

INCREASE SEEN IN EUROPE AID TOTAL

Krug Says Aid Program Would Not Harm U. S.

WASHINGTON — AP — Secretary of the Interior Krug informed President Truman yesterday that the United States could carry out a \$20 billion program of aid for Western Europe without seriously draining its resources.

Such a program, said Krug, would pay for itself in speeding up imports to this country, and it would help knock the world economy off the dead-center upon which he said it has become stalled.

But the venture cannot succeed, Krug added, unless Americans cooperate in the President's grain-saving program, and unless certain export controls are retained to make sure the country's steel doesn't go into some other nation's hands.

Mr. Truman, releasing a bulky report on national resources and foreign aid, prepared by an inter-departmental committee headed by Krug, observed that "the fact that our national resources are adequate to permit sharing is heartening."

The President pointed out, however, that the information must be fitted in with forthcoming reports on:

1. The economic impact of foreign aid, to be prepared by a council of economic advisers headed by Edwin G. Nourse.

2. The "character and quantities" of resources which may safely be utilized for foreign help, to be summarized by a committee headed by Secretary of Commerce Harri-

son. "Aided by these three interrelated studies," said the President, "and by information assembled by the State Department concerning the needs of other countries and the measures of self-help and mutual help being taken by these countries, I shall prepare recommendations to the Congress on the nature and extent of a balanced foreign aid program."

The remaining two reports will also be made public as soon as they are completed.

"I hope they will receive full discussion by members of the Congress and by business, labor, agricultural and other groups."

French Elections to Test Parties

43 Believed To Have Died In Plane Crash

PARIS — AP — Military planes and a submarine were in the search for 35 persons reported still missing yesterday more than 24 hours after a French passenger plane with 43 persons aboard crashed into the Mediterranean.

The plane was on a flight from Marseille to Gran, Algeria.

The company operating the plane said two persons, the pilot and another crew member, had been rescued. The French Air Ministry said the bodies of six others had been recovered from the sea and taken to Casablanca, Morocco, for identification.

The company, a small airline called Compagnie des Transports Aeriens Intercontinentaux (International Air Transport Co.), said it had "little hope of saving any more of the crew of five and 38 passengers."

Friday it had announced that everyone was safe, but yesterday the company said it was unable to give an explanation of a telegram received from the air transport control reporting all aboard had been picked up by a Spanish vessel.

Eight children and 16 women were listed among the passengers, all apparently residents of France or North Africa. One of the crew members was the plane hostess.

French and Spanish military planes and surface craft searched the area of the crash, reported in a dispatch by the French News Agency as 120 miles north of Oran. A dispatch from Cartagena said Spanish naval authorities also had ordered a submarine and a tug to join the search.

The French Agency report said seven bodies had been recovered, but this was without confirmation. The two survivors and the bodies were said to have been picked up by the French Navy's escort ship Sabre. The rescued pilot was identified by only his last name, Remy.

He was described by the company as having had 1,600 flying hours experience. The other crew member reported saved was identified as a mechanic named Huyghe.

The plane, described by the company as a two-engine converted Bristol cargo craft with 34 seats, took off from Paris Friday and made a stop at Marignane Airfield near Marseille. It reported engine trouble at Cap-Falot, 100 miles from its destination. The weather had been "excellent," with good visibility and a light, steady wind, the company said.

A stewardess said the number of passengers was "normal," since it was customary to carry children in addition to the seated adults.

Editor's Note: France's municipal elections have assumed international importance as a test of strength between communism and anti-communism, with the Marshall Plan as an important issue. The background of the election is sketched by Robert C. Wilson, of the Associated Press Paris staff, in AP's regular week-end interpretative story on foreign affairs.

ROBERT C. WILSON

PARIS — AP — The French vote today in the first of two Sunday elections to pick men to run their little villages and sprawling cities—and to take a step in deciding between the United States and Russia.

The words "America" and "Russia" are not written on the ballots, but they might as well be.

The Marshall Plan and the Communist Party, and five anti-Communist parties.

Insofar as the voters choose Communist or anti-Communist candidates France will swing closer or farther away from economic and political collaboration with the United States of Soviet Russia.

The immediate importance of the election is whether it will bring about a change in the present coalition cabinet headed by Socialist Paul Ramadier, who excluded the Communists from the government five months ago.

Most observers agree that should the Communists make large gains in the city and village elections it will be difficult to keep them from returning to the cabinet where they would exert considerable pressure on French foreign policy. That pressure would certainly be exerted if Communist cooperation with the United States.

Foreign Minister Georges Bidault, of the Popular Republican Movement (MRP), for example, might have voted at the meeting of the Foreign Ministers Council in London next month with his hands virtually tied insofar as his taking any joint action either with the United States or Russia.

The lines are more clearly drawn between the Communists and the "Rally of the French People," the new political party known

See ELECTIONS, Page 8

Records and Radio Transcriptions Barred

CHICAGO — AP — James C. Petrillo, fiery head of the American Federation of Musicians, announced yesterday his union's executive board had voted unanimously to bar union musicians from making phonograph records and radio transcriptions after Dec. 31.

Petrillo asserted that union musicians were "destroying themselves" by making records and transcriptions and added, "there will never be any more phonograph records or transcriptions made by the 25,000 members of the Musicians' Union."

In New York, trade sources in the record industry said the ban had been expected and that major companies had built up large backlogs of recordings. One spokesman estimated a two-year supply of unissued records was on hand.

The AFL Musicians Union boss made the announcement after a closed meeting of the executive board. He said the move dated from a convention of the union last June, but did not elaborate.

However, Petrillo hinted last summer that such a step might be in the cards. He conceded before a House Labor Committee in Washington that the "big reason" for his threat to ban recordings was to make radio stations "more receptive to employing musicians."

There were that many broadcasting outlets using only records or network music, he said.

Asked what effect he believed the move would have on the large recording companies, Petrillo commented to a reporter today:

"I don't know who's going out of business, but I know we're going out of business if we continue making records."

The ban, Petrillo said, will become effective when present recording contracts expire after Dec. 31. "The recording companies could keep turning out old records made by AFL musicians."

The action was the second of its kind taken by the powerful Musicians' Union. Petrillo forbade the union's members to make records or electrical transcriptions on Aug. 1, 1942. Twenty-seven months later the dispute ended in a complete victory for the union when the recording companies accepted union terms to pay the union fees ranging from one to two cents a record.

Man Sought Relative To Auto Smashup

City Police and Highway Patrolmen were searching yesterday for the hit-run driver of an automobile that struck the parked pickup belonging to Burke Sylvester, 421 W. Brown St., on N. Cuyler St. near Francis early Saturday morning.

Police reported that Sylvester's pickup, along with other cars, had been pulled out from the curb by the street department to allow the street sweeper to clean the gutter. It was shortly afterward that the car came along, crashed into the rear of the truck causing approximately \$150 damage. The driver was seen to get out of his car, talk to another man near the scene and then drive off without leaving any note or information in the damaged pickup, police added.

Police hinted that they had a warm lead to the hit-run driver.

Hurricane Now Headed for Open Atlantic Waters

MIAMI, Fla. — AP — A hurricane with winds of 100 miles an hour and mounting in size and fury began a northward curve in the north Atlantic Saturday without offering immediate threat to continental United States.

The Weather Bureau said if the storm continued on its present course it would pass over open waters of the Bahamas and offer possibly some threat to the outer islands of the British-owned chain.

The storm, fourth within a month and the third to blossom into a full-scale hurricane, was centered about 600 miles from Miami and 120 miles north of Turks Island near Latitude 23.1 Longitude 76.3.

It was moving 12 to 14 miles an hour with winds of 100 miles an hour over a very small area near the center.

Anxious South Floridians, many of whom have homes still under water after last Saturday's hurricane, were cheered by a report from Chief Forecaster Grady Norton that the storm offered "no threat" to the state or to the gulf coast at this time.

Should the hurricane decide to strike a beeline for the mainland, Norton said it would be at least Monday before it hit.

Ensign R. L. Killian, of Lackburg, S. C., aerologist aboard a Navy hurricane reconnaissance plane reported a "vicious turbulence" on the west side of the storm.

The sun was out bright for the sixth straight day and floodwaters covering many thousands of acres of land in South Florida were beginning to recede.

Many homes in the Hialeah and Miami Springs sections of metropolitan Miami and around Fort Lauderdale 30 miles to the north were still under water and uninhabitable.

Europe's Goal Of Production Overestimated

WASHINGTON — AP — Administration officials said yesterday this country may have to increase rather than cut the \$22,400,000,000 total of European requests under the Marshall Plan.

At the present stage of study, they emphasized this is only a possibility — but one which is causing much concern to federal financial experts trying to reduce the cost before offering the program to an economy-seeking Congress.

These officials, who withheld the use of their names, told a reporter that they fear the 16 Western European nations have overestimated their ability to increase their own exports in the four-year period concerned, and are over-optimistic in forecasting a 12 1/2 percent drop in U. S. prices. Such a drop would better the buying power of their scant supplies of dollars.

A heavily Republican congressional committee meanwhile returned from Europe with a demand for immediate foreign aid under the Marshall Plan or a "similar plan."

Their statement, issued by Chairman Short (R-Mo) of the House Appropriations and Armed Services Committees, said American help must be forthcoming "at the earliest possible time" to forestall a complete downfall of Europe. Seven members of the committee are Republicans.

A series of other developments in the administration's drive to funnel food and goods to Europe marked the weekend. They were:

First, bakers in Des Moines, Philadelphia and Pittsburgh joined a growing movement toward higher bread prices. They announced 1-cent-a-loaf increases starting Monday in the two eastern cities, following similar news from Baltimore and New York yesterday. At Des Moines a 2-cent retail rise is scheduled. An American Bakers Association official forecast privately that other cities might follow suit "in view of wheat at \$3.08 a bushel."

Second, Senator Barkley of Kentucky, Senate Democratic leader, said President Truman and then told reporters he does not think Mr. Truman would hesitate to call a special session of Congress on European aid if necessary.

Third, a decision on whether to abandon eggless and poultryless Thursdays from the Citizens Food Committee grain-saving drive is expected Monday. Chairman Charles Luckman meets here with poultry producers and feed industry.

See PRODUCTION, Page 8

Sewer Line Is Broken by Crew

A break in the N. Yeager St. sewer line Saturday morning threatened, for a time, to engulf the last of the 500 block of that street, after workmen played to evacuate and grade the lots for new homes accidentally dug up the main.

City Manager Steve Matthews, Water Department Superintendent Elvin J. Lowry and Health Inspector Ray Salzman were called shortly after the seepage was noticed.

The main, lying approximately four feet beneath the surface runs through the middle of private property on the west side of the street. As the excavation was completed the leveling it hit the pipe, breaking it near a coupling.

By the time Water Department workmen got new pipe sections, tools and other equipment on the lot, the leaking main had built up a large pool of sewage. The line was repaired within an hour after the men cleared away the slop to fill the gap with new pipe sections.

Matthews told a reporter that property owners in the block bought the lots years ago without knowing the sewer lines ran through their own lots instead of the alley.

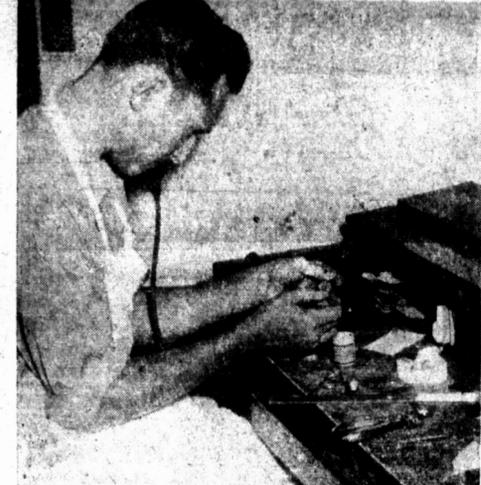

Three private residences are to be built over the site where the break occurred.

Matthews said a new sewer line in that immediate vicinity will have to be worked out by the city, especially the one running through the lots to be developed.

THE WEATHER

Table with weather forecasts for Pampa, Texas, including temperature ranges and conditions for the day and night.

WEST TEXAS — Fair Sunday and Monday; not much change in temperatures. EAST TEXAS — Partly cloudy Sunday and Monday; scattered showers in the extreme south portion Sunday; moderate change in temperatures; moderate southerly winds. OKLAHOMA — Fair and continued warm. MOTO-GRAY Lubrication squeaks away. Lloyd's Motor Service, 130 S. Cuyler.

BUSTER CISCO, working in a local medical laboratory, solders delicate wires over a tiny flame controlled by his breath (note tube). After three years in a veterans hospital he started on a new career here a couple of weeks ago.

PAMPANS AT WORK:—

This Veteran Is Putting His Best Ability To Work

Too many of us are prone to seek avenues of escape and give up ideals and goals when the going gets rough. People determined to overcome all obstacles, to make their contributions count, are not found on every corner.

Buster Cisco sweated out three years in a veterans hospital after taking a machine gun blast in the South Pacific. A couple of weeks ago he started on a new career here.

He had been a welder previously, but being disabled from the waist down he could no longer stand on his feet and wrestle with heavy acetylene and arc jobs.

During those long months in the hospital Cisco began to work with his hands. He hand-tooled leather. He knitted. His deft fingers worked from daylight until late at night developing compensating skills. He turned out beautifully-designed belts, some of which he joined with ornate Mexican silver buckles. He got to the point where he could finish a belt in 15 minutes. Before one Christmas he found he had knitted 65 scarves. His new life lay mainly with the use of his hands, he knew. And yet he wanted to put to use his knowledge of welding.

Cisco talked with the local Texas Employment Office. They had had a call a few days before from a Pampa medical laboratory who needed a technician. They said the main qualifications for a trainee there were patience with delicate work, care and dexterity. It sounded made to order for Buster Cisco.

After just a few days at the new job Cisco is sold on the work, and believes he has found a whole new future.

Soldering delicate wires and braces is right down his line as he uses skills learned in welding, together with his increased finger dexterity. His job requires bend soldering of small wires, often at right angles—fine, precision work.

The niceties of shaping and machine grinding exact molds and plaster models is learned more easily by a man who has spent long hours in his job and do photographic assignments in medical laboratories.

People have come to realize that it is the ability, not the disability, that counts. Cisco's physical limitations do not apply in his new field. He is looking forward to the year of intensive work and study to achieve this goal.

In addition to leather work his hobby is photography, and he hopes eventually to combine this skill with his job and do photographic assignments in medical laboratories.

