## Carbon Takes Easy 33-0 Win

Carbon scored a 31-6 victory over Brooksmith Thursday night as the Wolverines hit their best stride of the year.

## Final Rites for Mrs. Davis Are Held Saturday

Funeral services for Minnie Louvena Davis, resident of Eastland for 18 years, were held in the First Baptist Church at 3 p.m. Saturday. Rev. Harvey Kimbler officiated.

## Band Meeting Is Slated Tuesday At Eastland High

Band Master Kerman Bond Saturday urged all parents of students in the sixth, seventh and eighth grades whose children are interested in band work to attend a meeting at the High School band hall Tuesday night at 7 p.m.

## County Council P-TA Meeting Set Wednesday

Plans for a Mental Health Workshop which will stress "Character and Spiritual Education for Youth Development," were announced today by Mrs. R. M. Benton, president, Eastland County Council No. 5, Texas Congress of Parents and Teachers.

## Death Takes Joe Kay; Burial Is Still Pending

Joe Kay died in the Ranger General Hospital Friday morning. Mr. Kay has been in the hospital for some time with a heart attack. His body has been moved to the Crowder Brooks Funeral Home in Fort Worth where the funeral arrangements will be made.

## District Gov. Will Visit Rotary Club

The Rotary Club of Eastland Monday will be host to W. Truett Walton Governor of the 579th District of Rotary International, who is making his annual visit to each of the 37 Rotary Clubs of this area. He will address the local Club and confer with President Don Pierson, Secretary Earl Stephens, and committee chairman on Rotary administration and service activities.

John Grace raced for a score in the first quarter and Charles Bryant went eight yards for another in the same period. Robert Norris scored on a six yard run and Donald Cook scored from 20 yards out. The final tally came on a pass with Benny Frazer pulling in the aerial from 15 yards out in the endzone.

Norris, Grace, Jimmy Burleson, James Wyatt and Cook played outstanding ball on defense for the Wolverines and Larry Greer, the Carbon quarterback, was the outstanding back in the game.

Carbon will play Gustin Thursday night at 8 p.m. in Carbon.

PLENTY PRETTY PEANUTS—Nancy Weathers, assistant Home Demonstration agent points to a sign which reads "Peanuts for State Fair. Please Do Not Pick Nuts Off" and warns Sandra Kirkland, HD agent, to quit eating them. The peanuts were sent to Dallas this week by County Agent J. M. Cooper. Cooper described them as the best he had this honor to send to Dallas in a long time. Our staff photographer first posed Cooper behind the nuts, but for obvious reasons decided his two fellow workers would make for a better picture. (Staff Photo).

## Upset Victory Put Under Eastland Belt

An Eastland Maverick football team which went to Cross Plains to win came home with enough Buffalo hides to last a long time Friday night. The Mavs of E.H.S. forgot to read the papers, and won a startling 19-7 upset victory over the District 8-A favorites.

It was a make-up game for the hungry Eastland team. They lost one a week ago they didn't think they should have, so to get things even they easily downed the Cross Plains crew, which experts said they couldn't.

Before a capacity crowd, including fans standing up on the Eastland side of the field, the mighty Mavericks went to town. Cross Plains came out very fortunate as things went, fortunate the score wasn't worse.

Eastland scored with the game just six minutes old. It was Eastland's ninth offensive try of the night. Bill Norwood, who was injured last week, found himself on the 30 yard line, his favorite spot. He got the call on a belly series play and went through a hole that must have been blasted with TNT.

The third period. It was Pullman's time to drive the locomotive this time. The husky Mav deepman took a pincushion from Humphrey, raced around left end and with the aid of a beautiful block by Knicky Arther went 69 yards for the score. Arther got three men on his key block. Humphrey then passed to McMahan for the extra point.

The Mavs, heavily outweighted, outthrust their opponents in every department. The entire Mav line played headsup ball, and the backfield looked their best of the year.

Ranger, Eastland's next week opponent, marked themselves down as a power by romping over DeLeon, 33-0.

Around District 10-A, Wylie gained a 13-7 win over Aspermont, Albany moved past Winters 33-13, Throckmorton beat Monday 19-6 and Baird beat Clyde 22-13.

## School Patrols Organized At Ward Schools

City Patrolman Milton Nash this past week organized school patrols for both South Ward and West Ward schools.

Nash took the action following removal of stop signs at South Ward. The signs were illegal since they were on a state controlled highway. Nash placed in charge of the school work by Chief Ray Laney, who praised his work in the past.

