"COVERING EASTLAND COUNTY"

VOL. NO. 30 EASTLAND, TEXAS, TUESDAY, SEPTEMBER 29, 1959 No. 64

MOORE about... EASTLAND by Virgil E. Moore

Mrs. Pauline Ramsey, Dr. J. O. Jo's curse, brought us by one of these purses made of pop-cicle sticks for us to look at. Mrs. Ramsey bought her purse for \$5.00 somewhere, and it's really something to see. We would still like to see one that someone made himself.

Nita Ann Brown, six-year-old daughter of Mr. and Mrs. Truman Brown, has about decided she likes school, but for a while there she was undecided. One afternoon Mrs. Brown drove to the Ward to pick up her first grade daughter. Nita Ann walked out to the car, opened the door, and said, "Mother, are you having to pay for me to go to school?" Mrs. Brown assured Nita she wasn't (excluding taxes) and her daughter replied, "Well, good, if you were you sure would be wasting your money?"

See where the Bill Arthers are the parents of a new son. Bill and Mary Ann are living in Big Spring now, but are just temporary misplaced Eastlanders. That's son number four, enough for two forwards and two guards on anyone's basketball team. We'll let you know when they get that center.

Eastland County commissioners are getting worried. Wilene Sockwell, the assistant county home demonstration agent recently announced she is going to resign in December to get married.

Commissioners have come to expect such as this, but the thing that's worrying them is that Miss Sockwell isn't marrying an Eastland County boy. Can our local menfolk be slipping?

We got a flock of letters in the mail Monday, but all of them were unsigned. We've said often enough that we don't print unsigned letters, so don't look for that kind in the Telegram.

Warning: Don't pick up that nickel on Jack Muirhead's counter. Jack has got the thing glued to the counter.

Jon Tate, who left Eastland this year to take over the head coaching job at Clyde, is a hero in that town these days. Jon, with a predominantly sophomore team, has a record of two wins, one loss and one tie for the year. That's as many games as Clyde has won in the last two years put together. The Clyde team whipped arch rival Baird Saturday night, really putting a feather in Jon's hat.

The Eastland High band will do a take-down on television programs at halftime Friday night. We've seen paper work on the program and think you will like it.

It looks like Eastland will have a 70-piece band next year, and the only thing worrying hand master these days is where he is going to get 70 hand uniforms. Here's a project for someone. We can have a fine band this coming year but money has got to come from somewhere to pay for these uniforms.

See in the Cisco Press where that city has set a community chest budget of \$10,000. Cisco included \$1000 for the cancer fund and \$1000 for the polio fund. The American Cancer Society and the March of Dimes will receive that amount of money only if they do not sponsor a drive in Cisco.

Cisco will raise money for 14 organizations. Included is \$1550 for Girl Scouts and \$1300 for Boy Scouts.

That's it until we get wound up again.

Rotary Club Brain Storm Creates Ideas

Eastland Rotarians are hunting for a project, so they borrowed one of industry's pet programs Monday.

Members of the club held a brain storm session, with members calling out ideas into a tape recorder whenever one came into their minds. No final decisions have been reached yet, but here are some of the ideas the club has to choose from:

- Expand local schools.
- Have all Eastland streets.
- Clean up vacant lots.
- Plant trees on main streets.

- Reroute Highway 80 so it will not bypass city.
- Make a survey of city to find out assets and liabilities.
- Build a city auditorium.
- Organize a civic music group.
- Build a teenage clubhouse.
- Study one way street system.
- Get behind boy scouting.
- Cover parking meters on Saturdays.
- Get behind clean-up, fix-up campaign.
- Aid Girl Scouts.
- Keep swimming pool open longer.
- Develop ad program for city merchants.
- Expand sewage.
- Build bowling alley.
- Get behind efforts to build new grade school.
- Build miniature golf course.
- Work on getting paved road to Lake Leon.
- Offer strong support of United Fund.
- Build an Eastland County Junior College.
- Assist Hi-Y organization.
- Get busy trying to fill up excess office space.
- Fill up vacant buildings.
- Repair tennis courts at City Park.
- Organize county chamber of commerce.
- Sponsor Saturday trades day.
- Air condition courthouse to create better working conditions for Civil Appeals Court.
- Remove all parking meters.

