

Government May Buy Grain Direct From Farmers

BITING INTO THE BOWELS OF THE EARTH and moving forward at the rate of four feet a minute, this large ditching machine shown above is opening city grounds for laying of sewer extension lines in Dallas tomorrow for a many months because of the lack of pipe. The machine is digging 2,000 feet of ditches per week.

Panhandle Oil Men Hear Congressman

The Honorable Ross Risley, U. S. Congressman, Guyton, Okla., last night addressed a large group of the Panhandle area oil men at a meeting of the American Petroleum Institute at the Amarillo Country Club.

Congressman Risley is the author of the famed Risley Bill which passed the House by a large majority but failed to receive recognition in the Senate because of the adjournment of Congress.

1947 State Fair Of Texas Has Big Opening Saturday

By JACK RUTLEDGE Associated Press Staff

The 1947 State Fair of Texas, described by some enthusiasts as even better than the big 1936 Centennial, opens in Dallas tomorrow for a 15-day run—Oct. 4 through Oct. 19.

A glance at the schedule indicates they may be right. All of the permanent buildings at the fair ground, constructed for the Centennial, are packed this year. And new buildings have been added.

"There are just as many big-name shows and events."

We saw the Centennial, and as far as we can see now, the only thing this 1947 whing-ding lacks to make it equal is a special four-bit piece. Remember that special 40-cent coin issued for the Centennial? (Incidentally, if you still have one handy, it's probably worth four times the original price.)

Dallas is all set for the big show. Streets are decorated. There's an air of expectancy, of tense excitement, among the natives.

Outside the fair grounds proper, other entertainment spots over town are getting in on the act—special floor shows at the numerous night clubs, special movies at the theatres.

But what about the fair itself? Well, here are a few of the offerings:

"Annie Get Your Gun," Broadway hit, will be offered at the Fair Park Auditorium. Mary Martin, Texas' own big name musical comedy star, will play the lead. It took a special train to bring the cast and property to Dallas from New York.

The Ice Cycles of 1947, at the Ice Arena, is a thrilling show on skates. It has beautiful, comely, gorgeous girls, magnificent scenery, gorgeous girls—did we mention them before?

Two top football games—Southern Methodist against Missouri and Texas vs. Oklahoma University; a breath-taking midway with all the trimmings; fireworks; whitehorse revue; museums; aquarium; farm exhibits to warm the hearts of the most confirmed agriculturist; roller coaster; food show; free entertainment on the grounds; souvenirs; hamburgers; rodeos; historical exhibits; gun shows; carnivals—and Elsie the cow.

General Strike In Rome Averted

ROME—(AP)—A general strike throughout Rome province, called for today by the Chamber of Labor in support of peasants' demands for distribution of uncultivated farmlands, appeared to have been averted by last minute talks between labor and government.

Rome newspapers indicated, however, that approximately 5,000 peasants were planning to carry out a scheduled "bicycle march on the capital to emphasize their demands."

Russia Renews Attacks on U.S.

LAKE SUCCESS—(AP)—Russia renewed her attacks on the United States today with a charge by Dmitri Manuilsky, foreign minister of the Soviet Union, that the American government was trying to throw a smoke-screen to cover "intervention" in Greece.

The shaggy-haired Ukrainian, who has delivered some of Russia's main speeches on the Balkan dispute, made his charges before the 57-nation Political Committee of the General Assembly in a 53-minute speech.

He kept on the line laid down yesterday by Albania and Bulgaria—two of Russia's Balkan satellites. They said the United States and Britain were primarily responsible for the Balkan troubles, and not Greece's northern neighbors.

Manuilsky figured in the Balkan dispute a year ago by filing a complaint with the Security Council demanding immediate withdrawal of British troops from Greece. At that time he flew to New York with two suitcases full of documents and took part personally in 10 long Council sessions.

This week Manuilsky was the center of another major fight—the continuing deadlock between the Ukraine and India in the contest for the Security Council seat which Poland will vacate Dec. 31. Manuilsky probably would represent the Ukraine on the Council if the Ukraine defeats India when the Assembly attempts to end the impasse sometime next week in plenary sessions at Flushing Meadow Park, New York.

Diplomatic authorities said today that the United Nations appeared to have but slight chance of working out a settlement for the Jewish-Arab conflict over Palestine which would be acceptable to both sides and avert all danger of a shooting showdown in the Holy Land.

The outcome most generally expected here is that some solution will be proposed which will be more agreeable to one side than the other and that the United Nations will have to take responsibility for enforcing it with some sort of international policing arrangement. That presumably would mean contributions of armed forces by member agreeable to one side than the other nations for that specific purpose.

The amendment was offered by Coburn A. Buxton of Dallas.

Two new vice presidents of the club were named. They were John Grant of Houston and H. L. Ratcliff of Corpus Christi.

New directors included: George Hammond of Texarkana, Slade Brown of Orange, John B. Thomas of Pampa, Herman Hawkins of Teague, George Cree of Pampa, Mrs. Raymond Harrah of Pampa, E. S. Mayer of San Angelo, Morris Christie of Pampa, Maurice J. See REPUBLICANS, Page 8

Local Ranch Wins 11 First Places

Frank M. Carter, manager of the Combs-Worley ranch, returned here yesterday from the New Mexico State Fair at Albuquerque with a haul of first place ribbons won by his prize animals.

Carter showed nine cattle, taking 11 firsts, including two grand champions. Plus Blanchard 71st was named champion bull, and Cottonwood Queen 48th was named champion female.

In addition the cattle won first in group of three bulls, first in group of two bulls, first in pair of females, first and third in get of size, three bull classes and three female classes.

The Combs-Worley show group had just finished five weeks of exhibition. They took four firsts in a national show at the Nebraska State Fair at Lincoln; four firsts at the Kansas State Fair at Topeka; four firsts at the Kansas State Fair at Hutchinson; and two high-money winners at the Amarillo Tri-State Fair, where they were noted only by stock of Winston Brothers of Snyder.

In the Albuquerque show the Combs-Worley bull won over this year's champion bull from the Fort Worth show, a \$36,000 animal belonging to the Hughes Ranch at Hobbs, N. M.

Next week Carter will show at the Royal Show at the American Royal Show at Kansas City.

Tuberculosis Group Names New Director
HOUSTON—(AP)—The executive committee of the National Tuberculosis Association today had named Dr. James E. Perkins as new managing director.

Dr. Perkins, deputy commissioner of the New York State Department of Health, succeeds Dr. Kendall Emmerich, who retired after 20 years as managing director.

PROCLAMATION
WHEREAS, The Constitution of the United States of America guarantees to every citizen the right of free speech and free press; and

Normal Channels Of Trade Preferred

WASHINGTON—(AP)—Secretary of Agriculture Anderson today disclosed that the Agriculture Department is considering purchases of grain direct from farmers.

This by-passing of the grain exchanges would be aimed to curb the inflationary upswing of wheat and corn prices and minimize speculation resulting from the European aid program.

Anderson told of this possible step after a cabinet meeting at the White House which was reported to have been concerned largely with possible effects of the European aid program on prices.

He told reporters the government would "prefer to continue buying through the normal channels of grain trade."

"If we continue to do so, (without prices getting out of hand) we will not have to adopt the farm acquisition plan," he said.

The Agriculture Department will have to buy the 570,000,000 bushels of grain which President Truman has set as a goal for shipments to Europe and other shortage areas this crop year. This figure is 100,000,000 bushels more than now appears in sight.

It is with the aim of making this extra 100,000,000 bushels available that Mr. Truman has launched his food saving program.

Anderson said that direct buying from farmers—if ordered—might follow last year's Commodity Credit Corporation buying program, adopted when growers apparently were withholding wheat from market in anticipation of higher prices or in an effort to hold down income tax payments.

If so, Anderson said, the program probably would contain the feature under which payment was not made until the following tax year, so that the transaction would not throw the sellers into higher tax brackets.

There have been reports that some farmers are reluctant to sell wheat this year because their incomes already are high and taxes would take so large a bite from the money received from the sale.

Anderson did not mention another feature of the 1946 program under which a 30-cent a bushel premium was paid on wheat bought from farmers.

The cabinet meeting was monopolized by the new economic survey presented by Dr. Edwin G. Nourse, chairman of the President's Council of Economic Advisors.

