No. 30

MOORE about... EASTLAND

by Virgil E. Moore

Mrs. Virgil T. Seaberry called our attention to the beautiful crepe myrtle hedge on the C. M. Murphy lawn, 607 Connellee. There are numerous other pretty yards which we haven't mentioned, and we sure wish you would let us know about them so we can drive by and take a look.

Speaking of Connellee Street... We would not be doing a job of reporting if we failed to mention the fact that the Connellee name is more and more passing from the local scene. Connellee Street is just about the last thing left to remind us of C. U. Connellee, co-founder of the city of Eastland.

Of course Eastland will never forget Mr. Connellee, but we think it would be well for us to tip our hat to the gentleman each time we drive down the street named in his honor. The same is true of Daugherty Street, which, as you know, was named for J. S. Daugherty, Mr. Connellee's partner.

Donkey ball games are a lot of fun, if (that's a big word) you are sitting in the stands. We got amused at the announcer at the start of the game here Tuesday night. He warned players not to mistreat their donkeys or they would be removed from the game. We didn't see any of the players mistreating their donkeys, but we did see a few donkeys mistreating their riders.

Dr. Fehrman Lund got hold of the meanest critter. The half-mule pitched Doc off in center field, then kicked him in the back. We personally wouldn't have stepped within four feet of that critter for half the gold in Fort Knox. Some one was telling Fehrman that the way to handle the mule was to talk to him.

"If you talk to the thing he'll bite you," Lund replied, "suggesting that the counsel giver come ride the mount himself."

See in the papers that the State Department recently purchased two pieces of sculpture for more than \$200,000 to adorn one entrance of the new State Department building at Washington. A government expert says the pieces were a bargain.

We personally think the State Department can get along without any pieces of sculpture. That \$200,000 would have built quite a few classrooms if the money had been left at a local level. Understand us on that now. We don't think it would build much of anything if the federal government was involved.

And we think it's about time for someone to begin yelling about county rights, too. We've heard the old state rights call for years but we are getting tired of Austin taking over local duties. The schools of Texas are a good example. In a few more years, if the trend continues, there won't even be a school board in Eastland. Some politician in Austin will be running the schools here.

We read somewhere the other day that saving money is still a good idea. The writer reasoned that it may be valuable again some day.

The feature story recently printed by the Telegram featuring J. W. Ashley, 92, retired banker, will be re-printed in The Graham Leader soon. Ed Harris Jr., editor of the Leader, was interested in the story because one of Mr. Ashley's sons lives in Graham.

Anyone who doubts that Don Pierson believes in signs should take a look at the Village Hotel. If Don has one sign on the hotel he has 10. We sneaked up to the (Continued on Page Three)

Eastland Firemen Win Pump Race

Eastland firemen have done it again. The local pumper race team took first place honors in Cisco, Tuesday night, completing their hook-up in 23.7 seconds. The next best time, 26 seconds flat, was turned in by DeLeon.

Mineral Wells placed third with 27.5 seconds, Ranger was fourth with 29.5 seconds and Weatherford, the fifth team, failed to make a time. Cisco's host team set the pattern at 27 seconds flat, but could not compete for awards.

Members of the winning Eastland team were Capt. Guy Robinson, Billy Jack Johnson, Elton Simpson, Don Daniels, Johnny Grimes, Sam Herring and Jack Willis.

The Eastland firemen thus retained control of the North Central Texas Firemen's Association trophy. If local firemen can win the award at the next meeting of the Association, which will be held in Breckenridge in October, they

Assets of First Federal Are At All-time High

Assets at First Federal Savings & Loan Association of Ranger are at a record high, it was announced by Lester Crossley, secretary and treasurer, Monday.

At the close of business June 30, assets and liabilities each totaled \$994,624. This is an increase of \$87,109 over assets listed at \$907,515 December 31, 1958.

First mortgage loans totaled \$819,647 and other loans are listed at \$69,685. U. S. Government bonds and obligations total \$67,500. Other assets include stock in the Federal Home Loan Bank in the amount of \$14,800 and \$18,054 cash on hand and in the bank.

Liabilities include a savings capital of \$897,851. General reserves are listed at \$68,882 and other liabilities at \$11,108. A \$9,948 surplus is also noted.

Listed December 31 are mortgage loans in the amount of \$755,129 and other loans of \$54,324. U. S. Government bonds and obligations were then \$47,500. Stock in the Federal Home Loan Bank totaled \$14,500. Cash on hand and in the bank was \$35,576.

A savings capital of \$820,834 was noted. General reserves on Dec. 31 totaled \$64,159, and other liabilities were \$9,076. The surplus was the same.

Little League All-Stars to Be Named Tonite

Eastland Little League All-Stars will be named tonight at the final regular season games to be played in Wright Field this year.

Also to be named tonight are officers for the coming year. Little League officials met last night in the Texas Electric Conference room to select new officers and name the all-stars.

In action tonight the Medics play the Bulldogs and the Comets test the Lions.

Swine Judging Team Will Go To Austin

Bubba Everett, Donnie Kelley and Wylie Stewart will be team members in a swine judging contest in Austin Saturday. The contest is sponsored by the American Duroc Record Association and the Austin Chamber of Commerce.

Banners will be presented to the winning teams and ribbons go to the high-point individuals.

Following the judging contest there will be a sale of registered Duroc hogs.

Christian Church Elects Officers

The first meeting of the fiscal year was held in the Christian Church Tuesday night. Officers for the year were elected. They were Charles Freyschlag, chairman; Homer Meek, recording secretary; Mac Beazley, financial secretary; and Ray Poole, treasurer.

will gain permanent possession of the trophy.