Two school patrolmen will work at both schools. They will wear badges, white belts and carry small stop signs. "We are going to see that these boys are respected," Nash said. He pointed out that he would work with the boys as much as possible. He urged careful driving near schools.

## C-C Committee Reports Heard By Directors

Committee reports were heard Thursday at a board of directors meeting of the Eastland Chamber of Commerce held in the White Elephant Restaurant.

Dr. Jim Whittington reported an "encouraging meeting" with the State Highway Commission concerning the Eastland-Ranger bid for a paved road over Lake Leon dam.

Tom Wilson, chairman of the Industrial Development Committee gave a report on activities on that group.

H. J. Tanner, C-C manager, told of the foreign oil import meeting he and other C-C members attended in Breckenridge recently.

Tanner also revealed that Oct. 18 has been set as the date for the annual picnic of Hollywood-Maxwell employees.

## Two Pioneers Played Big Part In Growth of Area

(Editor's Note: This is the 23rd in a series of articles taken from the book, "History of Eastland County, Texas," written by Mrs. George Lanston in 1904.)

C. U. Connelley was born and reared among the picturesque hills of Eagle Creek in Scott County, Kentucky, and was educated in the A. & M. Department of the University of Lexington. He came to Texas in 1874, located in Dallas, and engaged in the real estate business and in the location of land certificates.

In March, 1875, he married Miss Mattie Payne, of Champaign County, Illinois, and came with her direct to Eastland City, where he ever since made his home.

In these early days he was chief marshal of all the forces working for Eastland City and County, the general source of information for all prospectors and proposing immigrants. Others came and left, C. U. Connelley stayed on; when the settler came in wanting a quarter section of school land, C. U. Connelley knew of one to point out to him.

In these days of railroads, telegraph wires and telephone lines, one can scarcely appreciate the difficulty of promoting the settlement of a heavily timbered country with no means of direct communication, only wagon roads over which to travel, and the nearest railroad 150 miles away. But under all difficulties Mr. Connelley held firm his faith in Eastland County.

As frontier agent for Daugherty, Connelley and Ammerman he located lands, making frequent

trips west—even penetrating the Staked Plains for this purpose, where he encountered Indians a number of times.

In 1887 he was elected to the State Legislature from the District comprising the counties of Eastland, Stephens and Palo Pinto. As representative he served one term, and was connected with the enactment of several very important laws.

His present wife was the former

Miss Tullie Folts Hardeman, with whom he became acquainted while serving as representative, and shortly afterwards married.

J. B. Ammerman was born Jan. 5, 1855, on a farm in Harrison County, Kentucky, and educated in the public schools and in the state University at Lexington, where he was a roommate of J. S. Daugherty.

After leaving school he came to Texas and in the Spring of 1875 became associated with Mr. Daugherty in the land business at Dallas. In this position he became connected with the early settlement of Eastland County, and in the rounding and development of Eastland City as the County Town.

He conducted land-locating parties when it was necessary for every member to be heavily armed, penetrating the then trackless plains almost to the New Mexico line.

In December, 1880, he was married to Miss Lelia Barlow of Bourbon County, Kentucky, and moved from Dallas to Eastland City, where he served as the first station agent to the Texas and Pacific Railway. After leaving the employ of the railroad company, he brought William Cameron & Company's lumber business at Eastland, and also established the first lumber yard at Cisco. Later he engaged in the stock business and bought a ranch six miles north of Cisco, which he still owns.

In 1887 R. M. Hall, state land commissioner, appointed Mr. Ammerman state surveyor and classifier, and in this capacity he worked for the General Land Office of the State of Texas and the Southern Pacific Railroad Company for two years, surveying lands classifying some thousands of sections of land.

Finishing this work in the Spring of 1890, he has since made his home in Cisco, where he has engaged in various business enterprises. At the present time he supervises one of the largest gineries in Cisco, which, in addition to his square bale press, he operates the pioneer round bale press of the county. ## Savings Bonds Sales In County High In August

Sale of Series E and H United States Savings Bonds in Eastland County during August totaled \$59,744, Guy Parker, county chairman, revealed Saturday.

Parker said that pushed total sales in the county during the first eight months of this year to \$929,599, which is 55 percent of the yearly goal of \$589,300.

"During the months of September and October, many schools throughout Texas are again installing the Savings Stamp program for their students. The School Stamp Program affords our younger citizens an opportunity to learn the habit of thrift. In addition, they will develop a better understanding of our government and will learn to realize their responsibilities as citizens of this great land," Parker said.

