DECORATIONS ARE particularly beautiful all over town but one especially notices the window trees on the North Side of the Square. That big white tree in Darrell's Beauty Salon is white-lighted to perfection. Central Drug next door has a pretty traditional tree and Fressy'schlag Insurance uses a silver tree, that's particularly favored by those of us who actually do the putting up and taking down. As always, Mrs. Floyd Robertson's Altman Style Shop windows are things of beauty.

IN 1953, you just got drafted. Now we have the lottery, and wouldn't you know it: our birthday was the very last one drawn. It surely would have been the first in '53, had there been chance then.

UNLESS WE all get ourselves registered, only about 2,000 people are going to be making our ballot decisions next year. Voter registration forms may be picked up at the Tax Collector's Office at the Courthouse or at Chamber of Commerce offices in the county.

ENTRIES SOUGHT IN BIG ANNUAL LIGHT CONTEST

Eastland residents are invited to enter the annual Christmas Lighting Contest, sponsored by Civic League and Garden Club.

The contest will have three categories, over-all, best yard, and best door or window. Prizes will be a yard light from Texas Electric Service Company, a cash gift from Civic League, and an arrangement from Green Street Floral.

Survivors include one son, Aubrey M. Burleson of Hamlin; three sisters, Mrs. J. M. Watts of Abilene, Mrs. W. M. Holloway of Anson, and Mrs. Vernon Sanders of California; two half-brothers, Rep. Omar Burleson of Washington D. C. and Elmer L. Burleson of Lockney; nine grandchildren, and twelve great grandchildren.

Princess Tells Citizens — The Worth of Freedom

"The only way I can be of service to the world is to tell the Free part of the world about the value of that freedom and so encourage people to protect and defend their precious freedom," Princess Catherine Caradja told members of Lions and Rotary Clubs and their guests at noon Wednesday at the White Elephant.

The Princess said,

"Speaking on "The Worth of Freedom," is my life work; this is what I must do for your country as well as for the "lost countries."

While speaking is her work, the Princess also has a hobby: trying to locate about 1,200 Americans she met and helped while they were in a prison camp near her estate during World War II. She has contacted about half of the men since the Pentagon furnished her a list of names in 1965. One of these men was Fred Crain, who entered the army from Wisconsin and who was living in Tyler when he first heard from the Princess by mail. (The Princess wrote from Baltimore, Maryland, to Crain's former Wisconsin address. The letter was forwarded to Tyler and answered by Mrs. Crain, who invited the Princess to Texas. The Princess replied, "I'm coming, you all.")

Princess Caradja is "as Texan as any of you," she says, since she has a document presented by Price Daniel which declares her an "Honorary Texan."

"I never know what I will say until I hear myself saying it," the Princess says, adding that she has never once spoken from notes. "I must first feel my audience, the type people they are, the occasion of the gathering; then I know what to tell them."

Lion President Jeff Glazner presided at the meeting and led the pledge of allegiance to the United States flag. Lion Wendell Siebert led the group in singing "America" and Rotarian Charles P. Marshall gave the invocation. Princess Caradja was introduced by Crain, now with Eastland Industries.

County Agricultural Picture Is One Of Brightest In Years

With the harvest of a better than average peanut crop nearing completion, a bumper forage crop made cattle ranges in good condition and livestock prices improving, the general agricultural picture in the Eastland County area was one of the brightest in recent years.

The only poor elements in the overall scene is a very poor pecan crop and a variation in peanut yields due to border damage, dry weather and some other adverse causes.

Nevertheless, an average of about 40 bushels per acre overall is predicted in some quarters and there are parts of the area in which the yield is expected to exceed last year's record average of 49 bushels per acre.

County Agent DeMarquis Gordon told this newspaper Tuesday that not enough reports of individual peanut yields had been turned into the County ASCS office as yet to establish a trend, and that figures quoted now would be largely estimates based on general observation.

He said that the yields so far noted ranged from 17 bushels per acre to well over 100 bushels, the latter principally from irrigated fields.

He said that the favorable weather during the growing and harvest season had boosted dry land yields to a better figure, percentage-wise, than yields from irrigated lands.

The harvest was estimated at about 80 per cent complete this week, and given fair weather for the next week most of the crop would be in the dry by the end of the week.

All in all the agricultural income for the season is expected to boost the county economy by quite a few millions when the statistics are known.

Basketball Schedule Is Announced

Basketball, 1969, takes on a special flavor at Eastland High School this season as District 8-AA goes through its last major sport before re-alignment for the 1970 season.

Getting off to a good start, the Mavericks first went down to Dublin, without a practice round, and won their first game. The Eastland teams hosted Dublin teams here Tuesday evening, and are scheduled for court action this weekend in the Eastland Invitational Tournament.

