Army Secretary Outlines Action Taken On Commies

WASHINGTON, April 23 —UP— Army Secretary Robert T. Stevens said Friday that Sen. Joseph R. McCarthy asked him to get an officer's commission for G. David Schine several weeks after the Army turned down Schine as unqualified.

Ike Explains Peace Plans In Broadcast

NEW YORK, April 23 —UP— President Eisenhower said Thursday night that America must take the lead in developing the genuine understanding among the peoples of the world that will lead to an enduring peace.

Stevens said Schine was wealthy parents. Stevens, under questioning in the second day of hearings on the McCarthy-Army dispute, said he went to the Schine apartment in the Waldorf Astoria Towers to discuss with McCarthy the senator's plans to investigate alleged Communist infiltration of the Army in the New York area.

Met Mother — Stevens said Schine was present and that he also met his mother, Mrs. J. Myer Schine. Stevens also said that he "remembered very clearly" that McCarthy asked him at the hotel why he couldn't make use of Schine's "special qualifications" as a special assistant to himself or a special assistant in the Army's G-2 intelligence division.

"I told him I didn't think it possible, especially for a young man of draft age," Stevens testified. Schine at that time was an unpaid consultant to the McCarthy committee, and was about to be drafted. He had been brought to that post by his close friend, Roy M. Cohn, McCarthy's counsel.

Stevens also testified that Schine himself once suggested later that he be made a special assistant to the Army secretary to combat communism in the Army. He said Schine felt "that would be a much

Recordings Damning To Dickenson

WASHINGTON, April 23 —UP— The Army offered recordings of Communist broadcasts Friday as evidence that Cpl. Edward S. Dickenson was a Red collaborator while a war prisoner in Korea.

Col. C. Robert Bard, chief prosecutor in the court martial of the Cracker Neck, Va., mountaineer, said the recordings were of Dickenson voicing the Communist line in a broadcast to UN troops and in a Christmas message to his mother.

Dickenson, who first refused repatriation and then changed his mind, is accused of collaboration and informing on fellow POWs in Communist prison Camp No. 3 near Pyongyang, North Korea.

Four former fellow prisoners testified Thursday about incidents in which they felt Dickenson "cratted" to their Communist captors.

Sgt. Lyle W. Jacobson, Butte, Mont., called the slight young corporal a "rat" who informed on the escape plans of himself and seven buddies.

He said he caught Dickenson eavesdropping outside their billet and the next morning he, Jacobson, was called before a Chinese Communist leader whom the prisoners called "the skull."

"He threw it (the plot) right back in my face, more or less as if he had been there himself," Jacobson said.

Asked whether that convinced him that Dickenson was "a rat," Jacobson said, "No, I knew it before then."

Job Picture Brighter In Texas

AUSTIN, April 23 —UP— Texas' downward drift in employment "apparently came to an end" in March, the Texas Employment Commission reported Friday.

The commission reported a 6,000 gain in season farm employment and a small rise in non-farm employment, pushing the total to 2,639,300 compared with 2,641,200 employed in the state at the same time last year.

Unemployment fell off 4,600 during the month with the figure standing at 140,400. A year ago the total was 140,000.

April gains in manufacturing, farm work, especially in West Texas, the TEC said.

Improved crop prospects "should have a beneficial effect on non-farm jobs that depend on farm prosperity," the TEC pointed out.

"Wholesale and retail trade employment has suffered from the prolonged drought," the report added.

Residential construction continues in "good volume."

Other employment gains are anticipated in mining, service establishments and in the manufacture of transportation equipment, lumber and wood products, apparel and other fabric products, the TEC said.

GI Athletes Ordered Off Gravy Train

WASHINGTON, April 23 —UP— From now on, athletes, entertainers, and other nationally known figures in the service, will not be allowed to duck overseas assignments solely because of their talents.

Assistant Defense Secretary John A. Hannah, in a Defense Department order which became effective April 8, called for equality of treatment and opportunity for all military personnel.

The order proves that all individuals be assigned according to their own abilities, whether they acquired them in the service, in civilian life or were born with them.

Entertainers and athletes may still be assigned to those specialties, however, if there is a requirement for such services or if the individual's abilities are limited to such talents.

If athletes are used on service teams, the order said, "the appearance of professional" type athletic teams must be avoided.

New Disaster Threatens

Airlift Reinforcements Reach Indo-China In 'Nick Of Time'

HANOI, April 23 —UP— Hundreds of French paratroopers, airlifted half way around the world by American planes, began arriving Friday to bolster the battered defenses of Dien Bien Phu where a French communique revealed a new disaster threatened.

A terse French communique said that an entire French company has been surrounded by the Red attackers in the middle of the forest vital airstrip.

The reinforcements which reached Saigon Friday are the vanguard of approximately 1,000 men being ferried to the battle front from French bases in France and North Africa.

Graham May Meet Royalty

LONDON, April 23 —UP— A former lady-in-waiting said Friday she "believes" Queen Mother Elizabeth would like to meet Billy Graham, but no confirmation of her opinion could be obtained from any other source.

Lady Cynthia Colville, 70, who was lady-in-waiting to the late Queen Mary, has attended some of the North Carolina evangelist's revival meetings here. She says she "found him particularly attractive and not at all out for himself."

Buckingham Palace sources said that so far as they knew the evangelist has not been invited to meet the Queen Mother, and Graham's press agents said they had had no indication that she is interested in such a meeting.

Negro Rapist Electrocut

HUNTSVILLE, Tex., April 23 —UP— Willie Lee Gage, 41, Port Worth Negro, was executed early Friday in the state prison electric chair for raping a Tarrant county housewife in 1952.

Gage calmly walked to the execution chamber and asked prison officials and witnesses to "please pray for me" as he was strapped in the chair. He said he wanted them to know he "loved Jesus Christ."

Gage, an ex-convict, was convicted of kidnapping a Port Worth housewife, taking her to a dumping ground and raping her repeatedly. He also was accused of raping another housewife but was not tried on that charge.

'Hams' Rescued

CHICAGO, April 23 —UP— A Mexican patrol boat plowed steadily toward a tiny Pacific island Friday, towing the crippled schooner Oro de Oro II and the five radio "hams" who will hope to set up a radio station on the island.

The amateur radio operators, all residents of Newton, Ia., were rescued in good spirits after their rescue Thursday by the patrol boat. The rescue craft picked up the aimlessly drifting Oro more than 100 miles from Clipperton Island, 685 miles west of Acapulco, Mexico.

Four months later the Senate's most eligible bachelor, John, 36, married the former Jacqueline Bouvier in an equally dazzling social event in Newport, R. I.

Memorial Planned For 2-Headed Boy

PETERSBURG, Ind., April 23 —UP— Townspeople Friday planned to buy a monument for the unmarked grave of Indiana's two-headed baby, buried in a country cemetery near here.

Some 250 persons overflowed the little Baptist church at nearby Glendon, Ind., Thursday for funeral services for the medical rarity, who was considered one person medically but who was christened Daniel Kaye and Donald Ray.

GORs Take Demos, 7-4

DAYTONA BEACH, Fla., April 23 —UP— The Republicans, puffing out like pouter pigeons, were eyeing the New York Yankees Friday after their first baseball victory over the Democrats in seven years.

Swinging justly behind the tight pitching of "fireball" Glen Davis (R-Wis.) and taking advantage of loose play afield, the GOP thumped the Democratic foe from the House 7-4 in the second annual sunshine congressional baseball game.

The last time the Republicans won, in games here and in Washington, was 1947.

This plane took off at 8:45 a.m. today. Others took off shortly afterward. Other outfit donating planes for the trip were Halliburton Oil Well Cementing Company, Southwestern Public Service, Shamrock Oil and Gas Corporation and Panhandle Lumber Company. (News Photo)

FBI Told To Kill Home Loan Racket

WASHINGTON, April 23 —UP— President Eisenhower has ordered the FBI to run down the "swindlers, cheats and crooked salesmen" involved in a home improvement loan racket that swindled "thousands" of home owners annually.

He said he caught Dickenson eavesdropping outside their billet and the next morning he, Jacobson, was called before a Chinese Communist leader whom the prisoners called "the skull."

Assistant Attorney General Warren Olney made the disclosure in testimony before the Senate Banking committee.

Olney, in charge of the Justice Department's criminal division, indicated that criminal prosecutions may result from the "very widespread home improvement loan frauds. He listed several criminal laws which "may have been violated" by the high-pressure dealers and salesmen.

Bidault Ridicules Russ Bid

PARIS, April 23 —UP— French Foreign Minister Georges Bidault told the North Atlantic council Friday that Russia's proposal to join NATO was contrary to "the rule of common sense."

Olney said he had no exact idea of the total number of homeowners who have been defrauded, but that it "runs into thousands a year."

Bidault opened Friday's session of the council by branding unrealistic both Russia's bid for an all-European security system and membership in the Atlantic pact.

Since the government-backed home improvement loan program started in 1935, he said, there have been "a great many thousands" of cases.

Bidault spoke as chairman of the alliance as the West prepared to dispatch its reply Monday to the Russian proposition.

Under the program, home owners get loans from private banks for home improvements. These loans are guaranteed by the FHA in many cases, it has been brought out, the workmanship and materials which went into the improvements were far below standard and below the amount of the loan.