Carbon Burglary Attempt Foiled By Bill Parten

Charges of attempted burglary have been filed against Billy Joe Dolberry of Gorman following his arrest in Carbon Sunday night.

Dolberry was arrested by Bill Parten, night watchman. He is being held in Eastland County jail and a second suspect is being sought.

Parten said he became suspicious when he saw a car pull up and park across from Hogan's Magnolia Station. Walking toward the station Parten suddenly noticed a man running from the rear of the building. He gave chase. The man ran toward the waiting car, but Parten cut him off and he fled on foot.

Parten raced to the car and confronted Dolberry. He said Dolberry started the car and attempted to "run me down." The car crashed into a yield right-of-way sign and Parten fired a shot into the car. Dolberry then surrendered.

The suspect was held until Sheriff J. B. Williams arrived to take him into custody.

An investigation showed a screen had been pulled off a back window of the station. It apparently had not been entered.

Jim Watson Is Called by Death Tuesday Morning

James (Jim) W. Watson, a longtime resident of Eastland, died at 6 a.m. today after a brief illness.

Funeral services were still pending this morning. Mr. Watson was born in Stephens County Jan. 17, 1881.

Survivors include three sons, James, Joe and Marshall; and two daughters, Mrs. Mae Spars and Mrs. Nell Davis.

Hannell Funeral Home will be in charge of arrangements.

Boy Scout Fall Roundup For New Members Begins

Over five hundred new members are expected to be recruited this fall in the Boy Scouts of America during the Roundup which closes Dec. 15.

"It is the aim of the Scouting movement that all boys ages eight through 17 have the encouragement and opportunity to be members of the organization and we trust all people will share in this undertaking," according to Firman H. Smith, Chairman of the Organization Committee of the Comanche Trail Council.

Each Cub, Scout and Explorer who recruits a new member during the Roundup will receive a pair of miniature cowboy chaps for a neckerchief slide. Each Cub Pack, Scout Troop and Explorer Unit that recruits six new members will receive a recognition banner and their leader will be awarded a plaque for this achievement. Each Unit that is responsible for the organization of a New Unit will receive a Special National award.

Plans to strengthen each Scouting Unit so that each den, patrol and crew will have eight boy members is the hope of Scout Officials.

Special programs have been arranged to include western style barbecues will be held throughout the eight counties in November.

This is a part of the National program to enlist more boys and leaders in Scouting, the aim and purpose of which is character building, citizenship training and physical fitness through "learn by doing" methods.

Bullock Cemetery Working Friday

The Bullock cemetery working will be held Friday, Oct. 2. All who are interested in the cemetery are urged to bring their own tools and come help with the work.

Each one is also asked to bring a lunch, and the group will eat together at the noon hour.

National Letter Writing Week October 4 to 10

The 22nd annual Letter Writing Week will be celebrated locally during the week of October 4 to 10, it was announced today by Postmaster Marene Johnson.

"I am sure we are all aware that a personal letter is, next to an actual visit, the most intimate and economical means each of us has to communicate with our fellow human beings. Accordingly, I urge everyone to 'write today to those away.'"

Posters, depicting a mailman in a new postal vehicle called the mailster, will be displayed in post offices throughout the country. Colorful streamers, proclaiming that "Letters are fun to send and exciting to receive", will be displayed on postal vehicles.

Postmaster Johnson stated that the special week should serve as a reminder to write long-overdue letters to servicemen, hospitalized patients, foreign acquaintances, faraway friends and relatives, and others who will welcome a personal letter.

