Eastland has lost another of its fine young leaders. He is Robert Lavender. Bob has been transferr ed to Fort Worth by Texas Electrie where he will take over his important duties in Texas Electric's agriculture program.

We surely do hate to see Bob his wife Emma Lee, son Mike and daughter Betsy leave, but we are glad to see him get the promotion.

Eastland's New Service Station, Cafe Set Opening

The grand opening of East land's newest service station and cafe will be held Saturday. That's when the Tri Me Cafe and Sherman's Conoco Service Station will open their doors.

Free gifts for the adults and kids will be given all day long And a two pound package of suga will be given with the purchase of each 10 gallons of gas.

The station and cafe are located in the newly completed building across from the El Morroco Motel, one mile east of Eastland on Highway 80.

The cafe will feature home ooked meals, steaks, sandwiches

Three Field **Projects Set** For County

Three new regular field projects, one near Carbon, one near Ranger and one near Cisco, have been staked in Eastland County. Frank Love and Co. of Wichita Falls No. 1 Robert Fox was staked

six miles south of Ranger as a re-

gular field project. Slated for 3,200 feet with rotary, it spots 467 feet from the south and 1,200 feet from the west lines of Lot 30, McLennan CSL

Fred Davis of Cisco No. 1 Liz-zie Collins will be a regular field project two and one-half miles east of Carbon.

Location is 2,518 feet from the south and 3,929 feet from the east lines of Section 3, Block 2, H&TC Survey. Proposed depth is 1,500 feet with cable.

F. L. Johnson, regular field project five and one-half miles southeast of Eastland, spots 808 feet from the south and 3,000 feet from from the south and 3,000 feet from the west lines of W. Mitchell Sur-Coach Carrol Shelton's youthful two losses on consecutive Friday vey. Proposed depth is 1,000 feet with cable.

Eastland Telegram Editor Boyce House gave birth to new book Tuesday. "Oil Field Fury," the story of Eastland and of the fabulous oil boom, was given its premiere in the city it mainly concerns.

Honored Guests

Other honored guests at the noon luncheon included three Eastland County in the aftermath former Eastlanders, who's names appear time after time in the new House book, and a former boss of the writer. Judge Ed. S. Pritchard, who was county judge during the era, Judge W. J. Barnes, former district attorney, and Gilvie Hubbard, a prominent attorney during the period, were all honored by having "Oil Field Fury' dedicated to them. The fourth honored guest was Hamilton Wright, the Abilene Reporter News' "Roadrunner," who at one time hired House as his "West Texas staff" for a Fort Worth newspaper, and the fifth was Joe Naylor, publisher of the book.

Tanner Makes Introduction Following the introduction of other out-of-town guests, Herb Tanner, manager of the Eastland Chamber of Commerce, said "And now I want to introduce the papa

So Fast No Other Fuel Cleanest Cooking! Can Catch Up!

Only Gas gives you any heat you want ... instantly! No waiting for high heat, off heat... or any in-between heat. You get the exact heat you need for any cooking task twice as easy, twice as fast with Gas!

Cool as Cooking Can Be!

You never waste heat with Gas, because you get just the heat you need for any cooking task. And when you turn Gas off ... it's off! No red hot, stored up heat pours into your kitchen. The finest, thickest insulation keeps heat inside your gas oven and broiler. And when broiling, broiler door is closed...not propped partly open. Insulation serves its purpose ... keeps heat inside. Cooking is cool as cooking can be with automatic Gas.

Stainless blue heat keeps pans mirror-

bright. And thanks to closed-door smokeless flame broiling, your kitchen curtains and walls stay lighter, brighter. Of course, burners, burner bowls and other parts of a modern Gas range which may become soiled are removable . . . go right into your dishpan for a real cleaning.

It's Automatic-Plus! With a '55 Automatic-Plus Gas range, you

have an automatic oven clock control. Now, on many ranges, you can have an automatic time control for top burner cooking . . . the "Potwatcher." Of course, it's yours only with a Gas range! With any heat setting, the "Potwatcher" times top burner cooking for one to 60 minutes. then turns burner off automatically. It's Automatic-Plus! Cheaper 4 to 1

· NEWS FROM CHEANEY Mrs. Bill Tucker

again, after a wonderful trip to the 18th Annual Home Demonstration Council convention Nov. 1 an ation's Capitol.

We were delighted to be one of the was most pleasant, weatherwise, and the Tours, Embassy Teas, the Maryland Pageant and the banquet planned by the Maryland Club hostesses were "tops" in entertainment. Some 21,600 women representing 44 states, Puerto Rico and Hawaii were registered.