Dr. R. M. Bellamy, attending surgeon, said Saturday morning that both Mrs. Garner and her brother-in-law are in a serious, but not critical, condition at present.

Shortage of Home Agents Reported

PANHANDLE. (Special) — Miss Doris Leggett, district home demonstration agent, has informed the Commissioner's Court that, because of the scarcity of home demonstration agents, she will be unable to replace Miss Martha Burnet, assistant agent, who resigned to become agent at Llano. Her resignation becomes effective October 18.

Until an assistant can be secured, work among the 4-H Girls Club in the county will be handled by Miss Charlotte Tompkins, demonstration agent.

Advance Information On Ads Not Given Out

The Pampa Daily News is not authorized by its advertising patrons to divulge the names of persons having houses and apartments to rent, prior to publication of the information.

The Classified Ad Department said in advance of publication time, seeking information on houses and apartments for rent.

"We cannot give out any information," it was stated.

Movies of World Jamboree Shown

Henry A. Tuck, president of the Dumas Chamber of Commerce, and scoutmaster of the Mustang Troop from the Panhandle area which attended the World Jamboree recently, showed moving pictures of the Jamboree to approximately 400 scouts Saturday night at Lake McClellan when about 30 troops from the counties met there for an campment Saturday and Sunday.

Church services for the scouts and scout executives urged parents of the boys to come out and attend the services.

G. L. Craddock was scheduled to conduct Protestant services at 10:30 a. m. and the Rev. Father Andrew Quante was to hold Catholic Mass at 8 a. m.

Love Misses the Bus

LOS ANGELES — AP — Love, it seemed to young Charles Harader, above, yesterday, had missed the bus.

Harader, 26-year-old musician, planned to be back on the Vermont Ave. bus at noon again for the fifth straight day—hoping that a girl he knows only as "Susan Simpson" would get on, too, and tell him where she's been since last week.

That was when they had their last date—on the bus, of course, where they used to ride for hours. They made another date for last Monday—but she didn't show up. Then Harader said he received a letter reading:

"Where were you yesterday, or didn't you get my card? I rode the bus for over an hour and had to get back Really, darling, I must see you."

But, he claimed, she never told him where she lives. They always met on the bus.

Harader says he has been riding the bus 10 hours daily since Monday.

A poll tax receipt is still a requirement for voting, of course, and persons who wish to exercise that right in 1948, must pay the \$1.75 fee. That amount may be added on to their property assessment.

See new DeLaval Magnetic Milkner now on display Lewis Hardware.

Doe Drops in on Boys in Barroom

YONKERS, N. Y. — AP — Everything was pleasant and peaceful yesterday in Brophy's Bar and Grill.

Three men stood at the bar nursing their beers. Suddenly one of them, a man in a glass front window. His eye bulged and he yelled "Look out!" he yelled—and dove under a table.

There was a crash. The window fell in and a 170-pound doe stood in the barroom.

The two customers joined their companion. The doe leaped over the bar, smashing bottles, and dashed out the door.

A garage was next. Two mechanics leaped into a greasepit as the doe thundered through the door, into the street, and again into another bar and grill—this time by the front door.

Six men and a woman dashed for shelter as the deer crashed against the shuffleboard. Now bleeding and groggy, the animal staggered to the door, but tender John Moss belted it to its knees with a baseball bat. It was shot by a patrolman.

St. Joseph's Hospital will serve venison today.

Where the doe came from nobody knows.

Optional Payment of Poll Tax Confusing

SHAMROCK — (Special) — Failure to include the regular poll tax assessment on this year's property tax statements is causing much confusion among the taxpayers of this county. T. L. Daugherty, tax assessor-collector, stated last week.

West Texas CC Delegates Meet

Representatives from cities which are members of District No. 1 of the West Texas Chamber of Commerce met at the Herring Hotel in Amarillo Friday to hear discussions of this year's referendum ballot, which will be held in November.

Members of the Amarillo Chamber of Commerce, Roy S. Bourland, of Pampa, presiding over the gathering, which was attended by about 25 persons.

The seven-plank program concerns the following matters: election of directors, executive board and officers; abolition of state ad valorem tax for general revenue purposes; freight rate parity; continuance of the West Texas industrialization campaign; security benefits for West Texas Chamber of Commerce workers setting up a permanent Latin-American Relations Commission, dedicated to the improvement of relations with Mexico; and an invitation to local chambers to suggest additional regional activities.

Members will hold meetings later to discuss and vote on these planks.

Results of these balloting will be presented at a general assembly of the organization to be held November 11 in Abilene when the fate of the various planks will be determined.

Attending the meeting from Pampa besides Bourland were E. O. Wedgeworth, manager of the local Chamber of Commerce, and Reno Stinson.

'You Can't Reform a Boy at Reform School,' Declares Sociologist

SHAMROCK — (Special) — "You can't reform a boy by sending him to a reform school," declared R. B. Johnston of Lefors, as he addressed a group of guests Thursday afternoon.

The speaker, who was introduced by Mrs. Lewis Goodrich, served a number of years as sociologist in the Galveston State School for Boys. He brought a revealing message of the conditions in the school, and the treatment of the inmates.

"Boys sent to the reform school for petty offenses often leave there convinced to crime," he stated.

He stressed the teaching of tolerance in our schools and grading a child according to his ability.

"Johnny Jones can't be graded according to Sally Smart, who, many times, is trying to fulfill mama's ambitions," he said.

He stressed intolerance, indifference and ignorance as the principal causes for juvenile wrong-doing and urged parents to think more of youth conservation.

CORREGIDOR PASSED TO PHILIPPINES—"Old Glory" was hoisted down for the second time in 49 years over the island fortress of Corregidor as the bastion was passed to the jurisdiction of the Philippines Republic by the United States. This photo was made by NEA Photographer Bert Brandt from the second floor of a bombed out building and shows guests at the ceremony, left, and the Davao hills.

THE DRILLER'S LOG

By Ken Bennett

Remember last week we reported in this column that the Phillips' deep test well, Jenkie No. 1, had struck granite. Well, it seems our report was correct since the well has been inactive during this entire week except for velocity tests. The results of these tests, of course, are not known.

Here's some important news for the API. The program committee of the Panhandle Chapter of the American Petroleum Institute met during the past week to plan the activities of the organization for the remainder of the year. It was decided to present only one additional program during the year, and following the procedure adopted earlier in the year, it was agreed to devote the entire program to a subject of vital interest in the Panhandle field rather than one of general interest to the entire industry. . . . Due to the continued decline in producing ability of most leases in the Panhandle field, it was decided that the discussion of the secondary recovery projects now in operation in this field would prove to be both beneficial and interesting. . . . It is planned to present the program during the evening of October 29 in the Point Room of the Pampa City Hall. Men prominent in the management of the several present active secondary recovery projects will be requested to discuss their enterprises at the meeting which will be open to the public. Details of the program will be announced at a later date, according to F. E. Kennedy, chairman of the Program Committee.

I saw Dan Gribbon, of the Texas Company, just back from a well-earned three week vacation. Mr. and Mrs. Gribbon visited friends in Austin, Houston, Mineral Wells, and New Iberia, La. Dan says he saw the Texas-North Carolina game and was surprised and shocked at the ease with which the Texas eleven handled the great Charlie Justice of North Carolina.

The new price of crude is news in the oil industry. Purchasers have all agreed to the price increase which raises the price 20c per barrel of oil in the Point gravity and above with a 2c differential for each degree of gravity below 40. That makes the present price to the purchaser \$2.15 per barrel for 40 gravity or above.

It is easy to hear all sorts of oil rumors. Naturally, we of the oil producing Panhandle have become more or less accustomed to them by now. Some rumors, however, are so well founded that we have to feel that at least a portion of them have a grain of truth in them. . . . Yours truly is going along with the theory that big things are in the offing in this area for the oil industry. The next few months should prove interesting.

A night-mile subterranean walk beneath two Kentucky counties can be taken by visitors to Mammoth Cave, Kentucky.

Eight Notices of Intent to Drill Filed With Commission

Eight notices of intention to drill were filed at the local Oil and Gas Division Office of the State Railroad Commission during the past week, officials reported yesterday.

It was also reported that six wells would be plugged and four were to be deepened.

Hutchinson County led again in new filings, having reported four of the eight notices.

Notices of Intention to Drill
Collingsworth County—Warren Oil Corporation, Maude, Lewis and E. R. Powell Unit No. 1, H&GN Survey, 660' from S and 330' from E lines of NW 1/4, Sec. 21, Blk. 23, 10 1/2 miles southeast of McLean.

Humble Meets Price Increase With Others

Humble Oil and Refining Company has announced that it has met the price increases posted for crude oil by several competitors. H. C. Weiss, president, said such action was required in fairness to those from whom Humble purchases oil, and to protect badly needed supplies for Humble and its customers.

The latest price hike, announced by practically all concerns involved in Panhandle field purchasing, brings the top gravity price to \$2.15.

The reflected change in price for all grades amounts to about 20 cents, it was stated.

Cities Service Makes Weekly Area Report

Cities Service Oil Co. has announced location of three new wells in Texas. They are the Cummins G No. 1, Ector County; Hughey A No. 4, Gray County; and Kilpatrick No. 2, Dawson County.

Max Skelton Reviews Oil News for Texans

HOUSTON—(AP)—Pessimism prevails among many oilmen despite the nation's highest crude oil prices and greatest production figures in history. The general 20-cent per barrel boost in crude prices was accompanied by forecasts of a new cycle of premium or bonus payments in addition to the "two dollar" prices which broke the industry's hold-the-line price policy.

Nine Completions Reported in Area

Nine new wells were completed in this area during the past week according to a report from the Oil and Gas Division of the Railroad Commission.

Hutchinson County reported seven of these completion and Gray County reported two.

GRAY COUNTY
B. L. Hoover, No. 3, J. E. Barrett "A," located 330 feet from N and W lines of N 1-2 of NE Section 130, Block 3, I&GN Survey, tested 90 barrels of oil in a 24 hour test. Top of pay, 3032 feet. Total depth 3100 feet.

HUTCHINSON COUNTY
Herman brothers, No. 15, Lucas, located 212 feet from N and 1051 feet from W lines of W 300 across Section 21, Block "A," DL and C CO Survey, tested 17 barrels of oil in a 24 hour test. Top of pay, 3032 feet. Total depth 3298 feet.

STOCKILL PETROLEUM COMPANY, No. 8, J. A. Whittenburg "L," located 990 feet from S and 330 feet from W lines of Section 21, Block 47, H & TC Survey, tested 17 barrels of oil in a 24 hour test. Top of pay not listed. Total depth 3050 feet.

J. M. Huber Corporation, No. 10, Burch-Weatherly, located 1650 feet from S and 1320 feet from W lines of SW 1/4, Section 24, Block "Y," A & B Survey, tested 89 barrels of oil in a 24 hour test. Top of pay 3025 feet. Total depth 3115 feet.

Kerr-McKee Oil Industries, Inc., No. 2, Whittenburg, located 330 feet from S and W lines of Section 12, Block X02, H & OB Survey, tested 99 barrels of oil in a 24 hour test. Top of pay 3005 feet. Total depth 3063 feet.

Phillips Petroleum Company, No. 9, Juanita Johnson, located 990 feet from N and 990 feet from E lines of W/2 of Section 5, Block 1, B & B Survey, tested 159 barrels of oil in a 24 hour test. Top of pay 3253 feet. Total depth 3063 feet.

Sinclair-Prairie Oil Co., No. 30, Maggie Weatherly, located 2310 feet from N and 2820 feet from W lines of Section 23, Block "Y," A & B Survey tested 112 barrels of oil in a 24 hour test. Top of pay, 3140 feet. Total depth 3148 feet.

Oilmen attending the Texas Mid-Continent Oil and Gas Association's 28th Annual Convention here adopted a resolution asking Congress to quit-claim title of tidelands to the several states.

The resolution, denouncing the California tidelands case, was approved by the convention at the final business session of the group yesterday.

Another resolution, denouncing activities of the Federal Power Commission in opposing the Ritzley bill designed to limit the commission's jurisdiction in connection with interstate movement and sale of natural gas.

The 600 oilmen attending also authorized the association's new president, R. B. (Bob) Anderson of Vernon, to name a committee to work with the Texas Railroad Commission in drafting proposed legislation which would relieve an "understaffed" engineer personnel problem said to be faced by the commission.

Hutchinson County reported seven of these completion and Gray County reported two.

GRAY COUNTY
B. L. Hoover, No. 3, J. E. Barrett "A," located 330 feet from N and W lines of N 1-2 of NE Section 130, Block 3, I&GN Survey, tested 90 barrels of oil in a 24 hour test. Top of pay, 3032 feet. Total depth 3100 feet.

Phillips Petroleum Company, No. 9, Juanita Johnson, located 990 feet from N and 990 feet from E lines of W/2 of Section 5, Block 1, B & B Survey, tested 159 barrels of oil in a 24 hour test. Top of pay 3253 feet. Total depth 3063 feet.

Sinclair-Prairie Oil Co., No. 30, Maggie Weatherly, located 2310 feet from N and 2820 feet from W lines of Section 23, Block "Y," A & B Survey tested 112 barrels of oil in a 24 hour test. Top of pay, 3140 feet. Total depth 3148 feet.

Oilmen attending the Texas Mid-Continent Oil and Gas Association's 28th Annual Convention here adopted a resolution asking Congress to quit-claim title of tidelands to the several states.

The resolution, denouncing the California tidelands case, was approved by the convention at the final business session of the group yesterday.

Another resolution, denouncing activities of the Federal Power Commission in opposing the Ritzley bill designed to limit the commission's jurisdiction in connection with interstate movement and sale of natural gas.

The 600 oilmen attending also authorized the association's new president, R. B. (Bob) Anderson of Vernon, to name a committee to work with the Texas Railroad Commission in drafting proposed legislation which would relieve an "understaffed" engineer personnel problem said to be faced by the commission.

OIL PAGE
STANDARD OIL
SHREVEPORT, La.—(AP)—A 20-cent per barrel increase for crude oil was announced yesterday by the Standard Oil Co. of New Jersey here as it joined the ranks of major oil purchasers upping the price.

Nine Completions Reported in Area

Nine new wells were completed in this area during the past week according to a report from the Oil and Gas Division of the Railroad Commission.

Hutchinson County reported seven of these completion and Gray County reported two.

Services Held for Henry Thompson, 53

SHAMROCK, (Special) - Henry Albert Thompson, resident of Wheeler County since 1929, died at his farm home one mile west of Lela at 3:30 o'clock Wednesday afternoon. He was 53 years old. Mr. Thompson had been in ill

health for four years and his condition had grown steadily worse for the past few months and he had been confined to his bed since June 7. Ten-day funeral services were held at 2:30 o'clock Friday afternoon at the Lela Baptist Church, with Rev. C. E. Blasinger, pastor of the Allison Baptist Church, in charge.