Nourse told reporters it predicts this country can meet Europe's food and dollar needs without runaway inflation.

Supervisor of Gray Soil Conservation District to Be Named

A meeting has been called by V. C. Marshall, executive director of the Texas State Soil Conservation Board, for the purpose of electing a supervisor for subdivision 4 of the Gray County Soil Conservation District. The meeting will be held at 8 p.m., Oct. 7, in the County Court Room.

Persons who hold titles to farm or ranch and lying within the subdivision who have attained the age of 21 and who reside within the county are eligible to vote in the election.

County Agent Ralph Thomas said that anyone interested in soil conservation is invited to attend. H. H. Keahy will preside and relations relative to the district will be answered.

Opportunity Knocks Only Once, Sometimes

Somewhere along the line the FBI, or the U. S. Army, slipped up. City Police on September 9 picked up a suspect in a burglary case and held him for investigation. They fingerprinted him and sent the prints to Washington. He still held up by the man for any other charge.

Last night an FBI agent dropped into the police station inquiring as to the whereabouts of the man in question. He told police that his headquarters notified him the man was wanted for desertion from Camp Pendleton, Oceanside, Calif., and gave the date of his desertion as July 6, 1947.

However, police, while holding him here for investigation found nothing on him and turned him loose—just about a month before the FBI came looking for him.

BIRTHS INCREASE
TOKYO—(AP)—A 40 percent increase in births and a similar decline in deaths in Japan in July and August compared with 1946 was reported by the government today. Births totaled 463,589.

City Fathers Must Call an Election On Measure for Not Later Than Dec. 5

(This is the last in a series of six articles on the Civil Service Commission, as proposed for Texas municipalities, and as Pampa's voters will accept or reject it in a forthcoming election.)

By HENRY GORDON

The civil service bill states that firemen and policemen are strictly prohibited from taking any part in political campaigns, other than casting their own vote. They are also prohibited from going on strike against their city government or taking part in any general strikes.

This is an indication that firemen and policemen cannot unionize in a city where there is civil service.

Section 24 of the act leaves the reader out on a limb, as well as the Civil Service Commission, when it states that all policemen and firemen that have been in the department's service for six months or more at the effective date of this act shall be given full-fledged civil

2 Pampan Named State Republican Party Directors

HOUSTON—(AP)—Three leaders of the state Republican party today had been asked to resign or retire by the Republican Clubs of Texas.

Approximately 100 representatives of the club yesterday adopted a resolution which asserted the actions of Eugene Nolte of San Antonio, George Hopkins of Dallas and Hobart K. May of San Angelo, in withdrawing three other party leaders from office "placed personal ambition above the objectives of the party."

Alvin Lane of Dallas, general counsel; Larrs McClean, committee chairman; and Ralph W. Currie, chairman of the Dallas County Executive, were removed from office during the July 30 State Executive Committee meeting in Dallas.

The meeting also adopted a resolution calling for Texas to send an "unpledged and undominated" delegation to the Republican National Presidential Convention next June.

Submission of the resolution to the convention would mean the resignation or retirement of the three party leaders caused the only debate of the afternoon session of the meeting.

The amendment was offered by Coburn A. Buxton of Dallas.

Two new vice presidents of the club were named. They were John Grant of Houston and H. L. Ratcliff of Corpus Christi.

New directors included: George Hammond of Texarkana, Slade Brown of Orange, John B. Thomas of Pampa, Herman Hawkins of Teague, George Cree of Pampa, Mrs. Raymond Harrah of Pampa, E. S. Mayer of San Angelo, Morris Christie of Pampa, Maurice J. See REPUBLICANS, Page 8

Shriners Arrive For Big Day in Honor of Pampa

Among the expected 1,000 Khiva Temple Shriners to arrive in Pampa today for the day long celebration honoring Paul Crouch, newly elected Oriental Guide of the Khiva Divan, will be W. Perry Powell, high priest, and prophet, D. Rogers, chief rabbi; S. Wayne O'Keefe, assistant rabbi; Fred H. Galle, recorded; and C. Willard Smith, treasurer. These men, all ranking officials in the Khiva Temple, are from Amarillo.

Registration for the expected noblemen and their families, began today at noon in the lobby of the Schneider hotel, and from all indications an overflow crowd will be here for the day's festivities.

Today at 4 o'clock, a Shriner's parade will wind down East Brown Street and move north on Cuyler Street to the City Park. The parade will include all uniformed bodies of the Khiva Temple, featuring The Khiva Temple Drum and Bugle Corps of Amarillo.

Following the parade, Shriners and their families will be treated to a barbecue at the City Park. Serving will begin at 6 o'clock.

The day's events will be climaxed by a Shriner's dance to be held at the Southern Club beginning at 9 o'clock. Music will be by Pinky Powell and his orchestra.

New License Examiner Revises Area Schedule

Olan Thomas arrived here this week from Dallas to take over the duties of drivers' license examiner with the Highway Department, succeeding Chester Burk, who was transferred to a similar position at El Paso, Monday.

Thomas has announced a new schedule for the drivers' license examination. The schedule is as follows:

Monday: 8 a.m. to 5 p.m., Pampa.
Tuesday: 9:30 a.m. to 4:30 p.m., Shamrock; first, third and fifth Tuesdays; Wheeler, second and fourth Tuesdays.
Wednesday: 9 a.m. to 5 p.m., Pampa.
Thursday: 9 a.m. to 5 p.m., Clarendon; first, second and fourth Thursdays; 8:30 a.m. to 5 p.m.; Canadian, 9 a.m. to 5 p.m., fourth Thursday.
Friday: 8 a.m. to 5 p.m., Pampa.
Saturday: 8 a.m. to 5 p.m., Pampa.

215 CHOLERA DEATHS
CAIRO—(AP)—Fatalities resulting from the Egyptian cholera epidemic, now in the second week, soared to 215 today as the Health Ministry reported 49 additional deaths.

The ministry said 76 new cases were discovered yesterday, bringing to 977 the total reported to date.

KNOW YOUR NEW UNIFORM HIGHWAY TRAFFIC CODE

Sec. 91. (a) The State Highway Commission with reference to state (and county) highways, and local authorities with reference to other highways under their jurisdiction may designate through highways and direct stop signs at specified entrances thereto or may designate any intersection as a stop intersection and erect like signs at one or more entrances to such intersection.

(b) Every said sign shall conform to the manual and specifications for uniform traffic-control devices as adopted by the State Highway Commission. Every stop sign shall be located as near as practicable at the nearest line of the crosswalk, or, if none, at the nearest line of the roadway.

(c) Every driver of a vehicle and every motorist of a street car shall stop at such sign or at a clearly marked stop line before entering an intersection except when directed to proceed by a police officer or traffic-control signal.

Wheat for Relief Collection Dates Set October 9-31

Dates for the collection of wheat for relief of destitute European peoples and the collection of cash to buy wheat for relief have been set at October 9-31, it was announced today by the Rev. Beauford A. Norris, chairman of the county effort.

The drive is sponsored by the Church World Service, an inter-denominational relief organization. The wheat will be shipped and distributed under the supervision of that organization.

Laymen will be organized to contact wheat farmers and owners. Chairman Norris said a gift of \$10 would buy enough relief cereal—prepared from wheat and soy beans—to sustain one life in Europe for one year. That \$10 will buy about 900 meals.

He stated that the drive is county-wide, but that it has not been organized in other communities of the county—mainly, due to the fact that the local growers have not had time to make the contacts, and also because there are not operating funds available for the campaign.

Churches in the other communities of the county, he said, are invited to help in the drive to contact wheat growers and owners, and to contact other persons for cash donations. A. A. Schuneman and Floyd Inel at the two Pampa banks have been designated as treasurers to accept cash donations.

Pampa elevators will be collecting points for the wheat, and the Church World Service will arrange for shipping.

Arrangements for the campaign were formulated at a meeting held in the First Christian Church last Tuesday night.

Sewer Project In City Making Good Progress

As of September 30, one and one-half miles of a total of 1,237 feet, of sewer extension had been ditched, laid, and refilled in the Wilcox Addition and The Flats.

All but one alley in the Wilcox Addition has been laid. The holding up of this work is the problem of gas lines in water lines and buildings jutting out into the alley-way.

In the meantime, the Texas Gas and Power Company has moved its gas lines about five feet to the south.

