## V. V. Cooper Is Appointed To Regents Board

V. V. Cooper, Jr., has been appointed a member of the Board of Regents of Ranger College.

A native of Ranger, Cooper is the son of the late Mr. and Mrs. V. V. Cooper, Sr., who soon after their marriage in 1893 settled on a farm just south of Ranger. The farm later became, during the oil boom, a residential section called Cooper Addition, where Ranger College is now located. Cooper's parents gave the land on which the college now stands to the city of Ranger for school purposes, and an elementary school called Cooper Ward School was built on the land in the early 1920's.

After finishing high school in Ranger, Cooper attended Metropolitan Business School in Dallas. He worked four years with the Prairie Oil and Gas Company during the early days of the oil boom. For the past 35 years he has been employed by the Lone Star Gas Company Transmission as storekeeper at Ranger Plant No. 3.

He served eight years on the City Commission of Ranger as street commissioner. He is a member of the First Methodist Church of Ranger. His hobby is raising cattle.

He married Miss Vera Blackwell, also a native of Ranger, the daughter of Mrs. Stella Blackwell and the late Jack Blackwell. The Coopers have one daughter, Vivian, now Mrs. James R. Horton of Tulsa, Okla. They have three grandchildren—Sharon, 10, Jimmie, 6, and Jeff, 2, also of Tulsa. Cooper fills the vacancy made by the resignation of Morris Newnam.

## Two Dangerous Spiders Are In The State

AUSTIN, MAY—There are only two dangerous spiders in Texas—the black widow and the tarantula—according to an article in the April issue of "Texas Game and Fish" magazine. The article, written by Janey Bell and illustrated by Don Hague, covers the field of native spiders, under the title of "Nature's Extragarden."

"The best hunters, trappers and fishermen in the world probably are spiders," the article points out. "Although governed solely by instinct spiders obtain their prey in a fascinating variety of ways— weaving webs, stalking and leaping, dipping in the water or camouflaging themselves for an ambush. And food, not fun, is their objective."

Most of the better known spiders are listed in the article, which tells something of their appearance and habits. The wound and the treatment of spider bites also are described.

It also tells how spider webs have been utilized by man for numerous purposes. For instance, overlaid spider has been used as a bandage to stem the flow of blood from wounds. Artists have used the web fabric as a canvas for their paintings.

## Russian Embassy Secretary Will Speak to Clubs

Eastland Lions and Rotarians will have a rare opportunity Monday. They will hear a member of the Russian Embassy staff speak at a joint meeting of the two clubs in the White Elephant restaurant.

Speaker for the occasion will be V. S. Alkhimov trade and commercial secretary with the Russian Embassy in Washington. D. C. Don Pierson, Rotary program chairman arranged for the program.

Pierson will meet Alkhimov in Fort Worth Sunday afternoon. He had to get special permission for the Russian to fly from Washington to Fort Worth and for him to pick up Alkhimov in Fort Worth in his private plane. Pierson will fly Alkhimov to Eastland, landing at the municipal airport. If the weather is bad, Pierson will be allowed to pick the Russian up in Fort Worth in his private car and drive him by "the most direct route" to Eastland. Alkhimov will not be allowed to stop in Tarrant County. The special restrictions on members of the Russian Embassy was placed by the United States because the Soviets placed such restrictions on American Embassy staff members in Moscow.

Pierson said he thought Alkhimov's speech would be of special interest at this time because of the Berlin crisis. The Russian's trip to Texas has gained nationwide publicity.

Mr. Milton Fullen Eastland, Texas  
On April 19th, this year, we of Fort Worth Anglers Club had our Annual Anglers Club Fishing Rodeo at Lake Leon. It was a tremendous success. This was a trend by the splendid cooperation and hard work by you, the Water Board Rip Galloway, local sportsman, and Ed Richardson.

We have been fishing the lake for the past four years, since the beginning Rich has been working hard to get the rodeo for Leon. We have brought many members of the Anglers Club as well as other friends there and have been treated with the greatest courtesy and cooperation by Rich. In our opinion, he is doing a splendid job of public relation for you. We hope to be back next year for the rodeo.

Yours very truly,

Mrs. Billy Gene Norwood... nee Frances Irene Cogburn

# Frances Cogburn, Bill Norwood Wed

Frances Irene Cogburn and Billy Gene Norwood, both of Eastland, were joined in holy wedlock Thursday night at 7:30 p.m. in the First Methodist Church. The Rev. Billy Don Turner officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. H. H. Cogburn of 103 East Sadosa. The groom is the son of Mr. and Mrs. Burnell Norwood of 601 South Halbryan Eastland.

