WHERE ARE THE COWBOYS? — Rain spoiled these two sad looking steers' fun Saturday night because no cowboys showed up for them to toss around the rodeo arena. They'll have their chance tonight, though, at the 8:30 wind up of the 10th Annual Top O' Texas Rodeo. (News Photo)

# Rodeo Finale 'Called' On Account Of Rain

## Show To Be Held Tonight At 8:30

By ED NASH  
Pampa News Staff Writer

A heavy rain, which farmers and ranchers have been praying for, washed away the final performance Saturday night of the 1954 Top o' Texas Rodeo.

Paul Crouch, president of the Top o' Texas Rodeo Association, said the cancelled performance—the second half of the second go-round—would be held at 8:30 p.m. today at the Rodeo Grounds, east of Pampa.

The reason the performance will be held a half-hour later than usual is to enable Pampans and rodeo visitors to attend Sunday night church first, Crouch pointed out.

### Arena Quickly Soaked

The rain, which began at 6:30 p.m. Saturday, quickly soaked the rodeo arena and by 8 p.m., when the final show was scheduled to begin, there were pockets of water over the entire arena grounds.

When Crouch made his reluctant decision to cancel the performance, E. O. (Red) Wedgeworth, Pampa Chamber of Commerce manager and secretary of the rodeo association, got on the judges stand telephone and notified Top o' Texas newspapers and radio stations of the change.

There was little doubt for those who arrived at the Rodeo Grounds Saturday night that no performance could be held. At show time there was mud, mud, mud—in the arena, in the pens and chutes and over the entire parking area around the arena.

Here and there, there were cars trying hopefully to extricate themselves from the mud. But, by 9 p.m., most of them were free of the mud. Most of the people who actually went out to the rodeo Saturday night had foreseen what could happen to their cars and had either parked on paved roadway or not parked at all.

It was an eerie sight in the rodeo arena. Only one bank of lights, on the east side, lit the arena, an empty mass of mud. Only a few cowboys were on hand and they were on their way back to town.

Happened Once Before  
The only other time a Top o' Texas rodeo performance was cancelled was the second performance of the 1949 show, Crouch recalled. Then it was run off the following afternoon. That rainy night in 1949 it was 2 a.m. or 3 a.m. the next day before all the cars were dragged, pulled or pushed out of the parking area, Crouch said.

The final show that year just looked by before the rains came, too. The last saddle had just ridden his-Braxma bull, the final event as usual, when a gully-washer came.

This year's final performance might have been held Monday night except that Gov. Mayo stockinged. (See RODEO, Page 2)

FACES CHARGES — While special six-man committee named by Vice-Pres. Nixon to investigate censure charges against Sen. Joseph McCarthy met to plan its study of charges, McCarthy scheduled a closed hearing of his investigating subcommittee on Communism in Boston area.

## Rain Passes 1-Inch Mark At Midnight

A gully-washing rain began soaking Pampa streets at 6:30 p.m. Saturday, bringing a total of 1.07 inches to this Top o' Texas city by late Saturday night.

It was still raining by press time.

It was not a question early Saturday night of whether it would rain — it was just a question of when. About 6 p.m. heavy, dark clouds began forming to the west and weather prognosticators — newcomers, fools and all — could not go wrong by forecasting rain.

### High Saturday 88

Pampa mercury reached a Saturday afternoon high of 88 degrees, following a morning low of 64, according to Radio Station KPDM, the official weather bureau.

Over the Top o' Texas area, there were two inches of rain reported in White Deer and Shamrock and 1.1 inches, in McLean.

There was considerable wind, but no damage, in White Deer. Nadine Finchum, phone operator, said, in Shamrock Judge John H. Templeton said there was little wind. A thunderstorm brought rain to McLean about 4:30 p.m. Saturday and the mercury dropped in two hours from 93 degrees to 74. There was small hail, but no material damage.

### Canadian Soaked

It was still raining late Saturday night in Canadian and "it looks as if we'll get considerably more," Deputy Sheriff W. T. Brown stated. Perry got only a light sprinkle, not enough to measure. High winds, about 35 miles per hour, caused no damage in Miami, Deputy Sheriff R. W. Beck reported.

## Kentucky Demos Nominate Barkley

LOUISVILLE, Ky., Aug. 7—UP—Kentucky voters turned out in mass numbers Saturday to nominate incumbent Republican Sen. John Sherman Cooper and former Vice President Alben W. Barkley as opponents in what promises to be a hotly-contested senatorial race next November. With unofficial returns in from 84 of the state's 4,100 precincts, both Cooper and Barkley already had rolled up more votes in their respective races than all their opponents together were apt to total for the entire state.

In the Democratic primary, Barkley, seeking a return to the Senate seat he held for 22 years, had 26,857 votes. The nearest of three opponents, James Deik, had only 2,997.

In the Republican senatorial primary, Cooper had rolled up 17,094 votes while his nearest opponent, Willard G. Jones, had but 446. Two incumbent congressmen had clinched renomination on the basis of those early returns. Republican

## East Germans Accept Ike's Food 'Gesture'

BERLIN, Aug. 7—UP—Hungry East Germans were told in a surprise announcement by the Soviet Zone puppet government Saturday that they would receive free American food because of President Eisenhower's "friendly gesture" in offering it.

Western diplomats said that the polite, amiable language used by the Communists to announce the food relief in newspapers and radio broadcasts was as "astounding" as the acceptance of Mr. Eisenhower's offer.

The Communists made no attempt to play down the fact that they were accepting free food from a people they have called "warmongers" and other similar names.

All East German radio stations broadcast the acceptance of the American President's offer of food to flood victims in Iron Curtain countries. Communist newspapers displayed the announcement prominently.

The announcement said that the Communists accepted Mr. Eisenhower's offer because it was made with "friendly intentions" and had no political strings attached.

## Yarborough Here Tuesday

Gubernatorial Candidate Ralph Yarborough this week takes over where Gov. Allan Shivers left off. Yarborough will arrive in Pampa by plane at Perry LaFors Field about 1:15 p.m. Tuesday and will be in here till suppertime, according to Jimmy Thompson, his county campaign chairman.

Gov. Shivers was in town Friday night and attended the Top o' Texas Rodeo. He made a short non-political speech.

Yarborough will make a speech on the Pampa Courthouse lawn sometime between 2 p.m. and 3 p.m. Tuesday, Thompson said.

## Puppy Love Costs Plenty

WASHINGTON, Aug. 7—UP—Two love-struck runaways, 16-year-olds were picked up by police Saturday after a spending spree with \$10,000 taken from the girl's father, manager of a New York City theater that shows Russian-made movies.

Deborah Fine and Harvey Wurtzburger were turned over to their parents, and forgiven.

The Finns and Mrs. Evelyn Rosenthal, Harvey's widowed mother, came here Saturday morning for the children. They told the youngsters they could keep the wrist watches, \$3,800 convertible, rings, evening gowns, cocktail dresses and a half-dozen suits they had bought.

## Rites For Dionne Quint Set Monday

CALLENDAR, Ont., Aug. 7—UP—The body of Emilie Dionne was brought home to her grieving sisters Saturday a few hours after an autopsy disclosed her death was caused by the fourth in a series of epileptic seizures.

The 20-year-old quint died alone with her face buried in a convent pillow at Ste. Agathe, Que., as she gasped for breath during the last of the many attacks of "falling sickness" that had plagued her since she was three years old, an autopsy revealed in Montreal earlier Saturday.

"This girl suffered from epileptic seizures and she died from acute congestion of the lungs during one of them," Dr. Rosario Fontaine, Quebec provincial government medical-legal expert, said in an official report. He said the autopsy showed the seizures were due to glandular trouble, especially in the pituitary gland.

Epilepsy Family Secret  
The body was brought home in a hearse. Emilie's coffin was placed in the family chapel in the

## Studebaker Threatens Plant Layoff

SOUTH BEND, Ind., Aug. 7—UP—Studebaker Corp. announced Saturday that it will be forced to terminate its contract with the CIO Auto Workers, close down its plant, and throw 11,000 persons out of work unless union members reconsider their rejection of a pay cut.

The company served a 60-day contract termination notice to the UAW and officials said they had "no other course to take" since the union's members over-riding recommendations of their leaders rejected a wage cut which had been designed to put Studebaker in a better competitive position.

Only Friday, the company reported a net loss of \$2,484,129 for the quarter ended June 30 and a loss of \$8,925,500 for the first six months of 1954.

Harold S. Vance, Studebaker president, and Paul G. Hoffman, chairman of the board, said they hoped "there can be prompt reconsideration by the union of the problems facing the company."

Most union officers were out of the city for the weekend, but a spokesman said the local's executive board probably will meet Monday to discuss the situation.

## Rhee Ends U. S. Visit

SAN FRANCISCO, Aug. 7—UP—Syngman Rhee, president of the Republic of Korea, arrived at San Francisco international airport Saturday on the last stop of his two-week tour of the United States.

The president, his wife and official party will leave by air for Honolulu at 12:30 p.m. Sunday, en route to Korea.

Saturday the group proceeded directly from the airport with motorcycle escort to the presidio, where the 79-year-old chief of state attended a military review in his honor and was greeted by Gen. William G. Wyman, commanding general of the Sixth Army, and Gen. William F. Dean, Korean war hero. Upon his arrival, a 21-gun salute was fired in his honor.

## Legionnaires Cheer McCarthy Address

CHICAGO, Aug. 7—UP—Sen. Joseph McCarthy told 2,000 cheering legionnaires Saturday that fellow senators trying to censure him are "nice little boys" who lack "the guts" to help him expose Communists.

Delegates to the Illinois American Legion convention shouted "pour it on" and "go get 'em Joe," as the Wisconsin Republican said the case of Mrs. Anne Lee Moss, suspended Army employee, proved he is right in his battle to root Communists out of the government.

"We have some nice little boys in the Senate now who spend their

time debating on whether someone should do the skunk-hunting job which they don't have the guts to do themselves," he said.

The Moss case had been cited by Sen. Ralph Flanders (R-Vt.), as one instance in which McCarthy victimized an innocent person. Flanders is the author of the move to censure McCarthy.

McCarthy said the Army suspended Mrs. Moss a second time Wednesday because it feared that he had gained access to one copy of a report showing that she had been issued Communist party membership book No. 37260 for 1943.

Mrs. Moss' attorney disclosed the reason for the new suspension Friday in Washington, adding he was convinced Mrs. Moss never knew the card was issued to her.

## French Premier To Test Strength

PARIS, Aug. 7—UP—Premier Pierre Mendes-France formally asked the national assembly Saturday for a vote of confidence in his program to re-invigorate France's economy.

The vote, the first of his administration, is set for Tuesday and there appeared little doubt that Mendes-France would win it.

Mendes-France demanded the vote in order to choke off debate and force acceptance of his program without further amendment.

He is a former milk tester for Dairy Herd Improvement in Goshen, N. Y., his home town.

"Arrested" Saturday afternoon by Police Chief Jim Conner, and Sheriff Rufe Jordan on E. Frederick, was Airman 2-C Stanley Lisiewski, and his wife Dorothy, on a 20-day leave from Walker Air Force Base, Roswell, N.M. They are on their way east and expect to make the "dash" to New York in 48 hours. In view of the limited time they have, the couple will spend only a curtailed week end in Pampa, leaving early Sunday.

"When I heard the police siren go off, I turned to my husband and said, 'Stanley, what are we going to do,'" Mrs. Lisiewski said. "Pull over, that's all you can do."

Archie Circle & Lawson air-controllers, Joe Hawkins, 845 W. Foster, Goshen, N. Y.

## Czechs Claim U.S. Spy Ring Is Broken Up

LONDON, Aug. 7—UP—Communist Czechoslovakia said in a broadcast Saturday it had destroyed an American-directed spy network by rounding up "several dozen" German agents.

This was the "first report of a roundup of alleged western agents in other countries but East Germany since West German security chief Otto John apparently detected to East Berlin Communists reported earlier this week the arrest of western "spies" though they did not specifically connect the arrests with the John case.

The Prague broadcast charged that the agents worked for the West German Intelligence Service headed by former German army General Reinhard Gehlen. It said documents captured in the roundup proved that the Gehlen intelligence service is directed by Americans and largely financed by them.

## Stevenson Scores GOP

OMAHA, Neb., Aug. 7—UP—Adlai Stevenson said Saturday that the United States' international esteem has hit its lowest point in years due to the "bewildering" policies of the Republican administration.

The 1952 Democratic presidential nominee said he has detected a new mood of "creeping realism" toward the administration.

He charged that the Republicans have brought the U. S. "no doves, no tranquility" and has been "swaggering and waving a wand" instead of a "big stick" abroad.

In Indo-China, he said, GOP leaders tried a "bluff" but couldn't back it up.

Brown & Hinkle Inc. Plumbing, sheet metal, heating, air-conditioning, 211 N. Ballard, Ph. 4-711. Adv.

## Tourists' Week End Dampened By Rain

The fourth tourists-of-the-week do," hubby answered philosophically. "Arrested" Saturday, and cally.

Married a year ago last May, the 20-year-olds are finding their way to the Empire State for the first time in 15 months. Mrs. Lisiewski remarked, "Our stopping over here in Pampa will probably serve as our honeymoon, since we never had one."

Their hosts for the Chamber of Commerce promotion were Mr. and Mrs. H. L. Gunter, and Mr. and Mrs. Bill Fannon.

Though the Lisiewskis were naturally disappointed on not seeing the rodeo since they had to leave early Sunday, they spent a comfortable few hours at Murphy's Motel, where they were provided with lodging.

Poole's Steak House gave the couple dinner Saturday night. Lee Vineyard's Magnolia Service Station serviced the car, with Parker's Blossom Shop providing flowers, and the B&B Pharmacy, the candy.

Johnson's Cafe served them an early morning breakfast, before they undertook the 1,800 miles to Goshen, N. Y.

SETTLING FOR A SHORT STAY — Tourists-of-the-Week, Airman 2-C and Mrs. Stanley Lisiewski, admire the gift of flowers sent them, before being chaperoned around Pampa. The couple were on their way east to Goshen, N.Y., their home town, when "arrested." He is stationed at Walker Air Force Base, Roswell, N.M. (News Photo)

## Chuckle Corner

By HAL COCHRAN  
Why don't tire manufacturers advertise that a driver who wins a big race with their product did it in nothing flat?

Workers in a vegetable market would like a lot of rot to us.

Modern eating habits are partly responsible for crime, according

to a doctor. Maybe the crime is what you have to pay for the food.

People who don't even have the nerve to begin are the first to criticize the quitter.