Eastland will host the Association in January of 1960, at which time Johnson will become president. Milton Brewton of Weatherford is now president.

A business meeting and barbecue were also a part of the mid-year meeting held in Cisco.

Mrs. Harry Brown Dies Today; Services Set

Mrs. Harry F. Brown, 51, known in Ranger as Rita Davenport, died in Lubbock at 12:12 a.m. Thursday.

Services will be held at 4 p.m. Friday in Killingsworth Funeral Chapel. Interment will be in Evergreen Cemetery. The body will arrive in Ranger at about noon Friday.

She is survived by her husband, Harry F. Brown of Lubbock; one sister, Mrs. Earnest Latham of Brownfield; her father, J. A. Davenport of Fort Worth; one uncle, J. S. McDowell of Ranger; two aunts, Mrs. Christine Wier and Estelle Davenport, both of Fort Worth.

National Farm Safety Week Starts July 19

COLLEGE STATION — National Farm Safety Week has been designated for July 19-25, says the Texas Farm and Ranch Safety Council, with the emphasis this year on "Safety Makes Sense". Farm families who continually include safety in their plans and lives are aware that "safety that saves makes sense". Safe farming and living saves time, money, sound bodies, carefree hours and even lives, the Council says.

Farm work accidents claim about 3,500 lives each year, more than any other major industry. About 12,000 farm residents lose their lives each year in all types of accidents, and another million or more suffer accidental injuries. The accompanying disabilities, miseries and financial troubles emphasize that "Safety Makes Sense", says the Council.

Human failure, not motor vehicles, farm implements and animals, is the basic cause of accidents. In nearly every case, human failure to recognize and correct a hazard is the real cause of accidental death and injury. Human failures include: hurry, lack of common sense, improper equipment, improper care and use of equipment, procrastination, false confidence, and lack of knowledge, states the Council.

The objective of National Farm Safety Week is to establish safety in farm living. Farm safety activities aim at developing the attitudes, customs and environment for safe living for every member of the family every day in the year. In the vital contest of education vs. accidents, the score should be Safety Education 100 percent, Accidents zero, the Council states.

Obviously most, if not all, farm accidents can be prevented. It is a fact that in states where good safety committees with well planned, active programs are in existence, accident rates have been reduced. National Farm Safety Week has been an important factor in bringing about this reduction, and each year the effectiveness of this week-long campaign becomes more and more apparent, the Council adds.

My Neighbors

"We present Exhibit B, representing an expenditure of \$2,000 a month of the union's welfare fund, for secretarial and advisory service."

COUNTY BEAUTIES—Miss Loretta Whitehead, right, was crowned Miss Cisco of 1959 at Fourth of July festivities at Cisco Lake Saturday night. Runner-up honors were won by Miss Jamie Stamey of Eastland. Miss Stamey is the daughter of Mr. and Mrs. Tom Stamey. There were 14 entries in the contest. (Cotton Studio Photo).

HOLLYWOOD HAPPENINGS

news from the HOLLYWOOD V-ETTE VASSARETTE FACTORY By GEORGIA GOSNELL

Hello this nice day. I believe summer has finally caught up with us, don't you?

Did we ever slip last week! We have five mother and daughter sets up here. We missed Bernice Tankersley and her pretty daughter, Brenda Warren. Sorry girl. Are we forgiven?

Mr. Dale Posey, from the Paris, Texas, plant was a visitor last week for two and one half days. While here he became a year older.

Billye Koonce celebrated a nice birthday this week. Billye is planning on leaving us in a week or so and devote her full time to her two nice little sons. There were seven more birthdays this week but "yours truly" just failed to snoop hard enough to cover them all.

Connie Cates little daughter, Lenda, visited in Louisiana with her uncle, Gene Barnett. While there she visited the Hayride and had a wonderful time.

We had three nice visitors this week to drop by. They were Miss Willene Sockwell, Mrs. Clint McCain, and Mrs. Sandra Shelton. Hoyet Nichols had several visitors at her home this weekend. Her daughter-in-law, Barbara, from Ft. Worth, and her son and daughter-in-law, Mr. and Mrs. Billy Mae Nichols, also Mr. and Mrs. H. J. Wade and children. Mr. Wade is Hoyet's brother and is in the Navy. He is being transferred from Altus, Oklahoma to Abilene.

Opal Watson is in the local hospital following surgery.

Mrs. Daucie Hogan has been a patient in the St. Joseph Hospital in Ft. Worth but is home at the present.

Mr. and Mrs. M. S. Warren and Miss Carolyn Griffin of Abilene were visitors in the homes of Brenda Warren and Bernice Tankersley over the weekend.

Modess Self is out this week. Her husband, A. C., is in the Gorman Hospital. A. C. suffered a heart attack Sunday night.

Mertye Seaburn is out because of illness this week and Roby Kornegay is back at her machine after a lengthy illness.

We at the plant wish to extend our sympathy to Gracie Stewart and her family at this time. Gracie's husband passed away Monday night at the Gorman Hospital. Also, to Mrs. Grubbs, who lost her mother after a very long illness. Our prayers are with each of you today.

Progress is beginning to show on our new styles No. 1165 and No. 323. They are making their way through the assemble lines, past the inspectors, and out the shipping doors to the warehouses in Dallas, so watch for them on your local counters. See you next week? Have a nice weekend.

1,800,000 Gallons a Day ...

Filter Plant Provides Ample Water for Area

By Ronald Waters

Water is used by local citizens numerous times every day of the week.

They wash with it; clean dishes; keep plants and vegetables, trees and shrubs growing; and they drink it.

