## Junior - Senior Bands To Work Together Here

The Eastland Junior High School and High School bands will drill together Monday from 8 a. m. until 11, according to Band Director John Foster.

He asked that members of both bands meet at the Maverick Stadium at 8 a. m. Monday.

The high school band has been in practice during the past week, and he reports a total of 51 members out with some 12 others still on vacation, making an expected 60-member band for the season.

The two bands will work together Monday and Tuesday Foster said, with the first appearance to be at the Eastland - Cross Plains football game in Cross Plains on Sept. 8.

QUEEN KATHY KINCAID

## Kathy Kincaid Farm Bureau District Queen

Miss Kathy Kincaid, 17, of Eastland, was named District VII Farm Bureau Queen in the regional contest at Abilene Friday night.

The daughter of Mr. and Mrs. Robert M. Kincaid, Miss Kincaid will represent the 23-county district at the state meeting this fall. She is a senior at Eastland High School, a cheer leader, member of the basketball team, and prominent in 4-H Club and various school and church activities.

Miss Kincaid won the Eastland County Farm Bureau title in an elimination at the Eastland early this month.

## Morton Buys Texaco Station

Bill Morton has purchased the B&W Texaco Service Station at 602 W. Main St., he has announced.

Associated with him in the business is Alvis Rogers who will operate the station in the day time, and Morton will work during the evening.

The station is open from 6 a. m. until 10 p. m., and offers air conditioning repair, minor mechanical repair, washing and greasing and S&H Green Stamps.

The new proprietor invites the public's patronage.

## City Will Call Last Bonds Oct. 15 to Clear Old Debts

The City of Eastland will join an elite class of Texas cities about mid-October — at that time, it will become officially debt-free!

And the municipalities are few in number that can make that statement.

Technically, the City of Eastland might be considered to be at that pinnacle of solvency right now, but there are some technicalities to overcome yet.

The call date for the old 1941 and 1946 series of refunding bonds is Oct. 15, and the city has handled its financial affairs in such a manner that it will not only be able to call and pay off the bonds, but will find itself with enough surplus to even, maybe buy a new fire truck.

Since the bankruptcy of the '40s, the city has been under a federal court order with 40 per cent of its tax money automatically earmarked for debt retirement. Through the years, regular debt payments have been made and now there are only 19 bonds to be called. Owed on 14 of the bonds is \$7,710 and the city already own five of the uncalled bonds reflecting a savings of \$2,930, and making the grand total owed \$4,780.

And the beautiful part for Eastland is that due to regular escrow payments, quite a sum has been collecting in the Austin State Comptroller's office to our account, and the city received a check Friday in the amount of \$10,415.53 from this escrow money.

So when the city commis-

## Gets \$10,000 Check Friday

tion calls the bonds at the regular meeting Monday night, it will be in good shape to pay off the bonds on Oct. 15, and have a tidy sum left over. There's also about \$1,000 in the sinking fund here, so the some \$6,000 that has been associated with old debts will be freed for such needed item as a new fire truck, for instance. The city has one on order and the amount will just about pay for the basic chassis.

Mayor Frank Deaton

What's on tap once the city is free of debt?

Apparently nothing is definitely planned although the city has recently hired an extensive evaluation program in which an Odessa firm recommended a broad capital improvement program which would, if carried out, entirely result in airport development a new sewer system, paving and other improvements.

However the city as yet has not entered into any extensive program, nor established priorities for the work ahead. These will be worked out under careful analysis.

Mayor Frank Deaton has had committees of citizens functioning to evaluate the needs and make recommendations for the city's directions in the future.

There has been some talk of a public bond - burning barbecue sometime in the future, at which it will be publicly proclaimed that the city is in sound and inviolable financial condition.

Conservation city management and penny - pinching operations over the long years is credited with the success the city has now attained in its debt matters.

Presumably the federal court order will become null and void once the city is out of debt.

## Key Matters Due Talk At City Meet Monday

Few in number, but important in nature are items for the agenda of the Eastland City Commission, meeting in regular session at the City Hall Monday evening, beginning at 7 p. m.

Representatives of the Eastland United Fund are expected to appear for a discussion of an all-inclusive fund-raising drive, and representatives of agencies which generally do not participate in the UF are also expected to appear.

The public is welcome to all city meetings.

Commissioners are also expected to call the last of the city's old refunding bonds, pa-

ving the way for a debt-free city status.

