British Delegate Warns Russia

DIGGING OUT—A storage garage in the heart of New Orleans collapsed during the hurricane, burying its stored automobiles beneath twisted steel and broken bricks. Damage to automobiles and buildings in the downtown area was considerable.

NEW YORK—(AP)—Britain warned today that if the Soviet Union persisted in trying to force its own will upon the world "the unstable peace will crumble and give way to hideous consequences."

British Minister of State Hector McNeill delivered this warning before the United Nations Assembly in a 6000-word basic policy statement for the United Kingdom. He then denounced the charges of Russia's Andrei Y. Vishinsky that there is "war-mongering" in the United States. McNeill called Vishinsky's attack "a comedy piece."

Truman, Marshall To Study Troubles

WASHINGTON—(AP)—A Cabinet Food Committee agreed today on future food exports they will recommend to President Truman. Secretary of Agriculture Anderson announced the agreement to reporters, but declined to give any details. The committee meets with the President at 1 p. m. (CST). The Food Committee meeting was the first of a series of top administrative conferences, including a Cabinet luncheon, on the general problem of how the United States can help Europe meet emergency needs this winter.

A part of this question is this second one: Should Congress be called into special session to speed aid?

The Food Committee meeting, held in Anderson's office, was attended by Secretary of State Marshall, Secretary of Commerce Harriman, Undersecretary of State Lovett, Secretary of War Royal, Undersecretary of Agriculture Dodd, and food experts of the State, Commerce and Agriculture Departments.

The Cabinet committee is composed of Marshall, Anderson and Harriman. Marshall declined to discuss the meeting except to say that he was satisfied with the results.

Because of this year's short crop, Anderson indicated Saturday that he would recommend that grain exports this crop year be cut substantially below last year's 575,000,000 bushels.

Whichever way they go, the policy decisions to be reached now or after additional study will affect the American pocketbook and the stomachs of hungry Europeans.

Linked tightly to the issue of high prices at home, these are the biggest questions at the moment. How soon and how much will the United States have to help Europe? Will Congress have to be summoned to a hurry-up session to approve additional aid?

But as the President and Secretary of State searched for the right answers, other international problems competed for a share of their attention.

The United Nations' General Assembly session in New York and the spectacular airing there of Soviet-American differences; conditions in China, Korea, Italy, France, Britain, Trieste, Greece and elsewhere. Some of these have changed materially since Mr. Truman and Marshall last saw one another last month.

Marshall flew down last night from New York where he heads the United States delegation at the Assembly meeting. His conference with the President today (at 12:30 p. m. EST) was sandwiched between two others with the cabinet committee. Mr. Truman created more of these have changed materially since Mr. Truman and Marshall last saw one another last month.

Secretary of Agriculture Anderson and Secretary of Commerce Harriman are the other two members. Marshall wants more food for Europe and more coal. Anderson favors trimming down American food exports. He says a reduction would help combat high domestic prices by causing the demand on the food supply.

In the Meantime, Can't We Form a Bucket Brigade?

Hoover Appeals for Voluntary Controls

NEW YORK—(AP)—Herbert Hoover said last night that the 1947 world harvest may yield as little as that of 1945 and he outlined steps needed "if large areas of the world are to be saved from mass starvation."

A doctor and nurse accompanied the former president to the Madison Square Garden meeting. The meeting in behalf of German relief was sponsored by the American Friends Service Committee, the Labor League for Human Rights (AFL), and Lutheran World Relief, Inc.

Hoover said: "Due to the failure of agricultural recovery in Europe and Asia, together with devastating droughts in other parts of the world—including the American corn crop—the next 12 months will be a grim food year."

The situation, Hoover said, calls for these steps: 1. The American farmers "must resist the natural tendency" to feed their surplus to animals at a time when coarse grains are scarce.

2. "Unnecessary human consumption and waste of food" must be stopped. Hoover added that "such measures in order to secure the best results, must be largely voluntary."

3. The world deficit can be met "only if we have full cooperation from the other surplus-producing countries and drastic control of distribution with elimination of black markets in the deficit countries."

Price increases which he said could "be very largely ascribed to over-exports of food" have complicated the situation. "The remedies for price increases lie in handling of surplus with an eye to keeping prices down in the stoppage of speculation and hoarding and, above all, in decreasing unnecessary consumption and waste," Hoover said.

Seven Killed in Truck-Auto Crash

SAN ANGELO—(AP)—Seven persons, one of them captain of the Texas Tech track team, were killed and one other critically injured late yesterday in a fiery auto-truck crash 30 miles southeast of here.

The dead were identified as: Hewitt Allison, 25, of Lubbock, captain of the Texas Tech track team; Clarence Harless, Jr., 25, and his wife, Loraine Harless, 20, of Lubbock; Jerry Stewart of Berger, Texas, Tech student; Ralph Elliott, 50, Brady, Texas, ranch foreman; his wife, and their daughter Dorothy, 20.

Critically injured was Betty Roundtree Moore, 20, daughter of Mr. and Mrs. Dick Moore of Lubbock. The highway patrolman reported her in "fair" condition. Members of the Elliott family were riding in a pickup truck which caught fire after the accident. The other occupants of the sedan were believed by Capt. Ray Butler, State Highway Patrolman, to be returning to Lubbock from the University of Texas-Texas Tech football game played Saturday in Austin.

The bodies of Mr. and Mrs. Harless were taken to Lubbock this morning for burial. Allison's family was to arrive here today. Stewart was the son of Joe Stewart, Berger oil field worker. The father left Berger for San Angelo last night.

Local Club to Give Program in Amarillo

The Inter-Club Committee of the Pampa Kiwanis Club will present the program at the weekly meeting of the North Amarillo club tomorrow noon, it was announced today. Those who are making the trip have been asked to meet at the Gray County superintendent's office, Courthouse, at 10:30 a. m. The entertainment program will be furnished by the McMurtry Dance Studio. It was stated. To take part will be Sally Cobb, Rochelle Smith, Marquita Hall and Janice Isbell. Mrs. Roy Hall will accompany the dancers at the piano. Ed Weiss, member of the local club, will deliver the address to the group. The meeting will be held at 702 1/2 North Fillmore, Bennett Hall.

More Wind, Water Expected in Florida

NEW ORLEANS, La.—(AP)—Winds up to 60 miles per hour—only 15 below predicted today for storm-ravaged Southern Florida as a new tropical disturbance moved swiftly across the Gulf of Mexico.

The storm center, already lashing the coast with rain-laced whistling squalls, headed toward the Fort Myers-Tampa Bay area where it was expected to move inland tonight. It was only half the intensity of the great Atlantic hurricane which tracked destruction across Florida and then roared across the Gulf to devastate the rich Gulf Coast and New Orleans.

