

## Moore... ABOUT EASTLAND

Naturally we are stunned beyond words at the sudden death of the editor of the Telegram's sister newspaper, Norman Wright and Moore. About had a lot of fun in print climbing on top of each other. Ten minutes before Norman suffered a fatal heart attack we sat with him in his office and talked. At that time he had just completed his page one layout of The Times. Thirty minutes later we had to re-dummy that page, putting Norman's obituary in the right hand column. Few times you will see a man's by-lined column appear in the same newspaper as the notice of his death.

Wright was an outstanding newsmen. He was not only a good writer, he was one of the best ad men we ever knew.

Snowfall, such as we had Sunday, is really unusual around these parts. In fact, that's about the most snow Eastland has had at one time in approximately 10 or 11 years, according to everyone we can get to give an opinion. It was to bad that all of the snowmen the children and dads made couldn't have lasted longer.

Our two year old son, Ricky, is just getting to the "big talking stage." We won an arrangement of flowers at the Texas Electric banquet the other night and the next morning the two boys were admiring them.

Trippy, 5, sniffed the flowers and exclaimed, "I can't smell them." Naturally Ricky had to verify his brother's report, so he smelled of them too. "They can't smell me either," he agreed.

In the newspaper business some errors just can't be helped. But occasionally they do get out of hand, such as the wedding report below:

The social event of the year took place in Hickory Gap Friday morning when Mayor Twiddle's daughter, Elma, was married to the town's most eligible bachelor, Tomlin Buggee.

The bride was given in marriage by her Paw, the mayor, wearing her mother's wedding gown. The couple went to grade school together so this marriage stops a romance begun many years ago. The bride wore a strand of tiny matched pearls. Her gown was of vile green, and her accessories were plain punk.

The bridegroom's mother was attired in a lace dress which fell to the floor. The maid of honor wore yellow tulle. The bridesmaids carried tiny nosebags. The flower girl wore a maize gown with puffed sleeves touching her ankles. The bride's mother wore a dawn blue chiffon and a black stray hat.

Nuptials took place in a setting illuminated by lighted Roman candles where the couple exchanged their vows. The bridal couple then passed out and greeted the guests. The ceremony was attended by only a few loose friends and relatives.

When we were working for the Hereford Brand, Cecil Massey, ex-Faylor football star, was city manager. He's now Weatherford (Continued on Page Five)

## New Record Set By Snow

Five inches of snow blanketed Eastland County Sunday morning giving the area a "White Christmas" look a month in advance.

It was the heaviest snowfall since December, 1956, records show. That year the snow fell the last day of December and stayed on the ground for two weeks. This snow was a lot different. The snow came during the early hours Sunday morning and by 4 a.m. the ground was completely covered. The snowfall didn't last long, however. By this morning only a trace of the white stuff could still be seen.

In fact, the snow began melting before most people got up Sunday. A light sprinkle during the day helped to melt it. The snowfall itself was one of the wettest ever recorded, however. A total of 1.21 inches of moisture was realized.

The snowfall was the second of the year. A two inch snow fell Thursday night and Friday, but it lasted even a shorter time than the five inch snowfall did. Despite the snow's short duration, local snowmen builders had ample time to construct their masterpieces and a number of outstanding ones were seen around town.

The snow made oldtimers recall the 20-inch snowfall which came in January, 1924. As far as this newspaper's records are determining, that was the heaviest snowfall ever here.

The moisture from the snow, added to total rainfall for the year, combine to make this the wettest year in the history of Eastland County. Rain records have been kept since 1911 here at no time before has 42.22 inches of moisture been recorded here. That was the official figure this morning.

## Nine Entries In Talent Show Are Listed Tuesday

There are nine entries for the YMCA Talent Show to be held Thursday, Dec. 5 at 7:30 p.m. in the High School auditorium.

More entries are still needed before rehearsals are held Monday, Dec. 2, however.

It was announced today that prizes will be awarded to the three top performers. First prize will be \$15 or its equivalent in merchandise, second prize \$10 and third \$5.

Money being raised for the show will be spent to buy gifts and food for needy families here in Eastland.

Anyone wanting to enter the show can do so by phoning 371 or 139 or by writing Mrs. Clyde Evans, 912 West Commerce.

41.23 record of 1942 and the 40.23 inches of 1940. Those are the only other two years when as much as 40 inches has fallen.

For the year the county is now 16.39 inches above normal and for this time of year 18.20 inches above normal. That's more rain than the county even got last year when just 17.47 inches was recorded.

