Maybe you don't need Insurance-

. and possibly you don't if you are financially able to look out after yourself. But for the most of us, we are just a little bit afraid to take the risk so we buy insurance. Modern living has become so complex that the protection of property against its many hazards is a major problem and we should be insured. Speir said the amended act, recently adopted by the Texas Legislature, will place Texas on a 12 month inspection period. The measure increases the inspection fee from \$1.75 to \$2.00, and moves the location of the inspection sticker from the right of the windshield to the left. It also adds exhaust emmission systems on 1968 or later vehicles, and exhaust systems on all vehicles, to the list of items to be inspected.

Speir said that all vehicles subject to inspection must be