# TOT Tip Toppers Are Pampa Visitors

The stature of the Top o' Texas Rodeo performance called off Saturday night was to be elevated with the appearance of the TOT Tip Toppers, a fellowship of tall folks from Amarillo.

Pampa's Tip Topper, 6-foot 8-inch Curt Beck, 134½ Coffee, was on hand with Curtis Weaver, manager of the Hotel Schneider, to greet some dozen stalwarts of the group here to join in the postponed rodeo festivities along with Nadine Nash, 6 feet, 4 inches tall.

Tall, yes; but Nadine is also quite beautiful. At a recent competition in Dallas, the Berger tallster was named the most beautiful Tip Topper in the state of Texas. And in all due modesty, it would seem to qualify her for the entire country.

The Tip Toppers met at the Schneider Hotel for one of their semi-monthly meetings.

Want to join the club? All you need be is but 6 feet and 2 inches in the male division, and only 5 feet 10 inches required of the girls.

The Panhandle chapter of the Tip Toppers now has 30 members, with seven other Texas cities having clubs. The Top o' Texas Tip

# French Lose Five Posts To Communies

HANOI, Aug. 7 — UP — Communist troops have captured five more French Union defense posts in southern Viet Nam only four days before the cease-fire becomes effective in that area, the French high command reported Saturday.

Attacking just four days before the truce deadline, Viet Minh soldiers captured two towers and a fortified village near Saigon Saturday. Friday, they seized two towers in the Tra Vinh area, 50 miles south of Saigon between two branches of the Mekong River.

The cease-fire went into effect in Cambodia this morning, and no subsequent violations of the truce were reported.

French authorities gave no casualty figures on the south Viet Nam fighting. They said Franco-Viet Nam troops "reacted swiftly" to the Communist attacks but that no French planes were ordered into action.

Military sources said the Communist attacks were prompted by a Red desire to end the war on the upswing in south Viet Nam, apparently in the belief that every little victory now will have its effect in nationwide elections fixed in the Geneva agreement for 1955.

# Miami Personals

By BARBARA PHILPOTT  
Pampa News Correspondent

Mr. and Mrs. Otto Fuchner and Carol Keller of Oklahoma City visited in the homes of Mr. and Mrs. Clyde Loper and Mr. and Mrs. Orval Christopher Thursday and Friday enroute home from Colorado.

Mr. and Mrs. Jim Reeves and Jimmy accompanied their daughter and sister, Marilyn, home from camp at Las Vegas, N. M., the first of the week. Miss Reeves has been a counselor there the last six weeks.

Mr. and Mrs. Tas Crowson had as their guests Sunday, Mrs. Pet Dixon of Borger and her daughter, Mrs. W. R. Smith of Beaumont. Mr. and Mrs. Bill Crowson of Pampa.

Mr. and Mrs. David Strubling and son, Clinton, and Mrs. Sue Strubling.

Judge O. R. Tipps of Wichita Falls was a Miami visitor Monday.

Mrs. Hettie Seiber, Mrs. Ivy Pursley and Mrs. Frank Pursley spent Tuesday in the home of Mr. and Mrs. C. P. Pursley in Pampa.

Mr. and Mrs. W. M. Chesher of Miami, were honored with a dinner on their 57th wedding anniversary, Sunday, August 1.

Mr. and Mrs. J. F. Stephens and son, Johnny, of Eden, were visiting her mother, Mrs. W. J. Edwards, a few days the first of the week. They returned home Wednesday.

Mrs. Clark Mathers accompanied Miss Gayle Russell, Sarah O'Loughlin, Myrna Montgomery, and Myles Mathers to Amarillo Wednesday, where they participated in a junior style show at Blackburn Bros. They enjoyed a luncheon at the Country Club.

Jerry Schmidt is spending a few days with his father, Ed Schmidt, enroute from ROTC training camp at Fort Leonard Wood, Mo., to Fayetteville, Ark., where he will resume his studies at the University of Arkansas for the fall term.

# Gas Blast Kills Child And Mother

SAN ANTONIO, Tex., Aug. 7 — UP — An explosion apparently caused by a gas stove killed a San Antonio mother and daughter Saturday and left the father and his three-year-old son critically injured.

The mother and daughter were trapped in the flaming kitchen of their south San Antonio home and killed in the blaze. They were Mrs. Pauline Cruz, 32, and her daughter, Angelia, 11.

The father, husband Henry Cruz, 37-year-old truck driver, rescued his three-year-old son, Henry, Jr., and made several futile attempts with his clothing afire to enter the burning home to rescue his wife and other child.

Both the father and his son were in poor condition with burns.

# Two Wells Dug At Darrouzett

DARROUZETT — (Special) — Much excitement has been created in Darrouzett recently by the digging of irrigation wells. Two wells were dug this week on the Daley and Hennigh farms northeast of town.

The first well to be dug for irrigation in this community was on the Chris Miller farm last summer.

Glen Phillips will begin drilling tomorrow on his farm south of town. His well tested bottom at 340 feet and water said at 100 feet. He will use an eight-inch pump and valve pipe system. He also plans some contour irrigation for alfalfa fields.

# \$76 Million Takes A Walk

DALLAS, Aug. 7 — UP — Some 40 policemen stood guard and the rest of the force stood by on radio contact Saturday while \$76 million in negotiable securities and \$284,072.59 in cash was carried two blocks through downtown Dallas from one bank to another.

Hardly a citizen stirred. Few realized what was going on.

The move was brought about by merger of the Dallas National Bank with the First National Bank. The consolidation makes the First National Bank the biggest south of Chicago, officials said.

The cash, ranging downward to pennies, was moved in one carload.

The negotiable securities were moved in \$5 million lots, since \$3 million is maximum insurance carried on them by the bank.

# Farmers To Pick ASCS Advisors

Ballots will be mailed Friday to farmers in four Gray county communities for the election of community committeemen who serve in an advisory capacity to the Agricultural Stabilization and Conservation Service.

The chairman of the community committees will meet in Pampa August 30th to select a new county committee to administer the ASC, according to Miss Evelyn Mason, ASC office manager.

Community election boards, named Wednesday by the county election board, will make up a list of 10 eligible candidates in each of the four communities. Three farmers in each community are elected as committeemen, two serving as alternates. The nominee receiving the most votes is automatically chairman, Miss Mason, said.

Both the three-man county and community committees are elected to serve for one year.

Members of the community election board are:

McLean, Clyde Magee, chairman; A. B. McPherson and James Cliett, members; Bill Stubbs, Milton Carpenter, and Guy Gensley, alternates; Laketon, Lee R. Smith, chairman, Lawton Huffer and Fayette Seliz, members; H. Joe Franklin, W. S. Tolbert, and Floyd McLaughlin, alternates.

Grandview, Leidon Hudson, chairman, Henry Merrick and Fred Vanderburg, members; John Moeckie, George Latta, and Edwin Nelson, alternates; Pampa, A. B. Carruth, chairman, Harland Case and Roland Dauer, members; Stanley Kretzmeier, W. R. Campbell, and John Spearman, alternates.

# Perryton Gets New Store Head

PERRYTON — (Special) — The new manager of the McLellan Store in Perryton is Herbert Cost, who moved to Perryton from Perry, Okla. He replaces Bob Gregg, who was transferred to Marshall.

Cost, who is a native of Sayre, Okla., has been with McLellans since 1947. He served two years in the Naval Air Corps after graduating from Sayre High School.

Cost worked in the Perryton store once as assistant to Lovell LaFon in 1930, when the new building was opened. He has been manager at Perry for the past 15 months.

He is married and has a six-year-old daughter. They are members of the Baptist church.

# TB X-Ray Unit To Be Here Soon

The Pampa Tuberculosis Association met recently with Philip Gauss, of the Texas State Health Department, to arrange for the appearance here, Oct. 7 through 14, of the mobile X-ray unit.

The chest X-ray, provided free to everyone 15 years of age or older, will leave Pampa on Oct. 14 for Lefors and McLean.

Members of the board present at the meeting were: Mrs. George Cree, Jr.; B. R. Nuckols; Dr. R. M. Hampton; Rev. Loye C. Albright; and Mrs. Patay Brown.

# Wall Street Action Biggest In 3 Years

NEW YORK, Aug. 7 — UP — Prices on the stock exchange cracked more than four points in the most active trading week in more than three years.

Adverse news developments unsettled the market on Friday. Investors generally were looking for an excuse to lighten their holdings.

Chrysler Corporation directors furnished this excuse after the market close on Thursday when they slashed the usual quarterly dividend to 75 cents a share from \$1.30 paid in previous quarters. The company at the time reported sharply lower earnings.

Tickers Run Late

Outside of the Chrysler development, there was nothing in the news to account for sharp Friday break which pushed weekly volume up sharply. The selling on Friday was so heavy that reporting tickers ran late on three different occasions. In fact, the selling was so brisk that "flash" prices appeared on the tape. Flash prices are printed only when sales are running five minutes behind actual floor transactions.

Because of Friday's break, sales rose to 15,943,400 shares, the greatest since week of Jan. 20, 1951, when 18,248,195 shares were traded. Last week, sales totaled 13,049,021 shares.

Market experts did not appear alarmed over the break. They pointed out that the list was way overdue for some profit-taking. Industrial shares recently rose to their best levels since Oct. 14, 1952. Railroad shares reached back to Oct. 4, 1950.

The market moved up slightly on Monday and Tuesday. For the balance of the week, prices moved downward steadily with selling reaching its climax on Friday. Just before the close Friday, mild support developed and some wide losses were pared slightly.

Other News Bright

Outside of Chrysler's adverse development, market news continued on the bright side. A number of corporations reported highly favorable earnings. Most of the nation's production figures showed modest increases. Forecasts earlier in the week of a fall pickup in business gave the market a firm tone.

Aircraft manufacturing issues fared better than other stocks despite the Friday break. An expected sharp increase in defense orders helped this group. Boeing was given an Air Force contract to build the first jet transport plane as flying tanker for jet bombers. Boeing finished the week with a gain of 8½ points to 62½. Glenn Martin moved up 2 points to 25½. Chance Vought, on a good earnings report, spurted 7½ points to 38.

In the motors, Chrysler closed with a net loss of ¼ point to 99½. General Motors declined 2 points to 80.

Steel charges had losses ranging to more than 3 points. Bethlehem Steel moved off 3½ points to 75½. U. S. Steel dipped 2-3/4 points to 52½. Youngstown Sheet & Tube which might merge with Bethlehem Steel, managed to post a gain of ¼ to 58½.

Specialties Decline

A few specialties declined more than 4 points. International Paper cracked 4½ points to 127. Good-year Tire fell 4½ points to 70 and Goodrich was down 2½ points to 106.

At the week-end, oil shares appeared mixed. Volatile Texas Pacific land trust rose 8½ points on the week to 128½.

Santa Fe was the weak spot in

# Mainly About People

United Fund officials will hold a meeting at 7:30 p.m. Tuesday with representatives of the eight participating agencies. Session will be in the Pampa Chamber of Commerce office in City Hall.

Gray County Commissioners, acting as the county board of equalization, open up public hearings at 9 a.m. Monday in the County Courtroom for oil operators, independent and royalty owners and owners of fee land on the oil roll.

# Armas Ends Guatemala Emergency

GUATEMALA CITY, Aug. 7 — UP — Col. Carlos Castillo Armas announced Saturday that the 30-day emergency period proclaimed when the junta heads took power would end on schedule at midnight Saturday night and that constitutional guarantees would be restored.

Castillo also announced at a press conference that a decree had been signed Saturday abolishing all pro-Communist organizations in the country.

The leader of the revolution that overthrew the leftist regime of Jacobo Arbenz Guzman said the three-man junta feels it has now attained stability and is firmly in control of the country, politically and militarily.

Castillo admitted that some quarters had asked him to dissolve the junta and assume sole leadership of the government, presumably after the abortive coup early last week.

He said he considered such a step unnecessary because "my comrades — (Col. Elfigo) Monson and (Maj. Enrique) Oliva — have been magnificent collaborators, and the three of us have worked in perfect unity and harmony."

The colonel said about a dozen persons had been arrested as a result of the attempted coup, adding that many of the cadets who took part were sons or brothers of former officials of the Arbenz regime.

He stressed that if the coup had been successful, it would have meant the "return of the Communists to power."

# White Deer Personals

By ALICE NICHOLSON  
Pampa News Correspondent

Mrs. W. C. Hill is taking Mrs. Harry Buchanan's place at White Deer Drug this week.

Mr. and Mrs. Sterling Berden and family are spending a few days at Lubbock.

Mrs. Anne Cunningham has gone to Refugio to be at the bedside of her sister-in-law who suffered a stroke recently.

Mr. and Mrs. Baxter Haley and children have returned from a trip to Nashville, Tenn.

Mr. and Mrs. Leon Osborne and Mr. and Mrs. C. T. Smith spent a few days recently at Wolf Creek, South Fork and Red River, N.M.

Mr. and Mrs. James A. Dollar and Donna Jean of Ft. Worth are visiting Mr. and Mrs. J. C. Jackson.

Recent dinner guests in the Evelyn Laycock home, were Mr. Lay-

cock's sister, Mrs. Nash Thompson and son of San Antonio. Mrs. Nash has been visiting in the home of her mother at Shamrock while she to attend the Shamrock Alumni Reunion.

Patricia Rapstine of Amarillo spent last week in the home of Mr. and Mrs. Leon Osborne.

Mrs. David Grayson and Mrs. Frank Kuns are on the sick list this week. Mr. and Mrs. Vio Bates and children attended the Greenbelt All Star game at Childress on Friday and have gone on to San Antonio and Corpus for a two weeks' vacation.

# Silver Star To Be Given J. W. Hart

Sgt. James W. Hart, of Pampa, will be presented a Silver Star for gallantry in action in Korea at 7:30 p.m. Monday in the U. S. Army Reserve armory building, 208 W. Browning.

Lt. Col. Robert W. Edwards, Amarillo, unit advisor for the Army Reserve, will make the presentation, according to Lt. Col. Tom Braly, chief of the Army advisory committee in the Pampa area.

President Eisenhower directed that Hart, for his action against the Communists April 22, 1951, be given the Silver Star. His citation states that, by drawing enemy fire upon himself, he made it possible for other personnel to reach an encircled company with much-needed ammunition.

By exposing himself, the citation continues, Hart was seriously wounded and subsequently captured by the enemy. His "extreme heroism was above and beyond the call of duty."

# Oklahoma To Have Highest Structure

OKLAHOMA CITY, Aug. 7 — UP — Officials of television station KWTW said Saturday the station's new tower, planned for 1,872 feet, was 1,350 feet already and the tallest structure ever built.

