ABOARD SHIP, OFF VIETNAM

Michael D. Miller, (21), a native of Eastland, is a seaman onboard the Seventh Fleet oiler, USS Mattaponi, operating off the coast of Vietnam supplying other ships with fuel oil.

Mike works as a fire control technician performing maintenance on one of the gun directors, a radar device used to track targets and provide the gunners with co-ordinates. During General Quarters, Mike helps man one of the five-inch 50 cal. gun mounts guiding the direction of fire.

SN Miller, who has been onboard the Mattaponi for a little more than a year, is the son of Mr. and Mrs. Darwin Miller of 305 South Oaklawn in Eastland.

Grover Mangum Wins AF Award

AGUADILLA, P. R. — Sergeant Grover C. Mangum, son of Mr. and Mrs. G. C. Mangum Sr. of R. 1, Carbon Tex., has been recognized for helping his unit earn the U. S. Air Force Outstanding Unit Award.

Sergeant Mangum, a security policeman in the 72nd Security Police Squadron at Ramey AFB, P. R., will wear the distinctive service ribbon as a permanent decoration.

The unit was cited for meritorious achievement through continuous dedication and training and for its high degree of experience, professionalism, proficiency and preparedness from July 1967 through June 1968.

JAYCEE OF QUARTER — Richard Rossander is Jaycee of the Quarter, named at the Quarterly social Friday night at Jaycee Hall. For the past three months, he was chairman of the Christmas in Vietnam project, chairman of the Christmas social and has trained and visited other clubs and has attended state and area functions. He is liaison officer for the winter meet.

Girl Scout Plan Sale Of Cookies Feb. 13-22

"Brownie, Junior, and Scouts in Eastland will soon be participating in the 16th Annual Cookie Sale, sponsored by the Heart of Texas Girl Scout Council, Mrs. Ed Ehrbridge, Girl Scout Cookie Chairman for Eastland announced today.

Dates of the sale are February 13-22. The 1969 Council goal is to sell a total of 72,000 packages of cookies. The quota for Eastland is 2,352 packages. This is a project by and for the Girl Scouts and it affords every Girl Scout an opportunity to assume responsibility while practicing sound business methods. The girls will not only add to their own troop treasury but will aid the Council, of which Eastland is a member, in bringing better camping to more girls.

Funds for the maintenance and development of camping facilities come almost entirely from this annual sale. Council proceeds from this year's sale will be used for further development and maintenance of the camp. Proceeds retained in the troops will be used to buy essential material for troop activities.

Carbon Whips Wildcats, 47-43

The Carbon Wolverines got their 10th straight District 24-B basketball win in Carbon Friday night as the Rising Star Wildcats fell, 47-43.

The victory cinched a tie for district honors for the Wolverines as the season continues. The Wolverines are now the district leaders, while the Wildcats are 6-3.

Rickie Pack paced Carbon with 22 points. While Dalton Hughes was high for the Cats with 18.

The Rising Star girls, now leading the district with a 9-0 record, beat Carbon, 39-24.

M.Y.F. Crowns Royalty At Annual Banquet

Jeff Jackson and Earin Miller were crowned King and Queen of the Eastland MYF at the annual Sweetheart Banquet held Thursday evening at the First Methodist Church.

Over 50 attended the event held in the Fellowship Hall of the Church, catered by Mrs. Donna Brown. Mrs. Ed Ehrbridge was in charge and served as Mistress of Ceremonies. The Rev. Len Layne is pastor.

Donald Kinnaird Jr. was speaker for the banquet which had as its theme "Crown Jewels."

He closed by saying: "Knowledge obtained while you are young will turn into wisdom when you are older. By nature all men are alike; but by education you become different. I can only hope for each of you to obtain as much as you possibly can. Each of you young people here tonight must always re-

Lakeside Country Club Hit By Destructive Fire Friday

The Lakeside Country Club pro shop was totally destroyed and the game room heavily damaged in an early morning fire Friday, described by Fire Chief Wayne Jackson as a real "hot one."

The alarm was turned in at 2 a.m. and when the firemen got to the club on the northwest edge of town, the roof of the pro-shop had already caved in, Chief Jackson said. "We poured a lot of water onto the game room area on the east end," he said, "to try to save that part."

Three loads of water (3,300 gallons) was taken to the fire in the Rural Truck, he said, and the intense heat prevented a thorough investigation until later Friday and the investigation was continuing.