The Miami Weather Bureau said the newest blow was not expected to be dangerous.

However, the dismal job of laboring casualties and property damage continued along the coast of Louisiana, Mississippi, Alabama and extreme Northwest Florida. Forty-three were known dead, and there was apprehension of extensive flood damage to compound the desolation strewn by the hurricane itself.

Delayed reports from Gulfport, Miss., said beach areas still were blocked off, and residents were warned away because of venomous snakes, apparently washed ashore from outlying islands. Several reptiles were killed measuring from four to six feet in length.

Power trucks were brought from upstate Mississippi to spray ocean debris with DDT and lime to control odor and insects. State and municipal authorities conferred Sunday on requirements, and prepared to ask the War Assets Administration for relief stocks and heavy equipment to clean beaches and highways. Heavy timbers also were sought for bridge repairs.

Meantime, New Orleans and Southern Florida were plagued by the after effects of the hurricane which beat a path across the southern part of the peninsula Wednesday, spun out into the Gulf of Mexico Thursday and then headed north.

Local Scouts Stage Weekend Camping Trip

Approximately 75 Boy Scouts from three local troops spent the weekend on camping trips in preparation for the Adobe Walls Council camporee to be held at Lake McClellan in October.

We Saw . . .

The Pampa Senior High School students marching into assembly to listen to George Campbell, the man who spent eighteen years in blindness, give a lecture. The ordeliness, which is so apparent, should be a recommendation for both the student body and the faculty.

'Ole Double Debbil Eye' Offers Trumpet Player Chance of Lifetime

NEW ORLEANS—(AP)—Hurricane notes: The only man I know who enjoyed a practical advantage from "Ole Double Debbil Eye," the Caribbean hurricane, was an amateur trumpet player.

John Quarrer, who had worked the night before editing news at the Associated Press office here, arose from sleep at home as the hurricane reached its height.

He took up his trumpet and—with accompanying sound effects provided by nature—busted through "The Storm," from Rossini's "William Tell" overture. Quarrer matched "Ole Double Debbil Eye" note for note.

"Always did want to try out that trumpet part," during an actual storm," he said. Alligator wrestling has one advantage over chasing hurricanes. You can at least catch hold of the alligator.

Catching up with a hurricane is more difficult, and if you do, well, what have you got? It is a mighty poor place to light a cigar.

I caught up with the northern edge of the big wind at Fort Pierce as it was throwing its first punch at Florida, and followed it by plane, train, motor car and afoot until it blew itself out in Louisiana.

The first sight of a hurricane leaves you with a feeling of complete unreality. It looks and acts so much like a "corny" Hollywood version of a storm that you have the uneasy sensation of being an unwilling spectator in a "B" grade film. I guess it is the slanting rain that does it. The gusts look as if they were blown by a hidden wind machine.

That feeling disappears the moment you step outside. The winds claw at your breath, drench you through as if you had stepped into the face of a powerful fire hose.

Police later searched Fisher's house and found the hammer, but were unable to locate the weapon used in stabbing Ross. Fisher was placed in the city jail this morning transferred to the county. He was bound over to the September Grand Jury.

A. C. Troop Named Grand Jury Foreman

A. C. Troop today was appointed foreman of the Gray County Grand Jury for tomorrow which is the 31st District Court, by District Judge Lewis M. Goodrich.

The Grand Jury later adjourned until 10 a. m. Friday for deliberation of cases prepared by District Attorney Tom Brady. Judge Goodrich, in sounding the docket for civil jury cases, set 11 cases to be tried on Oct. 6 and Nov. 10. Only criminal case specifically set for this term is the State of Texas versus Jessie Lee Crawford, on Nov. 17. A total of 165 divorce suits are now on the docket and 191 delinquent tax suits.

JESTER TO SAN ANGELO AUSTIN—(AP)—Gov. and Mrs. Beauford H. Jester will leave this afternoon by plane for San Angelo where the Governor will open the West Texas Exposition tonight, his office has announced.

24 Texans Meet Violent Deaths During Weekend

At least 24 persons were dead today in the wake of a weekend filled with fire and violence. Seven persons, including five young people, died in a fiery truck accident.

Traffic caused the deaths of 11 others to lead the parade of weekend fatalities. Three persons died of gunshot wounds, one as a result of death in which he was killed by another and a plane crash claimed one victim.

Four of the victims in the truck-crash 30 miles southeast of San Angelo were believed to be Texas Tech, Lubbock, students. The other three were occupants of a pickup truck.

Dead in this crash, according to tentative identification, were Ralph Elliott, 50, of Brady, a ranch foreman; his wife; their daughter, Dorothy Elliott, 20; Cliff wife, Billie, 20; Hewitt Allison, 25, Lubbock and Jerry Stewart of Berger.

The Elliotts, occupants of the pickup, were tentatively identified by G. R. White, Brady rancher, employer of Elliott. The couple, identified as Mr. and Mrs. Elliott, were riding in the automobile with the Harlesses. Allison and Stewart, was critically injured and hospital attendants said she had little chance to recover. She was Betty Roundtree Moore of Lubbock. Investigators said they believed a tire on one of the vehicles blew out and the driver lost control.

The fire which followed the crash apparently was caused by an explosion of the pickup truck's gasoline tank. In another traffic accident, Jim Burton, 28, of Minden, Texas, died Sunday at Baird of head injuries suffered Sunday afternoon when the bus was riding and a recruiting van from the Fort Worth Army Air Base collided. Five other Negroes were injured, none seriously.

Mrs. C. G. Reeves was shot to death at Odessa Saturday afternoon. Sheriff Hugh Bailiff at Odessa said that a 62-year-old man, formerly of Abilene was being investigated in connection with the shooting.

Johnny Morton, 37-year-old Dallas waiter, was shot and killed Sunday afternoon. Sheriff Hugh Bailiff at Odessa said that a 62-year-old man, formerly of Abilene was being investigated in connection with the shooting.

A seven-year-old Negro boy was decapitated Saturday morning when struck by an automobile at Houston and a small unidentified Negro girl.

THE REMAINS—This is the way a 1932 "cut down" Chevrolet passenger car looked after it collided with a moving freight train at the H&A St. crossing a few nights ago. The car was driven by Charles W. Chase of LeFors who was not seriously injured.

Three Men Stage \$16,500 Holdup

BALLINGER—(AP)—City, county and state police today were on the lookout for three holdup men who robbed a wealthy oil man and his dinner guests of \$16,500 in cash and jewelry at the point of sub-machine guns.

Capt. Ray Butler of the State Highway Patrol Office at San Angelo said the bandits appeared Saturday night at the country meeting of E. S. Price, near here, and forced Price, his wife and their guests, Mr. and Mrs. O. B. Kaller of Hollywood, Fla., to turn over the money and jewels.

