

No Typhus Found In Flea Tests

A test of fleas here has failed to disclose any typhus or bubonic plague carriers so far, V. A. Cross, typhus control director has reported.

Tests have been underway during the past week by the state health department and the US public health service. They were started as a result of discovery of flea carriers of the plague in an area northwest of Big Spring along the New Mexico line.

Only a few common dog fleas and sand fleas were found here, Cross said, and it is believed that most of them have been destroyed. Through cooperation of the state health department, 1,600 pounds of DDT have been used in extermination proceedings.

At present there is no indication that Big Spring might experience an epidemic of either typhus or bubonic plague, Cross said, but the next three months will be the crucial period. If the people continue to cooperate with the typhus control program as they have through the first part of the summer, no danger is anticipated, he said.

In 1826, New York had 200 inhabitants.

Cap Rock Plans Line Extensions With New Loan

Seventy-three miles of additional lines, principally in Howard county, will be provided by approval of a \$80,000 loan by REA to the Cap Rock Electric Cooperative.

The Cap Rock loan was announced yesterday in Washington along with \$260,000 for the Concho Valley Electric Cooperative, San Angelo, and \$300,000 for Kimble Electric Cooperative, Junction City. These were among 14 loans announced by REA.

O. B. Bryan, superintendent of the Cap Rock Cooperative, said in Stanton Tuesday that the latest approval would care for some five miles of lines in Martin county, 12 in Midland county and the balance in Howard county, south of Elbow, around Vealmoor and Knott.

The loan was in addition to a \$150,000 one announced a month ago, and Bryan anticipated approval would be forthcoming on still another within about a month. Currently funds have been approved to extend service to some 250 more customers, but Cap Rock still has some 250 other applications on file.

Workers now are well along on an extension of 25 to 30 miles to the Morgan community in northeast Howard county and have completed and energized approximately 30 miles south of Knott in the northwestern part of Howard county.

Cap Rock now serves 1,350 customers along 650 miles of line.

Duff Appointed Wool And Sheep Specialist

Berry M. Duff, former Big Spring resident and county agent for Sutton and Glasscock counties, has been appointed wool and sheep specialist of the Colorado A&M extension service.

He is a graduate of Sweetwater high school, attended Texas Tech and graduated from the University of Wyoming at Laramie after majoring in wool and sheep work. More recently he has been with the United States Testing company of Hoboken, N. J., as a core testing supervisor for wool shrinkage, a post he assumed after leaving Garden City. Duff's headquarters will be at Fort Collins, Colo.

Bus Skids, Overturns, Several Passengers Injured To Hospital

CHICAGO, Aug. 6 (AP)—Four of 38 passengers who were injured last night when a Greyhound bus skidded on a wet pavement and overturned on the beach of Lake Michigan remained in hospitals today. None, however, was in serious condition.

The 34 other passengers were treated for cuts and bruises and released from two South Side hospitals. All the passengers, imperiled by the threat of possible fire as gasoline drenched the bus, were rescued by policemen, firemen and bathers who smashed windows in the overturned bus and assisted them to climb out. The bus driver, Ralph A. Rodgers, 41, of Maumee, O., who awaited arraignment in safety court on a charge of reckless driving, told police the bus went out of control as he approached a curve. He suffered minor injuries.

Typhus In Italy

ROME, Aug. 6 (AP)—A thousand persons have been stricken by typhus at the shore resort of Diana Marina near Genoa, the newspaper Il Tempo said today. Nine have died so far in the epidemic, attributed to the drinking water, the dispatch said.

The bus, which left New York Sunday, was within a few miles of the downtown station when the accident occurred on south 87th street in Jackson Park.

Worrell Elected Hi-Y President

Electing George Worrell president, a group of Big Spring boys today organized the first chapter of the proposed Hi-Y, under sponsorship of the YMCA.

Other officers chosen were John Richard Coffee, first vice-president; Don Wilkes, secretary-treasurer; John A. Coffee will serve as advisor of the group.

On the charter membership list are Billy Bob Watson, Gib Sawtelle, Charles Wheeler and Bobby Blum.

