By H.V.O.

You wouldn't believe the things that has happened during my week at Eastland Memorial Hospital — unless you have traveled this way yourself, and then you would know!!!

Like for instance, the night I got a sleeping pill and a laxative! On the one day I had nausea, and in comes Merritt Dunn, and his cigar.

It has been a real change of pace; and as a repair and maintenance job, major surgery, only in that it was on one near and dear . . . me.

Surgeons are fantastic people. Not only are they skilled but they are also sympathetic. And of course, they are backed up by the most remarkable cadet or surgical nurses, floor nurses, LVNs aides, candy-strippers and by no means least, cooks, and kitchen help. Never let it be said that good, well seasoned food isn't served at EMH.

There are many comforts—family, friends, flowers, candy and general good cheer for patients.

And there is the unpleasant. Preparation for surgery is perfected to the inch degree. I was spared the ultimate embarrassment, when MALE LVN Student Jim Bourland of CJC did the honors, and I'll be grateful to him forever for being on duty that night.

As I said, if you've been through it, then you know, and we are Soul Brothers.

If you are among the lucky who never have had it, Praise the Lord; And may your tribe increase. (It was our first since the age six, when tonsils were removed.)

There's no describing the testing of 999 different positions to find one that is reasonably comfortable — knowing full well that everyone is doing everything they can to help you rest. But they can't rest for you.

The first night after surgery, we had just found a painless position after turning for hours, then a well-meaning nurse says, "Time to turn," and it starts all over.

But then who could forget a nurse who massages your aching back in the early stages, when you were sure it had broken in two. A cool drink, a fluffed pillow — it takes it all, or you couldn't make it.

There's humor: the early night you'd just dozed off after wrestling for hours to get comfortable and a sweet, new trainee, strictly by the book, wakes you takes your blood pressure, temperature and then, for still very good reason, asks you to "Cough and take five deep breaths." You know how a wonderful, wild beast will snarl, and knash, when provoked. That poor girl didn't know whether I was coughing, laughing, or barking.

Thank heavens for Eastland Memorial Hospital, its board of directors, administration, and staff — the friendliest, most efficient bunch of people in the world. I didn't see a frown, or a job that wasn't being done the best way possible.

My scars are going to be small, so I can't brag about them, but I'll always brag about the people of Eastland Memorial Hospital.

Three Youths Prepare for Area IV FFA Awards Banquet

The Cross Timbers District FFA Banquet, held in Stephenville, December 7, 1971, has left Brenda Carlton of Carbon, Wally Pierce and Kenny Parsons of Olden, the three first place winners in the contest, busy as they prepare for the Area IV FFA Award Banquet.

Wally and Kenny, representing the Eastland FFA, won the judges votes, as well as the audience's applause in the talent competition, with their unique country and western sound, with such songs as "I won't go Hunting With You Jake, But I'll go Chasing Women", and "I'm a Shoeshine Man."

Wally, a freshman at Eastland High School is the son of Rev. and Mrs. Wallace R. Pierce of Olden. Kenny Parsons, also a Freshman, is the son of Mr. and Mrs. Vernie Long of Olden. Wally and Kenny will entertain in various activities concerning the community, church, school, and FFA, (including the FFA Father and Son Banquet) before they compete in the Area contest.

Miss Carlton, a senior at Carbon High School, is the daughter of Mr. and Mrs. Mrs. Lillie Bell Hearn, 81, a resident of Eastland since 1923, died at her home about 1 a.m. Sunday.

Funeral was held at 10 a.m. Tuesday in Eastland Church of Christ with burial in Santo Cemetery under the direction of Killingsworth Funeral Home of Ranger.

Mrs. Hearn was born Dec. 24, 1889, in Donipran, Mo. She was a member of the Church of Christ in Eastland.

Survivors are her husband, A. M. (Ott) Hearn of Eastland; two nieces, Mrs. Willard (Lillie Mae Benkhead) Damm of Evansville and Mrs. Jack (Bernice) Benkhead) Fulgham of Brownfield; two step-daughters, Mrs. Jack C. Ertel of New Orleans, La. and Mrs. Rhea Mildred Bradshaw of Houston.

Funeral services were held Tuesday, Feb. 3, at 10 a.m. at the church. Burial was in Santo Cemetery. Interment was by Deborah Johnston.

The group decided to have a spaghetti luncheon after church Sunday morning on February 14.