He said the menace of Communist aggression still is as bad as ever — as France knows first hand from the Indo-China war and that the free world must not be turned aside from its chosen path of solidarity forever.

Olney told how high-pressure salesmen known as "dynamiters" would sell "shoddy repairs" to homeowners at "exorbitant prices."

"This should not prevent us from seeking patiently a security system as valid for the others as for us and in which we could all participate together," he said.

Other employment gains are anticipated in mining, service establishments and in the manufacture of transportation equipment, lumber and wood products, apparel and other fabric products, the TEC said.

"I'll leave right after lunch," Brook said late this morning. He is not certain when he will return. The Pampa City Commission meets at 8 a.m. Tuesday.

But powerful congressional opposition boiled up to Prime Minister Jawaharlal Nehru's action and put the India aid program for next fiscal year in jeopardy.

Republican leaders angrily assailed the Indian leader on the Senate floor Thursday. Senate GOP Leader William F. Knowland compared him to a man who would cut a fire hose, strung across his lawn to a burning neighbor's house.

Chairman Styles Bridges (R-N.H.) of the Senate Appropriations committee urged the administration to remember India's action when making future recommendations for foreign aid.

But foreign aid chief Harold E. Stassen told a news conference he will continue to support the Indian aid program. He said he and other officials will be prepared to discuss this country's policy toward India when the aid request is presented to Congress.

Haggard pleased with cooperation

Pampa Lions Top Quartet

Three Pampa Lions Club members were in Amarillo this morning for the annual Lions International District 2-3-1 convention and many more were expected to be on hand tonight for the Queen Contest and the coronation ball.
 Boss Lion Ralph Thomas, Incoming Boss Lion Aaron Sturgeon, and D. L. Parker were in attendance this morning, according to E. O. (Red) Wedgeworth, one of the four members of the "Lion-hearted Four," winning quartet in Friday's contest.
 The quartet - Dode, Balthrop, Bunny Shultz and Hansford Ouley are the others - won top honors in the convention's quartet contest. Other competing quartets were from Plainview, McLean, Dalhart, Hereford and Lubbock. Judges were Amarillo's four Beasleys.
 Miss Jackie Robertson, the local club's regular pianist, will represent Pampa in the Queen Contest, scheduled for 7:30 p.m. today in the city auditorium in Amarillo. She and Pampa Lions will participate in a parade scheduled for 4 p.m. today on Amarillo's downtown streets. A coronation ball is slated for 9 p.m. today in the Crystal Ballroom, Hotel Hereford.

Ex-Umpire To Address Knife-Forkers

Emmet T. (Red) Ormsby, a former American League baseball umpire, will be the featured speaker at the last meeting before the summer of the Top o' Texas Knife and Fork Club.
 On Saturday's convention dinner at the following: key member breakfast, 7 a.m.; talk by Milton Morris, immediate past district governor, 11 a.m.; governor election, 2:30 p.m.; XT Hallroom; election polls close, 3:30 p.m.; district governor's banquet, 7:30 p.m.; Oglethorpe, Tri-State Fair Grounds with West Texas a cappella choir entertaining; and district governor's ball 9 p.m., Crystal Ballroom.
 Club members will gather for dinner at 7:30 p.m. Thursday in the Pampa High School cafeteria, after which Ormsby will speak in the auditorium.
 "Kill the Umpire" will be the title of his speech, according to Mrs. Fred Thompson, club secretary-treasurer.
 For 30 years Ormsby was a big-league umpire; but he insists "the greatest thrill of my life" was in 1941 when he was named the Father-of-the-year by the National Fathers Day Foundation.
 "There's no better place to view America than the baseball diamonds of the nation," Ormsby says. He has seen the sandlots, the minors, the intermediate and major leagues.
 As his publicity says: "He'll tell you how it feels to be the target of a milling, maddened group; he'll tell you how it feels to be behind the bat calling balls and strikes in a world series game."

Tractor Driving School Scheduled

Gray county 4-H club boys will participate in a tractor driving and maintenance contest at Recreation park at 9 a.m. Saturday, it was announced today by Jerry Mobly, assistant county agent.
 Winners of the first three places will go to Pan-Tech farms, near Amarillo, May 1 for a district contest, winners of which will go to state meet at Texas A&M college.
 Saturday's contest will be held in three phases, as follows: (1) written examination on maintenance and driving; (2) maintenance inspection; and (3) driving over an obstacle course.
 Tractors and prizes will be supplied by Pampa implement dealers, including Allen Hoover, Pitts Farm Equipment and Atchison Implement company. First prize, contributed by Hoover, is a tractor umbrella and second prize donated by Pitts, will be a tractor grease gun. Award for third place, to be given by Atchison, has not been announced, Mobly said. Judges will be Roland Dyer, Irvin Cole and Bill Jarvis.

Cold Front Moving In

By UNITED PRESS
 One cool front disintegrated as another one headed toward Texas Friday and in the interim Wichita Falls was soaked with 1.22 inches of rain.
 The generous fall encouraged farmers anew in the important wheat section, although they said it was too late to save all the crop.
 The "cool front" which set off spotty showers inched along a little then began dissipating over a Texarkana to Junction to Del Rio line.
 In the meantime, a new but weak cold front was coming down across the Rockies and weather forecasters said it should enter and cool off the Texas Panhandle sometime Saturday.

\$17,500 Damages Sought In Wreck

A \$17,500 suit concerning an automobile collision 12 days ago at Brown and Cuyler was filed today in the office of District Clerk Helen M. Sprinkle.
 Bence Lister is the plaintiff. Charles Allen and Donald Tierney are co-defendants in the suit which alleges that Lister, his wife and two children were injured in the accident early the morning of April 11.
 Lister, the suit says, was headed west on U.S. Hwy. 40 and Allen was driving Tierney's car - was going east on the same road when Allen ran a red light and collided with the Lister vehicle.
 The break-down of the amount the suit asks is \$10,000 for Mrs. Lister; \$5,000 in exemplary damages; \$2,000 for the Lister car; and \$500 for medical bills.

 drafted, undergo, Stevens said he refused.
 The direct approach to Stevens by McCarthy was made at the New York hotel meeting.
 Stevens' testimony on the incident was developed under questioning by Ray H. Jenkins, special counsel for the Senate Permanent Investigating subcommittee which is conducting the hearings.
 At Jenkins' request, Stevens read a memorandum he sent to the Army chief of staff on Feb. 4, 1953, the day he took his oath of office. It read: "I would appreciate it if you would arrange for a briefing to be given me on Friday, 8 Feb., 1953, covering the Army loyalty and security programs for both military and civilian personnel."
 The presentation should set forth what steps are taken to prevent disloyal or subversive persons from joining the Army and what steps have been taken to discover and remove any such persons who may have found their way into the Army establishment."
 Stevens' memo also asked that he be briefed at the same time on operation of the Army Loyalty Security Screening Board.
 "Then one of the first steps, if not the very first, taken by you was with regard to loyalty and security?" asked Jenkins.
 "Yes."
 "That had top billing or priority with you?"
 "It did," said Stevens.
 "Jenkins' questions were "fully briefed" on Army security.

MEN AND WOMEN TAKE OFF FAT

If you have decided to reduce, why not do it sensibly and easily, without starvation diet or back-breaking exercises. Just ask your druggist for four ounces of liquid Barcenate. Mix with grapefruit juice as directed on label. Then take according to directions.
 If the very first bottle doesn't show you the way to take off ugly fat, just return the empty bottle for your money back.
 Mrs. Mollie Choate, 306 1/2 Callahan, Tyler, Texas, wrote us as follows:
 "I wish to state that Barcenate has done wonders for me. I not only lost 27 pounds taking it, but I found it a wonderful tonic for the whole system. It greatly relieved a gall bladder condition for me."

Liberace Disturbed Over Talk

By ALINE MOSBY
 HOLLYWOOD, April 23 —UP—
 Liberace Thursday revealed he was "upset" by the "untruths and innuendoes that try to make a sensational character out of me."
 The pianist's TV program on 178 stations and his sold-out concerts around the country have rocketed him into a show business phenomenon, but he also has become a controversial figure. Thursday Liberace answered his critics with "the truth—that am not eccentric."
 "One writer said I sprayed my hair with gray, that is not true," he said soberly. "I've been gray since I was 21."
 "He also said I sewed when I was a boy. People read this and get the wrong idea. It's an innuendo that I am odd." Other critics and nightclub comics' jibes, he continued, "refer to my family ties, something sinister, and that I am guilty of memism."
 "We are a closely knit family," he explained. "My religion taught me to love my mother and father. I go to church on Sunday. I work hard. I practice four hours a day. I don't booze it up or get into fights. I lead a normal, quiet life."
 "I have a close knit family," he explained. "My religion taught me to love my mother and father. I go to church on Sunday. I work hard. I practice four hours a day. I don't booze it up or get into fights. I lead a normal, quiet life."
 Liberace gestured at the living room of his San Fernando Valley home that, despite what he says, still call one of the most sensational in this land of the unexpected.
 His huge swimming pool is shaped like a piano, complete with black-and-white keys. Candelabra, like the one on his TV show, glitters in the living room and even in the garden.
 Liberace's flowing signature and/or a sketch of his piano are present everywhere—in the cement around the pool, on the side of his station wagon, on the drawer pulls of a desk and even on pot holders in the kitchen.
 Ten shelves hold his collection of miniature pianos, many sent by fans. Wall paper and some furniture in the ornate home carry out the musical motif. The black-and-white bedspread in his bedroom is inscribed with a huge gold "L."
 As he led a tour, Liberace answered music critics who claim his technique is not the best and that he rewrites the classics.
 "I cut some classics because I give listeners only what they will stand," he said. "If a number takes longer than six minutes, I lose the audience. I play popular music because it is played straight concerts I would lose three fourths of my following."
 "I have gone to Arthur Rubinstein's concerts and seen people asleep. I don't profess to be Rubinstein, but, then, Rubinstein is not me, either. Nobody sleeps through my concerts."
 Liberace added he doesn't mind Liberace gags or imitations by comedians "if they are clever and not offensive."
 "Donald O'Connor does a good one. But a lot of mediocre entertainers just put a candle in a beer bottle and say they're me."
 "But I'm not bitter," he smiled. "Everything is opening for me now. I will play in Madison Square Garden in New York next month, and only one other pianist, Fiedlerewski, has done that."

