

Wins; Lane, Justice in Run-off

Dalton Is Successful In Justice Write-In

County Judge John Hart downed two opponents in Saturday's election for four more years as head of the Commissioner's Court.

Following what has been called the "quietest" race on record in this county, Judge Hart, who has served the county in many capacities, took 2,792 votes.

The defeated aspirants, ex-publisher O. H. (Onous) Dick of Olden, got 1,632, and Ranger Cafe Man Ralph Lockwood, polled only 403.

Encumbent District Clerk Roy Lane faces a run-off June 2nd with Ann Justice, who completed her first political race Saturday with 1,722 votes behind Lane's 2,430.

A third contestant in the race, B. M. Bennett, formerly Commissioner from the Gorman precinct, got 780 votes.

Judge Hart, who did not come to the courthouse for the tabulations, could not be reached early Sunday morning for comment on his successful race.

He has served as County Judge, sheriff and tax collector.

Ranger's ex-postmaster A. E. Crawley defeated A. J. Blevins for County Democratic Chairman.

According to unofficial and also incomplete returns the county voted 5,331 Saturday. About 6,000 was expected.

Like the rest of the state, John Connally, led Eastland County with 4,367. Daniel got 628 here, Formby, 752, Walker, 830, Wilson 874 and Yarbrough 495.

Preston Smith led this county with 1,406 for lieutenant governor.

For the attorney general's post, Waggoner Carr had 2,426 here.

Ben got 1,422 for congressman at large, Ben Ramsey, 2,082 for Railroad Commissioner, and White, 2,990 for commissioner of agriculture.

Morrison got 2,633 for a Court of Criminal Appeals post, and Steukley led here with 3,076 for a Supreme seat, as did Griffin with 2,853.

Ecco Walter was unopposed for his seat on the 11th Court of Civil Appeals.

Vote-counting was rough and the election workers sweated through mid-August-like weather most of the day Saturday, and endured

threatening storms, and its humidity accompanying discomfort as the vote-counting began.

L. E. Clark of Desdemona was the first—as per usual—to report to the Eastland Courthouse and the throngs of people waiting for the returns.

Eastland absentee vote counters worked about 8 1/2 hours and the Eastland Box didn't come out until 11:30 p.m. The county's biggest box, Cisco, where almost 1,600 votes were cast, came in about 11. Ranger completed their counting at 12:50 a.m. with 903 votes cast.

At midnight there were still two incomplete boxes—

Jaycees To Present 'Romanoff and Juliet'

'Romanoff and Juliet', a hit movie, based on a variation of a theme of Shakespeare's 'Romeo and Juliet', will be shown in Eastland Wednesday, May 16th.

Sponsored by the Eastland Jaycees, the film will be shown one-time only, beginning at 8:30 p.m. at the Majestic Theater.

The title has been a successful book, as well as a stage hit, and the author, and director, also had his successful hands in this film production. Peter Ustinov, creator of the modern tale of two loves with parental problems, stars in the movie. Sandra Dee and John Gavin are also featured.

Cancer Society Meeting Set

The regular annual meeting of the American Cancer Society will be held Thursday, May 17, at 7:30 p.m. in the First Christian Church annex.

The Minor League game scheduled for Tuesday night have been postponed this week and will be played on Wednesday night, Robert Lawson has announced.

League play is as follows: Majors—every Monday and Thursday. Minors—each Tuesday.

The spring band court Tuesday evening caused the schedule change for this week.

Dates Set For USDA Surplus

J. J. Porter Sr., USDA Surplus Food Representative has announced dates for food distribution in Eastland.

Distribution dates are as follows: Monday, May 14, Eastland, Olden and Binger; Tuesday, May 15, Binger, Rising Star, Okra, Gorman and Desdemona; and Wednesday May 16, Cisco, Scratch and Nimrod.

Coach Hughes Signs County School Pact

Jimmy Hughes, head coach and teacher in the Eastland school system, will be leaving at the end of this term to accept the position of Supervisor to work in association with the County School Superintendent's office.

He will be in charge of testing, counseling and some teaching between the Cisco and Scranton schools.

A definite schedule has not been made at this time.

The announcement was made by County School Superintendent H. R. (Pop) Garrett.

Superintendent Wendell Siebert announced that the vacancy has not yet been filled and applications are being received. Hughes hasn't formally given his resignation here however.