According to Hammond's Atlas, the town of Puerto Arenas, Chile, is the southernmost city of any size in the world. That's where J. L. Reid is.

As I understand it, it's so far south that it's in the Antarctic Zone and the weather there is almost unbearable windy and unpleasant. J. L. says the wind there blows almost all the time and is so bad that trees won't grow except on the leeward sides of permanent structures. Therefore there is hardly any native foliage there.

Fishing is good, though, he reports. Some of the finest fishing in the world is found off the coast of the islands surrounding the southern tip of the South American continent.

In January of 1958 Life Magazine did a piece on the search for oil now taking place in South America. The Chilean situation was mentioned and some men were pictured thawing a pipe with a blowtorch. It escaped the notice of most Eastland people who read that issue of Life, but one of the men pictured in the magazine was identified as J. L. Reid. His hometown in America wasn't identified so no one seems to have recognized him, but the man pictured was Mrs. Bethel Reid's son and James' brother.

Unless my information is wrong, J. L. will be back in Eastland for the 1960 Homecoming. Like a lot of other out-of-town Eastlanders.

Another of Eastland's much-traveled sons is D. Jack Grubb. Eight now Jack's in Mt. Clemens, Michigan. I had a card from him the other day from Niagara Falls, Ontario. He was having the time of his life showing some of the sights to a niece of his, not his bride like a lot of fellows do. Jack doesn't have a bride. He's fancy-free like James Reid, Lowell Snyder and Jim Golden. These fellows are all too busy to be slowed down by a wife demands on their time.

Jack is another fellow that's

SOIL CONSERVATION PAYS—When the harvest of this 50 acre maize field was completed it was proven that soil conservation practices really pay off. Johnny Aaron reported a yield of 2,000 pounds per acre, and credited his conservation practices with being the main reason back of the good yield. Aaron used terraces, contour farm and cover crops to prepare his land. (Staff Photo).

Gray Matter

By JOE GRAY

You can take a boy out of Eastland but you can't take Eastland, and the love of Eastland, out of a boy no matter how long it's been since that boy has lived in Eastland.

One's old home town is the place that always holds a spot of warmth and sweet memory in the hearts of all of us.

Some of our Eastland people have sort of gotten out of pocket as the years passed by. Some of us have gotten out of the country, but the old love of the home town remain strong in the breast of our wandering Eastland people.

I suppose the fellow who's the farthest from home right now is J. L. Reid. J. L. is James' roving brother, who is the superintendent of a government-owned refinery down on the tip of South America. By government-owned I mean of course the Chilean government.

In that South American country the oil industry is socialized, or as we might better call it, nationalized. The industry not only is owned by the government but it is operated by the government just like our post office. J. L. has been down there long enough now to come home or a visit or two since he's been there and by now it seems to me that he ought to just about be due another visit home.

Looking forward to the Eastland Homecoming of 1960. He's also the fellow who traveled the farthest to come to the last one in 1957. At that time he was working in Pakistan or some such seaport, but he didn't let that stop him. He got on the first plane flying this way and was on hand shaking hands with all of his old school mates the day the time rolled around.

Jack's got a couple or so trips to make before he comes home next year but they're short ones for him and won't bother him at all. He's got to make a trip to Bermuda on some quite week-end and another to France to look over some work being done there. That may take him a couple or three days.

With Eastland people scattered all over the globe like these fellows are it takes a Homecoming to get them all back in the old hometown at the same town.

Although, we don't have another one till June of 1960, I'm ready for a Homecoming right now. Old friends are the best friends and I'm ready to see some of the old gang again.

Storm Knocks Out 75% Of Bulldog Stadium Lights

If anyone heard the explosions Friday night and thought the Russians were attacking with their guided missiles, they will be relieved to know that it was just the light bulbs exploding down at the football field. The damage to the lighting system at the field is equal to a bombing raid though. The wind blowing rain in under the reflectors caused 75 percent of the big bulbs to explode.