Fine salt should be used to clean pearl-handled articles. They should then be polished with a chamote.

More Moisture Is Needed for Wheat

As showers fell over the county during the week enough moisture was received to germinate wheat in most areas, although County Agent Ralph Thomas said most of this wheat would perish unless additional moisture was received within the next two or three weeks. In parts of the county where pre-

vious rains had fallen the previous week fields became wet, although surplus moisture has not yet met subsoil moisture, which is 9 to 12 inches below the surface in about three-fourths of the county. Harvest of combine milo has been delayed because of showers and heavy dew. Buyers in the McLean area say that grain has too much moisture to harvest. Five cars of grain have been shipped to date from McLean. Cotton pulling has also been delayed in the McLean area due to

the rains, and some cotton has been pulled too wet, with grades having been lowered one or two points. Around 354 bales have been ginned at McLean. Patrolmen Unable To Locate Wreck State Highway Patrolmen Friday evening reported they were unable to find any trace of the overturned and badly torn up car that was re-

ported Thursday lying off an oiled road near Phillips Camp. The patrolmen added that by the time they were notified of the wreck and had gotten to the scene the car had apparently been removed without the owner or driver reporting the crash. The crash was first reported to the Pampa News by Phillip Bynum of the Wilcox Lease.

FORT WORTH GRAIN
 FORT WORTH, Oct. 18—(AP)—Wheat No. 1 hard 2.09-2.20. Oats No. 2 white 1.24-1.25. Corn No. 2 yellow 2.60-2.65; No. 3 white 2.80-2.85. Sorghum No. 2 yellow milo per 100 pounds 2.80-2.85.

CHICAGO GRAIN
 CHICAGO, Oct. 18—(AP)—Fairly aggressive buying entered 1947 crop wheat futures on the Board of Trade today as weather in the Southwest continued clear and no rain was forecast for this weekend. Contracts representing this year's crop also advanced, although gains were not as extensive as with July and September wheat. At one time the December delivery was back above \$3.00. Corn and oats held firm. A ride report that the Commodity Credit Corporation was not contemplating withdrawing from the cash wheat market aided sentiment. Wheat closed 1 1/2-5/8 higher, December 23.00-2.00 1/2, corn was 4-8/8 higher, December 22.25-1/4, and oats were 1/4-1/8 higher, December 11.02-1.15.

"You'll be fresh when you arrive..."

These words from Oldsmobile's new "radio song" have never been so aptly illustrated as in a typical ride to a football game. There's often a long distance to be covered. There's always traffic to contend with. Yet, if you're the driver of an Oldsmobile with Hydra-Matic Drive, you can... "Just forget the clutch and gear. All you do is sit and steer!" That's true in football traffic, or any other traffic. True on the highway, too. Hydra-Matic Drive takes care of all gear shifting—automatically—through four

forward speeds. And the clutch pedal is eliminated completely! What makes it even more impressive... this will be the ninth football season in which Hydra-Matic Drive has enabled Oldsmobile-owning fans to go to the games the easy way. GM Hydra-Matic Drive is a fully perfected, fully proved feature—and there's still nothing else on the market to compare with it. Oldsmobile introduced Hydra-Matic Drive 8 years ago. Today, Oldsmobile is still the lowest-priced car to offer it. Add to this Oldsmobile's traditional style-leadership—plus Oldsmobile's all-round, fine-car quality—and you'll see why so many football fans are Oldsmobile fans as well. You'll agree that...
"IT'S SMART TO OWN AN OLDS!"

Mrs. Sarah Jane Bass Dies at Shamrock

SHAMROCK, (Special)—Funeral services were conducted from the First Baptist Church here Thursday afternoon for Mrs. Sarah Jane Bass, mother of Mrs. J. E. Roden.

20.00, common 12.50-15.50; medium and good cows 13.50-16.00, cutter and common 11.50-13.00, canners 8.50-11.00; sausage bulls 11.00-15.50; medium and good stockers and feeders 15.00-18.50; choice 13.00-20.50; common and medium 12.00-15.00; medium and good stocker cows 11.00-13.50.

Calves—Compared week ago: Slaughter, calves 50 lower, spots 1.00 lower, except culps around steady; best stockers steady to 50 off, medium and low grade and thinner offerings 50-1.00 off; good and choice slaughter calves 16.00-19.00, few strictly choice heavies to 20.00 and higher sparingly; common and medium 12.00-15.50, culls 10.00-12.00; good and choice stocker and feeder calves 16.00-19.00, few heavy fleshy feeders to 20.00 and above; common and medium 12.50-15.50.

Togs—for week: Stead on all weights; week's top: Butcher hogs 29.75, sows 25.00, stowwer pigs 25.00. Closing bulk: good and choice 190-220 lbs 25.00, good and choice, 160-185 lbs 25.50-28.75, sows 26.00-27.50, stocker pigs 20.00-25.50.

Mrs. Bass, 86, died in the Shamrock General Hospital following an illness of 18 months. Surviving her are four sons and four daughters, 40 grandchildren, 50 great-grandchildren and two great-great-grandchildren. Services were conducted by the Rev. Douglas Carver of Pampa and burial was in Shamrock Cemetery with Womack Funeral Home in charge.

at Duncker Hill. After World War II service in Arakan and North Burma, the battalion moved to Calcutta in 1940 where till May of this year it has been mainly used to quell riots.

A small may have as many as 40,000 teeth, but it has only one foot.

Berry Leads Horned Frogs to 26-0 Upset Victory Over A&M

Texan Leads Irish to Victory Over Nebraska

FORT WORTH.—(AP)——Texas Christian University parlayed victory defense and set back Lindy Berry into a 26-0 upset victory over Texas A & M College here Saturday.

Thirty thousand fans jammed T. C. U.'s stadium for the 50th anniversary of the two schools' grid rivalry and saw the Horned Frogs break a listless defense duel with five minutes remaining in the second quarter.

Berry chalked up the first of his two touchdowns, skipping around right end for six yards to finish a drive that had started on the Aggies' own 29-yard line.

The underdog Horned Frogs—scratching paydirt, for the first time in conference competition this year—held the big Aggie team well in check, keeping it bottled in its own territory most of the game.

Hard-hitting little Texas Christian threw a monkey-wrench into the A & M passing attack one man and one play after another. Berry opened a 23-yard touchdown pass to Charlie Jackson.

Hard-hitting little Texas Christian threw a monkey-wrench into the A & M passing attack one man and one play after another. Berry opened a 23-yard touchdown pass to Charlie Jackson.

Berry chalked up a terrific offense day for the Horned Frogs. He finished the scoring with the longest run of the game, a 90-yard rambler of a drive that had started on the Aggies' own 29-yard line.

Wagner Pickett kicked the extra point after the Frogs' first and third touchdowns.

Texas A & M's offensive display was easily outclassed. A quick kick in the first quarter put Texas Christian on its own one-yard line. That was as close to the goal as the Aggies came.

Texas A & M could gain only three yards on the ground and only 96 in the air out of 33 attempted passes.

Pete Stout had helped set the stage for the Frogs' first touchdown along with a nine-yard pass from Leon Joslin to Jackson.

With West, regular quarterback, out of the game because of injuries, 121-pound "Skippy" Buchanan not only called the entire game but wedged through the line for the Bucks' first tally in the third quarter.

Early in the fourth period, behind nice blocking, Johnnie Harvey ran 17 yards for the Bucks' second marker. Weatherall converted.

Dickens and Weatherall stood out for the Bucks on defense, while Muncy, Elkins, and Gray held the line for the Wildcats. Nix and Fogham ran up most of Canadian's yardage.

The Bucks made eight first downs; Canadian, five. The Bucks gained three passes, completing one; while the Wildcats' three attempts all fell incomplete.

DALLAS.—P.—Southern Methodist whipped Rice decisively Saturday to remain among the nation's unbeaten, untied teams and to exalt Doak Walker as the greatest all-around back ever to appear on the Hilltop. The score was 14-0 but the margin of strength between the two teams was wider than that.

A crowd of 22,503 roared approval at the amazing feats of the fiery Sophomore who now has run virtually at will over four straight teams.

Walker led an 80-yard surge in the first period. In the initial Methodist touchdown. Scoring it himself on a dash around end. And getting off a long run that led eventually to the second. He also kicked two points after touchdown. Narrowly missed a field goal from the Owl 15-yard line and intercepted two Rice passes that were labeled "touchdown."

Walker carried the ball 12 times for 87 yards, the leading ground-gainer of the day and he completed four of five passes for 33 yards, but his ball-handling and generalship were as important as his individual offensive efforts.

Rice never was in the game and, but for some SMU fumbling, would have been beaten by a more decisive score. The Owls, pre-season favorites for the Southwest Conference championship, never had a chance with the spirited Mustangs and the great Walker. Southern Methodist, known as a passing team, stayed on the ground mostly today, ripping and snorting through the Owl line for 228 yards. Rice, on the other hand, is known as a running team but it tried 23 passes today and gained 121 yards doing it—just 31 yards less than it made rushing.

The only Rice running threat was George Walmesley, who carried 10 times for 67 yards, but Walmesley had trouble holding the ball and it was his fumble in the second period that gave the Mustangs the pugskin on the Owl 35-yard line where they passed for the score.

Southern Methodist took the opening kickoff and paraded to a touchdown with Walker's 29-yard run being the big boost.

The next touchdown came after Walker and Dick McKissack had ripped to the Rice 37 only to be halted by a clipping penalty. Ed Green kicked outside on the Rice 13. Walmesley made 16 at right end, but fumbled on the next try and Walt Roberts recovered on the Rice 25. Gil Johnson passed to Raleigh Blakely for nine and to Dick Reinking for a touchdown.

Baylor Trounces Texas Tech 32-6

LUBBOCK.—(AP)—Bruising, battling Baylor Bear football team, ran rampant at the expense of the Texas Tech Raiders yesterday afternoon, to completely dominate play, as the vastly superior Bears punched over three first half touchdowns, added two in the final half and emerged with a 32-6 victory to remain undefeated and untied.

With the exception of one beautifully executed forward pass in the second period, which Tech converted for a touchdown, Baylor held the upper hand throughout, as their big back tore gaping holes in the line.

Baylor scored on the first break of the game early in the first period. Half Back Costin Bufkin took Jack Price's punt on Tech 25 and ran backwards to his own 10-yard line, where Gordon Holton threw him. Ralph Earnhart booted to Baylor Bobby Griffin and the march began. Frank McKinney and Ben Hall took turns lugging, with Hall going over on the 18-yard jump around right end. Louis Leal booted the extra point.

Tech Fullback Earl Jackson quick kicked to Baylor 30 and Quarterback George Sims returned to Tech 47. Halfback Jack Price passing to G. M. Neville for nine as the period ended. Lyle Blackwood punched the line before Price passed to Neville in the end zone for the second score. Tech Guard Floyd Lawhorn blocked the extra point. Baylor drove its 35 to a touchdown in nine plays. Jerry Mangum fumbled on the next try and the Tech 37 only to be halted by a clipping penalty. Ed Green kicked outside on the Rice 13. Walmesley made 16 at right end, but fumbled on the next try and Walt Roberts recovered on the Rice 25. Gil Johnson passed to Raleigh Blakely for nine and to Dick Reinking for a touchdown.

Baylor got another touchdown in the third period after Guard Charlie Stone recovered Ernest Hawkins fumble on the Tech 42. Bobby Griffin ripped for nine. Hale Johnston made five and then read off tackle the remaining distance for the score. Henry Dickerson converted.

The final Baylor score came in the last ten seconds of play and capped a 43-yard drive. Bob Burke intercepted a Brown pass on the 50 and returned to the Tech 23. Hayden Fry ripped to a first down and George Sims threw a running pass to J. D. Ison in the end zone. Dickerson missed the extra point. Baylor had a tremendous edge in the statistics, rolling up 314 yards rushing to Tech's 16 and making 16 first downs to Tech's six. The Red Raiders held the edge in passing, however, completing six for 137 yards while Baylor connected on five for 54.

Bucks Take Conference Opener Over Canadian

WHITE DEER, (Special)—Held scoresless until the half, the White Deer Bucks racked up a 13 to 0 win over the Canadian Wildcats here Friday night in their first conference game.

With West, regular quarterback, out of the game because of injuries, 121-pound "Skippy" Buchanan not only called the entire game but wedged through the line for the Bucks' first tally in the third quarter.

Early in the fourth period, behind nice blocking, Johnnie Harvey ran 17 yards for the Bucks' second marker. Weatherall converted.

Dickens and Weatherall stood out for the Bucks on defense, while Muncy, Elkins, and Gray held the line for the Wildcats. Nix and Fogham ran up most of Canadian's yardage.

The Bucks made eight first downs; Canadian, five. The Bucks gained three passes, completing one; while the Wildcats' three attempts all fell incomplete.

McLean Tigers Down Clarendon 46 to 6

McLEAN.—(Special)—The McLean Tigers handed the Clarendon High School eleven a sound trouncing here Friday night by a lopsided score of 46 to 6.

Johnny Haynes led the scoring for the Tigers with three touchdowns; Griffith scored two and Boston and Bruner scored one each.

The Tigers scored two touchdowns in the first period; three in the second; two in the third; and one in the final period. Shelton kicked McLean's four conversions.

On the line for the Tigers, Captain Arvin Smith broke up the majority of the enemy's offensive plays.

Bulman of the Clarendon team scored their lone touchdown.

Army Downs Virginia Tech 40-0 to Extend String of Wins to 32

WEST POINT, N. Y.—(AP)—Army held Virginia Tech in complete subjugation yesterday, overwhelming the Southerners 40 to 0, thereby extending its brilliant string of consecutive games without defeat to 32.

Tech managed to get only as far as Army's 45 and was held to three first downs. But the plucky invading team started out stubbornly, holding Army scoreless through the first period and twice taking the ball on downs inside its 10-yard line.

The longest run was for 47 yards, made by Amos Gillette as part of a steady Army drive that started

Lions to Sponsor Gorilla Game

MEMPHIS, Tenn.—(AP)—The mighty Texas Longhorns displayed a brutal ground attack yesterday to smash the University of Arkansas, 21 to 6, and mark their fifth successive victory of the season and their first in southwest Conference play.

The great Bobby Layne's passing powers were laid aside as a drenching rain fell on a crowd of 28,000 in the Crump Stadium which was "home" for the Razorbacks for this one day.