Hughes, a veteran of 14 years in the coaching and teaching profession, has previously taught and coached at Pyote, Kermit, Carbon and Eastland.

Hughes announced the following: "Submitting a letter or resignation is never a pleasant task, but it is especially difficult when the community, the pupils, and the board of trustees have been so understanding as you in Eastland have been. Even under the circumstances of having the poorest football season Eastland has ever had, you have shown the courage and friendship that helps to made the losses not seem nearly so bad as they could have been."

"I feel that under your guidance, the athletic program will be improved to such an extent that Eastland will be able

FIRST HOMER Medics Trim 'Dogs, 14-13; Lions and Comets Tie, 9-9

Little League fans saw some sure-nought baseball Thursday night with a 14-13 close-one, a tie-game, and the first homer of the year.

The Medics trimmed the Bulldogs by one score with D. Elrod on the mound.

It was an even-Stephen at 9-up for the Lions and Comets. Gary Upchurch, Medie third baseman, hit the first homer in the second inning of the twilight game.

D. Norris, the Bulldogs' losing pitcher gave up nine hits, 14 runs, struck out eight, and walked ten.

Winner Elrod walked two, gave up 12 hits, fanned four and let 10 runs. Getting hits for the Medics were R. Stedham, Elrod, R.

Maynard, J. D. Doyle, 2. Sopeland, Upchurch, R. Guht and R. Smith.

Bulldog hitters were Norris, Lassiter, Boy Day, 2. Robert Lawson, 2. R. Lawrence, T. Lawrence, 2. Brooks, P. Hunt and Grimes.

Lion hits were by P. Miller, W. Thomas, R. Butler, and H. Casey. Comer hitters were T. Herrera, G. Pipken, D. Thomas, S. Lund, and J. Martinez.

A Goode was the winning Comet pitcher and Thomas the losing Lion hurler.

In Monday night's season opener amid pomp and circumstance, the Lions downed the Medics, 14-3, and the Comets bested the Bulldogs.

PLANNING A TRIP?

If you are one of the millions of American motorists who are planning an automobile trip right now it might be well to pause and look at a few figures just released by one of the largest automobile insurance companies in the country.

The Travelers Insurance Companies in their report of highway accidents during the preceding year, made annually since 1931 with the exception of the war years, has compiled a study of the most dangerous hours and days of the week on the highways.

"The figures would indicate that it's best to get an early start and by the same token stop early in the day," a spokesman for The Travelers said in commenting on the report that analyzed last year's 37,600 traffic deaths and 3,057,000 injuries.

The 8-9 a.m. period accounted for 1.9 percent of the fatalities, lowest of those times listed while 6-7 p.m. had the worst total, 6.8 percent. In the nine hour period from 6 a.m. to 3 p.m. a total of 25.9 percent of the fatal accidents occurred while during the next nine hours 51.9 percent of the highway fatalities took place.

As to the relative merits of the respective days of the week, there is no question that weekend travel is the most dangerous. The Travelers report said. Friday, Saturday and Sunday contributed 53.3 percent of all fatalities while Monday, Tuesday and Wednesday added up to 34.2 percent.

It was also pointed out that despite the few cars on the road from 1-6 a.m., 16.8 percent of all fatalities occurred within that period.

Clerk 'A.O.K.s' 318 Petition Signatures

The Ranger beer-wine election apparently will be held sometime between June 4th and 12th, and probably on Saturday, June 9th.

The six petitions and a certificate from County Clerk Johnson Smith that 318 of the signatures are those of qualified petition signers, will be presented to the Commissioner's Court on May 14th.

The original petitions were returned to the county clerk on May 14th, with 334 signatures.

The certification was signed by Smith about 11:30 a.m. Thursday after his office had spent most of Wednesday checking the names against poll lists, and determining whether the signers lived within the corporate limits of Ranger.

The law requires that the clerk turn these over to the court "at their next regular meeting" after the certification.

Also the law requires that the court call the election for a day no sooner than 29 days and no longer than 30 days after the court receives the petition.