The tower now is 100 feet higher than the Empire State Building in New York City. It is scheduled to be completed this year.

# Gas Blast Kills Child And Mother

SAN ANTONIO, Tex., Aug. 7 — UP — An explosion apparently caused by a gas stove killed a San Antonio mother and daughter Saturday and left the father and his three-year-old son critically injured.

The mother and daughter were trapped in the flaming kitchen of their south San Antonio home and killed in the blaze. They were Mrs. Pauline Cruz, 32, and her daughter, Angelia, 11.

The father, husband Henry Cruz, 37-year-old truck driver, rescued his three-year-old son, Henry, Jr., and made several futile attempts with his clothing afire to enter the burning home to rescue his wife and other child.

Both the father and his son were in poor condition with burns.

# Two Wells Dug At Darrouzett

DARROUZETT — (Special) — Much excitement has been created in Darrouzett recently by the digging of irrigation wells. Two wells were dug this week on the Daley and Hennigh farms northeast of town.

The first well to be dug for irrigation in this community was on the Chris Miller farm last summer.

Glen Phillips will begin drilling tomorrow on his farm south of town. His well tested bottom at 340 feet and water said at 100 feet. He will use an eight-inch pump and valve pipe system. He also plans some contour irrigation for alfalfa fields.

# \$76 Million Takes A Walk

DALLAS, Aug. 7 — UP — Some 40 policemen stood guard and the rest of the force stood by on radio contact Saturday while \$76 million in negotiable securities and \$284,072.59 in cash was carried two blocks through downtown Dallas from one bank to another.

Hardly a citizen stirred. Few realized what was going on.

The move was brought about by merger of the Dallas National Bank with the First National Bank. The consolidation makes the First National Bank the biggest south of Chicago, officials said.

The cash, ranging downward to pennies, was moved in one carload.

The negotiable securities were moved in \$5 million lots, since \$3 million is maximum insurance carried on them by the bank.

# Polio Strikes Shamrock Man

SHAMROCK — (Special) — Robert Smith Jr., 20, was stricken with polio last week. He was taken to an Oklahoma City hospital where he received treatment until Tuesday, when he was released and brought back home.

Son of Mr. and Mrs. R. V. Smith of Shamrock, he was stricken while in Amarillo. He is an employee of the Panhandle Trucking Company and had gone to Amarillo to pick up a load of merchandise.

Smith is married and has a four-months old baby. The family resides at 420 1/2 N. Wall.

# Caution Urged In Burning Grass

Twenty one of the twenty-five alarms last month were grass fires, Fire Chief Ernest Winborne said Saturday.

Chief Winborne warned that such fires can be "extremely dangerous" and recalled instances last summer when two houses were destroyed because of supposedly minor grass fires.

"Be sure you have a hose and can keep the blaze under control before you start a fire," Winborne cautioned. He added "grass grows in cracks under houses and the fire may be too far advanced before you know there is one."

He advised that open trash fires should be at a safe distance from buildings and small enough to keep under control.

# Hobart Underpass Site To Be Studied

A field party will take a look at the proposed Hobart Street underpass as soon as it finishes checking over the portion of U.S. Hwy. 60, near the Roberts County line, that will be improved.

Resident highway engineers Saturday said that has been the hold-up on the \$450,000 project which has been okayed by the Texas Highway Department.

The underpass will be only a part of the extension and improvement of Texas Hwy. 70 which, when the Canadian River bridge between Pampa and Perryton is completed, will run from Perryton to Clarendon.

# UNSUSPECTING ACCOMPLICE

NEW YORK, Aug. 7 — UP — When Mrs. Alice Berg was robbed of a \$2,700 payroll Friday she screamed and an off-duty policeman chased after the bandit.

Another off-duty policeman who also heard Mrs. Berg's cry for help spotted officer No. 1 running and took off after him.

Off No. 2 closed in and tackled cop No. 1 but the thief got away.

# OPEN DOOR SESSIONS

Will Continue to Be the Policy of

## J. B. MAGUIRE, JR.

Seeking a

## SECOND TERM

as

## COUNTY JUDGE

J. B. Maguire, Jr., has ALWAYS held OPEN DOOR sessions and will continue to do so. Every decision made and action taken by the Commissioners' Court is recorded in the Minutes in the County Clerk's office and is OPEN TO PUBLIC INSPECTION. Any charge to the contrary is an attack on the honesty and integrity of the Commissioners who are representatives of the people.

## ECONOMY!

The 1954 budget prepared by Maguire showed a saving of more than \$14,000.00 over that of the previous year when the budget was prepared by the previous judge.

## WELFARE

In 1951-52, the previous judge disbursed \$10,270.58 to 115 needy persons at an administrative cost of \$11,586.00.

Contrast that with Maguire's record — in 1953-54, Maguire disbursed \$11,385.08 to 132 needy persons at an administrative cost of ONLY \$3,209.00. MORE PEOPLE HELPED AT A SAVING OF \$8,176.08 TO TAXPAYERS!

## Emilie Succumbs Friday

EMILIE DIONNE, left, one of the famous Dionne Quintuplets, died Friday at the age of 20 at L'Acueuil Guay, a rest home near Ste. Agathe, Quebec.

MRS. OLIVIA DIONNE is shown with her infant quints, right top, shortly after their delivery, May 28, 1934. Center, the girls with individual cakes on their first birthday. Bottom, Annette, Yvonne, Cecile and Emilie during a visit to St. Paul, Minn., in 1952. Bottom right, is Marie upon her entrance into a convent in November, 1953.

BELOW, EMILIE is shown at the age of 1, left, saying her first word at 2½, center, and sampling her fifth birthday cake, right. (NEA Photos)

# 'Gone With The Wind' Celebrates 15th Year

By ALINE MOSBY HOLLYWOOD, Aug. 7 — UP — "Gone With The Wind" celebrates its 15th anniversary at its second premiere Tuesday, but Producer David O. Selznick confessed the movietown thought he was a "lunatic" when he made it.

What some film makers termed the folly of Selznick turned into a phenomenon of the entertainment world.

The film is 15 years old, yet in its fifth re-issue this year it is expected to bring \$7 million to its distributors. MGM — more than the studio's modern extravaganzas in cinemascope. Hollywood's most lavish premiere of the year will be staged Tuesday for this antique movie, now dressed up in new wide-screen and stereophonic sound.

But when Selznick, one of Hollywood's most dynamic and tasteful producers, launched the film ver-

for four years and 14 weeks in one London theater without stopping, and showed continuously in Paris for nearly four years.

Selznick and Clark Gable are the only top members of the company able to attend the second premiere Tuesday. Olivia De Havilland and Vivien Leigh are in Europe.

"Around Hollywood they were convinced I had missed the bus in my desperation for perfection," recalled Selznick at his Malibu Beach home.

"Jezebel" with Bette Davis, on a similar subject was finished before "Gone With The Wind." Everyone thought I had a great white elephant on my hands.

"Everyone said it was too long — nearly four hours. The length was considered sheer insanity."

The \$4,250,000 budget was staggering as Hollywood had lost the world market "and pictures were supposed to cost no more" than \$7 million.

By now, as students of cinema history know, the picture has brought MGM more than \$45 million, making it the biggest money-maker of all time. The picture ran

By WILMA H. DAVIS Pampa Staff Correspondent

Mrs. Marie Brown, from eastern Oklahoma, is visiting with her husband, Mr. and Mrs. Alton King.

Lanell Brown from Havensville, Kans., is visiting here with her aunt, Miss Lulu Wintough.

Returning home from summer school at Weatherford, Okla., are Anna Ruth and Edna Mae.

Born to Mr. and Mrs. Harold Meller August 4 at 11:30 p.m. — a girl weighing 7 lbs. 12½ oz. at Sanford Hospital in Perryton. Mrs. Meller is the former Zell Burton.

Dr. and Mrs. A. A. Redwine recently moved to Darrouzett from Higgins. He will reopen the James August 30.

# Dam Project To Be Talked

Canadian River Municipal Water Authority board will meet Monday at 10 a.m. in the Hilton Hotel in Plainview with their engineering representatives, and officials of some 20 investment and brokerage firms to discuss the feasibility of a dam on the Canadian River.

The engineering firm of Parsons, Brinckerhoff, Hall, and MacDonaid, of New York and Houston will submit their recommendations following a three-month survey of the project. The securities firms will discuss, among other things, the marketing of a bond issue, interest rates, and the years spread prior to retiring the bond issue.

The hit that's changing the sales standings puts you way ahead 3 ways

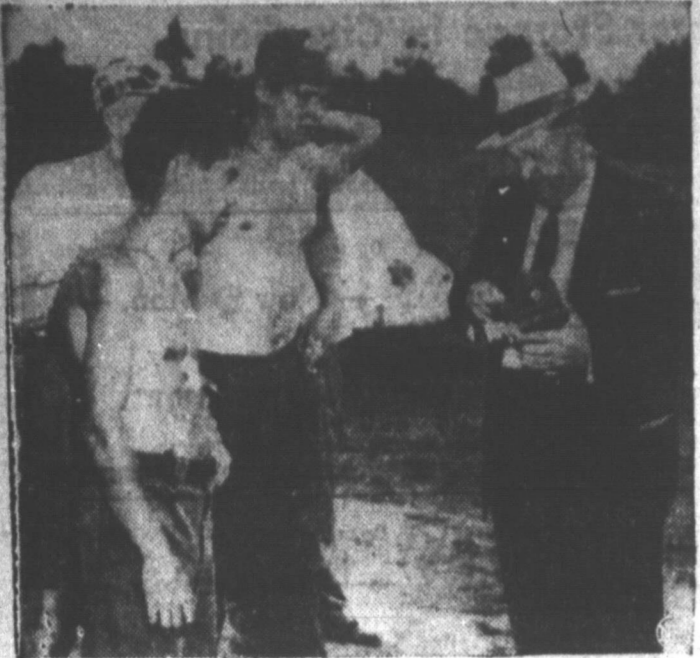

This year Buick has done what no other car has done in more than a generation. This year Buick has moved into the lofty circle of America's three top sales leaders — a circle once dominated only by the so-called "low-price three." For today, Buick is out-selling all other cars in the nation except two of these "low-price three." And each new month's sales figures strengthen Buick's new sales leadership.

You can't do better — if you want the best buy for your new-car money — than to look into the soaring success that is Buick today. You'll find this glamorous new-day beauty puts you way ahead in three important ways — that's for sure. So drop in on us — tomorrow at the latest — and see for yourself that Buick is the buy of the year, hands down.

- 1. More new car for your money**  
 Buick prices start close to the lowest — just a few dollars above those of the traditional "low-price three." But these few more dollars for a Buick get you a lot more automobile — more room, more comfort, more V8 power, more ride steadiness, more solid durability — plus the advanced "tomorrow" styling that has taken the country by storm.
- 2. More money for your present car**  
 With our great and growing sales volume, we can offer you a bigger trade-in allowance on your present car when you buy a new Buick. After all, the more new cars we sell, the better deal we can make with you. So you get the benefit of our great success in the form of a higher trade-in allowance.
- 3. More dollars when you trade**  
 Because Buick's broad panoramic windshield has started a whole new styling trend, you can be sure that today's Buick will keep its modern look for years to come. So you are assured of a higher resale figure when you trade it in later on.

Come see for yourself why — **Buick Sales are Soaring!**  
 WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM  
**TEX EVANS BUICK CO.**

TOSSED OUT

Evangelist Dr. Braxton B. Sawyer from Ft. Smith, Ark., right, who said he wanted to photograph nudist camp to support his charge that they tend to "corrupt the morals of America," adjusts his camera as semiclad nudists look on. Nudists demanded Dr. Sawyer undress or leave. He refused to do either and was tossed out of the camp near Battle Creek, Mich.

### Yard Judging Set Next Week

**PERRYTON** — (Special) — The third judging in the series of yard contests sponsored by the Perryton Garden Club and the Chamber of Commerce will be done during the week of August 15-17. Mr. and Mrs. O. A. Cox, Mr. and Mrs. A. S. Brillhart, and Mr. and Mrs. J. H. Neufeld were winners of the first judging. Winners of the second judging were Mr. and Mrs. Irvin Hergert, Mrs. Luther Wade, and Mr. and Mrs. Bruce Baumann.

The prize for the first three winners in this judging will be fertilizer and seed. Winners of the first two judging periods are not eligible for prizes this time. On October 30 the grand prize will be awarded to one of the winners. Yards are judged on five points — general appearance; originality of plant material to home; alleys; suitability of plant material to home; and lawns.

## Attention, Veterans! Business School Deadline

If you were separated on or before August 20, 1952, DEADLINE for enrollment in any GI approved school is August 20, 1954.

- You must be in school on or before August 20, 1954!!
- High School graduation not necessary.
- We are approved for disabled veteran training.
- Fall term starts September 7, 1954.

For further information, come to see Pampa Modern School of Business 100 W. Browning, right here in Pampa, or call 4-5122

## Home Builders Conduct Living Experiment In Austin Suburb

WASHINGTON, Aug. 7 —UP— The nation's home builders are conducting an experiment in living projects yet undertaken in the lives of millions of Americans. The "laboratory" is a small Texas residential area of Austin, and the "guinea pigs" are 22 families living in specially equipped all-weather, medium-priced homes. The National Association of Home Builders, which is sponsoring the project, regards it as "one of the most significant research projects yet undertaken in the housing field."

Need Problems Answered — Co-sponsoring the experiment are more than 70 manufacturers of air conditioning units and housing materials. They hope to obtain answers to many of their industries' important problems. Among these are: Is air conditioning practical for medium-priced homes? How much does it cost to operate? How does it affect family health?

## Two Senate Seats Open In Nebraska

OMAHA, Neb., Aug. 7 —UP— Nebraska voters next Tuesday have the rare opportunity to nominate candidates for no less than three U. S. Senate races. The unusual circumstance arises from the fact that this year wiped out the Nebraska senatorial contingent of Dwight Griswold and Hugh Butler, both Republicans.

Thus voters in the Tuesday primary are presented with these races:

1. The regular six-year Senate term to which Griswold undoubtedly would have been re-elected in this normally Republican state, had he lived.

2. A short term to fill the last two months of Griswold's first term. Griswold himself was serving the unexpired term of the late Sen. Kenneth S. Wherry and there is a two-month interval between the Nov. 2 general election and the January seating of new senators.

3. The remaining four years of Butler's term. Because Butler died after the filing deadline for candidates, only two men seek the post. Rep. Roman Hruska is the lone GOP candidate and James Green, an Omaha attorney, is the only Democratic nominee. Both were chosen by party committees.