Statler Hotel personnel complimented the convention group on their excellent program, their fine behavior and assured us that the statement that "women are harder to please than men" is quite untrue. So, take a bow ladies and when the 19th annual NHDC meets at the Conrad-Hilton Hotel in Chicago, be prepared to set your best foot forward again.

Be Cautious With Cabbage; If Not Overcooked It's Delightful

all vegetables, cabbage objects

DR. O. A. JONES Chiropractor

7 a.m. till 12 noon 210 Pet. Bldg.

Cook cabbage by all means now that it's plentiful and reasonable and good — but cook it easy! Of until tender and not a moment until tender and not a moment more - cabbage is a culinary delight. Its color is fresh delicate, green, its flavor, mild and pleas-ant. Need it be mentioned that cabbage is often abused, and therefore much underrated?

Here are two recipes worthy of cabbage at its best - meaning, very fine eating indeed.

Tailor-Made for Southwestern Climate

Most paints are made for "average" temperatures throughout the whole country. Jones - Blair paints are made for the Southwestern climate, formulated expressly to withstand its hot sun and rigorous temperature changes. Long research and testing in the Jones-Blair laboratory, largest in the Southwest, produced this exclusive formula there's no other like it.

BECAUSE THEY'RE

Jones-Blair House Paint is definitely superior to ordinary house paint; it is the

best house paint that can be made. Its well-balanced formula lets it flow on smooth and easy, and it has excellent hiding ability. J-B House Paint goes on to stay. It ages smoothly and uniformly. It collects less dirt and dust and leaves a perfect surface for refinishing years later.

Jones-Blair paints cost less not only because they last longer, but because they cover more surface with greater hiding power. And you can't find more beautiful colors - over 24 of today's most desirable colors - unusual intermixes and beautiful trim colors.

Before you repaint your home, it will save you money to find out more about Jones-Blair paints - the finest you can buy - so nice to come home to!

The world's greatest builder of V-8's presents

THE TOTALLY NEW '55 FORD!

Longest, Lowest, Roomiest...most Powerful ever built!

New CUSTOMLINE Series . . . The Tudor Sedan (above) and Fordor offer a wide selection of new color and upholstery combinations. Like all '55 Fords, they have a new wider grille, new visored headlights and sturdier, extra-narrow pillar-posts for better visibility.

New STATION WAGON Series ... The new 6-passenger, 4-door Country Sedan (above) is one of five new do-it-all beauties. There's also an 8-passenger Country Sedan, an 8-passenger Country Squire and a 2-door, 6-passenger Rauch Wagon and Custom Ranch Wagon.

We invite you to see for yourself. And we tell you in advance you'll be amazed. For this new Ford is totally new-outside, inside, and in thrillingly different performance.

The long, low lines of the Thunderbird were its styling inspiration. Inside, you'll be greeted by rich, roomy luxury . . . by fabrics never before offered in a motorcar.

Mighty engines, mightier than in any Ford before-supply its exciting power. And each of Ford's three new engines offers the safe, split-second response of Trigger-Torque Power.

Your ride will be up to 15% smoother. Best of all, you'll find your kind of car, for there are 16 body styles in four fresh new lines. When you come in, don't be surprised if you

tell yourself: why look farther—why delay—you just can't buy better than Ford.

auties offers the same engineering advancen the same graceful contours and clean lines that dis-tinguish all '55 Fords. Fordor Sedan is illustrated above.

(1) The new 162-h.p. Y-block V-8 has a higher (7.6 to 1) compression ratio, greater displacement. And, like all '55 Ford engines, it has Ford's famous deepblock build . . . short-stroke design.

(2) The new 182-h.p. Y-block Special V-8 (offered in combination with Speed-Trigger Fordomatic on Fairlane and Station Wagon models) features 4barrel carburetion, dual exhausts and extra-high (8.5 to 1) compression ratio.

(3) The new 120-h.p. I-block Six has a new higher (7.5 to 1) compression ratio. It's the most advanced six-cylinder power plant in the industry.

There is no Such Thing-

. . . . as a "bargain" in insurance. Along with every other commodity you get what you pay for and no more. John Ruskin once said "there is hardly anything in the world that some man cannot make a little worse and sell a little cheaper and the people who consider price only are this man's lawful prey." Ruskin was right. Whatever you buy, buy the best. If it's insurance you can't go wrong by buying from a local agent who is as near to you as your telephone when you need