Owned by the Lakeside Country Club Association, the clubhouse and golf course are under lease to L.R. Pearson Jr. A good deal of private property in the form of golf clubs, carts, shoes and other equipment was also lost in the fire, Chief Jackson said.

Cause of the fire was undetermined, but guesses were that it probably started about the middle of the pro-shop.

Christi Grace is manager of the club. Officers and directors indicated that the club was covered by insurance and that the facilities would be rebuilt.

Neal Day is president of the Lakeside Country Club. Andy Taylor is secretary, and these are directors: W. Q. Verner, Don McClendon, Bob King, Bill Morton, Joe Anderson and David Willoughby.

Benefit Game, Other Gifts Ups Mezell Fund To \$1,000

There was plenty of basketball action in Eastland Gym Thursday evening and the Danny Mezell Fund was benefited by a total of \$328.19 as well.

The gate receipts amounted to \$318.14 and the Eastland FFA Chapter contributed their concession stand receipts in the amount of \$10.05 for the fund. Benefit Game Chairman Dale Bakker presented the money to the Fund Treasurer at halftime.

(Incidentally, the Eastland Outsiders beat the Olden Outsiders, 65-48.)

These funds, plus other additional contributions have pushed the total to the fund above the \$1,000 mark.

Other contributions announced by Treasurer James Reid are as follows:
Eastland Church, Christ \$100.
Mrs. Laura Noble 5.
Anonymous 20.
Mr. and Mrs. D. C. Hughes 5.
Mrs. J. M. Mosley 5.
Mr. and Mrs. Pat Mosley 5.
Outsiders ball game \$318.14
F.A. receipts 10.05
Previously reported \$468.19
TOTAL \$1,017.69

Persons wishing to contribute, may do so in care of Mr. Reid, at P.O. Box 391, Eastland National Bank, Eastland, Tex. 76448.

Bombers Due To Make Low Level Flights in Area

This city is among those in West Central Texas over which Dyess Air Force Base tactical bombers will be conducting low level flights during the next few weeks, according to a report to city officials.

The training missions require flights at altitudes of 500 feet during the day and 1,000 feet after dark, the report said. The hours of these flights will generally be from 3 a. m. to midnight.

Dyess officials said all care would be taken to minimize disturbances of the civilian communities.

Cities over which the flights will be made include Cisco, Eastland, Putnam, Moran, Baird and others.

Lions Banquet Is Planned For Thursday Night

Plans are nearing completion for the annual Cisco Lions Club Ladies Night banquet at 7 p.m. Thursday, Feb. 13, at the Corral Room of Hotel Victor, Winston Heidenheimer, club president, announced Friday.

Bob Himmet will serve as the master of ceremonies. Details of the program are expected to be confirmed in time for announcement in Tuesday's edition of The

Tickets will be \$2 each, and the banquet will be the club's only meeting for this week as the Wednesday luncheon was cancelled by a vote of the members. Decorations will be handled by a committee headed by Mrs. J. W. Siton and Mrs. Heidenheimer, assisted by Mrs. N. C. Huston, Mrs. Willis Parker, Mrs. Sterling Drumwright and Mrs. Jack Anderson.

Woman Met Man' Is Las Leales Club Theme

The Las Leales Club met Monday night at the Woman's Club for a meeting titled "All Because a Woman Met Man". Mrs. Wayne Cator and Mrs. John Hart reviewed selections from "First Dates and Other Disasters", a collection of short stories compiled by Arthur Unger. The stories reviewed described the sadness and joy, the laughter and tears, of early dating experiences.

Members answered roll call with "Puppy Love." The speakers were introduced by the hostess, Mrs. Gene Boney, who read the quotation "You're all dressed up for your first date, and suddenly, you wish you were somebody else" . . . Unger.

Mrs. J. T. Gregory presided and conducted the business meeting. She read a card of Dr. Kinnaid for the silver spoon the club presented to his daughter, Carol Ann. Mrs. Maurice Dry presented the treasurer's report, and Mrs. Gene V. Rhodes, secretary, read minutes of the previous meeting and called roll.