Also expected to be handled is the opening of bids for the conversion of the city's new fire truck. About six bids are expected according to City Manager Lewis Tiner.

City Garage of Eastland was low bidder to supply the chassis and equipment firms will bid on turning the basis unit into a fire truck.

City Manager Lewis Tiner attended a City Manager's meeting in Brownwood Friday at which Highway Engineer J. M. Pritchard of Brownwood was to discuss the Interstate 37 project through his district.

## 2 Absentee Votes In City Election

Two persons had voted absentee through noon Friday for a special city commission election to be held Tuesday, Aug. 29, it has been reported. Absentee voting will end on Friday, Aug. 25.

One place is to be filled and filed as candidates are John Foster, Henry Parsons, Roy Lee Smith and W. Q. Verner.

## HURT BY MOWER

Bart Boles was injured Wednesday, Aug. 16, when a lawn mower accidentally ran over his right foot. He had about 30 stitches in his foot. His father, Winston Boles, reported that he was doing fine.

STALLING NEW KITCHENS — John Foster and Mike Siebert were busy installing four new kitchen units in the high school home economics department today, updating the facility which was originally installed in 1927. Other fix-up projects are underway in preparation for the Sept. 1 opening of schools here.

NEW WEST MAIN ST. LANDMARK — Just completed and in use is this new modern headquarters for the Eastland County branch of the Comanche County Electric Cooperative, located on West Main St., Eastland. Some seven persons are employed at the Eastland office with a broad area of service responsibility. Right now installation and maintenance of electricity for irrigation projects comprise the main work load for the organization. The new facility provides modern office space, service area, material storage, instant radio communications with mobile units and other offices as well as vast yard storage facilities. A big sign will go up soon and the unpaved areas are being landscaped for an over-all attractive addition to the city.

**LEGAL NOTICE**

**In the District Court of Sedgewick County, Kansas In The Matter Of THE GUARANTEE TITLE & TRUST COMPANY**  
Case No. C-9128-66 (No. 73-822) Division No. 2  
**TO WHOM IT MAY CONCERN:**  
**Notice To Correct Legal Description of Properties**  
You are hereby notified that the District Court of Sedgewick County, Kansas, has ordered the assets of certain trusts of which the Kansas State Bank and Trust Company, Wichita, Kansas, is Trustee, to be sold at public auction on the 24th day of August, 1967, at 1:00 P. M. in El Dorado, Kansas at the Butler County Courthouse steps, and among said trusts, whose assets are to be sold is the trust known as "Stanley-Kimmell - Ralston No. 13 Trust."

You are further notified that the Trustee of said trusts, the Kansas State Bank and Trust Company, Wichita, Kansas, has heretofore published and mailed a Notice of Sale with respect to the sale of said assets, including the sale of the assets of the Stanley-Kimmell-Ralston No. 13 Trust, but that the legal descriptions of the assets of the Stanley-Kimmell-Ralston No. 13 Trust were incorrectly stated in said Notice of Sale.

You are therefore hereby notified that the legal description of the assets of the Stanley-Kimmell-Ralston No. 13 Trust reflected in this Trustee's Notice of Sale, heretofore published and mailed, was in error, and that the assets of said trust are in fact legally described as follows:

**STANLEY - KIMMELL RALSTON NO. 13 ROYALTY TRUST**  
**Tract A:**  
An undivided one-sixteenth (1/16th) interest in all of the oil, gas and other minerals in, to and under 160 acres described as follows: Southwest Quarter (SW/4) of Section 33, Township 4 South, Range 14 West, Tullman County, Oklahoma.

**Tract B:**  
An undivided one-fourth (1/4th) interest in and to the oil and all other minerals, to and under 1,020 acres of land described as follows: Lots 5, 6, 7, 8, 9, 10, 17, 18, 19 and 20, of Bronson Subdivision of William Van Norman Survey, Abstract No. 545, situated in Eastland County, Texas.

**Tract C:**  
An undivided one-half (1/2) interest in all of the oil, gas and minerals in, to and under 10,880 acres, being Sections 57, 58, 59, 60, 61, 62, 63, 64, 69, 70, 71, 72, 73, 74, 75, 76 and 81, out of Block 13, T & P RR Co. Survey, Shackelford County, Texas. In addition, there are three (3) outstanding production payments in favor of the trust with respect to leases covering portions of Tract C, such production payments being as follows:

1. Production payment reserved out of the Northwest Quarter (NW/4) of Section 62 in a lease given to one V. E. Autry dated March 14, 1958, with balance due as of May 31, 1967, in the amount of \$1,032.31.