In actual count there were 54 of the 72 bulbs knocked out. The estimated damage is reported to be over \$175.00.

Anyone that was at the game at the finish realized that Ranger has a very good lighting system at the field. The 18 bulbs still burning at the end of the game gave sufficient light for the game to be completed, although it made recognition of players from the stand difficult.

Ranger Justice Asks County to Pay Expenses

Mrs. Ruby Springer, justice of the peace of Justice Precinct 2 in Ranger, appeared before the Eastland County Commissioners Court Monday requesting that the county help pay expenses of operating her office.

Mrs. Springer contended that JP's outside the county seat should be furnished office space, utilities and a phone. She said the Eastland JP received these benefits, but she had to pay for her own in Ranger.

Commissioners took the request under advisement. They made no decision at their meeting.

County Boys Have Sears Show Winner

All the hogs were registered Duroc Jerseys.

The judge of the show was T. W. Colby, professor of animal husbandry at Abilene Christian College.

The Sears and Roebuck Foundation sponsors a free lunch for the boys showing hogs, their parents and the Agricultural Extension Agents present at the show.

Tired of a gas hog? Of parking a dinosaur? Try and buy the popular, smart new Rambler, truly a teeny-weeny gas burner. Famous for fun, resale, quality and economy.

See TOM'S SPORT CARS Southwest

Jimmy Hogan, son of Mr. and Mrs. Virgil Hogan, of Ranger, showed his Sears gilt to first place in the Area show held at Breckenridge on Saturday Sept. 26th.

Jimmy Easter, son of Mr. and Mrs. Aubrey Easter of Cisco placed second in the Sears boar class in the same show. Both boys competed their hogs against five others in their classes.

Jimmy is a member of the county wide 4-H Club of Eastland County and Jimmy Easter is a member of the Cisco Jr. High School 4-H Club.

The other counties with hogs in the show were Jack, Stephens, Throckmorton, Young and Palo Pinto.

Deadline Nears In Contest to Win Big Trip

By simply writing an essay of 100 words or less on "Why I Would Like To Be An FBI Agent," an Eastland County boy of Junior-Senior high school age may win an all-expense paid trip to Washington, D. C., and a tour through the famous law enforcement headquarters of the FBI.

The Telegram and the Majestic Theatre will send a local youngster on the memorable trip on October 8.

Entries must be brought or mailed to the Junior G-Man Contest Editor at the Eastland Telegram before midnight Saturday, October 3. Accompanying the essay must be the entrant's full name, address, age, telephone number and the school he is attending.

Although there is ample time to enter the contest, entries should be filed as soon as possible. Judges will name the winner on Tuesday, October 6, and the local winner will join lads from 22 other Texas cities in Dallas on Oct. 8 for the airplane trip to the nation's capital.

After a two-day tour through the FBI's headquarters and other points of interest in Washington, the 23 youngsters will return to Dallas on Sunday, October 11, and then to their home towns.

The Texas youngsters, hailing from 23 Texas cities where the new Warner Brothers movie, "The FBI Story," will be shown at Interstate Theatres will be chaperoned during the trip.

Conservation Payoff Shown

A combination of proven conservation practices and a lot of determination resulted in a fine maize crop for Johnny Aaron.

Aaron harvested an average of 2,000 pounds of maize on 50 acres of dryland southwest of Eastland. E. E. McAlister, head of the Upper Leon Soil Conservation work unit in Eastland, pointed out that the yield was excellent, considering planting conditions.

"Maximum safe returns from cropland is possible only when the soil is maintained in a good condition," McAlister said. "A combination of proven conservation practices is required to meet the needs of the land and to insure a permanent agriculture."