He said the bandits made their victims, who were at dinner, lie on the floor while they were robbed. Included in the loot were two diamond rings taken from Mrs. Price, one valued at \$6,000 and the other at \$2,000, and a diamond ring worth \$6,000 taken from her husband, Butler said.

When the holdup men fled they cut telephone wires and fired between 10 and 15 rounds into automobiles belonging to Price and Halter, making pursuit impossible. Both Price and Halter are oil men. The Price home is on the Tru oil lease seven and a half miles northeast of Ballinger.

THE REMAINS—This is the way a 1932 "cut down" Chevrolet passenger car looked after it collided with a moving freight train at the H&A St. crossing a few nights ago. The car was driven by Charles W. Chase of LeFors who was not seriously injured.

Man, Blind First 18 Years of Life, Sneaks in Pampa

George Campbell, who spent the first eighteen years of his life in total blindness appeared at the Senior High School and Junior High School in Pampa today making his first public appearance.

Campbell was born in Lawton, Oklahoma. His blindness was caused by a fever contracted pre-birth during the influenza epidemic.

He majored in public speaking at school and has developed into a very effective speaker. He has devoted the remainder of his life in a fight toward full protection of eyesight for other individuals, as he says, "I feel my present sight is a God-given opportunity to aid in conversation of sight for individuals who have never known what blindness means."

Campbell never used the Braille system in his school work. A student was assigned to him in each class to read each assignment. He memorized every word by pure concentration. Radio, he says, was his one bridge between his small world and the other world of activity. His mother and his father taught him many valuable things and ways were there to push him forward in his activity whenever he began to feel the urge to quit.

Science, trained optometrists, and men of the University of Chicago who aid in proper correlation in evening training are given credit by Campbell for his ability to see. An operation that removed the crystalline from his eyes, and a special set of glasses brought actual sight. It was not until he had been under the care of the specially trained men at the University of Chicago that he was able to make proper speed in reading and receive full benefit from his sight.

High School to Give First Radio Program

The first in a series of bi-weekly radio programs presented by the radio speech class of the Pampa Senior High School, will be presented Tuesday afternoon at 4:45 over KPNB. The class is under the supervision of Miss Thelma Henslie.

The programs will be heard on Mondays and Fridays throughout the school year.

EAST TEXAS—Fair tonight and Tuesday. Cooler tonight. Moderate to occasionally fresh northerly winds on the coast.

Buffs Cop Playoff Lead by Downing Dallas Rebels 3-0

DALLAS — (AP) — The Houston Buffs, leading two games to one, will send Al Papal, big righthander to the mound tonight aiming at putting the Dallas Rebels back at the wall in the battle for the Texas League championship.

The Buffs took their second victory in the best of seven game Shloughness final play-off yesterday as they trimmed the Rebels 3-0 before the season's record crowd in Dallas—11,876.

Clarence Beers, the league leading pitcher, hurled a five-hitter.

Houston got to Bobby Hogue for five hits and all its runs in the fourth inning. Hogue gave way to Joe Orrell in the ninth.

Manager Al Vincent of the Rebels announced he would call upon Rufus Gentry, who won two games over Fort Worth in the opening game of the final series at Houston Wednesday night.

The clubs play here again tomorrow night and if more games are needed, will go to Houston to finish up.

Rice-LSU Game Rated As This Weekend's Top Clash of the Nation

HOUSTON—(AP)—The Rice Owls will find out in a hurry if it's true what's being said about them.

As a trial horse they will use Louisiana State University at Baton Rouge Saturday night.

This game is tops in the nation for the week. It is probably the most important ever played this early in a Southwest Conference team. Each is a heavy favorite in its conference—Rice in the Southwest, Louisiana State in the Southeast.

The result should have a profound bearing on national rankings.

L. S. U. is considered much more powerful than it was last season when it did everything in the Cotton Bowl except score on Arkansas, the team that looked like a sure thing in stacked three deep in good spots at all positions. Since the teams battled on even terms last year, when L. S. U. won by the margin of a point after touchdown, and each appears to have improved as the other, there is no thought of forecast except a close, brilliant game all the way.

Ex-Army Great Tucker Stars for Randolph in Beating Mexican Team

SAN ANTONIO — (AP)—Arndt Tucker, who general Army to two straight unbeaten seasons, started Randolph Field off the same way yesterday as he pitched three touchdowns in the Rambler's 27-6 victory over National Military Academy of Mexico City.

A crowd of 7,783 turned out mainly to see Felix (Doc) Blanchard, Army's all-American, perform—out got only a glimpse of him. Blanchard retired with an ankle injury after boosting the opening kick-off.

Randolph Field scored three touchdowns in the second period two of them on Tucker's passing. Walter Stahl swept 14 yards around end for the other.

The Rambler's got their last touchdown after a 74-yard drive with Tucker passing to Jay Arnold from the seven.

Mexico's passing combination of Manuel Resendiz to Hector Cordoba, which had threatened consistently throughout the game, finally clicked in the last period as Resendiz kicked one over the goal from the Rambler 34.

Bums Still Striving For Pennant Clincher

Hubbers Win Loop Championship by Downing Sox 8-7

LUBBOCK—Virgil Richardson, lanky Hubber first baseman, clouted a home run in the eleventh inning, with nobody on base, to give the Lubbock Hubbers an 8 to 7 victory over the Amarillo Gold Sox and the West Texas-New Mexico League championship here yesterday.

It was the third time in the seven-year history of the league the Hubbers have won the Shloughness playoff and each time they finished the regular season in first place.

Going into the ninth inning trailing by two runs, the Sox knotted the count to seven all, Paul Hill pitched for the Sox, but he gave up the Hubbers. He relieved Ross in the ninth, who had previously relieved Abernethy in the eighth inning after he had given up five runs. Lefty pitcher for the Sox was Sports.

North Texas, Arkansas Game Feature of Lone Star Play This Week

(By The Associated Press)

North Texas State steps out against mighty Arkansas of the Southwest Conference in the feature game of the Lone Star Conference this week.

The Eagles, defending champions and easy winners in two games this season—over Harlan College and Brooke Army Medical Center—clash with the powerful Razorbacks at Fayetteville Saturday.

This game overshadows the start of the conference campaign as Trinity battles Southwest Texas State at San Marcos Saturday night.

All other teams also are in action with Sam Houston State playing at Trinity, Houston State at University of Houston, and Stephen F. Austin at Hardin-Simmons. Southern Louisiana Institute at Nacogdoches and East Texas State going to North Dallas to joust with Northwest Louisiana.