At the present time, in fact, Ranger and Eastland are consuming water at the rate of about one million 800,000 gallons a day without thinking about where this water comes.

In the West Texas area water is a pretty scarce substance. In fact, many a rancher would rather discover a water well than oil. They know that water is needed to raise sheep and cattle, to grow feed and crops. It can be used in irrigation, stored in stock tanks and utilized in growing industries.

Water is certainly a necessary item. Necessary to life and to a better way of life.

Millions of gallons are consumed locally by residents who never stop to think about the value of water. But many occasionally stop to remember the days before Lake Leon was completed when pure water was hauled into town by the barrels. However, that is a different story.

And this is the story not of Lake Leon but of the lake filtration plant. Completed shortly after the lake the filter plant is operated under the Eastland County Water Supply District. Jess White, who lives at the plant with his family, has served as plant superintendent

every since operations were begun on July 16, 1955.

Over an average period of 24 hours, about 100 pounds of alum (aluminum sulfate) is added to the lake water. Another 50 pounds of lime and about 70 pounds of chlorine are also used. These chemicals are added in the purification processes that make the water fit to drink.

It is consumed at a tremendous rate. During the first six months of this year, Ranger has used over 132 million gallons of water and Eastland has consumed over 84 million gallons. During the first six months of '58, Ranger used over 106 million gallons and Eastland 73 million.

The reason, White believes, Ranger consumes more water than Eastland is because Lone Star Gas Co. receives water from the Ranger line. Water flooding projects are now in progress in the Ranger area, also accounting for much water. Water flooding is used in the secondary recovery of oil. Olden receives its water supply from the Eastland line.

Last month, for example, Ranger used 29 million 867,000 gallons of water—compared with 17 million 920,000 gallons for Eastland. Ranger used more water than a year ago, but Eastland used less. However, in every other month, both Ranger and Eastland consumed more water during each of the first six months of this year than last.

There is no danger of the water supply diminishing or becoming exhausted for many years in the future, believe directors of the county water supply district. Lake Leon has a capacity of 28,000 acre feet of H-20.

Ranger and Eastland, together, used over 47 million 700 thousand gallons of water last month. In June of 1958 this figure was a little over 42 million, 658 thousand gallons.

July is usually the top month of the year for water consumption. Last year, however, more water was used in August—a total of 54 million 640,000 gallons.

Here is the amount of water used in Ranger for the first six months of this year:

January	18,466,300
February	15,951,600
March	21,055,600
April	21,618,700
May	25,457,900
June	29,867,700

During that same period, Eastland has used water as follows:

January	12,011,200
February	10,410,600
March	14,260,900
April	14,446,600
May	15,943,500
June	17,920,300

All figures are in gallons.

Here are the figures for Ranger and Eastland for the first six months of 1958:

Ranger	15,874,000
February	14,375,700
March	15,763,500
April	16,699,100
May	19,314,200
June	24,317,600
Eastland	10,862,600
February	9,324,000
March	10,530,100
April	11,564,300
May	13,816,400
June	18,341,000

Figures clearly show that water usage is rising in Ranger and Eastland and that more water is used during the summer months than in the winter.

Eastland County offers plenty of water for prospective industries, amply taking care of the needs of present residents and present industries. In this respect the county is most fortunate, directors believe.

Plant operators are C. B. Miller of Eastland; E. C. White and W. V. Watson of Ranger.

Buck Pickens Completes 35th Year With TESCO

W. B. (Buck) Pickens, a former resident of Eastland and now Fort Worth division manager for Texas Electric Service Company, recently marked his 35th year with the company.

Pickens resided in Eastland for 24 years and was district manager before transferring to Fort Worth to become Fort Worth division commercial manager. A year later he was promoted to division manager, the position he now holds.

He was born at Stamford and raised in Amarillo where his father owned and operated a soft-drink bottling company. He became interested in electricity as a youth, and in 1924 was graduated from the University of Texas with an electrical engineering degree.

Pickens first job after graduation was with the Texas Power & Light Company in the power department and he later went to Hillsboro as helper on a transmission line crew. Shortly afterward he took a year's leave of absence to study at General Electric's Schenectady and Pittsfield plants.

He came to Eastland in 1929 as transmission division superintendent for the company. In 1960 he was named assistant district manager of the Eastland district. At that time the late J. E. Lewis was district manager. After Mr. Lewis died in 1959, Pickens became district manager.

Mr. and Mrs. Pickens have one daughter, Mrs. John C. Davis of Cuero.

County Singing Convention Is Slated Sunday

The Eastland County Singing Convention Association will meet in Kokomo near Gorman, Sunday, July 12, at 10 a.m.

Lunch will be spread at noon and singing is scheduled all afternoon. At least five quartets are expected, and all singers in the area are urged to attend.

Car Fire Sends Firemen On Run

Eastland firemen were called on Tuesday afternoon to extinguish another car fire, but this alarm turned out to be minor.

The blaze occurred in a late model automobile in the 300 block of North Lamar. The car backfired and the carburetor caught fire. It was quickly extinguished and no damage was reported.

I GIVE YOU TEXAS

By BOYCE HOUSE

Memories of my first, and only visit to New York City, in 1958: Broadway — the most famous street in the Western Hemisphere; (the intersection of Broadway and Forty-Second Street is called "the crossroads of the world"); theme of many songs, such as "Give My Regards to Broadway"; "Forty-Five Minutes from Broadway" and "Over There"; ("Goodbye, Broadway; Hello France"); synonym of fame, success, riches — and of failure, too — (as the old-time melodrama phrased it, "There's a broken heart for every light on Broadway.")