Mrs. James Horton, chairman of the Heart of Texas District Scholarship Loan Fund, described the fund. She explained that this is the only district in Texas Federation of Women's Clubs which maintains a scholarship fund separate from the state fund. Mrs. Freyschlag Is Martha Circle Hostess

The Martha Circle, of the W.F. of the First Christian Church met Monday Morning at the home of Mrs. Chas. Freyschlag. The opening prayer was led by Mrs. Carl Gar-

Mrs. Juel Browning presided over the business meeting in which the service chairman Mrs. R. T. Marness introduced a project to prepare shirts for special patients in Dr. Schweitzer's Hospital in Haiti. It was decided by the group to host the general meeting of the Christian Women's Fellowship Feb. 13 in the home of Mrs. Lee Tow, at 3:00 p. m., also to have the next group meeting at the Parsonage, with Mrs. Eugene Williams Feb. 10 at 7:30 a. m.

Mrs. Vane Daniel taught the lesson from the study of "Southeast Asia Kaleidoscope" and used the map to explain the geographic locations, and also of the countries referred to the population, religion, and language of each. She showed colored pictures taken by her husband of this area during the time he served in the armed forces. On the subject of "Toward a United Church" it was explained that it is necessary to lose one's identity to be effective in their work, as missionaries. It was suggested that each member of the group take a name of one missionary, and correspond with them for better understanding.

A very impressive worship service was conducted by Mrs. Joe Tow, the subject "You are my Witnesses", she pointed out many ways God's love and hope to community needs from day to day.

The offering, which is part of the worship, was taken, and a treasurer's report was given. Refreshments were served by the hostess to Meses: Bassett, Lockett, Horn, Garrett, Magness, Maxwell, Tow, Throne, Williams, Daniel, Verner, and Browning, the meeting closed with the missionary benediction.

DRAWING TOWARD GOD

The Art and Inspiration of **JACK HAMM**

Introduction by **CHARLES SCHULZ** Creator of "PEANUTS"

DRAWING TOWARD GOD is a book designed to apply scriptural truth to everyday living. By means of some 50 full-page drawings interspersed in the text, the reader is led to reflect with the artist-author on the great issues of life. Over a billion impressions of Jack Hamm's religious art have been printed in the U. S. and 17 foreign countries. For the first time he sets down his reasons behind the drawings. Winner of four national cartooning awards, Hamm contends that the nature of God and man's nature need to be, and can be, related one to the other.

"Jack Hamm has a way of using his brush, crayon, and words to cut through to some of the great theological truths that concern us all. This is a marvelous book for individual meditation, or for any group of dedicated people who wish to have a guide to promote inspirational discussion. Jack has a rich imagination and a fine sense of fundamentals. We have been blessed in our world with many great editorial cartoonists, but I know of no other man who has been able to turn his talents to interpreting religious truths as Jack Hamm."
From The Introduction
By **CHARLES M. SCHULZ**
Creator of "Peanuts"

"I like the work of Jack Hamm. He has a great gift for picturing, and therefore making simple, important truths that would be difficult to express so explicitly in words."
DR. NORMAN VINCENT PEALE

"A fine artistic portrayal . . . bringing the inspirational Word of God into American homes."
J. EDGAR HOOVER
Director of F. B. I.

"The most difficult task for a cartoonist is to sustain a point of view over a long period of time, even when the subject is the Word of God. Jack Hamm has kept his work in such sharp focus that it sustains the believer among his readers and most certainly gives hope to those who need it."
MILTON CANIFF
Creator of "Steve Canyon"

"Jack Hamm is helping to create a moral and spiritual atmosphere throughout the United States."
BILLY GRAHAM

"How better to reach people of all ages than with the timeless scriptures retold in timely pictures."
PAUL HARVEY

YOUR FLORIST TALKS ABOUT FLOWERS

RED THE ROSE—BLUE THE VIOLET

"Roses are red, violets are blue..." These words from one of the oldest and most cherished rhymes of our times have probably been spoken more often by more people, than any other.

Red roses are still popular with most everyone, but in recent years other colors of roses have been coming to the top of the wanted lists. White roses, delicate pink, red and yellow to bring forth the "circus" or whatever name you may have for it, has become a popular rose with fanciers.

Whatever rose color you prefer... we usually have it. A lovely bouquet of roses can be prepared for you in minutes at our shop. Just call for the loveliest, freshest flowers in town.

Mr. and Mrs. Lindian Reynolds have been named to the Honor Roll for the first semester at the University of Texas at Arlington. Each had a 2.706 grade point average.