Four of the seven teams in the conference are undefeated—North Texas State, Sam Houston, East Texas State and University of Houston. Last week East Texas State beat Hardin College 20-7, University of Houston licked Kentucky 19-7 and Sam Houston drubbed Louisiana State 34-0 but Stephen F. Austin took a 3-0 whipping from Baylor. Southern Louisiana State was edged 19-13 by Abilene Christian College and Trinity was manhandled by Hardin-Simmons 39-0.

Women's National Golf Tourney Opens Today

DETROIT — (AP) — A 6,370-yard stretch of rugged golf course beckoned today to a first time unique breakfast-studded in the 47th Annual Women's National Championship.

A gathering of 62 shotmakers from the female ranks of golfdom moved out this morning in quest of the 32 places allotted for the title bracket on the basis of 16-hole qualifying scores.

It was the sudden jump into professional ranks by Mrs. Mildred Ebbel Dirlikson Zaharias that turned this 1947 championship competition into a wide open status and gave the field one of its most unique lineups.

Clubhouse chatter put at least a dozen names into the championship picture, the principal figure being Bernette Louise Suggs, of Lithia Springs, Ga., 24-year-old star who broke even with Mrs. Zaharias in their only two meetings.

It was the sudden jump into professional ranks by Mrs. Mildred Ebbel Dirlikson Zaharias that turned this 1947 championship competition into a wide open status and gave the field one of its most unique lineups.

Border Conference Teams Prove Only So-So in Openers

(By The Associated Press)

After an opening round in which loop members showed to only so-so advantage against non-conference foes, the brawling border conference this week watches two teams start play for keeps and six of its seven other eleven engage sectional opponents.

Only the defending champion Cowboys of Hardin-Simmons are left after a preliminary 39-0 romp at the expense of Little Trinity at San Antonio, Texas, Saturday night.

The feature bout, from the standpoint of the 1947 border ace, pits the undefeated University of New Mexico Lobos and the Sun Devils from Arizona State of Tempe, who in their first game under Coach Ed Dougherty rolled to a 33-6 conquest of California Poly.

Tops among other contests are a bid by Texas Tech's bruised Red Raiders to regain a measure of prestige by taking on a second Southwest Conference foe in Texas A&M the Arizona Wildcats' opener with Wyoming and the Texas Miners' scrap with Kansas State.

Texas Tech, rated a major contender to unseat Hardin-Simmons, took it on the chin 33-0 from the Loughon powerhouse of Texas University. In other contests, Texas Mines trimmed Drake 19-7, West Texas State bowed to Tulsa 26-13, New Mexico A&M was beaten 22-7 by McMurry and Arizona State of Flagstaff absorbed a 50-0 licking from Nevada University.

Kilgore Boasts 2-1 Lead in Loop Series

(By The Associated Press)

Marshall moved to Kilgore today to resume the play-off series for the Lone Star League championship with Kilgore boasting a lead of two games to one.

The clubs were supposed to play at Marshall both yesterday and tonight but wet grounds caused postponement of the Sunday tilt and because there is a circus in Marshall tonight's game was shifted to Kilgore.

The clubs will return to Marshall tomorrow night and if more games are needed in the best of seven series will go to Kilgore Wednesday to finish up.

The hair of the Angola goat, called mohair, actually is a wool undercoat.

Forty-two of 103 High School Grid Teams Remain Undefeated

This Week's Football Program Lists Many Interesting Clashes

(By The Associated Press)

Forty-two of the original field of 103 teams are undefeated and untied as the Texas Schoolboy football campaign winds up the September schedule. Four of these clubs have yet to see action but all will do so this week.

The casualty list is the smallest in years but there will be a marked pick up in a slate of 58 games Thursday, Friday and Saturday with six of the unbeaten, untied outfits to battle each other.

Headline tilts seen Vernon to Sherman, Tyler to North Dallas and Goose Creek to Thomas Jefferson (San Antonio) as teams with perfect records scrap it out while other 1947 grid champs, Wichita Falls, Longview Austin and John Reagan (Houston), four of the favorites, get strong tests. Wichita Falls against Breckenridge, Longview against Paris, Austin against Temple and John Reagan with Sunset (Dallas).

The four teams that will see action for the first time are Fort Worth Tech, which meets Ranger; Adamson (Dallas), which plays Park (Dallas) tonight; Weatherford, which clashes with Bonham, and Galveston, which swings into the grind against Austin (Houston).

At the same time, defending champion, the Lions, leading 27-7 last week and bounced Lubbock 22-6 the week before, Thomas Jefferson, the district finalist, has looked good. The Jeffs finished last week's strong Temple team 6-0 after downing Lamar (Houston) 26-13 previously.

Tyler also has shined forward as the Houston field, downed ranked Paris 12-0 last week, Wichita Falls was impressive in a 26-0 victory over tough Denison. Breckenridge beat Abilene 13-0, Highland Park (Dallas) edged power-laden Port Arthur 2-0, Waco, surprise conqueror of Luckin two weeks ago, surged over Bryan 20-6; John Reagan looks like the best of the Houston field, downed Lake Charles, La., 12-6; Austin beat West 13-2, and Corpus Christi opened the district 15 conference campaign with a 32-14 decision over Harlan.

Texas teams continue unbeaten in interscholastic play. The nearest outsider has come has been a tie, Fair Park (Shreveport) battling last week to a scoreless stalemate.

There is one conference game in the state this week, San Benito playing at Laredo to open the District 16 campaign.

Two inter-sectional teams of the state on the basis of two weeks of play, appear to be Odessa, Wichita Falls, Waco, Abilene, Longview, Breckenridge, Thomas Jefferson, Amarillo, Tyler, Corpus Christi, Arlington Heights (Fort Worth), Highland Park and Austin.

Southwest Conf. Grid Squads Show Powerful Scoring Punch

Texas Conference Faces 2nd Week's Play; Hopes For Better Showing

(By The Associated Press)

The Southwest Conference may have to try this year, with the accent on offense.

In a parade of touchdowns, four of five conference teams displayed tremendous scoring power in opening games. A fifth—TCU—had little chance to unwrap its attack.

Texas, Texas A. & M., Baylor and Arkansas rolled up a combined score of 179 points against opposition rated good in their respective circles.

But this week's schedule brings real heavy-weight competition. Rice opens play against Louisiana State University Saturday. Both are among the first five in national pre-season rankings.

Texas takes-off for Portland, Ore., and a well delayed return engagement with Oregon.

SMU starts its schedule at San Francisco against Santa Clara and TCU plays host at Fort Worth to Oklahoma A. & M.

Baylor opens the week's card Friday night at Coral Gables, Fla., with Miami. Arkansas meets North Texas State at Little Rock.

Arkansas' 64 points against Louisiana State College in an abbreviated game topped last week's performances.