Head-To-Toe Cancer Exam Saves Lives

WEIGHING is first step. Unexplained loss of weight is a suspicious circumstance.

OPHTHALMOSCOPE examination checks blood vessels and visual fields of the eyes.

BLOOD PRESSURE check can detect heart, circulation and kidney disorders.

OTOSCOPE examination carefully scrutinizes ears for possible abnormalities.

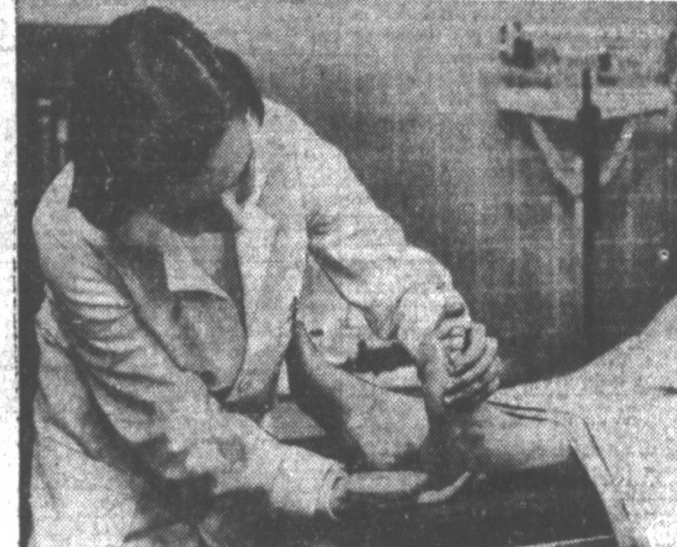

MOUTH is examined first visually, then by feeling with finger. Here early cancers of lips, tongue, tonsils may be seen easily.

LUNGS and heart are examined with stethoscope for abnormalities. This is followed by examination of breasts for possible lumps.

ABDOMINAL area is checked. Doctor then makes vaginal check. "Smear" test reveals malignancy before it can be seen or felt.

LEGS AND FEET are checked for skin lesions, which are 95 per cent curable. This ends "head-to-toe" cancer examination.

Tax Liens Slapped On Film Stars

HOLLYWOOD, April 23 —UP— Several leading film stars, a circus and an orchestra were among entertainers Friday against whom the federal government has filed property liens in connection with income tax claims.

The sums cited in a series of liens filed with the county recorder by the Bureau of Internal Revenue Thursday were alleged to represent unpaid income taxes in a current dispute between the performers and the government.

Dean Martin, Jerry Lewis, Linda Darnell, Joan Crawford and Mickey Rooney, were among those named.

Canadian Lions Name Officers

CANADIAN — (Special) — The Canadian Lions Club held election of officers at its weekly luncheon meeting in the W.C.T.U. Building, Monday night.

A. H. Brazzale was elected president to succeed Hugh H. Wilson. Harry Wilbur Jr. was selected first vice president with Charles Vignar as second vice president and Rev. Carter McKemy as third vice president.

New directors will be Vernon Morse and Marion Hill. Bill Zenor and Carl Zybach are holdover directors.

Citizen Class President Will Introduce Lesson

Mrs. Patricia Ann Bissell, president of the Pampa Lions club Americanization class, tonight will introduce this week's lesson, "Other Changes in Our Constitution and Government," chapter seven in the textbook.

The class will be a follow-up to the class a week ago when County Judge J. B. Maguire Jr. explained the U. S. Bill of Rights and told how an amendment to the U. S. Constitution could be made into law.

Other reports will also be given tonight by class members: Mrs. Angela J. Burdick, "Changes in the Organization of the National Government," Paul Goertz, "More Authority Given to the National Government," and "Limits on the Authority of the States."

Protestant Government Compared With Early Church's At Presbyterian Meet

Mrs. Bruce Pratt compared the early church of Peter and Paul with present day church government at a recent meeting of the Women's Auxiliary of the First Presbyterian Church in the Education building. "The early church," she pointed out, "was completely democratic." She cited this as the historical precedent for the prevailing government in Protestant religions. The study of the Book of Acts was continued during the devotional hour.

Colored slides showing national mission work among Spanish-speaking Americans were shown.

Miss Clyde Fairhead, secretary for National Missions, explained that mission stations best known to Texas are those in the neighboring states of New Mexico and reported on work at Menaul High School in Albuquerque; Allison James Junior High School, Santa Fe, and Embudo Hospital in Dixon, N. M. Clinics, elementary schools and churches round out the mission program of the Presbyterian church.

An offering was received to be used for the following projects of the National Mission Board: an additional wing at Embudo Hospital; a residence building for the women teachers at Allison James; a new shop and two houses for faculty members at Menaul and "playmobile," or station wagon stocked with sports equipment to serve the area around Truchas.

During the business hour the group decided on a rummage sale May 1 and a bake sale May 8. Proceeds will be used to pay the expenses of four women who will attend the national meeting of Presbyterian women in Lafayette, Ind., during the first week in June. Hostesses were Mrs. Harvey Nienstiel and Mrs. George Hrdlicka.

Coffee In Show Piece
WASHINGTON — UP — Washington housewives may feel they can't afford to buy coffee at present prices, but they can see how it is processed at the Smithsonian Institution's new coffee exhibit. The exhibit consists of a diorama showing the drying of the freshly picked coffee cherries and the coffee bean at various stages from the ripe "cherry" to the roasted bean.

"Here Comes The Bride"—To The Kitchen

AFTER the honeymoon, sooner or later, every June bride finds herself facing the stove. Her aim... to cook a meal her husband will enjoy and she'll be proud to serve.

Whether a freshman or graduate cook, you'll be glad for the many modern foods that help during newlywed days. It's a good idea to browse through your grocery store and note the many cooking helps all ready for you. Then stock up. Canned meats and fish, condensed soups, precooked-rice, biscuit mix, frozen main dishes, etc.

Next step is to stock up with tempting, easy recipes. Casseroles, naturally, are one of your best bets. Reach to your shelf of convenience foods for a can of mushroom soup and one of tuna — plus a package of noodles. What a heavenly combination you can create with these three. And the variations possible are dazzling. It can be cream of chicken soup with a can of chicken, or cream of celery soup with salmon. Each comes forth as a knock-out noodle casserole. Memorize this prize recipe pattern:

Mushroom Tuna Triumph
2 cans (1 1/2 cups) condensed mushroom soup
1 1/2 cups milk
1 cup buttered bread crumbs
1/2 cup grated cheddar cheese
1/2 cup grated parmesan cheese
1/2 cup grated Swiss cheese
1/2 cup grated Romano cheese
1/2 cup grated Parmesan cheese
1/2 cup grated Swiss cheese
1/2 cup grated Romano cheese
1/2 cup grated Parmesan cheese

A Wonder-full Cake

A simple frosting is all that is required to complete this wonderful cake made by a wonder-quick method. Only one bowl is needed to blend this super-fine cake flour with all the other ingredients—all in a matter of minutes.

- Brown Sugar Red Devil's Food Cake**
- 2 cups Swans Down cake flour
 - 1-1/4 teaspoons soda
 - 1 teaspoon salt
 - 1/2 cup butter (at room temperature)
 - 1-1/3 cups firmly packed brown sugar
 - 1. Measure sifted flour, soda, and salt into sifter.
 - 2. Place butter in mixing bowl; stir just to soften. Sift in dry ingredients; add brown sugar. Add 3/4 of the milk and mix until flour is dampened. Then beat 2 minutes at a low speed of electric mixer, or 300 vigorous strokes by hand.
 - 3. Add eggs, chocolate, vanilla, and remaining milk. Beat 1 minute longer in mixer, or 150 strokes by hand.
 - Baking: Pour batter into two round 9-inch layer pans, which have been lined on bottoms with paper. Bake in moderate oven (350° F.) about 30 minutes. Cool.
 - Prepare your favorite fluffy frosting and spread generously between layers and over top and sides of cake. If desired, sprinkle with grated chocolate.

Parallel Profiles . . .

Two Big Contenders In McCarthy's Fight With Army: Cohn, Adams

(By NEA Service)

McCarthy's Roy Cohn

Roy M. Cohn is smart, shrewd and maybe brilliant. He has an astonishing memory. He is a couple of weeks ago as a parlor as he repeated word-for-word a long speech which had just been delivered on the radio.