Announcement was made at the meeting that Bobby Blum and John Richard Coffee will make a Canadian canoe trip late this month with Don Newton, regional field representative of YMCA's Southwestern region.

Goree Man Chosen Head Of Ginners

Orb Kaufman of Goree was elected to succeed H. G. Keaton of Big Spring as president of the West Texas Cotton Ginners association Monday in the annual meeting at Abilene.

Named to the board of directors were S. N. Reed, O'Brien; H. H. Anderson, Merkel; J. D. Montgomery, Sweetwater; W. D. Watkins, Abilene; L. S. Howard, Roscoe, and Keaton.

Discussions were held at the meeting on lowering production costs of cotton to compete with other commodities in world trade, establishing one-variety cotton centers, control of insects, etc.

Sheppard Outlines History Of SA For Brotherhood

History and objectives of the Salvation Army were presented by Capt. Olvy Sheppard, head of the SA work here, in an address before the First Baptist Brotherhood Monday evening.

From the inception of the work by William Booth, the basic aim of the SA is to lift individuals from one plane of living to a higher one and to save souls. Motivating force of the program, said Capt. Sheppard, is "show forth Christ." To accomplish this, work is carried on in many fields of social work also, including music, recreation, youth meetings, homes for unmarried mothers, feeding, clothing and sheltering the unfortunate, working on prison and parole, etc.

Dr. P. D. O'Brien, pastor of the First Baptist church, reported on encouraging response at weekly services at the city jail and said the county had now invited similar services.

George Melear was named as chairman of the Brotherhood committee which is to confer with others in the city in arranging for an evening meal for the district Brotherhood jubilee here, possibly on Oct. 29.

Reporting on a revival at the Latin-American church, in which the Brotherhood is interested, Ernest Hock said 13 conversions had been reported by Trinidad Como, pastor. Music for the meeting was furnished by Roy Rogan, saxophonist, accompanied by Mrs. H. M. Jarratt, and the men's chorus, also accompanied by Mrs. Jarratt. Cecil Collins, president, was in charge.

Markets

NEW YORK, Aug. 6 (AP)—Steels and motors led the stock market into lower average territory today although a few favorites managed to contest the move with some success.

Profits again were cashed on the recent lengthy recovery with the idea that the list may have become a bit exhausted and was due for an intermediate reaction. Dividends and earnings still were bullish but several stocks involved failed to respond.

Dealings, generally slow from the start, picked up at intervals. Declines of fractions to 2 or more points were well in the majority near the fourth hour with comebacks appearing here and there.

Prominent on the offside were US Steel, Bethlehem, Chrysler, General Motors, Electric Power & Light, Santa Fe, Union Pacific, American Water Works, Allied Chemical, Anaconda and US Gypsum. Higher tendencies were shown for Paramount Pictures, American Woolen and Texas Co. Bonds were narrow.

Mrs. Edna Klahr Victim Of Death

Funeral services will be conducted at the Eberley funeral chapel Wednesday at 10 a. m. for Mrs. Edna Bell Klahr, 56, who succumbed at her home 13 miles south of Big Spring, early Sunday.

Mrs. Klahr was born April 1, 1890, in Kentucky and has resided in this area since 1937.

Survivors include her husband, F. J. Klahr; three sons, Cecil of Kermitt, Roy of Big Spring and Delmar of Forsan; three daughters, Mrs. Vivian Kline of Ohio, Mrs. Mary Kolesar of Indiana and Janette Klahr of Forsan; two sisters-in-law, Sadie Klahr of Casper, Wyo., and Mrs. Estah Feaster of Ville Platte, La. Also surviving are three grandchildren.

Services will be conducted by Bob Euell, pastor of the Forsan Church of Christ, and John Cardwell will be in charge of music.

Pallbearers include B. E. Campbell, Harry Miller, D. F. Yarbrow, O. F. Griffith, E. B. Thorpe and J. D. Gilmore.

Interment will be in the local cemetery.

Varied Speeches At Toastmasters Club

Varied subjects again featured the program of the Toastmasters club Monday evening at the Episcopal parish house.