Conservation practices on the Aaron field included (1.) construction of 9180 feet of terraces during August, 1956; (2.) farming the field on the contour, parallel to the terraces; (3.) seeding of a winter cover crop of oats and vetch each alternate year; and (4.) leaving of maximum crop residue on or near the surface for soil protection and improvement.

"The application of the above practices as reflected in Mr. Aaron's conservation plan with the Upper Leon Soil Conservation District has done much to improve the yield and soil condition of this field," McAlister pointed out. "It is recognized that conservation farming is a continuous operation, making it necessary to maintain permanent type practices and re-apply the various vegetative practices from year to year in order to maintain an increased production."

Sandy's 'Who I Met At Ranger College'
By Sandy Taylor

This is the first in a series of articles introducing the students from various towns represented at Ranger College. Students in this article are among the twenty-one day students who live in or near Eastland. The remaining day students and night students from Eastland will be featured in future articles.

Johnny Graham, son of Mr. and Mrs. W. J. Graham, Route 2, Eastland, is a freshman majoring in history. A 1959 graduate of Eastland High School, Johnny was a member of the Future Farmers of America and the Hi-Y. After finishing his work at Ranger College, he plans to attend Tarleton State College in Stephenville.

Bill Hallmark, son of Mr. and Mrs. B. L. Hallmark, Eastland, also is a freshman majoring in history. While attending Eastland High School, he was a member of the Future Farmers of America and the Hi-Y, of which he was an officer his senior year. He plans to attend Tarleton State College after completing his education at Ranger College.

Kenneth Leach, son of Mr. and Mrs. L. W. Leach of San Antonio, formerly of Eastland, is a freshman majoring in engineering. Also a 1959 graduate of Eastland High School, he was a member of the Hi-Y and of the junior play stage crew, president of his senior class, and an honor graduate. Leach plans to attend the University of Texas to further his education.

Allan Miller, son of Mr. and Mrs. Cyrus Miller of Eastland, is a sophomore majoring in law. He attended Eastland High School and was a member of the Future Farmers of America and the Hi-Y. Allan also plans to attend the University of Texas after leaving Ranger.

Perry Miller, son of Mr. and Mrs. L. E. Miller, Eastland, is a freshman majoring in business administration. Also a 1959 honor graduate of Eastland High School, he was a member of the Hi-Y, manager of the football and basketball teams, and a member of the tennis team. He was also in both the junior and senior plays during these years in high school. Miller plans to attend Texas Tech in Lubbock to continue his education.

Davy Mitchell of Leon Plant, Eastland, is completing his work at Ranger this semester, after attending night school for the past two years. An engineering major, he is employed by the Texas Electric Service Company of Eastland, is married, and has two children.

Civil Service Exam In Ranger

The U. S. Civil Service Commission has announced examinations for substitute clerk-carrier at \$2.00 per hour for employment in the Ranger Post Office.

Further information and application forms may be obtained at the Post Office or from the Regional Director, Eighth U. S. Civil Service Region, Room 103, 1114 Commerce Street, Dallas, Texas.

Look Who's New
Rev. and Mrs. W. B. Washington have announced the arrival of a son, Warner Blair III, who was born Sept. 24, at 12:20 a.m. The baby was born in the Stephen County Hospital in Breckenridge and weighed seven pounds and four ounces. Warner Blair III has no brothers or sisters. Mr. and Mrs. W. T. (Bill) Arther of Big Spring are the parents of a baby boy born Sept. 24. He weighed six pounds and ten ounces and was named Thane Ray. Thane Ray has three brothers, Michael Wilson, 7 1-2, Brett Johnson, 6 1-2 and Phillip Herschel, 3 1-2. Mr. and Mrs. R. N. Wilson are the maternal grandparents and Mr. and Mrs. Sid Arther, Sr. are the paternal grandparents.