Everyone is welcome. There will also be an all youth choir with youth from Cisco, De Leon, Ranger and Eastland participating. It will be February 21, at 6:00 p. m. in the Methodist Church.

Everyone is welcome to attend.

Local Youth Are Commended By Chief Morren

"As far as the City of Eastland is concerned, the young people are to be complimented on their outstanding record concerning juvenile delinquency," said Johnny Morren, during his talk at the Rotary Club meeting in the White Elephant, at 12:00 Monday.

Phillip Harrison was student guest. Mr. Morren, Chief of Police for Eastland, supplied the Rotary with facts concerning juvenile delinquency; cause and prevention. The problem is not large in Eastland. Actually there is only report on two percent of the student body being charged in juvenile cases. Two percent is about 8 people. This is an outstanding record!

According to Mr. Morren, the cause of delinquency is hard to define, but it is a definite fact that EARLY PERMISSIVENESS is the beginning of bigger and more serious offenses. A child begins to show, at about the age of three, through his obedience to rules, and respect toward authority, how well he has been previously trained. By seven, "he has not yet been disciplined, the child is near being uncontrollable, as far as his inner emotions are concerned!"

Shoplifting is an offense occurring sometimes in Eastland. Often the store owner just wants his merchandise back and refuses to give the name of child; Rarely are charges pressed. The only problem is with out disciplinary action, the child may go to bigger things. Soon charges will have to be pressed and the child's punishment will be much greater, then if the crime had been stopped in its early stage.

Most frequent among the adults is the case of bad checks. Again people rarely press charges; they just want their money back. Often it is only for a small amount. But a few fail to stop there, and as a result, the problem gets larger. A \$50.00 check is a felony. Again the punishment is greater because this problem was not stopped in its early stages.

H. T. Wilson Named Chairman Easter Seal Drive

H. T. Wilson will head the 1971 Easter Seal Appeal in Eastland County, it was announced by P. O. Settle, Jr., of Fort Worth, president of the Easter Seal Society for Crippled Children and Adults of Texas.

Residents of Eastland County will receive the annual Easter Seal Appeal letters in the mail beginning March 1. The Easter Seal Appeal, conducted yearly to provide disabled persons and their families treatment and services, will continue through Easter Sunday, April 11.

Mr. Wilson is one of 223 men and women throughout Texas who are serving in this capacity. The cost of the statewide Easter Seal program is over one million dollars, financed mainly by the Easter Seal Appeal. Almost 90 percent of all funds raised by the Easter Seal Appeal remain in Texas to support the growing needs of the disabled in the state.

Special emphasis is being given in the 1971 Easter Seal Appeal to the disabled citizen or his family in Eastland County who may need assistance and not know where to obtain it. Any disabled person can contact him at the Eastland National Bank, who will refer the request for services to the Easter Seal Society. A determination of the extent and type of assistance needed and the most efficient means of obtaining that assistance will be made. Arrangements for needed treatment or service will be made by the Easter Seal Society.

Humphreys, a graduate of Eastland High School, Ranger JC and Sul Ross State University is the son of Mr. and Mrs. Vernon Humphreys of Eastland.

Third "Evening Of One-Acts" To Be Presented Feb. 4 To 7

"TRIFLES," a suspense drama by Susan Glaspell, will be presented as part of Eastland Civic Theatre's "Evening of One-Acts: III" Thursday, Friday, Saturday, and Sunday at Bell Hurst Playhouse. All tickets are \$1.00 each and reservations may be made by calling 629-1141. Shown during rehearsal are, from left, Carl Garrett, Catherine Germany, Frances Dreinhofer of Ranger, Dan L. Childress, and Robert Marsh. The play is directed by Virginia Weaver Russell. Also to be presented are "Hans Across the Sea," a comedy by Noel Coward, and "Antic Spring," a comedy by Robert Nail.

Office of the Mayor
PROCLAMATION

WHEREAS, United Service Organizations (USO) is this year completing thirty years of service to the members of the Armed Forces throughout the world; and WHEREAS, this service has been freely given in this country and overseas to the citizens of Eastland meeting our nation's military needs in war and peace; and WHEREAS, hundreds of thousands of dedicated USO volunteers from all walks of life have ministered to the social and spiritual off-duty needs of men and women in the uniform of their country during the past thirty years; and NOW, THEREFORE, I, James Reid, Mayor of the city of Eastland, in the State of Texas, do hereby proclaim February 4, 1971, as

USO DAY

in Eastland, and call upon the citizens of Eastland to observe this 30th anniversary of the founding of this great organization with appropriate and fitting ceremonies

GIVEN Under My Hand and Privy Seal of the State of Texas, at the City of Eastland, in the Year of Our Lord, One Thousand Nine Hundred and Seventy One.

hitchhiking or wandering about the streets, the military police bring them to USO to make necessary arrangements and escort them to their train or bus.