Otis Grafe, in a five-minute talk, pointed out that democratic government could be no stronger than an informed electorate, and W. F. Jackson recalled how occupational peculiarities resulted in discoveries. In the 10-minute address, John Coffee used quotations from Ben Franklin as the basis of a message on thrift.

Franklin Nugent proposed the table topic: "Communism." He also served as general critic, assisted by Schley Riley, B. J. McDaniel and D. M. McKinney. Jake Johnson was toastmaster. Guests included Ben LeFever, Dr. G. E. Peacock and Dr. Leo DeFio.

Scout Honor Court Scheduled Tonight

The regular court of honor for Big Spring boy scouts will be held in the high school gymnasium tonight at 8 o'clock with W. C. Blankenship in charge.

Several advancements in rating and merit badges are to be awarded on the program.

Aged Man Found Dead In Hotel

A verdict of death "from causes unknown" was returned by Justice of Peace Walter Grice this morning following the discovery of the body of an aged Brownfield man in a local hotel room this morning.

The deceased was J. J. Johnson, about 70 years of age, who apparently died sometime Monday night. He last was seen between 4 and 5 p. m. Monday, at which time he announced he was retiring to his room.

A bottle of poison was found near the body but there was no indication that Johnson had taken his own life.

Johnson registered here Sunday, Aug. 4, the hotel clerk on duty told police.

Services are being held up, pending word from relatives in Brownfield.

Driver ants can cross streams by forming their bodies into compact balls.

Saturday Deadline For Scouts To Sign For Stockton Camp

Big Spring boy scouts must register by Saturday in order to attend the water activities camp at Fort Stockton park Aug. 12-17, H. D. Norris, scout executive, reminded today.

A bus from Colorado City will furnish transportation. Scheduled to leave Colorado City at 8 a. m. Monday, the bus will pick up scouts at Coahoma at 8:30, Big Spring at 9, Stanton at 9:45 and Midland at 10 a. m. The fare for each scout will be \$2 in addition to the regular \$7 registration fee.

Lewis Fendergrass of Sweetwater will be in charge of Red Cross swimming and life saving instruction at the camp, Norris said. On the staff of instructors will be Bobo Hardy and Eddie Houser of Big Spring and Fisher Mays of Sweetwater. Scouts attending the camp can qualify for certain Red Cross certificates as well as swimming and life saving merit badges.

Cotton

NEW YORK, Aug. 6 (AP)—Scattered commission house liquidation and hedging developed a reactionary trend in the cotton futures market today. The selling was inspired partly by the fact that some trade quarters revised upwards their ideas on the 1946 cotton crop.

Offerings were absorbed principally through scaled down mill buying. The volume of trading was light, pending the approaching government forecast on the 1946 crop on Thursday of this week.

Two private estimates issued overnight placed the crop at 9,445,000 bales and 9,768,000 bales, compared with 1945 production of 9,015,000 bales.

Big Spring Hardware Stocks A Few Hard-To-Get Items, More On Way

Although major appliances still are arriving slowly in comparison to demand, Big Spring Hardware company has made rapid strides during the past few weeks in delivery and installation of many "hard-to-get" items.

Some Bendix and Maytag washing machines are being delivered each month, and the sporting goods situation is gradually improving. However, articles requiring technical skill in manufacturing, such as reels, guns, etc., still are listed as critically short. The outlook for ammunition, which has been short all along,

indicates that it will continue to reach the market slowly for another year.

The smart, new Zenith radios are arriving at Big Spring Hardware with more regularity, but in small quantities. Admiral refrigerators, and both butane and natural gas ranges continue to arrive slowly.

The outlook for plumbing supplies has not improved appreciably, with soil pipe and fixtures remaining on the critical list.

On the brighter side, Big Spring Hardware has been able to make good delivery on a number of air conditioners. They are offering a complete stock of both the window type and larger units, but some limitation continues on all types.

Fluorescent lighting fixtures, for both home and commercial installation, are available now.

Water well equipment, which normally is represented with a complete stock at Big Spring Hardware, still is arriving slowly, but the supply is improving.