By contrast, 14 Republicans and three Democrats seek the honor of being a two-month senator in the short term race. The winner may never get a look at the Senate, which probably will not be in session at the time.

Chief interest, therefore, centers on the six-year term election, with Gov. Robert Crosby leading a seven-man field of Republican aspirants.

Crosby has the support of such "Eisenhower" Republicans as Assistant Defense Secretary Fred Seaton and Civil Defense Administrator Val Peterson.

The NAHB plans to turn over the results of its experiment to the Federal Housing Administration and Veterans Administration for use in future appraisals. Christian O. Christiansen, associate director of NAHB research, said the FHA generally appraises air conditioning units at from 50 to 60 per cent of their cost instead of the full price.

The researchers hope to measure scientifically the extent operating costs are affected by such factors as the home's design, the home site in relation to the sun, the type of distribution system used in the air conditioning unit, and the difference between continuous and intermittent use of the unit.

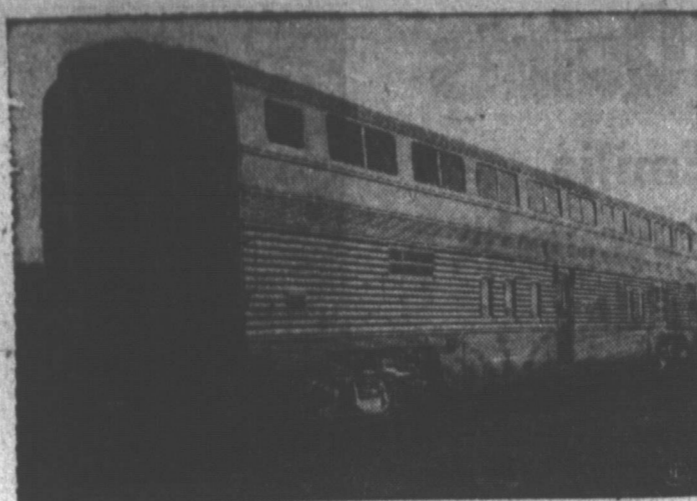

Also under examination are the efficiency of various types and thicknesses of insulating materials and to heat absorption qualities of varying shades of interior and exterior colors.

All Styles Represented — The homes in the experimental village include "practically every kind" of single-level contemporary house design found "anywhere" in the United States, according to NAHB.

The University of Texas medical department will conduct the investigation of the medical problems involved.

Christiansen said that so far as is known, air conditioning offers no medical advantages except to sufferers of such allergies as hay fever. He noted that air conditioning has been blamed for summer colds, but he said this has not been medically proven.

UPSTAIRS-DOWNSTAIRS ON WHEELS—Some new high-level cars were unveiled recently for tests on the El Capitan of the Santa Fe Railway. Each car has an upper deck devoted entirely to chairs for passengers and a lower deck for baggage, rest rooms and equipment. This arrangement eliminates vestibules and enables each car to carry 67 passengers, against 44 to 46 in other streamlined chair cars.

# A TIMELY WARNING to INSURANCE BUYERS

During recent months there have appeared in the news details of the failure and bankruptcy of 14 different fire and casualty insurance concerns doing business in Texas.

These failures left many thousands of policyholders without coverage; they left unpaid millions of dollars in just claims; many more millions in unearned premiums can never be recovered.

**WHY DO YOU BUY INSURANCE?** To protect your home, your furniture, your automobile from loss or damage. When an insurance company from whom you have bought a policy fails, you are left entirely without protection. You suffer a double loss: in lack of protection you were entitled to in cost of a new policy you must buy.

**HOW CAN YOU PROTECT YOURSELF?** There is one sure way to see that you get the protection you pay for...

**Buy Insurance from an agent who is a member of the Pampa Insurance Exchange**

For Your Own Peace of Mind find out now—immediately—whether your agent is a member of the Pampa Insurance Exchange. You'll sleep better when you're sure!

Why You Should Buy from a Member of the Exchange. Agents who make up the Pampa Insurance Exchange represent ONLY capital stock companies, because the record of two centuries proves them the strongest, select-most dependable. Furthermore, out of a sense of responsibility to their customers, they analyze thoroughly the finances of every company they represent.

Your Insurance Exchange Member is a Stable Member of the Community. He is your friend and neighbor; he's active in your church; he's a home owner, paying taxes the same as you, to support our schools, libraries, and local government.

When you suffer a loss, he's at your side immediately to help you get everything you're entitled to. You know where to get him any time you need him!

You can't Get "Something for Nothing."

Our whole American system is based on the principle of a fair profit for honest service. No insurance company can stay in business any more than you can, unless it makes a legitimate profit. And any reliable company will tell you that in an insurance policy you get what you pay for: "Cheap" insurance, like anything else "cheap" is usually more costly in the end.

**"OUTSTANDING BACK"**—Ed Dudley of Pampa, left, is being congratulated by Bob Polson of Childress upon being named the "outstanding back" in the Greenbelt Bowl All-Star game Friday night at Childress. Dudley has just received a trophy from Polson symbolic of the outstanding back award. In center, Jerry Cornelison of Temple awaits the award as the "outstanding lineman" of the game. (News Photo by T. D. Ellis)

Pampa News Sports Editor

### PAMPA WAS WELL REPRESENTED

The two Harvesters seeing action in the game, half-back Ed Dudley and guard Alton Flynn, both turned in fine performances. Dudley's efforts won him the honor of "outstanding back" of the game.

Flynn, who looked like a midget amongst the two hefty lines, played most of the game and did his job well. Flynn, at 175 pounds, was the smallest guard on either squad. But he certainly made up for lack of size with his fiery play that won him all-district 1-AAAA honors last fall with the Harvesters.

Although Dudley didn't get into the scoring act, he demonstrated some fine ball carrying tactics plus some bang-up defensive play that won the plaudits of the overflow crowd of 4,500 fans.

The fact that Dudley deserved the honor of "outstanding back" of the game was well brought out by a statement made by the Pampa announcer, concerning the award, said "the outstanding back" of the game, and I'm sure all of you will agree with us, goes to halfback Ed Dudley of Pampa." And the applause that followed certainly bore out the statement.

Dudley, for his night's work, gained 63 yards on 15 carries for the leading ground gainer of the game. Dudley's performance in this department was even damped somewhat when he was charged with a seven-yard loss on a fumbled handoff.

And Dudley figured in the most crucial play of the game that was the final outcome. The 180-pound Dudley intercepted a pass midway in the fourth quarter on the mid-field stripe and returned it 30 yards to the East 20 before being run out of bounds.

The West owned a scant 12-7 lead at the time and the Easterners were on the march when the pass interception occurred. Dudley then set up the third West TD by dashing 14 yards up the middle to place the ball on the six, the West scoring three plays later to clinch the decision.

### Area Boys Also Sparkle

Another fellow who deserves a toast for his performance in the game was Joe Crockett of McLean. Crockett, the biggest boy on either squad at 250 pounds, pounced on two East fumbles that prevented potential scoring drives.

And Jack York of Shamrock made the longest punt return of the night when he raced an East punt back 18 yards from his own 32 to the mid-field stripe. York, one of the finest gridgers to come out of Shamrock in several years, almost broke into the clear on the punt return but was hauled down from behind.

York was the only casualty of the game. He received a knocked down shoulder. York left the field during the game to receive treatment for his injury. The injury wasn't considered serious, however.

Dan Denham of White Deer saw lots of service for the East team at an end position and showed up just for the losers. We don't know just how Denham landed on the East team when both Pampans playing in the game were members of the West.

Apparently the two teams aren't divided up altogether according to the geographical location of the boys since two schools had boys playing on both teams. Breckenridge had two boys playing in the game, Kenneth Ford for the West and Billy Dendy for the East.

Childress had three boys in the game, Lindley Davis and Sam Winkle on the West and LaNoel Castleberry on the East.

### DUDLEY IS FAR FROM THROUGH

With his grid activities for the summer, he reports to Dallas tomorrow for the annual Texas all-star game that is held in conjunction with the coaching school. Workouts for the game this week start Tuesday with the game set for Saturday night in the Cotton Bowl.

Then following this game, Dudley will leave Sunday for Tennessee to compete in the All-American schoolboy game, Aug. 20.

Dudley was also invited to a football all star game, the Oil Bowl game at Wichita Falls that pits the Texas All-Stars against the Oklahoma All-Stars. But this game falls on the same night of the All-American game and Dudley had already accepted the invitation to the Tennessee game when he received the Oil Bowl invitation.

### Baugh Named To Texas Hall Of Fame

DALLAS, Aug. 7—UP—Samuel Adrian Baugh, former Texas Christian and all-pro gridiron great now coaching at Hardin-Simmons University, has been elected to the Texas Sports Hall of Fame.

Baugh, better known as "Slingin' Sam" because of his passing prowess, thus became the fourth living Texan to be so honored by the Texas Sports Writers Association.

This Speaker from baseball, Ben Hogan from golf and Mrs. Mildred E. Baber, Didiakson Zaharias from women's golf were the previous honorees.

Baugh and Mrs. Zaharias, who was elected to the hall of fame several months ago, will be honored jointly by the sports writers at a time and place to be announced later.

Baugh was a famous back at TCU in the middle 1930s, but his national fame grew by leaps and bounds as he starred year after year (16 years) for the Washington Redskins.

The leather-faced Texan, who spends most of his time on a large ranching spread he owns near Roman, Tex. wrote numerous records into the National Football League's annals — and 14 of them still stand.

At TCU, Baugh passed and punted the Horned Frogs into two bowl games — both which they won, 3 to 2 over Louisiana State in the 1936 Sugar Bowl and 16 to 6 over Marquette in the 1937 Cotton Bowl inaugural.

He is a native of Temple, Tex., where he played his first high school football, but went to TCU in 1933 from Sweetwater, where he also starred as a prep gridder.

### SEOUL Korea, Aug. 7—UP—

Prime Minister Pyun Yung Taw told newsmen Saturday he promised U. S. Secretary of State John Foster Dulles there will be no more South Korean threats or demonstrations against Communist members of the Neutral Supervisory Commission.

# Playoffs Get Underway Monday In Little Leagues

Little League playoffs in Pampa will get underway Monday with Cabot and Hoffman Oil clashing in the first of a three-game series for the Eastern League crown.

Cabot won the first half crown while Hoffman Oil took the second half title. The two teams will meet Monday and Tuesday and if a third game is necessary, it will be played Thursday.

There will be no playoff in the Western League since the Spokesman won both halves. The Spokesman will take on the winner of the Cabot-Hoffman series for the Pampa Little League title.

Over in the PONY League, the second half of play has two more days running with three teams deadlocked for the lead. First National, Pampa Druggists and Kist all have 5-3 records in the second half race and each has one game left.

# Souls, Baptist 9s Meet In Feature

By RAUL (Rabbit) RAMIREZ

After a week's layoff, the Kiwanis Softball Leagues will resume play with a full slate of games on tap Monday.

Two more weeks remain in the second half races before the playoffs begin. The playoffs will pit the first and second half winners.

The annual "Kiwanis Night" at Oiler Park will be held Aug. 19 when the Oilers host Amarillo.

Feature game of the week in this week's play will be the Holy Souls vs. Trinity Baptist (N.W.D.).

**Friday, Aug. 13**  
8:00 Central Baptist vs. First Methodist (Make-up game)

**PAMPANS NOW**—Rudy Tanner, left, the newly acquired Oiler centerfielder, is shown with his wife upon arrival in Pampa Friday. Tanner was purchased from Fayetteville, N.C. He is classified as a veteran. Tanner will make his debut with the Oilers tonight against Abilene at Oiler Park. (News Photo)

# Oilers Return To Action Tonight

The Oilers will return to action tonight when they open a two-game series with the pesky Abilene Blue Sox at Oiler Park.

All action in the West Texas New Mexico League was washed out last night. The Oilers, along with two other teams, weren't scheduled but two games were on tap but were rained out. Amarillo at Clovis and Abilene at Lubbock.

Manager Hershel Martin's Oilers thus retained their hold on the top rung in the heated WT-NM race by a full game over second place Clovis.

When the Oilers return to action tonight they'll be seeking to stretch their winning streak which has now reached seven.

Vibert Clarke (13-6) will likely be Martin's choice to hurl tonight's game.

# Junior Oilers Play Amarillo

The Pampa Junior Oilers will host Amarillo Laundry today in a Cap Rock League game at Oiler Park.

Game time has been set for 8 p.m.

The Junior Oilers have won eight and lost five in league play and are now second to leading Hedley which has a 10-3 record.

Dale Tucker will likely get today's mound call for the Junior Oilers.

Only one more game remains on the regular Junior Oiler schedule after today's game. The young Pampa nine will go to Hedley next Sunday to wind up the season.

# Thompson In Lead In Tam O'Shanter

CHICAGO, Aug. 7—UP—Peter Thompson, the 24-year-old British Open champion from Australia, shattered Tam O'Shanter with a first place in the \$25,000 "all American" tournament with a 54 hole total of 206, 10 under par.

It was Thompson's second straight 68, and until he took a disastrous double-bogie six on the 14th hole, when he hit into a trap, he was headed for a much better score. He had a two under par 70 on his first round.

Thompson, who headed into the third round of play one stroke behind the leader, Rudy Horvath, Windsor, Ont., took over first place on the first nine when he was three under par with a 33.

On the next four holes he knocked ed three more strokes off par with an eagle and a birdie before the unhappy six gave the rest of the field a chance. He parred the final four holes.

His round, though, left him two strokes ahead of runner-up Jerry Barber, La Canada, Calif., who started the day tied with Thompson and who finished with a 35-45-70. Trailing Barber by one stroke was the 1953 amateur champion, Gene Litter, Palm Springs, Calif., who also tallied a 68 Saturday for a 209 total.

Harvath meanwhile slipped to the four way tie for fourth place with Cary Middlecoff, Memphis, Flory Von Donck, Belgium, and Bob Toski, Livingston, N.J., at 210. The Canadian lost two strokes to par on the first nine with a 38 and came home for a one over par 73 after two straight rounds under 70.

Middlecoff fired a 69 Saturday while both Von Donck and Toski had 70's.

The two best rounds of the day were 67's by Dick Mayer, St. Petersburg, Fla., and National

"HERE'S HOW"

Pampa High School's head basketball coach, Clifton McNeely, demonstrates the "how-to-do" to a graduating member of his cage group, Jimmy Bond, during a demonstration at the North Texas State College Coaches' Clinic now being held in Denton. McNeely, left, does the showing while NTSC Coach H. G. Shands and Pampa's assistant coach, Terry Culley watch the demonstration. Thirty-eight prospective coaches from Texas high schools are attending the clinic.