Texas smashed across the goal three times, traveling 25, 56 and 72 yards after being jolted by the first two touchdowns of Arkansas' Clyde Scott who sped 47 yards for a first period score.

Two of the Longhorn touchdowns were scored by Raymond Jones, hard running fullback from Houston, and by halfback Randall Clay—all on bone-rattling drives from the one-yard line.

Texas, in keeping within the ranks of the nation's best, presented a fast, hard charging forward ball that completely dominated the conflict and enabled such ball carriers as James Canady, Byron Gilroy and Billy Pyle to gain virtually at will.

The ball compared to Arkansas' 34 and they racked up 18 first downs in the final minutes of play via ground passes.

Scott's 47-yard touchdown jaunt was the most spectacular individual performance of the rainy afternoon. This former Navy star followed his block on the left, cut out to his right, shook off grasping hands of two foemen and outran the others, going across upright.

The first Texas counter came shortly after the second period opened. Gilroy returned a punt 30 yards to the Razorback 25. Clay smashed for eight and then dashed 14 to the three. He was across in two more plays.

Mitchell, in a 12-yard punt return set the Texas offense in action again on the Longhorn 44. Jones picked up 5, tacked on 13, and then three before H. J. Shands ambled through a hole large enough for a battleship and went to the 19, a 16-yard gain. Plays later Layne finally tossed a pass—the first, and end Max Bumgardner nabbed it for a 12-yard net. Jones then hammered to the pay-off.

Texas' final tally came on a drive that required 24 plays and six first downs to cover 72 yards. Clay and Canady gained consistently as the line-men tore the Razorbacks forward. To shards, Jones finally barged over.

Clay, Ex-Green and Gold Back, Accounts for 1st Texas Score

STILLWATER, Okla.—(AP)—Twenty-year-old Johnny Rauch, who pitches a football as if it were a silver dollar, shone just as brightly as he passed to two touchdowns and set up another to give Georgia a 20-7 victory over Oklahoma A. & M. here yesterday.

Rauch's accuracy was amazing as he hit his receivers for scores in the third and fourth quarters while the Aggies were able to muster the scoring punch only in the third period.

Aiding the 173-pound junior was a solid forward wall that only a couple of times had the Georgia Bulldogs in its own doghouse.

Only a little behind Rauch in playing a sparkling offensive game was the Aggie's Jim Spavitt who scored the Aggie's only touchdown.

Okl. Aggies Downed By Georgia 20 to 7

STILLWATER, Okla.—(AP)—Twenty-year-old Johnny Rauch, who pitches a football as if it were a silver dollar, shone just as brightly as he passed to two touchdowns and set up another to give Georgia a 20-7 victory over Oklahoma A. & M. here yesterday.

Rauch's accuracy was amazing as he hit his receivers for scores in the third and fourth quarters while the Aggies were able to muster the scoring punch only in the third period.

Only a little behind Rauch in playing a sparkling offensive game was the Aggie's Jim Spavitt who scored the Aggie's only touchdown.

Wolverines Down Northwestern 49-21

EVANSTON, Ill.—(AP)—Michigan's proud and capable Wolverines, bidding for a Rose Bowl date, swept to their fourth consecutive lopsided victory yesterday, burying Northwestern's injury-riddled eleven under a 49 to 21 score.

The Wolverines scored seven touchdowns and rolled up a total of 590 yards, gained by rushing and in the air to Northwestern's 317. Most of Northwestern's yardage was picked up in the second half when Coach Fritz Crisler of the triumphant Wolverines, currently the nation's number one football eleven, was shooting 39 reserves into the game. In the first half with the Michigan Regulars operating, Northwestern was held to a mere 82 yards, while Michigan was rolling up 238.

Shamrock Irish Trim Lefors Pirates 19-13

LEFORS, (Special)—The Shamrock Irish edged the Lefors Pirates 19 to 13, here Friday night, in a game that proved to be one of the most thrilling and closely contested games seen in this area, in many years.

The game, in which the lead changed twice, was not decided until the gun sounded ending the ball game. As Lefors, in the final minutes of play, the Pirates on a 41-yard-pass from Sims to Ogden, brought the ball to the Irish 20, the Pirates fumbled Shamrock recovering on their own 10-yard mark, to set up the game in the final moments of play.

The Irish scored first in the second quarter, after a scoreless first period. The touchdown was set up by a 26-yard pass from Lile to Ramsey to the Pirate 13, after which a series of plays Ramsey scored from the one-yard line. Close converted. The Pirates fought back after the Irish kickoff, from their own 20, 80 yards for their first score. Two 15-yard penalties against the Irish and a 15-yard pass from Sims to Keeton brought the ball to the Irish 17, where the same pass combination of Sims to Keeton climaxed the drive for the Pirates initial touchdown. Halftime score Shamrock 7, Lefors 6.

A Shamrock fumble set up the next Lefors score, when Newsome carrying the ball into pay dirt from the four-yard line climaxed a 57-yard sustained march. Newsome converted. This ending the Lefors scoring.

The Irish came from behind to win scoring one touchdown on a 13-yard run by Close and the winning tally came in the fourth quarter, when Ramsey scored from the Lefors two.

Navy Trims Cornell For 1st Win Since Opening Game in '46

ITHACA, N. Y.—(AP)—Navy's spluttering football machine finally clicked as it did in the waning moments of the Army game a year ago and trounced Cornell, 38-19, to end an 11-game win famine.

With Reeves Baysinger, and Fob Farris at the controls, the Midshipmen simply packed too much offensive power for the Big Red in a rock-em-sock-em game.

Not since opening day in 1946 when Navy nosed out Villanova, had its colors been raised in victory. Ten straight losses and last week's tie with Duke intervened.

Punching out 28 first downs to four for Cornell, the Midshipmen's ground gaining efforts added up to 537 yards as compared with 171 by the home club. Cornell moved only 19 yards along the ground, scoring once after recovering a fumble and again on a 61 yard gallop by Harry Cassel on an intercepted pass.

Swiss Watch German Students

HAMBURG.—(AP)—Because 12 German university students have failed to return from officially sponsored visits to Switzerland, a special-arranged check is in future to be made on students going abroad, the Swiss consulate here said.

In some cases the "absent" students had sent their British military government exit permits back asking for an extension of time but military government officials said such extensions could not be granted.

Broncos Continue Purge With Win Over Amarillo

AMARILLO.—(Special)—Scoring the first two times in his career the first two times they got their hands on the ball the Odessa Broncos thrashed the Amarillo Golden Sanderform 21 to 0 in Odessa Friday night.

Odessa's first score came when Gerald Campbell raced 90 yards to pay dirt after taking Amarillo's opening kickoff.

The Sandies promptly rapped back to the Bronco 25-yard line, when a fumble gave the ball to Odessa and set up their next score. Campbell and all-star Byron Townsend alternated carrying the ball back to the Sandie 15-yard stripe, from which Townsend out-ran the Amarilloans around left end for their second score.

During the remainder of the half and third quarter the two elevens pushed back and forth between their respective 20-yard lines with the Sandies outgaining the Broncos, but being unable to muster a scoring punch.

Late in the final period, Campbell raced 20 yards for the Bronco final score. Amarillo rolled to 12 first downs; Odessa made 9.

The average weight of a dozen eggs is one and one-half pounds.

West Texas Downs Hardin College 38-0

CANYON.—(AP)—West Texas State defeated Hardin College 38 to 0 here yesterday before a homecoming crowd of 7,500 highly pleased partisan fans.

After a scoreless first period, the fast-improving Buffaloes moved in to high gear to count two touchdowns and led at halftime 13 to 0. Bill Gross, diminutive 142-pound scab back from Canadian, climaxed a power drive to count the first score from the four-yard line. Cloyce Box, giant quarterback and a basketball star, passed to Roy Lee Dunn, end, on the 10 to make a total of 24 yards and the second touchdown.

Beri Pruitt, captain and fullback, scored for the first time this season when he went over from the seven midway in the third period.

Bowling Contest Won by Panhandle

PANHANDLE.—(Special)—The Panhandle-Lefors Bowling contest was held in Panhandle Thursday evening. The scores were: Panhandle 3141, and Lefors 2978.

Contestants from Lefors were: Junior Ammons, Jake Leggett, Wade Stracemon, Marion Brown, George Clemmens and Mel Oldham. From Panhandle: Wade Johnson, Jim Henry, A. J. Sears, John Franklin, Lloyd and Leona Roe.

culture and the general public." Krug told reporters that the most serious domestic aspect of program of foreign aid is not depletion of resources but the problem of supply. "This is serious, he added, only when related to war-time destruction and to the five major world-wide shortages:
1. Foods.
2. Fertilizers.
3. Coal.
4. Steel.
5. Mechanical equipment, especially farm machinery, freight cars and mining machinery." Krug's report makers worked on their problem on the basis of a \$20,000,000,000 program covering four or five years, settling on that as a round figure. Since they tackled the job the Paris economic conference of 16 Western nations has asked for outside aid of \$22,440,000,000. Most of it to come from the United States, in a four year program.

Worry retards recovery from broken bones and diseases, and causes pain and illness, tests have shown. Nearly 10,000 trucks and buses operate commercially on Wyoming's highways.

Elections
(Continued From Page 1)
as the RFP which has been organized under the democratic leadership of Gen. Charles de Gaulle. But in general the political line-up is complex. The parties have formed a variety of confusing alliances in many places that will make it difficult to assess their separate gains and losses. In seven districts Communists and Socialists have put together a common list of candidates. In a few scattered places the five anti-Communist parties have formed a single bloc. Competing for votes in 38,000 municipalities are the Communists, Socialists, De Gaulle's RFP, the left-of-center Popular Republican Movement (MRP), the conservative minded radical-Socialists and the rightist Republican Party in Liberty (RPL).

In many places the radical-Socialists have combined with De Gaulle's RFP, with sometimes the Socialists, sometimes the MRP, joining in.

In Paris all radical-Socialist candidates for the 90 seats in the Municipal Council are running under De Gaulle's flag.

Eighty percent of all adults are immune to infantile paralysis, according to estimates.

A Weak, Run-Down Feeling Is Often A Warning
That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: No appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease. To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm, fresh, full, out, hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic is a Bulk Study Health.

Palaver de Pampa

Good news for the feminine gender: The noted Dr. Eugene Lyman Plisk sanctions our skipping birthdays. He says, "Back of this keeping count of our birthdays is a secret dread of them. And back of our interest in other people's birthdays is a wish to assure ourselves that they are growing old just as fast as we are. Women are right when they avoid telling their age in years. Youth is not a matter of years but of mental and emotional spontaneity and activity. It is tragic the way people set to work to destroy in themselves and in others this wonderful quality of youth. They actually cultivate the indifference and coldness and cynicism which help to bring on old age." —So, keep your enthusiasms and forget your birthdays.

One who is young enough not to be bothered by birthdays is Jean Braly, prettiest "young married" ever to grace a grocery store. Isn't it a shame to be distinguished so young? (Hold on, I mean by the high food prices.—Whew!) Another is Mickey Smith who looked darning the other day in a red dressmaker suit with a black picture hat—and that reminds me of a funny, but very painful story: Mickey's husband, Bill (who is R. E. Smith of the wonderful orchestra) visited Frank Walker the other night. Frank is wearing a neck brace after fracturing a vertebra, and is unable to turn his head. Bill watched Frank all evening move around stiff-necked, and the very next morning Bill gets up unable to move his head. Psychosomatic or sympathetic soul—had thing for an orchestra leader. Hope both you men are soon able to enjoy a windy corner.

It's odd that the solution for the world's problems should elude the Americans, a race of men intelligent enough to keep track of three football games on the radio, while driving a car through traffic.

Truismatic musings: The acquiescent sense of humor existing between the convivial W. J. Smiths and the classical features of Margaret Rainwater. Lillian Jordan always has that band-box look—Wish I were in Mexico City with Adrien and Bertone-Bouette—Wonder how the committee on the hospital plans are progressing?—Edwina Boyd's pleasing musical voice—You can't help but feel flattered when you talking to Julia McKernan—she seems so genuinely interested in you and everything you say—The "true blue" friendship of Dolly Stander and Louise Dunn grows stronger year by year—Nostalgic time-revivals—"I Wonder Who's Kissing Her Now," etc.—Owner of a philosophy of life to be envied: Velma Baker, who has "bounced back" after several serious illnesses with a chuckle for every trouble—"I'd like to ride in Jean and Walter Rogers' new 'suburban'—I hear it holds nine—How's the fun to be around good-natured Lois Wilkinson.

The invitations to Irene Beagle's parents' golden wedding reception were printed in gold and had two sets of pictures—their wedding day and present ones. Too sweet for words. Del was unable to attend—he was in Canada—And, dang it, Irene always wears the kind of hat you wish you'd see first.

Newspapering is a fascinating business, and there are any number of high-powered foreign correspondents lurking around Europe, smoking pipes, wearing trench coats, and outwitting beautiful spies, who carry in their heads all the diplomatic secrets of the big name embassies. But what are they, after all, compared with the London fashion reporters, who have "signed a pledge" not to reveal that Princess Elizabeth's wedding gown looks like No. six, not even if they are tortured, reporters not going to tell. There's the real stuff for you.

The princess, by the way, is going to keep "obey" in the wedding ceremony. Oh well, it is one of those little words that doesn't cost anything to toss in and makes the bridegroom as happy as if it meant something.

Here's some real English—"Everytime he gets on his ear, somebody steps on his toes."

Aside to Bill: Have you found any split infinitives so far? A drunk watched his pal enter a revolving door. As if swung around, he saw a pretty girl step out. "Darned good trick," he mumbled. Overheard Don Collins say he had to go to Chicago attending the National Safety Council, where he received a National Safety Council award for the gasoline division of the Cabot Companies. Congratulations! He said Sylvia planned to go with him, but instead kept a date with ol' man flu. Someone saw Sylvia entering a reducing salon last week. "What does she have to reduce?"

In an agreement of imagination, one sees russet pintoes in rambling desert sands when Dr. Bellamy appears in that Stetson headpiece. George and Frances Cash earnestly contemplate one of those ultra-ultra western summer abodes, to-wit: a ranch in New Mexico! Frances is a contradiction of the saying that homemaking and good looks seldom go together, as her recipes are in great demand.

Note to Sylvia: Please bring Ben Gull a "dolly" for the 100 lb. salt sacks he has to lift. How's your strained back, my good fellow? The average man is afraid to wear the kind of hot-weather garments he'd like to. It ain't the heat. It's the timidity.