One farmer summed the situation up good, however, saying: "This is the wettest and the driest year ever. Wet at the wrong time and dry at the wrong time."

## Six Area Men Are Delinquent With Draft Board

Six area men have been declared delinquent by the local Selective Service Board, it was revealed today.

The local board issued the following statement: "According to Selective Service Regulations it is the duty of each registrant to keep his local board advised at all times of the address where mail will reach him. The mailing of any order, notice, or blank form by the local board to a registrant at the address last reported by him to the local board shall constitute notice to him of the contents of the communication, whether he actually receives it or not."

"Several registrants of Local Board 36, Eastland, have been negligent in keeping the board notified, and the following registrants have been declared delinquent by the local board: Charles Leo Benson, Tommy Earl Whitt, Lewis Dunn, Roger Lee Cline, Billy Gene Britt, and Billy Joe Costello."

"Unless these men are located they will be ordered to report for induction as delinquents, and if they fail to report will be reported to the U. S. Attorney. Anyone knowing the whereabouts of these men should get in touch with them."

## First Christian Church Class to Hold Chili Supper

The Men's Fellowship Bible Class of the First Christian Church is holding a chili supper Tuesday night which is open to all men of the community.

The supper will be held at 7 p.m. in the Church annex. A spokesman said the supper was the class' way of getting men together for good fellowship.

"Everyone's invited, and the meeting is entirely informal," he said.

**BAD AND GOOD LEG**—Young Brian David Billstein, son of Mr. and Mrs. Lloyd L. Billstein, route 5, Victoria, is previewing the Thanksgiving season by chewing on a big fat turkey leg. The traditional turkey will appear on the menu at Gonzalez Warm Springs Rehabilitation Foundation on Thanksgiving day. Young Billstein, a polio victim, is a patient at the Foundation for the third time since the onset of his polio attack in May 1956. He isn't going to let a small matter of two long leg braces interfere with polishing off the huge meaty turkey leg.

## Growers Urged To Enter Pecans In County Show

Growers are encouraged to enter their pecans at the Fifth Annual Eastland County Pecan Show to be held at Cisco, Dec. 6 and 7, says Oscar Schaefer of Cook, president of the County Pecan Growers organization who with the Cisco Chamber of Commerce are sponsoring the affair.

The Eastland County Pecan Growers Association was organized during the show in Cisco last December. Ellis Cooper, Ranger, is the vice-president and F. B. Freeman, Rt. 1, Ranger is the secretary-treasurer.

A quart of nuts will constitute an entry, Schaefer said. Growers may show one entry each of their papershell or improved nuts and as many of the seedling pecans as they wish.

Growers in adjoining counties are also eligible and are encouraged to put their nuts in the show, Schaefer explained. Brown, Stephens, Erath and Callahan County growers have exhibited nuts at the shows in the past.

All first place entries will be sent to the state pecan show at Texas A&M College.

The pecan bake show to be held in connection with the pecan exhibits will be under the supervision of Miss Sandra Kirkland, County Home Demonstration agent and the County Home Demonstration Council.

A pecan queen is expected to be crowned in connection with the event.

### Little girls beget big heartaches

From the moment they're born, girls are a lot of trouble. Little ones wiggle too much. Big ones shed too many tears. All of them want dresses that cost too much. And Mothers and Dads never stop worrying about them—never stop loving them—as they take each difficult step from babyhood to girlhood, from blue jeans to crinolines.

Is your little girl starting school this year? If so, she's taking her first step towards growing up—starting on her way towards high school, college, wedding bells and managing a home of her own. There's so much you want her to learn. So many things she needs to know to grow up into the kind of wife and mother you want her to be.

One of the important lessons for your daughter to learn is the meaning of thrift and the value of a regular savings program. And that's what the U. S.

Treasury's School Savings Program will teach her.

By the purchase of 10¢ and 25¢ Savings Stamps in their schools, children can save-up for U. S. Savings Bonds of their very own. And, as you know, Savings Bonds are one of the best investments that any of us can make.

Is your child's school participating in this important program? Why not speak to your principal, school superintendent or P. T. A. group about it? And start the U. S. School Savings Program in your school today.