Baylor kicked the season off with a 34-0 win over Stephen F. Austin.

Texas unleashed a powerful running attack and gave promise of potent passing from its brand new T system in blanketing Texas Tech, 33-0.

A. & M. used accurate passing with good ground game to wallop Southwestern, 48-0.

TCU and Kansas settled for a scoreless deadlock in a steady rain.

The Southwest teams piled up 1,275 yards on the ground and the passing against the opposition's 251 yards gained rushing and 195 passing.

Bobby Layne—tagged as one of the nation's top backs this year—sparked the Texas regulars to an early lead, calling the signals and connecting for five of six passes for 69 yards.

Arkansas—which parlayed a good defense into a share of the Southwest conference crown and a Cotton Bowl tie last year—produced an offense to match. The Razorbacks gained 503 yards rushing and held their opponent to a minus two.

Baylor and A. & M. had little trouble with their respective foes. TCU, which led the conference in statistical edge in the muddy encounter at Kansas City.

Grid Official Hopes to See First Kickoff

GREEN BAY, Wis.—After 28 years in the official family of the Green Bay Packers, George Whitney Calhoun finally is going to see an opening kickoff this fall when the Chicago Bears play here Sept. 28.

Calhoun has been busy at the press gate when the kicked off to open every packer game since 1919, the year the club came into being. Last March he retired as publicity director and plans to occupy a sideline seat for a full 60 minutes of all future games.

The veteran newspaperman and a member of the Green Bay Press-Gazette's editorial staff nearly 30 years, Calhoun was in on the birth of the Packers. It was Calhoun, at the behest of Earl L. (Curly) Lambeau, then and now head coach, who called the first meeting of Green Bay's original football team.

The Packers played independently in those early days—and business wasn't too good. In fact, one of Calhoun's principal duties in the 1919-21 era was passing his battery of fedora among spectators along the sidelines. The picking often was poor.

In 1923, when the Green Bay Football Club, was organized, Calhoun became secretary and publicity director. He filled the former post through the 1946 season and retired from the latter last March 15. He continues as a member of the board of directors of the corporation.

One of his early innovations for the convenience of newsmen covering Packer games was a year-book containing all pertinent information on the club, both past and present. In 1935 he originated a weekly news sheet—the Packer Football News—and mailed it faithfully each week to more than 100 newspapers.

A demon statistician, Calhoun has a game by game record of the Packers since they entered the National Football League in 1921 and plans to write a history of the circuit based on this information.

Pennas Downs Demaret To Win Fulton Open

ATLANTA — (AP) — Tony Penna, joyous little Italian golf professional playing out of Cincinnati, headed for Delray, Fla., today to repair his hurricane-damaged home, but he had a \$2,000 check to defray the expense.

Penna, who hadn't won a major tournament since January of last year when he took the Richmond, Calif. Open, wobbled to a one-stroke victory here yesterday over Jimmie Demaret in the \$10,000 North Fulton Open. Penna, who teed off for the final round five strokes in front of the St. Louis-born Ojai, Calif., fired a two over par 73 for 261, while Demaret shot a 69 for 282.

A wrath is in popular parlance, the opposite of a glow for it means the appearance of the spirit of a living person.

Kiwani's Delegation Attends Carruth Rites

A large number of Gray County citizens, including a delegation from the Pampa Kiwanis Club, attended the funeral yesterday afternoon of W. J. Carruth, at Tulsa.

Mr. Carruth, who lived in this county about 30 years prior to moving to Tulsa four years ago, died Friday night following an extended illness.

He was buried there.

One of his sons, Clyde Carruth, of near Pampa, is a member of the local Kiwanis Club.

Mr. Carruth was well known in this county, having operated a farm here for 30 years.

Grid Official Hopes to See First Kickoff

George Whitney Calhoun finally is going to see an opening kickoff this fall when the Chicago Bears play here Sept. 28.

Calhoun has been busy at the press gate when the kicked off to open every packer game since 1919, the year the club came into being. Last March he retired as publicity director and plans to occupy a sideline seat for a full 60 minutes of all future games.

The veteran newspaperman and a member of the Green Bay Press-Gazette's editorial staff nearly 30 years, Calhoun was in on the birth of the Packers. It was Calhoun, at the behest of Earl L. (Curly) Lambeau, then and now head coach, who called the first meeting of Green Bay's original football team.

The Packers played independently in those early days—and business wasn't too good. In fact, one of Calhoun's principal duties in the 1919-21 era was passing his battery of fedora among spectators along the sidelines. The picking often was poor.

In 1923, when the Green Bay Football Club, was organized, Calhoun became secretary and publicity director. He filled the former post through the 1946 season and retired from the latter last March 15. He continues as a member of the board of directors of the corporation.

One of his early innovations for the convenience of newsmen covering Packer games was a year-book containing all pertinent information on the club, both past and present. In 1935 he originated a weekly news sheet—the Packer Football News—and mailed it faithfully each week to more than 100 newspapers.

A demon statistician, Calhoun has a game by game record of the Packers since they entered the National Football League in 1921 and plans to write a history of the circuit based on this information.

Texarkana Trims Paris To Enter Loop Finals

(By The Associated Press)

The Texarkana Bears waited to try for their opponent in the Big State League play-off finals to be determined—with a pretty good idea it would be Wichita Falls.

Texarkana beat Paris 9-4 yesterday to sweep the series four games to none and advance to the showdown for the league title.

Wichita Falls and Greenville couldn't play because of wet grounds and will try again at Greenville to night. Wichita Falls leads three games to none.

Bit McCulloch sparked an eleven-hit batting attack to shove Paris' Red Peppers out of the money. He homered in the fourth with one on and did the same in the ninth.

The Bears used five hits for five runs in the first inning and coasted in. Even four base hits and two Texarkana errors couldn't furnish Paris enough boost to draw even in a ninth-inning rally that netted three runs.

Wool from merino sheep bears the highest amount of fat, 24 percent of its weight before cleaning.

Alamo Downs Track Destroyed by Fire
SAN ANTONIO — (AP) — The grandstand and paddock of the old Alamo Downs race track near here lay in virtual ruins today as the result of an early morning fire yesterday that caused damages estimated between \$260,000 and \$360,000.

The track became inactive several years ago when the Legislature outlawed pari-mutuel betting in Texas and the buildings have been used as a storage place for war surplus.

Miss Mary Jo Vaughn Weds Glen Thornton

SHAMROCK (Special)— Miss Mary Jo Vaughn of Olathe, Colo., became the bride of Glen Thornton, also of Olathe, on Wednesday, Sept. 3, at Farmington, N. M.