Depending on favorable weather conditions and not too many reverses in The Flats by cross lines or machinery breakdowns, the sewer lines are expected to be completed by the end of next week, City Engineer Dick Pepin estimated this morning.

The present ditching machine that excavates a trench up to 16 feet, moves forward at a speed of from two to six feet per minute, depending upon the depth of the trench. The city is laying its lines from three to 14 feet in depth according to necessary grading in the working area. Average depth of the present project so far has been estimated at nine feet and average speed of the machine between four and four feet per minute. Under perfect digging conditions the city is completing 600 feet of sewer extensions per day. Under adverse conditions the figure drops to 500 feet per day.

Pepin said today that the Wilcox Addition will be completed after The Flats' lines are finished.

So far the city has had little success in securing dedication easements in the Kiester Addition for an alley in which to lay the sewer lines. Property owners are being asked to donate 10 feet from the rear of their lots to make a 20-foot alley. Just wide enough for the ditcher to go through and garbage trucks later. City officials today said that no sewer lines will be laid in Blocks 1, 2, and 8 of the Kiester Addition until they have secured easements for an alley from those property owners.

The city will not pay for any right-of-way through that section.

The first four carloads of 10-inch water pipe from Camp Howe arrived yesterday with six more carloads of 8, 6, and 4 inch pipe on the way. The entire shipment of 17,078 feet of all sizes of pipe will be stored by the city until the sewer extension work is completed. With that project over, the city will start in on the water mains in the areas found to be needing it most. According to present estimates by Pepin and City Manager Steve Mann, the sewer Brown St. section will be laid first, however, those plans are only tentative at the present time.

FEEDING CHARGE
One man was fined \$5 this morning for exceeding the 15-mile-per-hour speed limit through a school zone by Judge Clifford Brink in Corporation Court. The judge assessed another man on a like charge and imposed a fine of \$15 on one man charged with intoxication.

Lavagetto's Hit Evens Series As Dodgers Take 4th, 3 to 2

EBBETS FIELD, Brooklyn (AP)—Cookie Lavagetto's pinch double off the right field wall, the only Dodger base hit off Bill Bevens, gave Brooklyn a 3-2 victory over the New York Yankees today in a thrilling seven-inning game that squared the World Series at two games apiece.

First Inning—Yankees
Stirnweiss smacked the first pitch into left field for a single. Henrich lined into center field for a single. Stirnweiss stopping at second. Berra grounded to Robinson who threw to Reese but Reese dropped the ball for an error and all hands were safe. DiMaggio walked on four straight pitches. Stirnweiss crossing the plate as the bases remained loaded.

Hal Greig, another righthander, replaced Taylor on the mound. Johnson rapped into a lightning double play, Reese to Stanky to Robinson.

One run, two hits, one error, two left.

Second Inning—Dodgers
Stanky drew a walk. Reese rapped through the box but Stirnweiss made a nice gloved-hand stop and threw to first to get the latter as Stanky slid safely into second. Robinson was out at first as Stanky held second. Walker batted. Hermanski fouled out to Johnson near the third base field boxes.

No runs, no hits, no errors, two left.

Third Inning—Yankees
Edwards struck out. Furillo was an easy out. Rizzuto and McQuinn, Jorgensen walked. Gregg struck out.

No runs, no hits, no errors, one left.

Fourth Inning—Dodgers
Edwards struck out. Furillo was an easy out. Rizzuto and McQuinn, Jorgensen walked. Gregg struck out.

No runs, no hits, no errors, one left.

Fifth Inning—Yankees
Henrich struck out. Robinson grabbed Berra's hard-hit grounder and barely beat the runner to the bag. DiMaggio walked for the second straight time.

McQuinn topped a roller in front of the plate and when Edwards threw wild to first DiMaggio, who had raced to third, tried to score on the play but Walker retrieved the ball in right field and fired a throw to Edwards at the plate who tagged DiMaggio standing up fully five feet from home. Official scorer ruled McQuinn's roller in front of the plate was a hit with an error on his wild throw to first.

No runs, one hit, one error, one left.

Third Inning—Dodgers
Stanky walked. Lindell caught Reese's fly in short left. Bevens' first pitch to Robinson was wild and Stanky raced to second. Lindell caught Robinson's foul fly in the extreme left field corner. Johnson caught Walker's pop behind third base.

No runs, no hits, no errors, one left.

Fourth Inning—Yankees
Johnson smashed a triple into deep center field. Lindell doubled high off the screen in right-center, scoring Johnson. Rizzuto bounced to Robinson who made the putout unassisted as Lindell moved to third. Reese threw out as Lindell held third. Stirnweiss was called out on strikes.

One run, two hits, no errors, one left.

Fifth Inning—Dodgers
DiMaggio raced far back into deep center field to catch Hermanski's long smash. Edwards was called out on strikes. Furillo fouled to Berra behind the plate.

No runs, no hits, no errors, none left.

Sixth Inning—Yankees
Henrich grounded to Reese who threw him out. Stanky picked up Berra's savage drive and tossed him out. DiMaggio sent a high pop to Stanky.

No runs, no hits, no errors, none left.

Seventh Inning—Dodgers
Jorgensen walked. Gregg took a base on balls moving Jorgensen to second. Stanky dropped a sacrifice bunt in front of the plate and was out. Jorgensen moving to third and Gregg to second. Reese bounced to Rizzuto who flipped to Johnson who tagged Gregg sliding into third. Jorgensen scored. Reese was safe at first. Reese stole second and continued to third on Berra's wild throw. Robinson went down swinging.

One run, no hits, one error, one left.

Eighth Inning—Yankees
Hank Behrman, a righthander, now pitching for the Dodgers, Berra grounded to Stanky who threw him out. Jorgensen fumbled DiMaggio's casing roller enabling him to reach first. Hermanski raced over to left-center to haul in McQuinn's high fly. Jorgensen scooped up Johnson's roller and threw him out.

No runs, no hits, one error, one left.

Ninth Inning—Dodgers
Robinson smacked directly to Johnson who threw him out. Walker tapped to Bevens who easily tossed him out at first. This enabled Bevens to tie Red Ruffing's World Series record of pitching 7 2/3 innings without allowing a hit.

Henrich made a sensational gloved-hand leaping catch of Hermanski's drive to retire the side.

No runs, no hits, no errors, none left.

Tenth Inning—Yankees
Lindell singled into left. Rizzuto tapped to Behrman who threw to Reese at second to force Lindell. Bevens bunted in front of the plate and Edwards threw too late to catch Rizzuto at second, all runners being safe. Stirnweiss dropped a lazy single into short center field. Rizzuto reaching third and Bevens second.

Hugh Casey, yesterday's Dodger pitcher hero, replaced Behrman on the mound.

Henrich tapped Casey's first pitch back to the box and the portly Dodger pitcher started an inning-ending double play when he fired to Edwards at the plate forcing Rizzuto and Edwards whipped to Robinson at first to catch Henrich.

No runs, two hits, no errors, two left.

Ninth Inning—Dodgers
Edwards lined into deep left field but Lindell backed up against the wall and hauled in the drive. Furillo walked. Jorgensen fouled to McQuinn who made the catch near the first base field boxes. Reiser, lefthanded batter, pinchhit for Casey. Al Giofriddo ran for Furillo. Giofriddo hit for second and slid in safely under Berra's high throw. It was a stolen base. Reiser was then given an intentional base on balls. Ed Miksis ran for Reiser.

Offensively the Harvesters will have added strength to the team which trounced the Amarillo Grizzlies last Friday night. Coach Tippet has announced that Jack Williams, who saw limited service in last week's game due to an ankle injury, will be ready to play tonight. Also back in the Harvesters uniform is Jimmy Wilson, rated as one of the best backs in the district last year. Wilson has been out of the first Harvesters games due to a broken ankle incurred in a pre-season scrimmage. However, from all indications Wilson's ankle is still too weak for him to do much work on behalf of the Green and Gold team.

Vernon will throw 12 lettermen into the game tonight against Pampa. Both teams will run from the deceptive T formation.

On the line, the Harvesters will have a weight advantage of 316 pounds per man. However, the backfield the Lions will outweigh the local boys 10 pounds per man. The Harvesters and Lions lines average 172 and 178 pounds respectively. In the backfield, the Lions average 185; the Harvesters 155.