As summer draws to a close, so do many of the 4-H activities. There has been a very successful and fun-filled summer for Eastland County 4-H Club members. The latest activity was County-wide 4-H Camp, held at a Cisco Aug. 9, 10, 11, which was attended by 47 club members and many 4-H leaders. The days of camp were full of activities. Camp was planned by a committee of Bobby Williams, formal, and Kathy Kinney, of Morton Valley, which was appointed by the 4-H Council. Advisors were Mrs. Lee and Mrs. Rayama, and the Ass't. County Extension Agents served as advisors. The recreation committee, consisting of junior leaders a Cisco and Rising Star—Mrs. Lee, Kay Green, Car-Houston, Lynne Pippen, and Mrs. Rosemary Miller. Leaders and parents who attended and helped part-time were H. L. Ferguson, Jimmie Lee, Mr. and Mrs. Buck Wheat, Mrs. L. C. Hounsell and Mrs. W. S. Carter. All of these leaders—junior and adult—are to be commended for a job well done! Due to the hard work of these leaders, Eastland County has an outstanding 4-H Club program.

AUSTIN—One day after receiving a 40-year service award from the Texas Highway Commission, State Highway Engineer Dewitt C. Greer announced his retirement. Greer reached the mandatory retirement age of 65 on July 27; but he agreed, at the behest of the Commission, to stay in the job until the end of the year. Lt. Gov. Preston Smith, acting as governor while Connally hunts in Africa, called on Greer at his office to present him with a framed copy of a proclamation making August 4 "Dewitt C. Greer Day" in Texas. A celebration commemorating the Highway Department's 50 years is slated for Sept. 26. A highlight of the celebration will be presentation to Greer of funds donated to endow in his honor a lectureship at the Texas A&M Civil Engineering Department. Greer, a graduate of A&M Department in 1927 and became its top administrator in 1940. During his tenure as chief engineer Greer has supervised the investment of more than \$4,000,000,000 in a highway system that's grown from 20,559 miles to more than 68,000 during the past 27 years.

A former president of the American Association of State Highway Officials Greer now serves on the organization's executive and legislative committees and has received its two highest honors for contributions to highway progress. In 1965, Texas Christian University made him an honorary Doctor of Laws. Texas A&M gave him its Distinguished Alumni Award in 1966.

Succeeding Greer on Jan. 1 will be Asst. State Highway Engineer J. C. Dingwall who has been with the Department since 1928 except for the World War II years when he served in the U. S. Army Corps of Engineers and four years he spent as Engineer-Manager of the Texas Turnpike Authority, supervising the financing, design and construction of the \$58,000,000 Dallas-Fort Worth Turnpike. Dingwall served as the Department's supervising urban engineer in Houston, overseeing construction of the Gulf Freeway—the first major freeway built in Texas. He has been assistant highway engineer since 1958.

In other Highway Department activity, Hal Woodward of Coleman was sworn in as chairman of the Highway Commission, and Herbert C. Petry Jr. of Carrizo Springs took the oath to begin an unprecedented third six-year term on the Commission. Woodward, who succeeds Petry as chairman, was first named to the Commission in 1955.

**PUBLIC NOTICE**  
 Proposed CONSTITUTIONAL AMENDMENT  
 NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election, and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which have been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature. The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4 1/2%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of said Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased, and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single installment or in a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and pay interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

**WEDDING IS HELD HERE SATURDAY**

Holliday and Alsop were joined at four o'clock Saturday afternoon at the home of the bride's mother, Mr. and Mrs. J. H. Alsop, 413 Pershing.

The groom is a graduate of Ranger Junior College and East Texas State University at Commerce. She has been employed the past one and one-half years in the Ranger Public Schools and will return to teach there the coming school year.

The groom attended Tarleton College at Stephenville and Howard Payne College in Brownwood. He has been director of bands for Gorman Public Schools for the past three years and has recently accepted a position as band director in the Dublin Public School System.

After a short wedding trip to Fort Worth the couple will be at home at 701 West Sadosa Street in Eastland.

