Measle Vaccine Project Delayed

Vaccinations as a preventivé against measles, originally scheduled to be administered hotographer April 22, has been delayed until next fall, according to Don Losher, Gray County chairman VOL, 63 - NO. 7 for the National Foundation of the March of Dimes.

> Losher said the State Department of Health at Austin depleted its supply of the vaccine and Pampa area residents will not be able to be vaccinated until more serum

"We had planned to have school nurses innoculate school children and family doctors take care of pre-schoolers," he

Losher said if Pampa should have an outbreak of measles, in epidemic proportion, "we would be hurting.