Spearheading the Lion attack from the swift running T will be Fullback Mickey Sharp. It is reported that Sharp is dangerous both offensively and defensively.

Number one man in the Harvesters T will be Charlie Laffoon, ably capable at throwing the pigskin and as a ground gainer. And out to hold his own as leading scorer in the district is the Harvesters' Captain and Fullback Carl "Red" Mayes. Mayes is leading the district scoring with a total of 42 points.

Probable starting lineup: Vernon Wt. 170, Pampa 170; Russell, Vernon 170, Pampa 170; Williams, Vernon 170, Pampa 170; Thompson, Vernon 170, Pampa 170; Schlegel, Vernon 170, Pampa 170; Davis, Vernon 170, Pampa 170; Laffoon, Vernon 170, Pampa 170; Cox, Vernon 170, Pampa 170; Williams, Vernon 170, Pampa 170.

Harvesters to Battle Lions in Vernon Tonite

The Pampa High School Harvesters are in Vernon, this afternoon in waiting for their first battle of the season away from home, tonight, with the Vernon Lions of District 2AA. The Harvesters will be out to keep their season's record on the credit side. With a win over the Lions, it will be four victories against no defeats for the local grid men. The Lions will be ready to avenge 13 to 7 defeat handed to them by the Sherman Bears last week. The Bears came from behind to down the Vernon team in the final minutes of play. The Harvesters will also be out to avenge a 12 to 0 defeat handed them by the Lions last year.

Offensively the Harvesters will have added strength to the team which trounced the Amarillo Grizzlies last Friday night. Coach Tippet has announced that Jack Williams, who saw limited service in last week's game due to an ankle injury, will be ready to play tonight. Also back in the Harvesters uniform is Jimmy Wilson, rated as one of the best backs in the district last year. Wilson has been out of the first Harvesters games due to a broken ankle incurred in a pre-season scrimmage. However, from all indications Wilson's ankle is still too weak for him to do much work on behalf of the Green and Gold team.

Vernon will throw 12 lettermen into the game tonight against Pampa. Both teams will run from the deceptive T formation.

On the line, the Harvesters will have a weight advantage of 316 pounds per man. However, the backfield the Lions will outweigh the local boys 10 pounds per man. The Harvesters and Lions lines average 172 and 178 pounds respectively. In the backfield, the Lions average 185; the Harvesters 155.

Spearheading the Lion attack from the swift running T will be Fullback Mickey Sharp. It is reported that Sharp is dangerous both offensively and defensively.

Number one man in the Harvesters T will be Charlie Laffoon, ably capable at throwing the pigskin and as a ground gainer. And out to hold his own as leading scorer in the district is the Harvesters' Captain and Fullback Carl "Red" Mayes. Mayes is leading the district scoring with a total of 42 points.

Probable starting lineup: Vernon Wt. 170, Pampa 170; Russell, Vernon 170, Pampa 170; Williams, Vernon 170, Pampa 170; Thompson, Vernon 170, Pampa 170; Schlegel, Vernon 170, Pampa 170; Davis, Vernon 170, Pampa 170; Laffoon, Vernon 170, Pampa 170; Cox, Vernon 170, Pampa 170; Williams, Vernon 170, Pampa 170.

Irish Heavy Favorites To Wallop Pittsburgh

By HAROLD CLAASSEN
NEW YORK (AP)—This is supposed to be the year of dollar-a-pound steak and butter—plus an unbroken string of Notre Dame football victories.

So there should be little doubt concerning the Irish's 1947 debut tomorrow against Pittsburgh, a defensive team that last Saturday held Illinois scoreless for three periods before going down, 14 to 0. Notre Dame has the power to equal last year's 33 to 0 count over the Panthers.

Here's the remainder of the forecasts for this weekend's gridiron struggles (last week's record, 48 winners, nine losers):

Southern California-Rice: Not much difference between the two clubs but the game is being played in Los Angeles and that means Rice had to do a lot of traveling. Southern California.

Georgia Tech-Tulane: How can one forsake the Ramblin' Wreck? Georgia Tech.

Colorado-Army: Villanova spent all last Saturday looking in vain for a hole in the 1947 Army line. Army.

North Carolina-Texas: North Carolina has a tough game last Saturday and made a long trip for this struggle but the Dixie Club gets the nod in the belief that the Texas T, in use only twice, will spitter under pressure. North Carolina.

Alabama-Vanderbilt: As long as there is no money involved, Vanderbilt.

Columbia-Navy: If Center Dick Scott could carry the ball, too, the Midshipmen might win. Columbia.

Louisiana State-Georgia: The Bulldogs still miss Mr. Trippi, LSU, Georgia.

Illinois-Iowa: The Hawkeyes' lack of speed and reserve tackles to prove it. Illinois.

Delaware-Maryland: Here's where the nation's longest, current winning streak comes to a halt. Maryland.

UCLA-Northwestern: The West Coast stars still seek revenge for that Rose Bowl pasting by Illinois. UCLA.

Stanford-Michigan: Perhaps Stanford's loss to Idaho is not a true indication of the team's strength but Michigan still would be too good. Michigan.

Skipping over some of the remainder in a hurry: Georgetown over Fordham, Villanova over Miami (Fla.), St. Louis over Marquette, Detroit over Wayne, College of Pacific over Loyola of Los Angeles, Hardin-Simmons over San Jose State.

East: Colgate over Kings Point, Springfield over Connecticut, Dartmouth over Syracuse, Harvard over Boston University, Holy Cross over Temple, Penn over Lafayette, Penn State over Bucknell, Princeton over Brown, Yale over Cornell, Rutgers over Western Reserve, Muhlenberg over Albright, Massachusetts over Bowdoin, New Hampshire over Rhode Island, Maine over Northeastern, New York over Brooklyn, Virginia over VPI, VMI over George Washington, Wake Forest over Clemson, West Virginia over Washington and Lee, William & Mary over Glendon, Richmond over Rollins, Kentucky over Xavier.

Southwest: Arkansas over Texas Christian, Southern Methodist over

Clay to Start at Halfback Against North Carolina

AUSTIN (AP)—Coach Blair Cherry will have new starters at three backfield positions when the University of Texas Longhorns go on the offensive against North Carolina here tomorrow.

Yesterday he announced conversion of Tom Landry to a fullback, shifted Randall Clay from fullback to right half in place of the offensive against North Carolina here tomorrow.

Only one backfield spot remained untouched. That, naturally, was the quarterback position, where the blond bomber, Bobby Layne, does the signal calling and passing.

Insertion of Landry in the starting lineup is the important switch. Power and speed have been noticeably lacking at the fullback spot in the Longhorns' first two games.

Cherry figures Landry, a quick-starting raw-boned West Texan, is the answer to his need.

Landry already rates as the best defensive back on the squad and is also the team's finest kicker. He's a junior, weighs 190 pounds.

Clay will feel at home at right half. That's the slot he filled during the first two weeks of fall practice.

Gillroy took over left half as a result of brilliant play in the first two games, in each of which he scored two touchdowns to become the Southwest Conference's leading scorer.

The North Carolina Tar Heels were expected to arrive by plane early this afternoon. They planned a brief workout at Memorial Stadium.

The Longhorns continued themselves to a short grill yesterday and only limbering up exercises were carded for today.

Amarillo Golf Tiltist

Gorillas Overrun Borger B's 33-0

Showing much more power than was expected, the Pampa High School Gorillas pulverized a supposedly strong Borger Bullpup team 33-0 last night at Harvesters Park.

The Pampa boys worked in perfect harmony throughout the contest and they started right to work on their scoring tasks in the first quarter and never once did they let up their blistering pace.

In the initial quarter, Leon Taylor, Gorilla guard, recovered Bullpup fumble on the Borger 30 yard line, and after runs by Jerry Gillis and Pete Cooper that had placed the ball on the 3-yard line, Max Robbins, tiny quarterback, went over standing up. The extra point was no good.

The second period was, more- or-less, a reproduction of the first quarter. Leon Taylor again broke through the Borger forward wall to smear the runner and cover a fumble on the Bullpup 17. From that point Pete Cooper, Pampa left half, skirred end to the four and then scored on a line back. Robbins' pass was incomplete for the extra point. The Gorillas threatened twice in this period, but each time a penalty stopped the locals and the half ended with the locals out in front 13-0.