Lindian is the son of Mr. and Mrs. W. E. Reynolds of Rt. One, Carbon, and Mrs. Reynolds is the former Nancy Justice, daughter of Mr. and Mrs. Glen Justice of Rt. Two, Gorman.

They both graduated from Carbon High School and attended Cisco Junior College.

Research Grant Is Approved For Eddie M. Dry

Eddie M. Dry was one of three Sul Ross State College faculty members to have study plans approved by the Board of Regents for Senior Colleges of Texas at the regents meeting in Austin January 10.

Leaves for study and research were awarded to Dwight E. Deal, William A. Tindol, and Dry, instructor of business administration, for the academic school year beginning September 1969 and ending May 1970. Each grant will pay one-half of the professor's salary.

Dry intends to study developmental and international economics at the University of Arkansas in order to conduct economic research concerning the growth of Northern Mexico. Additionally, Dry points out, the college would be able to offer courses in development economics at a later date.

The son of Mr. and Mrs. Maurice Dry, Eddie is a graduate of Eastland High School.

Hearing Tests Set For Eastland

Free electronic hearing tests will be given in Eastland on Tuesday, February 11th, 10:00 a.m. to noon. Anyone that has trouble hearing or understanding is welcome to come in for a free test using the latest electronic equipment to determine his or her particular degree of hearing loss. Diagrams showing how the ear works and some of the causes of hearing loss will be available. Visitors can also see how a simple operation on the ear has helped thousands of people to hear again and how the latest electronic developments are helping thousands more.

Everyone should have a hearing test at least once a year if they have any trouble at all hearing clearly. Even people now wearing a hearing aid or those that have been told that nothing could be done for them should have a hearing test and should find out about the latest methods of hearing correction.

The free hearing test in Eastland will be at the El Morocco Motel on Tues. Feb. 11, 10 a.m. to noon.

Tom Copeland will conduct the test through the courtesy of Beltone Hearing Service, 890 Hickory St., Abilene, Texas.

If you are unable to attend please contact Mr. Tom Copeland at the El Morocco Motel and make an appointment for a free hearing test in your home.

OFFICERS ELECTED AT MOHAIR MEETING

Mechandising finished mohair products, new product development, proposed mohair grade standards and technical information on flammability, tests highlighted the annual membership meeting of the Mohair Council of America, held here Jan. 30.

More than 150 persons attended the session, including most of the council's directors located in 21 Districts.

Dolph Briscoe, Jr. of Uvalde, who has headed the council since it was created three years ago, was re-elected president. Gail Dudley of Comanche was re-elected vice president, and Walter Pflueger of San Angelo was re-elected secretary-treasurer.

The Council's directors approved a budget of \$395,000 for the fiscal year 1968-70 and producers gave their unanimous approval to continue the 1.5 cents per pound deduction on mohair marketed during the 1968 calendar year.

Eleanor Kairalla, who supervises publicity and promotion activities for the council in New York, and Lee Clark, the council's market development director, issued encouraging reports of interest being shown in new fabrics and yarn development, but both women warned producers and directors that a mohair labeling program would have to be undertaken if past efforts in promotion continues to be effective.

"We can create all the consumer interest in the world for mohair but we can't capitalize on it effectively without proper labeling of our products," Mrs. Clark declared. Mrs. Clark called the labeling situation a "broken link" in the chain of progress, since current labeling methods are detrimental to creating market stability that mohair vitally needs.

Mr. Andrews, whose firm has completed limited tests for the council said, "The tests have proved that mohair is one of the most resistant fibers to fire and further tests could boost the fiber to new uses because of its safe features.

Elroy Pohle, with the USDA fiber testing laboratory in Denver, said work is continuing on establishing mohair standards, and he is being given full support of the Mohair Council in setting up these standards.

In other action, the council membership approved two by-law changes which call for an additional meeting of the Board in August and approval of the board to have authority to fix compensation and travel allowances of all council directors and members.

Briscoe called the meeting one of the most informative general sessions ever held by the council.

Directors named and present from the immediate area included Joe Jackson of Ranger and Perry Horton of Mineral Wells.

Directors are elected to area according to the number of pounds of mohair given in the local area ASCS offices.

LAMB-HAUGER VOWS REPEATED JAN. 25

Kathy Jane Lamb and Barney A. Hauger, Jr. were married at 7:30 p.m. on Saturday, Jan. 25, in Richland Hill Church of Christ in Fort Worth.