While "Broadway" stands for the "theatre" — and "theatre" means the stage and live people, not shadows — and, enough, the theatres are not on Broadway but are on the cross streets. Another fact which surprises a visitor is the comparative smallness of the theatres. In the Broadhurst, where "Auntie Mame" was the attraction, the last row is "T" and, as theatres customarily omit one letter—"Q, I believe, to avoid confusion with "O"— that would mean 19 rows. The Anta, where the play was "Say, Darling", is about the same size and so is the Morocco, presenting "Time Remembered". Here I bought the last ticket—which was at the end, next to the wall of "T". For the other shows, I sat in the eighth row, center. Incidentally, persons on the front row at the Morocco could lean over and touch the stage. (I obtained my tickets at the theatre box offices and not from the "scalpers" of whom I had heard so much.)

A Texan played the part of "Auntie Mame" and was superb—Mrs. Buddy Fogelson of Dallas. She is also known as Greer Garson. "Say, Darling" is a comedy about a musical and the leading lady is Vivian Blaine, known to State Fair theatre-goers. The highlight is the singing of "There's Always Something Happening on the River". The most brilliant cast (of the plays I saw) was that of "Time Remembered", starring Helen Hayes, "First lady of the theatre"; Richard Burton, hero of

4-H'ers Learning New Techniques In Farming

Scientific agriculture is widely practiced today to produce both quality and quantity crops. Under the direction of the State Extension Service, 4-H Club members are learning modern farming techniques employed in soil and water conservation, and in growing and marketing crops.

By participating in these projects, rural youth put into practice the latest methods recommended by the USDA and leading industrial agricultural researchers. Throughout the state hundreds of farms have been improved and incomes increased as a result of 4-H'ers carrying out the objectives of these programs.

Incentive awards are offered by leading business firms in recognition of outstanding achievement. After demonstrating ability in their farm projects, 4-H boys and girls look forward to winning the top state award, an all-expense paid trip to the 38th National 4-H Club Congress at the Conrad Hilton hotel, Chicago.

Members receiving the state award then become eligible for a national 4-H college scholarship worth \$400. Recipients will be announced during the Congress, Nov. 29 to Dec. 3.

Awards in the field crops program are provided by Arcadian Products Department of Allied Chemical Corporation. The soil and water conservation awards are given by Firestone Tire and Rubber Co.

NEWS FROM DESDEMONA

Spending the July 4th weekend with the Anse Browns was their son, Mr. and Mrs. Robert Brown and little daughter of Gainesville. Also recent visitors of the Browns were Mr. and Mrs. Jack Drew and boys of San Antonio, Mr. and Mrs. Bud Peel and family, and James Coghurn of Lubbock. Mr. and Mrs. Roy Lemasters of Kingsville were here on the July 4th weekend and visited his parents, Mr. and Mrs. Scott Lemasters. Mrs. Maggie Pool spent several days with her son and his family, Mr. and Mrs. James Pool of Dal-

las. Mabourn Wilcox was in Dublin Sunday to attend a family reunion. Mr. and Mrs. Fulk of Oakland, Calif., who have been visiting her daughter, Mrs. W. W. Burns, left for their home the first part of this week. Visiting the W. F. Wardens and Mrs. Frances Warden for the July 4th weekend were their son, Mr. and Mrs. Carl Warden and her mother, Mrs. Hinds of Irving. Old time friends, Mr. and Mrs. Walter Posey of Albany and Mr. and Mrs. H. L. Chamberlain of Stephenville also visited with the Wardens. Miss Frances Warden and Mrs. Ida Holder attended the funeral of Mrs. Evie Davis Sunday afternoon. Mr. and Mrs. Ernest Huekabee

of Floydada visited the Anse Brown family on the past weekend. Mr. and Mrs. Ernest Key and family of Greenville were here on the weekend visiting his mother, Mrs. C. H. May and family. Mr. and Mrs. Jimmie Burleson of Fort Worth spent the weekend here with his parents, Mr. and Mrs. LeRoy Burleson and her parents Mr. and Mrs. Rudolph Lewis. Mrs. Ethel Keith and Mrs. Pug Guthery and daughters, Karen and Belinda were at the Cisco Lake Saturday to attend a family reunion. Mr. and Mrs. Leo Williams and children of Midland spent the weekend here with his mother, Mrs. Beulah Williams and grand-

mother, Kay. The Buck Read family of Ranger visited the R. H. Able family Saturday. VISITS DALLAS Mrs. H. F. Vermillion returned to Dallas with her daughter, Martha Vilho, for a visit. They were joined in Dallas by Mildred Soniat, another daughter, from Ft. Worth. From Dallas Mrs. Vermillion went to a family reunion at Altoona. Approximately 100 were present at the reunion. After Mrs. Vermillion returned home she was visited by her grandson, Billy Stuart, who is in the Air Force. She had not seen him for quite some time. They had a nice visit Mrs. Vermillion said.

Look Who's New

Mr. and Mrs. D. J. Walker announce the arrival of a son, Mack Wayne, born in the Eastland Memorial Hospital June 29 at 2:37 a.m. Mack Wayne weighed 8 pounds and 1 ounce. Mack Wayne has one sister, Margaret Ann, who is six. The maternal grandmother is Mrs. Sophia Harris. The paternal grandparents are Mr. and Mrs. W. G. Walker. All grandparents are of Eastland.

Moore About

Continued From Page One Roof Garden the other day and it's looking real nice. The hotel is certainly improving under Pierson's guidance. Do Eastland a favor by urging your friends to stop here when traveling in this area. They can stay at the hotel or at any of several nice motels we have here. WEEKEND VISITORS Weekend visitors in the home of Mr. and Mrs. Weaver Hague were Mr. and Mrs. Bob Williamson and Mrs. Murrell Hornsbeck, all of Fort Worth. Also visiting in the Hague home was Mrs. Rannie Bo-verie of Wellington.