Big Spring Hardware offers appliances only from nationally advertised manufacturers, which provide the widest selection available at all times. Included on the list are the best known manufacturers in America.

Bonnie Lee Shop Specializes In Cool Hair-Do's

Hot dry weather is a time when many women find their hair is lifeless, dull and crackly from the heat, but oily near the scalp from perspiration.

Such conditions can do serious damage to a woman's looks, making her feel hot and tired instead of cool and serene, as she can feel when she knows her hair is comfortably and beautifully arranged.

For that summer perk-up then, women are urged to come in to the Bonnie Lee Beauty shop for consultation and improvement. Located at 308 Austin, the Bonnie Lee shop is specializing in cool hairdos, facials and scalp treatments for summer.

A feature this month is the Rilling Kooler Wave, using a fluid which has been found both gentle and curling. Machineless in type, the Rilling Kooler Wave can be given conveniently and inexpensively by expert operators.

With the installation of a new air-conditioner, the patrons of the Bonnie Lee shop need no longer dread those long hot minutes under the dryer during August afternoons. It's both comfortable and cool to relax there and surrender to the gentle hands of the operators.

Operators on duty now include the manager, Mrs. Ida Hughes, Maude Cole, Eleanor Thomas and Bonnie Mae Smith. All members of the local organization of beauticians, they remind customers that full charge will be made for any appointment that has not been broken three hours beforehand, according to a rule adopted by operators all over town.

CONVENIENT, COMPLETE—These two words tersely sum up advantages scores of people have found in trading at the Thornton Food store at Eleventh Place and Donley. Well located for people in the southeastern part of Big Spring, the store offers plenty of handy parking space. Inside, the new building offers convenient arrangements for shoppers and stocks are complete, making it possible to get almost any commodity to be found in downtown stores. (Jack M. Haynes Photo).

Thomas Typewriter Exchange Tries To Keep Office Supplies In Stock

"We try to look ahead for the benefit of our customers," Eugene Thomas of the Typewriter Exchange said last week, "but some items in office supplies are harder to get now than any time during the war."

However, Thomas has managed to stock ahead in order to be able to furnish his patrons with the items they must have. Ledger sheets are one of the items coming in so slowly now, especially in the more popular numbers. Yet Thomas is able to furnish an ample supply in all but a few sizes in both sheets and binders.

University Student Dies Of Injuries

DALLAS, Aug. 6 (AP)—Funeral services were to be held here this afternoon for William Madison Johnson, Jr., 20, University of Texas student who died in a local hospital yesterday from injuries received last week in an automobile accident at Breckenridge.

A junior at the university, Johnson was formerly sports editor and night editor of the Daily Texan, university newspaper.

He was the son of Mr. and Mrs. W. M. Johnson of Dallas.

Boy Killed Struck By Car On Highway

SANTA ROSA, N. M., Aug. 6 (AP)—David Elmer Prindle, 16, of Sundown, Tex., was killed yesterday when struck by a passing automobile as he was returning to his parents' parked car 46 miles west of here on U. S. Highway 66.

A coroner's jury found that he died after being struck by a car driven by C. J. Van Osten, 39, of Los Angeles "in an unavoidable accident." The jury was told the youth stepped into the car's path. He was the son of Mr. and Mrs. Neil Prindle.

Locals Search For Cooler Climates; WMS Groups Hold Meets

Soaring temperatures have sent local residents searching for cooler spots to spend their vacations and weekends, but not even the extremely warm weather has withered prospects of numerous visitors who are beginning to arrive in town for the annual rodeo.

Guests in the James Roy Clark home include Dorothy Withill of Waco and Katy Sue Swanzey of Bay City. Mrs. Clark will leave Thursday for Houston where she will visit friends and relatives.

Several members of the local Sub Deb club spent this weekend in Christoval.

Eunice Fay and Wanda Sue Wheat, nieces of Mrs. Ollie Anderson, have returned to Dallas after a visit here. Joyce Ann Anderson accompanied them home and will remain for about a week.

Mr. and Mrs. T. G. Adams have had as guests from Lubbock Mrs. Maybelle Morgan, Mr. and Mrs. Miles Hubka and Mr. and Mrs. Alfred Adams.