Parents of the couple are Mr. and Mrs. Fred E. Lamb of Fort Worth and Mr. and Mrs. Barney A. Hauger, Sr. of Springtown.

Twin baskets of white gladioli flanked an arch of greenery before which J. Woodie Holder, minister of Sunset Ave. Church of Christ, Fort Worth read the double ring vows.

Mrs. James Calvert, aunt of the bride, was organist; Merion Montgomery, cousin of the bride, sang "O Promise Me."

her veil of illusion. A single strand of pearls was her only jewelry. Her attire included the traditional "something old, new, borrowed and blue and a sixpence in her shoe."

Bridal bouquet was a cascade of white feathered carnations and daisies centered with pink rosebuds and a long white taper holding a century-old wedding band which belonged to her great-grandmother. As she approached the altar, she presented her mother a red rose; repeating the gesture to the bridegroom's mother as the couple left the altar.

Mrs. Paul Free was her sister's matron of honor; bridesmaids were Frances Meyers and Vicki Calvert, cousin of the bride. Their ankle-gowns of blue crepe were worn with matching veils of illusion held by Dior bows. Matron of honor in Oriem blue, bridesmaids in light blue. Matching shoes completed their attire. Each carried a long stemmed pink rose.

Eddie Hauger attended his brother as best man; groomsmen were Curtis Briscoe and Richard Carlier of Ft. Worth. Guests were seated by Bill White and Bill Lamb, brother of the bride, both of Fort Worth. Scott Free, nephew of the bride, was ringbearer.

For her daughter's wedding, the bride's mother chose a salmon crepe dress with white lizard accessories. The bridegroom's mother wore a royal blue two-piece suit with black kid accessories. Both mothers wore white corsages.

Reception followed in the home of the bride's parents with Mrs. Becki Calvert and Mmes. Curtis and Richard Carlier and the bridesmaid as members of the houseparty.

The bride's table was laid with a white linen cloth from Spain, compliments of Col and Mrs. James Calvert. Centering the table was a single red rose in a crystal vase. Pink elfin roses tied with satin ribbon and granary completed table decoration. Appoint-

ments were crystal. The three-tiered cake, adorned with blue bells and roses and crowned with miniature bride and groom, was served with wedding bell minis and punch. For a wedding trip to Ardmore, Okla., the bride chose a pink knit dress with matching jacket, brown head accessories and corsage of pink rosebuds.

The bride is a 1966 graduate of Richland High School and is presently employed with Lone Star Gas Company. The bridegroom, a graduate of Springtown High School, served four years with United States Air Force and is currently employed by General Dynamics in Fort Worth.

The couple is at home, 7034

D. Edgmere Place, Fort Worth. Out of town guests included Mr. and Mrs. W. E. Calvert, parents of the bride and Mrs. Ben Patterson, aunt of Ranger, Mr. and Mrs. L. Montgomery, Sr. and Mrs. L. Montgomery, Sr. and Mrs. Lynn Lamb, grandmother of the bride, of Breckenridge.

Think *everything* costs more today?

Two exceptions are electric appliances and electric service

In spite of inflation, the dollars you spend for electric appliances and electric service buy more today than they did about 20 years ago.

Electric appliance manufacturers have done well in holding prices down. You get more appliance for your money now than in 1948.

In our own business, through sound business practices and technological advances, such as the use of larger, more efficient generating units, we have kept ahead of your electric energy needs and have been able to sell electricity at a lower average unit price.

Since 1948, the average selling price per kilowatt-hour of electric service to our residential customers has come down 32.7%.

True, most monthly electric bills are higher today, but that's because most folks are using more electricity to enjoy added electric comforts and conveniences.

Although continuing inflation makes the task increasingly difficult, you may rest assured we will continue to do our best to keep the price of electric service low — the biggest value in your household budget.

- **A DISHWASHER**
costing \$339.95 in '48 is \$299.95 now and offers more cycles, better styling, more setting space.
- **A ROOM AIR CONDITIONER**
at \$425 in '48 averages \$175 today and it looks better, works better and is cheaper to operate.
- **ELECTRIC DRYERS**
at \$299 in '48 now range from \$249 to \$299 with electronic dampness controls, many cycles, end-of-cycle signals, permanent press controls—and some models for as little as \$100.
- **A REFRIGERATOR FREEZER**
in '48 at a cost of \$31 per cubic foot is now \$22 per cubic foot and you get no-frost, thinwall insulation, ice-makers, decorator fronts and colors.
- **AN ELECTRIC RANGE**
which was \$343 in '48 is \$350 today. And that's with all the modern sophisticated controls and self-cleaning thrown in for good measure.