Asking Another To Change Seats
Dear Mrs. Post: A friend and I took a daylong bus trip just recently. The seats on the bus were not reserved. We arrived rather late and there were no double seats left, so we had to take two single seats one behind the other. After we made our first stop, I asked the man who was seated next to me (he was alone) if he would mind changing seats with my friend so that we could sit together, which he did. I overheard

a woman in the bus say that she thought I had a lot of nerve asking him to change his seat. Will you please tell me if such a request was out of order?
Answer: No, your request was quite proper because if the man did not wish to change seats he could easily have answered that he was sorry, but he much preferred keeping his seat by the window.
The Bridegroom's Parents Are Interested

Dear Mrs. Post: I'm marrying a man whose family lives out of town. Should I mail his mother and father an engraved invitation or is that too impersonal? I do know from my fiancé that they are coming to the wedding.

Answer: You should send them an engraved invitation because they are interested in seeing it and you should also write a personal note with it saying that you are sending the invitation just so they may see what they look like, and that you are looking forward to having them with you on your wedding day.

Showing One's Sympathy
Dear Mrs. Post: Is it correct to say "hello" when going into a house of mourning, and also to shake hands and even kiss the mourners?
Answer: The word "hello" is not the right one, but a warm handclasp is essential, or to a dear friend a loving kiss and some such phrase as, "I'm so deeply sorry"

or just, "Dear Mary, is there any way I can be of use to you?"
Writing To Movie Stars
Dear Mrs. Post: Do you approve of girls writing fan letters to movie stars? I occasionally write to a favorite movie star and my mother thinks it is in bad taste.

Answer: A very short note of intelligent appreciation of a part well played is a delight to every actor as well as actress. Unhappily, however, the usual letters sent by young girls to actors are very silly, in which case the answer is definitely, "No!" Perhaps the best deterrent I can offer is to remind these girls that those actors who are really very popular cannot possibly open more than a fraction of the letters themselves, but they must be opened by one or many secretaries. The young girl writing will have her letter read first by someone else, who hands it to the star only when worth his attention.

Signing A Funeral Register
Dear Mrs. Post: Will you please tell me how a register should be signed in a funeral home?
Answer: Write your name Mary Blank if that is the way the family knows you. But if Mary Blank would only be confusing to them, whereas Mrs. John Blank would identify you, then write the latter. A name signed in a register is not the same as signing a message, in which case it would be improper to prefix Mrs. to your name.

Mrs. Post offers readers leaflets on a variety of subjects concerning etiquette. If you would like to have her leaflet E-26, entitled "Serving Cocktails," send 10 cents in coin to Dept. E. F., care of this newspaper, P. O. Box 99, Station G, New York 19, N. Y. Mrs. Post is sorry she cannot answer personal mail.

Ralph Yarborough Report

Getting a beneficial law passed is a step-by-step procedure. A very important step has just been taken toward making a National Seashore Area on Padre Island in Texas. And the people of our state have a chance to help.

The Senate Interior and Insular Affairs Committee will hold hearings in Texas later this year on my bill to create such a Seashore Area on the island. Senator James E. Murray (D-Montana) announced the decision to conduct the hearings after receiving a joint letter from Senator Lyndon Johnson, Congressmen John Young and Joe Kilgore, and me.

Date of the hearings has not yet been set. The time must be agreed upon by the members of the committee and members of the Congress who are particularly interested in this proposal. Discussions are now being conducted to set an exact time for the hearings.

When the hearings are held, the people of Texas and the nation can help by showing the committee members how strongly they support the move to preserve for public use this undeveloped beach, one of the last such areas in our country. Conservation, civic, fraternal and other organizations can aid with their support. Individuals can show their stand by petitions and letters. Local governments can issue statements.

The bill to create this National Seashore Area on Padre Island is the first one I introduced in this session of Congress. It was the fourth bill introduced in the Senate; it is number 4. If a representative of your group or organization cannot attend the hearings personally, please send the resolution, petition, letter or statement to me at my office in Austin and I will be glad to present them to the committee members.

