1 Contest for Voters in Saturday School Vote

The Eastland School Board election will be held from 8 a.m. to 7 p.m. Saturday, April 5, in the County Courthouse.

DON KINNAIRD JR.

JOE CULPEPPER

Election judge will be Mike Collins and election clerks will be W. M. Leslie and Wendell Armstrong. Bernard Hanna is opposed for re-election to place Four.

Contestants for place Five are Don Kinnaird Jr. and Joe Culpepper. Dr. F. H. Lund, who has served in place Five, did not seek re-election.

Other members of the board are J. T. Gregory, W.M. Jones, Winston Boles, V. T. Scabery Jr., and Robert Perkins.

Statement by Joe Culpepper, candidate for place Five:

It is with a great deal of humility that I place my name on the ballot for Eastland Independent School Board, Place Five.

I just want to say that I consider it each man's duty to be willing to serve on this board.

I love Eastland, I love kids, especially Eastland kids, and I would consider it a privilege to serve our schools and our kids.

I have the highest regards for the men who now serve and the men who have served, as well as the administrators who carry out the policies of the board.

If the voters so decide, I will look at each decision with an open mind, do my best to make fair and just decisions, based on each matter as it is presented.

I realize that cooperation is essential and that traditions are good. I also realize that changing times and conditions require an open mind.

I am just willing to do my best.

Statement by Don Kinnaird Jr., candidate for Place Five:

I wish to thank this newspaper for the opportunity of allowing each of us to make a statement regarding our candidacy for Place Five on the Eastland Independent School Board.

Upon learning that there would be a position open on the board, and having been approached by my friends, I decided to offer my services in this capacity.

My former association with the teaching profession combined with a deep interest in our schools motivated this decision.

I feel that Eastland children have benefitted greatly by the programs and policies advocated by the present board, administration, and teachers.

It would be my hope, if elected, to be able to aid in the continuation of these fine programs. I feel that this could easily be done and yet be able to consider any matter which might come up on the basis of its merit.

My family and I would appreciate any support you might give me and I would encourage each of you to vote. Win or lose I would hope that a large number of the eligible voters would exercise this privilege.

Mr. Neill attended the Kokomo on land deeded to his father by the State of Texas in 1891, was in Eastland to study records and talk with folks. He seeks data to be placed on a community marker that will be erected and dedicated at the Kokomo homecoming in May.

Kokomo once was a thriving community with a Methodist Church, a school with 82 students in 1909-10, a post office, a cotton gin, three general stores, two doctors and other public buildings and activities.

Today, a farm road goes through the center of the community but there is little evidence of its former physical properties. But the Kokomo people are still as proud as ever of their rich heritage and fine community.

The Following Letter from the Chairman of Federal Communication Commission to Congressman Omar Burleson Fails to Show Any Reason Why Our Cable System Cannot Show More Metropolitan Stations.

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON, D.C. 20554

IN REPLY REFER TO:

11040-K

Honorable Omar Burleson
House of Representatives
Washington, D. C. 20515

Dear Mr. Burleson:

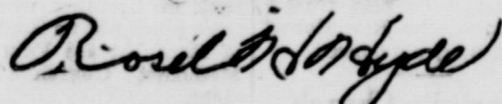

This is in reply to your letter of February 27, 1969, regarding an objection you received from a constituent in Eastland, Texas. Your constituent asserts that residents of Eastland are not permitted to receive Fort Worth and Dallas television signals on their local CATV system but are limited to coverage from Abilene.

On March 8, 1966, the Commission issued its Second Report and Order in which it asserted limited jurisdiction over all CATV systems and adopted rules to effectuate its regulation of the systems. A copy of the Public Notice issued at that time is enclosed. It is a helpful summary of the Second Report and Order and of the extent of the new regulations. Also enclosed is a copy of the text of the Commission's rules.

Under Section 74.1103(a) of the Rules, the only television station which Southern Television System Corporation, the CATV operator at Eastland, is required to carry (and even then only if the station requests such carriage) is Station KRBC-TV, Abilene. Southern Television has reported to us that it also carries KTXA-TV, Sweetwater, KERA-TV and WFAA-TV, Dallas, and KTVT, Fort Worth. If your constituent desires broader service, I suggest that he object directly to Southern Television.

I trust the foregoing will be helpful to you. If I can be of any further assistance, please call on me.