"The Eastland County Savings Bonds Committee is hoping that many of the schools in this county will continue conducting their weekly 'Stamp Days' or, in those schools that do not have the program, the Saving Stamp program will be installed," Cooper concluded.

## Gray Matter—

(Continued from Page One)

"That's right," he said. "But there's more than a pound here. This weighs enough to make 24c on these scales."

"Take 'em out of the container and weigh them," I said.

"Oh, I can't do that," he said. "What?" I asked.

"They're 19 cents a pound, container and all," he added.

"Well, brother, if that's the way you do business you can keep 'em. I certainly don't pay as much for the container as I would for the grapes," I said as I walked out with the grapes lying on the counter.

Then when I got home one of the first things I checked at a couple of Eastland grocery stores was the price of seedless grapes.

Almost every store in town was selling them for no more than 19c a pound and sometimes they would run a special of two pounds for 25c.

## Abilene Pastor To Speak At Christian Church

Rev. Norman Conner, new pastor of the First Christian Church, Abilene, will be the speaker at the fall quarterly meeting of the Christian Men's Fellowship.

The meeting will be held Thursday, Oct. 3 at 7 p.m. in the Fellowship Hall of the First Christian Church. Mr. Conner was the pastor of the First Christian Church of Carrollton. While there the church built a \$250,000 sanctuary. Prior pastorates included Tupelo, Mississippi and Jacksonville. This 35 year old minister is known as one of the outstanding speakers of the Christian Church in Texas.

Jim Eidson, president of the group, will preside and Bruce Papkin, vice president, is in charge of the Bar-b-que supper.

The Church School will meet Sunday at 9:45 a.m. to study the subject: "Nehemiah: Patriotism In Action," based on Nehemiah 1-2:4; 6:15; 13. Classes in the art of Christian Living are provided for all ages.

"A Contagious Faith" is the sermon title for the 11 a.m. worship service. The pastor, Roy M. Turner will be in the pulpit speaking on this theme which is based on 1 Thessalonians 1:2-10; Titus 1:11-14.

"One Gospel Only" will be the meditation theme at the 7 p.m. vespers service. A Youth choir will be leading the gospel song service.

The Christian Youth Fellowship will meet at 5:30 p.m. for recreation and at 6 p.m. for study and discussion. Sponsors for the group are Mr. and Mrs. Arthur Gallagher and Mr. and Mrs. C. K. Bond.

The Chancel Choir will hold their regular rehearsal at 7 p.m. Wednesday with Kermon Bond directing. More voices are needed.

IN THE COUNTY SEAT  
By Frances Moore

Are you looking forward to those cold winter nights when the family can sit at home in front of the fire and watch TV and eat pop corn? Well you will look forward to wearing those warm winter clothes too, if they are made with material from JEANETTE'S FABRIC SHOP. For those nights at home JEANETTE'S has material just suited for slacks, lounging pajamas or just anything you fill comfortable in. And for that occasional night out a beautiful wool-jersey or rayon wool dress would be just the thing. Remember, JEANETTE'S has everything a seamstress needs.

Say, a leaking radiator certainly isn't one of the things we look forward to and it won't have to happen if right now before the really cold weather gets here you will let HOLLOWAYS TEXACO STATION check it over and put in antifreeze. It's much less trouble to have antifreeze put in before cold weather, so why not take that car down to HOLLOWAYS this weekend.

Don't forget the next time you are out at the HILLCREST FOOD MARKET to pick up several cans of your favorite coffee to warm those friends of your up when they come visiting. While the coffee is perking you will have plenty of time to run out to HILLCREST and pick up some fresh cookies or something to snack on because HILLCREST stays open from 8 a.m. all seven days of the week for your convenience. Show them you appreciate it.

The unchanging, harmonious nature of all that is created by God, divine Mind, will be brought out at Christian Science services Sunday.

"Reality" will be the subject of the Lesson - Sermon. Scriptural selections will include the following (Psalms 111:2,7,8): "The works of the Lord are great, sought out of all them that have pleasure therein. The works of his hands are verity and judgment; all his commandments are sure. They stand fast for ever and ever, and are done in truth and uprightness."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (335:25-29): "Mind is the divine Principle, Love, and can produce nothing unlike the eternal Father-Mother, God. Reality is spiritual, harmonious, immutable, immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal."

**Marshall Kiwanis Club Must Regret Hasty Action In Snubbing U.S. Flag**

(An Editorial)

It's regrettable that humans have the bad habit of acting, then thinking. We are sure that members of the Marshall, Texas Kiwanis Club today wish they had used what brains God gave them at their meeting Wednesday.