Mr. and Mrs. J. T. Allen will leave early Wednesday for Temple where Mr. Allen will enter Scott-White Clinic for a check-up.

Sara Maude Johnson and George Houghton, Jr. were recent visitors in Abilene at the home of Houghton's parents, Mr. and Mrs. George Houghton.

Mr. and Mrs. Edward M. Johnson and Deborah Ann have returned to their home in Odessa after visiting here with Johnson's mother, Mrs. Iva Johnson.

Recent guests in the George Chown's home were Mr. and Mrs. Archie Crane of Ennis.

Mr. and Mrs. J. E. Greene and children have returned for a two weeks vacation in Colorado.

Mrs. Selvin Allen and children, Lynette and Cullen, are visiting in the M. E. Anderson home.

M. E. Anderson is on a business trip to El Paso.

Mrs. J. L. Haynes left early Tuesday for Dallas where she will visit with friends and relatives.

Pete Redding of Odessa visited in the P. T. Redding home over the weekend.

Mr. and Mrs. L. A. Marchbanks are vacationing in New Mexico.

Mr. and Mrs. Nat Shlek and daughter, Lillian, have left for an extended vacation which will take them to various points in Texas, Arkansas, Missouri, South Dakota and Colorado.

Mr. and Mrs. Charles Baker have had as guests Mrs. Baker's brother and wife, Mr. and Mrs. A. A. Heard of Fort Worth.

Mr. and Mrs. Gene Hendon are vacationing in Dallas this week.

Mr. and Mrs. Tom Davis of Ralls have been visiting with their son and his wife, Mr. and Mrs. Tom Davis, Jr.

Mr. and Mrs. M. E. Ooley will leave Wednesday morning for an extended visit in Duncan, Oklahoma City and other points in Oklahoma.

Ethel Trotter and Babe Hughes returned Monday from Baird where they visited with Miss Hughes' parents.

Mr. and Mrs. J. B. Mull and family spent the weekend in the Davis Mountains. They have had as guests, Mull's sister and family, Mr. and Mrs. Denning Nelson.

Wesley Group Has Yearbook Program

Members of the Wesley Methodist WMS met at the church Monday afternoon for a yearbook program entitled "Insight to Valiant Women."

Mrs. Cecil Nabors was leader for the study which was taken from Proverbs, the 31st chapter.

Taking part on the program were Mrs. Arthur Pickle, Mrs. C. R. Donaldson, Mrs. J. C. Pitts, Mrs. W. D. Lovelace, Mrs. Cora Shelton, Mrs. Jack King and Mrs. W. L. Porterfield who gave the devotional.

Mrs. Nabors presided over a business session which followed and the redecoration of the church parsonage was discussed.

Closing prayer was offered by Mrs. H. B. Penikett, and those attending were Mrs. Margie McGuffey, Mrs. Arthur Pickle, Mrs. Nabors, Mrs. Pitts, Mrs. Penikett, Mrs. Shelton, Mrs. Lovelace, Mrs. Donaldson, Mrs. Porterfield, Mrs. J. E. Duggan, Mrs. Jack King and a visitor, Mrs. Sermon Clark.

Miss Daughtry Weds Bill Parker

Wylovene Daughtry, daughter of Mr. and Mrs. H. C. Daughtry of Brownfield, became the bride of Bill Parker in a single ring ceremony performed by Rev. Cecil Rhodes Friday night at Parsonage of West Side Baptist Church.

The bride wore a navy blue street length dress with white and black accessories and her corsage was of red rose buds. For something borrowed she wore pearl earrings belonging to Billie Marie Tucker and she wore a penny in her shoe.

The bride attended school in Brownfield and is now employed at J. C. Penney Company.

The bridegroom served in the army for four years and was overseas 27 months before his discharge.

The couple will be at home at 204 W. 6th St.

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your drugist and ask for four ounces of liquid Barconate (formerly called Barcol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonful twice a day. That's all there is to it.

If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloated disappears—how much better you feel. More alive, youthful appearing and active.