## Record Turnout Due At Texas Coaching School This Week

### Dudley, Bond To Play In All-Star Tilts

DALLAS, Aug. 7—UP—Coaches by the hundreds pour into Dallas this weekend for a week's "brushing up" on their favorite sport at the world's largest coaching school.

Some 2,000 of them, from every state in the union except Oregon and Connecticut, will return to the lecture room to hear the latest in coaching techniques by some of the most successful college tutors in the business.

The faculty will be made up of Jess Neely of Rice, Bobby Dodd of Georgia Tech and Henry (Red) Sanders of UCLA—all bowl coaches—in football; Dudley Moore of Duquesne and Eddie Hickey of St. Louis in basketball; Col. Frank Anderson of Texas A&M in track and Alex Hooks of Southern Methodist in baseball.

The sports-loving public also has a big stake in this 22nd annual school sponsored by the huge Texas High School Coaches Association since all-star basketball and football games will highlight the school on Friday and Saturday nights.

Neely and Dodd in football and Moore and Hickey in basketball will coach the rival all-star teams, which are studied with Texas all-state athletes from the graduating crop of last fall's grid and cage teams.

There will be 34 all-state athletes on the two 28-player football squads and 11 all-stars on the pair of 12-man cage squads.

On the basketball teams, two players—Temple Tucker of Bowie and Milton Williams of Big Sandy—have been all-state three straight years, and three others—Jimmy Bond of Pampa, Ned Duncan of Cayuga and Russell Boone of Sweeney—are two-year all-stars.

Tucker and Bond are on the North team to be coached by Moore, while the others are on Hickey's South Squad for the Friday night game at Dal-Hi Field-house.

For the Saturday night classic at the Cotton Bowl, Dodd's North team will have 12 all-state players against 10 from Neely's South team. The North's All-State list includes Pampa's Ed Dudley.

The basketball players will report here Sunday, while the football stars won't register until Monday. All will be housed at SMU, where all practice sessions will be staged.

JIMMY BOND

### Dudley Most Valuable Back

## West Defeats East In Greenbelt, 18-7

CHILDRESS, Tex., Aug. 7—UP—The West All-Stars came from behind a 7 to 6 halftime deficit to defeat the East All-Stars 18 to 7 in the fifth annual Greenbelt Bowl football game Friday night before a sellout crowd of 4,800 fans.

The East team, a slight underdog and outweighed a bit both in the line and in the backfield, scored its only touchdown midway

in the first quarter when Bill Dendy of Breckenridge took a pitchout from Frank Ryan and scooted around right end for 22 yards. Ryan converted to put the East ahead 7 to 0.

On the second play from scrimmage after the kickoff, Kenneth Ford, Breckenridge quarterback, passed 31 yards to Lindly Davis of Childress who made the catch on the East 25 and scampered past two defenders to score standing up. Odessa's Carl Schlemeyer missed the first of three extra point failures.

The second quarter was scoreless. With three minutes to go in the third period the West scored on a sustained drive from its own 31 in eight plays. Douglas Duncan of Wellington crossed over from the five.

After receiving the kickoff the East advanced to its own 41, then quick-kicked the ball across the West goal. From its 20, the West advanced to its 42-yard-line before Fox Chi 446 83 145 325 kicking. Then an intercepted pass by the West's Ed Dudley placed the ball on the East 20. In four running plays the West scored again with Duncan plunging over from the two.

Dudley and Jerry Cornelison of Temple were voted outstanding back and lineman. Score by periods: East 7 0 0 7 West 6 0 6 18 Touchdowns: East Dendy, West Davis, Duncan 2. Points after touchdown: East—Ryan.

GUATEMALA CITY, Guatemala, Aug. 7 (UP)—President Carlos Castillo Armas was reported considering Saturday a petition from powerful groups requesting him to set up a cabinet of men identified with the anti-Communist movement.

Castillo Armas plans to reject requests that he give full powers to run the country until the Communists are eliminated. He said, according to a close source, there is no point of overthrowing a dictatorship to set up another one.

### INSIDE BASEBALL for Little Leaguers

By MICKEY MCCONNELL

Director of the Brooklyn Dodgers Baseball School

It is hard to convince a batter that his foot stance may not permit him to hit an inside or outside pitch with the big end of the bat.

When Joe McCarthy was managing the Boston Red Sox, he had the groundskeeper shift the lines of the batter's box for a batting practice drill so that a batter who stood back in the box couldn't protect the outside edge of the plate. The batter struck out one after the other until Ted Williams stepped up to the plate. He took his normal stance and immediately sensed that something was wrong because he struck his bat over the plate to measure it as he usually does. When Williams inquired about the batter's box, McCarthy explained what he had done to show his hitters the importance of being sure they were protecting the strike zone when they were at bat.

In practicing when taking your stance in the batter's box, you can have a batting tee moved to all corners of the plate and to various heights of the strike zone from the armpit to the knees. Then you can determine whether you can hit pitches at all these heights and over the corners of the plate from your normal batting positions. If not, you can use a batting tee to experiment with changes in your stance until you find one which permits you to protect every area of the strike zone.

## TODAY'S SPORTS PARADE Joe Louis, Short Of Cash, Earning Dough As Mat Ref

By OSCAR FRALEY

NEW YORK, Aug. 7—UP—Fearless Fraley's facts and figures: Former heavyweight champion Joe Louis, currently picking up a few needed dollars as a rascal referee in the Midwest, is contemplating a European boxing exhibition tour with another "name" fighter and referee.

"Keeping in fair shape playing golf, the Brown Bomber still needs to take off about 20 pounds before the deal can go through. His partner, as yet unapproached, is another former heavyweight king.

Asked whether Louis needs money that badly an intimate replied: "You can always say Joe needs dough."

The horse set is all in a dither in the east as it awaits the appearance at Monmouth Park in Monmouth's \$50,000 Sapling Stakes of undefeated Royal Note, which looks like the big horse for next year's Kentucky Derby. He has won six straight, including the Arlington Futurity—even though Eddie Arcaro lost a stirrup iron coming out of the gate.

Happy Birthday Saturday. Art Houtteman 27, Bill McKechnie 67 and Rocky Bridges 27; Sunday, Ken Raffensberger 37; Monday, Ralph Hawk 34 and George Vico 27; Tuesday, Bob Porterfield 31.

Joe Louis

## Falls Leads Big Staters

Jack Falls, Waco outfielder, held a 20-point lead in the Big State League batting race through games of Aug. 1, latest official statistics disclosed.

Falls was batting .373 with runner-up Bill Cearley of Galveston, .353; Dean Stafford, Corpus Christi, .351; Ramon Mejias, Waco, .347; Keith Carpenter, Harlingen, .345; Lorenzo Cabera, Del Rio, .343; and Al McAfee, Austin, .340, following in that order.

Mejias, whose consecutive game batting streak was stopped at 55 last Monday night, raised his average almost 100 points in a little better than a month's time.

Stafford, the big Clipper outfielder, continued to set the all-around offensive pace, however. He led in three departments and was tied for the lead in a fourth. He led in RBI's with 121, home runs, 29, and hits, 149, and was tied with Mejias, for the lead in doubles, both with 34.

Nellie Daehn of Temple was the leader in triples, with 18, and Manny Perez, Tyler second baseman, held a wide lead in stolen bases with 23.

Jack Pepke, manager of the first-place Waco Pirates, was the league's leading pitcher from the percentage standpoint. Pepke had won four games without a defeat. But the versatile veteran, also a first-rate catcher, first baseman and outfielder, makes infrequent appearances on the mound.

Don Kiladco of Waco tops all regular pitchers with a 11-2 mark. Other top hurlers and their records were Luke Luckenbach, Corpus Christi, 5-1; Ronnie Sheetz, Waco, 14-5; Gayle Pringle, Tyler, 17-7; Roger Sawyer, Waco, 14-6; Rafael Rivas, Harlingen, 14-6; Myron Hoffman, Waco 11-5; Ray Sims, Corpus Christi, 11-3; Earl Caldwell, Corpus Christi, 11-4; Jim Vitter, Corpus Christi, 10-9; and Dick Robertson, Austin, 13-8.

KID CASEY — This is what Casey Stengel, shooting for his sixth straight pennant with the Yankees, looked like when he reported to the Dodgers in the fall of 1912. Pipe the turtle-neck sweater. (NEA)

## Philadelphia Businessmen Striving To Keep A's In City

PHILADELPHIA, Aug. 7—UP—week by Arnold Johnson, Chicago A, newly-formed syndicate of 13 Philadelphia businessmen, headed by a drug store chain executive, planned Saturday to offer the Mack family at least \$4.5 million to head off outside bids for the Philadelphia Athletics franchise and "keep the American League in this city."

Harry Sytk, bustling head of the Sun Ray Drug Co. and vice president of Philadelphia radio station WPEN, admitted that the profit motive, plus civic pride, is behind his group's surprise offer announced Friday.

Sytk said the combine, which includes wealthy realtor Albert M. Greenfield, hopes to meet with Roy and Earle Mack next Tuesday to combat the \$4.5 million bid for the franchise made earlier this

real estate man who wants the club moved to Kansas City, Mo. Neither of the Macks was available for comment on the proposed deal. Roy reportedly was off on a midwestern jaunt to confer with Johnson and possibly with American League President Will Harridge.

Wytk said his group would take over the sagging finances of the club with an eye toward making money and bringing championship American League teams to the city for the first time since 1931.

He admitted that he and his associates are more interested in preserving the junior major league circuit here than they are in perpetuating the traditional Philadelphia Athletics as such.

**GOVERNOR VISITS RODEO** — Governor Allan Shivers talked about boots here with Paul Crouch, president of the Op' Texas Rodeo Association, as the governor rested before making an appearance at Friday night's rodeo performance. (News Photo)

## Suffers Slight Injury Governor's Visit To Pampa Hurried

By JIM DEAN  
Pampa News Managing Editor

A near tragedy befell the Governor of Texas in Pampa Friday afternoon.

He almost lost his hand-shake. The governor's wrist on his hand-shaking side was caught in the door of the auto which was to take him to the Ten o' Texas rodeo arena.

It happened with shocking suddenness — the way catastrophe is born — as Governor Shivers was about to depart in a shiny convertible for the rodeo arena.

Surrounded by a group of friends, the governor sat in the front seat of the car, talking. Someone closed the door, catching the right wrist of the state's chief executive.

There was a rush of concerned by-standers, anxious moments of hushed expectation, and then the car drove off, the governor rubbing his "tool-of-trade."

Governor Shivers had arrived in Pampa early for his rodeo appearance, and had stopped at the home of Attorney Curtis Douglass where he rested, met members of the press and a few well-wishers.

**Has Hurried Supper**

Then he was rushed into the kitchen for a buffet snack. However, he was able only to nibble some cold chicken and a slice of cheese before he was whisked out the front door and into the auto.

In a brief session with the press, Shivers pointed to his stand against the National Democratic Party in the last presidential election as the principal cause of his failure in the July Primary to carry the tremendous majority he enjoyed in 1952.

In setting the bolt of the party as the cause for his popularity decline, the governor showed aside the suggestion of the Third Term as a stumbling block.

The third term is a goal which has never been attained by a Texas governor, and no incumbent governor, forced into a sec-

## Lefors Girls In Music Camp

**LEFORS** — (Special) — Six Lefors girls who making good at the West Texas Music Camp in Canyon. Five of the girls are twirlers for the Lefors High School Band and the other is a member of the choir.

Misses Gwen Thurmond, Gertrude Chisum, Melba McCarley, Peggy McCarley, and Aletha Smith all made the advance twirling class, under Mr. Ted Otis, five times a national champion and billed as the world's greatest hornist.

Miss Carol Nan Graves is a member of the Camp Choir, under the direction of Dr. Houston Bright. This choir will perform on KGNC television from 10:00 to 10:15 p.m. Tuesday, the 10th.

Miss Gertrude Chisum made the number one band as a drummer. There are three bands organized with 75 members to each band. The number one band is directed by Dr. Alvin Edgar, Iowa State College Music director.

Miss Peggy McCarley made the number two band as a drummer, under the direction of Mr. Jack Lee, University of Arizona band director. Mr. Hiram Henry of Oklahoma A&M College is director of the beginner's band.

Dr. Edgar's band with selected twirlers will perform on KGNC television channel 4 Wednesday, the 11th from 7:00 to 7:30 p.m. Jack Lee's band with selected twirlers will perform on Thursday from 6:30 to 7:00 p.m. over Amarillo KPDA television channel 10.

Miss Thurmond, who is the Lefors Drum Major and the Tri-State twirling champion, is taking private instruction under Mr. Otis, and is supervising the advance twirling practice. She also is teaching 28 beginners in twirling. She, along with Mr. Otis, gave twirling solos before a large audience Friday night on the stage, accompanied by Dr. Edgar's Band.

The Music Camp, with about 300 band, choir, and twirling members will give a final concert, on Friday, August the 13th at 7:30 p.m.

## Extradition Cancellation Sets Off Furor

**TULSA, Aug. 7** — UP — Lt. Gov. James E. Berry, acting governor while Gov. Johnston Murray is out of the state, Friday cancelled an extradition warrant for R. C. (Bob) Jenkins, wanted for escaping from the Louisiana State prison three years ago.

Murray denied Louisiana's request for Jenkins' return three months ago, but last Monday he issued a warrant to return him.

Jenkins, 34, was arrested at Tulsa and held pending a habeas corpus hearing to decide if he was a fugitive. Jenkins allegedly was given a 30-day furlough from the

Angola, La., prison in 1951, but 10-year sentence for pistol-whipping a man. Berry, who said Murray approved cancellation of the warrant, was criticized by County Attorney Robert Wheeler.

## State Lifts Approval Of Blood Tests

The State Department of Health for the present will not approve marriage license blood tests from Worley Hospital because of insufficient credentials presented by a new staff technician.

The department announced for the present prenatal and premarital blood tests for syphilis would not be acceptable.

A technicality in the state statute provides that every time a technician changes jobs, new credentials, he issued, based on an examination of laboratory samples. G. C. Gann, the technician involved, has previously had qualifying credentials.

Reinstatement papers are expected to be issued within the next two weeks.

For the present local physicians are running the tests in their offices, under the supervision of state-approved technicians.

## Services Held For Tim Wright

Services for Timothy White, 80, a Pampa resident since 1941, were held at 2 p.m. Saturday in the Progressive Baptist Church, with the Rev. L. B. Davis, pastor, officiating. He died Thursday night in Highland General Hospital.

