Olds Fiesta Combines Luxury, Utility

Oldsmobile's glamorous 1957 Super-"88" Fiesta station wagon has all the luxury of a hardtop and all the practical utility of a station wagon. The hardtop styling is epitomized by the absence of a center post between the two doors. Outstanding 1957 styling features are the distinctive accent stripe on the rear fender panels, the sculptured rear fenders, longer and lower silhouette, larger "Span-A-Bamic" windshield, chrome roof rails and new chrome visored headlamps and taillights. Inside, the Fiesta is upholstered in comfortable Airweave Triok fabrics and leather. Ample luggage space is provided in the rear compartment, which can be reached through the easy operating tailgate. The second seat folds flush with the floor for cargo use. Higher capacity rear springs and shock absorbers provide greater load-carrying capacity.

SCOUT NEWS
in The Comanche Trail Council

The Third Scouting Exposition conducted by Cubs, Scouts and Explorers will feature 40 exhibits and be held on April 13 in Memorial Hall in Brownwood. The Exposition will depict Scouting skills and achievements which are exhibited and demonstrated by boys. The show is conducted for the public and will be open from 2 to 9 p.m. "We believe the Scouting Show this year will be the largest and best the Scouts have put on," stated Lee R. Tesson of Goldthwaite, Camping and Activities chairman for the Comanche Trail Council. There will be stage attractions in addition to the exhibits. Subjects accepted for the show include: Pioneering, Indian Lore, Reptile Study, Camping, Radio, Firemanship, First Aid, Signaling, Poultry Keeping, Conservation, Knot Tying, Chemistry, Aviation, Western Brands, Bird Study, Home Repairs, Flags, Farm Animals, Electricity, Fire Building, Leathercraft and other interesting subjects. Scouting units already entered include: Troop 17, Breckenridge; Troop 40, Stephenville; Troop 30 and Pack 35, Dublin; Troop 77 and Post 77—Goldthwaite; Troop 44, Priddy; Troop 23, De Leon; Troop 26, Lometa; Troop 61, Lingeville; Pack 24, Early; Pack 57, Blanket; Post 34, Troop 32, Troop 43, Troop 8, Troop 4, Troop 22, Troop 2, Troop 1, Troop 52 of Brownwood and Packs 2, 3, 4, and 31 of Brownwood. Tickets are available through the Cubs, Scouts and Explorers and each Unit will benefit from the sales of tickets to aid in their summer activities. Camp Opens June 3 Hundreds of Scouts and Explorers will camp at Boy Scout Camp Billy Gibbons in June. It will be the 26th season of scout camping at the camp on Brady Creek in San Saba County. There are three camping periods with the opening date set for June 3. Each period begins on Monday and closes following the noon meal on Sunday. Scout Troops and Posts provide leadership for their Units and all camping is conducted on a Unit basis with central dining hall and program activities. The resident staff is composed of outstanding adult and junior leaders selected from throughout the eight-county area. The program at camp includes instruction in swimming, life saving, boating, marksmanship, archery, Indian Lore, handicraft, nature study, hiking and other activities. Stress is placed on advancement and courts of honor are held each week. Scout Troops now registered for camp include: Troop 40, Stephenville; Troop 34, Richland Springs; Troop 77, Goldthwaite; Troop 10, Ranger; Troop 47 and 74 of Comanche; Troop 17, Breckenridge; and Troops 1, 32 43 and 4 of Brownwood. Reservations are being accepted through the Boy Scout office, 500 East Depot St., Brownwood. Lee R. Tesson of Goldthwaite is Chairman of Camping and Activities of the Comanche Trail Council. New Scout Troop The organization of a new Scout Troop in Gustine brings the total to 100 Scouting Units in Comanche Trail Council, according to W. Doyle Graves, Stephenville, chairman of Organization and Extension. There are 2044 boys in the 100 units sponsored by 73 organizations and churches and led by 865 adult leaders. Although this is a nice increase—the objective is to complete this year with 110 units and 2400 boys. The largest troop is the Council is in Eastland. Executive Begins Duties Vall A. Hinkle of Canton assumed duties as District Scout Executive of Comanche Trail Council March 1. Hinkle is a native of Albany,

Oregon but has lived for the past several years in East Texas. He is married and Mr. and Mrs. Hinkle are making their home in Goldthwaite. He will serve the South-Central District which includes: Lampasas, San Saba, Mills and Brown Counties as well as Rising Star and Comanche. The membership in the area mentioned is 50 Scouting Units and 1200 boy members. He is a recent graduate of the Scout Executive's Training School at Mendham, New Jersey. He is a member of the Baptist Church and Lions Club.