The chapel of the church was decorated with a background of greenery and calla lilies with candelabra holding white tapers at the wedding altar. Charlotte Vaughn, organist played "Because" and "The Lord's Prayer" accompanying Miss Janice Crabtree, soloist. Miss Vaughn also played "Ave Maria," "Bridal Chorus," "Perfect Love" and the traditional "Wedding March."

Harvey Lewis of Eastland was the best man. Ushering were Darrell Phelps and Dickie Corbell of Eastland. Candle lighters were Terry Norwood, brother of the groom and Kerry Cogburn cousin of the bride.

Given in marriage by her father, the bride wore a white cotton bridal lace over taffeta gown with fingertip sleeves accented by the sweetheart buttons

on the inside cuff. The dress was accented by the contour point flowing into a full princess style skirt. Above the scoop neckline the bride wore a gold locket which had been passed from her great aunt Frances to her Aunt Frances to the bride of today.

Her fingertip veil of french illusion fell from a crown tiara, adorned with pearls. She carried a maiden bouquet of white bridal lilies.

Donna Pugh of Eastland was maid of honor and wore a pink nylon net princess styled dress with matching accessories. Her hat was styled as a halo and made of pink and white miniature flowers. Miss Pugh's bouquet was of pink carnations.

Mother of the bride, Mrs. H. A. Cogburn wore a beige silk suit with beige hat and gloves. Her corsage was a pink carnation. The mother of the groom wore a pink shadow lace dress with white accessories and a corsage of white carnations.

At the reception in the home of the bride the table was laid with a white linen over net cloth accented by three satin bows. The centerpiece was of white daisies backed by pink tapered candles. A three tiered wedding cake adorned with a miniature bride and groom was served to the guests with pink frosted punch. Appointments of silver and crystal com-

pleted the table arrangements. A floating white rose in a crystal container was placed beside the brides book at the reception and church.

House party members were Misses Linda Dalton, Kathy Jones and Jamie Stamey. A blue silk tailored suit with white accessories was the going away suit worn by the bride. She wore a corsage of white carnations.

She is a junior in Eastland High school, a member of the Sub Deb club and the Tri-Hi-Y. The groom is a 1958 graduate of Eastland High School and is presently in the Army Air Defense Command.

Norwood will return to San Francisco Wednesday and Mrs. Norwood will join him at a later date. He is attending electronics school for the Niki guided missile.

Out of town guests of the couple were Mrs. C. L. Cogburn, from Graham, Mr. and Mrs. O. F. Gilbert, Mrs. A. B. Cogburn from Weatherford, Bobbie Archer, Miss Sue Gore, Stanley Smith, Louis Sims, Larry Morris of Comanche, Mackey Barnes, Donald Dee Henry, Jerry Barrett, Jim Northcutt and Tommy Shaw of Abilene.

# Rev. J. H. Campbell Speaks At The Thursday Afternoon Club Meeting

The Rev. J. H. Campbell was the guest speaker for the Thursday Afternoon Club when it met May 7 in the Woman's Club. Mrs. Frank Castleberry introduced Rev. Campbell who spoke on "The Home and Family."

He said, American people were missing something in their way of living concerning family life. There are a lot of theories and less facts. We do not know enough about the facts of family life. The family in America is falling apart, and it is the basic of our social order. In some parts of the world the family life is being destroyed.

"We must admit we do not have all the answers to a happy home, but we should go to the age old book of living, the Bible, to find the basis for our home. Homes are facing the greatest problem our society has ever faced. Our society today is very, very complex, and it is a different world than our parents lived in.

"Children are better off in a poor home than in an institution. There are a lot more important things in this world than the kind of house people live in or the kind of car they drive.

"Home is where there is love, faith, happiness, discipline, cooperation and belonging. Happy is the home when God is there. Any home that begins on God begins as a home. Love is the greatest contributor to some life. Praying together does more than any one thing for a family."

During the business meeting Mrs. Inzer, president, presided

and Mrs. Sayre read the minutes of the previous meeting. Annual reports were given by Mrs. M. A. Treadwell, second vice-president; Mrs. Frank Sayre, recording secretary; Mrs. Fred Davenport, corresponding secretary; Mrs. Turner Collier, treasurer; Mrs. Frank Crowell, auditor; Mrs. Cecil Collings, library chairman; Mrs. Milburn Long, club house board member; Mrs. E. R. Townsend, safety chairman; Mrs. James Horton, historian; Mrs. B. W. Patterson, home committee chairman; Mrs. Frank Sparks, federation counselor; and Mrs. E. R. Townsend, parliamentarian.

EPISCOPAL CHURCH — The Holy Trinity Episcopal Church, 710 South Seaman was first established as St. John's Church in June, 1946. The church's Curate now is Rev. Warner B. Washington and the priest-in-charge is the Rev. R. A. Lewis of Breckenridge. (Photo by Moderne Studios).