Tea Honors Mrs. McCain In Olden

Mrs. Clat McCain, Eastland County Home Demonstration Council Chairman, was honored with a tea given by the Olden Home Demonstration Club in the home of Mrs. Rudi Marshall, Olden, Sunday, April 29. Greeting guests was Mrs. W. P. Edwards, vice president of the Olden Club, and presiding at the registry table was Mrs. J. F. Moseley. Receiving guests were Mr. and Mrs. McCain, Mrs. Marshall, Mrs. Jessie McIlvain and Mrs. Louise McFarland.

Line Completed by TESCO Transmission

The longest steel tower electric power transmission line ever built in the Southwest has been put in operation by Texas Electric Service Company between Fort Worth and Odessa. The line, which is 336 miles long, more firmly links Texas Electric's eight power plants and various major load centers served by the company.

Announcement of completion was made by Beeman Fisher, president and general manager of the company.

"Construction of this new line is further evidence of Texas Electric's confidence in the continued growth and progress of the North Central and West Texas area we serve," Fisher said.

Construction of the big new line required nearly 500 carloads of steel and conductor, Fisher said, pointing out that the line was built in the shortest time of any line of its type and size anywhere in the U. S.

The western terminus of the new power line, which now operates at 138,000 volts but is designed for conversion to 345,000 volts as the use of electric power increases, is near Odessa.

Later the line will interconnect with a 345,000-volt line to be completed by other Texas power companies in 1964 between the Fort Worth-Dallas area and Houston.

When this connection is completed, the power systems of Texas Power and Light Company, Dallas Power and Light Company, Houston Lighting and Power Company and Texas Electric will be more firmly interconnected to exchange much greater quantities of power during emergency conditions and to achieve maximum economy in providing the electric power generating reserves of each company system, Fisher said.

Eastland Co. Ladies Attend Golf Meeting

Attending the Stamford Ladies Golf Tournament at the Stamford Country Club, Thursday, May 3rd, were Mrs. Bill Collings, Ranger, Mrs. L. Musgrove, Olden and Mrs. Varge Daniels and Neil Day, Eastland.

Mrs. Musgrove won the tournament with a low 11 over par and was presented a gift following the luncheon. Mrs. Collings and Mrs. Daniels both won balls in the special hole events.

Approximately ten towns were represented over West Texas in the one day tourney with 57 ladies taking part in days golfing.

Music Study Club Presents Books To Eastland Library

The Eastland Music Study Club chose as one of their projects for National Music Week, May 6-12, a book to be presented to the Eastland Public Library.

Mrs. Clara Cockrill, treasurer of the Music Club, presented the check to the Library and stated that the Music Study Club wished to present a book that would be interesting to young musicians.

For that reason, the Library Committee of the Thursday Club selected: "The New Book of Modern Composers". This book is edited by David Ewen and contains 550 pages, a very useful source of reference on the contemporary musical scene.

Miss Ethel Manning of Bay City visited in the home of her brother and family, Mr. and Mrs. Clyde Manning, during the recent Easter holidays.

Vegetable Show Led Giant Success

Lower and Vegetable show Saturday according to Ass't. County Agent, Jerry Dukes, Eastland; Tommy, Bobby, Caddy Lee, Patricia McCollom, Carolyn Plambeck, Kathy Boyd, James Roy Agnew, Ivy Ferguson, Sharon Wilcox, Linda Gary, Geneva Wilcox, Linda Gary, Rudy Wende, Rodney Harrelson, Nelda Harrelson, Mary Frasier, Sandra Eudy, Linda Kanady, of Nimrod; and Royce Harris, Walt Wilkerson, of Scranton 4-H.

Judges of the event were Mrs. Jack Chamberlain and Mrs. E. H. Courtney. Although their job was an extremely difficult one, the ladies did

an excellent job on their judging", commented Blackmon.

Winners in the Vegetable division were: First Honor, David Cox of Eastland 4-H on a Tomato Plant; Second Honor, Frank Chuborn, Eastland, Strawberry plant.

In the flower division: First Honor, Alan Robinson, Ranger, 4-H a rose grown from a seed; Second Honor, James Roy Agnew, Cisco 4-H, a begonia.

The Eastland Civic League and Garden Club helped sponsor and officiate this affair. The Civic League took 4-H'ers and parents on a tour of Mrs. Horace Hortons garden and served them refreshments there.

Ranger 4-H'er Gets Calf In Baird Rodeo

Willie Cantwell, 12-year-old son of Mr. and Mrs. W. O. Cantwell of Ranger competed in the Callahan County Sheriff's Posse Rodeo Thursday night, May 4th. Willie was entered in the calf scramble.