Cohn is also a very brash man for his 37 years. He's arrogant, will go to great lengths for personal publicity and has a special talent for irritating his elders. Not long ago during a meeting of the Senate sub-committee of which he is counsel, he sarcastically ticked off a red-faced Senator who had gotten some facts mixed up.

Both admirers and critics of the young McCarthy-committee counsel, who finds himself involved in the big scrap with the Army, agree on these facets of Cohn's personality.

Beyond that, however, there's violent disagreement as to what makes Cohn tick. Admirers insist his single motivation is an honest desire to expose the Communist conspiracy in the U. S. Critics say he's simply out to make Cohn a national hero and a household word.

Cohn's youthfulness, "which he can do as easily as he will by turning a wide-eyed boyish stare, is his most impressive physical feature. He wears his dark hair plastered down tight on his head, dresses fastidiously in expensive suits and wears a pair of heavy-lensed glasses and talks like a muffed machine gun.

His tremendous nervous energy goes into every activity he tackles. He apparently finds it impossible to relax. When he's visiting his favorite New York night spot, the Stork Club, he insists on having a telephone at the table. In any one hour he'll make two or three calls.

Several weeks ago he agreed to attend a New York premiere. It was the first movie he had seen in years. He confided to his companion. But he was unable to sit still during the performance. He left twice to make phone calls, then finally jumped up and left the theater before the show was over.

He's apparently uninterested in literature, music, sports or anything else which does not have an interesting legal angle or bear on the subject of communism. That applies to food and drink, too. He hardly touches liquor and his only special interest in eating is an insistence that a big dish of cottage cheese be served at his table. It's not because he's watching his weight. He just likes the stuff.

Girls also seem secondary to his current preoccupation with the work of the McCarthy committee. His friends report he regularly dates one of several attractive, well-groomed young ladies. And when he spots some particularly pretty young thing at a table in a night club, he'll sometimes rush over to fling an introduction some way.

At the same time he doesn't hesitate to engage a girl by calling her at the last minute and cancelling a date so he can attend some hastily-called committee conference.

A close friend of Cohn claims his monthly entertainment bills must be staggering because he keeps a charge account in every good New York restaurant and night club and refuses to let anyone with him ever pick up a check.

Cohn exhibits all the signs of a young man with a lot of money in his pockets. Cohn's parents — his dad is a successful New York judge and Democratic bigwig — maintain a large apartment on Park Avenue where Roy lives when he's not in Washington.

His salary with the committee is \$11,700 and it's reported that he had been drawing more than \$30,000 a year from a partnership he got in a private law firm after making a startling record as a U. S. attorney with the Southern District of New York.

It was this work which got young Cohn into the anti-Communist field. He had a part in convicting atomic spy Harry Gold, the Rosenberg perjury trial, the Rosenberg case, the Smith Act trial of the top Communist leaders and the grand jury investigation of Communists among the U. S. United Nations employees.

JOHN G. ADAMS: He reads out loud in his living room.

Adams is a good swimmer and he keeps a charge account in every good New York restaurant and night club and refuses to let anyone with him ever pick up a check.

He had a part in convicting atomic spy Harry Gold, the Rosenberg perjury trial, the Rosenberg case, the Smith Act trial of the top Communist leaders and the grand jury investigation of Communists among the U. S. United Nations employees.

Tremendous ambition and energy, careful research and sharp, biting cross-examination became Cohn's trademarks in this work. It led to McCarthy's selection of Cohn to run his committee.

Cohn's dotting mother never had any doubt about her son's legal prowess. Her favorite anecdote is of Roy as a 15-year-old. He sat through a murder trial at which his father presided. When it was all over and the defendant was freed young Roy pushed his way through the crowd and asked the successful defense lawyer why the prosecuting attorney had not raised a particular point of law in the case.

"The lawyer looked at Roy in astonishment and said, 'If he had, my client would probably have been found guilty,'" Mrs. Cohn recalls.

Cohn missed the draft by virtue of several unsuccessful attempts to get into West Point. He joined the National Guard and won a commission.

It's reported of Cohn's pre-college days that he never got the spanking he always so richly deserved. He whizzed through the Columbia Law School although he had to mark time as a law clerk for a year before reaching the required age of 21 to take his bar exam.

Cohn's first national publicity came when he and his friend, David Schine, invaded Europe to investigate Voice of America operations there. It wasn't all good.

Adams is a good swimmer and he keeps a charge account in every good New York restaurant and night club and refuses to let anyone with him ever pick up a check.

Will color-blind people enjoy color television? Or will they be denied the tinted treats in store for us with normal vision — like delectable commercials in glorious colors?

The Admiral Corporation asked a group of scientists to study this problem. Anyone with color blindness will be happy to know that they'll be quite content in the coming era of a rainbow in every living room.

"A person with deficient color vision will enjoy the colors in TV probably more than he has in the movies or any other medium of reproduction because each mental picture will be clearer," the scientists' report states.

A color-blind viewer will be able to regulate the controls to suit himself. He can fiddle with the dials until the colors become clear to him.

If you previously saw just a hint of a color, a shade or a tint, rejoice at this bit of good news — You'll have those color video blues.

In case news commentators get on color TV, here's a suggested sign-off for Gabriel Heatter: "Ah, there's good hues tonight!"

Meeting a girl who's handed out \$3,100,000 — give or take a few grand — isn't too shattering an experience. Especially if she's Janice Gilbert, a pretty brunette who dollops out dollars under the nose of look of Janice the Paying Teller. She does her charity business on "Break the Bank" (ABC-TV and NBC-Radio).

I just have to keep buying new ones."

"That's life — a millionaire like her worrying about a few bucks for a new dress."

"Anniversary Waltz," a new play on Broadway, revolves around an old-old plot — marital squabbles. But there are so many laughs tucked on to that flimsy frame that it becomes a very funny show. Macdonald Carey and Kitty Carlisle, in the leads, indulge in some spirited discussions of television, progressive education and psychiatry as the evening progresses.

The biggest laugh comes when the teen-age son raises a glass in a mock toast to his pesty kid sister, and salutes her thus: "Jerki!"

Crew-cuts are getting more popular with male TV stars every barber day. What are the sociological reasons behind this trend to a chopped top? Here's a quickie survey among men who sport the flat heads:

Garry Moore: "An absent-minded barber started it, and I liked it now."

Jerry Lewis: "I was selling boys magazines and wanted to look young. So I started having my hair crew-cut, wearing a brace on my teeth and carrying a switch-blade knife."

Ken Murray: "When my hair grows long I look like a retired bookie."

Municipal Pool To Open June 1

Tentative opening date for Pampa's swimming pool is June 1. E. S. Lowrey, water superintendent, late this morning reported the pool's filters had been revamped and figured the pool would be open as soon as school lets out.

"We hope to install the chlorinator in the next two or three weeks," he said.

The pool will probably be open till about Sept. 8, the day students go back to school in the fall, Lowrey thought.

The Weekly Message Of Inspiration

Leaders in spiritual affairs should strive diligently to ascertain and keep clearly in view the purpose of true worship, and everything that does not comport with and contributes to this holy end should be eliminated. Worship is not for the purpose of entertaining men, nor is it for social, political or financial advancement. Praying, singing, preaching, giving or anything else done in the service of God for the purpose of pleasing men may do just that, but it certainly does not please nor honor God. (Gal. 1:10).

In John 4:24 Jesus sets forth three essential elements for acceptable worship. "God is a Spirit: and they that worship him must worship him in spirit and truth." First: God is the proper object of worship. Throughout the Bible men are warned against worshipping idols (See Acts 17:29). It is made plain in Acts 10 that man is not to be worshiped; when John fell before an angel he is told, "See thou do it not, worship God" (Rev. 19:10). Second: Worship must be done in spirit — we must enter the spiritual realm and worship him honestly and sincerely. One should never engage in worship simply as a matter of form; but he should center his attention upon the Lord and spiritual things and concentrate wholly upon the thing being done. Third: Worship must be done in truth as well as in spirit. This means that every act of worship must be according to truth, or according to the word of God. Anything not provided in God's word in worship will render the worship vain. Jesus said, "But in vain do they worship me, teaching as their doctrines the precepts of men" (Matt. 15:9).