How To Build A Better Lawn

The average lawn is only \$20 to \$25 and one summer away from near perfection. In this comparatively short time, you can patch up the bare spots, thicken up the thin spots, and really grow the lawn you want. Your investments will buy an adequate supply of plant food, grass seed, weed and crabgrass killers, and enough cash to pay the water bill for a few good soakings. To make your lawn-building program work, you will have to eliminate the trouble spots, says an article in the April issue of Better Homes & Gardens magazine. It's a rare lawn that doesn't have a few such spots - - places where grass won't grow, or just barely survives. When these appear, the first impulse is to replant and try again. This will pay only if you also eliminate the cause for the original failure. Some of the common causes and solutions are: Thin grass, full sun: Feed at least twice this year, once in the spring and again early fall. Feed at least once every year, and don't skip. There's no substitute for plant food. Thin grass, shade: Reduce the shade, if possible by thinning the overhead branches. Give extra food and water. Failure is often due to competition with tree roots for available plant food and water. Overseed with special shady-lawn seed mixture. Bare spots, full sun: Spade up area to see if buried debris prevents grass from taking hold. Replant usually cures. Bare spots, shade: If shade-tolerant grass fails, use a grass substitute such as verna, pachyandra, or other groundcover suggested by your nurseryman. Grass invaded by weeds: Mow more regularly. Use weed-control chemicals this spring. Reseed bare spots in August after weeds are destroyed. Grass worn by traffic: Build up grass by feeding three times yearly, try deeper watering. Use steppingstones or paving if paths are really needed. Generally, for green lawns all summer long, the magazine article

Junior College 1957 Football Schedule Given

Coach Tom Hestand of Ranger Junior College has announced his 1957 football schedule for next fall as follows: Sept. 14 Paris T Sept. 21 Cameron H Sept. 28 Navarro T Oct. 5 Cisco T Oct. 12 San Angelo* T Oct. 19 McMurry* H Oct. 26 Tarleton* T Nov. 2 Kilgore T Nov. 16 Arlington* H Nov. 23 Schreiner* H The schedule has provided for four games at home and six away, but perhaps the biggest game of all is scheduled for Ranger, the clash with Arlington on November 16. Coach Hestand said all games were night games unless something should happen between now and next October 5 which would make it desirable to play Cisco in the daytime. Starred games are conference games. TRADE WITH YOUR HOME-TOWN MERCHANTS

Houston Ceremony Unites Sarah Shaw and Lt. Robert E. Massie

The wedding of Miss Sarah Shaw and Lt. Robert E. Massie was solemnized April 6th at North Hill Baptist Church, Houston.

The bride is the daughter of Mr. and Mrs. C. R. Shaw, of Abilene, formerly of Eastland. The groom is the son of Mr. and Mrs. Thomas G. Massie, of Waynesville, N. C. Rev. Sam G. Martin officiated at the double-ring ceremony.

Traditional wedding music was played by Mrs. Glen Rose, and the soloists was Mrs. Sam G. Martin. She sang "Because," and the "Lord's Prayer."

Miss Shaw's attendants were Miss Sammie R. Jackson, Mrs. J. Lewis McDaniel and Miss Sandra Shaw, as maid-of-honor, sister of the bride. The bridesmaids wore waltz-length princess-line taffeta dresses in orchid color. Miss Sandra Shaw's dress was violet taffeta. Pamela Porter was flower girl and carried orchids in a basket arrangement.

Best man was Thomas G. Massie, father of the groom. Groomsmen were Thomas R. Shaw, brides brother, Lt. J. Lewis McDaniel. Ushers were Lt. William Morris and Gene E. Cone.

The bride was given in marriage by her father. She wore a gown of tissue taffeta and Chantilly lace, an original design by Marva. It was created in lines of classic simplicity featuring a bateau neckline of scalloped lace, embroidered in bridal jewels, high empire lace bodice fastened with small covered buttons, and glove-fitting sleeves, ending in petal points at the hands. The princess panels released a full taffeta skirt accented with a bustle bow. Her train was chapel length, her finger-tip veil of silk illusion was held in place by a tiara of bridal jewels.