Ten boys were turned loose to catch 5 calves, the boys lucky enough to catch calves were awarded a \$75. certificate to purchase a calf of their own.

After a long, long, run Willie caught a calf by the tail. The calf circled the arena once with Willie running behind holding the tail.

Finally Willie was lucky enough to down the calf, but alas his halter was laying on the ground 12 feet away.

Willie, exhausted as he was, was still a resourceful 4-H'er. He drug the calf to within 4

feet of the rope and reached back with his foot to snag the rope. When he got the rope in his hand, a great cheer went up from the audience. Willie finally got his calf back across the line. According to Ass't. County Agent, Roger Blackmon, "Willie is certainly to be congratulated on his persistence and determination".

Young Cantwell expects to use the money to buy a steer for next years livestock show.

Equipment Developed For Peanut Samples

Equipment that will shell a 500-gram sample of farmers' stock peanuts for grade in three minutes or less has been developed by the Agricultural Marketing Service.

Federal-state inspection services in Oklahoma, Texas and other peanut growing states have helped with this AMS research.

Before development of this equipment, inspectors hand shelled samples of only 100 grams of Spanish and Runner type peanuts or 8 ounces of Virginia type peanuts for grading.

The use of larger samples, made possible by the new shelling equipment, greatly reduces the possibility of sampling error in grading.

The sample sheller gives and objective measurement of milling quality, an important factor for farmers' stock peanuts, and may meet the need for a standard method of determining milling quality by the entire peanut industry.

The traditional hand-shelling method of grading samples split few of the kernels and indicated very little about the milling quality of a load of peanuts.

Heart Attack Is Fatal To Mrs. Bean Robinson, 69

Funeral services were held Wednesday at 2 p.m. in the Strawn Presbyterian Church for Mrs. Bean (Grace) Robinson, 69, who died suddenly Monday at 4 p.m. following a heart attack between Eastland and Lake Leon.

She was rushed to the Eastland Memorial Hospital by the driver of the automobile and was pronounced dead upon arrival.

Officiating the services was the Rev. Eugene Surface, pastor of the Eastland Presbyterian Church. Interment was held in the Brad Cemetery under the direction of Malcolm Funeral Home of Strawn.

Mrs. Robinson was born July 29, 1892 in Palo Pinto County and was married to Bean Robinson on October 14, 1914 in Fort Worth.

Mr. and Mrs. Robinson moved from Eastland to El Paso two years ago. Mr. Robinson preceded his wife in death six weeks prior to her fatal heart attack. She returned to Eastland in March and made her home in the Village Hotel.

She was a member of the Methodist Church.

Survivors include one sister, Mrs. H. C. Croom of Ranger, four nephews and five nieces.

Livestock Market Week in Texas • May 7-12 1962

THE AUCTION MARKET BENEFITS OUR COMMUNITY AND SURROUNDING AREA...

We deeply appreciate the growing number of satisfied consignors and buyers who are doing business—conveniently and profitably—at our modern, LOCAL livestock market. We are humbly grateful, too, that this valued support and patronage also makes possible numerous EXTRA local benefits. Most of the hundreds of thousands of dollars handled by our market stay in circulation in this community and surrounding area... benefitting LOCAL businesses... LOCAL schools... LOCAL churches... LOCAL civic institutions... and thus pay a real EXTRA BONUS for our local consignors and buyers.

The growing livestock auctions of Texas not only lead competitors in total volume, but—we are FIRST as taxpayers, FIRST as employers, FIRST in total payrolls, FIRST in cooperation and support of livestock and agriculture organizations and rural youth groups, and FIRST in civic leadership.

We are proud to faithfully serve... and to benefit... our community and its surrounding trade area.

SERVING... SELLING... SATISFYING... WITH SUPERIOR SERVICE!

Every day... every week... every month... every year... MORE and MORE thrifty and progressive livestock producers—from the Red River to the Gulf, from the Rio Grande through the piney woods of East Texas—are selling their cattle and calves, hogs, sheep, lambs and goats at conveniently located, modernly equipped efficiently operated local livestock auction markets.