KOKOMO NEWS

By Mrs. Glenn Jordan Remember the all day singing here on Sunday, July 12. The Eastland County Convention meets here that day. Come and sing with us. Mr. and Mrs. Buddy Eaves visited with their son, Bill Eaves and family in Cisco, on Sunday. They also visited with Rev. and Mrs. Jackie Heath and children in Olden and Mrs. George Bennett who is home from the hospital now. Visiting with the Euell Allison were his aunt and uncle, Mr. and Mrs. Floyd Couch of Levelland. On Sunday they had lunch with the Lawrence Collins at Rankin. Also visiting the Collins were Mr. and Mrs. Owen Justice and their son and family, Mr. and Mrs. O. N. Justice, Jr. of Dallas. Mr. and Mrs. M. M. Logan and son of Dublin spent the Fourth with her brother, Mr. J. L. Morrow and family. Spending the Fourth with the Victor Packs were his sister, Mr. and Mrs. Estes Sechrist and Jeff of Arlington and their daughter, Mrs. Roger Warwick and baby of Houston, and Mr. and Mrs. J. B. Alexander of Stephenville. Mr. and Mrs. Kenneth Snider and Audrey of Abilene visited in the afternoon. Ronnie Pack spent Thursday night and Friday with Tim Stacy at Carbon. Mr. and Mrs. Jim Bennett and girls of Big Spring spent the weekend with the Vera Garretts. They attended church at Kokomo on Saturday morning and were visiting with the Jimmy Littles at Staff in the afternoon. Also visiting with the Littles were Mr. and Mrs. Jim Jordan. Other visitors at The Baptist church on Sunday morning were Mr. and Mrs. Lon McDonald of Gorman and their daughter, Ova Lee Johnson. On Sunday night the visitors were Mr. and Mrs. Owen Justice and Mrs. Hoyt Bryant. Visitors are always welcome. Come and worship with us. Spending the Fourth with Mr. and Mrs. John W. Henderson are his brother, Mr. and Mrs. Walter Henderson and his nephew, Mr. and Mrs. W. T. Henderson, Tommy and Paul of Rising Star. Mr. and Mrs. George Eppier and children of San Angelo were visiting over the weekend with the W. A. O'Neals and Albert Hendricks. Paula Eppier spent Saturday night with Sylvia Hendricks. Mr. and Mrs. Claude Fuller and children attended a family reunion in Abilene on Sunday. Weekend guests of the Glenn Jordans were her brother, Mr. and Mrs. Jamie Lewallen and Carl Wayne who were enroute to their new home in Fort Worth, and her sister, Mr. and Mrs. D. C. Bell, Jr. and LaNette of Denver City. The men of the community will meet on Saturday morning at the Kokomo Community Tabernacle at 8:00 a.m. to clean up the grounds and arrange the benches for the singing on Sunday. Everyone please come and help.

MRS. SAM G. MATTHEWS (Moderne Studio Photo)

Miss Vickers and Sam Matthews Repeat Wedding Vows Wednesday

Miss Norma Vickers of Eastland and Sam G. Matthews of Port Walton Beach, Fla., repeated wedding vows before an archway of greenery flanked with floor baskets of white gladioli in the Eastland Woman's Club Wednesday evening at 8 p.m.

The bride is the daughter of the late Mr. and Mrs. W. C. Vickers of Eastland. Mrs. E. T. Matthews of Ranger is the mother of the bridegroom.

Rev. Ray Heckendorn, minister of the First Christian Church, performed the double ring ceremony.

"Because," "Indian Love Call," "Oh, Promise Me," "Always," "I Love You Truly" and traditional wedding marches were among the nuptial selections played by Miss Linda Huckabay, niece of the bridegroom.

The bride wore a beige lace afternoon dress with matching shoes and feather hat. A single strand of pearls complimented the bride's attire. She carried a

white orchid bouquet atop a white prayer book.

Immediately following the wedding ceremony, a reception was hosted in the Woman's Club. The bride's table, laid in white, was centered with an epergne arrangement of white carnations and candy tuft.

Mrs. Matthews chose a blue linen dress with white accessories for her wedding trip to West Texas.

Mr. and Mrs. Matthews will make their home in Fort Walton Beach, Fla., after July 15.

Flatwood HD Club Plan to Attend Brownwood Meet

The members of the Flatwood Home Demonstration Club made plans to attend the four county meet to be held in Brownwood on July 16. Every one is to carry a sack lunch.

The members met in the home of their president, Mrs. Bulah Turner. At the meeting they also made plans for a bake sale.

The 4-H girls gave a demonstration on making salads. The meeting closed in usual order.

After the meeting was adjourned, Mrs. Turner served punch, cookies, fritos and roasted nuts.

The members of the club will meet with Mrs. Turner at the lake on July 15.

Those present at the meeting were the following: Meses. Ethel Harbin, Edna Taylor, Anne Palmer, Ann Vines, Ellen Horn, Onie Pogue, Viola Guthrie, Bessie McCullen, Genoa Brown, Corryn Woods, Olive McCain and Bulah Turner.

Visitors at the meeting were Mrs. Laura Murrill and Miss Wilene Sockwell, Assistant Agent. The 4-H girls were Nancy Benton and Laverne Lee from Carbon.

First Christian Church Scene of H.D. Council Meet

The Eastland Co. Home Demonstration Council met Friday p.m. in the basement of the First Christian Church in Eastland with the chairman, Mrs. Virgie Hale, in charge.