VALENTINE VIGNETTES

by
Magdalene Boyle

For All Hearts

Very long ago indeed,
A day for love became the creed;
Lips unlocked their secrets then
Embellished with poets' lyric pen.
Now in these days of war and strife,
There's more need than ever for love in life.
In Eastland County let's do our share
Now to bring sunshine everywhere—
Endear each neighbor as a friend;
Show love and gentle ways that blend!

For The King of Hearts

Don't forget to remember here;
A rose or perfume or candy, Sir;
You'll ne'er regret being kindlier!

For The Queen of Hearts

First on your list of hearts is he,
Extol the man with whom you agree,
Build up his ego and praise his physique,
Romantic words from your lips bespeak;
Unlock the love within your heart,
Amaze him with a sport car smart,
Render him speechless with a car that's new—
Yes, you'll win his attention, too!

For A Pair of Hearts

For this year's Valentine Salute,
O'er Ranger way we now commute;
Unlock the door of Swaney Drug,
Revealed therein's a business snug;
The friendly boss who welcomes you
Enjoys a wife who's sweet and true;
Entwined for 47 years,
Not time nor age has scarred these dears.
To Willard and Mary we extend our hand;
Here's to two people we think are grand!

Big Audience Attends Vanocur Talk At CJC Annual Chamber of Commerce Banquet Set Feb. 14—7:00 p. m.

A near capacity crowd that was composed of people from throughout this West Central Texas region attended the Sander Vanocur Lecture that inaugurated the 1969 Current Affairs Series at Cisco Junior College Wednesday night.

Mr. Vanocur, nationally known television news correspondent, spoke for 45 minutes to discuss national and international affairs since 1958 and then spent another hour answering questions from the audience. He was introduced by President Leland Willis of CJC.

The speaker, who was a pallbearer at the funeral of Publisher Ralph McGill in Atlanta, Ga., Wednesday afternoon, was about 30 minutes late in arriving in Cisco. He flew by air to Dallas and then took a twin-engine charter flight to the Cisco airport. He flew back to Dallas in the charter plane following the lecture. He was scheduled to lecture at SMU in Dallas tonight.

Mr. Vanocur, whose career as a television news correspondent began in 1958, told of the Little Rock integration trouble that brought racial problems from a regional thing in the south to the national spotlight where he said it belongs.

The late President Kennedy was described as the "ideal type" to head this nation. Vanocur said he set the tone, the style and the goals for the country, "and this I consider is the mission of the presidency."

Vietnam was described as a mistaken involvement for the US by Mr. Kennedy. LBP's finest hour, Vanocur said, was the way he rallied the American people after the Kennedy assassination. The huge 1964 margin of victory was regarded by Vanocur as LBJ's big problem in later years.

"The tragedy of LBJ," he said, "was that he had to do too many things at the same time." He regarded LBJ's decision not to run in 1968 as the one act that brought about the peace talks in Paris. Hanoi started listening to him, he added.

Other items of comment by Vanocur included: Nixon deserved the 1968 nomination. He worked for it. Nixon should watch the bureaucrats or they will take over and do nothing. Nixon is working hard and shows great political judgment.

The Democratic Convention in Chicago was the worst episode in Vanocur's life. He felt that it defeated Humphrey.

Wallace performed a service by speaking out against big government.

The nation's big need is to turn more things over to private industry, which is usually better equipped than a big government to handle problems like urban blight, race unrest, and so forth.

The interest of young people in national affairs offers hope that the nation's world image will improve. Nixon may prove to be the perfect choice for the times.

The next decade's success may well depend on the government leaving more things to local initiative. This nation has gone through a bad five years.

The welfare programs of the big cities are so bad that Vanocur would accept a guaranteed income plan.

Paris peace talks will be slow in producing results and "we can't hope for anything very good to come out of them."

The United Nations is effective at times... is a useful place for talks.

Recognition of Red China won't come soon... "We can't give Taiwan back to the Chinese."

Ted Kennedy will run for president, but Vanocur won't guess when. He had no comment on the Garrison trial in New Orleans.

