves of Cisco Jr. College did a lot of work to make the training possible. Others who helped included Mr. and Mrs. Arlin Birt of Cisco, Mr. and Mrs. Herman Schaefer of Nimrod, Jack Cozart of Nimrod and Sam Kimmell of Cisco.

I've seen some lawns recently that were damaged by chinch bugs. The insect is primarily a pest of St. Augustine lawns. The adult chinch bug is 1-6 to 1-5 inch long with black body and reddish-yellow legs. They cause brown areas in the lawn. The insecticides recommended for the control of chinch bugs are Diazinon, Fithion, Aspon, and Carbofenthoion (Triphion). Granular materials are preferred. Fertilizer applicators work well in applying granular insecticides. Sprays are effective, but require more time and effort.

Letters TO THE EDITOR

I thought you might like to see a copy of a letter I've sent to Mrs. O'Hare and to others:

I just heard your long line of propaganda over the radio again this morning and I thought I would write you a letter. I believe that you are 100%, that's right, one-hundred per-cent out in left field. Why God put you on this earth, I don't understand; but I do know that He had a reason.

I believe He had the purpose of getting the Christian people united, and that is exactly what you are doing.

In a short period of time, I believe that you will be completely out of the picture as far as publicity on you and your efforts. I would like to see you try and stop my child from praying in school. I just don't believe that you are quite big enough to do that.

It is rather stupid in my opinion, to start a suit against a school for having prayer, because others might have to listen to it. Lady, let me tell you another thing or two; if it had not been for my or your forefathers praying and worship in planning our country, we wouldn't be able to have the freedom that we exercise today.

My father fought for this country during World War II and was injured during the war. He passed away this past year, a Christian Man, thank GOD for that, and do you know that my Father never regretted a day in his life that he fought that I and many other people of our nation might have the freedom to PRAY, and read from our HOLY BIBLE.

I know of many men that paid a supreme sacrifice also. Have you ever visited with widows and children without daddies? You should! Further more I support the astronauts reading from the Holy Bible and having Prayer if they so choose to do on a space mission.

If you ARE NOT FORCED TO DO IT ARE YOU ????

Mrs. O'Hare, if you don't know CHRIST as your personal SAVIOUR, I would suggest that you might get on your knees right now and ask for forgiveness, you know our CHRIST is so wonderful HE accepts people like you also. Sincerely, Don Baird, 207 So. Oaklawn Eastland, Texas