A problem for military families is often the need for a baby-sitting service while Mom and Dad search for housing or otherwise find it inconvenient to care for the children. All USO Clubs will act as baby-sitters and many have a nursery area for this service.

Almost every USO Club director has had experience with military AWOLs. After exceeding the limits of his pass or leave time, many servicemen have second thoughts about being "over the hill" and wish to return to duty. Fear of disciplinary action, however, often makes the serviceman hesitate to return.

USO Club directors maintain close relationships with military chaplains and commanders. In most AWOL cases, a call to these individuals from the director elicits a sympathetic response enabling the serviceman to return without being harshly disciplined or with a reduction in the penalty.

Close ties are also maintained with other community agencies that can be of help to the serviceman. Advice on legal, financial, marital, health and other problems, and referral to the appropriate agency is a normal part of the day's business for any USO.

Of course, the best way to solve a problem is to prevent it. USO provides information and special programs aimed at helping the young men and women in the military to avoid trouble. Drugs are of special concern today, and local club directors are becoming more knowledgeable and competent in providing information and activities to divert service personnel from becoming users.

These are just some of the common aids provided by USO. The key to USO's problem-solving services is the dedication and deep concern of its staff. Whatever the problem, they will do everything within their ability and judgement to help.

All members are urged to attend and help celebrate the 35th birthday of Beta Upsilon, and to participate in the birthday celebration.

"Antic Spring" is the light hearted comedy of the Eastland Civic Theatre's presentation of "An Evening of One Acts".

This play has been acclaimed as one of the most popular and outstanding one-act plays presented in high schools today. It was written by the late Robert E. Nail, author and playwright from Albany.

It is the story of six young people of high school age going on a picnic. There is Robert, played by Jeff Jackson, the sensitive youth who spouts poetry to feminine hearts' delight; Sam, played by Larry Barnes, the high school athlete who is more forward and primitive in his appeal; Ginger, played by Susie Miller, the overbearing sunny girl who arranged the picnic for the benefit of aesthetic Robert; Wendolyn, played by Lisa Germany, is the pretty wavering girl friend of athlete Sam, but confesses, she doesn't understand poetry, but "thinks it sounds too, too divine"; Blossom played by Marilyn person, the gay happy "isn't-this-just-more fun" sort of young teenager; and then there is Elbert, played by Jace Staggs, the menacing little brother who was made to come along and is dissatisfied with the whole idea.

The relations of these oddly assorted six result in situations of great merriment. "Antic Spring" will be a delight for all theatre goers.

Area people will be interested and some may remember when Albany High School took this play to state in the Interscholastic League competition in 1938 with the original cast and author Robert Nail as the director.

Eastland Civic Theatre will present its third "Evening of One Acts" February 4, 5, 6, and 7 at Bell Hurst Playhouse.

Performances will be at 8 p.m. Thursday, Friday, and Saturday and at 2:00 p.m. Sunday. Reservations are necessary and may be made by calling 629-1141. All tickets are \$1.00 each. Reservations will be held until fifteen minutes before curtain time, when tickets will be sold.

ELC's 1970 winter production, "Our Town," was sold out for all performances and many people waited in vain for better seats. Please be sure to make reservations early for the performance you choose.

Plays to be presented are "Trifles" by Susan Glaspell, "Antic Spring" by Robert Nail, and "Hans Across the Sea" by Noel Coward.

The comedy "Antic Spring" will feature Susie Miller, Jeff Jackson, Jace Staggs, Marilyn Person, Larry Barnes, and Lisa Germany. Susie Miller is stage manager for the play which is set on a county road on an April day.

"Trifles," a suspense drama with an exciting climax, will be given by Carl Garrett, Robert Marsh, Catherine Germany, Frances Dreinhofer of Ranger, and Dan Childress. Scene is a Nebraska farm kitchen in winter. Stage manager is Anne Angus.