The Gorillas pulled a new scoring punch in the third quarter in the form of left end, Gail Smith. In the opening minutes of this third period, Smith took the ball on an end-around and went 50 yards for a touchdown, only to have the ball called back for a tripping penalty.

Not to be discouraged, Smith took the ball 2 plays later and breezed 49 yards for another touchdown. Cooper then ran the extra point over, giving the locals a 19-0 lead. The Gorillas scored again when Leon English, Pampa right guard, intercepted a pass and went to the Borger 40 yard line, where Smith again skipped around end 40 yards and another touch- down. Robbins then blasted over for their extra point. Soon after this six-pointer, Fullback Jerry Gillis took the ball on the Borger 45 and in 2 plays carried to the 10 yard line and proceeded to go over standing up. Robbins again went over for the extra point to give the locals their last point and running the total up to 33 against none for the Bullpups.

There was no scoring in the last period probably due to the fact that Gorilla Coach John Bond had used his entire squad and even though they threatened several times they could never push across another score.

Joe Webb of the C. Daniels Motor Co. team rolled high singles with a 219 and Ted Evans of the Hawthorne team rolled high three game series with a 518.

Concrete was first used in America in 1820 to build locks on the Erie Canal.

Texarkana Takes Big State Title

By The Associated Press
Texarkana, Ark., won the State League championship in the same dramatic fashion it took the regular season pennant.

Johnny Berry's tenth-inning home run gave the Bears a 1-0 victory over Wichita Falls last night and the championship playoff series, four games to two.

Texarkana finished in a tie with Greenville at the close of the regular season and won in a one-game playoff.

Vallie Eaves, who chalked up 25 victories to top the Class B League's hurlers, edged Tommy Finger in a tight hurling duel. He yielded three hits to six for Finger, though the latter kept them widely scattered.

Wichita Falls muffed its best chance to score. In the first inning the Spudders loaded the bases on a pair of walks and two errors by shortstop Bob Collins. A double play broke up the threat.

Berry was the first man up in the tenth inning. He caught an inside pitch and drove it over the left field fence.

White Deer to Meet Panhandle Tonight
WHITE DEER (Special)—The White Deer Bucks will meet their old rivals, the Panhandle Panthers, tonight, at Panhandle, in what promises to be one of the closest fights thus far in the season.

This is not a conference game, since the Panthers went into Class B this year, but that classification makes them a no less potent foe.

The Panthers will outweigh the Bucks by a margin of 12 points, their average being 166, while the Bucks average 154.

Last week the Panthers administered a 25-0 spanking to the Hereford Whitefaces, whom the Bucks had previously downed, 46-0. In earlier games Panhandle lost to Phillips, 19-6, but won over McLean, 26-0, while the Bucks tied with Lefers, 7-7; and downed Spearman, 26-0.

and Harry Lavagetto—a righthanded batter—was sent in to hit for Stanky. Lavagetto cracked a double over Henrich's head off the right field wall, the first of the game off Bevens, scoring Giofriddo and Miksis with the tying and winning runs. The Dodgers win 3 to 2.

Two runs, one hit, no errors, one left.

Junior High P-TA Reports Success in Drive for Members

Mrs. Rufe Jordan, president of Junior High School Parent-Teacher Association, announced today that after a successful two-weeks' drive the association has over 800 members, the largest in several years. Junior High School enrollment is 900. The rooms having the largest representation in the association are: sixth grade, Mrs. Beatrice Bowers, room 102; seventh grade, Miss Ruby Trusty, room 203; and eighth grade, Mrs. Opal Beiden, room 213. The pupils in these winning rooms will be treated to a show.

The association, which meets the third Thursday in each month in the red brick building at Junior High, has arranged programs with outstanding speakers for each meeting. Dr. Douglas Nelson will speak Oct. 16, at 2:30 on "The Fun that Comes," a Girl Scout program.

Sub Debs and Esquires Hold Joint Meeting

The Sub Debs and Esquires held a joint meeting Tuesday evening in the home of Carol Cullberson, 1121 Christine. Richard Scheig, president of Esquires, conducted the meeting with the assistance of Margery Dixon, president, Sub Debs. A committee was appointed to plan for a picnic to be held soon. The Sub Debs voted to have the Esquire pledges next Wednesday.

At the close of the evening cold drinks were served to: Ida Ruth Taylor, Barbara Oonrod, Nicki Fraser, Junice Ann Fable, Phyllis Scheig, Mary Jean and Otolenne Patton, Doris Wilson, Barbara Ward, Pat Price, Pat Trammor, Dorothy Dixon, Mary Ellen Hawkins, Joann Bennett, Ann Sidwell, Betty Howard, Winnie Allen, Barbara Scruggs, Johnnie Sue Hart, Betty Joyce Scott, Lela Ward, Doris Beagle, Carol Sloan, Nelda Davis, Peggy Hukill, Margery Dixon, Carol Cullberson and Joan Stroup; Jimmie Parker, Brice Lively, Billy Clay, Darrell Husted, Bob Boyles, Jimmy Howard, James Callenore, Max Hullah, Hobart Fatheree, Frank Green, Charles Laffoon, and Richard Scheig.

Esquire pledges are: Richard Crossman, John High, Eddie Scheig, Carol Stevenson, and Marvin Harvel.

The next joint meeting will be held Oct. 28 at the home of Hobart alther, 919 Christine.

Tired of lying on his invalid's bed, a man in Hyde County, N. C. directed that he be buried standing up at his death.

SOCIETY

Pampa News, Friday, October 3, 1947 PAGE 3

La Rosa Starts Year's Activity

The La Rosa Sorority met in the home of Barbara Crouch, 905 North Gray Street, on Tuesday evening to make plans for pledging and various social activities for the coming weeks. Refreshments were served to nine members.

The sorority, in one of a series of events, entertained its members, pledges, and guests with a hayride Saturday, Sept. 27. They met at the home of Patsy Williams and proceeded to the picnic grounds where the members served snack lunches. Those attending were Arline Proctor, Bob Smith, Mary Lou Gantz, James Watt, Joan Stueben, Jack Imel, Nell Brummett, Gordon Fraser, Patsy Williams, Richard Gantz, Anne Crossman, Harold Gomer, Junice Doggett, Andy Tarrant, Barbara Crouch, Gerald Comer, the sponsors of the organization, Mr. and Mrs. Herman Gantz and Mr. and Mrs. Cecil Williams.

The Social Calendar

FRIDAY
7:30 Cub Pack 14 will meet at First Presbyterian Church. All members urged to attend.
8:00 Order Eastern Star will hold regular meeting at White Deer Masonic Room.

MONDAY
7:30 Top o' Texas Chapter, N.S.A. will hold Bosses' Dinner in Palm Room.

TUESDAY
1:30 Merion Home Demonstration Club will meet with Mrs. H. H. Threatt to go to Hopkins.
7:00 La Rosa meets with Verda Ruth Johnson, 3225 Dickinson St.
7:00 K.H. Kat Klub meets.
7:00 Las Cressas Club meets.
7:00 Sub Debs meet.
7:30 Theta Itho Club meets in IOOF Hall.
8:30 Barber Shop Quartet meets at Schneider Hotel.

Mrs. Butler Honored With Layette Shower

Mrs. Kenneth Butler was honored with a layette shower in the home of Mrs. R. D. Nice, Sr. The room was decorated in pink and white with Old Mr. Stork conspicuous among the flowers.

Games were played with prizes going to Mrs. R. D. Nice, Sr., and Mrs. Kenneth Huey, who passed them on to the honoree.

Refreshments of pink lemonade and mints were served. In addition to those named the following guests were present: Mesdames L. Roenfeldt, Darnell, Van Huse; Misses Clower, Hazel Nice, and little Sheila Ann Nice.

Friends sending gifts for the shower were Mesdames C. M. Blymiller, Paul Skidmore, Naomi Herneing, Guy Dunwood, E. A. Baldwin, Kathryn Steele, Allen Wise, and Miss Virginia Ann Worrell.

FLOWERS RULED INELIGIBLE COLLEGE STATION—James Flowers, No. 1 substitute at left tackle on the Texas A & M football team, has been ruled ineligible because of scholastic difficulties.

A former star center with Highland Park (Dallas) in 1945, Flowers was a squadman during his freshman year.