The audience was entertained by a CJC trio — yesterday's Children—composed of Delena and Dwain Fain and Gary Morris before the Vanocur talk.

ACE REID is coming to Ranger — and that's news! He will be guest speaker for the Chamber of Commerce Banquet to be held at Lone Cedar Country Club on Friday evening, Feb. 14.

It has been said that Ace Reid has touched the "funny bone" of more Texans than any other man in the state; but let's let him tell it like it is: Reared as a cowboy, Ace

Reid received his training on 4,000 acres of old pasture and sorta studied in the school of hard knocks under very droughty conditions.

After years of shocking what, breaking horses and fixing fences on his father's ranch at Electra, Tex., the 6-footer decided it was easier to draw cowboys than to be one.

Remembering the drought, Ace says he was 21 years old before he saw a fat cow. This may explain the lean animals and hungry look on the face of Jake and Zeb, his favorite Cowpokes characters.

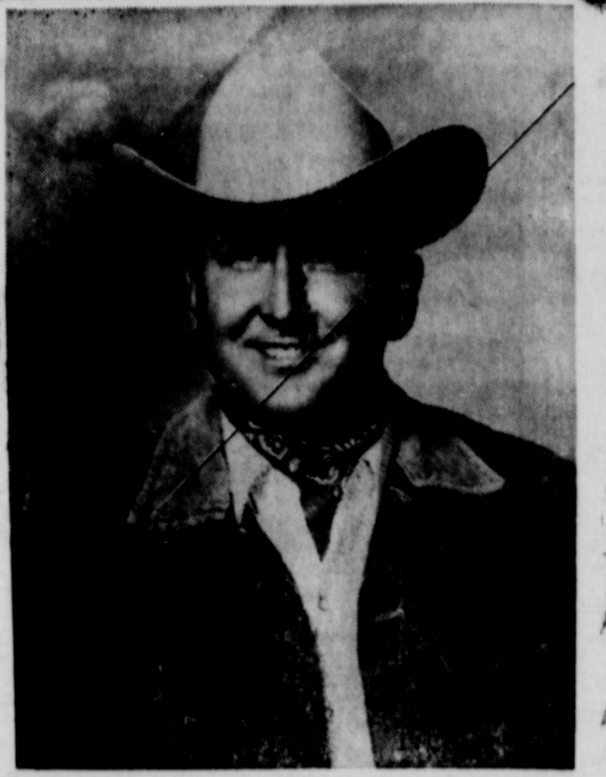

Books by Reid include: "Cowpokes," "Cow Country Cartoons," "More Cowpokes," "Cowpokes Wanted," "Them Cowpokes" and "Draggin' S

Ranch." There are also postcards and calendars, the 1969 edition being distributed in Ranger through the courtesy of Glyn Gilliam and First State Bank.

Reid, his wife, Midge and son, Stan, live on the "Draggin' S Ranch" near Kerrville and, as Ace laughingly admits, "I have to cartoon to afford it."

It is said by those who know that he is funnier in person than on paper, and on this testimony we say "Come and see."

Tickets are now on sale at the Chamber of Commerce or from any member of the Board of Directors. The price is \$3 each and a record crowd is expected to attend.

Red Raider Stage Band To Perform

DUE FOR CISCO CONCERT — The 90-member Texas Tech Concert Band led by Professor Dean Killion will be presented in concert at Cisco High School on Feb. 19, by the Lobo Band and the Cisco Band Boosters Club. Major Helps Win Award

Major Carl B. Nichols Jr., son of Mr. and Mrs. C. B. Nichols of Rt. 2, Rising Star, has been recognized for helping his unit earn the U.S. Air Force Outstanding Unit Award.

Maj. Nichols, an avionics staff officer in the 437th Military Airlift Wing at Charleston AFB, S.C., will wear the distinctive service ribbon as a permanent decoration.

The 437th was cited for exceptionally meritorious service during its combat air resupply airlift operations around the world from July 1967 to July 1968.

This marks the third time in four years the wing has been honored as an outstanding airlift unit.

Maj. Nichols, a 1947 graduate of Rising Star High School, received his B.S. degree in textile engineering from Texas Technological University in 1953 and was commissioned there upon completion of the Air Force Reserve Officers Training Corps program. He earned his M.S. degree at Southern Methodist University in Dallas.