Pre-District play gets going in earnest Monday, Dec. 8 when the local A boys, A girls and B boys host Ranger teams. This date was originally set for DeLeon but with a still-winning football team there, a change was necessary.

On Tuesday, Dec. 9, Albany A Boys, A Girls, and B Boys come to play locals in the Gym. Tip-off time for these games is 5:30.

On Dec. 11 and 12, the local teams will play in the Ranger Dublin Tournament and on Dec. 16, work in a game with Ranger there.

Dec. 19 will find the teams in Baird for an A Boys and A Girls game. The same weekend, Eastland will be playing in the De Leon tournament, and be in De Leon on Jan. 2 for games. Jan. 6 is presently open.

District competition runs like this:

Jan. 13 — Cisco, here.
Jan. 16 — Hamilton, here.
Jan. 20 — Clyde, there.
Jan. 23 — Comanche, there.
Jan. 27 — Open.
Jan. 30 — Granbury, here.
Feb. 3 — Cisco, there.
Feb. 6 — Hamilton, there.
Feb. 10 — Clyde, here.
Feb. 13 — Comanche, here.

Coleman, Winters and Ballinger are added to the district next year.

Charlotte Mason is Maverick Coach and Shirley Frazier is Maverick coach.

David R. Harper, Longtime Ciscoan Rites Thursday

Funeral will be at 2 p. m. Thursday for David R. (Bob) Harper, 86, at the Rust Funeral Home Chapel. Burial will be in Oakwood Cemetery.

Mr. Harper died Monday in a Jefferson hospital after an apparent heart attack. He and his wife had been visiting in Grove with a daughter, Mrs. A. M. Jensen.

He married the former Iva Bolinger on Dec. 30, 1906 in Eastland. He was a native of Eastland County and had lived here all his life.

Mr. Harper worked on the MKT railroad from 1919 until 1947. He also had various other jobs. He was one of the few people living who witnessed the Santa Claus Bank Robbery. He helped carry the money from the robber's car.

He was a longtime member of the First Baptist Church, secretary of the WOW, and a member of the IOOF.

Survivors include his wife; three daughters, Mrs. Troy Rodgers of Austin, Mrs. A. M. Jensen of Groves, and Mrs. Paul Cozby of Winters; two sisters, Mrs. Johnny B. Loftin of Eastland, and Mrs. Elzina Duncan of Okla.; one brother, Era Harper of Gorman; six grandchildren; and 20 great-grandchildren.

Showing slides of the work, the people and their home there, Dr. Garrett pointed out that gifts to missions certainly are a bargain. "Our budget for a year is right at \$12,000," he said, "and we treat some 22,000 people, so that figures out to some \$50 a call."

Lee Graham, president of the churches Brotherhood was master of ceremonies and the Garretts were introduced by the pastor, Rev. Haston Brewer. The special program launched the churches annual Missionary Appeal program, and the Lottie Moon Christmas Offering.

At the end of the program the pastor, on behalf of the church, presented the Garretts with a check for \$500 to be used as they see fit in their missionary program. Another check for \$100 from an individual was also given them.

During the past year, the family has lived in Eastland and Dr. Garrett has been associated with Dr. M. A. Treadwell Jr. at Eastland Medical

Medical Missionary Family Ends Year of Service Here

Credited with a contagious spirit, a medical missionary couple shared an abundance of that good spirit in Eastland this week as their years fur-long comes to an end.

Dr. and Mrs. Robert H. Garrett and their children provided the program for the annual Brotherhood Ladies Night Banquet at the First Baptist Church Monday evening, and the over-100 in attendance were infected with the enthusiasm and zeal produced by the two dedicated people.

DR. AND MRS. GARRETT

Closing out a year's leave from their chosen field of work in Rhodesia, South Africa, the Garretts will be returning soon to what they call their home.

They saw much accomplishment during their first four-year tour there, and envision many advances in the days ahead, with expansion of their facilities and better service for their people there.

Showing slides of the work, the people and their home there, Dr. Garrett pointed out that gifts to missions certainly are a bargain. "Our budget for a year is right at \$12,000," he said, "and we treat some 22,000 people, so that figures out to some \$50 a call."

Lee Graham, president of the churches Brotherhood was master of ceremonies and the Garretts were introduced by the pastor, Rev. Haston Brewer. The special program launched the churches annual Missionary Appeal program, and the Lottie Moon Christmas Offering.

and Surgical Clinic, and is well known throughout this area, both for his medical practice and through the many appearances he and Mrs. Garrett have made before church and civic groups, telling about their work in Africa.