Opening exercise included the Motto, Pledge, and Prayer repeated in unison, reading of the Minutes and the Treasurer's report. Six clubs were represented at the meeting.

A report on price rates that are available at hotels and motels in Galveston for the State Home Demonstration Meeting was given. The meeting will be held the first Saturday in Sept.

The 4-H Club Style Show was held at the Cisco High School on Monday, July 6.

Preceding the council meeting, a Bake Sale was held in the church basement, thanks to the generosity of the people of Eastland and the club women. The sale was a big success.

CARD OF THANKS

I should like to express my deepest thanks to Doctor Treadwell and the nurses who were so very kind to me during my stay in the Eastland Hospital. Each prayer, card, gift, and flower was deeply appreciated. I also want to express my thanks to the many visitors who made each day a little brighter for me. God Bless all of you.

Tuesday Bridge Club Members Celebrate 25th Anniversary

The present members of the Tuesday Bridge Club entertained the ex-members at a luncheon celebrating their 25th Anniversary at the Lone Cedar Country Club Saturday June 26.

The affair was opened by Mrs. Thura Taylor, president, who welcomed the visitors and asked each member to answer by stating the time period during which she had been a member of the club.

After a luncheon featuring Lobster Thermidor, a Lone Cedar specialty, the group enjoyed bridge in the game room. Mrs. Frank Hightower scored high score for the members and Mrs. Francis Holmes of Ft. Worth for the guests, with Mrs. Fred Maxey scoring second high. Each of these were given a bag.

Mrs. Carl Hill of Ft. Worth won a jeweled zipper pull at Bingo. Out of town guests attending were the following: Mrs. J. O. Brothers of Lubbock, Mrs. Carl Hill of Dallas, Mrs. James Pipkin of Midland, Mrs. Robert Vaughn of Odessa, Mrs. Charles Jones, formerly Mrs. S. J. Petty, of Ft. Worth, Mrs. C. W. Geue of Ft. Eastland, Mrs. Francis M. Holmes of Ft. Worth and Mrs. Sam Miller of Houston.

Members attending were the following: Mrs. Thura Taylor, Mrs. Frank Hightower, Mrs. J. F. Collins, Mrs. Ruth Smith, Mrs. Ben Hamner, Mrs. J. O. Earnest, Mrs. John Ernst, Mrs. Herbert Weaver, Mrs. W. Q. Verner, Mrs. Opal Cross, Mrs. Hildegarde Everett, Mrs. Wayne Caton and Mrs. Hubert Jones.

Lake Brownwood Scene of Hardin Family Reunion

Families of the late H. H. Hardin held their annual reunion Friday June 19, at Lake Brownwood. Approximately 85 were present.

A spokesman for the group said those attending were the following: Bessie and Roy Tucker, Raynell and family, Joe Donald and family, Gerie and Rufus Key and their three grand daughters, Johnnie and Robert Tucker, Juanita and family and Bobby.

Also present were Tee Laughlitz, Bernice and family, Geraldene and family, Dale and family, Margaret and family, Altie and Florris Hardin, Lona Belle and children, Estell and family, Wayne and family, Henry and Willie Hardin, Billy and family, Joan and family, and Berta.

Grace and J. C. Carter and son, Roy Allen and family, Eston and Ina Mae Hardin, Richard and family, Otis and Lola Hardin and W. E. Hardin, son of the late Frank Hardin.

This reunion is held each year on the third Friday in June at Lake Brownwood.

Card of Thanks

I would like to take this means of telling the wonderful people of Eastland that their visits and cards meant so much to me. I want to thank Doctor Treadwell and the staff for the wonderful way I was treated while in the Eastland Memorial Hospital.

Mrs. Joe Brown
Cisco, Texas

Blanche Walker Circle Meets for Supper Wed.

The Blanche Walker Circle of the First Baptist Church met for a covered dish supper in the backyard of Mrs. Myrtle Anderson Monday evening.

The opening prayer was led by Mrs. R. L. Young.

The menu consisted of ham roll, potato salad, congealed salads, green beans, fresh corn, peach pickles, various refreshes, hot rolls, iced tea, lemonade, pecan pie, banana nut cake and vanilla ice cream.

During the social hour, Mrs. Anna Bumpass read a letter from Sharon Sayre, who is visiting in Hawaii.

The guests included Mrs. C. W. Ambrose, Sr., of Atlanta, Ga., Mrs. R. L. Carpenter and Mrs. Anna Grace Bumpass.

The members present were Mrs. Hannah Lindsey, Miss Florence Barber, Mrs. F. N. Sayre, Mrs. Marvin Hood, Mrs. Ita Parrish, Mrs. Pat Crawford, Mrs. R. L. Young, Mrs. J. C. Allison, and Mrs. Myrtle Anderson.

Miss Vickers Is Honored with Bridal Shower in Coleman Home

The Leon Drive residence of Mr. and Mrs. Otis Coleman, Eastland, was the setting for a bridal shower, Thursday, July 2, honoring Miss Norma Vickers of Eastland, bride-elect of Mr. Sam Matthews, a native of Ranger, now living in Florida.

Approximately 75 guests were welcomed between 7:30 and 9:30 p.m. in the receiving line were Miss Vickers, Mmes. Allen Dabney, L. E. Huckabay and Otis Coleman.

The Coleman residence was beautifully decorated with red roses, crepe myrtles and white daisies, which formed a lovely setting for the prospective bride and guests, who were entertained by dual pianists Linda Huckabay and Patricia Liles, students of Mrs. A. F. Taylor.