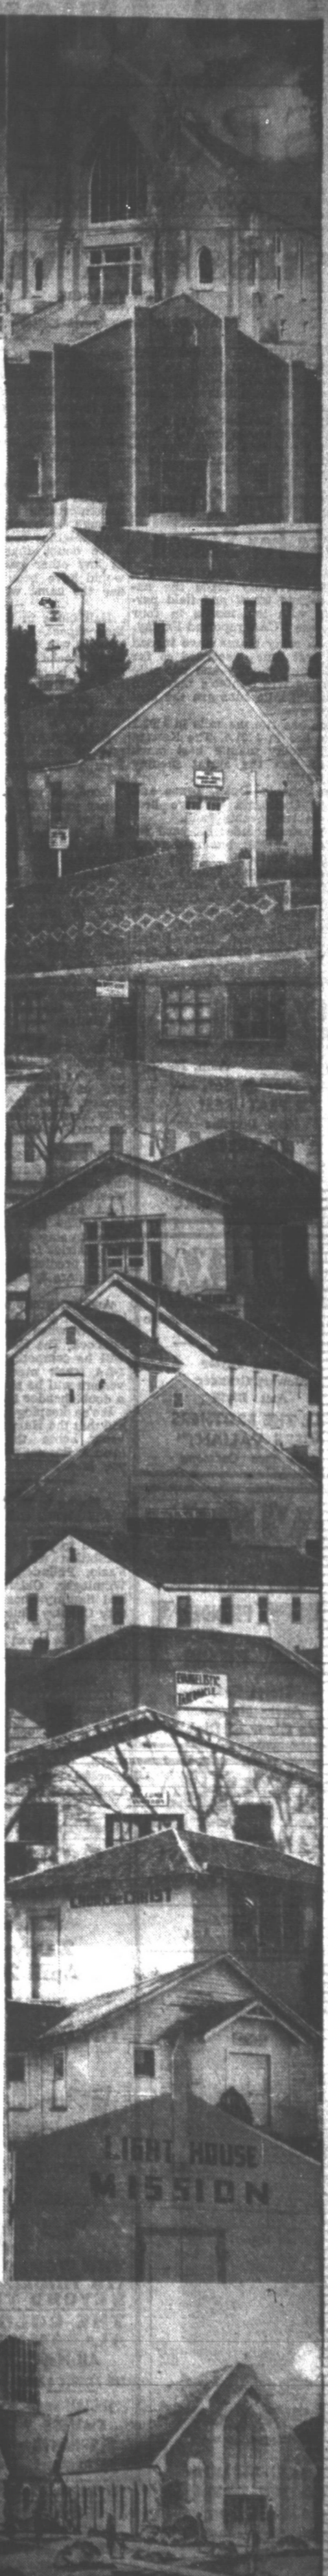

Granville W. Tyler, Minister
 Church of Christ
 Mary Ellen at Harvester St.

We have an appointment with Christ every Lord's day. "For," said He, "where two or three are gathered together in my name, there am I in the midst of them" (Matt. 18:20). If properly done, worship honors and glorifies God, refreshes and edifies man.

PRESS BOX VIEWS

Pampa Daily News Sports Editor

WE SINCERELY HOPE THAT the small crowd on hand for last night's Oiler home opener isn't a reflection of the interest in baseball here.

TEXAS OWNS 2 TRACK MARKS FOR SEASON

LOS ANGELES, April 22—UP—Kansas University leads the nation's college track and field performers with top marks in four events, the NCAA reported Friday.

Kansas relay teams have turned in the best times recorded so far in the sprint medley and two-mile events, and Wes Santee's marks in the 480 and mile runs are the best of those events.

Santee has run the mile in 4:03.1 and the 800 in 1:51.5. The Kansas 50-mile relay team's best mark is 7:54.3 and the sprint medley is 3:30.2.

These schools—Duke, Texas and Southern California—have best marks in two events each.

Top marks include: 880-yard relay—Texas, 1:24.8; one-mile relay—Southern Methodist, 3:15.8; two-mile relay—Kansas, 7:54.1; sprint medley relay—Kansas, 3:30.2; distance medley relay—Oklahoma, 4:36.10; high jump—Chuck Olding, East Texas State, 6 ft. 1.2 in.; 100-yard dash—Ralph Howard, Texas Southern, 9.6 seconds.

Another group of Harvester athletes will join the baseballers tomorrow when all will journey to Lubbock. The Harvester tracksters will be competing in the Regional 1-AA track meet while the Harvesterers will be meeting Lubbock in a doubleheader in Lubbock.

We're keeping our fingers crossed that the Harvester athletes will bring home the bacon in both events. It's not out of the question, you know.

Hogan in Exhibition Match ATLANTIC CITY, N. J., April 22—UP—Rantanen Ben Hogan has agreed to participate in a two-day exhibition with golf pros George Fazio, Philadelphia, Francis (Bo) Winninger, Oklahoma City, Okla., and Sammy Snead at the Atlantic City Country Club, Northfield, N. J., June 7 and 8. The match will be part of the resort's centennial celebration.

Leading Jockey Injured LEXINGTON, Ky., April 22—UP—Jockey R. L. Baird, the leading rider at the Keeneland meeting, was injured Thursday when his mount, Tenedos, threw him in the fourth race. He was rushed to a hospital where it was announced he was not seriously injured.

Borger's Gassers returned the favor last night when they chalked up a 6-1 victory over the Pampa Oilers in the Oilers' first home showing of the 1954 West Texas-New Mexico League season played before an overcast crowd of 700 fans.

It was the first league loss for the Oilers who had spoiled Borger's home opener the night before with a 6-5 win.

Loose fielding paved the way for the Gassers' victory last night. Big Jake Henson went all the way for the Oilers but allowed only two earned runs, good enough to win most games.

But nine Oiler errors kept Henson in trouble much of the time and the big right hander managed to pitch out of the jams in every inning except one — the second.

Borger came up with four runs in this inning — all unearned. Three miscues were committed by the Oilers in this frame.

About the only cheering point for the Oiler fans who braved chilly temperatures to witness the curtain raiser was Curtis Hardaway's homerun in the eighth that accounted for the lone Oiler marker.

Hardaway, Tierney, Top Hitters Hardaway and Don Tierney accounted for more than half of Pampa's seven hits, each collecting two safeties. Hardaway's other hit was a single while both of Tierney's hits were singles.

The bad second inning for the Oilers ruined what was otherwise a good ball game. The door for the big rally was opened when rookie second baseman Karl Heron muffed a line drive off the bat of Bob Westfall. I. B. Palmer was the first base at the time and had Heron held on to Westfall's drive it would have been an easy double-play because Palmer was more than halfway to second and he couldn't have possibly made it back to first.

Both Palmer and Westfall doubled before another pitch was made as two more errors were made that allowed the two Gassers to round the bases.

The Gassers went on to make it 4-0 when Valdeso homered with the bases empty and Tom Smith singled to score Flowers who had doubled coming after the side should have been retired.

Oilers' biggest scoring threat besides the 8th inning homer by Hardaway came in the seventh. Eddie Daniels led with a double and Karl Heron walked to put two runners on with no one away.

But Dick Hutler popped out. Jake Henson grounded out pitcher to first and after Gene Hauraud walked to load the bases, Whitey Krueger was a pitcher-to-first victim and the Oiler rally died.

Sea Hawks Gain On Crowley In Evangeline Loop

By UNITED PRESS

Port Arthur's Sea Hawks, running second in the Evangeline League, gained a half game on league-leading Crowley Thursday night. The Millers were stopped by rain at New Iberia.

Port Arthur turned an outfield error into the winning run in the ninth inning to beat Alexandria's Aces, 3 to 2.

Pitcher Mateo Alomar and shortstop Juan Alvarez led Lafayette Oilers to a 7 to 3 victory over Lake Charles, and Texas City's Pilots doubled Baton Rouge's run output for a 14 to 7 win. The results left Lafayette and Alexandria tied for fourth place. New Iberia was in third.

Ninth Inning Singles Port Arthur, trailing 2 to 1 with two out in the ninth inning, used singles by Ted Tate and Ed Combe to set up the winning rally. Roy Sanner singled home Tate, and when Aces centerfielder Bill Lynn doubled the ball, Combe rolled the bases to score the winning run.

In the Lafayette-Lake Charles game, Alomar checked the Lakers on nine scattered hits to gain his first win of the season against two losses. The Cuban fighter fanned seven and walked three.

Alvarez collected a single, double and triple in four at-bats, drove in two runs and scored two himself.

Children's Three-Run Double Delton Childs' three-run double in the eighth inning set off an eight-run outburst by Texas City against the Baton Rouge Rec Slicks. Texas City clung to a slim one-run lead going into the eighth, but batted around in that inning to turn the game into a rout.

A two-run rally in the top of the ninth by the Slicks was snuffed out by relief pitcher Stan Karpinski, who came in for starter Ed Bohnslav in the eighth.

Friday night's schedule finds Alexandria at Port Arthur, Baton Rouge at Texas City, Lake Charles at Lafayette and New Iberia at Crowley.

Score by innings: Alexandria 020 000 000-2 9 1 Port Arthur 000 100 002-3 10 0 Bumgardner, Kopach (9) and Hall; Oliver and Tate.

Dukes, Hubs, G-Sox Keep Slate Clean

By UNITED PRESS

Amarillo, Albuquerque and Lubbock held the lead in the West Texas-New Mexico League Friday after two nights of action.

Lubbock won a wild one from Abilene Thursday night, 15 to 11; Albuquerque trounced Clovis, 9 to 1; Amarillo blanked Plainview, 7 to 0; and Borger beat Pampa, 6 to 1.

Bob Reagan of Lubbock broke up a three-hour and 23-minute game at Lubbock when he slugged a grand slam home run in the last of the ninth inning to beat Abilene, 15 to 11. Abilene's Charles Goza had tied the game at 11-11 in the first half of the ninth with a three-run over-the-fence blast.

At Clovis, George Socha, who won 14 games without a loss for the Albuquerque Dukes last season, beat Clovis' Pioneers, 9 to 1, on an eight-hitter.

Red Dial, a 28-game winner for Clovis last year, started for the Pioneers and took the loss.

Friday night's schedule finds Albuquerque at Plainview, Clovis at Lubbock, Amarillo at Abilene and Pampa at Borger.

Scores by innings: Abilene . . . 001 201 223-11 15 6 Lubbock . . . 510 004 104-15 15 3 Gibson, Shaw, Brazle and Bowland; Ardrey, Ackermann and Hochstatter.