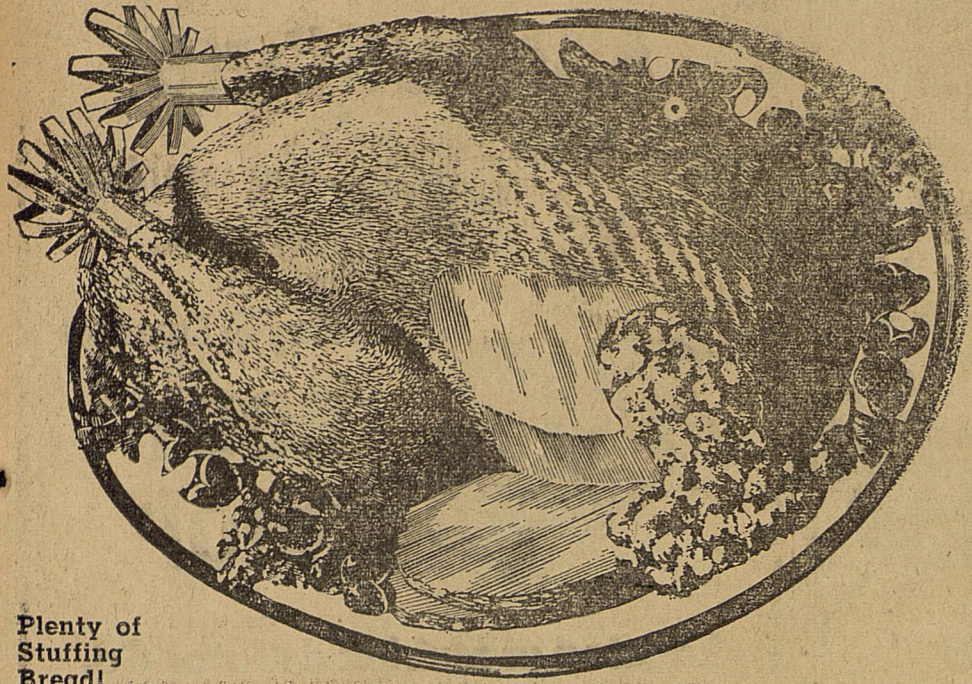

Your Savings Bonds State Director will gladly help you install a School Savings Plan or revitalize a present one. Phone or write him—or contact the Savings Bonds Division, U. S. Treasury Department, Washington 25, D. C.

### Lesson Is Given By Miss Kirkland At Word HD Club

The devotional was based on the scriptures of First Corinthians 12: 1-11. In the absence of the secretary, Miss Willie Word, Mrs. Ida Schaefer acted as secretary. Roll call was answered with "Fashion News." The club will hold its annual Bazaar on Nov. 30 at 503 Avenue D. The Bazaar will open at 9 a. m. All members were asked to bring cakes, pies and cookies to be sold. Mrs. Ida England, foods demonstrator, read a recipe for a Frankfurter Green Bean Casserole. Mrs. Lottie Lassiter was in charge of the recreation. Mrs. Hanson won the prize of a set of sheets and pillowcases from the club as

a house warming gift for her new home. Refreshments were served during the social hour to Meses. Ida Engle, Sadie Youngblood, Dee Clements, Lottie Lassiter, Annie King, Werdner Stansell, Ida Schaefer, Cora Plumlee, Lena Hanson, Gay Weaver, Nellie Campbell, Misses Laclair Harrison, Sandra Kirkland, and Sydney Hanson. The next meeting of the club will be on Dec. 16 in the home of Miss Laclair Harrison, 606 West Fifth Street. The Christmas program will be given and gifts will be exchanged. All members are urged to be present and visitors are always welcome.

pan, fat side up. Do not add water and do not cover. Extra fat, such as bacon may be added to venison or elk. Roast in a slow oven, 300-360 degrees F. allowing 25 to 30 minutes per pound. If the meat is frozen, a longer time will be needed for cooking. When frying game meat, first heat the frying pan until it is sizzling hot. Brown both sides of the meat, turning only once. Season when ready to turn. For thick steaks or chops, reduce heat after browning to finish cooking. Insert a rack under the meat to prevent over-cooking the meat next to the pan. Steaks, chops or ground meat patties may be broiled on a hot, greased broiler rack about 3 inches from the heat. If the meat is very lean, brush with fat. When it is brown enough, season and turn. Reduce the heat and cook until done. Less tender cuts, such as flank, round, rump, or short ribs, can be made tasty by braising. The first step by this method is to brown the meat slowly on all sides in a heavy utensil. Then season with salt, pepper, herbs, spices, or vegetables. Add a little liquid in the form of water, soup stock, vegetable juice, or sour cream. Cover closely and cook at a low temperature until tender. Cooking it may be done on top of the range or in a slow oven at not over 300 degrees F. Proper seasoning for wild game is most important, especially if the "gamey" taste of meat is not relished. Bay leaves, thyme, marjoram, savory, parsley, chives, green pepper, celery and onion tops, garlic, cloves, sage, allspice, tomatoes, ketchup, fresh dill leaves, sliced oranges, apples, and Worcestershire sauce are a few sug-

Do you feel your family is too small for a big Thanksgiving turkey? Try half or a quarter turkey this year. It will cut down roasting time and you won't have the problem of leftovers.