Chitter Chat Club Installs Officers

The Chitter Chat Club had its installation of officers with a dinner in the private dining room of the White Way, Tuesday evening, Sept. 30.

The tables were centered with low bowls of autumn flowers, and corsages were presented to each member. The place cards were caricatures of the members with appropriate verses. The new year books were distributed as the members signed the register.

The retiring officers gave the charge of duties to the new officers: Mrs. J. L. Grimes, president; Mrs. Bonnie Williams, vice-president; Mrs. Glen Waggoner, secretary; Mrs. L. E. West, treasurer; and Mrs. J. C. Payne, reporter.

Other members present were Mesdames J. W. Harrison, O. G. Smith, Clarence Coffin, J. L. Harrison, Ray Boyd, Howard Archer, and James Culpepper; and Miss Dorothy Barritt.

The next meeting will be a "tacky" party to be held Oct. 7 in the home of Mrs. J. W. Harrison, 618 North West.

Tips for Teens

By ELINOR WILLIAMS

"One point in etiquette is not clear to teen-agers, and adults alike," writes a reader. "Which is correct when three people, two girls and one boy, are walking together—the boy on the outside or in the middle? Does the same rule apply to married people?" Answer—the boy walks in the middle so he can share his attention with both girls and it's easier for everybody to join the conversation. The same rule also correct for grown-ups, single and married.

"My friend has been going with a boy for three years, but they've decided to 'break up.' She bought a birthday gift for him some time ago and wonders if she should give it to him now, even though they no longer see each other and have ended their friendship," writes another. Answer—A girl should never give a boy a gift for Christmas or a birthday unless he has given her one. Certainly no gift should be given after the friendship has been ended. If she gives him the gift now, he'd be embarrassed or would think she wanted to resume dating. "There's a girl in one of my classes at high school I'd like to get acquainted with, but I don't know anybody who knows her and could introduce us. How can I meet her and get to know her well enough to ask her for a date?" Answer—If she is in your class or if you see her regularly in school, it's correct to speak to her, starting with a friendly smile and "Hello" or "Hi" at first. Introductions are desirable, but not necessary when you go to classes together. Ordinarily it is the girl or woman who speaks first, but under informal circumstances like these either girl or boy may speak first.

After a few casual "Hello's" chat with her on the way to class about an assignment or a school game and you'll soon be friends. When you ask for a date make a definite suggestion like a soda, movie or dance instead of merely asking for

Man Pleads Guilty, Fined for Assault

Lamaye McGee of The Plains pleaded guilty and was assessed a total fine and cost of \$63.65 by Judge Sherman White in County Court yesterday, on a charge of aggravated assault against a Plains child.

McGee was charged with striking Willie James Hunter on Sept. 22. Deputy Sheriff Lewis Holmes brought McGee here for trial yesterday from Wellington, where he was being held.

Onetime Sheriff of Roberts County Dies

James Ramsey, 57, former sheriff of Roberts County, died at 8:30 a.m. today in an Amarillo hospital after an illness of several months.

Funeral services will be held at 2:30 p.m. Sunday at Miami with Duenkel-Carmichael in charge.

District Meeting of Methodist WSCS Held in Panhandle

PANHANDLE, (Special)—The Dora Jane Armstrong Zone of the Amarillo District of the Women's Society for Christian Service of the Methodist Church met Tuesday in the Methodist Church at Panhandle with representatives present from Claude, Tenth Street, Amarillo, and San Jacinto, Amarillo. The other churches of the zone, Buchanan Street, Amarillo, and White Deer, were unable to send representatives.

Mrs. Charles Franklin, of Panhandle zone leader, presided over the business session in which reports from the various churches were given, with Mrs. Kermit Lawson of Panhandle acting as judge. Mrs. Rollo Davidson of Claude was appointed to collect "Love Offerings" from the various churches for carrying on the work that Miss Dora Jane Armstrong started in Africa.

Mrs. Homer Brumley of Hereford, district secretary of promotion and education, introduced Mrs. S. Q. Barnes of Amarillo, district secretary of Christian social relations and local church activities, who spoke on her work and also the work of the secretary of literature and publications and that of the secretary of missionary education and service. Mrs. Brumley also introduced Mrs. Kermit Lawson, who is district secretary of youth work. The work of the other officers was discussed by Mrs. Brumley.

The devotional of the morning was given by Mrs. J. E. Southwood of Panhandle, using as her Scripture, Exodus the third chapter. Special organ music was given by Mrs. Coe Cleek and Mrs. Spicer Gripp gave a musical reading, "If God Could Only Have His Way."

Mrs. Franklin was re-elected zone leader and Mrs. J. H. Courtney of San Jacinto, Amarillo, was re-elected secretary of the zone.

Lunch was served at noon by the hostess church.

The next meeting of the zone will be with San Jacinto church in Amarillo.

Circle I of MWU Hears Book Review Sunday at McLean

Circle I of MWU of the First Baptist Church met Wednesday in the home of Mrs. J. H. Tucker at 1309 East Frederick Street for Missionary book study. The meeting was opened with prayers by the members after which Mrs. F. E. Leech gave the first chapter of the book, "Forty Years in the Land of Tomorrow," by D. A. Deter.

Mrs. Roy Holt, circle chairman, presided over the business meeting and Mrs. T. B. Long offered the closing prayer.

Refreshments were served at the close of the afternoon's meeting. A special guest was Mrs. F. E. Leech.

Unreality Will Be Sunday's Subject

"Unreality" is the subject of the lesson sermon which will be read in all Churches of Christ, Scientist, on Sunday.

The Golden Text is: "The hills melted like wax at the presence of the Lord, at the presence of the Lord of the whole earth. The heavens declare his righteousness, and all the people see his glory" (Psalms 97:5,6).

McLaughlins Honored By McLean People

McLEAN, (Special)—Mr. and Mrs. S. McLaughlin were honored with a dinner in the basement of the Baptist Church here a few days ago. The event was sponsored by officers and teachers of the Sunday School. The McLaughlins have moved to Dumas to make their home. Mr. McLaughlin had been superintendent of the Sunday School for the past five years.

Miss Haggerty to Play in Recital

Mrs. Lily Hartsfield and Miss Helen Haggerty, both of Pampa, will attend a dinner at the Hillside Hotel in Plainview this evening at 7 o'clock.

Miss Haggerty, who is sponsored by Mrs. Hartsfield, will play a piano recital at the first meeting of the Plainview chapter of P. M. U., a national honorary society. Outstanding piano students will be in attendance from Plainview, Olton, Floydada, Lockney and Tulsa.

Mrs. Mary Kaufman, the national chairman of P. M. U., will come to Pampa in November to install a chapter of the society here.

Miss Haggerty has had a full Freshman scholarship at the St. Louis Institute of Music and is qualified to teach if she so desires, but she may go to Texas Tech to continue her piano study.

Market Briefs

WALL STREET STOCKS
NEW YORK, Oct. 3 (AP)—Profit realizations on the three biggest issues restrained many stock market leaders today although selling was relatively light and a number of "pivotals" managed to keep in the plus division.
 Prices advanced in most divisions after a fairly active and steady opening. Volume tapered despite relatively lively low-priced issues. Assorted favorites stiffened in the final hour as a few "thin" stocks jumped 1 to 6 points. While fractional advances were

well distributed at the close, numerous declines persisted. Transfers for the full go readings divided to within the vicinity of \$50,000 shares.
NEW 1947 peaks were touched by Columbia Gas (on an extra dividend), Mission Corp., Skelly Oil, Virginia-Carolina Chemical common and preferred and Moore-McCormick lines. Resistance was displayed by Lowenstein (on earnings prospects), Cutler's, American Can, Santa Fe and Du Pont.
 2 backward were Southern Pacific, Standard Oil (N.J.), Pacific Western Oil, Goodrich, Montgomery Ward, Boeing, Public Service of N. J., American Smelting, General Electric, and Electric Power & Light.
 Bonds eased.