Albuquerque . . . 002 100 231-9 13 1 Clovis . . . 010 000 000-1 8 2 Socha and Jordan; Dial, Codrington and Benites.

Amarillo . . . 0220 000 005-7 11 0 Plainview . . . 000 000 000-0 3 5 Ruyre and Johnson; Arthur, Davis, Genter and Melton.

Jockey Adams Suspended LEXINGTON, Ky., April 22—UP—Jockey Johnny J. Adams was suspended for 10 days Thursday by the Keeneland racing officials for "careless riding" on Rambling Kate, Wednesday. However, the suspension will not prevent Adams from riding in the derby trial at Churchill Downs next Tuesday or in the Derby on May 1. He has been contracted to handle Mr. and Mrs. A. E. Reuben's Hasty Road in both races.

Stengel Picked Again CHICAGO, April 22—UP—Casey Stengel, manager of the world champion New York Yankees, was named Thursday to manage the American League all star team this season for the fifth straight year.

Babe Zaharias In Hospital GALVESTON, April 22—UP—Golfer star Babe Zaharias was in John Sealy Hospital Friday for a "routine" check-up a year after she was operated on for cancer.

Dr. Robert Moore, the surgeon who operated on Mrs. Zaharias last year, said he expected "no complications" would be found.

"I understand she is getting along fine," Moore said.

Mrs. Zaharias was examined by her family doctor at Beaumont, Tex., earlier this week, and passed that check satisfactorily.

The Babe's husband, George, said she shot a leisurely round of golf Wednesday and finished "feeling the best in a long time." She is taking a vacation from the women's pro links circuit after finishing second in the tourney named in her honor, Beaumont's Babe Zaharias Open, last week.

Hill Gail Retired SAN MATEO, Calif., April 22—UP—Calumet farm's Hill Gail, winner of the 1952 Kentucky Derby was retired from racing Thursday and his trainer, H. A. (Jimmy) Jones, said the big stallion probably will see stud duty. Hill Gail won 11 of 23 starts and amassed earnings of \$335,555.

Bucs On Move In National League

By CARL LUNDSQUIST

United Press Sports Writer

What manner of men are these new Pittsburgh Pirates?

Well, in the first place they're really boys, not men, and if you want to find out something about them, don't go to the Pirate roster—because a number of them are such greenhorns they weren't even listed earlier this spring.

Another thing—they like fresh air. No move of this living in the cellar for them, at least not for awhile. Sixth place was their niche Friday and they could go higher.

And even though they don't terrorize the other clubs in the National League this season, they sure have the Giants scared to death.

Typical Private Lineup It was a typical Private starting lineup that Manager Fred Haney lined up on the field Thursday loaded with six rookies including pitcher George O'Donnell, who was making his first major league start.

But were they scared? No sir, they made three runs in the first inning, kayoed Giant Pitcher Ruben Gomez with three more in the third, and scored three runs off starter Mike Garcia, sending him out of the game.

O'Donnell Looks Good It was Pittsburgh's third victory in four games with the highly-rated Giants this season. O'Donnell, who was "rookie of the year" with Hollywood of the Pacific Coast League last season, showed good control, walking only two men. He generally was ahead of the hitters.

In the only other major league game scheduled Thursday, the Orioles defeated the Indians at Baltimore, 4 to 1, on five-hit pitching by Duane Pillette, who gained his second straight victory. Pillette was given a working margin in the first inning when Baltimore scored three runs off starter Mike Garcia, sending him out of the game.

Singles by Bobby Young, Eddie Waitkus, and Gil Coan produced one run. After Coan stole second, the Werts singled home two more. Pillette settled down after a shaky first inning in which he forced home Cleveland's only run with a bases-loaded walk. He struck out six.

All of the other clubs had open dates.

Thursday's star-rookie George O'Donnell of the Pirates, who made his first big league start a winning one, scattering eight hits in a 7 to 4 victory over the Giants.

Other games were postponed due to wet grounds.

The Cubs ponced on three Sport hurriers for 10 hits, two of them homers by Glenn Gorbous and Vic Marazo. Rudy Paynick scattered seven hits over the route to chalk up his second win, and Jesse Priest, who was relieved in the fifth inning, was the loser.

Bart DiMaggio sparkled in a relief role for the Eagles, came on in the first inning, after one run was across, then relieved the side and pitched hitless ball until the seventh inning. Eventually he surrendered five hits and two runs. Gene Tarabilda, who was reached for nine hits and all the Dallas runs was the loser.

Friday's schedule sends Dallas to Shreveport, Fort Worth to Beaumont, Oklahoma City to San Antonio and Tulsa to Houston.

Scores by innings: Beaumont 100 000 011-3 7 1 Dallas 000 002 03x-5 10 1 Tarabilda, Kennedy (4), Cunar (8) and Ficalini; McLeland, DiMaggio (1) and Martin.

Army Officer Wins Carolinas Open

HERNANDONVILLE, N.C., April 22—UP—Dow Finsterwald, a 24-year-old Air Force lieutenant who reminds the experts of Sam mny Snead, was hailed Friday as one of the rising new stars of the professional golf circuit following his spectacular victory in the Carolinas Open tournament.

Finsterwald, a native of Athens, O., who returned to duty at Pope Air Force Base this morning, survived a nightmare "triple bogey" to beat Julius Boros of Mid Pines, N.C., and win the tournament with a 72-hole total of 274.

Boros, one stroke back, won second money of \$240 while Mike Souchak of Durham, N.C. finished third with 280 and won \$170.

739 Entered in Drake Relay

DES MOINES, Ia., April 23—UP—Bill Wau Santee, Kansas' hope for a four-minute mile, leads two fast Jayhawk relay teams into the big 45th Drake relays Friday and records seem almost sure to fall.

A huge field of 739 athletes from 72 colleges and universities filled the infield of Drake Stadium and several are expected to set new Drake or American collegiate marks in the two-day meet.

Kansas had a good chance to beat the American collegiate record of 3:27.7 and the Drake time of 3:22 in the university sprint relay Friday. So did Illinois.

Both teams are loaded with speed. The Jayhawks also were favored to win the four-mile university relay Friday. They've already run it in 17:15.3 second under the Drake mark.

Santee was to run in both relays—about an hour apart.

Most of the relays will be run Saturday.

Santee also may join his mates in the mile relay, where Southern Methodist, Illinois, Iowa and Texas A&M, all have a good chance.

Four Texas sprinters—Dean Smith, Jerry Prewitt, Al Frieden and Charlie Thomas could set new world records in the 440-yard and 880-yard relays Saturday. They've already cracked the 440 record at the Kansas Relays last week with :30.3.

Lee Yoder of Louisiana State also was rated a good chance of setting a new Drake record in the 440-yard hurdles. He already has run 1.1 seconds under the record of :32.4.

Will Hudlin Renews Plans For Better Minor-Major Relations

JACKSON, Miss., April 23—UP—Willie Hudlin, former major league pitcher who thrives on a four-way job as a minor league executive, warmed up Friday for another season with a warning to the big league owners.

Hudlin, who'll do everything but sell hot dogs for the Greenville, Miss., Bucks in the Class C Cotton States League, renewed the plea for better relations between the majors and minors.

He called mainly for an immediate end to major league game broadcasts and telecasts in the areas where small leagues are struggling. Big league baseball will deteriorate, he said, if many more talent-supplying minor leagues are forced to fold.

"Major league fans will be seeing minor league baseball at a major league price," said Hudlin, who won 19 and lost 13 in his first season with the Cleveland Indians 30 years ago.

"You can be sure minor league baseball is seeking a way to survive," he said. "All of us will have to do more and better promoting but keep in mind a hustling team is our best promotion."

Hudlin moved his franchise to Greenville after a disastrous season financially at Jackson, which dropped from the league along with Natchez, Miss., leaving six teams to brave the season which opens Tuesday.

He will serve as president, gen-

Austin Hands Tyler Kroll, Mangrum Tied For Lead

BY UNITED PRESS
Austin's Flyers moved up a notch into second place in the Big State League as they snapped pre-season Tyler's 8-game winning streak with a 4 to 1 win Thursday night.

Harlingen edged Bryan 3 to 2 to make it eight losses for the last-place Indians against a lone win; Galveston dropped Corpus Christi from second to third place.

The teams meet the same opponents Friday night, with Waco a Temple, Tyler at Austin, Galveston at Corpus Christi, and Bryan at Harlingen.

Southpaw Lee Roy (Stumpy) Jones found the combination to stop the Tyler Tiger's rampage in his initial start for Austin before a partisan crowd. The veteran lefty, who compiled a 22-10 record with the Pioneers in 1951, had a no-hitter until the ninth when Bryan's Galveston dropped Corpus Christi from second to third place.

Mulloy Ousted From River Oaks Tourney

HOUSTON, April 23—UP—Only one thing was certain Friday in the 20th annual River Oaks tennis tournament: It will have a new champion.

Defending champion Gardner Mulloy of Coral Gables, Fla., bowed before a vicious game by Dick Savitt, 1951 Wimbledon champion, 6-3, 6-4, 6-3 in one of Thursday's quarterfinal matches.

Savitt met the winner of the Vic Seixas-Bernard Bartzan match in one of Friday's semifinal matches, and Tony Trabert, the nation's first-ranked amateur, met Hamilton Richardson of Baton Rouge, La., in the other.