You may have read about their actions. The club unanimously accepted a motion from the floor and refused to pledge allegiance to the American flag. Why? Members termed the stationing of federal troops in Little Rock as "the darkest day in Southern history since Reconstruction days."

The Telegram certainly agrees that President Eisenhower has made the biggest blunder he possibly could in sending Federal troops to Little Rock. But after all, Eisenhower is a military man, and his first answer is a military one.

But for Marshall Kiwanians to refuse to pledge allegiance to the flag is just as terrible as anything Ike has done. It reminds us of the fellow who got mad at his preacher, quit going to church and refused to worship God.

There must be a better answer.

### Bethel Baptist Church to Hold Promotion Day

Promotion day is the big item at the services of the Bethel Baptist Church. Promoting into new classes or departments will be 22 boys and girls. Also new teachers and workers for the new church year will assume their places of leadership, Marcus O'Dell and Mr. L. A. Bennett, Sunday School Superintendent and Associate respectively, will have charge of the Promotion activities of the Sunday School.

Worship service begins Sunday morning at 11:00 Rev. Fleming will be speaking on the subject, "On Living in Times of Distress." The evening worship hour begins with Training Union at 6:30 followed by the evening worship services at 7:30. Again in Training Union, Promotional activities will take place. They will be under the direction of Mrs. Gene Boney, Associate Director of the Training Union. Mr. Truitt Gregory is Director.

Wednesday night, the sweetest hour in the week, will be prayer meeting. The pastor continues his series of "studies in the book of Acts." Work on the church is to continue throughout the week, in preparation for dedication of the new building the first part of November.

### First Methodist Church Calendar For Week Told

Church School starts at 9:45 Sunday at the First Methodist Church. Men's 9:49 Class meets in the auditorium and they extend a cordial welcome to anyone who is not affiliated with another church to visit the class Sunday.

Charles Marshall, principal of High School, is the new teacher and is bringing some very "inspiring lessons", a church spokesman said.

Morning worship service begins at 10:50. The Rev. Richard R. Smith, pastor, will bring the sermon on "Pentecost—1957 A.D." The choir will sing the anthem, "A Psalm of Worship" by Pasquet. Mrs. Virginia Lotspeich will use as the prelude, "Movement from Third Sonata" by Mendelssohn. The offertory will be Bizet's "Cradle Song."

The Youth Fellowship will meet at 6:15. The topic for discussion will be, "What About Heaven, Hell and the Devil?"

Evening worship service starts at 7 o'clock with the pastor again in the pulpit. The youth choir will lead in the song service under the direction of Wendell Siebert. Monday evening at 7:30 o'clock there will be a meeting of the Commission on Education at the Church. Rudolph Little is the chairman with the following members: Charles Marshall, J. W. Turner, Mrs. Milton Day, Mrs. C. W. Campbell, Mrs. J. C. Whately, Mrs. Herman Hassell, Mrs. W. F. Davenport, Mrs. Carl Elliott, Henry Van Geem, Sr., Ed Willman and Billy Don Turner.

Tuesday morning at 9:30 the Woman's Society of Christian Service will meet for the first chapter of the Mission Study Book—"In Every Place A Voice." Mrs. T. M. Collie has charge of the study and will bring the first chapter. Mrs. Richard R. Smith will read the Scripture Lesson. Mrs. Betty Doyle will sing "Hymn of the New Reformation."

The First Quarterly Conference will be held at the Church Wednesday at 7 p.m. with the district superintendent, the Rev. Allen A. Peacock of Cisco, presiding.

Choir rehearses Wednesday night at 7:30.

World-wide communion will be observed by millions of Protestants throughout the world next Sunday, Oct. 6.

### Flatwood HD Club Meets In Home of Mrs. R. A. Cooper

Mrs. R. A. Cooper was hostess to the Flatwood Home Demonstration Club Sept. 19. Mrs. M. N. Greigh, president, presided over the meeting.

After a short business session Mrs. E. D. McCullen of the Rising Star club and a delegate of the State Convention gave an interesting report on the convention held in Houston.

Reports of the accomplishments of the Flatwood Home Demonstration Club for the past year were given.

New officers for the coming year were elected. They were elected as follows: Mrs. Beulah Turner, president; Mrs. H. L. Wilson, vice-president; Mrs. C. M. McCain, secretary and treasurer and Mrs. M. W. Greigh, council delegate.