**Locals' Grandson To Tour Europe With Boys Choir**

Ronald Herbert Rapp, the grandson of Mrs. T. E. Castleberry in Eastland is one of 43 members of the Texas Boys Choir selected for a recording tour in Europe.

The choir boys' itinerary is set for Sept. 9 through Oct. 3 and includes five countries — Italy, Switzerland, Austria, Germany and Britain.

While abroad they will record four albums for the Masterworks Division of Columbia Records.

The choir boys were selected by TBC Founder-Director George Bragg, who auditioned individually members of both the concert and study choirs to choose this group of 10 to 15 year olds who will make the four albums.

For one side of the a cappella album Bragg will direct the choir boys and the adult choruses of Gregg Smith. Director Smith will bring the combined groups of his Gregg Smith Singers and Ithaca College Choir to Fort Worth for rehearsals with the Texas Boys Choir late in August, just before they leave for Europe.

The first recordings will be made in Venice. These will be followed by a trip to Switzerland for recordings will be made just outside of Zurich. Other cities the choir boys will visit include Vienna, Berlin and London.

The Eastland Public Library contains 10,695 volumes. Eastland Civic Theaters Bell Hurst Playhouse has a seating capacity of 90.

MRS. BILL BOLES nee Lois Ann Sims (Photo courtesy Cotton's Studio)

**MISS LOIS ANN SIMS WEDS CLAUD W. BOLES**

Miss Lois Ann Sims and Claud William Boles were married at 8 p. m. Saturday, Aug. 19, at the First Baptist Church. The Rev. Haston Brewer officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Henry Waldon Sims and Mr. and Mrs. Winston Boles.

Given in marriage by her father, the bride wore a floor length gown of silk peau de soie. It was designed with a scooped neckline, fitted empire waist and A-line skirt. It featured a lace motif at the waist accented with seed pearls. A scalloped lace-trimmed capelet overlapped long fitted sleeves and came to a point at the back waist.

The softly pleated chapel length train was attached at the waist. Her elbow length illusion veil was attached to a beaded dress of lace petals trimmed with iridescent and seed pearls. She carried a bouquet of Happiness Duchess roses and English Ivy on a Bole. She wore a six pence in her shoe and carried an heirloom handkerchief carried by her mother in her wedding. A single strand of pearls was also worn by the bride.

Mrs. Bruce McDougal of Irving, sister of the bride, was matron of honor. Bridesmaids were Sharon Spradling and Sherry Butler, both of Eastland.

Attendants wore floor-length empire style dresses of crepe with bodices and bell sleeves of Azalea pink. The A-line skirts of brides pink were accented at the waist with lace and large bows in the back. Headdresses were matching crepe bows of Azalea pink with attached veils of brides pink illusion. Each carried a single Happiness Duchess rose.

Larry Wilson of Victoria was best man. Groomsmen were Keith Elliott and James West, both of Eastland. Ushers were Henry Sims, Jr. of Graham, brother of the bride, Kandy Boles of Eastland, brother of the groom, Steve Perdue and Dale Squiers, both of Eastland.

Mrs. Kenneth Thompson of Hurst, vocalist, was accompanied by Mrs. Donald Kinard Sr. of Eastland. Before the ceremony Mrs. Thompson sang "Because" and "Entreat Me Not to Leave Thee," and during the ceremony she sang "The Lord's Prayer."

The altar of the church was centered with an arch arrangement of white candles, ferns, white mums and carnations. It was flanked with spiral candelabra and baskets of white mums. Single candelabra entwined with greenery and carnations completed the floral setting.

Mrs. Henry Sims, mother of the bride, wore a two-piece costume of green silk with matching green shoes, and hat. Her gloves and bag were off-white.

The bridegroom's mother, Mrs. Winston Boles, wore a blue suit with white accessories. Her shoes were white and navy blue.

The mothers and grandmothers wore corsages of cymbidium orchids. A reception following the ceremony was held in the Fellowship Hall of the church, hosted by the bride's parents and guests were received by members of the wedding party.