Why doesn't someone give Dr. Wilder an old magazine shower? Notice to Barber Shop Quartermen: You have heard anything until you hear Joyce and Chick Hickman sing "Please Don't Be Angry."

Abby and Joe Burrow, ex-Pampans, now living in Fort Worth, are visiting Joe's mother, after a deer hunting trip to Colorado. The many friends of Pat Murfee are sorry to hear of his illness and wish him a quick recovery.

Add smiles: As happy as the man who buys a car and reads next day that the price of that car has been raised. There are still a few old-fashioned girls who pull at the skirt when they sit down. I assure you that the gesture is hereditary.

Wanda Burdette is getting over being homesick for West Virginia. After flying home this summer she realizes the distance isn't so great, and after a taste of the humid weather there, she is enjoying Pampa's climate more.

Summer, or an unseasonable facsimile thereof, continues to hold or in the Panhandle. But then the seasons as we used to think of them don't seem to have much bearings any more.

So long 'till fall, I hope—

PEG O' PAMPA

Panhandle Catholics Will Go to El Paso

The Amarillo Diocesan Council of Catholic Women will be prominently represented at the Southwest Regional Conference of the National Council of Catholic Women to be held in El Paso October 22-24. The conference will be held at the invitation of the Most Rev. Sidney M. Metzger, S. T. D., Bishop of El Paso. Representatives of the Catholic Women's organizations from the nine Arch-Diocesan and Diocesan Councils that are co-sponsoring the conference—Denver, Los Angeles, San Antonio, Corpus Christi, El Paso, Galveston, Monterey-Fresno, Oklahoma City-Tulsa and Amarillo, will attend.

The theme of the conference will be the "Catholic Woman in her Community" and discussions will center around the numerous fields in which Catholic women and societies and their individual members can play an important role.

Mrs. R. J. Kiser, president of the Amarillo Diocesan Council of Catholic Women, will preside at one of the conference sessions which will include a round table discussion on "Some Fields of Action for Parish Organizations of Women."

Mrs. M. F. Roy, president of the Amarillo Diocesan Council of Catholic Women, will preside at the panel discussion on the "Parish Unit of the Diocesan Council."

Among the members of the Catholic Hierarchy who will attend the conference are the Most Rev. Robert E. Lucey, Archbishop of San Antonio, the Most Rev. Edwin V. Byrne, DD, Archbishop of Santa Fe, Most Rev. Jos. P. Lynch, Bishop of Dallas, Most Rev. Christopher E. Byrne, Bishop of Galveston and Most Rev. Lawrence J. Fitzsimon, Bishop of Amarillo.

Prominent among the national speakers who will address the conference are Rev. Roy McHenry, J. Carroll, of Washington, D. C., who is general secretary of the National Catholic Welfare Conference, and Mrs. Henry Mannix, of Brooklyn, N. Y., president of the National Council of Catholic Women. Other speakers included in the program are Mrs. J. W. McCollum of Gainesville, Fla., and Mrs. Robert Angelo of York Pa., past presidents of the National Council of Catholic Women.

Executive Secretary of the National Council.

In addition to those named who will attend the conference will be Mrs. W. G. Garman, Jr., Mrs. A. E. Zahn, Mrs. H. F. Martin and Mrs. D. C. Kennedy.

ANNOUNCEMENT
There will be a meeting of the Board of the Pampa Council of Church Women on Monday at 2:30 in the First Methodist Church.

Mr. and Mrs. W. C. Fry

Margery Grim and W. C. Fry Marry in Presbyterian Church Ceremony

Miss Margery Grim, daughter of Mr. and Mrs. R. A. Grim of Coffeyville, Kansas, and Mr. W. C. Fry, son of Mr. and Mrs. Arch Fry of Henrietta, Texas, were married Friday, Oct. 10. The wedding took place at 8 o'clock in the Kelly Chapel of the Presbyterian Church with Dr. Douglas Nelson presiding. The ceremony was a simple one, and the bride and groom were accompanied by their parents and a few friends.

Anna Lou McCoy, Bride-Elect, Is Shower Honoree

A shower honoring Miss Anna Lou McCoy, bride-elect of Mr. Roy Jones, was held Friday evening Oct. 10 at the home of Mrs. Bob McCoy, 210 West Harvester.

The entertainment rooms were beautiful in the bride-elect's chosen colors of blue and white. An antique blue glass vase with white and blue dried daisies and dwarf chrysanthemums centered the mantel under which gifts were heaped on white covered tables.

The dining room table was laid in white Puerto Rican linen with reflectors mirroring again the blue and white flowers and white cathedral tapers.

Punch and individually decorated cakes were served to the guests from a crystal service.

Hostesses for this courtesy to Miss McCoy were: Mesdames Bob McCoy, Richard Hughes, E. J. Koller, T. H. Forde, E. W. Stewart, John Humphreys, Crawford Atkinson, Hal Suttler, Mildred Howard, Olive Van Meter, Kathryn Reynolds, Teena McCalister, Thurman E. V. Moore, Clay Garblich, Cliff Ruth, Moseley, T. J. Worrell, Margaret Hargis, Fred Hamm, Claude Henderson, R. L. Edmondson, L. L. Sone, Anna Joe Sallor, A. Barber, Leslie Hart, D. E. Koller, T. H. Forde, E. W. Methodist Women Study in Groups

The WSCS of the First Methodist Church met in their five circles last Wednesday afternoon to continue their mission study from the book "Committed Unto Us" by LeMott.

Circle 1 met with Mrs. A. C. Steele, 413 North Crest with ten members present. Mrs. Luther Pearson presiding. Mrs. Knox Kinard taught the lesson. She was assisted by Mrs. Sam B. Cook who gave

the part on the chapter "Mobility." Mrs. Carlton Nance gave "Seeing Is Believing." Mrs. Henderson gave the part on "Radio." and Mrs. W. R. Campbell gave the part on "Christian Literature." Mrs. A. F. Johnston read the scripture and Mrs. R. K. Elkins gave the closing prayer.

Circle 2 met with Mrs. Joe B. Williams, 407 North Hill. The meeting was opened with special music with Mrs. Williams at the organ. After the group singing of "I Need Thee Every Hour." Mrs. Lee Harrah offered prayer and Mrs. R. W. Lane conducted the business meet-

QUEEN FOR A DAY—Mrs. R. W. Tucker, center above, was chosen "Queen for a Day" at a First Baptist Church program recently as the theme, "Know Your Neighbor—and Your Neighbor Might Be a Good Neighbor" was carried out, with 197 teachers, class officers, class members and guests present. A Mexican motif was carried out with decorations on 22 tables. Mexican music was played on a phonograph. Good fellowship was stressed and a get acquainted system was carried out. More than 65 women took part in a quiz program. In the picture, to the right are Mrs. Cecil Collum and Mrs. L. B. Scruggs, and to the left is Mrs. Sterling Bearden.

LOST 42 POUNDS WITHOUT DIETING

The following remarkable story shows conclusively that Barcentrate DOES take off fat.

It contains nothing harmful. In fact, it contains ingredients that make you feel better. No starvation diet—no weakness—no hunger. Barcentrate, the original grapefruit juice recipe takes off fat quickly, safely and you can eat plenty.

Here Is Proof

"When I started taking Barcentrate, I weighed 212 pounds and wore size 46 dresses. Now I wear size 18 and weigh 165 pounds. I started taking Barcentrate in March and by June I had lost 47 pounds. I would have lost more weight had I left off fattening foods, but I was anemic at that time and afraid to diet. People who knew me before I started taking Barcentrate are amazed at the weight I have lost. My flesh is firm; I have never become flabby or wrinkled and I am 40 years old."

"Before taking Barcentrate I couldn't do my house work without becoming exhausted; had dizzy spells and my head and back hurt me constantly. I was so short winded, I was miserable. But now all

those things have gone and it is really a pleasure to do the chores I once dreaded.

"Three years ago I nearly died with Typhus fever and it left me anemic and I could never get my blood count up again or get back my energy. After taking Barcentrate my blood count started up and is now normal. So you see why I praise Barcentrate so highly and recommend it. Any praise I can give Barcentrate is small compared to the relief and happiness it has brought me."—Mrs. Eula Whitehead, 509 Harmon, Corpus Christi, Texas.

At All Drugists
The above is one of hundreds of amazing endorsements we have received.

If you are overweight and want to take off ugly fat, just go to your druggist and ask for four ounces of liquid Barcentrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take just two tablespoonsful twice a day. If the very first bottle doesn't show you the simple, easy way to take off weight, return the empty bottle for your money back.

ing. Mrs. Harrah led the lesson on the topic of "New Ways for a New Day." Mrs. Lane gave the missionary message. "Voices from the Far East." The meeting closed with group prayers. Light refreshments were served. One guest, Mrs. Laura Snyder and seven members were present.

Circle 3 met at the church parlor with Mrs. J. E. Ward as hostess and fifteen members present. Two new members, Mrs. R. I. Davis and Mrs. H. H. Keahey and one visitor, Mrs. H. H. Boynton, were introduced. The meeting was opened with the song "Take Time to be Holy," which was followed with the Lord's Prayer. Mrs. Ward gave the devotional from the fourth chapter of Ephesians. Mrs. Henry Jordan taught the lesson. She was assisted by Mesdames Irwin Cole and Larry Snyder. Mrs. Raeburn Thompson closed the meeting with prayer.

Circle 4 met in the home of Mrs. George W. Scott, 1304 Mary Ellen, with ten members present. Mrs. J. E. Kirckman, chairman, conducted the business and Mrs. L. E. Cool presented the lesson "Light and Leaven" and "Revive Thy Church." From the study book Mrs. C. F. Boswell read the scripture from Ephesians and Acts and closed the meeting with prayer.

Circle 5 met with Mrs. Kenneth Gibson, Mrs. W. L. Roundtree and Mrs. David Binkley gave the lesson. Mrs. E. A. McLennan presided over the business session. Members were reminded to place their subscriptions for the church magazine.

Georgia Springer, Former Pampan, Is Married to W. E. Shaw of Sunray

Orma Jean McCarty Is President of Class

Miss Orma Jean McCarty, daughter of Mr. and Mrs. Leslie J. McCarty of 1020 North Russell, who is taking a nurses training course in St. Joseph's Hospital at Fort Worth has been chosen president of her class.

This office is held until graduation, which means that Orma Jean will serve as president for three years.

Musicians Planning For Auditions Here

The Pampa Music Teachers Association was hosted at a coffee given in the City Club Rooms last Wednesday morning.

Piano teachers in surrounding towns were invited to come and discuss plans for National Piano Display Auditions to be held here again this spring.

Pampa has been an audition center for two years with many pupils of local teachers participating. An outside judge is sent by the National Guild each year. Mrs. W. L. Roundtree is Guild chairman of the local group.

Attending from Borger were Mrs. A. L. Ellis and Mrs. Turner. Mrs. Webster of Miami was present. She plans to join the Guild. Mrs. Willie Boyette of McLean, though not present, plans to bring a group of pupils here to the auditions.

Local teachers present were Mesdames L. D. Pagan, H. A. Yoder, Lily Hartsfield, Miss Elise Donaldson and Ken Bennett.

Mrs. Pagan and Mrs. Yoder were in charge of the arrangements. The music motif was carried out in the napkins and favors. A fruit centerpiece and candies decorated the coffee table.

Miss Sullivan Will Wed Mr. McConnell

Mrs. Benjamin Franklin Sullivan announces the coming marriage of her daughter, Lee Una, to Mr. James Gordon McConnell on Saturday, Nov. 8, at 6 o'clock in the evening, at the Broadway Baptist Church in Fort Worth.

A reception will be held immediately following the ceremony at 231 East Lancaster Avenue in Ft. Worth.

Miss Sullivan is a former teacher in the Pampa High School. She taught in the Business Department of Amarillo College last year.

A wedding of impressive simplicity was that of Georgia Springer and W. E. Shaw which was held Sunday Oct. 12 at 3 o'clock in the Church of Christ at Sunray.

The church was decorated with ferns and white chrysanthemums. Immediately preceding the ceremony, Grady Cooper, Jr., the usher, opened the doors for the processional.

A trio composed of Mrs. Nelson Burton, Miss Betty Cooper and Mrs. Arthur Corse sang, "I Love You Truly."

Grady Cooper, Sr., minister of the Sunray Church of Christ, performed the impressive single-ring ceremony.

The bride was attired in a dressmaker suit of blue. A dusty rose blouse and black accessories completed the costume. Her corsage was of pink carnations. Mrs. Vaughn wore a black crepe dress, with black hat and accessories. Her corsage was of rose carnations.

Following the ceremony a reception was held in the home of Mr. and Mrs. Nelson Burton.

Guests were greeted by Mrs. Nelson Burton, niece of the bride. Mrs. Arthur Corse served the punch and Mrs. Vaughn served the cake.

The attractively appointed reception rooms were decorated with fall flowers. The serving table was covered with a lace cloth and centered with a bouquet. White candles flanked the flower arrangement. An interesting feature of the table arrangement was a punch bowl and other appointments from the bride's collection of Nancy glass.

Mrs. Shaw, whose family are pioneers in Miami and Pampa residents, has been making her home in Pampa for the past few years, before which she resided in Miami. Mr. Shaw has made Sunray his home for several years. He is employed by the Shamrock Oil Company.

Postoffice Receipts Show Slight Decline

SHAMROCK—(Special)—Receipts of the Shamrock Postoffice showed a slight decline again last quarter, ending September 30, a situation that has existed practically every quarter since the end of the war.

Stewardship Is the Topic of WMU Study

Circle 3 of WMU of the First Baptist Church met Wednesday with Mrs. John Gilchrist, 704 N. Dwight, Mrs. W. P. McDonald opened the meeting with prayer and Mrs. R. W. Tucker gave the devotional on "Stewardship." New officers were elected.

The meeting time was changed from 3 to 2 o'clock. Refreshments were served to nine ladies including two visitors, Mrs. Elmer E. Wilson and Mrs. Garner.

Circle 3 will meet Oct. 22 with Mrs. C. E. Farmer, 310 N. Wells.

Recent Bride Honored At Evening Tea

SHAMROCK—(Special)—Mrs. Jack Whitten, of Perryton, who was Miss Juanita Cooper of this city before her marriage, was the honoree at a tea and miscellaneous shower Saturday evening at the home of Mrs. Ace Henderson. Co-hostesses were: Mesdames Andrew Reed, Eugene Byars, and Miss Frances Jo Henderson. Seasonal flowers were used in

the entertaining rooms and the tea table was laid with a lace cloth. A miniature bride and bridesroom on a reflector in the center of the table was encircled with yellow daisies and fern. White tapers in crystal holders flanked the centerpiece. The crystal punch bowl completed the setting. In the receiving line were Mrs. Henderson, the honor guest, and her mother, Mrs. E. J. Cooper. Miss Frances Jo Henderson registered the guests. Recorded music was played throughout the evening. Forty-eight guests called or sent gifts during the receiving hours.