The Garretts have four children, Alita, who is in the ninth grade; Bryce, eighth grade; Cayla, sixth grade; and Dustin, fourth grade. The boys have been involved in Cub and Boy Scouts, Little League, Pony League, football and basketball.

Alita has been a member of the Co-Ed Club, which gave a "going-away" party for her Dec. 2.

The population in Rhodesia is expected to double in the next ten years and more facilities and services are going to be needed to help the influx of people, Dr. Garrett said. Southern Baptist Missionary work in Rhodesia has been in existence since 1950.

Entertaining with special music following the banquet meal was a quartet composed of Dr. Treadwell, Don Nicholas, Clint Bray and Johnson Smith.

Mrs. Garrett and children sang several songs in the native tongue prior to the showing of the slides.

The family expressed appreciation to the people here for their generosity and for the

DR. AND MRS. GARRETT

blessing of having lived here while back from Africa, but spoke lovingly of returning to their work with the people who need help so badly.

10¢ takes your child to Africa, Oz, and the land of Thimble-size people

Choose ANY 3 BOOKS for only 10¢

If you enroll your child in the Junior Deluxe Editions Club and agree to accept 6 books during the coming year.

581. THE WIZARD OF OZ by L. Frank Baum
Remember the Scarecrow who wanted brains, the Tin Woodman and Cowardly Lion? They live in the Land of Oz, where monkeys fly, trees have arms and Munchkins dwell. They're all in this famous book, from which the movie was made.

580. THE COMPLETE ADVENTURES OF THE BORROWERS by Mary Norton
Only a few of these tiny people are still left. If you're missing a comb or a pen, they may have moved into your house. Now their complete adventures have been put into one big book—really four books in one.

572. THE STORY OF DR. DOLITTLE by Hugh Lofting
All England's animals came to Dr. Dolittle. But people stopped coming. He got poorer and poorer. Then he sailed to Africa to help the monkeys—and discovered the two-headed Pushmi-Pullyu! Even more delightful than the movie.

508 Big Red
580 Daniel Boone
582 Lassie
584 Black Beauty
586 Gulliver's Travels
595 Wind in the Willows
596 Profiles in Courage
597 My Friend Flicka
598 Andersen's Fairy Tales

ALL KINDS OF ADVENTURES await in this special book club for boys and girls. Some books whisk them back in time to meet famous men like Davy Crockett, Marco Polo and Daniel Boone. Others take them to live among pirates...fight with King Arthur's knights...sail on a giant submarine 100 years ago. Each illustrated hard-cover book has its own colorful jacket.

Each month you get a free announcement telling all about the Club's current selection and other books. If you don't want the monthly selection you can choose another book or take no book at all. Your only obligation is to accept six books during the coming year, at the low price of only \$1.69 each, plus shipping and handling.

To enroll, just send a dime with the coupon. If not delighted, return your three books within 10 days and owe nothing.

The People Behind Your Electric Switch

It takes more than generating plants, substations, transformers and electric lines to provide your good electric service.

It takes people—employees with know-how and experience who take pride in serving you well.

The 2,600 employees of Texas Electric Service Company represent a wide variety of skills. Their abilities and commitment to service are reflected every day in the way you are served.

These are experienced people. Actually, about ten percent of the company's employees are members of the Quarter Century Club signifying 25 years or more of continuous service with the company.

These are the people who are serving you when you turn on lights or an electric appliance... the hundreds of people behind your electric switch. They work constantly to maintain a high standard of service—so you can live better electrically.

John Reynolds, Who Paid First SS Tax at 83, Still Active at 97

John Reynolds paid his first social security tax at the age of 83. Mr. Reynolds was born 97 years ago on December 2, 1872, in Montgomery County, Texas. His father was a farmer and moved the family to Llano County where they lived until 1882, when they moved to Gillespie County where he farmed until 1910. This was the year Mr. Reynolds moved to Eastland County where he has lived a happy and active life. He farmed most of his life and still has a garden each year. This past year he raised a variety of vegetables and sold over \$30.00 worth of blackberries. In 1955 Congress passed a law covering farmers under social security and Mr. Reynolds paid his first tax as a self-employed farmer. By 1959 he had acquired enough work credits to qualify for social security benefits and has continued to draw ever since.

In 1966 he became eligible for Medicare and is very thankful for its protection. However, Mr. Reynolds is a stranger to sickness having never spent a night in a hospital. Mr. Reynolds indicates his secret for long life is a clear conscience and a satisfied mind. He says "Worrying is just like sitting in a rocking chair — it just doesn't get you anywhere." Mr. Reynolds is still very active with a firm handshake and a clear mind. In fact, he climbed his peach tree this year to gather his crop. How's that for a 97 year old youngster? Mr. Reynolds has given his consent for us to use his story to better inform people about social security.