Donna Vieregger registered guests. The bride's table was covered with white net over satin and was centered with the wedding cake. The tiered white cake was decorated with pale pink roses and doves and the traditional bride and groom between the columns. It was served by Mrs. Lois Drummond, namesake of the bride, and Mrs. Henry Sims, Jr., sister-in-law of the bride, both of Graham. Pink punch was ladled by Mrs. I. C. Inzer and Mrs. H. T. Weaver. Other members of the house party were Ames, Haston Brewer, E.E. Layton, Clint Bray, E. F. Alton, J. N. Smith, J. O. Jolly, Lee Graman, James E. Wright, K. D. Butler, Rudolph Little and Misses Sally Perkins, Jennifer Pryor, Becky Simms, Sue Brewer, Clara June Smith, Marsha Treadwell, Deborah Earnest of Temple and Mrs. Ted Martin of Fort Worth.

"Don't tell me it won't cost a fortune to modernize my heating system! I wasn't born yesterday, you know!"

Excuse us, Ma'am, but your gas heating contractor or Lone Star Gas may have a pleasant surprise for you.

Let's be realistic. You're just going to have to spend some money to modernize your heating system. But it will probably be a lot less than you think. Especially now during August and September when gas heating contractors have more time to make installations and are offering special savings. There's a wide variety of modern, automatic gas heating equipment to take care of any situation—whether you're heating one room, several rooms or your entire home. Why not get a free estimate? Talk to a gas heating contractor or the folks at Lone Star Gas.

It's never too late to learn.

What does one do to defrost a modern refrigerator-freezer?

Absolutely nothing!

That's right. You don't even have to lift a finger. Frost never forms in either the refrigerator or the freezer section. And since there's no frost, there's nothing to defrost. Think what that saves in time and work for you. Then hurry down and see the roomy no frost refrigerator-freezers at your favorite appliance dealer's soon.

## SCS's Knox City Center To Be Dedicated September 7

Further plans for dedicating the Knox City Plant Materials Center on Sept. 7, were announced today by H. N. Smith, State Conservationist, Soil Conservation Service, Temple.

Donald A. Williams, SCS Administrator, Washington, D. C., will be the key speaker and Smith will be master of ceremonies. The dedication program will start at 11 a.m. A catered lunch will be served after the dedication.

Smith said tours of the center will be conducted from 8:30 to 10:30 a. m. and from 1 to 3 p. m.

Several hundred seed dealers, growers, conservation district supervisors, farmers, ranchers, city developers, sportsmen, and others interested in the plant being tested will attend. The center serves Texas, Oklahoma and adjoining states. Mr. E. E. McAllister of the Eastland SCS office will attend.

Congressmen and State Representatives from the area are also expected to attend. The job of SCS plant materials centers is to find, evaluate, and put into use better plants to solve varied soil and water conservation problems. Planting materials being used include seed, sprigs, and rootstock.

## Area Teachers Attend Phonetic Reading Meeting

Twenty-four towns were represented at the reading workshop conducted for elementary educators on Aug. 17 and 18 at the Eastland Elementary School.

"As It Looks From Here"

WAR BURLISON Congressman 17th District

WASHINGTON, D. C. — It would be a refreshing change if all of us at the Federal level, and particularly the President of the United States, would simply say, "We are in a mess and there are a lot of things which are going to have to be done to get out of it. Much of it we don't like, and the people will not like, but is necessary in the interest of our Nation."

At 8:30 on Thursday morning of last week at a White House conference, the President laid before the Chairmen of Committees of the House of Representatives, including Members of the Appropriations and Ways and Means Committees, the fiscal situation now immediately facing us.

Unless certain things are done, it is estimated there will be a \$29 billion deficit in fiscal year 1968. This is the period from June 30, 1967 to the same time next year.

To reduce the deficit, the President says there must be a 10 percent surtax increase. This simply means that when corporations and individuals determine the amount of tax we now pay under present rates, 10 percent will be added. Those with incomes under \$5,000 will not be affected. As an example, a family of four with a \$10,000 income would pay \$120 extra in taxes if this rate is enacted by the Congress.

This rate is calculated to raise \$7 1/2 billion. In addition, the President says that Federal employees' salaries should not be raised beyond the 4 1/2 percent recommended in the Budget, and that to raise it to the extent now being proposed in the Congress would cost another billion.

He also recommends the sale of \$2 billion in securities held by those Federal Agencies such as the Farmers Home Administration, Small Business Administration, Veterans Administration, and so

forth. This reduces the total estimated deficit to \$18 billion, and ways will be looked for to reduce this in actual spending, with the hope it may be brought down another \$4 1/2 billion, coming up with a deficit of not more than \$14 billion. This would be the amount which would have to be borrowed to carry on the Government operation at the present level.