Engaged in yard work here, White was a native of Bastrop county. He has no known survivors.

Burial was in Fairview cemetery, under the direction of the Duenkel - Carmichael Funeral Home.

# Peg O' Pampa

OUR TOWN SHOULD RETAIN this special glow from the rodeo festivities for a long time to come. The annual Top o' Texas Rodeo seems to have the same effect on our town that a new coat of paint on the living room walls does for family morale. . . even the watching the antics of our cowpokes reduces one to library paste.

ABOUT PAINTING LIVING ROOMS, I know whereof I speak, although I didn't exactly do it single-handed as I understand Johnnie Donaldson did at their house. Did I understand that she painted the outside of their house? Joe speaks of his energetic wife with pride and he should. . . not necessarily for the paint job, tho.

DIMESTORE CLERKS seemed to be enjoying their cowgirl garb. . . Lots of people from out-of-town and we especially enjoyed seeing friends from area ranches. Some of them we hadn't seen as a family since the last rodeo! We've a conviction there's something about women who live "out on the range." I don't mean that scrubbed-milkmaid look you hear about tho. Maybe wholesome is the word.

FRIENDS ARE LOOKING FORWARD to seeing Bob and Claudine Vail soon. They were to have sailed from Europe the third. Notice that they're to be put to work right away on the Country Club entertainment committee for a swimming party and buffet supper the 14th. We're anxious to hear Claudine speak of her impressions abroad. Imagine it will be quite a job to organize the whirl of kaleidoscopic memories they must have.

WHAT'S THIS I HEAR about J. C. Daniels building a new home PLUS swimming pool out north in the vicinity of the Overton and Hicks homes?

MISS NICE-TO-KNOW Wilma Johnson from her usual post as grocery checker. Another favorite is the male checker at a local grocery. Can't tell you his name.

DID YOU KNOW that a Pampa made Time magazine? Just got around to reading an issue that came a couple of weeks back and under "Miscellany" I quote "In Pampa, Texas, L. P. Fort, running for county judge listed under "miscellaneous" in his campaign expense account, "New soles and heels for shoes. \$3.50." Wonder how Time reporters get such squibs from towns that must seem remote and insignificant in New York.

ON MAINSTREET. . . Saw Rev. Woodrow Adcock of the First Methodist Church, looking businesslike. . . Serious ballerina hopeful Sara Gordon. . . Dr. Frank Kelley, Joe Daniel, Mrs. Henry Rose and Mrs. Carl Johnson at church. . . Helene Madeira and her three boys.

Jim and Van Fimmel and sons Howdy and Bobby, will be hard to replace. Don't know for sure if they've decided where their new home will be but am sure they'll make friends anywhere. They were active and interested in Parent-Teachers, League of Women Voters and Boy Scouts as well as golfing, swimming, dancing, bridge and most any kind of fun.

NOTES AND COMMENTS. . . Last time I saw pleasant Glendora Gindorf, her mother, Mrs. H. Meier of Sealy, Texas, was here. . . Theresa McKinney has a simple and lovely dress of flattering blue. . . When I think. . . The Bob Currys are busy with plans for the addition of a new bath, bedroom and den to their lovely home on Charles Street. Widely known for her genius at bestowing glamour, Mrs. Curry never disappoints her friends at those backyard steak parties. There are always many candles aglow and stunning arrangements of fruit and flowers. . . The family has been to Colorado's Skyline Ranch lately—enjoyed a roaring fire every evening. Cabin decor was lovely. Alleith reports. . . Wouldn't you know???

PAMPA HAS PLAYED HOST to lady golfers this week as well as rodeo fans. It was nice to see Panhandle Women Golfer's Association members gather together for fun and competition. Watch this Lila Austin, young sister of the Pampa Country Club's golf pro. . . We think she'll go places in the golf world. . . They say she hasn't been in the rough for years! She's known for her mature sportsmanship although she's barely a teenager.

THEY'VE DONE IT AT LAST and we're hopefully watching to see them in Pampa. . . Golfmobiles, newfangled three-wheeled electric carriages. They hold two passengers in cool serenity under a fringed sunroof and can tool along at 14 miles per hour, up and down hill. There's a rack in back for golfclubs. President Eisenhower, Harpo Marx, Bob Hope and Bing Crosby are among happy owners. . . If the VIP in our family should ever own one, he might find it being used for unexpected purposes. We can all think of interesting possibilities.

TRY USING THIS EACH MORNING FOR A MONTH. (And see if people don't notice a difference in you)

Let me be so strong that nothing can disturb my peace of mind.  
Let me think only of the best, work only for the best and expect only the best.  
Let me wear a cheerful countenance at all times and have a smile ready for every living creature I meet.  
Let me be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of troubles.  
Let me live in the faith that the world is on my side as long as I am true to the best that is in me.  
—Adapted from the Optimists' Creed.

AS ONE ACCUSTOMED to giving orders and having them obeyed; to having teenagers stiffen to inattention at a word, I'm hardly qualified to give any advice about avoiding turning out the obstreperous, self-centered brand of teenager but maybe Mrs. T. E. Darby could. Son John is really a fine citizen. . . He devotes many hours every day to teaching Red Cross water safety and swimming classes of students of all ages. A conscientious student and athlete, he's also very fine fare for young feminine eyes.

Till next week,  
Always your  
Peg

PRESENTED BIBLE — Shown presenting a Bible to Miss Anna Enloe, right, is Rev. Carroll B. Ray, pastor of the Central Baptist Church, during a Young Women's Auxiliary candlelight service recently. Also participating in the rite, shown left to right, are Miss Evelyn Patterson, YWA president, and Mrs. Harold McCleery, the group's counselor. (News photo)

## Here's Special Tip To Worried Fighter Of Waistline Bulge

If you love to eat. . . if you're on vacation and all foods look twice as good as usual. . . if the pounds are beginning to pile on and your zippers no longer zip as they used to. . . if you hate the thought of facing your friends back home with those added ugly bulges. . . then this is a special note to you.

Of course it's something to do with dieting. But it's such an easy way to diet it won't interfere with your vacation fun. The aim is not to eliminate any foods you like, but to eat something of everything in small quantities. And at the same time, here's a little trick you can use to keep from getting hungry, so that you can stick to your diet.

Just nibble on some sugar-containing foods or beverages between or before meals. What will this do for you? It will raise your blood sugar level and curb your appetite.

New medical research findings at Harvard University's School of Public Health, you see, have documented the simple fact that healthy people get hungry when their blood sugar level is low. Sugar raises the blood sugar level faster than any other food, so to keep from overeating, eat or drink the good foods and beverages that contain sugar.

A sensible, workable reducing diet — one that doesn't set you apart from others at mealtime — must include all of the basic foods needed for a balanced diet. But you simply don't eat as much of each — thanks to sugar beforehand.

Thus, a mid-morning snack of coffee and a water or tea — can prove to be your hunger control, as well as a wonderful source of quick energy. This may surprise you, but a teaspoonful of sugar, which can help you cut out so many extra calories, itself contains only 18 calories! So sweeten your coffee!

## Sound Off By A Leaguer

"The task of maintaining freedom and purity of the ballot is a most serious problem. Unquestionably there is considerable illegal voting in Texas."

The foregoing statement was taken from "State and Local Government in Texas," a text used in state supported schools throughout Texas.

Certainly in most of Texas there is no illegal voting. However, the League felt that certain revisions in the Texas election code were needed. With this in mind, there has been an inter-league study of the election laws the past year. At the state convention of the League this resolution was proposed:

"All supervisors appointed by the county commissioners shall be qualified voters of the county in which the precinct is located. As the law reads at present, any qualified voter in the state may be appointed as supervisor, no matter where his residence may be."

The Pampa League is proud to say that this resolution was adopted by both political parties at their conventions, to be presented at their respective state conventions. We feel that our study has been rewarded and our hope is that those parts of the state which need further checks on their elections will be benefited.

The Board of Equalization of the county commissioners' court will meet at 9 a. m. Thursday. All members are urged to attend this meeting as it is directly related to our local item of study — a continuing study of county and city tax structure.

AUGUST BRIDE — Mr. and Mrs. John Pat Green of Opelousas, La., announce the engagement and approaching marriage of their daughter, Jean, of Big Spring, to Tommy Sells, son of Mr. and Mrs. E. A. Simonton, 112 S. Nelson. The couple will be married Aug. 15 in Big Spring. Miss Green and Mr. Sells were both graduated from Pampa High School. Miss Green, a laboratory technician, is a graduate of Gradwell Laboratories, St. Louis, Mo., and Mr. Sells will continue his studies this fall at Sul Ross State College, Alpine. (Photo by Clarence's Studio)

## The Pampa Daily News Women's Activities

PAMPA NEWS, SUNDAY, AUGUST 8, 1954 Page 11

### Average Person Consumes 48 Pounds Of Ice Cream During One Year Period

You're eating 48 pounds of ice cream per year if you're average. That's exactly twice the amount you averaged from 1925-29 according to records from Agricultural Marketing Service.

Ice cream was manufactured commercially about 150 years ago and it has been increasing in popularity ever since.

But why shouldn't it? It has a soothing, luscious taste that makes it a joy to eat. Too, it contains many of the nutrients all of us need for good health.

As a dessert, it gives sparkle to what might have been a colorless meal. And there's nothing like a dish of ice cream for an in-between snack to perk you up when you're tired.

Vanilla is the most popular flavor, whether the ice cream is made at home or bought in a carton. Your next choices are chocolate and strawberry in that order.

There are many, many other flavors to keep ice cream high on the popularity poll — plain banana, banana nut, maple nut, cherry, black walnut, peach and pistachio, to name a few.

Then you have an endless choice of toppings if you don't like your ice cream plain. One flavorful topping is frozen orange juice. Preserves and jelly are popular.

### Guests Can Grill Own Fruit Kebab

For that climax to a party which makes its "memory linger on," plan a fruit kebab for your next backyard grill dinner. Set out a large dish of varied, colorful pieces of sweet, juicy fruit, a skewer for each guest and let everyone string his or her own.

Then comes the toasting over the grill and the basting with a minty-honey-grapefruit juice sauce.

The fruit kebab should follow a dinner of special filled hamburgers, small new potatoes that have been boiled in their skins and rolled in melted butter with finely chopped parsley; a big dish of crisp cole slaw — and of course bottles and bottles of ice cold Col.

### Good Luggage Must For College Student

Few other necessities on a student's "needed" list for college last as long or add to prestige as good luggage. In many dormitories, students practically live out of a suitcase or trunk. Frequent visits home of overnight jaunts make luggage bought for student use an investment which should be carefully considered.

Boys most frequently come out on the short end of things when well-meaning friends or relatives present them with family discards — and too often the unmatched, unfashionable cases are actually designed to be used by a woman.

The average fellow with an eye towards being in fashion will want a masculine-styled "sui generis" bag and companion for accessories. A brief case or attache case will carry papers as well as a change of linen for an overnight trip. Popular colors are ginger and auburn, in that order.

A girl needs a basic set which may begin with either a pullman depending on her packing preferences. A train box or fitted case for cosmetics, and a weekend bag to match will see her through most of her travels. Also useful are hat-and-shoe cases or separate bags for each, and the all-purpose duffel bag which doubles for sports.

Fashion-wise, there is an almost unlimited choice of color, material and style from which to choose. Gay plaids, eye-catching stripes, or elegant solid tones are available.

For long life, choose carefully constructed luggage — important details such as firmly attached handles, smooth lining and neat stitching usually indicate a well-made case. For expensive luggage which will take more than the average number of trips, luggage covers will help preserve the finish.

- FRUIT KEBAB**
- 1 container of halved peaches
  - 1 container of halved apricots
  - 1 container of large prunes
  - 1 fresh pineapple
  - 1 fresh cantaloupe
  - 3 bananas
- Drain preserved fruit and pineapple and bananas cutting them into pieces large enough to string on a skewer. Mix all together in a large dish and marinate for 1/2 hour with:
- 1 cup grapefruit juice
  - 1/2 cup honey
  - 1/2 teaspoon chopped mint
- Broil the fruit from 3 to 8 minutes, basting with plenty of the sauce in which it was marinated. Slide off the skewers to a plate and eat.
- For the filled hamburgers make the cakes thinner than usual. On one cake place a teaspoon of onions cooked in butter until soft and thin piece of store cheese or cheddar. Cover with another cake of hamburger, mold both together into one thick cake and place on the grill. Fill another with thinly sliced mushrooms cooked soft in butter and still another with a thin slice of blue cheese.
- For the cole slaw slice the cabbage paper-thin and give color as well as health slice into it a whole raw carrot and half a green pepper. Crisp the cole slaw in the refrigerator and pour your favorite French dressing over it just before serving.

MARRIAGE ANNOUNCED

Mr. and Mrs. J. W. B. Archer, northwest of city, announce the marriage of their daughter, Marietta, to Johnny Robert Hayes, son of Mr. and Mrs. J. H. Hayes, 1245 S. Hobart, July 31, in Tucumcari, N. M. Rev. Arlow Alb...

Beauty Combines Grooming, Manners

By ALICIA HART NEA Beauty Editor Good grooming and good manners should always go hand in hand. The woman who possesses great beauty is at a loss if her lack of interest and rudeness at a party paint a sharp contrast to her physical attractiveness.

Home And Foreign Missionaries Speak To Baptist WMU

Foreign and home missionaries were speakers at the monthly Royal Service Program of the First Baptist Church W. Me U. last Wednesday. Speakers were Mrs. J. M. Cruise, missionary to the Navajo Indians at Sacaton, Ariz.; Miss Lorene Tilford, missionary from Formosa; Mrs. Ben Oliver from Brazil; and Dr. William C. Gavento from Nigeria. Another speaker was Dr. Harold Graves.

Make Own Bowl For Centerpiece

NEW YORK — If you're planning a summertime party and you'd like to serve from a pretty punchbowl in the center of your table — but you don't have a punchbowl and your budget won't allow you to buy one — do an even better thing... make one! Here are some suggestions for a table centerpiece — that's a conversation piece as well, explained in the August issue of a teenage magazine.

LaJuana Ballard And Donald Stipe Marry In Double-Ring Ceremony

CANADIAN — (Special) — Miss LaJuana Ballard, daughter of Mr. and Mrs. J. W. Ballard, became the bride of Donald Eugene Stipe, son of Mr. and Mrs. Maurice E. Stipe, Danville, Ind., in a double-ring ceremony recently in the First Christian Church. Rev. Raymond Rowsey read the nuptial vows.