BY J. R. WILLIAMS

Club Ladies Study Health and Safety

SHAMROCK—(Special)—The Thursday Literary Club was entertained Thursday afternoon by Mrs. H. B. Hill at her home on North Wall. Mums in pastel shades and arrangements of dahlias were used to decorate the entertaining rooms. Mrs. R. C. Lewis presided over the business session. Mrs. J. B. Christner, program chairman, introduced the program on "Health and Safety." Members responded to roll call on "Keeping up With Medicine." "Home, Sweet Home, but Is It Safe?" was discussed by Mrs. Ben A. Skidmore. "First Aid and the Home Medicine Chest," was Mrs. L. E. Davis' subject. A salad luncheon was served at the close of the program to four guests, Mesdames Wm. Kyle, J. B. Zeigler, H. E. Forgy and Ed. R. Wallace, and to these members: Mesdames Marshall Adams, J. R. Benson, H. H. Bratcher, W. Y. Burden, J. B. Christner, L. E. Davis, H. T. Fields, Charles Green, A. N. Holmes, R. C. Lewis, Ben A. Skidmore, Clyde Whittle and B. A. Zeigler.

WHAT IS YOUR DANCE I. Q.

1. Why are recitals a valuable part of your child's training?
2. Why is dancing often called "The Queen of Arts?"
3. Why is it of great importance to you for your dancing teacher to belong to one of the National Dance organizations?
4. What are the requirements for membership in these organizations?
5. What are the requirements for a Teacher's Certificate from a reputable professional dancing school?
6. What is the purpose of the National Conventions held each summer by the National Organizations?

Circle 1 WMU Plans All Day Quilting

WMU Circle 1 of the First Baptist Church met Wednesday in the home of Mrs. Allen Vandover, 721 East Malone. The meeting was opened with a prayer by Mrs. P. B. Calloway. Mrs. E. W. Brandt presented the second chapter of the study book "Forty Years in the Land of Tomorrow." Mrs. Vandover conducted the business session in the absence of the chairman, Mrs. Roy Holt. During the business session plans were made for an all-day quilting covered dish luncheon and regular Royal Service Program to be held at the church Oct. 22, beginning at 10 a.m. At that time secret pals will be revealed. It has been asked that all members having used clothing to donate to Buckner's Orphan Home bring it to the church the fifth Wednesday. The closing prayer was by Mrs. J. H. Tucker. Mrs. P. B. Calloway was a guest.

Home Talent Play Slated at Amarillo

Mrs. Paul R. Knupp, spokesman for the Amarillo Junior League, announced this week from Amarillo that the group is presenting Nov. 1, Amarillo City Auditorium, the Follies of '47. The show proceeds, it was said, will be used for conducting League activities. Bill Latta, representative of Jerome Cargille Enterprises, Inc., of New York, is directing the show, which will use local talent, it was said. TWO INTOXICATIONS Corporation Court Judge Clifford Braly yesterday morning fined two men \$10 each for intoxication and another man \$5 on a speeding charge. News Classified Ads Get Results.

Pennsylvania Dutch Is Program Subject

SHAMROCK—(Special)—Mrs. B. F. Kersh entertained the Athenaeum Club Friday afternoon at her home on South Main. The entertaining rooms were decorated with colorful dahlias. The program subject was "Pennsylvania Dutch." Following the roll call Mrs. J. B. Clark gave a discussion of "Amish Home Life" and "The Women, Their Dress." Mrs. O. T. Nicholson closed the program with the subject: "Hershey: The Mennonite, The Man, The Boy." The hostesses served tasty refreshments at the close of the program. Members attending included: Mesdames J. H. Caperton, J. B. Clark, P. F. DuBose, J. W. Gooch, Louis Hill, O. T. Nicholson, W. S. Pendleton, Hubert Tindall and J. M. Tindall.

Two Divorces Granted In 31st District Court

Two divorces were granted Friday afternoon in 31st District Court by Judge Lewis M. Goodrich. Paul Walker vs. Helen Walker, married in August, 1942, separated in August, 1947, grounds cruelty. Dorothy Wisniewski vs. S. S. Wisniewski, married in January, 1946, separated in May, 1947, grounds cruelty.

White Deer Now Has Three Scout Patrols

WHITE DEER, (Special)—The third patrol of the White Deer Boy Scouts, Troop 81, was organized recently and named the Blacksnake Patrol. Charles Ford was appointed leader; Gene Guyer, assistant leader; Taylor Skaggs, scribe; and Guy Thornburg, Jr., treasurer. Dues were set at 50c a month. The Stag and Buffalo patrols were organized on Sept. 22. Jerry Poose is patrol leader of the Stag Patrol; Diane Freeman, assistant; Dean Williams, scribe; and Robert Davis, treasurer. Dues are 10c a week. For the Buffalo Patrol, George Eller is leader; Jerry O'Neal, assistant; Floyd Travis, scribe; and Max Jordan, treasurer. Dues have not been set.

Fall Festival Report Is Made

PANHANDLE—(Special)—A final report filed by the Committee of the Carson County Fall Festival this week showed that the Festival netted \$2,477.26. Gross receipts were \$3,623.53. Proceeds of \$1,457.96 were given to the swimming pool and \$1,039.60 to the Carson County War Memorial.

PONTIAC
A fine car made finer

Too Good to be Overlooked!
Naturally, when you select a motor car, you can't look at all the cars that are built. But you really should look at Pontiac—because we believe it is too good a car, and too great a value, to be overlooked. You should look at Pontiac because it is exactly the right car for so many people. It is big and fine and beautiful—and it rides and drives like a million dollars! It is dependable, too—built to last a long, long time with the minimum of attention. Yet it is amazingly economical. In fact, if you can afford any new car, you can afford a Pontiac. When a car offers so much to make you happy and satisfied—and requires no penalty whatever in the way of cost—you surely don't want to overlook it. It's one car you ought to see. DUE TO OUR UNFILLED ORDERS ON HAND, you may experience some delay in getting a new Pontiac. Place your order now to avoid further delay. In the meantime, let us keep your present car operating at top efficiency.

COFFEY PONTIAC CO.

NEW Colgate-Palmolive-Peet SUDS... VEL* cuts dishwashing time in half!
INSTANT, RICH SUDS IN PAMPA HARD WATER!
Dishes, glassware gleam without wiping!
After washing, just rinse dishes. Even glassware dries sparkling clear without wiping, for Vel leaves no soap scum or streaky film to polish away. Removes grease faster and more completely than soap. Leaves no dishpan ring to scrub out. Vel cleans dishes cleaner than soap and saves up to half your dishwashing time!
Milder to Hands than any product made for dishes or fine fabrics!
Actual skin tests made by an independent laboratory—name on request—prove Vel milder to hands than any other leading product made for washing dishes or fine fabrics.
*VEL is the trade-mark of the Colgate-Palmolive-Peet Company.
MarVELous for DISHES-STOCKINGS LINGERIE-WOOLENS!
Instant SUDS in hardest, coldest water!

Kilimanjaro, in Tanganyika, is the highest mountain in Africa, and rises to a height of nearly 20,000 feet.

THE STORY: Happy is thoroughly enjoying her stay at "Sundown" Saturday evening. George suggests they all go over to the Grand Golden Isles Hotel for dinner and dancing...

George was standing beside the car in the soft glow of light from the long French windows, and he turned as Madeline, Happy and Joyce came forward him across the graveled court...

"You're a darling, Happy, and I'm getting very fond of you. But that surely must come as no surprise to you. I haven't exactly tried to make a secret of it, have I?" he said very quietly.

"Happy's heart gave a little lurch and began to beat very fast. She felt, for a moment, a breath of panic; she had a strange desire to get out of the car and run away from him—and could have laughed aloud at such an absurd idea."

"You don't know that I am fond of you, Happy?" he repeated. "Well, you've—you've been—terribly nice," she stammered childishly, and the hand he still held made a little frightened fluttering movement, but was held more tightly.

"Happy"—he looked closely at her as the big car reached the end of the road beyond which the landscape curved toward the ocean—"Happy, you ridiculous infant, you're not afraid of me?"

"How—how perfectly crazy! Of course not," she stammered. George smiled. "Oh, well, I'm not going to rush you! I'm a patient sort of guy. But you may as well begin getting used to the fact that I'm going to be around rather a lot from now on, and that sooner or later you're going to have to watch me spread a clean handkerchief carefully on the dewy grass, drop elegantly to one knee, a hand on my heart, and proclaim tremulously, 'Miss Brandon—Miss Happy—may I call you Happy? Will you do me the very great honor to be my bride and make me the happiest man in the world?'"

Happy drew a long, unsteady breath. George smiled down at her and said very low, "Take your time, darling, but very soon you're going to have to say yes. I'm not the man to take no for an answer."

Then he picked up the speaking tube and directed the chauffeur to drive back to the hotel. (To Be Continued)

Equipment Co. INTERNATIONAL SALES - SERVICE

I'M WORE OUT . . .

I've been gone all week . . . Been down to Hot Springs, New Mexico, taking the baths . . . I don't know just how much good they're going to do me as I didn't get in but 4 days of them . . . but the condition I was getting in I had to do something . . . Got to where I couldn't go to sleep at night before one or two in the morning, and then when I did, the first thing I knew I was awake again with the cold sweat pouring off of me . . . The Doctor said it might be my stomach . . . Anyway I got Bill Donnell to drive me down there . . . He fished the entire 4 days . . . and I believe he is one of the sorriest fishermen that I've ever known . . . If I liked to fish, and worked at it as hard as he does, not to catch any more fish than he does, I believe I'd take up something else . . . Anyway I'm back, and I've got to sell something pretty quick, as they don't give them baths for nothing . . .

And now I've got one of the best brick buildings in Pampa for sale . . . it's 50x90 ft. . . brings in good rent . . . will pay about 15 percent on your investment . . . If you would be interested in buying something like this, would be glad to talk with you . . . This building is located right in the heart of down town Pampa . . .

Leaves From a Correspondent's Life Note Book

By HAL BOYLE

GARNER, Iowa.—Big-boned Jack Dethmers, comfortably well-to-do after years of rugged work in the black rich soil of Iowa, went abroad to see how the farmers of other lands were faring.

He was one of 22 curious Iowa farmers who paid out \$1,500 apiece for a month-long air trip to see European conditions first hand.

Dethmers has come back appalled at the hopelessness of Europe's economic situation.

"Seems as if we knew less when we got back than when we started," he said soberly.

"We'll have to feed them—the people over there. And we can't sell

it to them because they're already bankrupt. We'll just have to give it to them.

"It's either that or turn them over to the Communists. The feeling is pretty strong over there already."

The six-foot farmer, who worked his own way up from hired hand, was considerably shocked at caste and class barriers in European lands which make it difficult for men to better their lot. Summing up his memories of Europe's distressed, he said:

"They can't understand why we were so lucky to have been born here and they so unlucky to have been born in Europe."

He told with a look of wonder on his face of hungry Germans searching potato fields that had already been harvested.

"They picked up potatoes no bigger than a pea," he said. "But I suppose when one is hungry he'll pick up anything."

Dethmers brought back a conviction that European farming methods are outmoded and will have to be changed before machinery can be used well.

"They don't use the manpower and the tools they have efficiently," he said. "Even large farms are cut up into small, irregular pieces."

"In England they complained of lack of manpower, but they had 88 men working on one 1,500-acre farm. One farm had ten hogs and all one man did was take care of them."

Commenting on Germany, Dethmers said:

"You can see everything you need to see in one day. It is all blown to pieces."

He met a group of German mayors and asked:

"Why don't we see any young or middle-aged German men around—are they all working in the mines or factories instead of on the farms?"

"All our young men," said one mayor, shaking his head, "are under the sod between here and Stalingrad."

Jerome Marak and wife, Mary J. Marak, to W. T. Broxon, and wife, Myrtle Broxon, all of lot 6 in block 2 of the Henry Addition.

C. M. Jones and wife, Lois Jones, to Cicero Smith Lumber Co., all of blocks 11, 12, 13 and 14 in block 106 of the original town of McLean.

Concern Is Featured In National Magazine

The new magazine rack recently installed at the Pampa News Stand, 114 N. Russell, is pictured on the front of The American News, trade journal, issue of November.

Also included in the magazine is a story about the stand, which is operated by Mr. and Mrs. M. C. Stapleton.

Stettin was once a Slavic stronghold. Archaeologists recently excavated the walls of an ancient Slav fortress.

LEFORS NEWS

LEFORS. (Special)—Mr. and Mrs. Aieck Watkins have purchased the Lefors Coffee Shop. It is now closed for remodeling.

The Boy Scouts Troop 19 spent the weekend at Palo Duro Canyon. Mr. R. B. Johnston is Scout Master and Mr. C. H. Keeton, Sr., is assistant.

Mrs. E. W. Ammons, E. T. Cobb and Atchley were McLean visitors Tuesday.

Mr. and Mrs. Jake Leggett spent the weekend in Borger.

Mr. and Mrs. J. R. Sparkman attended the fair at Dallas last week.

Rev. and Mrs. Dan Beltz were business visitors in Pampa Wednesday.

Mr. and Mrs. C. H. Earhart, Phillips, and Amelia attended the Texas Tech-Tulsa U. game in Lubbock Saturday.

PLANS BEING MADE

SHAMROCK.—(Special)—Dave Skidmore, chairman of the civic committee of the Chamber of Commerce, has announced that his group is planning an elaborate Christmas street lighting campaign. Although definite plans have not been worked out, streamers of evergreens are being considered.

FAIR ENOUGH

BY WESTBROOK PEGLER
(Copyright, 1947)

NEW YORK--In the years before 1932 we read much moralistic political literature about the sordid bosses of the Republican machines. I need not call the roll to those who were then able to sit up and take notice of political affairs and it would not interest new citizens of the generation which had to fight the war who were only children then. One of them was Boss Penrose, a monster of hideous mein, whose like would never walk the earth again if the party of Roosevelt, the New Deal, were given a chance to destroy evil and purify the beautiful democratic process. And there were the Ohio gang who had nominated Warren G. Harding in a smoke-filled room, frustrating the will of the people, although the people elected Harding and Coolidge and rejected Cox and Roosevelt a few months later.