Non-defense expenditures in Government now run about \$61 billion. Approximately two-thirds of this sum are fixed expenses such as interest on the public debt (over \$14 billion); veterans compensation and insurance pensions (\$5 billion); public assistance (\$4 billion); farm price supports (\$2 billion); medical payments out of general revenues (over \$1 billion), and others.

More than \$15 billion will be spent to complete contracts for obligations entered into in prior years. An additional \$8 billion goes to pay Federal employees' salaries.

If the steps recommended by the President are taken, and the other estimates are about as set out in his recom-

mendations, this leaves only \$12 billion over which he can exercise much discretion in the year ahead.

Congress needs to cut to the bone non-defense appropriations. It will have to do so if it sells the American people on a tax increase.

For some reason there comes to mind Horatio Alger's boy in "Bound to Rise." You may remember that Harry wrote to his father about losing his job in the cobbler's shop. He joined Professor Henderson, the ventriloquist, as his helper. Professor Henderson could throw his voice into a trunk, and from inside came the shout, "Let me out, let me out, or I shall die." The Professor also sold a little tin gadget that you put in the mouth, which, with practice, enabled anyone to throw his voice. Some of you will remember these sold at the traveling show or ordered from an ad.

One of these gadgets was tried out on Grandma one time, but all she said was, "Let you out of what, for Heaven's sake. Stop mumbling."

NEARLY SIX MILLION CARS ON TEXAS ROADS

A total of 5,711,263 motor vehicles was registered in Texas in 1966 compared with 5,609,865 in the previous year, according to Wm. M. Coffey, General Manager, American Automobile Association, Texas Division.

More than 94.1 million motor vehicles were registered in the United States in 1966, the AAA official said. The state of California led the way with 10.3 million and Alaska held up the bottom with 108,000.

The national increase was 4.1 percent over 1965, while Texas had an increase of only 1.8 percent. The number of vehicles in the U. S. rose from 90,360,721 in 1965 to 94,176,799 in 1966. The figures were contained in a report just released by the Federal Highway Administration.

The registration total includes 78.3 million automobiles, 15.5 million trucks and 323,197 buses. Automobile registration increased 4.1 percent over 1965.

In Texas 4,467,722 automobiles, 1,229,814 trucks and 13,727 buses were registered.

New York followed California with the next highest number of motor vehicles, 6.2 million. Texas placed third with its 5.7 million.

Ohio registered 5.2 million motor vehicles, Pennsylvania had the same number and Illinois registered 4.7 million. Another 24 states registered more than a million motor vehicles each in 1966.

Automobile registrations followed a similar pattern with California listing 8.7 million and New York, 5.5 million. Ohio replaced Texas in number of automobile registrations with 4.7 million. Pennsylvania registered 4.5 million, followed by Texas with 4.4 million.

McFarland Back From Jamboree

Roland E. McFarland has just returned from Coeur d'Alene Faragot State Park, Idaho, where he attended the World Boy Scout Jamboree. Scouts from throughout the free world attended the Jamboree. The theme was "For Friendship Around the World."

This was the first year for the World Jamboree to be held in the United States. Mr. McFarland then went to Philmont Scout Ranch in New Mexico where he spent eight days receiving training in wood badge work.

The ranch contains 137,000 acres.

Social Security Plan Observes 32nd Birthday

Thirty-two years is a period of time that doesn't get nearly as much attention as the 10's, 25's, 100's, etc., but for almost every person in Eastland County, the 32nd anniversary of the signing into law of the original Social Security Act does have much significance.

Thus mused R. R. Tuley, Jr., District Manager of the Abilene Social Security Administration district office as Aug. 14th came and went a few days ago.

"Growth from a retirement plan slated to start paying from \$10 to \$42 per month in January 1942 to today's comprehensive system of protection against the hazards of lost income due to old-age, death, or disability, and against the costs of health care in old-age, marks 32 years of history important to almost every family in Eastland County," Tuley added.

Retirement income (now \$35-\$140) for the individual employee in commerce and industry when he got old has grown into these and other benefits.

Income (\$22-\$115) in old age for wives, dependent husbands widowers, dependent parents (age 62 for all except 60 for the widow).

Income (up to \$15 for unmarried children (and often to their mothers also) of deceased, disabled, or aged parents to age 18, or age 22 if full-time students, or to any age if disabled before age 18. Help with hospital and medical bills for those past age 65.