"Nothing you buy for your home costs so little yet does so much for you as your Electric Service"

Now—more than ever—your electric service is the outstanding bargain in your home. For right at a time when other living costs are going steadily up, the cost of your dependable electric service is down.

When you list all the electrical appliances you use regularly — toaster, percolator, refrigerator, iron, radio, vacuum cleaner, fans, lamps of all types, to mention only a few — and check their usage against your electric bill, you'll find that in comparison to the benefits you receive, the cost is surprisingly low.

Your new, low electric rates mean that you can operate your electrical appliances at still lower cost, right at a time when the cost of living is still going up.

Congressmen Laud M'Arthur, Ask Aid To Chinese Be Suspended

WASHINGTON, Aug. 6 (AP)—Senators Ellender (D-La.) and Butler (R-Neb.) said today Gen. Douglas MacArthur expects to be able soon to carry out the occupation of Japan "with a handful of our troops."

Just back from a 42-day flight that carried them and three house members around the world, the senators credited MacArthur with a tip-top job of organizing and controlling the defeated Japanese. As for China, however, both senators said in separate interviews they favor speedy withdrawal of all American troops and an immediate end of direct aid to that trouble-beset nation. "We were all greatly impressed with what General MacArthur has done and is doing in Japan," Ellender, ranking member of the congressional delegation said. "He told us that our troops soon can be cut down until the job can be done with a handful of men."

Ed Hanyzewski Wins Opener

By The Associated Press
Three pitchers battles, a fist fight and an electric power shortage gave Texas league fans plenty to talk about last night.

At Fort Worth, Tulsa's Oilers, behind the five hit pitching of Ed Hanyzewski, shut out the league leading Cats, 2-0, in a close game that saw Joe Rullo, Oiler second baseman, and Eddie Chandler, Fort Worth pitcher, swing fists during an eighth inning argument. Big Hawaiian Hank Oana notched his eighth victory of the season for the Dallas Rebels as he set the Oklahoma Indians down with six hits to win, 3-1.

San Antonio's Missions, in a fight to hold second place from the hard pressing Rebels, split even in a twin bill with Shreveport, dropping the opener to the Sports, 4-1, and taking the nightcap, 3-2.

John Bianco gave Houston only three hits as the Beaumont Explorers defeated the Buffs, 7-2, in a game that was delayed one hour and ten minutes because of light trouble.

The Oiler-Cat game was decided in the first inning when consecutive singles by Tulsa's Jim Cookson, Henry Schenz and Leonard Greene produced the only scores. Chandler, holder of 16 victories, gave up six hits in losing his job. Errors accounted for the winning margin of Dallas over Oklahoma City as each club had only one earned run. The Indians' Burton Swift allowed the Rebels six hits.

In the first San Antonio game, Shreveport's Earl Dothager set the Missions down with four hits. In the nightcap, Chill Wagener scattered 10 Sport hits while his Mission teammates were turning the same number off William Eckhardt and Manuel Vargas into nine runs, including a four score uprising in the first inning.

Vets Victorious In Athens Race

ATHENS, Tenn., Aug. 6 (AP)—Constitutional government has been restored to this southeastern Tennessee town of about 7,000 persons with the certification to McMinn county officers of five World War II veterans, election victors by ballots and bullets.

The quarterly court in special session yesterday accepted the resignation of Sheriff Pat Mansfield, whose whereabouts are unknown, and received official certification of the election of Knox Henry as sheriff and four other former GI county officers.

Fellow townspeople and former servicemen cheered the court's action roundly in a jubilant and peaceful aftermath of six hours of rioting that marked Thursday's election when supporters of the ex-GI ticket shot it out with deputies of the decade-old political organization of State Senator Paul Cantrell. Backers of the ex-GI ticket objected to ballot-counting methods of the Cantrell group.

The decision of the court, a limited legislative body made up of justices of the peace empowered to fill vacancies, also threw the Cantrell organization overboard.

Furthermore, among other things it obtained the ouster of coroner Boe Dunn, chief deputy to Mansfield, and the resignation of Cantrell himself as chairman of the county court and justice of the peace.

Henry was named to fill Mansfield's unexpired term, which runs until Sept. 1, the day on which the terms of the other deposed county officials expire.