The contrast between the pretenses and the actual morals of these Democrats is so terrible that it stuns. I doubt that the people of today realize what awful cynics these were who came appealing to them as crusaders and reformers. Without knowing it, we are dazed by many blows that have benumbed our sense of right and wrong.

The memoirs are still accumulating. We have had Jim Farley's and Ed Flynn's. Ed Kelly, who quietly picked up his hat and left politics by a side door into the alley after he had wrought great harm to the American people's confidence in self-government, has told us his story in a hasty, superficial series in the Chicago Herald-American. He withheld much. But, even so, his mere recollection of the nomination of Henry Wallace in 1940 and of Harry Truman in 1944 is a chapter in degradation.

I may be naive in believing that the people matter; that it is important that their confidence in self-government be maintained. But, if the people, too, grow cynical and all of them come to think

of politics as a dirty racket, the men who disillusioned them will be finally responsible for a calamity much worse than the loss of any mere election and the graft and gaudy power to tear up traffic tickets.

We have had the stories of Farley, Kelly, Ed Flynn, Madam Perkins and Elliott, and now Morgenthau is running serially and about to be released in a book. It is a terrible confession, taken all together. Even Mrs. Perkins, who pressed to be an idealist, seems to be so far gone in the cynicism of the New Deal that she never even questioned in her mind the right of Roosevelt to name Wallace vice president of the country. By the time she wrote her book she surely must have known about Wallace's strange involvement in an oriental cult of fools who worshipped as their god a Russian adventurer in high standing with the Kremlin. She knew all this undoubtedly and yet it did not occur to Mrs. Perkins to comment on Roosevelt's appointment of this strange man to be the next vice president in an offhand way by telephone from the White House to her in Chicago. Our people think they elect vice presidents. Mrs. Perkins gives no indication that she shares this delusion, and yet she is, according to the New Deal religion, a consecrated person, a sort of holy woman, devoted to "democracy."

Farley's memories were depressing. It was absurd of him to believe that he had any qualifications for the presidency, but we do hold that every schoolboy has a right to aspire to the White House and to be foolish. But Jim condemned himself in explaining why he did not tear into Roosevelt and try to destroy him after 1940, when he might have served his fellow-men. His personal feelings are unimportant to the people. Convinced as he was of his old friend's perfidy, Farley had a greater duty to the people than to his own sensitive interest. He had been more responsible than any other individual for Roosevelt's rise to this power and he now was in a position to expose him.

Ed Flynn's story is only a little less depressing than Elliott Roosevelt's juvenile babbling about orgies at which his father decided to hand over the Balkans and Eastern Europe to Soviet Russia. Flynn tells, without a qualm, of giving money to one of his county leaders with which to buy votes at \$1.75 each, raising the ante on the Republicans, who were paying \$1.50. He says he learned a lesson when

the Democrat lost and showed up in a new car, but it was only the sort of icon that a man learns when he engages to buy a pound of the cocaine turns out to be bicarbonate intending to peddle it, and carbonate of soda and epsom salts. We are left to believe that he saw nothing wrong in his conduct. It was bad judgement but not immoral.

Flynn also tells us that for many years Nathan Straus, Sr. and since his death Nathan Straus, Jr. have donated \$1,000 a year to the New York Democratic organization. He says frankly that the elder Mr. and Mrs. Straus called on the late Boss Charlie Murphy and asked him pleadingly to name their son-in-law, Irving Lehman, to the Court of Appeals of the state of New York. This is the highest court in the state, mind you, and mind you further, Murphy and Flynn had no right to give such an appointment, still less to sell it.

Nevertheless, Flynn says, he and Murphy "were Irish and highly emotional," and Murphy turned to him "near to tears" when the old couple had gone and said, "How could anyone refuse that sweet old couple?"

Accordingly, Lehman got the job. And on top of this confession comes a challenge from Robert Moses, who loathes corruption in politics and hates a liar.

"Ed of course knew," Mr. Moses said, "and so did many of his readers, that the fine old couple brought a check for \$2,000 with them, that being the current quotation for a judicial nomination. My authorities are Governor Smith and the judge, himself, who, by the way, turned out to be a most able and respected head of our judicial system."

This was the quality of the man whom Roosevelt cherished so well that he wanted to plant him in the Senate by a trick to do his work in the fulfillment of the beautiful ideal of democracy.

Justice of Peace Has Sticky Problem

WACO--Justice of the Peace Nash Oliver has a sticky problem. He has numerous citations to be mailed to constables over Central Texas--but he's out of stamps. The County Commissioners say Nash has used the amount allotted in his budget and have refused to purchase additional stamps.

FRIEND IN NEED IS FRIEND IN THE ROUGH
SAN JOSE, Calif. (AP)—School-teacher Elmer L. Stewart lost or mislaid his No. 8 rion on the Hill-view golf links a year ago, but never bought another. Finally there came a spot where only a No. 8 would do, so he borrowed from his constant golfing companion James Kershaw. Turned out to be his own, which neither knew had been in Kershaw's bag for a year.

BETTYE WHITE TO DEFEND TITLE
LONGVIEW--(AP)—Bettye Mims White of Dallas will defend her title here in Longview's Pine Cross Country Club Women's Invitational Tournament Oct. 23-26. Sponsors of the tournament yesterday said they expected a large number from Texas, Oklahoma, and other states.

'Friendly Thoughts'
By I. M. CLEGG

We should not deny an eager little blossom its share of sunlight or permit careless words to put upon young impressionable minds dark blots that years may never efface. Let us think of children as flowers, that we may nurture them more carefully.

There comes to all that quiet hour when we sometimes subconsciously determine that one certain director, who is worthy, shall serve us if he need come.

Listen to R. Virgil Mott, "Your Gospel Singer," every Sunday at 2:15 p. m. over KFDN-1340 on your dial.

Douglass, McNamara Win First At Junior Class Ambition Party

Poor Richard's Almanac

Poor Richard arrived in Pampa at high spirits. We sure lost, but the team showed a definite will to win that was absent against Vernon. The Harvesters held the Coyotes a team rated second in the state by sports writers, to one touchdown in the last half, and showed occasional offensive spark.

The crickets team that played against Wichita was not the Pampa team at its best. We hope that injuries will not plague the Harvesters as they open conference play against Plainview.

Perhaps the greatest improvement evidenced during the Wichita tilt was in the punting department. Heretofore Pampa's punting average was anything but something to brag about. Carl Mayes and Vernon Heller both filled nicely their punting assignments.

Bill Bond now sports some shatterproof glasses like those of Roscoe Russell.

Poor Richard heard numerous favorable comments from both Pampa and Wichita fans-praising the half time performance by the Pampa High band. So to the band goes this week bouquet of orchids. Try and collect 'em.

Hansel Kennedy will proudly tell you that his English teacher, Mr. Noncaster, is the only man alive who knew Macbeth personally.

We noticed a caricature of Coach John Whitney in the Amarillo Sandstorm. Whitney, a talented many of the present senior athletes during their freshman year while serving as Gorilla coach. He is now on the Amarillo High staff.

New Members Initiate At Tri-Hi-Y Reception

Twenty-three new members attended the Tri-Hi-Y semi-formal acceptance tea Thursday night in the homecoming dining room.

Ida Ruth Taylor, president, introduced officers and sponsors and told of the purposes of the organization before Margery Dixon presented a short program. Refreshments of cake and punch were served.

The new members of the Tri-Hi-Y are Nina Spearman, Pat Bolin, Delores Davis, Betty Frigmore, Wade Thomas, June Myatt, Jo Ann Appleby, Bobby Tucker, Martha Hopkins, Doris Stull, Vina Dittmer, Phyllis Schlegel, Betty Eganwell, Jo Alice Franks, Donna Nostell, Sharon Chapman, Rosamond Allen, Betty Jean McCracken, Kathryn Talley, Pat Williams, Dorothy Dixon, Verda Ruth Elkins, and Patsy Croniger.

Magazine Staff Meets To Plan Publication

The staff of Prairie Gold met with Miss Margaret Jones Friday morning and began plans for the magazine's publication.

A regular meeting time of Friday morning at 8:15 was agreed upon. Divisions, types, covers, and other suggestions as to the makeup of the book were discussed.

Officers will be elected next week.

Patsy Williams was appointed to obtain information on or examples of school creative writing magazines.

Present were Mary Lou Hanks, Barbara Walters, Hilda Burden, Vera Elkins, Nancy Thurmond, Joanne Appleby, Lillith Martin, Barbara Carruth, Mary Lou Mazy, Don Kephart, Marilee Conklin, Rhoda Killian, Patsy Williams, Larry Rhodes, and Patsy Bolin.

New Pledges Named For Hi-Y Organization

Fourteen pledges were elected at the Hi-Y meeting held Thursday.

The members planned an initiation to be held in the chapel of the First Presbyterian Church.

After these activities, a dance will be held in the gym.

Pledges elected were Jimmy Jimmes, Buzzy Tarpley, Richard Rossman, Dick Green, Jimmy Tucker, Bill Loving, Karl Stevenson, Bobby Jack Phillips, Jimmy Parker, Don Kennedy, Eddie Scheel, John Hauff, Tony Jones, and Emmett Forrester.

Plainview Next Victim For PHS Gorilla 1-1

Coach Bond's Gorillas will be host to the Plainview Bullpups here Thursday at 7:30 p. m. when the two teams meet at Harvester Park.

This game, which is sponsored by the Lions Club, should prove to be one of the toughest contests of the season for the Green and Gold lads, since the Bullpups are a top-rate team.

The Gorillas have won only one game in three starts, but that was a 33-0 victory over the highly touted Berger eleven, which had previously downed the Amarillo Yankigans.

Begert Is Honored At Recent Breakfast

Mr. Sam Begert was guest of honor Friday morning when six high school Homecoming girls served him a breakfast in the homecoming dining room.

The girls were Marjorie McPhillips, Ruth McNeill, Janell Gill, Betty Brown, Delores Batreall, and Abby Sargent.

The homecoming food classes have been divided into groups of four and the girls will serve breakfast on each morning.

With scrubwomen, old maids, and city slickers all present and accounted for, the Juniors held their annual ambition party Friday, 7 p. m. in the high school cafeteria.

Winning first place for costumes were gay ninety's gent Malcolm Douglass and scrubwomen Catherine McNamara. Second place honors went to Lee McKinney and Bobby Tucker.

Highlight of the evening was the pie eating contest participants of which were Mrs. Mabel Torvie, Miss Evelyn Johnson, Miss Mary New, Mr. Erwin Buell and others.

"Fishin', cake walks, bingo, and dancing were enjoyed by all. Entertainment was provided by Winnie Allen who sang "Thousand Nights"; Pat Price who sang "Blues in the Night"; and a group consisting of Bobby Tucker, Donna Nienstiel, Betty McCracken, Patsy Croniger, and Patsy Bolin gave forth with the woes of the old man.

Betty Joyce Scott revealed ambitions of becoming a nurse; Lela Ward, a doctor. Prexy of the junior class, Donald Thut showed up as a college lad while Betty Hawthorne was a draftsman. Mary Lou Hanks was a gypsy while Derrel Davis was among the tramps present. The teachers present seemed to unanimously agree upon wishing to be bobby-soxers.

String Band Scores With Student Body

With encores and requests, the Machine Shop String Band entertained enthusiastic students in assembly hour last Wednesday.

Leader of the band was Wesley Geiger. It was composed of Gerald Mayo, Bill Richardson, Roger Simms, Pete Richardson, and Alton Finchum.

Wesley and Roger played "Peg Of My Heart" for the senior class, and Pete and Alton played "Spanish Two Step" for the freshmen. "Guitar Boogie" was played by Bill and Roger.

"Many Tears Ago" was played by Bill and Roger, with Bill singing the lyrics. Roger played and sang "Blue Eyed Elaine" after requests from the audience.

Gerald Mayo dedicated "New Moon Over My Shoulder" to Charlolette Young. Other selections were "Dear Old Pampa High School", "Kentucky Waltz", "Rainbow At Midnight", "Under the Double Eagle", and "Waterbury Blues".

Boxes Being Filled For Red Cross Gift

Pampa High School students are filling Red Cross boxes to send to the European countries.

Homeroom members will bring money to homeroom Wednesday. The room committee will buy articles to fill the boxes. Among these will be toothbrushes, tooth powder, needles, thread, combs, dolls, games, marbles, rulers, protractors, pencils, crayons, and numerous other articles. These boxes will be filled by Nov. 1.

After receiving a box last year, Beppie du Crog, Amsterdam, wrote:

"Dear boys and girls, What nice of you to send me such a nice box thank you so much for it. I have been ill such a long time and have to stay some time till I am home. But never mind if I am better I'm going to learn lots of things. greetings to you all from Beppie du Crog"

Timely Tidbits

Gruesome weren't they. Yes, the report cards we received Wednesday. Now that we know what they look like, the teachers can just forget all about handing them back out. One shock like the one Wednesday is enough for the whole year.

We ran across a good saying the other day. See what you think of it. "In matters contrary to law, my perception's rather like, I always see two sides to the question."

The one who's wrong and mine."

From what we hear about the junior party Friday night it was a success. The seniors recall that some class had an Ambition Party last year, but they just can't seem to remember which one.

The A Cappella choir had a new director Wednesday. Tommy Chisholm took over the directing duties and did a magnificent, superb job (according to Tommy). The song sounded like Spike Jones' Laughing record. Tommy said that he has retired now and will not accept any position at the present.

There were more nominations for the all-school favorite than Carter has liver pills. (An archaic joke, I must admit, but at this place it just fits.)

When the seniors were told they had 50 cents a semester dues to pay, a low, long groan arose from the group. It appears that John D. Rockefeller or a reasonable facsimile is the only one who can afford to be a senior. Nevertheless, some do graduate (so the propaganda says).

Suggester title for an essay—"How To Pay An Egg—Or The Yolk Is On You."

The first period physics class, taught by Mrs. Lois Turner, is composed of 21 seniors. They are doing experiments with the platform balance, studying the principles of specific gravity, density and Archimedes' Principle.

Interesting Work Done By Science Dept.; Fossil Exhibits Made By Biology Group

Clipping Received Of Traveling Bible

Mr. H. C. Wilson of the Wilson drug has received in a letter from a relative, a clipping, from a Miami paper concerning the traveling Bible which started in Pampa last year.

Traveling Bible No. 2 was first sent to Eleanor Roosevelt who returned it before school closed in May. The Bible was then taken to Landrieth, N.M.

As it traveled around California, several letters were received from people who had used it. From there it was mailed to Dayton, Ohio. Letters were also received from Ohio people. Someone then mailed the Bible to a friend in Florida. Recently the following story was printed in the Miami paper.

