SPRING IS HERE
Spring officially arrived and we have had a few days of Spring weather. I heard of a contest of guessing when 100 degrees would be reached.
If you are like I am, you have already spent several hours outside working in the yard. I really don't consider it work because I enjoy it so much. However, there is the problem of receiving telephone calls and tracking through the house. I have a telephone located just inside the door. It keeps the house neater and keeps me out of the "dog house". As Spring turns into Summer, all of us will be spending more and more time out of doors. Right now, close your eyes and imagine you are outside the house and you receive a telephone call. How long will it take you to get to the nearest telephone? Now, how much more convenient if you had another instrument near your door. You can solve that problem by calling the Telephone Company and asking for that convenient telephone.

SPRING-A-LING!—IT'S KITCHEN TELEPHONE TIME
I guess you might say that Spring and color just go together. The lawns are getting greener, trees and flowers are starting to bloom, and soon there'll be color all around us.

Spring is also a time for housecleaning and remodeling—at least at our house where we always have a project or two on hand. Whether it's housecleaning or remodeling—or both—why not add an extra touch of color like a friend of mine did recently?
His wife was having a new counter-top installed in the kitchen, and called to tell him what a professional job the carpenter was doing.

Figuring that he wouldn't let the carpenter steal his thunder, my friend called the telephone company and ordered a white wall phone for the kitchen.

SO MANY COLORS!
When he made the big announcement at dinner, my friend admitted he was worried about his choice of color. "They had so many colors," he explained, "I wasn't sure which color to choose. They had red, green, beige..."
"But white goes best with the new counter-top," his wife interrupted, "just what I needed to perk up the kitchen even more."
The moral of this story is if you want to be a hero, add that extra touch of color by ordering a kitchen telephone for your wife. A kitchen telephone in color will brighten up the room, help her get things done, and let her chat with friends between chores.

P. S. Be a hero. Call the telephone company today.
Call by number. It's twice as fast.

Who's on Who's Back—
... is a timely question in insurance circles. Every insurance buyer should know that he is helping to carry the load inflicted by the careless driver... the homeowner who allows hazards to exist on his premises... the person who abuses the broken glass privilege... the householder who overloads electrical circuits... the juror who allows himself to be swayed by emotional pleas for sympathy... to name only a few which cause premiums to rise. When an insured loss occurs, the cost must be reflected in the premiums you pay in the future. So do your part to help prevent careless claims. Join the drive to keep needless insurance costs down... not to run them up.

Eastland Seniors Are Honored With Harmony Banquet by Baptist WMS

The Woman's Missionary Society of the First Baptist Church honored the seniors of Eastland High School with a Harmony banquet in the Fellowship Hall on Friday evening, April 10th.

The musical theme was carried out in the decorations throughout the Fellowship Hall. At intervals along the tables were miniature instruments and bars of music with golden notes. At each plate was a tiny grand piano place card and the program covers were decorated with silhouettes of seniors. Fresh flowers and candles completed the decorations.

Rev. Harvey Kimbler was master of ceremonies. After the invocation by Mr. Charles Marshall, Mrs. H. W. Sims, president of the Woman's Missionary Society,

welcomed the guests. The response was led by Kenneth Lench, president of the senior class. The high school trio, composed of Dixie Durham, Sandy Taylor and Laura Harris sang two numbers accompanied by Mrs. Andy Taylor.

R. B. Hall, music director of the First Baptist Church, accompanied by Janice Crabtree sang "I Walk With God."

The inspirational address was brought by Dr. Guy Newman, president of Howard Payne College of Brownwood. He spoke on "The Keynote of A Successful Life" in which he pointed out that the three requisites for success in any field are desire, discipline and dedication. Dr. Newman told the seniors that if they had these qualities, a college education was possible for each of them. The program was concluded with the benediction by Mr. Wendell Siebert.

Those attending were: Knicky Arther, Janie Arther, Jackie Baggett, Nancy Beck, Linnett Capers, Charles Chaney, Wallace Cherry, Judy Cockrell, Janice Crabtree, Jenny Dukes, Dixie Durham, Johnny Graham, Rebecca Graham, Bill Hallmark, Jerry Hallmark, Laura Harris, Larry Hollis, Sarah Honea, Don Hull, Clinton Humphreys, Julia Lynn Inzer, James Johnson, Rosemary Jones, Kenneth Leach, Michael Lisenbee, Mike Manning, Charles Martin, Clarence Mayers, Cora Mendietta, Perry Miller, Jannie Morton, Jerry Penn, Phyllis Phillips, Jane Powell, Stanley Reed, Florence Stroud, Oln Jean Stuard, Sandy Taylor, Ann Tombs, Fred Walker, Gail Walters, Elton Williams, Seba Williams, Kathryn Williamson, C.