Campus Sweaters Have Bulky Look

By GAILLE DUGAS NEA Women's Editor NEW YORK — (NEA) — The easy look is the important look in fashion on the campus this fall. This means ease of fit (bloused silhouettes or middy silhouettes) and ease of fabric.

Chickens Are Better Today

Until about twenty-five years ago, nobody in this world had tasted really good fried chicken. That was not because grandmother didn't know how to fry chicken, but because there was no really good chicken to fry.

Kitchen Shower Honors Bride-Elect

MR. AND MRS. BUSTER IVORY

### Miss June Bull And Buster Ivory Wed In Single-Ring Ceremony In Wyoming

Miss June Bull, daughter of Mr. and Mrs. F. E. Bull, 1601 N. Russell, became the bride of Buster Ivory of Denver, Colo., son of Mr. and Mrs. Anthony Ivory of Salinas, Calif., July 29 in the First Methodist Church, Cheyenne, Wyo. Rev. Fred H. Clark officiated at the single ring service.

Given in marriage by Bill Linderman of Walla Walla, Wash., the world's champion cowboy, the bride wore a gown of white lace. The fitted bodice was fashioned with a V-neckline and three-quarter-length sleeves. The bouffant skirt was ballerina-length. Her shoulder-length veil fell from a cap with scalloped edges and decorated with seed pearls. She carried a white Bible, topped by two white orchids.

For a honeymoon, the couple is touring the rodeo circuit. They will be at home in two weeks at 325 E. 17th Ave., Apt. 16, Denver, Colo.

The bride is a graduate of Lefors High School and has been very active in rodeos here and around the circuit. She is employed as a secretary for Gene Auffy and Colbern Rodeos.

Among the Pampan attending the wedding were Mrs. F. E. Bull, Mrs. Sam Williams and Mrs. Lou Gething.

Matron of honor was Mrs. Tater Decker of Clayton, Okla. She wore an aqua lace ballerina-length gown, fashioned similar to that of the bride. Her accessories were pink, and she carried a nosegay of pink gardenias.

Bridesmaid was Miss Liz Russell of Henrietta. She wore an orchid ballerina-length gown of lace with matching accessories. She carried a nosegay of orchid gardenias.

Casey Tibbs of Fort Pierre, S.D., served as best man. Groomsman was Bill Ward of Angles Camp, Calif., and Tater Decker of Clayton, Okla., was an usher. Bobby Clark of Cheyenne lit the candles.

For her daughter's wedding, Mrs. Bull wore a black and white crepe dress with white accessories. Her corsage was of white gardenias.

The couple was married before an altar, flanked by tall baskets of white gladioli and candelabra with white tapers. Miss Betty Clark of Cheyenne, Wyo., was organist. Her numbers were "I Love You Truly," Mendelssohn's "Wedding March," "The Lord's Prayer," and "Because."

Following the ceremony, a reception was held in the Frontier Hotel ballroom. Mrs. Lou Gething of Pampana registered the guests, and Mrs. Sam Williams of Pampana served the cake. Mrs. Bill Linderman of Walla Walla, Wash., presided at the punch bowl.

The three-tiered wedding cake was decorated with white and orchid flowers, topped by a miniature bride and bridegroom.

Shown with lining in a contrasting color.

Casual wear takes in wool jersey, sometimes with knitted trim, and the tweeds. Raincoats for travel are designed for the ultimate in light weight and packability. Many of these are taffeta, some reversible.

Linings are picturesque. They are done in color for drama, in wool jersey or alpaca for warmth, in stripes and patterns for glamor.

### Baptist WMU Has Service Program

A supper was served recently in the backyard of the W.F. Vandenberg home, 403 N. Purviance, for members and guests of the Hobart Street Baptist Women's Missionary Union Circle.

The Alma Jackson Circle was in charge of table decoration and serving. Following the meal, the Juanita Harper Circle presented a Royal Service Program on Indonesia. A large map of that country was used and each person on the program had a letter to place on the map to spell out "Indonesia."

The program was closed with a devotional, "Let Your Light Shine," by Mrs. Chester O'Brien. Program leader was Mrs. Preston Wallace.

Those attending were Meses. Mildred Stephens, Garvis Frazier, Bill Wright, Doris McMahon, Ernest Winborne, Lonnie Schaub, Jimmie Mann, Kenneth Riley, Kathryn Hickson, R. F. Utzman, Warren Jackson, Ed Gentry, Raymond Lash, Jerry Hurst, R. K. Douglass, J. R. Horton, W. D. Pate, Claude Brock, Joe Murphree, Charles Tingle, Harry Dean, Warren Coll, Jack Gist, Carl Ammons, Jasper Tackett, Harold Stephens, Ralph Eaves, Leonard Hollis, M. D. Crowell, Gertrude Monson, A. R. Harvey, John Wilde, Vandenberg, Wallace and O'Brien; and Miss Mary Lou Douglass.

### Baptist Circle Holds Meeting

A stewardship program was presented by Mrs. Oliver Trimble at the meeting of the LaNell Bedford Circle of the First Baptist Church last Thursday evening.

The circle met in the home of Mrs. William Poley, 1515 Hamilton.

The meeting was called to order by Mrs. Poley, chairman, and the opening prayer was given by Mrs. Don Egerton.

Mrs. M. J. Foster closed the meeting with prayer.

### Skelly OES Has Dedication Service

SKELLYTOWN — (Special) — The Order of Eastern Stars met in the White Deer chapter rooms for a dedication program recently.

Mrs. Herbert Harris, worthy matron, and Joe Wedge, worthy patron, were in charge of the meeting.

Mrs. Margaret Saxe of Elk City, Oklahoma was a special guest on the program. Mr. and Mrs. Henry Gentry, who are OES members in Louisiana were also guests.

Hostesses for the social hour that followed the business meeting were Meses Clarence Hoskins, Frank Hewitt and Everett Crawford.

Refreshments of lemonade, sandwiches and potato chips were served. Attending the dedication were Meses. and Mmes. Joe Wedge, John Kenney, Bill Price, Leslie Burba, Millard Stone, Frank Hewitt, Fred Genett, Henry Gentry, and Mmes. J. C. Jarvis, Art Imel, Dolly Jackson, Kenneth Geyer, Floyd Franklin, Jimmy Crawford, Joe Wheeler, Jessie Pearson, Kelly Bolling, Eva Inman, Ralph Wrinkle and Margaret Saxe.

### A Dessert for Any Party

CHOCOLATE is a favorite. BANANAS are too— Combined in a CREAM PIE, this is doubly true!

For a sure thing at a party, be it for men, women or children — try Chocolate Banana Cream Pie. There can be no more popular combination of flavors than chocolate and banana, nor a more wholesome one than milk and fruit. Even the hostess-cook is pleased with this pie because she knows that if she uses a package of chocolate pudding

and pie filling mix and two fully ripened bananas (yellow skin flecked with brown) success is guaranteed. . . . assurance is doubly sure.

CHOCOLATE BANANA CREAM PIE

1 pkg. chocolate pudding and pie filling  
2 cups milk  
Combine pie filling mix and milk in saucepan. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat. Cool only about 5 minutes, stirring once or twice. Slice bananas and arrange in cold pie shell. Cover with the filling. Chill. Whip cream, sweeten with sugar, and spread on pie.

Note: If desired, garnish chilled pie with border of 1/2 cup cream, whipped. Decorate with additional banana slices and pecans.

### Wise Packing Is Aid To Cruise Pleasure

Even if your vacation is one of those budget cruises which are becoming so popular, wise packing can increase your travel pleasure no matter how little time or money you have to spend.

If your ship is your hotel, a trunk is a good choice. There are large ones which hold dresses on hangers, provide drawers and compartments for accessories. A traveling garment bag will keep the wrinkles out of tussy party dresses and hold coats as well. Flat packing trunks are also widely used for ship travel; a removable tray handles shoes and small items.

If you're planning stop-over visits to several different places, a big pullman case, a hatbox and duffel bag or cosmetic case should be adequate. Porter problems and expenses are solved when you add luggage wheels to the largest piece and wheel your own.

A one-stop cruise will call for a different luggage "wardrobe." The trunk is still a good idea — with a piece or two of hand luggage or a duffel bag for going to the beach, shopping, or all-day sight-seeing excursions.

Keep these recommendations in mind: a passport case is excellent whether or not you need special permits for traveling — its extra capacity is handy as you accumulate photos, addresses, etc. Your travel iron should be equipped for both AC and DC current, and have a converter plug.

### Pampan Celebrates Eightieth Birthday

Mr. and Mrs. C. S. Boyd, 520 N. Zimmers, entertained relatives and friends recently at a celebration of Mr. Boyd's eightieth birthday, and the birthday of his grandson, Roy Hemphill.

Present for the occasion were Meses. and Mmes. J. T. Boyd, Carol Sue and Dolly of Panhandle; Jack Boyd, Charles and Bob of Kellerville, and their grandson, Earl Curtis Boyd of El Paso; Elmer Hemphill, Roy, Dave, David, Evelyn and Pat of Skellytown; Andrew Webb of Pampana; Roy Kuykendall and daughter, Mrs. Joyce Cockrell and her son Roy Lynn, all of Amarillo; and Elmer Smith, Doris Jean, Nana Sue and Richard Lee of Panhandle.

If you've chosen a vinyl plastic case for your sunglasses, you'll find a sudsy cloth will remove all fingerprints, salt water or suntan oil.

### Rainwear For Fall Is Pretty, Practical

By GAILE DUGAS  
NEA Woman's Editor

NEW YORK — (NEA) — Prettiness and practicality point up fashions in rainwear for fall.

Fitted, semifitted and wide coats all have importance and are cut from fabrics formerly unusual in the rainwear field. Fabric interest, plus color, puts these new coats into classifications ranging from casual to the rather formal short coats meant for late-day or evening wear.

There are a good many raincoats in leather, some of these with detachable fur collars. White is favored for leather coats but black and other colors are used, too. Brocade and tapestry effects for dressy raincoats get pretty trim in the form of washable velvet collars and cuffs. Velveteen is intended for evening, frequently is

### Shower Compliments Mrs. Charles Davis

WHEELER — (Special) — A bridal shower was given for Mrs. Charles Davis, the former Miss Nancy Walker of Briscoe, recently in the Briscoe School gym.

Hostesses were Meses. Doyl Standlee, Wanda Childress, Clint Hudson, Ewell Steen, Roy Waters, Ed Riley, Joe Mitchell, Dalton Vaughan, Lucille Tipps, Leonard Fuls and Misses Leona Caudell and Martha Standlee.

Mrs. Joe Mitchell presented vocal selections, accompanied by Miss Martha Standlee at the piano. Accordion duets were presented by Meses Fern and Donna Titchell, and Miss Janet Russ played a piano solo.

Receiving with the honoree was her mother, Mrs. Cliff Walker, and her aunt, Mrs. Floyd Hunter of Pampana.

Speaking of plaids, fashion reports say the bigger the better this Fall. Here's a handsome one by Nelly Don in a smart new silhouette.

Fine quality wrinkle-resistant cotton in black, navy, brown.

17.95

*Nelly Don*

The dark gingham-dandy dress looks smart on the campus . . . in the office. Long, slender midriff above a full, young skirt. New-looking notched tucking gives top-interest. Red, green, brown, blue (all with black checks), wrinkle-resistant.

## Stars and Stripes

PFC John F. Marlin, 21, son of Mr. and Mrs. Jim Marlin, Panhandle, is serving with the 50th Signal Battalion, part of XVI Corps in Japan. A pole lineman in Company A, Marlin arrived overseas in June from Fort Leonard Wood, Mo. He has been in the Army since February 1953.

Marine S-Sgt. Richard D. Cook, son of Mr. and Mrs. W. R. Cook, Route 1, Box 79, Pampa, took ceremony at Pearl Harbor July 31. A brigade parade and review and jet aircraft flyover was the official "Aloha" to Lt. Gen. Franklin A. Hart of Eufaula, Ala., first Marine commanding general ever to retire outside the continental United States.

Units of the U. S. Pacific Fleet, participated in naval and amphibious "war games" off the coast of Southern California during the month of June. Aboard the lead-

### At Least 9 Die In Morocco Riot

PORT LYAUTEY, Morocco, Aug. 7—UP—A Moroccan mob slit the throats of two French women Saturday and clashed with French troops in a battle here in which at least seven other persons were killed and 32 wounded. Police said the French women still were unidentified, but that two other women, Moroccans identified as Mrs. M. Gundos and her daughter, Marcelle, were killed in the clash. Two other Moroccans and three Europeans were also killed. The death toll was "provisional," police said and might mount as French troops tried to quell spreading riots in this French North African protectorate. The Europeans killed were a French soldier and two civilians. There were two Europeans among the 32 wounded, police headquarters in Port Lyautey said.

## Major Legislation Pending In Capital

WASHINGTON, Aug. 7—UP—Status of major legislation in Congress:

**FARM**  
Senate continues debate Monday on House-passed flexible price supports, including wool grower subsidies.

**FOREIGN AID**  
Senate and House action pending on compromise \$3,054,588,000 military-economic aid authorization.

**ATOMIC**  
Senate and House action pending on compromise to amend atomic energy law.

**POSTAL**  
House Post Office committee scheduled new vote Monday on 5 per cent postal pay increase. Senate approval doubtful unless includes all federal workers and contingent postal rate hike.

**DEBT CEILING**  
Senate finance committee approved bill increasing \$275 billion national debt ceiling by \$8 billion.

**SOLDIER PENSIONS**  
Senate Finance committee approved House-passed bill increasing non-service connected pensions by 5 per cent. Senate and House previously voted 5 per cent raise in service-connected pensions.

**SCHOOL AID**  
Senate and House action pending on \$500 million, two-year federal aid to schools construction program.

**TAXES**  
A \$1,363,000,000 general tax revision program awaiting President's signature.

**COMMUNIST CONTROL**  
Bills in legislative pipeline or approved covering witness immunity, outlawing Communist party, providing death for peacetime spies, opening way to barring Reds from defense plants, raising penalties for bail-jumpers, stripping subversives of citizenship, legalizing some types of wire-tapping, and taking pensions from federal "reds."

**STATEHOOD**  
Alaskan-Hawaiian statehood believed dead for session.

**HEALTH**  
Action doubtful on House plan to revive President's \$25 million health re-insurance plan.

**TAFT-HARTLEY**  
House action doubtful on Presidentially endorsed bill to amend Taft-Hartley law to prevent "union busting."

**COFFEE PRICES**  
House action doubtful on two Senate bills to put New York Coffee Exchange under federal regulation. Major bills passed this session and signed into law.