Set in a London flat at cocktail time, "Hans Across the Sea" features Adela Scdlilo, John Russell, Myrna Latney, Don Wesley, Bob Davenport, Don Nicholas, Anne Angus, Johnny Games, and Katry Stevens, who is also stage manager for this play.

Annette Pierson and Nettie Wilson are in charge of costumes for the production. Mrs. Virginia Russell is directing the plays.

Reformed Hippy Is Evangelist

Ken Mollnar, former Hippy, has taken 56 trips on L. S. D. Each time his personality changed. Ken's life was troubled and empty. Many years I suffered with a burden of guilt and shame, too proud to admit my need for God. I had my own peculiar ideas about life. I considered my time too valuable to waste in church Sunday. I would not believe in a God I could not see. I figured Christianity was only for hypocrites, cranks, and other weak-minded phonies, and the Bible just "another" book I was determined to do my own thing and get my "kicks" out of life. This attitude got me in trouble. It was easy to join the "turn on", "tune in, drop out" generation.

The drug world was like a giant insane asylum. The devil jumped right into me and told me I was having a great time. I was insane and ate grass like a cow. My personality was a disaster area beyond human hope or repair. My mind was scattered about, in search of one more illusion— THEN JESUS CAME.

A new man—Meet Ken Mollnar, Evangelist—Saved through Christ. Now filled with the Spirit, preaching the gospel and traveling around the world, Evangelizing for Jesus.

Therefore, if any man be in Christ, he is a new creature; old things are passed away; behold, all things are become new. II Corinthians 5:17.

This young man will be in Eastland, speaking, Thursday through Sunday, Feb. 4-7

at 7 p.m. each evening and at 10 a.m. Sunday morning, in the Full Gospel Center, with Rev. C. H. Harris, pastor, officiating, on 4603 W. Commerce, 1 block W. of Eastland Motel.

Tech-Vocational Planning Meet Set In Abilene

Following a meeting in Abilene by the Planning Committee of the advisory council for Technical Vocational Education Region 7, the committee announced that a public hearing will be held in Abilene, February 4, in the Convention Center, beginning at 9:30 a. m. Region 7 is composed of 31 West Texas Counties, including Eastland.

Roff W. Hardy of Abilene, a member of the Advisory Council, will be chairman for the Region 7 hearing and will be assisted by two other council members, W. T. Crouch of Itasca and William L. Jones, Jr., of Odessa. Hardy is president of West Texas Utilities Company. Crouch is past president of the Texas Association of School Boards and Jones is associated with A-I Engineering and Construction Company, Inc.

The hearing will open with a background briefing as to the purpose of the meeting. Following this briefing session, there will be panel discussions covering the "Needs" and "Resources" for technical-vocational education in Region 7.

Chairman of the panel on "Needs" will be A. B. Shelton, chairman of the Industrial Committee of the Abilene Chamber of Commerce. Chairman of the panel on "Resources" will be James E. Jeter, director of vocational and industrial education of the Abilene Public School System.

The afternoon session will be devoted to general discussion, with questions and answers directed toward council members, panel members and staff representatives. At this point, the hearings will be divided into three groups. Each group will have a council member serving as chairman and a staff representative acting as resource personnel.

The purpose of the hearing is to determine the needs of vocational education, what facilities are available for vocational education and to determine what the potential employees and employers want in the way of vocational education. Hardy stressed that this is a public hearing and all interested parties are invited and urged to attend and to make their views known.

The Man Christ Described In Letter to Roman Senate

From her files, Mrs. Harry Hall of Carbon submits the following article, read by Rev. A. A. Davis, long-time pastor of the First Baptist Church of Carbon, Feb. 26, 1933, at the Sunday School Hour.

Word Portrait of Jesus Christ—

The following description of Jesus Christ was found in an

ancient manuscript sent by Publius Lentulus, prosedio, of Judea to the Roman Senate:

There lives at this time in Judea a man of singular character, whose name is Jesus Christ. The barbarians esteem him as a prophet, but his followers adore him as the immediate offspring of God.

"He is endowed with such imparalised virtue as to be

es occurred. Two deaths in the county in December brought the total for the year up, (December of 1969 was deathless).

As always, Eastland County lead all others in Sgt. Mathews' area. Compared to this county's 16 deaths, Callahan had five; Shackelford, four; and Stephens, seven, for a total of 32 in the district. Sixteen died in this district in 1969 and 23 in 1968.