Refreshments were served to the following members and guests: Mrs. M. W. Greigh, Beulah Turner, H. L. Wilson, Anne Palmer, Wiley Harbin, A. H. Brown, C. M. McCain, R. A. Cooper, E. D. McCullen and R. I. Griffith.

### Laney and Nash Give Speeches On Traffic Signs

Chief Ray Laney and Milton Nash of the police department gave short talks urging all drivers to obey the stop signs and speed limits in school zones at the first meeting of the South Ward P.T.A. Tuesday.

The meeting was held in the auditorium of the school at 8:15 p.m. Mrs. John Goode, vice-president, called the meeting to order and presided over the meeting until Mrs. E. S. Perdue was elected president. Mrs. Perdue and Mrs. Robert Perkins, secretary, were elected to fill vacancies which occurred during the summer.

Other officers were introduced as follows: Mrs. John Goode, vice-president; Mrs. J. T. Gregory, membership chairman; Mrs. J. C. Whittington, treasurer; Mrs. Howard Upchurch, historian; and Mrs. Willis Moore, publicity chairman.

The P.T.A. Attendance Banner was presented to Mrs. Ed Layton's first grade for having the most parents present.

After the meeting was adjourned, the parents went to their child's room where the teacher showed the work being done and outlined the work to be done in the remainder of the year.

### Mrs. L. Huckabay Gives Lesson To Priscilla Group

Mrs. L. E. Huckabay gave the lesson entitled "Looking for God's Point of View," at the meeting of the Priscilla group at 9:30 a.m. Monday, in the home of Mrs. Homer Williams.

After Mrs. Jack Chamberlain Sr., chairman, opened the meeting Mrs. Joe Tow gave the devotional. Mrs. Williams served cinnamon rolls and coffee to Mrs. Lon Horn, Joe Tow, Neil Day, Jack Chamberlain Sr., Mattie Miller, L. E. Huckabay, Curtis Young and C. L. Horn.

## TELEPHONE TALK

by W. H. McAnally, Manager

A man asked me the other day "How did the Telephone Co. know my telephone was out of order last week?" I was fixed before I could go next door to call and report it. The same thing has happened to many Eastland telephone users in the past. Most of the time we know about it first, also, most of the time it is fixed and the subscriber is never aware his telephone is out of order. However, if the trouble is in your instrument we would be required to come to your home to make the necessary repairs. Often, we find people are amazed when a telephone repairman knocks on the door to request permission to enter to fix an out of order telephone.

This year most of the telephone trouble has been due to rain getting into our cables. When we have a "wet cable" several things happen. In our central office lights start flashing, and bells ring. If this happens at night, telephone calls are made to the homes of off duty telephone men. If necessary, work is continued around-the-clock in effort to restore service to normal. Except in the cases of major breakdowns, most of our subscribers either didn't know the telephone was out of order or didn't report it. Less than five percent of our known cases of trouble have been reported to us by the subscriber.

There are certain types of trouble that we have no way of knowing about, so if you find your telephone inoperative, please report it to us.

### SAFELY BACK TO SCHOOL

Well, it's September and school bells are ringing again. It's a good time of year to remind ourselves to be even more cautious in our driving—especially until we get accustomed again to "school stops" and small-fry pedestrians.

Here at the telephone company, we've always stressed safe driving—"Safety consciousness" as well as care and skill handling our cars and trucks.

Telephone men in Eastland deserve much credit. Year in and year out, they drive more and more "safe" miles. Thanks to their records and similar ones established by telephone drivers in other cities, Southwestern Bell again won the National Safety Council's Award of Honor in 1956.

### DON'T RUN! REACH!

Next time your telephone rings, think about this: Can you reach out and answer it... or do you have to run for it?

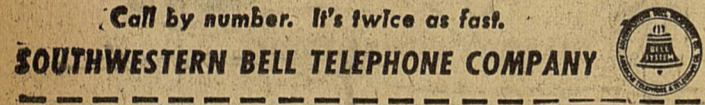

Is it handy? Or is it in some out-of-the-way place? The cost of having telephones wherever you need them around the house is surprisingly low, especially in comparison to the comfort and convenience they give you.

Each extension phone costs only \$1.10 a month plus one-time installation charge.