Upset Stomachs Yield Inches Of Gas And Bloat

"I was so full of gas I was afraid I'd burst. Sour, bitter substance rose up in my throat from my upset stomach after meals. I got INNER-AID, and it worked inches of gas and bloat from me. Waistline is way down now. Meals are a pleasure. I praise Inner-Aid to the sky."—This is an actual testimonial and we can verify it. INNER-AID is the new formula containing medicinal juices from 12 Great Herbs; these herbs cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering—Get Inner-Aid. Sold by all drug stores here in Big Spring. (adv.)

Baptists Beaten By YMCA, 19-13

A ten run outburst in the last frame failed to polish off early round deficiencies as the First Baptist clan lost a 19-13 decision to the YMCA in the girls' division of the Church softball league Monday afternoon. The contest was played on the South Ward diamond.

Betty Henry pitched the Y to victory, despite the shaky last inning while the losing pitcher was Patsy Whittington.

Jean Adams led the Y scoring with three runs while Joyce Worrell and Marylyn Wells both tallied thrice for the losers.

Among some primitive peoples, it was the custom to bury sick people to cure them.

AUSTIN, Aug. 6 (AP)—Although failing to reach the finals, the Longview Rangers last night placed six men on the all-star squad of the State American Legion Junior baseball tournament.

Included on the team were Algie Callahan of Longview and George Hart, Lamesa, pitchers; Don Barton, Longview, second base; John Oden, Longview, utility infielder; Rex Stuckey, Longview, catcher; Joe Smith, Longview, left field; Tommy Sanford, Longview, right field.

OWEN SEEKING BASEBALL JOB?

BOSTON, Aug. 6 (AP)—Mickey Owen, who left a first string catching job with the Brooklyn Dodgers last April to play in the Mexican league, was reported back in the United States today, ready to return to his old post at Ebbets Field—if organized baseball will have him.

Branch Rickey, Dodger president, who said his information came from a mutual friend, disclosed that Owen had deserted the Vera Cruz club in the Mexican circuit, had arrived in Brownsville, Tex., and would seek reinstatement in the National league.

Elite Guard Charged With Mass Murder In Nuernberg Trial

NUERNBERG, Aug. 6 (AP)—German documents listing in detail mass murders and pillaging by SS troops in Poland and Yugoslavia were introduced before the international military tribunal today as the case against the elite guard went into the third day.

Major F. Elwyn Jones, cross-examining defense witness Co. Gen. Paul Hausser for the British prosecution, produced a letter written by German General Detzel complaining of measures in western Poland. The document read in part:

"In almost all large towns public shootings have been carried out by the SS. The selection varied enormously and was often incomprehensible and the way it was carried out frequently unworthy. In the towns evacuations were carried out during which blocks of houses were cleared at random, the inhabitants loaded on to lorries at night and then taken to concentration camps. Here also looting was a constant accompanying phenomenon."

In Turek three SS cars under the leadership of a higher SS leader drove through the streets Oct. 30, 1939, while people in the streets were hit on the heads at random with horse whips and long whips.

Search For Slayer Of Army Officer Spreads to Mountains

TULARE, Calif., Aug. 6 (AP)—Police search for the slayer of Lieut. Patrick Clayburn Fyffe, air forces officer from Lake Charles, La., who was found shot to death in a roadside ditch near Traver, Calif., last Tuesday, was being pressed today into the mountains north and west of Yosemite national park after a foot locker bearing Fyffe's name was found in the area.

The locker was discovered in the Sierra Nevada range between Giant Forest and Grant national park.

A park attendant said an automobile identified as Fyffe's was seen at the park entrance late Tuesday. He said a soldier was driving.

Fyffe, son of Pat C. Fyffe, Sr., of Lake Charles, had been visiting in Louisiana and was en route back to Mather Field at the time of his death.

When found, Fyffe had been shot twice through the head and once through a hand. His head was wrapped in a blood-soaked towel from a Midland, Tex., hotel.