**TAXES**  
Cutting excise taxes by almost \$1 billion.

**ACADEMY**  
Authorizing \$126 million Air

## Wireless Centennial To Be Noted

MARSHALL, Tex., Aug. 7—UP—Dignitaries from Texas and Louisiana will join Marshall townspeople Aug. 12 in observing the 100th anniversary of telegraphic service to Texas. The first tree-strung telegraph wire in Texas was put up on Marshall in 1854 as citizens looked on in amazement. A yellowed page of "The Texas Republican," published that year, said: "No longer are we cut off from the rest of the world by low water, slow mails, and the lack of transportation." Gov. Allan Shivers will attend the celebration and be presented a plaque for the state by Western Union Telegraph Co. Since the first crude line ran from the growing little city of Shreveport, La., to Marshall in 1854, Shreveport Mayor Clyde Fant will make the plaque presentation. Museum pieces of telegraphic equipment will be exhibited—along with the latest type of high-speed equipment.

DUANE BELL... scholar coming home

## Perryton's Honor Scholar Coming Home

PERRYTON (Special)—Duane Bell, Perryton's first Rhodes scholar, sailed from Southampton, England aboard the French liner "Liberte" Tuesday and is scheduled to arrive in Amarillo Monday morning. He is the son of Mr. and Mrs. Aldon Bell. Duane has been a student at Oxford University, Hertford College since September, 1951 on a Rhodes scholarship. While he has been there he has had the honor of serving Hertford College as president during this year. President is similar to being president of the student council. Bell, who graduated from Perryton High School in 1947 as valedictorian of his class, is a history major. He received bachelor and masters degrees from Oxford. He received his AB degree at the University of Oklahoma in June of 1951. Dennis Bonney, an English friend of Duane, is coming home with him for a visit. Bonney is an exchange student and he will enroll at the University of California, Berkeley, California, for the fall term.

## Home Love Blamed In German Riots

BREMENHAVEN, Germany. The riots started three days ago Aug. 7—UP—German housewives said Saturday that their love of home, not anti-Americanism, caused them to fight eviction in Bremen-haven's "housing project riots." "We have no quarrel with the Americans," Frau Gerda Mueller, wife of the leader of the house-holders' committee said. "We like them as neighbors and there are many American families living in this district. But we want to keep our homes." With the help of 5,000 shipyard workers, the families repulsed the police. They still refuse to budge from their homes.

**Wonderful Mexico has...**

such a favorable exchange... (Now 12.50 pesos to the U. S. dollar)

such a naturally cool climate... (Average suntime temperature in Mexico's mountains is 65° to 79° and the nights are "topcoat cool".)

such a lot to see... (From its timeless pyramids to modern cities, Mexico offers a "foreign" vacation right next door.)

**In Fact... Wonderful Mexico has everything!**

**ONE YEAR AGO TODAY**  
June Bull, Pampa, and Jean Porter, Dalhart, were named Cowgirl Sponsor Contest winners at the final Rodeo performance. John Farris was named All-Round Cowboy.

**FIVE YEARS AGO TODAY**  
Don Forsha won first place in a photo contest held by the Pampa Camera Club. Jim Elson won second and Neil Johnson third.

Pampa's newly organized Moose Lodge announced its meeting in the Palm Room.

**TEN YEARS AGO TODAY**  
John L. Bradley was appointed OPA rent control inspector for the Pampa area.

Fire Chief Ben R. White made a report on the demonstration fire fighting which was held on the 100 block of N. Russell, opposite the City Hall.

**STILL DAPPER**

Former Pres. Harry S. Truman appeared much thinner but still dapper and jovial as he walked from his home in Independence to vote in the Missouri Primary. This is first picture of Mr. Truman since his operation and hospitalization last June.

**TRYING TO SMELL OUT A FEW CLUES**

SAN FRANCISCO, Aug. 7—UP—Police Saturday tried to pick up the scent of the thief who stole a jeweled box from the front seat of an automobile at the farmer's market Friday. The box contained a wreath of 54 garlic cloves.

**Police Chief Urges Citizens To Know Their 'Signs Of Life'**

"A pedestrian who disregards signs of life often is breaking the law," Chief Jim Conner of the Pampa Police Department emphasized this point in connection with the "Signs of Life" traffic safety program being sponsored locally this month by the Pampa Citizens' Safety Committee and the National Safety Council.

"Pedestrians killed in traffic," he said, "often have been crossing at intersections against the signal, crossing intersections diagonally, or crossing between intersections."

All these actions are violations of the law, the chief pointed out, and usually are covered by signs of life.

"One out of four traffic victims is a pedestrian," he said, "and more than half the people killed in city traffic are pedestrians."

"Certainly many deaths could be avoided if pedestrians crossed streets at the proper places, and obeyed traffic signs of life where they are provided."

It's a mistake to think that signs of life are for motorists only, according to Chief Conner. Actually, they're intended to guide and protect pedestrians as well.

"Both drivers and pedestrians,"

Committee and the National Safety Council, 'Know Your Signs of Life.'

Eden on Vacation  
VIENNA, Austria, Aug. 7—UP—British Foreign Secretary Anthony Eden and his wife arrived here Saturday for an Austrian holiday in the province of Carinthia.

**Drouth End In Southwest Not Foreseen**

WASHINGTON, Aug. 7—UP—The chances for an end to the Southwest dry spell are "not favorable," according to the chief of the government's drouth relief program.

Testifying before the House Agriculture committee Friday, Kenneth L. Scott said normal rainfall is expected in eastern sections of the country this month, but the forecast for the hard-hit Southwest is continued high temperatures.

In response of questions from the 36 congressmen who attended the session — most of them from drouth areas — Scott denied that politics play any part in selecting counties where farmers are eligible to apply for government-subsidized feed.

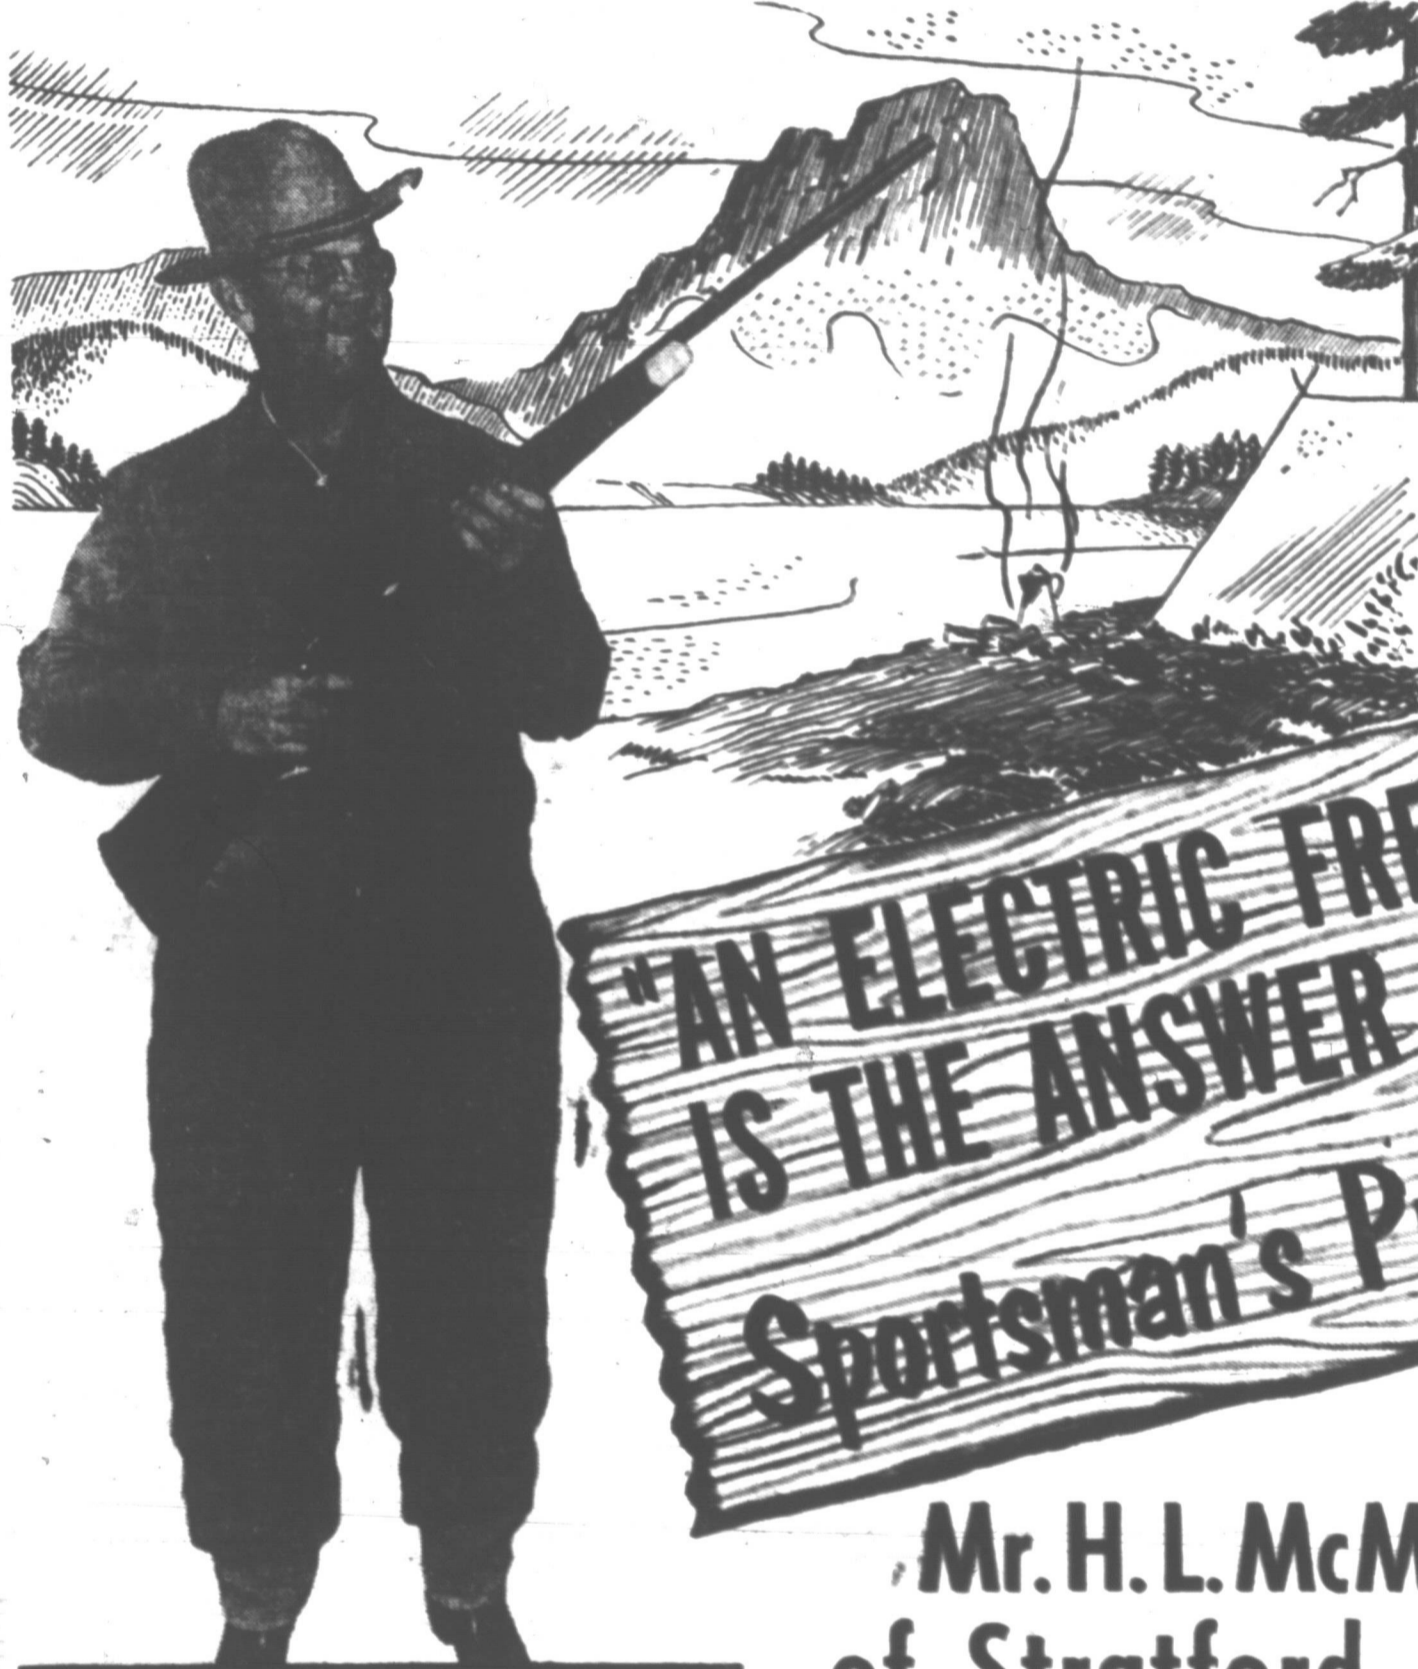

Scott's outline of measures prepared by the government to help drouth-stricken farmers and ranchers included:

1. The Agriculture Department is revamping its multi-million dollar agricultural conservation program so subsidy payments can be made for conservation practices which are most helpful in combating the drouth.
2. The department is considering subsidization of feed for hogs in drouth areas. The subsidy program now is restricted to feed for cattle, sheep and goats.

**Wheeler Polio Victim 'Fair'**

Bill Pearce, 9, Wheeler county's first polio victim of the season, was reported in fair condition Saturday in Northwest Texas Hospital in Amarillo. He is the son of Mrs. Audrey Pearce, Wheeler.

A hospital official said at present there was no paralysis. Diagnosis of young Pearce's case was made in Shamrock. Spinal taps had proven the case was definitely polio.

says  
**Mr. H. L. McMAHEN**  
of Stratford, Texas

"It sure is nice to have some trout or a piece of bear meat around whenever that's just what I feel like eating. I can live last year's fishing and hunting trip over again, and enjoy a good meal to boot. I recommend a freezer to anyone who goes hunting or fishing."

A sportsman like Mr. McMahan gets a real pleasure out of sharing his catch with friends. And Mrs. McMahan finds it easy to prepare a fish dinner in a hurry. Right after the catch, she puts cracker meal on the fish, cooks and freezes them. When friends drop in, a fresh fish dinner is just a matter of warming an already prepared meal.

Keep the pleasure and good eating of your hunting and fishing trips all year round. Keep your fish and game in an electric home freezer.