Nuptial vows were exchanged at the personage of the First Baptist Church of Farmington, with Rev. Woodson officiating for the single ring service.

Mrs. and Mrs. W. O. Newton of Farmington, were attendants for the couple.

The bride, who is the daughter of Mr. Kelly Vaughn of Olathe, Colo., was attired in a pastel pink suit with navy and white accessories. She is a graduate of the Olathe High School.

The bridegroom is the son of Mr. and Mrs. W. R. Thornton, former residents of Olathe. He is a graduate of the Shamrock High School and served with the armed forces overseas for three years. He is a nephew of Mrs. J. F. Solomon of Shamrock and Mrs. V. W. Bentley of Magic City.

The American states have no secrets from each other.—Secretary of State, Marshall.

IF STOMACH BALKS DUE TO GAS AND BLOAT

Help Get Food Digested to Relieve Yourself of This Nervous Distress

Do you feel all puffed-up and miserable after every meal, taste sour, bitter food? Here is how you can get blessed relief in helping your stomach do the job—it should be doing—in the digestion of the food.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain particles else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up nutritional anemia—so with a good flow of this gastric digestive juice, plus rich iron, blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalizers to counteract gas and bloating when what you need is SSS Tonic to help you digest food for body strength and health. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

Women's Fashions Modeled by Men

At Style Parade

The Pampa Rebekah Lodge held the regular session Thursday evening with "Bobbie Brummett, noble rank, presiding.

Formal candlelight initiation ceremonies were held when Celia Culpepper was presented the degree of Rebekah.

Mrs. W. A. Noland read from the state assembly yearbook honoring the birthday of Thomas Widley, founder of the Rebekah Lodge in 1851.

The members are requested to meet at the hall this evening at 7:15 to go in a group to the Pampa handle Rebekah Circle meeting in Skellytown. The Pampa degree team will confer the degree work.

A style show conducted by Mrs. Homer Cone and Mrs. Noland was presented to an audience of about 55 persons—Joe Anthony and Bobby Patterson played the standard and Hawaiian guitars and created a musical background for the show.

The models were introduced in the spotlight rays and modeled the new fall fashions for women. Models were Messrs. Ted Mastin, John Hall, Chester Nicholson, Barney Brummett, Ed Wylie, E. N. Franklin, and Dewey Voyte.

At the close of the style parade refreshments of cake and lemonade were served.

Altrurian Club Gives Breakfast

PANHANDLE (Special)— A nine-thirty breakfast on Saturday morning at the Panhandle Inn opened the club year for members of the Altrurian Club.

Lavender, pink, and white asters and flags of the United States and Canadian flags decorated the long tables. Places were marked with orange slices holding miniature flags of the same countries. The decorations were in keeping with the course of study for the year, "Our Northern Neighbors. Always and Canada."

Mrs. Guy Wester installed the following officers: Mrs. Elmer Padgett, president; Mrs. Judson Skaggs, recording secretary; Mrs. Doyle Chrisman, corresponding secretary; Mrs. Ernest Roselius, treasurer; Mrs. George Crossman, parliamentarian; and Mrs. Harold Knapp, reporter.

In a short business session, Mrs. Skellern and Mrs. G. F. Gramer presented the yearbooks to the club and Mrs. Cecil B. George and Mrs. Layle Gilterson were voted in as members.

Other members present were Messdames G. J. Atkins, Herbert Brown, Paul Deuter, Howard Lane, Herman Lemons, Mason Lemons, Richard Orr, Ben Stone, A. J. Weiser, Misses Mary and Norma Ewing.

The meeting on September 25 will be at eight o'clock in the evening at the home of Mrs. Atkins.

Texas Today

ANSWER TO PREVIOUS PUZZLE

WALTER PATTERSON

We, The Women

By RUTH MILLETT NEA Staff Writer

Secretary of Commerce Averell Harriman has asked the American people to "reduce voluntarily" their consumption of meat. This, he claims, is the best possible way of preventing Europe with food.

If there is one thing the war should have taught our leaders it is that enough Americans work on the "me first" basis to make the success of such a noble idea problematical.

What happened during the war years when the nation was told of a scarcity, and asked to go easy on it? Why, so many people ran from store to store, stocking up on the scarce article, that the majority, who heeded the warning, had to do without.

Even under rationing, many housewives bought more food than they needed for their families.

Some women will tell you, proudly, that they never had such a stock of foodstuff on hand as during rationing.

They eagerly grabbed the extra ration tickets unmarried friends offered.

THE LOUD MINORITY
The American people may weep tears for the starving of other lands. But too many won't have any part of self-rationing to alleviate the suffering.

There are enough, in this group, to endanger Harriman's humanitarian plan. There are enough to discourage the majority, no matter how self-sacrificing most Americans usually are.

New Furs Designed In Various Lengths
Fur designers, fashion authorities, and women who know how to dress attractively, seem to have reached a point of agreement on fur coat lengths; and that point is: between the knee and the longer skirt length.

It is true that some full length garments will be seen; as will abbreviated jackets; but the smartest shorter than current hemlines, will flare-away gracefully from the shoulder blades downward and outward; will be flat and waistline-defined in the front; will have much collar, shoulder and sleeve detail; and will often be fitted with detachable hoods.

More and more is to be seen of flat and short haired furs. In fact, virtually all of the long haired furs have finally been shorn, dyed and blended, so that they may rub off bows with milk and sable most acceptably, even if their forebears were wolves, fox and racoon!

Increasing numbers of coats are combining two furs, for collar and cuff treatments; for neckline and waistline draped bows in the more formal garments; or sometimes the

Ladies Styles Not 'New'

Says Amarillo Designer

The old adage of history repeating itself was never more apt than when applied to recent fashion trends. Present styles aren't "new," as all, says Thelma Buckley, Amarillo fashion designer and manufacturer.

As a matter of fact, Mrs. Buckley is prepared to offer proof, in the form of photographs taken from her files, that today's "new" styles are near replicas of styles worn in 1925.

Each of the photographs shows a frock featuring the 12-inch length, and the longer coat lengths. Flairs, popular then, are returning, and matching scarfs, long out of the fashion spotlight, are due for an encore.

And if the bow ties and "vests" (no longer "vests" but "weskits") had been saved, they could be worn in style today. Also returning, Mrs. Buckley predicts, is the era of satin trim.

The prominent Amarillo designer watches national fashion trends, and incorporates many of them into her own creations. "But on one point," Mrs. Buckley says, "Texas women are adamant; shoulder pads are a must, and hip padding is out."

Shamrock Baptists Open Revival Today

SHAMROCK (Special)— Dr. A. J. Quinn of Amarillo will be in the pulpit during an eight-day fall revival meeting which will open at the First Baptist Church in Shamrock today.