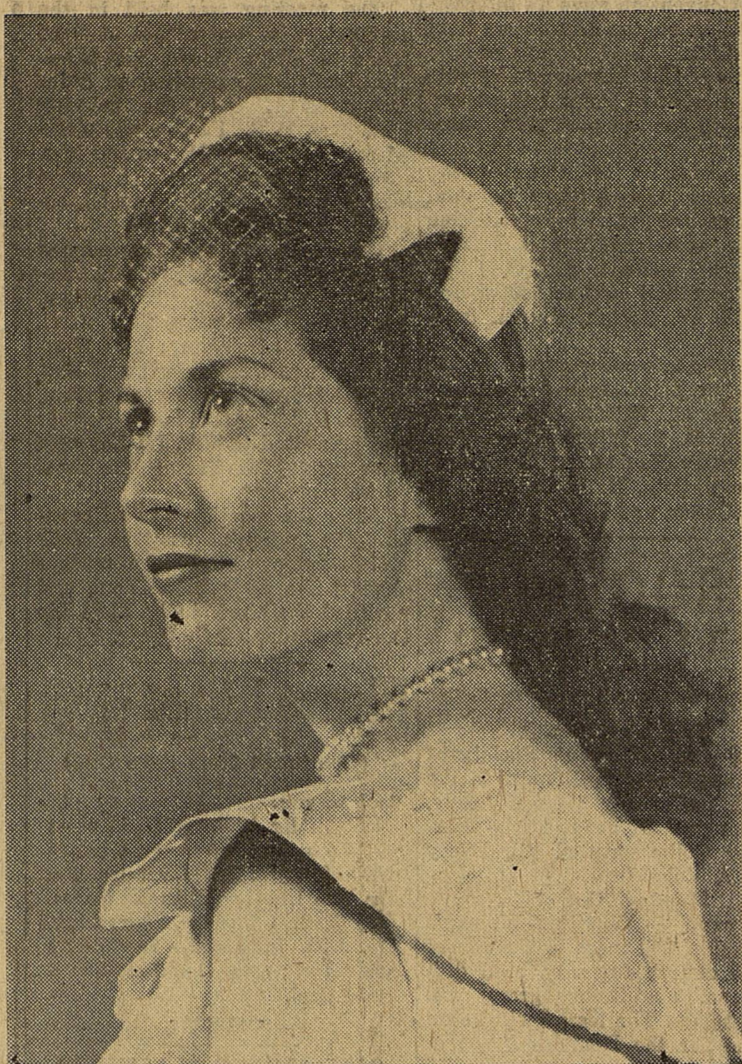

Why don't you call or come by the telephone business office? Let us help you plan complete, convenient telephone service. More and more people are learning the modern idea is to have phones within easy reach.

Call by number. It's twice as fast.

Mrs. Roy Buse... formerly Jo Ann Bentley

## Jo Ann Bentley and Roy Buse Are United In Church Setting

Harwell Heights Baptist Church was the scene Saturday, Sept. 14, at 4 p.m. for the wedding of Miss Jo Ann Bentley, daughter of Mr. and Mrs. Otto Bentley of Eastland, and William Roy Buse, son of Mr. and Mrs. Vernon Buse, Santa Anna. The Rev. R. D. Heflin was officiant at a double ring ceremony.

For the occasion, the church was decorated with white gladioli and archway of emerald greenery and white baby's breath. White carnations formed a centerpiece for the piano.

Pianist Carol Hudson, cousin of the bride, played "Indian Love Call," "I Love You Truly" and "Because."

Bentley escorted his daughter to the altar. She selected a street length dress of embroidered white bridal satin, designed in a slender sheath with a scooped neckline. She wore a white beaver hat and a single strand of pearls. A white Bible was the base for a cascade arrangement of white carnations showered with stephanotis, net and white satin streamers.

In an imported Irish linen frock, fashioned with and embroidered bodice, sprinkled with rhinestones, Mrs. Eugene Bentley was the sister-in-law's matron of honor. Her flowers were white carnations. Joe V. Buse was his brother's best man, while Joe Fields and Joey Bryant seated guests. Rings were carried by Joe Buse and Charlene Bentley.

The 516 51st St. home of the bride's brother, Eugene Bentley, was the setting for the ensuing reception. A lace cloth over pink covered the serving table, high lighted with crystal appointments and a centerpiece of white carnations. A four-tiered wedding cake was topped with a miniature bridal pair.

The newlyweds traveled to Ruidoso, N. M., for a wedding trip. A graduate of Eastland, Mrs. Buse attended Draughon's Business College in Abilene. She currently is employed as a bookkeeper by Newsom Paint and supply in Lubbock. A high school graduate of Santa Anna and former Texas Tech student, Buse is employed with the Texas Highway Department of Lubbock.