It was the second meeting this month between Trabert and Richardson, the national intercollegiate champion from Tulane University. Trabert beat Richardson 4-6, 6-3, 6-3 April 13 at New Orleans in a dual meet between Tulane and Cincinnati.

Richardson upset left-handed Art Larsen of San Leandro, Calif., a former Oaks winner, 6-1, 6-1, 6-1. Trabert's power gradually wore down Tom Brown of San Francisco 6-4, 6-3, 6-1, and the lanky Californian offered only token resistance in the final set.

Savitt and Brown teamed in doubles Thursday to pass Mulloy and Hugh Stewart of Pasadena, Calif., 6-4, 6-4, and Trabert and Bill Talbert of New York, top-seeded in doubles, beat Larsen and Roy Grimes of Houston 6-1, 6-2.

IN LONHORN Midland Nine Has Only Perfect Slate

By UNITED PRESS
Midland was the only perfect record team left in the Longhorn League Friday, but three other teams—Artesia, San Angelo and Roswell—were in a virtual tie for first place with Midland.

Roswell beat Carlsbad 14 to 8, Big Spring edged Artesia, 7 to 6, in 10 innings, and San Angelo clipped Odessa, 13 to 8 Thursday. The Midland at Wichita Falls game was postponed because of rain.

Roswell's Joe Bauman, the Longhorn League's leading home run hitter last season, slammed two balls out of the park in the Rockies' 14 to 8 win over Carlsbad. Bauman also rapped a single and had six runs driven in to his credit altogether.

The San Angelo Colts jumped on Odessa pitcher Evilio Ortega in the first inning and held a 13 to 8 lead at the end of five innings. It was opening night for Odessa's Olieri at home.

Ortega was relieved by a pitcher with a famous baseball name—Bob Feller—who reported to the Odessa club from Corpus Christi only Thursday.

Big Spring shortstop Jackie Wilcox singled with two out in the 10th inning to drive in the run that gave Big Spring a 7 to 6 victory over Artesia. Larry Cummins pitched seven-hit ball in his first appearance for Big Spring.

Friday night's schedule—Roswell at Carlsbad, Artesia at Big Spring, San Angelo at Odessa and Midland at Wichita Falls.

Five Amateurs In Colonial

PORT WORTH, April 23—UP—The 1954 \$25,000 Colonial National Invitational golf tournament was assured Friday of five amateurs in the field—the most of any tournament here—with acceptance by Don Cherry, Dale Morey and Harvie Ward.

The swank event, scheduled May 26-30, now has a total of 44 entries, four less than the maximum.

Cherry of Wichita Falls, Tex., and New York, holds the current Canadian Amateur title, while Ward, of San Francisco, won the British Amateur in 1952. Morey, formerly of Dallas and now of Indianapolis, is current Western Amateur titlist.

"ANY FOOL KNOWS THEY'D BE STOLEN!"

Recently some American movies were shown at our embassy in Moscow.

The Russian servants peeked in on these scenes of another world.

One scene showed a milkman leaving milk and cream on the doorsteps of several houses.

The Russian butler, a staunch party man, was later heard delivering a fiery speech to the help in the kitchen...

"Capitalistic lies!" he cried, "leaving bottles of milk on a doorstep like that... Why, any fool knows they'd be stolen!"

With milk selling at \$1.79 a quart in Moscow, you couldn't blame the guy.

In America milk averages less than 25 cents a quart.

We have 5 times as much milk and butter-per person as the average in other countries.

Marines Produce Gimmick To Cut Down Hunting Fatalities

NEW YORK, April 23—UP—Daniel Boone never had it so tough as the modern day hunter but, thanks to a new protective gimmick, he never had it so good, either.

Whenever old Dan went saahay-in' out into the bright green yonder all he had to worry about was becoming an impromptu pin cushion, minus toupes. The big threat these days is being mounted over some trigger-happy Nimrod's mantlepiece.

In an age when too many hunters shoot at anything which happens to move, there are roughly 500 hunting fatalities a year.

You can thank the U. S. Marines and a product known as fiber glass for the fact that this figure may be reduced appreciably in the future. The answer is a body armor jacket for hunters which virtually guarantees that, while you may not get home in one piece, you'll still get home.

The Marines pioneered this type of jacket in Korea and it saved many lives. And the word comes from Ray Clark, vice president of Hoes, Goldsmith Co., the world's largest weaver of fiber glass, that a similar type of jacket now is being made to protect the hunter.

This isn't a gimmick which will send you into the forest all decked out like Prince Valiant, clanking with every step and drawing even more fire than usual. It is, simply, a vest-like affair of light weight which has flat pockets over such vital spots as the heart, the broad basket, etc.

Into these pockets are slipped flat plates of fiber glass, which are layers of woven fabric interspersed with a plastic resin. These plates will turn just about anything which is used to bring down deer, bear and-or man. You still can take an uncomfortable hit in the unprotected areas, but the odds are that you will be around for the next hunting season.

This is just another of the many sports uses which the fiber glass people have come up with. They are also making fishing rods, boat armor, bait boxes, experimental golf shafts, diving boards (shelp-met) and protective baseball helmets.

Maybe you've noticed one of those helmets riding atop the graying head of little Phil Rizzuto of the New York Yankees every time he goes to bat.

Hearing Today On Tulsa Baseball Fine

FORT WORTH, April 23—UP—Texas League President John Reeves held a hearing Friday (10 a.m. est) on a protest by the Tulsa Oilers of Reeves' indefinite suspension and \$150 fine levied against Oiler Manager Joe Schultz.

Reeves announced Thursday he was fining and suspending Schultz for two disputes with the umpire, Robert Hicks, in separate games, April 18 and 20.

Grayle Howlett, president of the Oilers, protested that Reeves' announced disciplinary action to newsmen before notifying the club. He also said the Tulsa management hadn't been notified of Reeves' decision to fine Schultz \$50 and put him on 30 days probation for the first incident, before the second occurred.

Reeves' announcement and Schultz' use of profane and abusive language to Hicks during an argument over a close play at second base on April 18, Schultz, in his third year as Tulsa manager, was accused of "physical contact" as well as profanity and abuse in the April 20 game.

Pitcher Clyde King was appointed temporary manager of the Oilers.

Brand Name Foundation
INCORPORATED
A non-profit educational foundation
37 WEST 87 STREET, NEW YORK 18, N. Y.

How come? Well, one good reason is an American practice called Brand Names competition.

You buy a well-known brand of product because you figure it gives you the best value and quality.

This is tough news to other brands... So they all work doubly hard to offer you new improvements and greater value yet!

They put in finer machinery to cut costs... make their products better. They go all-out to win you over to their brand name.

So they all fight for your business... and you win every time. And it all adds up to a country of people who think nothing of leaving precious milk on their doorsteps.

Next time you see a well-known brand name on a product in a store... or when you read the ads in this newspaper that feature brand names, remember... they're working for you! They're saving you money. They're giving you more and better things.

Wherever you buy—demand the brand you want

No Compromises, Please... Dulles Gets Some Solid Advice From Hank On Geneva Confab

By HENRY McEMORE

This is 658 words on how I feel about the Geneva opening Monday.

That's when Dulles goes to bat for us. If he makes one single compromise, remember this — he has sold us short and chooses to place us in a position of inferiority.

Or at best, level with all the world.

If Mr. Dulles doesn't make it quite clear to Britain, France, and Russia that the United States has gone its full limit toward peace then there is no further use for Mr. Dulles.

I mean this: as long as we are going to buy off our alleged friends with money and soldiers, there is no sense in having a man like Mr. Dulles as secretary of State.

Mr. Dulles is a fine man, a

knowing man; a man dedicated to finding peace and giving it a place on this earth. He is not young, our Mr. Dulles, and he is rich and can sit on the side of a lake the rest of his life, and I appreciate his sacrifice.

But unless he throws down the gauntlet, and says that his country has reached the point where others must help carry the load, then his devotion and his efforts go for nothing.

If this country is going to throw itself into a tragic World War III, all because of the principle that long are men, and being men want liberty, then let this country be sure that men feel that way.

Several Gray county farmers, including Irvin Cole, a member of the executive board of the Texas West Control association, are expected to attend the conference.

The event is sponsored jointly by the Amarillo Chamber of Commerce, the Texas A&M college system and the U. S. Department of Agriculture. The experiment station is located near Bushland, about 34 miles west of Amarillo on Highway 66.

Two Pampans On Phillips Retirement List

Two Pampans are among the 10 Texas Panhandle men included on the April service award and retirement list of the Phillips Petroleum company and its wholly owned subsidiary, Phillips Chemical company.

Leon Brock, 1000 S. Wells, and J. T. House, Phillips camp, were honored for 25 years of service.

Brock joined the natural gas line department as a laborer and has spent all of his service in the Panhandle district. Employed by the Berger fractionator for 15 years, he was in the service for three years during World War II and then became gas tester in the Panhandle district office. He was transferred to Pampa in 1951.

House, a natural gas department employe, has spent his entire time in the Pampa area. He has served in positions from laborer to gas superintendent of the Pampa area, his present position.

Coloradoan Wins Smiley Burnette Pony Pix Contest

An Alamosa, Colo., youngster is the winner of the 19th annual Smiley Burnette "pony pix" contest, conducted in 11 states including Texas.

Burnette was in Pampa several weeks ago and Pampa youngsters competed in the contest.