This popularity is the result of courteous faithful service, high standards of honesty and integrity, consistent performance in the best interest of our consignors. And during "Live stock Market Week," we again renew our pledge to strive tirelessly and conscientiously to improve and expand our services and facilities and to increase our operating efficiency in the best interest of our growing number of customers whose loyal patronage and support has built this market.

We cordially invite you to consign your livestock to us—save those long hauls, that costly shrink, spare yourself valuable time, extra trouble—and get maximum market service and maximum buyer competition at the most minimum cost.

And, remember, we are happy to assist with your market problems—experienced, expert counsel and friendly, sound advice for the benefit and profit of livestock producers in our area. Call on us anytime—we're always at your service!

Thoughts for a Sunday

THE WORD OF GOD
By Rev. Eugene Surface
Pastor, 1st. Presbyterian Church

At the heart of the universe, there is the Person of a speaking God, Who as Creator, Reconciler, and Redeemer, seeks fellowship with His creatures and creation. This is the central conviction and affirmation of Christian Faith.

Where is the Word of God to be found. The most immediate place is "the proclaimed word"—the proclamation of the Church in Sermon and Sacrament. This is the Church's God-given function—to witness to what God has said and done, in Christ.

Behind the proclamation of the Church is the "written Word" in Scripture. The Bible is the supreme written witness to the Word of God; that is, through human words God speaks His Word, to all who are enable to hear, by God's Spirit.

Behind both Church and Bible is "the Revealed Word", the Word in its original form, out of which Scriptures and Church have sprung. The Revealed Word of the Living God in Christ Jesus, our Lord. Neither Church nor Bible are equivalent to God himself: They are witnesses to God's Word in Christ.

We must vigorously oppose any attempt to substitute a human word for the Divine Word in Christ. On the one hand, human reason is not the standard or test of Divine Truth. On the other hand, we are not to identify God with Church, Bible, doctrine. God is Lord over reason, Church, Bible, doctrine and fashions these as He chooses, not as we choose. God's Word is sovereign and free, and not at all subject to the beck and call of man.

This Word of God, fully speaking, is the revelation of Himself as Father, Son, and Holy Spirit. We do not say, "There is a God, and this God has revealed Himself. We say, rather, God has revealed Himself, therefore there is this sort of God. The focal point of this Revelation is the Incarnation in Jesus Christ, and with that the gift of the Holy Spirit Who hears witness to the Incarnation and bestows the gift of faith. Jesus Christ is God with us: The Holy Spirit is God in us.

God has revealed Himself. Man's knowledge of God must be the knowledge of that Revelation. We cannot find God in our own way, when and where we want to find Him. Our knowledge of God comes through His way, and we must wait for His revelation.

In no sense do we have any control over God. He is sovereign. He speaks first: we answer or do not answer; we hear or do not hear; we obey or do not obey. But always our action is the result of our response to God's initiative. God is not to be found at the end of a human argument, or a human search; rather, as the Shepherd the sheep, God finds

us. We are not "saved" by what we do; we are saved by what God does, in Christ, by His Holy Spirit for and in us. We can not boast of our exploits before God; we can only entrust ourselves into His care.

God commands man to hear and to speak His Word. But we must ever remember that every time man speaks it is a human word that is heard—a human witness to the Divine Word.

God has revealed Himself. Therefore He exists. And He is the sort of God whom we recognize in His revelation. We recognize Him because His Spirit is given to us to illum-

ine our minds as those hear God's Bible. Sermon, who have received of faith.

and "You search for you think that have eternal life, testify to Me; not come unto Life, abundant, is found only in self. He is the God.

LIGHT UP... OUT DOORS!

FOR PLEASURE...

You'll have more hours for family fun with proper outdoor lighting. You can enjoy lawn games, outdoor dining or just plain relaxing long after the sun goes down. And you'll find yard work is easier when you can do it in the cool of the evening under the lights.

FOR BEAUTY...

With outdoor lighting, you can enjoy the beauty of your flowers in the evening, too. Over-all low level lighting is recommended for a unified picture, plus lights in each flower bed to provide attractive "spotlight" effects.

FOR SAFETY...

Outdoor lighting along steps and walks helps prevent dangerous slips and falls. Flood lights, properly placed, discourage prowlers and permit you to do after-dark chores with daytime ease and safety.

Your dealer will gladly show you how to light your yard to beauty, safety and convenience. See him about it soon, or visit our office.