If we do not act soon to preserve the greater part of this island in the Gulf of Mexico between Corpus Christ and Brownsville, private exploitation will have ruined its natural beauty and its value as a wildlife refuge. Padre Island and the waters which wash its shores abound in fish and other wild life. The historic part of this strip of sand and grass has seen explorers, pirates, Indians, cowboys and many others pass that way.

Its chief drawing card is the wealth of recreational activities which it offers. Looking at the rest of our coastline, we can see the tremendous popularity of a National Seashore like Cape Hatteras, and we can see how private development ruins public enjoyment of the seaside. This nation's population is increasing

rapidly. We must keep our recreational facilities apace.

With the support of Texans and others, Padre Island can become a new winter playground for the present and future generations.

Heats the utensils... not the kitchen

COOL ELECTRIC COOKING

You'll enjoy cool cooking when you cook electrically. Electric surface cooking units transfer heat to utensils by direct metal-to-metal contact, with no intervening air space. They heat the utensils and the food, with a minimum of heat waste into the kitchen. The electric oven is insulated all around - including the bottom.

to keep heat inside the oven and out of the kitchen. Start now to enjoy cool cooking the modern electric way. And discover electric cooking's other advantages of cleanliness, speed, accuracy and automatic operation. See your electric range dealer soon. Cook electrically... live better electrically!

Cool electric cooking is a feature of all Live Better Electrically Medallion Models.

MRS. DON EDWARD MORRIS ... nee Dolores Hagar

Dolores Hagar, Don Edward Morris Are Married in Fort Worth Sept. 17

Mr. and Mrs. W. T. Hagar of Ranger have announced the marriage of their daughter, Dolores Jean, to Don Edward Morris, son of Mr. and Mrs. E. R. Morris of Brownwood. The couple were married Sept. 17 in Fort Worth. The Rev. Dillard Therman of Fort Worth, officiated. The bride is a graduate of Ranger High School and Ranger College, where she was a member of the Debs and Rangeans.

The groom, a graduate of Brownwood High School, attended Ranger College, Howard Payne College, and SMU.

The couple will make their home in Fort Worth, where Mrs. Morris is employed in the accounting department of the Southwestern Bell Telephone Co. The groom is serving in the U. S. Army, stationed at Denton.

Mrs. Morris is the granddaughter of Mr. and Mrs. W. O. Cox of Ranger and Mrs. S. M. Hagar of Eastland.

Ninety-One Present At Banquet In Fellowship Hall Saturday Night

Ninety-one boys and girls of the Junior Department, First Baptist Church, and their parents attended a banquet Saturday, Sept. 26, at 7:00 p.m. in Fellowship Hall of the First Baptist Church. The hostesses were the superintendent, Mrs. M. A. Treadwell, Jr.; associate superintendent, Mrs. Clarence Jenkins, and assisting them were Mrs. A. G. Goldston and Mrs. A. W. Cartledge.

The banquet hall was decorated throughout in yellow and blue. Yellow mums were used in carrying out the color scheme. Balloons and crepe-paper streamers in the two colors hung from the ceiling and ran the length of the tables. Place cards were of the two colors with a boy's face marking the boys' places and a girl's face designating the girls' places.

WMU Annual Meet To Be In Rising Star Wed.

The Associational WMU annual meeting will be held at 10 Wednesday morning, Sept. 30, at the First Baptist Church, in Rising Star.

The theme of this meeting is "Look to Jesus." Annual reports will be given by the standing chairmen and associational officers.

A covered dish luncheon will be served. After lunch the history of the Cisco Baptist WMU, and reports from our mission fields will be given. Business meetings and the installation of officers will close the program.