Here are the directions for roasting a half or quarter turkey. Tie tail and leg of half turkey together. Place bird cut side up. Sew loose skin at neck to form a pocket. Rub body cavity with salt and then stuff. Use your favorite kind, and pile loosely inside cavity. Cut heavy paper or aluminum foil and lay over stuffing. Lace across, catching skin on each side. Or mound stuffing on heavy paper or aluminum foil on rack and place bird over stuffing. Rub skin with fat. Roast at 300 degrees in the same way as for a whole turkey except the half is not turned. Use turkey often. Prepare it in different ways. It adds variety and good nutrition.

Wild game should be cooked according to the type of cut and age of the animal. Standard methods of cooking beef and lamb are successful for venison and antelope.

For tender cuts, such as loin and shoulder, use dry heat. Season the meat with salt and pepper and place on a rack in an uncovered

gestions. Basting wild game with pickle juice, tomato juice, orange, lemon or grapefruit juice or sour cream enhances its flavor. Tip Of The Week To get rid of musty odors in your house, keep it well heated and dried. If the odor persists, chloride of lime is an effective deodorant and disinfectant to use. Sprinkle the material on papers placed on the floor and let stay until air in the room is dry.

### You're Leading a Sheltered Life-

. . . if you think yesterday's insurance could rebuild your home today. You can see the effect of increased prices most every time you buy an article at the store. Ditto with building costs especially labor. Just imagine what it would be like if a disaster struck and you had to buy again everything you now own. The sensible thing to do is to get your insurance in line with today's replacement costs. Let's talk it over today.

## TELEPHONE TALK

by W. H. McNally, Manager

This is no news to you, but Christmas is coming very soon. There is the happiness of Christmas—but first comes some of the usual problems—what to give this person, or that person. You can solve a lot of these problems at the Telephone Company Business Office. We have colored telephones. A colored bedroom telephone is a perfect Christmas present, and it is inexpensive. Can't you picture the Lady of the House in the kitchen talking over a wall type telephone? You can give it to her in black—or in a color that blends or contrasts with her kitchen color scheme.

Getting back to that bedroom telephone—mine serves a double purpose. I receive calls quite often at night after retiring—so a bedroom telephone is very nice, especially in the winter. In the summer I can use the same instrument by placing it through an open window on to a table in the yard. This saves many trips into the house to answer the telephone.

Telephones should be placed for your convenience in answering calls, as well as placing calls. By doing this, you do not have to "go" to the telephone—it will be there where you spend your time.

Christmas may be a month or so away, but the way time flies it's not too early to begin making out your gift list.

To match this colorful season of the year, telephones in color are an ideal gift—particularly for relatives or close friends who have only one telephone in their home.

A handy additional phone in color will be a gift they'll remember all-year long as it makes their telephone service more convenient, more useful—and more colorful.

Why not call the telephone company today to learn how easy it is to give a telephone in color.

### A THOUGHT FOR THANKSGIVING

Remember that old Thanksgiving song, ". . . over the river and through the woods, to Grandmother's house we go?"

A short sleigh-ride was all it took to get to Grandmother's in those days. Today, it seems as if everyone lives so far away—even when we travel by car.

This Thanksgiving, why not go "over the river and through the woods" the modern way—by telephone.

True, we won't be there to enjoy that wonderful food—the golden-brown, stuffed turkey, the cranberry sauce, the homemade bread and rolls—but we can gladden the hearts of those dear to us with a phone call.

Long Distance is a wonderful, personal way to visit during the holidays. Low Station-to-Station rates make Long Distance economical, too. And remember, call by number—it's twice as fast.

Call by number. It's twice as fast.

**Fruited Eggnog Pie For Holidays**

Pretty as a picture and delicious as its looks promise, Fruited Eggnog Pie takes honors as a holiday dessert. The filling, made with commercial eggnog and laced with canned fruit cocktail, gains its chiffon lightness with unflavored gelatine. No baking of the filling is required.  
The eggnog is heated in a saucepan over low heat with unflavored gelatine and sugar. Heavy cream, whipped and added to the eggnog and gelatine, gives additional smoothness and richness. Then in go flavorings and the fruit cocktail with its taste medley of peaches, pears, pineapples and cherries.