With services scheduled for 10 a. m. and 8 p. m., the revival will continue through Sunday, Sept. 28. Rev. Edward C. Derr, pastor, announced.

Rev. Derr said that he and members of his church felt fortunate in obtaining the services of Dr. Quinn. Dr. Quinn, who holds a DD Degree from Hardin-Simmons University, is district missionary of District No. 10. He pastored the First Baptist Church of Bowie for 10 years and until recently was pastor of the First Church of Dalhart.

SIDE GLANCES BY GALBRAITH

"If the grades seem too low, why can't we parents provide little prizes for the teachers whose pupils get the highest marks?"

Winners in Big Panhandle Fall Festival Named

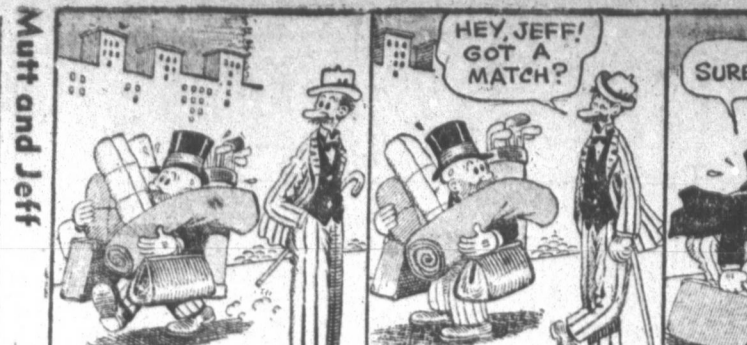

PANHANDLE. (Special.)—The second annual Carson County Fall Festival came to a brilliant close at 5 p.m. Saturday with livestock show boys from White Deer and Panhandle carrying off a majority of the prizes. The two-day affair was sponsored by the Kit Carson Post 441, American Legion with I. E. Paget as general chairman.

Class 1—235 lbs and under, 1st prize, Jimmie Osborne, Panhandle; 2nd prize, George Collis, White Deer; 3rd prize, Jimmie Osborne.

Class 2—450 to 630 lbs, 1st prize, George Collis, White Deer; 2nd and 3rd prize \$1, Doug Coffey, White Deer.

Class 3—510 to 640 lbs, 1st prize, \$2 Bill Terry, White Deer; 2nd prize, \$1 Leroy Thornberg, White Deer; 3rd prize, \$1, Ronald Motara, Groom.

Class 4—675 to 745 lbs, 1st and 2nd prizes of \$2 and \$1 to E. D. Roman, Panhandle; Class 5—1100 lbs. Ronald Motara, only entrant.

Mickey Finn's Uncle Phil is a human being and it's laughs you want, follow him daily, starting today.

Mickey Finn IN THE PAMPA DAILY NEWS

British

(Continued From Page 1) The British government is a choir of angels and any Greek government a collection of devils, and more than we can pretend that the Egyptian government is the embodiment of virtue and the Dutch government a corporate evil.

Hurricane

(Continued From Page 1) To pound the Gulf Coast on Friday, the biggest menace in both cases was floods. Some 40 square miles of Jefferson Parish (county) around New Orleans was under water from Lake Pontchartrain and small boats maintained a steady shuttle service in the inundated area carrying marooned families to safety.

Speaker

(Continued From Page 1) Campbell will appear at several safety meetings for various companies while here. Clarence Kennedy, president of the Pampa Lions Club, which is sponsoring the various appearances of Campbell, presented him to his groups.

J. Ray Martin BMA

"You realize, of course, that you could stop this sort of thing by simply closing the stable doors!"

Mainly About Pampa and Her Neighbor Towns

Mr. and Mrs. Ray Armstrong of Amarillo were weekend guests in the W. R. Putty home. Dance to Pinkey Powell's Orchestra every Saturday night. Southern Club.

E. M. Behrman has returned from a business trip to Dallas. Select your blouses at The Toggery, 1155 Terrace.

Jack Davis spent the weekend in Amarillo visiting at the bedside of Leo (Cotton) Ferguson, patient in the Veterans' Hospital. Mr. and Mrs. W. L. Ferguson and Mrs. Mary Griffiths visited Cotton Sunday. Cotton has been seriously ill with pneumonia, but is reported to be much better now.

Belvedere Cafe open, 6 a. m. to 12 n. m. Try our good food. W. M. Banta and Mrs. Douglas Jarrell of Borger were Pampa visitors yesterday.

Dance Dance, Terrace Grill, Friday, Sept. 26, sponsored by Pampa Chapter of Knights of Kharassan. Ken Bennett's Orchestra. Public invited.

J. A. Jarrell of Borger was a Pampa visitor Saturday. Mrs. Jarrell has just returned from St. Joseph, Mo., where she was a business visitor.

Beer by case, all popular brands. Cans and bottles. Fine whiskeys, bonds, blends and gins. Pampa Liquor Store, adjoining Rider Motel Co.

College graduate wanted to handle Women's Page on small daily newspaper. Write Box "L. J.", care Pampa News for appointment, giving qualifications.

Mr. and Mrs. J. E. Roberts of Wellington spent the weekend here with their son, Charles.

Fuller brushes, 514 Cook, P. 21523. Mr. and Mrs. F. M. Foster are spending their vacation visiting in Colorado.

Mr. and Mrs. J. Brady Davis and Homer Taylor have returned from a vacation spent in Trinidad and Puerto Rico.

Your wedding cake our specialty. Pampa Baking Co. 848 W. Foster.

Doyle (Tex) Auld, property of the Boston Red Sox, arrived here recently to spend the winter months. He will take spring training in Florida.

Mr. and Mrs. C. L. Rutherford of Canadian spent the weekend here visiting relatives.

Mr. and Mrs. Allan Smith, Mr. and Mrs. Perry Franklin and daughters, Mrs. Ovie Tipton, Miss Melba Tipton, Leroy Sargent and Mr. and Mrs. O. L. Rutherford of Canadian visited Sunday in the J. E. Smith home in White Deer. Little Janiece Franklin, who had been visiting her grandparents, returned home with her parents, Mr. and Mrs. Franklin.

ated from Metairie High School as the building became "unfit for human habitation" because of breaks in sewer pipes.

On the outskirts of the Everglades in Southern Florida, troubles were being heaped on troubles for weary residents. At Canal Point men worked by whatever light was available or none at all to bolster dikes around Lake Okechobee.