The entire program was presented by the Juniors. Larry Goldston gave the invocation. Brother Hall, Educational Director, accompanied by Janet Kimbler, led the group in singing choruses. The different classes then presented the following program: Books of the Bible, 9 year girls The Great Commission, 9 year boys Leaders of the Hebrew People, 10 year girls Things We Have Learned, 11 year girls Who Am I?, 11 year boys Life of Christ, 12 year girls The Law in one Sentence, 12 year boys

At the conclusion of the program Terry Treadwell, accompanied by Marsha Treadwell, sang a solo, "I Would Be True." Mrs. Treadwell presented Bibles to the 8 boys and girls who had become Christians during the year. Recognition was given to the 21 boys and girls promoting from the Junior to the Intermediate Department. They were presented with yellow and blue ribbons with their names printed at the top.

After the benediction by Bill Garner every boy and girl was given a balloon from the ceiling decoration.

CARD OF THANKS May we take this opportunity to express our gratitude for the many expressions of kindness extended to us in the loss of our loved one. For the flowers, food, your services and most of all your prayers. May the Lord warm your hearts as you have ours. The Peg Mitchell Family Mr. and Mrs. H. D. Martin.

Peace costs money

It takes money to keep our jet pilots up there patrolling the skies. . . .

Money to let our scientists continue their search for answers. . . .

Money to insure that our productive power will thrive and grow. . . .

Money to help our children learn how to make peace lasting.

Yes; peace costs money. Money for research and schools and military preparedness. Money saved by individuals to keep our economy strong.

Money saved by you.

You and your family can be the strongest force of all for peace.

Every Savings Bond you buy helps America keep peace in this troubled world.

Think it over. Are you buying as many as you *might*?

Thursday Club to Open New Club Year with Candlelight Supper

The Thursday Afternoon Club will open their 1959-60 series of programs with a Candlelight Supper Thursday night at 7 p.m. at the Woman's Club. Members of the program committee will be hostesses. They are Mmes. Harold Durham, chairman, Ronald Burton and Robert Perkins.

The theme of the year is "Hands Around the World" and the programs have been planned around his thought for the year: "As we seek to better understand ourselves and other people of the world, may we remember that moral, intellectual and spiritual guidance is the basis upon which to build a lasting relationship. May we remember, also, that hands of friendship and mercy are stronger than bands of force."

The year's programs are dedicated to Mrs. Joseph M. Perkins, treasurer of the General Federation of Women's Clubs, in appreciation for her valuable contribution.

CARD OF THANKS

The family of William E. Cooper will always be grateful to the friends who so helpfully assisted us during the illness and death of our loved one. Your kind words and many symbols of loving sympathy will be eternally remembered by us.

Thank you with all of our hearts.
The Family of W. E. Cooper

Insurance is a Life-Time Affair-

. . . and is so considered by those who figure safety as a business and protection as an investment. The fact that a person has carried insurance for many years and never had a claim does not mean that he has lost his money premiums. Rather he has gained them because he invested in safety, got protection and lost none of his property. If we buy insurance for what it really is at least a part of our financial problems will solve themselves.

DIAL TELEPHONES
are being installed in Eastland

PLEASE DO NOT USE THE DIAL NOW

DIALS are being installed on telephones here in preparation for the change to the new dial system. Many weeks — even months — will be required to complete this phase of the job.

In the meantime, of course, other work will be going on to finish the new telephone building and install the dial equipment.

When the dial is installed on your telephone, please remember these two things:

1. **Continue to give your calls to the operator** — just as you have in the past.
2. **Do not turn the dial while telephoning** — this may disconnect you from the person you are talking to.

Installation of dials on telephones here is another step toward the day when your dial system will be placed in service.

We'll let you know when the new system is completed and the dial on your telephone is ready for use.

W. H. McAnally, Manager

COLOR TELEPHONES AT BARGAIN PRICES

Here's your chance to get a beautiful color telephone at a bargain price. Just tell the installer or repairman when he comes to install the dial on your present telephone the color you want. If he installs a color telephone for you at this time, it will cost you only \$10. You WILL NOT be billed for the usual instrument change charge.