CHICAGO GRAIN
 CHICAGO, Oct. 2 (AP)—A broad selling movement got underway in grains toward the close of the Board of Trade today and prices plunged under the leadership of corn. The yellow cereal dropped the 8 cent limit at one time. Favorable weather for maturing corn, movement of more new crop into the spot market, and slackening demand for the cash grain combined to encourage selling. Stop-

FORT WORTH GRAIN

Clark Gable Has No Ambition to Direct Pictures

By BOB THOMAS
HOLLYWOOD—(AP)—Clark Gable was relaxing on his "Homecoming" set and talking about the way most actors are always yearning to direct and produce pictures. What about Screen Vet Clark? He smiled sheepishly an answered:
 "None. I've got no ambition to direct or produce. It would be a pain in the neck."
 Eddie Cantor will move into Warner Studio next week to start preparing his screen biography. He'll record his famous songs next spring and then the film will be ready to go. Al Jolson found his Larry Parks, and now Eddie is looking for a boy. He added: "I'd like to see 'Ida's been doing that for years.'"
 The rift between Parks and Jolson is one of the town topics and you might expect Bob Hope to come up with a crack about it. Said he: "Parks is living on borrowed knees."
 Out Culver City way Ingrid Bergman was receiving visitors on the "Joan" set. She was explaining that the film, though epic in size, would not be more than two and a half hours on the screen. I wasn't convinced when she remarked: "People will have seen enough of me by then."
 Jeanne Crain, who scored a hit in "Margie," is now playing in another picture of the '20's, "The Flamingo." She looked at her antiquated dress and complained: "They keep putting me in the '20's, and I thought I was a pretty up-to-date girl."
 Oscar Levont is in the same picture, working at 20th Fox for the first time. The pianist, noted for his sharp tongue, says he was given instructions when he arrived on the lot:
 "They told me not to be funny, and I'm not disappointing them."
 More than 488,000,000 pairs of shoes were produced in the United States during 1945.

GETTING UP NIGHTS OFTEN A SIGN OF MIDDLE AGE

Many folks 40 and over have to get up nights—have frequent desire to pass water—have backaches, too, because of minor functional kidney disorders.
 If this is your trouble, flush out your kidneys and bladder with Dr. Kilmer's Swamp-Root. It quickly works to increase the flow of urine, help relieve excess acidity, and ease burning sensation... helps bladder irritation that gets you up nights.
 Swamp-Root is truly nature's own way to relief. Millions have taken it for three generations... often with wonderful results. Caution: Take as directed.
 For free trial supply, write Dept. C, Kilmer & Co., Inc., Box 1258, Stamford, Conn. Or, get full-size bottle of Swamp-Root today at your druggist.

Construction Costs Still on the Upswing

HOUSTON—(AP)—A telegraphic survey of 101 chapter managers and secretaries of Associated General Contractors of America Chapters show construction costs still on the upswing.
 The report of the survey was made by Loy W. Duddleston, executive secretary of the Houston chapter.
 He said the survey indicated that the upward trend would continue for another 18 months, and bring about a definite slow down in building activity.
 "The upward trend is principally caused by higher material costs, wage increases for construction

trades, and a low labor productivity which continues to be lower than prewar standards for output," Duddleston said.
 A shortage of manpower was reported by all chapters participating in the survey.
 The Gulf Coast area is suffering from an acute manpower shortage in nearly all phases of the construction industry, Duddleston said.

GLAD GREEN WITH ENVY
DENNISTOWN, Me.—(AP)—A couple of pale green blooms showed up in Fred Jackson's gladiolus bed this year—to the amazement of that U. S. Customs officer, who said he never had heard of a green "glad" and had believed it was impossible to raise one of that color.
 During 1945, 38,500 persons were killed and 1,000,000 injured in motor vehicle accidents in the United States.

Try It on Sunday— You'll Be Surprised

One of the well-known sayings in defense of the church is that if there were no churches in a community...

Those of us who attend church and Sunday school, take part in arranging and conducting the various church functions...

What we are trying to say is that many of those persons who have not entered a church this year would make good workers if they just had the start of spiritual enlightenment...

We mention this subject, not by accident, but rather, because this coming Sunday is an important day toward which the local churches have been looking.

This is a good time for all of us to get that little start. It doesn't take much for it to catch on. Before one knows it, he has become a part of the church and, consequently, a more integral part of the community.

Try it. You'll be surprised.

In Hollywood

By ERSKINE JOHNSON NEA Staff Correspondent (Johnson on KFPD Monday thru Friday, 2 P. M.)

HOLLYWOOD—The panic is on. HOLLYWOOD is grabbing at straws. There's talk in movietown about putting paid commercial plugs in motion pictures...

Lana loves it. You take your seat just as the first picture starts. Lana Turner is just stepping out of her Atomic Bubble bath. You know it's Atomic because the box is sitting right there in sight on the end of the tub.

Lana tells her maid all about how wonderful she feels on account of Atomic Bubble Bath. Then Gary Grant comes rushing in to tell her he can't wait for breakfast much longer—he can already

TO RUSSIA BY AIR

WASHINGTON (NEA)—Listen... This is New York's first broadcast of "The Voice of the United States of America."

In many ways, the Voice still cries in the Russian wilderness. The programs are monitored by the U. S. embassy in Moscow, which reports on how well the signal comes in. But who else in the U. S. R. R. listens, or how much good the Voice does, is an unknown quantity.

Yet this is practically the only outlet the United States has for getting American ideas across to the Russian people.

While shortwave broadcasts to the world from Moscow go out of their way to lambast the United States and all its works, the State Department has not taken any reprisals in kind. The policy is to deliver a fair and factual presentation of the news to the Russian audience.

On the Labor Day broadcast, there was a good line for Russian consumption in the statement that the average American industrial workman now makes \$125 an hour—10 times as much as the Russian.

For instance, in handling Vlasov's speech before the United Nations General Assembly, the Voice of America merely did a reporting

NATIONAL WHIRLIGIG

news behind the news

WASHINGTON BY TUCKER LABOR—President Truman's selection of Senator J. Howard McGrath as Democratic National Chairman is generally regarded here as a sign that the man in the White House will run for reelection on a D. R.'s vote-getting formula.

Although a well-to-do man, the Rhode Island Senator's votes rarely deviated from the "New Deal" line. His appointment may heal whatever breach still exists between the White House and the powerful labor bloc.

Politicians did not fail to note that William C. Clegg, P. L. president, visited the White House during the period when Senator McGrath was chosen. There is also the fact that McGrath is a member of the secretariat. She is the daughter of George Meany, A. F. L. secretary-treasurer.

Only recently, C. I. O. leaders concluded that Mr. McGrath may "pitch" on labor issues in eight out of nine instances. He stands high in their books. They merely regretted his support of the Bullwinkle Act, which exempts railroads from certain provisions of the anti-trust laws.

Common Ground

By R. C. HOILES

A Bomb in Your Home Several days ago I reported some of the things Rose Wilder Lane had to say in regard to the new book "The Elements of Economics" by Professor Tarshis of Stanford University. She comments further on this book in a later review. She says:

"This book is as important to you as a time-bomb in your house. It teaches, emotionally and most effectively, the Keynesian theory that made ardent crusaders of the young Galvani Wallaces, Rex Tugwell, Tommy Corcoran, and it begins this month to convince another generation of college students that nothing but unlimited Federal spending can preserve their country."

Then Rose Wilder Lane gives a list of the colleges that have adopted this book. They are as follows: Yale University, Stanford University, Tufts University, Cornell University, University of Texas, Duke University, Drake University, Howard University, University of Arkansas, United States Coast Guard Academy, Wesleyan University, Connecticut College, Iowa State University, Williams College, Occidental College, Manchester College, Oregon State College, Texas Technological College.

I quote further from Mrs. Lane's second review: "Do you want the new voters of 1950 to learn how that the American economy produces poverty, depression, unemployment and world war? That the Russian economy is a far more advanced and planned than that nothing but Federal spending can maintain capitalism, and that Federal spending 'being under social control' can be any amount of money that printing presses can print, with no fear of disaster?"

"If this is what you want, simply do nothing. You can be liquidated as easily as the Russians, the French, the Germans, the Japanese, each of these nations—simply did nothing. The liquidators are acting, and it is action that produces results."

If this is not what you want, what are you doing? Your Congressmen are at home now. Have you made them tell you what they will do about the use of this textbook in the Coast Guard academy? Your Congressmen are spending your money to teach your government's own future officers to use Lenin's economic method of destroying this government, and do you think you are not responsible? If you are an alumnus of any of these universities, if you know anyone who is, if you know the parent of a student in any of them, if you pay taxes to support any of them, or if you can write a letter or use a telephone, do it. Let me hear that there is nothing you can do?