Guests were served pink punch and dainty lemon cookies from a table laid with white satin damask cloth and set with antique crystal. The colors were in harmony with the honoree's color scheme of pink and white. Also provided were napkins with the words "Sam and Norma" inscribed in gold leaf. Mmes. Samuel Butler and Fehrman Lund presided at the punch bowl.

Miss Vickers was dressed in a semi-formal pink evening dress, and wore a corsage of white carnations.

Hostesses for the event were Mmes. Samuel Butler, Marlin Cagle, Allen D. Dabney, A. F. Taylor, Bob Verhetsel, Fehrman Lund, C. E. Owen, Horace Horton, H. B. MacMoy, Hubert Toombs and Otis Coleman.

Miss Elsie Glenn presided at the registration desk.

Revenue Service Seeks Agent Trainees in Area

Internal Revenue Service Dallas District Personnel Officer, J. N. Inmon, will visit the Abilene office on July 8 on a recruitment campaign to secure additional Revenue Agent trainees, according to Arthur E. Fogle, Administrative Officer of the Abilene office.

Fogle stated, "We have recruited many of our fine young agents from the Abilene area for posts of duty throughout North Texas during the past years. Due to our success in the past the personnel officer is making a special recruitment visit to secure additional trainees for the school starting August 17. Applicants interviewed will, of course, be considered for trainee appointments at the school."

The positions to be filled will be at grades GS-5, \$4040 per annum, and GS-7, \$4980 per annum, depending on the degree of qualifications. An accounting education or background is required for these positions.

Applicants should contact Arthur E. Fogle at telephone number ORchard 4-3146, or visit the Internal Revenue Service office at 202 Radford Building, Abilene, between 1 p.m. and 5 p.m. on July 8 for an interview.

TREETOP MOON—Awesome close-up of the moon, above, was taken through lenses of a home-built eight-inch reflector telescope by Howard D. Potter, of Schenectady, N.Y. White specks in sky are star trails, made by movement of earth during the three-second exposure. Camera was of the type used by news photographers.

Leading Cause Of Accidents Is The Driver

AUSTIN, July 9—What is the leading cause of traffic accidents? Bad Weather? Poor roads? Mechanical failure?

"None of these in themselves," says J. O. Musick, general manager of the Texas Safety Association. "The No. 1 cause of traffic accidents is the man behind the wheel."

"This is clear from recent Texas Department of Public Safety statistics which show that the three leading causative factors in rural fatal traffic accidents are: (1) Driving too fast for conditions, (2) Driving while drinking, (3) Disregarding warning or stop signs."

Musick said that other leading factors were: Driving on the wrong side of the road, did not have right-of-way, improper parking and following too closely.

State Department Of Health

Nothing can live without food, suitable temperature and an appropriate amount of moisture. This applies to man, animals, fish and plants.

It also applies to bacteria! The range of needs for bacteria is slim, but when they are present bacteria can be very prolific, multiplying themselves by the millions in mere minutes.

That is why food poisoning is so much more common in warm weather—and why you need to be especially careful now about preparing food and storing it.

The main rule to remember is that bacteria which are apt to cause food poisoning thrive best in lukewarm foods.

Thus if you make it a hard-fast habit to keep hot foods hot and cold foods cold, the chances of bacteria getting a foothold are slim.

However, there are certain foods that have proven to be more susceptible to bacteria' growth and the resulting food poisoning conditions.

For instance, egg and milk mixtures, including custards and meats, either in salads or sandwiches, and potato salad—one of the popular picnic foods—are

often quickly suspected when food infections occur in summer.

Making sandwiches and wrapping them in wax paper to let stand for hours before eating is just asking for trouble. So keep them well refrigerated.

Potato salad can give lots of trouble. The best way to avoid it is to chill all the ingredients before mixing, and then store the salad in SHALLOW containers in the refrigerator. Deep bowls retain the room temperature in the center portions.

Everyone loves a picnic. Enjoy them, but a portable ice box and a thermos bottle are musts if you are going to minimize the chance of summer food poisonings.

(This is a weekly feature of the Public Health Education Division of the Texas State Department of Health.)

IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

REASONABLE TIME

Before a contract arises someone must make an offer and another must accept it. Without an offer, no acceptance; with no acceptance, no agreement.

But there is often a time within which you can accept the offer. And if not, the offer ends anyhow within a "reasonable time" which is determined by circumstances and the parties' intentions.

Smith had a set of books which Brown wanted. Brown wrote and offered him \$200 for the set.

Smith didn't answer for six months, and meantime Brown bought a similar set. One day Brown got a letter from Smith saying "I accept your offer of \$200 for the set of books."

Brown told Smith he'd bought the books elsewhere, but Smith still claimed that his belated "acceptance" had nevertheless sealed the contract with Brown.

Was there a contract? No, the offer had lapsed because it had not been accepted in the circumstances within a reasonable time.

There are many ways to end an

offer. You may withdraw it, you may say that the offer expires at a given time, or you may die, or the other party may turn it down directly or by making a counter offer.

Here Smith had failed to accept Brown's offer within a reasonable time, which ended it just as though it had been withdrawn. What is a reasonable time? It varies. The offer could expire in a few minutes in the stock market or last for quite a while, depending upon what a court would think is a reasonable time.

But in Smith's case six months was unreasonable.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

IS "IRON-HUNGRY BLOOD" MAKING YOU ONLY "HALF" A WOMAN?

Are You So Run-Down You Can't Give Your Husband and Family Real Companionship? Then Discover The Wonderful Blood-Strengthening Action of This Special Iron Tonic for Women!

How tragic when a woman feels so tired, so weak and run-down that she can't be a real companion! Luckily, it's often due to "Iron-Hungry Blood" (simple iron deficiency anemia). Then it's needless for those women to suffer such awful weariness.