Sincerely yours,

Rosel H. Hyde
Chairman

Publisher B. A. Butler Comments on Court Try

(ED. NOTE: Publisher B. A. Butler of the Rising Star, writes the following in his column "Through the Editor's Specs" in the Thursday issue of his newspaper).

In the City of Eastland, in the County of Eastland there has existed for forty years or more an appellate court known as the Eleventh Court of Civil Appeals of Texas. The court has resided at Eastland ever since it was established in the Ferguson administration of the 1920's, and the present Eastland County courthouse was built with a fourth floor to accommodate the justices and their ponderings.

The court serves in the consideration of appeals in civil litigation from district courts in a designated area of the state, including Abilene and Sweetwater.

In these latter years and periodically with every meeting of the State Legislature, a group of Abilene attorneys, with some alien assistance, have sponsored a bill to have the court transferred from Eastland to Abilene, the argument being that it would save the Abilene attorneys travel time in appearing before the court.

The premise underlying the argument is that most of the business of the court derives

from Abilene, a premise to be doubted. But the argument, if valid, would also require the advocates of the Key City to insist that all causes in which they are concerned should be transferred to their own convenience.

Now lawyers are good, intelligent and often stimulating, if sometimes troublesome, people. I have known many and admired most of them for qualities of high moral content; men who have served with distinction not only in the courts of law but in the pews of their churches. I rise to their defense; God bless them, especially when I need them.

But in all candor, I must admit they are not town builders. No argument of my experience will shake me upon that ground. Among other things, they are the bringers down, the splitters of semantics, the architects of agreement, the practitioners of the "reductio ad absurdum", knights and squires of the judicial lists where men may join with honor in victory and dignity in defeat. They are catalysts, men—and women—who stand between friction and riot and there is nothing in the world that we could do without them.

But I wish they would let our court alone. Personally and so far as Rising Star is concerned it would make very little difference where the court is located. But I wish it because ever since our district has been sending a representative to the legislature, his time, perforce, has been taken up in leading off these Vandalish attempts to wreck the keystone of the judicial system of Eastland County.

I wish it even more so for the sake of Abilene. I like Abilene. It is a good town, full of well fed, sleek and comfortable people who want nothing but my money and are very nice to me when I go there.

But I should hate very much for the town-pardon me, City of Abilene and its good people to acquire the reputation that old George III of England got when he lost the American colonies and subsequently was sent to an insane asylum where, I am told, the attendants beat him with clubs in a too-late attempt to correct an irrevocable malady.

Old King George, whose English still smacked of an early day Hitlerism, was guilty of an economic doctrine known as Mercantilism, a philosophy which honored London as the center of the empire and debased the Big Country, including the American colonies, to the status of supporting territory.

In his Teutonic view, England owed the colonies nothing which THEY could not repay by sending all their raw materials and their money to London; and they should feel honored and sustained in so doing.

I sincerely hope that the members of the Abilene Chamber of Commerce will take the concluding leaf from Old George's book and frame it for proper study in the councils of their board.

You cannot grow gracefully by cannibalizing your friends, as the wardens of No. 10 Downing now know, coming as they sometimes must, not in hand to the well-grown child of Old George's stupidity.

Outstanding Home Economic Student Named

Carolyn Arnold, daughter of Mrs. Marvella Hobbs of 302 South Connellee, was awarded the Crisco Trophy for her outstanding work in home economics. She ranked high with an average of 98 for the first semester in homemaking.

The gold trophy was presented to Carolyn, a senior at Eastland High School, by her homemaking teacher, Miss Loretta Morris.

Carolyn has been on the A honor roll during her senior year. She has been a member of FHA all four years in high school, and served as treasurer of FHA during her sophomore year.

Airport Runway Formally Open At Ceremony

The Eastland Airport runway was formally opened Saturday when the propeller of a Ruby Construction Company plane cut the ribbon.

Mayor Pro Tem James Reid officiated and expressed the city's appreciation to the Eastland Jaycees, who are responsible for the construction of the 4200-foot surfaced airstrip which was built without state or federal aid.

Plaques of appreciation were presented to Jack Dahlstrom, president of the Ruby Company of Austin, and to Buddy Cox, general supervisor for the company. The company, which was engaged in work on Interstate 20 near Eastland, was hired to do the major part of the work on the strip. Jaycees expected to pay more than two thousand dollars for the work but company officials announced there was no charge for the work.

Dick Dixon was president of the Jaycees when the project was started. Work continued under presidents Dale Bakker and Wade Freeman.

The runway, valued at more than \$30,000, is credited with helping Eastland obtain a new industry.