The bride carried a fan of lace, adorned with white orchids and showered with pearls and stephanotis. The bridesmaids' flowers were Alox orchids arranged in cascades and caught with matching satin.

The church was lighted with myriad tapers in a seven-branched candelabra. Baskets of white gladioli, stock and lilies adorned the altar space.

The brides mother wore powder-blue embroidered sheath with dust-

er of silk organza and matching accessories. The groom's mother wore dusty rose with matching accessories.

The reception was held at the church. The houseparty consisted of Misses Martha Nelson, Patsy Rivers, Kaye McLerran, Barbara Long, and Mrs. G. M. Reeves.

For her going-away suit the bride chose a champagne-colored linen suit with violet accessories. Her corsage was a white orchid.

After a wedding trip to Daytona Beach, Fla., the couple will be at home in San Antonio, where the groom will be stationed at Randolph Air Force Base.

Make plans to welcome back Eastland's ex-students now June 8-9—date for the first annual all-school homecoming — is just around the corner. Do your part to make this Texas' Biggest Homecoming.

Housewives Must Pay Domestic SS Taxes by April 30

Housewives employing a maid, cook or laundress and paying cash wages of \$50 or more in any calendar quarter, are required to withhold 2 1/2 per cent of their cash wages as social security tax, or else they are headed for trouble with Uncle Sam, the Revenue Dept. has reminded. Previous to 1957 the tax was two per cent.

The employer then matches this amount and forwards the total to the district director of Internal Revenue at the close of each quarter.

This announcement was made jointly here today by R. R. Tuley, Jr. District Manager of the Abilene Social Security Office and A. E. Fogle, Jr. Administrative Officer of the Abilene district Internal Revenue Service. The Revenue official explained that the tax is paid to IRS on a simple, easy-to-use form called Form 942, which any Revenue office can provide. He pointed out that such wages include payments in cash, check, or money order. Not included for domestic workers is the value of food, lodging or clothing. Cash payment for car fare is included, but not the cost of bus tokens.

According to Fogle, Form 942, showing name, social security number, wages paid and tax withheld from each household employee, should be completed and sent to Revenue's district director within one month after the end of the calendar quarter. That's by April 30, for the January - March period.

Fogle said that the law applies to such domestic workers as maids, cooks, waiters, butlers, housekeepers, governesses, valets, baby sitters, janitors, laundresses, furnace men, gardeners, and chauffeurs for private cars.

When you give your heart to a boy -

You're in for some trouble — when your heart belongs to a boy. Boys don't like soap. Boys scuff up their shoes. Boys make too much noise when they're home — and when they go off to school, leave a house that is far too still. You're in for a world of happiness, too — when your heart belongs to a boy. The kind of happiness that erases tears, shuts out loneliness, rubs away all kinds of aches and pains. Small wonder mothers love their little boys so very, very much.

One of these days your boy will be starting off to school in his shiny new shoes and fresh clean shirt. And he'll start learning all the things he needs to know to make him the kind of man you want him to grow up to be. One of the most important lessons for your son to learn is the meaning of thrift and the value of a regular savings program. And that's what the U. S. Treasury's School Savings Program will teach him. By the purchase of 10¢ and 25¢ Savings

Stamps in their schools, children are investing in U. S. Savings Bonds on the installment plan. And, as you know, Savings Bonds are one of the best investments that any of us can make. Is your child's school participating in this important program? Why not speak to your principal, school superintendent or P.T.A. group about it? Encourage your child to buy Savings Stamps regularly. Start the U. S. School Savings Program in your town today!

Spring Breezes Flutter New Scarf Accents

STYLES come and go as the whims of fashion designers dictate, but scarves are as constant as the first robins with their perennial message of spring. Shown at left is a frothy, white organza, polka-dotted in navy. Made to tuck into the neckline of a spring suit or suit-dress, the oblong scarf has a narrow band of navy satin at each end. At right, a sheer, white organza Ascot is caught by a flower made of the same fabric to add a springtime touch to last season's dark dress. This wardrobe-stretcher can be tied in a bow or it can be permitted to stream down the front of the costume.