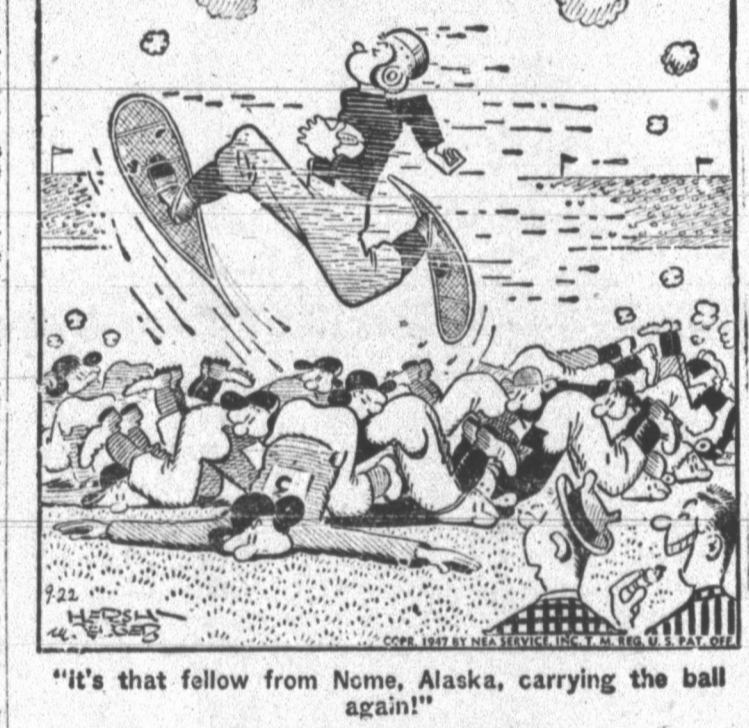

Under old Roman law, the testimony of many persons was not acceptable unless obtained through torture.

CARNIVAL BY DICK TURNER

OUR BOARDING HOUSE WITH MAJOR HOOPLE

FUNNY BUSINESS BY HERSHBERGER

"It's that fellow from Nome, Alaska, carrying the ball again!"

Former Resident Dead in Missouri

Funeral services were held last week at Lebanon, Mo., for Otis M. Johnson, who for 20 years was employed by The Texas Company here. Burial was there.

Persons attending the services from Pampa, besides the immediate members of the family, were Mr. and Mrs. Joe Hutchins and Mr. and Mrs. Jack Shumate.

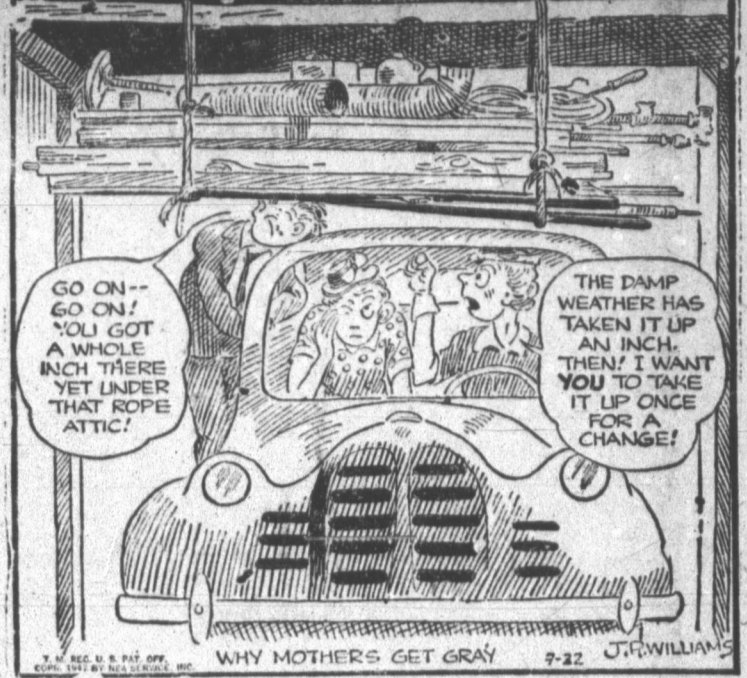

The family settled here in the Panhandle in 1924, and had resided here until the first part of this year when Mr. Johnson retired from a Texas Company employ. Mr. Johnson was 47 years old.

He is survived by his wife, Mrs. Rose Johnson; a daughter, Mrs. E. W. Clayton, Houston, Texas; and a son, Sgt. Joe Johnson, of the U. S. Army, now in Hawaii.

Brother and sisters of his in this area are Dean Johnson of Borger; Mrs. D. W. Frye of Shamrock; and Mrs. T. J. O'Dell, whose address is given in the City Directory as 717 North Hobart, Pampa.

A battery device has been developed to light a lady's handbag when opened.

PRISCILLA'S POP BY AL VERMEER

Trumpet

(Continued From Page 1) light. But whirled at you on the wings of a hurricane it is a green-edged knife.

The hurricane brought back war memories to many veterans. The storm area had many of the characteristics of the battlefield—terror, noise, confusion, danger, destruction and uncertainty.

Lines of refugees crowded into shelters renewed the illusion that the coastal area was under military attack by an invisible enemy. But as one ex-soldier remarked: "Leastways I know nobody is deliberately pointing that hurricane at me."

\$50 Fine Assessed In DWI Charge

Eric H. F. Brooks, Gray County farm hand, was fined \$50 and costs this morning by County Judge Sherman White after he pleaded guilty to charges of driving while intoxicated.

Brooks was apprehended by city police late Saturday night and detained in the city jail until this morning when he appeared before the County Court.

In addition to the fine, Brooks was given the mandatory six months suspension of driving license.

TOO FAT? Get SLIMMER

this vitamin candy may Have a more slender, graceful figure. No exercising. No laxatives. No drugs. With the simple A.T.S. Vitamin Candy Reducing Plan you don't cut out any meals, starches, potatoes, macaroni, butter, you simply cut them down. It's easier when you enjoy delicious (vitamin fortified) A.T.S. candy before meals Absolutely harmless.

In clinical tests conducted by medical doctors, more than 4000 persons lost 24 to 36 lbs. average in a few weeks! Buy at drug store or mail order. Regular size \$2.25. Triple size \$3.50. You get results on very first box or smaller box. Call for brochure.

WHY GET UP NIGHTS DUE TO KIDNEYS? FLUSH THEM OUT THIS DOCTOR'S WAY If you get up nights—have frequent desire to pass your water—but have only scanty passages—yes, and have backache, due to excess acidity in the urine, be glad you're reading this: Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. Painstakingly he made a medicine of 16 herbs, roots, vegetables, balsams—Nature's own way to relief. He called it "Swamp-Root" and millions of grateful men and women have taken it—often with amazing results. Swamp-Root goes right to work to flush out kidneys... restores normal urine, helping relieve excess acidity... so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed. For free trial supply, send to Dept. T, Kilmer & Co., Inc., Box 1245, Stamford, Conn. Or get full-sized bottle of Swamp-Root today at your druggist.