The Jaycees contributed their time and work to the project, as well as raising more than \$8,000 from other projects, such as the Eastland Peanut Bowl and a Runway Footage Sale led by James Wright.

The Jaycees now plan to prepare the Eastland Airport for commercial airlines.

Deer Control Shown in Film For Lions Club

A filmed report on deer population control, showing how the legal killing of doe has helped curtail die-offs, was program for members of the Lions Club at the luncheon meeting Tuesday at the White Elephant Restaurant.

Program Chairman was Jeff Glazner. Durel Reid will be in charge of program next week. The first attempt to control deer kills was in 1909 when the legal buck limit was six. In the 1953 the doe kill began. President E. O. Moore presided and two new members, Homer Beard and John Nev-

ill, were introduced. Guest included O. L. Stamey of Cisco and T. J. Moyner of Washington, D. C.

Ray Pryor announced that Scout Troop 103 would confer three Eagle Scout awards in Court of Honor ceremonies Tuesday evening. To be so honored were Craig Lund, Rocky Maynard and Phillip Smith.

The board of directors voted to nominate Dick Dixon as Outstanding Young Man to the Jaycees; to purchase three Lions Club history books: one for the High School Library, one for the Public Library, and one for the club's use. Members were told that sandwiches and coffee would be served early at TESCO Reddy Room on the April 15, Bulb Sale Day.

Kindergarten Closes Year On Easter Theme

The Green Kindergarten closed its 14th year in March. Mrs. Ferne Green said the children have been very interested in cancelled stamp collection book, and are grateful to those who helped them with this educational and interesting hobby.

Mrs. A. E. Cushman led the students in drama this year. Most of the children can repeat the Ten Commandments. Children made Easter eggs & a gingerbread man from paper mache. They watched the Splashdown of Apollo Nine on television.

March parties included a 6th birthday celebration for Jimmy Watson, whose parents Mr. and Mrs. Ed Watson served.

Several parties were given during March. Mr. and Mrs. Joe Flinn honored their son, Joe, on his sixth birthday. A cake decorated with a covered wagon was served and the group sang "Happy Birthday" as Joe blew out the old-fashioned lamp style candle.

Mr. and Mrs. Mike Collins and Michael gave a St. Patrick's Day party and served individual cupcakes decorated with Shamrocks. Those children who have birthdays in months not included in the kindergarten schedule were honored by Mr. and Mrs. Ed Watson and Jimmy. Chocolate cupcakes topped with rabbits in pastel colors were served.

Mr. and Mrs. F. L. Spurlen & Tammy served home made cookies one day and the following week Mr. and Mrs. Alvis Rodger, and Rodney Neil served homemade brownies.

An Easter party and egg hunt was held March 27, closing day for the school. Places were marked with hens or ducks filled with candy and toys. A short program was concluded with silent prayer and "God's Little Candles." Children who will enter public school in September received diplomas.

They are Tami Lynn Calder, Rodney Neil Rodgers, Joe Harrell Flinn, Charlene Galy Parker, Jody Craig O'Neal, Tammy Lee Spurlen, Vance O'Brien, Michael Evan Collins, Dige Crabtree, Jeri Dee Matthews, Becky Lynn Thompson, Jana Lee Price, Angela Gay Therwanger, Carole Ann Kidd, James Edison Watson, Jeff Owen Bakker and Jerianne Carter.

Catholic Church Plans For Easter Announced

Rev. Robert W. Wilson, pastor of St. John's Church in Brown, St. Rita's Church in Tanager, St. Francis' Church in Eastland, and Holy Rosary Church in Cisco, has announced a special schedule for the four churches for this week in solemn observance of the Passion and Death of Our Lord Jesus Christ.

On Holy Thursday, in commemoration of the Last Supper when Christ established the Holy Eucharist, there will be a Mass at St. Rita's in Ranger at 7 p.m. and at Holy Rosary in Cisco at 8 p.m.

On Good Friday there will be the Stations of the Cross, observance of the death of Our Lord, at 12 noon at St. John's in Strawn, and at 12 noon at Holy Rosary in Cisco.

On Good Friday evening there will be a Solemn Liturgical Commemoration of the Death of Our Lord with Holy Communion distribution at 7 p.m. at St. Rita's in Ranger and at 8 p.m. at Holy Rosary in Cisco. Coffee will be served at the Holy Rosary Parish hall after the service.