Twenty-eight Attend County Home Demonstration Council Meeting

Seven of the 10 home demonstration clubs were represented at the Eastland County Home Demonstration Council meeting, April 3 in Eastland. Twenty eight persons attended.
 Miss Willie Word, vice-chairman, presided due to illness of the chairman, Mrs. York Eberhart. Mrs. L. B. Jones led the group in a song, their pledge, motto, andious towns of the county beginning this month. The purpose of these educational exhibits is to inform non-club members as to the activities of the home demonstration activities. Every 4 months a new educational exhibit will be placed on display.
 A special program will be presented on May 1 at the Home Demonstration Council meeting in observance of National Home Demonstration Week April 28 through May 4. All council members and visitors are welcome to attend.
 Delegates to the District Texas Home Demonstration Association Meeting in Lampasas—Mrs. Ernest Scheafer, Mrs. L. W. Tucker, and Mrs. J. S. Anderson—expressed their appreciation to the council for this trip. These delegates will give reports in the Home Demonstration clubs on the District meeting this month.
 The 4 county Home demonstration camp will be held in June at Lake Brownwood. Committees appointed to attend the planning meeting for this were Mrs. L. B. Jones, Program; Mrs. O. L. Taylor, Recreation; Mrs. C. M. McCain, foods; and Mrs. Lottie Lassiter, crafts.
 Each club present drew for the booth they would be responsible for at the annual Achievement Day to be held in November.
 The agent, Mrs. Mitzzi Hart, gave organization training on "Organization Vocabulary". The council delegates will give this training to their respective home demonstration clubs.
 Council was closed with the presentation of a baby bed to the agent, Mrs. Hart, who is resigning May 1, 1957.
 Clubs represented at Council were Morton Valley, Bluff Branch, Word, Lake Cisco, Nimrod, Pleasant Hill and North Star. The agent's mother, Mrs. G. S. Billingsley of Tuscola, was also present at the meeting.

"Burner With A Brain" Featured In Lone Star Spring Range Event

The "Burner With A Brain" has revolutionized gas cooking, making every pot and pan an automatic appliance, and representing the greatest advance in kitchen ranges since the invention of the thermostat, according to Lone Star Gas officials.

The "Burner With A Brain" is a thermostatically controlled top burner, operating much the same as an automatic oven. After setting the dial to the desired temperature, the homemaker can forget it. The "Burner With A Brain" will remain at the temperature she has dialed, going neither higher

The Day Christ Died

The "Burner With A Brain" reaches the desired heat instantly as do all gas burners, and when it is turned off the heat leaves immediately. There is no hangover heat to burn foods or raise kitchen temperatures. The "Burner With A Brain" makes cooking with gas by far the coolest cooking possible.

Heat markings on the control dial start at 200 degrees and graduate in small steps up to 400 degrees for secure control of the flame. The low, perfectly controlled temperatures are just right for delicate puddings and sauces, and the constant well-regulated high temperatures necessary for successful deep fat frying are provided by the new burner.

To use the "Burner With A Brain" the homemaker merely sets it and forgets it. It is as simple as that. The control dial is like the familiar oven control, and it is necessary to turn it to the proper temperature. To control temperature the sensing element must be in contact with the bottom of the pan, making flat-bottomed pans a necessity. Lone Star Gas Company home economists point out that pans with covers are best for cooking jobs other than frying and broiling.

The latest development in ranges puts no limit on the type vessel the homemaker can use in her cooking. All flat-bottomed cooking vessels, no matter whether they be copper, aluminum, glass, steel, cast iron or any other material, will give the same results. Since the element registers temperatures of the pans, slight adjustments will

Lana Pittman Is Honored On Her Seventh Birthday

Lana Pittman, daughter of Mr. and Mrs. J. L. Pittman was honored with a birthday party in her home at 606 West Commerce Wednesday from three to five p.m. The occasion was to celebrate her seventh birthday.

Games were played throughout the afternoon, with the main attraction being an Easter Egg hunt, using the small Easter baskets and candy eggs presented each child attending.

The group gathered around the table and sang "Happy Birthday" to Lana, then she blew out the candles topping the beautifully decorated cake, baked and decorated by her grandmother, Mrs. T. A. Byrd.

After pictures were made, refreshments of birthday cake, ice cream and cherry punch were served from the patio to the following children: Karen Green, Dianne Petty, Debra Jean White, Terry Hitt, Mary Ann Turner, Stephen Dukes, Dianne Yancey, Randy Beskow, Anna Lookingbill, Delinda Peterson, Rhett Smith, Marilyn Fagan and the honoree, Lana Pittman.