A blood-spattered automobile, abandoned near Mariposa, Calif., last week is believed to have belonged to Fyffe. Sheriff S. B. Sherman of Visalia said the serial number on a sergeant's coat found in the car was the same number found on the lieutenant's clothing.

Fyffe formerly resided at Marshall, Tex.

GOLDEN MOSQUITOES, RED-HAIRED MEN MAKE NEWS IN TECHNICOLOR

By JACK RUTLEDGE
Associated Press Staff

Double-takes; or little items in the week's news you may have missed but shouldn't.

Their bite may be just as bad, but at least the mosquitoes at Lake Texoma are in technicolor. Entomologists spray them with gold dust, and later when the golden mosquitoes are trapped science, somehow, is aided . . .

The two red-headed young men from Waco who set out in a model T Ford for Alaska made the trip successfully, arriving in Fairbanks 26 days after leaving Texas . . .

In ice house may be a nice house to cool off in during these hot days, but a Houston worker found it unsafe. A big cake of ice slipped, knocked a bottle of milk from his hand, cut him severely. . . .

There are so many war brides from abroad in Orange they have formed a club. At the first meeting, each bride whipped up a dish native to her country.

Buyers strikes worked okay in two Texas cities. In Austin, students struck against higher prices for haircuts, forced barbers to come back down. In Denison, a buyers strike forced the price of butter from 88 cents down to 69 cents a pound . . . There was, said Henry Barreda of Brownsville, something smelly about the express shipment that was broken open in the office. Five live skunks escaped, and he had to recapture them. In typical skunk fashion they fought back.

An ice shortage developed in Paris when five workers walked off their job. . . . George Washington Curtis, father of rural free delivery in Texas, died in Dallas.

The manager of the Abilene chamber of commerce was so determined to get a new garment factory that, when the firm couldn't get office space, he gave them his own office . . . A Dallas child swallowed its mother's permanent wave powder. Pumped

out, it recovered quickly . . . Musicians went on strike in San Antonio . . . A car ran into a house on the highway near San Angelo, killing one, injuring five . . . The valley has ants in its pantries. The drought has caused the ants to cluster around sinks, faucets, anywhere moisture is available.

MEN! GET PEP.. Do you want to feel young again? Why feel old at 40, 60 or more? Enjoy youthful pleasures again. If added years have slowed down your vim and vitality, just go to your druggist and ask for Casella tablets. Many men are obtaining remarkable results with this amazing formula.

Rice May Go Up

WASHINGTON, Aug. 6 (AP)—The office of Rep. J. J. Mansfield of Texas has been informed by price control authorities that action should be forthcoming within a few days on a request by Texas, Louisiana and Arkansas rice growers for price increases averaging 1.50 per bushel to offset production costs increases.

Eighteen Airlines Without Accident

CHICAGO, Aug. 6 (AP)—Eighteen air lines completed their 1945 operations without a single fatal accident, the national safety council said today.

Winner among the largest air lines—those flying more than 125,000,000 passenger miles in 1945—was United Air Lines, Inc., which won the council's aviation safety award for the second consecutive year. United has flown 1,655,872,324 passenger miles since its last fatal accident on May 1, 1942.

Three other large air lines also had no-fatality records for the year. They were Transcontinental & Western Air, Inc., (Trans World Airlines), 555,094,118 passenger miles since its last fatality; Braniff Airways, Inc., 476,574,900; and Northwest Airlines, Inc., 440,003,618.

Among the air lines flying between 30,000,000 to 125,000,000 passenger miles in 1945, Delta Air Lines was the group winner with a perfect record in 1945 and 311,840,132 passenger miles since its last fatal accident in 1935.

More Whiskey Made During Fiscal Year

WASHINGTON, Aug. 6 (AP)—American distillers turned out 147,476,000 gallons of whiskey during the fiscal year ended last June 30. That was nearly 10,000,000 gallons more than was produced in the previous year of rigid wartime restrictions, a treasury report showed today.

Despite the larger output, however, bottled-in-bond withdrawals dropped from 9,578,000 gallons to 6,958,000. Stocks at the end of the year totaled 374,073,000 gallons, an increase during the 12 months of 66,485,000 gallons.