Now, a wonderful iron tonic can help relieve this condition... thus renew your vitality! It's Lydia E. Pinkham's Tablets, only iron tonic made especially for women! Rich in iron, Pinkham's Tablets start to strengthen "Iron-Hungry Blood" in one day!

FOR FEMALE AILMENTS! Doctors' tests prove famous Lydia E. Pinkham's Vegetable Compound (liquid) also brings quick relief from discomforts of monthly pain and change-of-life.

Record Number Of Cattle In Nation Is Noted

COLLEGE STATION — There were 96,851,000 head of cattle in the United States on Jan. 1, 1959, said John G. McHaney, extension economist. This is a new record and three and one-half million more than on Jan. 1, 1958.

Most of this increase in the cattle inventory was in young beef stock, McHaney said. For example, beef heifers rose 750,000 head, steer numbers rose 750,000 also, and calf numbers were 1,300,000 higher. The beef cow herd increased 1.3 million, however, the number of milk cows were off 600,000 head, leaving the total cow increase at 700,000.

A big expansion in beef production for the market in 1959 or 1960 is not expected because cow numbers are not large, he said. They

are still two million below 1955 and this is favorable from a price standpoint, because the calf crop this year will not be large enough to bring about a great increase in slaughter in 1959. Many of the heifers and heifer calves will be retained as breeding stock. However, many young cattle will go to slaughter this year or next, after a period of feeding.

The outlook for fairly stable slaughter and prices in 1959 is based upon favorable range and pasture conditions. Prices during the rest of 1959 should remain good, said the economist. A severe drought, however, would cause more cattle to move to market and you may want to be there first with the most. For this reason, he says, you should watch range conditions closely in 1959, not just in your local areas, but all over the United States.

Chances are that prices of cattle will be lower in 1960 and 1961 as cow numbers increase. The break in cattle prices usually comes later on in the cattle cycle when breeding herds are built up and calf crops increase. It could come early in the 1960's.

About 25 Percent Of Texas Cattle Are Branded

College Station, — Though Texas has a law requiring that cattle, hogs, sheep and goats must be branded or marked and the brand or mark recorded, brand inspectors estimate that 25 percent or fewer of the cattle and less of the other animals are branded.

However branding is still a common practice in some areas and the branding laws are still in force. Some of these brand laws are obsolete and the enforcement machinery is inadequate.

This information comes from a new publication released by the Texas Agricultural Experiment Station titled, "Analysis of Texas Laws and Regulations Controlling the Movement and Sale of Livestock."

The publication brings together many of the more important laws and regulations to that producers, selling agents, buyers and consumers may know the legal requirements to be observed and the protection provided.

The responsibility for prevention and control of livestock diseases in Texas rests with the Livestock Sanitary Commission. The steps being taken by the Commission and the U.S. Department of Agriculture to control and eradicate livestock diseases are discussed.

Auctioneers and how their profession is regulated and the testing of livestock scales at public auction markets and stockyards are among the other topics of discussion.

To obtain a copy of the bulletin, write the Agricultural Information Office, College Station, Texas. Ask for MP-322.

IRS Is Seeking Grads to Fill Accounting Jobs

From 2 1-2 to 5 weeks' vacation, thirteen days paid sick leave which can be accumulated if unused, eight paid Federal holidays a year, automatic salary increases every year or year and a half, depending on position... all of these "benefits" can be yours as an Internal Revenue agent for Uncle Sam.

"Yes," according to A. E. Fogle, Jr., Administrative Officer of Internal Revenue Service, Abilene, "IRS is seeking spring and summer college grads to fill some 90 accounting jobs in Texas, Oklahoma, Louisiana, Arkansas and New Mexico."

IRS wants students right now with four years of college and a minimum of 24 semester hours in accounting subjects. Salaries begin at \$4040, or \$4980 a year, depending on academic standing, or special qualifications, such as hold-

ing a CPA certificate. "The life of a Revenue agent is anything but dull," says Fogle. "Agents meet other men and women in every station of life from corporation executives to those in business for themselves. It's a fascinating career, so we urge prospects for these jobs to get in touch with our office, any post office, or with U. S. Civil Service and do it right now. Ask for Civil Service announcement No. 188."

most miles per gallon

ONE OF THE 7 BIG BESTS CHEVROLET GIVES YOU OVER ANY CAR IN ITS FIELD

Take it, not from us, but from official results of this year's Mobilgas Economy Run: Chevy's pennypinching 6 delivers the most miles per gallon in its field. For a pair of these Chevrolet sizes with Powerglide walked away with the first two places in their class, getting the best mpg figure—a whopping 22.38—of any full-size car. And here are more expert, impartial opinions and on-the-record facts backing us up on Chevy's other six bests:

BEST TRADE-IN
Check the figures in any N.A.D.A. Guide Book. Chevrolet used car prices last year averaged up to \$128 higher than comparable models of the "other two."

BEST STYLE
It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "Chevrolet establishes a new high in daring styling."

BEST BRAKES
In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR, Chevrolet out-stopped both of the other leading low-priced cars—and why not? Chevy brakes are far larger, built with bonded linings, to help lengthen brake life by as much as 66%.

BEST ROOM
Official dimensions reported to A.M.A.I. make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars.

BEST ENGINE
Every motor magazine has given Chevrolet's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed this device is surely the most wonderfully responsive engine available today at any price."

BEST RIDE
MOTOR TREND magazine calls Chevy "... the smoothest, most quiet, softest riding car in its price class." You'll be able to tell this yourself, instantly. And your Chevrolet dealer can tell you about a long list of other advantages besides these 7 big ones!