Name of the winner is known only to three judges and Orland W. Koonce, manager of the Grovi Theater in Alamosa, Burnette reports. Koonce will announce the details at a special show in his theater one week before the actual presentation of the award.

Miss Patricia Ann Griffin, Henderson, Ky., was the winner of the 18th contest and Leon Pickle, manager of the Craven Theater in Henderson, has presented her with a pony.

Phone-Wise, Pampa Far Above Average

(Special to the News)

NEW YORK, Apr. 23 — Talk in Pampa — over the telephone — has become more golden than silence. More golden because the extent to which telephones are used and the amount of business activity in a community are shown to go hand-in-hand.

Residents of Pampa do more phoning, in proportion to population, than is done in most cities in the United States. As of the beginning of last year, there were 8,059 telephones in operation locally. This was equivalent to 44.1 in service for every 100 people, considerably more than the 30.3 per 100 people in the country as a whole. In the state of Texas there were 26.8 per 100.

How large the 8,059 installations in Pampa loom from an international viewpoint may be gathered from the fact that in all of Turkey there are 58,000 phones, in Peru, 45,000, and in Pakistan, 18,000.

The data, obtained chiefly from the American Telephone and Telegraph company, shows that in the

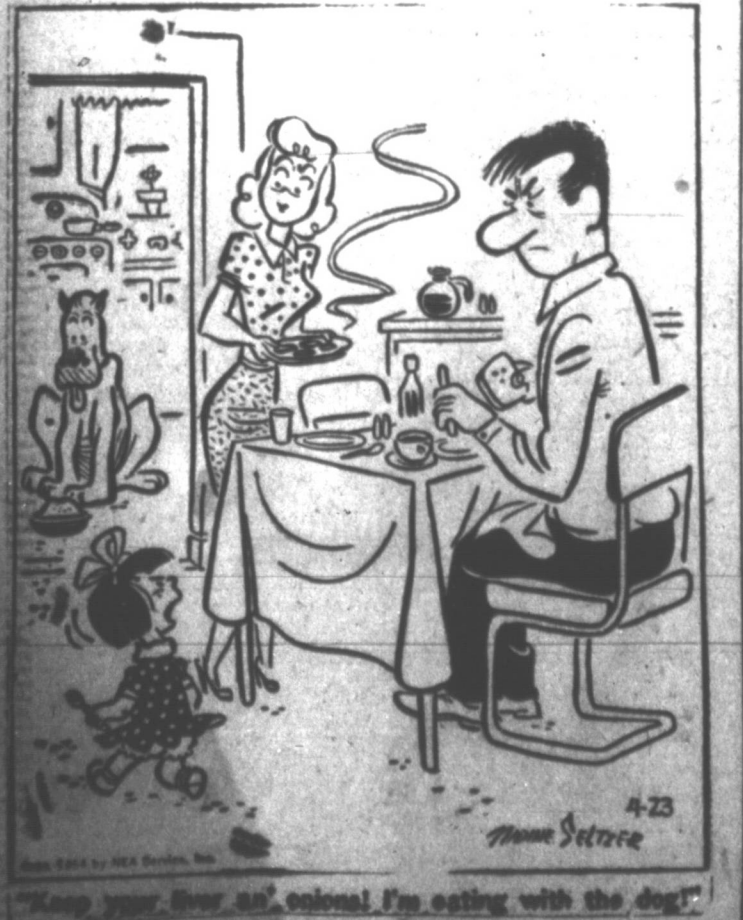

rest of the world there is but one phone for every 68 people. This country has one for every three.

Most of the telephone companies in the United States have found it impossible to keep up with the demand for new installations. New houses are being built at the rate of a million a year and nearly all call or telephones. Since the end of World War II the number of phones in the country has doubled but the demand continues ahead.

A certain falling off in telephone activity has been felt, however, in connection with the current slump, indicating the sensitivity of the industry to business conditions generally.

The demand for new phones is not at quite as high a rate as six months ago, the number of daily calls per phone has declined and the length of conversations is shorter. The effects, however, are minor, according to the AT&T, which sees better business ahead.

County Agent To Speak At Weed Conference

Gray County Agent Ralph Thomas will be one of the speakers at the seventh annual Texas Weed Control conference next Thursday at the Amarillo Experiment station, according to Knox Parr, district agent for the Texas Extension service.

Thomas will review seed laws of Texas as related to weeds.

Other speakers on the program which will open at 9 a.m., will be Kenneth Porter, station agronomist; Erwin C. Ochsner of the Amarillo Chamber of Commerce; Dr. Allen Weils, station assistant agronomist; C. E. Fisher, superintendent of the Spur Experiment station, and a panel composed of farmers from Deaf Smith, Randall and Sherman counties, Hugh I. Clearman, Deaf Smith county agent, will be the panel leader.

INDO CHINA - The World's Oldest War (12)

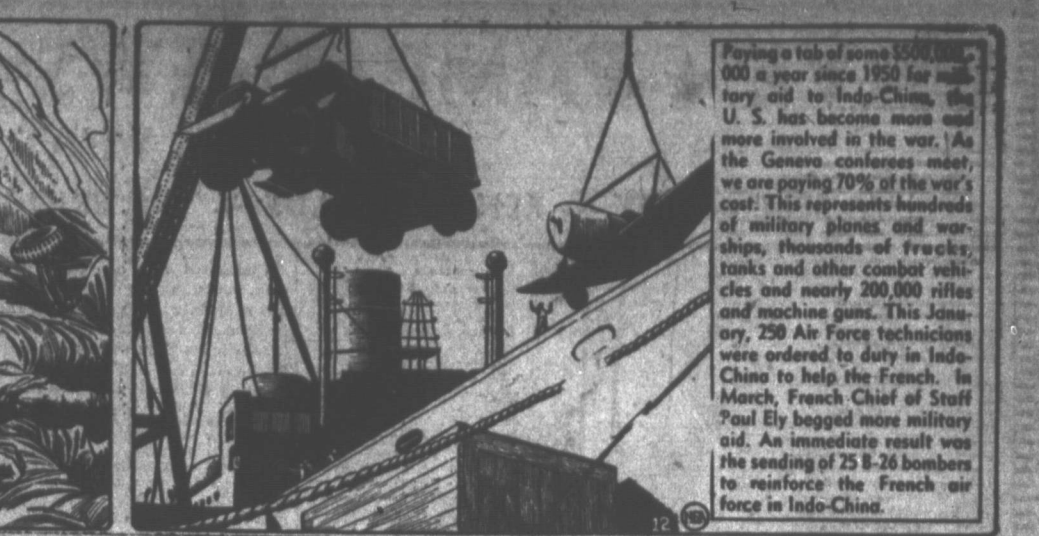

France and Viet Nam have paid heavily in their fight against the Reds. Up to the present time, French national forces alone lost 34,000 killed and missing, including 16,500 Frenchmen. Wounded numbered 24,500. Viet Nam lost 31,500 killed and more than 2,000,000 Indo-Chinese civilians were made homeless. But the Communists toll was heavier—estimated at 227,000 killed and 230,000 captured.

Selections included a sprightly version of "Oh, Dear, What Can the Matter Be," "Peter Piper" and the finale — Rodgers and Hammerstein's "You'll Never Walk Alone." Miss Jackie Robertson club pianist, and Miss Carol Pearson did the accompaniment on the final number.

An extended applause came at the end of the program. Said Boss

By Walter Parkes and Ralph Lane

Paying a toll of some 500,000,000 a year since 1950 for military aid to Indo-China, the U. S. has become more and more involved in the war. As the Geneva confab ends, we are paying 70% of the war's cost. This represents hundreds of military planes and warships, thousands of trucks, tanks and other combat vehicles and nearly 200,000 rifles and machine guns. This January, 250 Air Force technicians were ordered to duty in Indo-China to help the French. In March, French Chief of Staff Paul Ely begged more military aid. An immediate result was the sending of 25 B-26 bombers to reinforce the French air force in Indo-China.

Senior High A Cappella Choir Featured At Lions Luncheon

The Pampa high school a cappella choir, dressed in green gowns and yellow stoles, sang 13 numbers of varying types at the weekly meeting of the Lions club.

Robert Payne, choir director, led the 27 boys and 39 girls in classical and modern selections, including a couple of specialty numbers.

It was the featured part of the Lions' program Thursday noon in

Fellowship hall, the basement of the First Methodist church.

Among the soloists were Miss Christine Pierce who gave a Jewish chant; Miss Jerry Sloan, "Away From My Window"; Miss Mary Ann Guthrie, "St. Louis Blues"; Ed Dudley and Jimmy Bond, "Old Black Joe"; and Payne himself on "Every Time I Feel the Spirit."

Lion Ralph Thomas: "The applause is proof of our appreciation."

Beforehand, club members voted unanimously to send an "unimpaired" delegation to the Lions International District 2-T-I convention, being held today and Saturday in Amarillo. Jim Ed Walker, Plainview, and Harold Close, Hereford, are the two candidates for district governor. Election is slated for 2:30 p.m. Saturday.

Joe Tooley inducted a new club member, Ed Schneider. Lion-Lanier Dick Crews introduced five guests, including Bill Jarvis, county commissioner; Don Cain, candidate for county attorney; and Miss Carolyn Dial, April club "sweetheart." Bud Johnson acted as fall-winner, the man who collects dimes for infractions of club rules.