On Holy Saturday the Liturgy of the Easter Vigil will be celebrated in Ranger at St. Rita's at 7 p.m. In Cisco on

Holy Saturday, there will be a covered dish supper in Holy Rosary Parish Hall at 6:30 p.m. followed by the Easter Vigil Liturgy in the church at 7:30 p.m.

On Easter Sunday, the Feast of the Resurrection of Our Lord, the celebration of the Mass will be as follows: Strawn at 8 a.m., Ranger at 9:30 a.m., Eastland at 9 a.m., and Cisco at 10:30 a.m.

During this Holy Week, Cisco will be privileged to have with them a Dominican Third Order Community made up of Father Daniel, a Cistercian priest and theology professor at the University of Dallas; 2 Notre Dame sisters from the University of Dallas; and Mr. and Mrs. Steve Landregan and family, also of Dallas. Mr. Landregan is Editor of the "Texas Catholic" newspaper and has just returned from a trip to the Holy Land.

Because of this Dominican Third Order Community, it will be possible to duplicate the Holy Week ceremonies. Rev. Wilson urged all Catholics from Ranger and Strawn to attend the Ranger services, and all Catholics from Eastland and Cisco, the Cisco services.

Lueders Encampment To Be Managed By Rev. Shepherd

The Rev. Neal Shepherd, who has pastored churches in West Texas for the last 15 years, was announced this week as new manager at Lueders Baptist Encampment. He and Mrs. Shepherd will move to the Encampment Grounds early in April.

For the last two and a half years the Rev. Mr. Shepherd has served as pastor of Calvary Baptist Church at Brownwood. Prior to that he served at Rotan's Hillcrest Baptist Church and at West Side

in Sweetwater. Before becoming a pastor he was in the construction business.

Rev. Shepherd succeeds N. I. (Doc) Williams who resigned as manager after serving 11 years. During this period, many improvements were made in encampment facilities, including a three-bedroom camp manager's home, a new chapel auditorium, street pavement, a new water line and natural gas line to the camp grounds.

Also, nine cabins have been remodeled with heat for winter and air-conditioned for summer meetings. Improvements have also been made on the kitchen and dining room.

The total attendance during the past camp seasons was 38,263. There were 2,836 decisions in the services with 797 of these being conversions.

Mr. and Mrs. Williams have moved to their home in Lueders. After a rest, he will enter some other business.

THE TIME HAS COME—TO CALL A HALT . . . EITHER THE PEOPLE IN THE TOWNS IN THIS VAST AREA ARE GOING TO BE GOOD NEIGHBORS . . . OR

The people in Eastland County are getting a little sick and a little tired of the constant threat to the 11th Court of Civil Appeals being moved somewhere else. By the Temple Dickson of the Abilene District. We're just as convinced that the best way to put a stop to this nonsense, once and for all, is to let the people who are responsible for the constant threat know that we want it stopped, Right Now!!

Not all the people in the town where the noise is about stealing our court, are interested in seeing their small-town neighbors robbed, so we're going to let them know that we need their help . . . they can let their community leaders know that they are not in favor of stripping the Appeals Court away from Eastland County.

Best way to let these people know how we feel is to remind them that we plan to do business only with those who respect our rights and our institutions.

Like-minded local citizens, firms and institutions are invited to join us in our crusade to save our time-honored court in Eastland.

Speak out . . . Sign up . . . And join the crusade for our 11th Court of Civil Appeals.

**16th County Pecan School
To Be April 18th In Cisco**

The 16th Annual Eastland County Pecan Budding and Grafting School will be held at Cisco, April 18, according to an announcement today by DeMarquis Gordon, Eastland County Agricultural Agent. The school will be co-sponsored by the Eastland County Pecan Growers Association and the Cisco Chamber of Commerce. The morning session of the school will begin at 9:30 a.m. in the new auditorium of Cisco Junior College. This session will be devoted to discussions, pictures and demonstrations on budding and grafting. After lunch, the afternoon session will be held at a local pecan orchard near Cisco. Field demonstrations will be given and everyone will have an opportunity to practice the patch budding and inlay grafting techniques. Dr. J. W. Worthington, Texas A&M Extension Service Horticulturist, will be the instructor. Pecan producers and county agent will assist with the demonstrations. Anton White, President of the Eastland County Pecan Growers Assn., said the association will have bud wood, graft wood, as well as budding and grafting supplies for sale. This will include budding and grafting wood of most of the new USDA varieties. White invites everyone to attend. He said over 1,600 men and women from central and West Texas have attended the school during the last 15 years and learned to propagate pecans.