What's ahead for the year 1971?

That's up to the individual driver, Sgt. Mathews says. What with highway construction continuing, the need for caution increases and the ones who'll show up for 1972, will be the ones who will drive defensively, obey the traffic laws, and anticipate the moves of their fellow drivers.

16 Killed on County Roads During 1970

The figure "16" in itself is rather insignificant.

That's how many people it takes to fill four bridge tables.

If you gave a party and that many people failed to show up, it might be more significant. That's how many people didn't show up for 1971. They were killed or died of injuries from vehicle crashes on Eastland County roads and highways in 1970.

According to Department of Public Safety Sgt. Jerry Mathews, the year just ended was far worse in traffic deaths than was 1969, when nine were killed. It's even up on 1968 when 15 died. The 16 in 1970 were killed in 12 different accidents. The 15 in 1968 became fatalities from 13 accidents. In 1969 there were only six accidents, in which people were killed.

There were fewer accidents in which persons were injured in 1970, but still 123 were injured in 67 accidents. In 1969, 103 were injured in 76 accidents. A year earlier, in 1968, 127 were injured in 76 crashes.

Property damage appears to be at an all-time high. In this county, \$256,650.00 damage was done in 275 accidents. In 1969, \$223,833.00 was done in 310 accidents, and in 1968, \$182,395.00 was reported from 176 accidents.

Total accidents, all categories, was down from 1969 (275 in '70 and 310 in '69), but ten ahead of 1968, when 265 crash-

able to call back the dead from their grave and to head every sort of disease with a word or touch.

His person is tall and elegantly shaped, in aspect, amiable and reverend. His hair flows in beautiful shades which no united colors can match; falling in graceful curls below his ears, agreeably touching on shoulders and parting on the crown of his head like the dress of the sect called Nazarites.

"His forehead is smooth and his cheeks without spot save of a lovely red. His nose and mouth are formed with exquisite symmetry, his beard is thick and suited to the hair of his head reaching a little below his chin and parted to the middle like a fork. His eyes are bright; clear and serene.

"He rebukes with majesty, and counsels with persuasive language. His whole address whether in words or deed being elegant, grave and strict characteristic of so exalted a being.

"No man has ever seen him laugh, but all Judea has frequently beheld him weep, and so persuasive are his tears that multitudes are unable to restrain their from mingling with his.

"He is modest, temperate, and wise. What ever his phenomenon may be in the end, he now seems to be a man of strange beauty, and divine perfection in every way surpassing the children of Men."

Rev. Davis is presently pastor in Nouata, Okla.

3.76 Goal Would Mean Nearly \$4 Millions More In Agricultural Income To County

A state-wide program to increase agricultural income in Texas to \$3.76 billion in 1976 is geared to help the agriculture industry for the whole state of Texas.

Total cash receipts	11,834,910	3,742,740	15,677,650

The increase in production and cash receipts will benefit the consumer as well as the producer. Food prices will undoubtedly be affected by an increased efficiency in production and marketing as costly practices in current use are improved or eliminated.

The technology in production and food preparation will be reflected in food prices; although the price of individual items will also be affected by the amount of preparation before purchase by the consumer. This would include special services such as pre-cooking and speciality packaging.

Farmers will gear their production to specific markets that are dictated by the consumers' preferences. This in turn will provide consumers with higher quality foods in greater amounts at stable prices.

CONVERSATIONS on CARPETING

By Pete Brashier

Confused about what carpeting to buy for your home? Has the dazzling array of colors and textures made your decision a difficult one? Here are some suggestions that will help you make the right choice.

Begin by making a list of your favorite colors. Include only those colors you feel you could live with every day. Keep the list in mind as you view the many carpet choices and select your carpet color from this list.

You can also narrow the possible choices by carefully considering the room you are decorating. Is it spacious or small? Will the carpeting be one of the focal points of the room or a quiet accent to the furnishings? Will there be light or heavy traffic in the room? As you answer these questions, you'll begin to discover what kind of carpeting will best serve your needs.

Now it's time to choose your carpeting. You still must select from many lovely colors and textures. If you are still confused, here's an important rule to remember. "Buy what you like." Trust your own senses. Is the carpet pleasing to you? Do you like its look and feel? You'll be living with the carpet, so what you like really matters. You're sure to like the large selection of luxurious carpeting at RANGER FURNITURE EXCHANGE.