What Can You Do? If this is not what you want, what are you doing? Your Congressmen are at home now. Have you made them tell you what they will do about the use of this textbook in the Coast Guard academy? Your Congressmen are spending your money to teach your government's own future officers to use Lenin's economic method of destroying this government, and do you think you are not responsible? If you are an alumnus of any of these universities, if you know anyone who is, if you know the parent of a student in any of them, if you pay taxes to support any of them, or if you can write a letter or use a telephone, do it. Let me hear that there is nothing you can do?

City Fathers

(Continued from Page 1)
election is held. That means the mayor has 60 days in which to appoint his Civil Service Commission, make arrangements for them to meet; prepare office space, set the salary of the director of civil service and other preliminary motions needed to put the act in force.

Near the end of the act, the sick and injury leaves for firemen and policemen are provided. Said leaves run uniform to most other civil service codes, such as municipal, state and federal civil service.

Should the act be defeated in Pampa, it may again be resubmitted to the voters in one year by a petition signed by qualified voters representing at least 5 percent of the vote cast at the last city election. Once the act is passed it remains in force for at least five years. If, at the end of five years, a group of qualified voters representing 10 percent of the vote cast in the last city election, sign a petition, it can be resubmitted to the public for repeal. Contrary to some rumors to the effect that only firemen or policemen are permitted to vote on the question, all qualified voters in Pampa are permitted to vote on the measure.

This is what the civil service is, according to the Texas law. Whether the people of Pampa want it or not will be determined at the polls on the special election day. However, the city fathers must, by law, call the election later than Nov. 5, so that the election can be held on Dec. 5, the deadline of the 90-day period laid down by the Legislature.

Renounces Race

Inspired by Sinclair Lewis' novel, "Kingsblood Royal," Rev. Kenneth E. Patton, above, 36-year-old Madison, Wis. Unitarian minister, has said that he will henceforth consider himself a "colored man." Unlike the fictional hero, Patton has no Negro blood, but is part Indian. He believes his action will enable him to wage war on discrimination and intolerance.

Oil Men

(Continued from Page 1)
tive said he believed in a tough policy with Russia and Russia's so-called friends. "How can anyone who has been in these foreign countries advocate turning to their form of government?" he asked. "What would Russia have done in the last war had it not been for American oil, gas, tanks and guns that were produced and manufactured under our free enterprise system?" he asked. "We have got to fight," he continued, "to preserve in this country the practice of electing representatives to make our laws rather than the bureaus in Washington."

Just prior to the address made by Congressman Risley, Russell Brown, the executive attorney for the API in Washington and general manager of the API of America, made a full report.

Brown stated that the Federal Power Commission is violating the 1938 Act which plainly says that the commission shall have no authority to by-pass state lines of authority. "Natural gas in this area," he said, "is one of the most valuable natural resources in the world, and we must try to eliminate all natural gas waste." He also stated that the big inch pipe lines were already beginning to feel the pinch in needing more gas.

According to Brown, this country now is from 67,000 to 70,000 wells behind in production. "It is necessary that we drill more wells to make up for the shortage in drilling that was brought about by the shortage of material during the war years," he said.

Brown then asked that the oil companies that owned foreign oil fields discontinue their fight against home oil operators. He mentioned the fact that he could not see the advantage of putting out huge sums of money and material in Saudi Arabia, which is right at the back door of Russia, and immediately available to Russia in the event of any future trouble between that nation and the United States. He also asked that these same companies remember that this country must raise billions of dollars to maintain an Army and Navy to sustain these foreign holdings. "Someone in this country is grossly misinformed," he continued, "when in these times of steel shortage they insist that this steel be sent to Saudi Arabia instead of being used here at home." Brown also said it was a proven fact that the oil industry right here in the United States had supplied 45 percent of the petroleum and its products used in the last war. "How can we do this in the event of another war," he asked, "if we continue to build up foreign fields instead of our own?"

Merle Becker, newly elected president of the API organization, made a report on the convention activities recently in Oklahoma City. Another speaker was Ollie Herman, field man for the API. Herman paid special tribute to Eddie Dunnigan and Mike Roach of Pampa for their part in forming of IPAA. They have been a part of the organization since 1929.

Lawrence Hagy, mayor of Amarillo, acted as toastmaster. Among those attending this Amarillo meeting from Pampa were Jim Green, Jake Garman, Luther Pierson, Eddie Dunnigan, I. J. Huval, Gene Sidewall, Fred Nesledge, Billy Davis, Hugh Burdette and Ken Bennett, oil editor of The News. Russ Allen, formerly of Pampa now a resident of Boston, also attended.

New Forest Fires Reported in State

CONROE—(AP)—Twenty to 30 new forest fires were reported in a new section of East Texas wooded area as the remainder of scores of fires in this area were believed to be burning out.

A Forest Service official said last night the new fires were in Polk County. He added that eight or ten fires of incendiary origin were set yesterday in Montgomery and northern Harris County, but they were brought under control in a short time.

At headquarters here, it was said only about 30 of the more than 100 fires that destroyed 10,000 acres of woods were still burning last night.

Proved oil reserves of the United States are estimated at 20,828,000,000 barrels.

CARNIVAL BY DICK TURNER

"It seems mighty funny to me that all the conversation ceases the minute I come into the room!"

Policemen Taken in by Fake Russian General

WASHINGTON—(AP)—A hall full of policemen failed to penetrate the disguise of a fake Russian general who made a speech at an FBI banquet Wednesday night.

Introduced as "Gen. Feodor Taulieff," chief of the NKVD or Russian security police, the phoney general brought tempers to the boiling point with his disparaging remarks on the American capitalist system.

He launched into a tirade against the FBI for using "old fashioned Hawkshaw methods" and hinted that an American policeman couldn't find a peach in Georgia.

About the time the hissing began, Ole Olsen of the Olsen and Johnson comedy team silenced the speaker by squirting him with seltzer, pouring a pitcher of ice water on him, and mashing a custard pie in his face. The "general" was an Olsen-Johnson stooge.

The banquet guests were peace officers from all over the country, gathered for an FBI training course.

New York Man Joins Local Food Concern

George Muller, of New York, has been appointed manager of Pampa Frozen Foods, 314 E. Francis, it was announced this week by Dave Finkelstein, owner of the concern.

Owner Finkelstein said Muller was formerly employed as manager of the Help-U-Self and Standard Foods in New York. He has had 30 years' experience in this kind of business, it was stated.

Texan Killed as Fighters Collide

WILLIAMS FIELD, Ariz.—(AP)—Capt. Thomas J. Collins, 26, of Forney, Texas, was killed yesterday when his jet-propelled P-50 collided with another fighter and crashed, the Public Relations Office announced here yesterday.

The office said the planes collided at an altitude of 15,000 feet flying in a four-ship formation.

Foreign Mission Offering Goal Set

DALLAS—(AP)—The Baptist Women's Missionary Union of Texas has set \$500,000 as next year's goal of the annual foreign mission offering.

The executive board yesterday unanimously adopted the figure after hearing a recommendation from Mrs. Fred Jernigan of Dallas, finance committee chairman.

The money is distributed through the foreign mission board of the Southern Baptist Convention.

Cuba to Release 700 Held Captive

HAVANA—(AP)—The Cuban Supreme Tribunal was expected to release today approximately 700 members of an expeditionary force captured aboard two ships off the Cuban coast before they could participate in an abortive plot to overthrow the Dominican government of President Rafael Trujillo.

Only the leaders will be held, Cuban officials said.

Action on Student Strike Recommended

MARSHALL—(AP)—A Special Administration Committee has recommended specific action in connection with the student strike at the Wiley Negro College, H. J. Mason, director of Public Relations, said last night.

Mason said the committee had made the recommendations to College President E. C. McLeod, but he would not comment on what action was advised.

The student body yesterday refused to attend classes and pickets paced in front of the school's administration building.

Two students who said they were spokesmen for the strikers declared the 786 students would remain away from classes until three faculty members were removed.

NO STRANGER

EAST LANSING Mich.—(AP)—Eddie Sohacki, tackle on Michigan State College Coach Biggie Munn's squad, is no stranger to Munn. He played under the new mentor in 1944 at Michigan when Sohacki was a Navy trainee. Munn was line coach at Michigan that year.