# Episcopal Church First Founded Here In 1946

(Editor's Note: This is the 13th in a series of articles about Eastland churches. Next week's story will feature Jehovah's Witnesses.)

By MARIE BONEY  
The Holy Trinity Episcopal Church at 710 South Seaman Street was established first as St. John's Church, in June, 1946 by Seminarian Patrick Murphy, who is now in Garland.

Father Jim McClain came to Eastland July 6, 1947, making this his first church after leaving the popular "Dr. I. Q. Show". Father Albert of Breckenridge was with the church from 1950 to 1952 when Father A. E. Hartwell moved to Eastland and resided in the Rectory at 705 South Daugherty Street.

At the present time, the priest-in-charge is Rev. R. A. Lewis of Breckenridge. The Curate, the

Rev. Warner B. Washington, conducts all services at the church. He lives in Breckenridge where his wife, Geraldine, teaches the fourth grade. They will move to the Rectory here sometime this summer, however.

A native of Clarksville, Father Washington holds degrees from Southern Methodist University, Dallas, and Berkeley Divinity School, New Haven, Conn.

The Episcopal Church maintains monastic orders and convents for those who feel led to a special life of service and dedication by vowing poverty, chastity, and unquestioning obedience. Many priests are accepted as Associates of the Order. These Associates live under the rule of the Order, but many may marry, live and work in the world. Father Washington is a tertiary of the Order of St. Francis a monastic order located in Long Island New York.

The local church is a county parish in the Diocese of Dallas which covers more than one hundred counties. The Episcopal is a part of the Anglican Communion membership in the Communion is voluntary and, while the Archbishop of Canterbury is the titular head, his decisions are not dogmatic and he is not considered infallible.

The Eastland congregation is governed by a Vestry elected by the members. Dr. C. E. Paul Cisco, is the Senior Warden Jack Carothers, E. A. S. T. A. N. Junior Warden, is also the Parish Treasurer. Other members are Robert Slaughter, Eastland Ronald Servies, Carbon; Glenn Jones and Dan Harrell, both of Cisco.

Mrs. Peggy Gallagher, Cisco, is the Vestry Secretary Miss Charlotte Vaught, Eastland, is the church organist.

The Church School is under the direction of Mrs. Jim Whittington, Eastland. This instruction is held for the children during the regular church. There is no study period for adult members.

There are two women's organizations within the church. St. Ann's Guild meets in Cisco for worship and study and the Parish Altar Guild handles the practical work of the Parish such as laying out the vestments.

The Episcopal year begins on Advent Sunday, although the year is geared to Easter Sunday. Advent Sunday marks the beginning of preparation for Christmas. The Christmas season last for twelve days. The Epiphany Season is next, followed by Pre-Lent. Lent begins forty days prior to Easter and is two-fold in purpose: on the negative side, the members undertake a special sacrifice and on the positive side, they take up special acts of services and charity.

The Chief Feast Easter, lasts Forty days or up to the Ascension. Pentecost, the birth of the church follows the Trinity Season lasts until Advent Sunday. The Saints' Days are intermingled with the Seasons, bringing about special worship services.

The congregation stands for praise, sits for instruction, and kneels for prayer. They pray in unison from the Book of Common Prayer. There is a great deal of congregational help and response during the service.

## Christian Science

Mankind's need for spiritualization of thought will be emphasized in Christian Science churches Sunday in the Lesson - Sermon entitled "Mortals and Immortals."

Bible selections will include the following from Philippians (2:14, 15): "Do all things without murmurings and disputings: That ye may be blameless and harmless, the Sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world."

A correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (265-5): "Mortals must gravitate Godward, their affections and aims grow spiritual, — they must near the broader interpretations of being, and gain some proper sense of the infinite, — in order that sin and mortality may be put off."

The Golden Text is from Romans (9:8): "They which are the children of the flesh, these are not the children of God."

## REMEMBER WHEN?

By Milton Fullen

It was a game between Notre Dame and Army and the game was made football history... for this was the first of the football games credited with being won by the home team.

Dorais was the quarterback that day, Rockne an end. The game was hardly under way before the first pass caught Army by surprise. Dorais to Rockne for a touchdown. The rest of the game was a slaughter. Army never recovered, and Notre Dame's passes won, 35-13.

Remember the year?

That was a long time ago... in a day when dollars went a long way. A man buying a car, new or used, made sure he got the best value for the money he had to spend.

The year was 1913.

Whether you're in the market for a good used car or for a new CHEVROLET, you'll find your dollar buys more when you see us. Right now we have a big selection of late model reconditioned used cars, terrific values with plenty of trouble-free driving in them, at FULLEN MOTOR CO., East Main, Phone 44.