"But here's a good Bible story. The Reverend T. Simon Richardson of the Church of the Brethren, 2129 N. W. 42nd street, has a "Traveling Bible." If you don't know what it is, you're as dumb as I was.

Way out yonder in Texas is a town named Pampa. The high school students whipped up the idea; they sewed a leather band on a Bible, with an opening the size of a post card. On the post card they wrote an address and dropped the Bible into the post office.

"Each man who receives the Bible may use it for a while, then send it to someone he feels will benefit from it. Thus, the children in Pampa, Texas, send Bibles out to work."

"The Rev. Mr. Richardson's traveling Bible for a time was in the hands of Mrs. Eleanor Roosevelt, going there direct from the Pampa High Schoolers. In a few days it will be in the mails again—unless some other minister here wishes to use it a while."

A number of cards and letters came in from Miami, West Palm Beach and Orlando. From Orlando, Fla., it was mailed to a party in Alabama. This is the last Bible class has heard from it.

SENIOR WHO'S WHO

Chillicothe Business College is the college that Virginia Boyd plans to attend. Virginia was born in Perry, Mo., on May 4, 1930. She has attended schools in Hannibal, Mo., and Pampa. Virginia is majoring in secretaryial training, music, and history. Collecting view postcards is her hobby.

Collecting pictures of friends is the unique hobby of Patsy Brannon. Pat's home is in Shidler, Okla., and she celebrates her birthday on Feb. 14, 1930. She has attended schools only in Pampa and plans to attend Colorado College in Colorado Springs.

Lois Briscoe first started her life in Yau, Okla., on Oct. 7, 1930. From here she went to Wewoka, White Deer, and then finally to Pampa. She attended school in all these towns. Here she has majored in history and homemaking. Lois was secretary of the Spanish club in 1946 and her activities are bowling and golf. Reading is Lois' hobby.

Hilda Burden was born in the "pretty city" of Oklahoma City on Dec. 4, 1929. She has attended school in Hedley, Matador, and Pampa. Hilda has majored in English and math. She was in student council in '45 and in the sextet. Her hobbies are playing the piano and collecting postcards and letters. Texas Tech is the college of her choice.

Homemaking, English, and history are Bobby Annette Burns' majors. She was born in Shamrock on Oct. 23, 1929, but she has attended only Pampa schools. Bobby states that sewing and skating are her hobbies. She plans to attend Hills Business college at Oklahoma City.

Dixon Uses Guest For Intriguing Theme

Last Friday at 4:45 p. m. the Pampa High Review brought something new in entertainment. Margery Dixon read her theme that she wrote in Speech I class, which contained the words of Edgar Guest cleverly woven into a story of a "father and son companionship."

Scholarship Award Open to Graduates

Five per cent of the seniors will have a chance to try for the Pepsi-Cola college scholarship on Nov. 21, 1947.

The Pepsi-Cola scholarship program offers each year to outstanding high school seniors a four-year college scholarship and college entrance awards. All funds are provided by the Pepsi-Cola company.

Each four-year scholarship pays the regular tuition at any accredited academic college or university in the United States, certain academic fees, traveling expenses at the rate of three cents a mile for one round trip home each school year, and an allowance of \$25 per month.

The entrance award winners will receive a grant of \$50 if he enters an accredited college in the fall after winning the award.

A student entering the competition for these scholarships must be a graduating senior. He must be one of the five per cent selected by the students and one whom the faculty thinks likely to make an important contribution to human progress. The names must be in before Oct. 24, 1947.

The winners will be selected after taking a two-hour general scholastic aptitude test on Nov. 21, 1947. The top 15 students from this test in each state will take the regular supervised scholastic aptitude test on Jan. 24, 1948, at a place not more than 65 miles from their homes. The two highest will receive the four-year scholarships and the next highest five will receive the college entrance award.

The winners for 1948 will be announced early in March. A four-year scholarship winner must enter an accredited college not later than the fall of 1948. He must remain in good standing in college and progress normally from year to year.

Picture to Be Shown At Coming Assembly

"South of the Border" with Walt Disney and "Football Parade," two motion pictures, will be shown at regular assembly Wednesday.

These have been arranged by Miss Thelma Henslee, speech teacher. There will be no charge.

does this mean you . . . ?

We have heard students in PHS compare this school to a dictatorship. Some were merely indulging in the type of humor that accompanies all high school groups. But some really believe that we are bound and gagged by certain hard-boiled dictators of the administration.

Last year's delegation to the Texas Association of Student Councils found, by comparing PHS with other schools of the state, that we enjoy more democratic student government than nearly any other school in Texas.

We students should be proud that we are entrusted with the job of handling our own student affairs. We are not under a dictatorship! We run our own student activities, and if anything is wrong, we can blame nobody but ourselves. R. H.

Six Names For School Favorite Listed For Wednesday's Election

Bulldogs Are Next For Harvesters

Coach Tom Tipps' Harvesters will journey to Plainview next Friday night and open their 1947 bid for district championship.

After dropping their last two contests, the Harvesters have also dropped considerably in the state ranking. Dub King of the Fort Worth Star Telegram ranked the locals at one time over the ever-strong Amarillo Sandies. But until the Harvesters can prove differently, "them days is gone forever."

This Plainview encounter will be just what the doctor ordered to see just what the Harvesters have learned in these last two defeats.

The green and gold clad boys can expect anything but a push-over from the Bulldogs, since they too are supposedly fielding one of the strongest teams in their history. Besides having a bountiful amount of material back from last year with which to build, the Plainview mentor Dub Harris is one of the top-notch coaches in high school football.

Unlike most high school eleven, the Bulldogs' main threat is not in the backfield. Left-end Bill Howton, who was all district in that position last year, is reportedly running the opposition mad with his pass snatching antics. The Plainview backfield is no bunch of cream-puffs, as Bob Bogle is again back after a very successful season last year. Bogle was a sparkling star on the Plainview team that handed the Harvesters a 14-7 drubbing on Harvester field.

PHS Band Enjoys Trip To Wichita Falls Game

Approximately 100 very groggy band members reported for classes Monday morning. At least most of them reported.

The only catch is that most of those who did come were rudely awakened at the end of each period by the bell only to grope their way along the hall to their next class. There they would fall deeply into their chairs and into a deep slumber again.

Although everyone seems to have had a wonderful time, the sponsors have only good reports to make about the students. All the students were in their rooms for a check, but were the sponsors?

No, they were all at Wimp's Cafe drinking coffee. Now, is that fair?

Everyone who attended the game seemed to have something complimentary to say about the band's performance. Many believe that the band did better than they ever have, although it was one of the most difficult maneuvers they have ever attempted.

Plastic bubbles dominated the students' buses while traveling to and from Wichita Falls. Long strings of the bubbles hung from the ceiling. Many students were occupied in making "dolls" with the bubbles, using them as the head, arms, legs and body.

Also, on the journey home, those who weren't too hoarse from yelling at the game harmonized on such old favorites as "Tell Me Why" and "The Bells of St. Mary's."

Most of the band attended the dance given by the senior class of Wichita High School. The band was extended a special invitation and the members were not charged admission.

From the way all the band students talk, a good time was had by all.

Highlights Given On Gorilla Team

In almost every previous issue of the Little Harvester, there has been a small item appearing about the PHS Gorillas. These stories have all been about games played, or games that will be played. None of these have given you the real low-down on these scrapping boys.

The purpose of this story is to better acquaint you sports fans with a team that is striving, no matter what conditions exist, to bring home a winning score.

This Gorilla team journeyed to Plainview to open the season, and were overpowered by a larger, more experienced Bullpup eleven, 19-6. While this game was taking place, the highly touted Amarillo Yankigans fell to the Berger Bullpups 13-12. The following Thursday, the Berger boys came to Pampa and were completely pulverized 33-0. In their last game, up to date, the locals met the Perryton "B" Rangers in Perryton. At this time, the regular Perryton Rangers were rated as the number one team in state Class A football. With several A-stringers in the line-up, for practice, the Rangers trounced the visitors 19-7.

Since there are approximately 55 boys out there for these Gorillas, it would be impossible to give an individual sketch of each, but several boys have been outstanding.

In the backfield, usually consisting of Robbins, Gills, Cooper, and Hinkle, all four boys often combine their talents for most of the ground gains. Michael Rowe and Dale Richardson are two boys that are usually good for a few yards if needed.

On the line, guards English and Taylor have been the mainstay of defense, while the ends, Windsor and Smith, have been particularly outstanding on the offense. Tackles Runyon and Bohannon are very aggressive and centers Roche and Tennant are displaying resistance to all opposition.

The regular Gorilla line averages approximately 171 pounds, but the backfield, depending mostly on speed, has an average of 138.

The Gorilla coach, John Bond, is spending his winter vacation in Pampa, and he has already won the respect and admiration of his boys, and has the utmost cooperation from a bunch of boys that really want to win.

The next Gorilla home game is Thursday night. They will meet the Plainview Bullpups and then go on the road for three games to conclude their season.

Arrowheads Brought By New PHS Student

Pampa High has some very rare Indian arrow heads in its possession. Louise Jaynes, who recently moved here from New Mexico, brought them.

These exceedingly rare arrowheads are known as Folsom man. Their value is from \$75 to \$200, although a plain Indian head can be brought for 25 cents. These stones have been found in Alaska, Oklahoma, New Mexico, and Mitchell county, Texas.

The Folsom man is the most primitive man we know of found in America. Very few bones have been found, which leads scientists to believe the tribes created a shadowy dead. They possibly came from the Mongoloid man, who came to America before the last ice age.

These valuable arrow heads are recognized by the fluting in the center. Jimmy Parke, a specialist in the same Indians and are found in the same places. These points are over 20,000 years old.

They're a Let-Down All PHS Boys Agree

Well, fellows, these long skirts are beginning to get thicker in PHS. The question is "should they stay." That, of course, is a matter of opinion. Some say yes, some say no, but here is what a few Pampa High boys have to say about it.

Leon Taylor says, "I hope they go. The skirts make the girls look all body and no legs—kind of unbalanced."

"These women don't make sense," complains Jimmy Parke. "What kick they get out of hiding their legs behind those tight skirts is beyond me."

But of course there are two sides to every picture and so last but not least is Mr. J. L. Spencer's opinion. "I think that long skirts are attractive, give more balance, poise and symmetry—consequently, more charm. The teenagers in long skirts look smarter and more mature. They appear to be more sophisticated, more at ease, dramatic and very romantic." What about that, guys and gals?

Flaed skirts and dresses are beginning a new era. The teenagers really go for them. There are so many girls wearing them that I can't mention all of them. I'll just mention a few: Bobby Robertson, Ann Sidwell, Yvonne Carruth, and Janet Walters.

Brown and white checkered skirts, jumpers, coats and dresses are beginning to get numerous. I've seen the girls some girls wearing the checks are Norma Bennett, Wanda Taylor, Nancy Weston, Ann Moseley and Joanne Bennett.

Kral and Hart Attend District FHA Meeting

Miss Edith Kral, teacher of foods and nutrition, and Mrs. Leola Hart, sewing teacher, attended the district meeting of homemaking teachers at Canyon last Saturday.

Miss Gladys Armstrong, area supervisor, was in charge of the day's program and discussions. Superintendent J. A. Anderson of Perryton was a member of a panel discussion on "Twelve Months' Program in Homemaking."

Plainview extended an invitation to the F. H. A. area to hold a convention meeting on March 27 there. The State F. H. A. rally was slated for April at Galveston.

Exhibits and educational movies were shown in the late afternoon. One of the most interesting exhibits was glove-making.

Hazard for Camera; Teachers To Be Shot

Teachers will put their best classroom smiles before the camera from Oct. 27 to Nov. 1, as these days have been allotted them by the annual staff for having their pictures made.

Photographing the faculty will follow the makeup days of all the students of the school. Final makeup day for the freshmen has been set for Tuesday, Oct. 21.

The annual staff has concluded its extensive sales campaign last Wednesday. Though no salesman will be on duty in the halls for selling the yearbooks, they will be sold in the Little Harvester office for a few more weeks. Price will be \$3.75.

Actual work on the publication began last week when the staff began pasting senior pictures and sports pictures were taken.

Les Boulets Chaud et Fatigue was chosen for the name of the third period French class. Mary Jean Patton submitted this name.

Clipping Received Of Traveling Bible

Mr. H. C. Wilson of the Wilson drug has received in a letter from a relative, a clipping, from a Miami paper concerning the traveling Bible which started in Pampa last year.

Traveling Bible No. 2 was first sent to Eleanor Roosevelt who returned it before school closed in May. The Bible was then taken to Landrieth, N.M.

As it traveled around California, several letters were received from people who had used it. From there it was mailed to Dayton, Ohio. Letters were also received from Ohio people. Someone then mailed the Bible to a friend in Florida. Recently the following story was printed in the Miami paper.

"But here's a good Bible story. The Reverend T. Simon Richardson of the Church of the Brethren, 2129 N. W. 42nd street, has a "Traveling Bible." If you don't know what it is, you're as dumb as I was.

Way out yonder in Texas is a town named Pampa. The high school students whipped up the idea; they sewed a leather band on a Bible, with an opening the size of a post card. On the post card they wrote an address and dropped the Bible into the post office.

"Each man who receives the Bible may use it for a while, then send it to someone he feels will benefit from it. Thus, the children in Pampa, Texas, send Bibles out to work."

"The Rev. Mr. Richardson's traveling Bible for a time was in the hands of Mrs. Eleanor Roosevelt, going there direct from the Pampa High Schoolers. In a few days it will be in the mails again—unless some other minister here wishes to use it a while."

A number of cards and letters came in from Miami, West Palm Beach and Orlando. From Orlando, Fla., it was mailed to a party in Alabama. This is the last Bible class has heard from it.

SENIOR WHO'S WHO

Chillicothe Business College is the college that Virginia Boyd plans to attend. Virginia was born in Perry, Mo., on May 4, 1930. She has attended schools in Hannibal, Mo., and Pampa. Virginia is majoring in secretaryial training, music, and history. Collecting view postcards is her hobby.

Collecting pictures of friends is the unique hobby of Patsy Brannon. Pat's home is in Shidler, Okla., and she celebrates her birthday on Feb. 14, 1930. She has attended schools only in Pampa and plans to attend Colorado College in Colorado Springs.

Lois Briscoe first started her life in Yau, Okla., on Oct. 7, 1930. From here she went to Wewoka, White Deer, and then finally to Pampa. She attended school in all these towns. Here she has majored in history and homemaking. Lois was secretary of the Spanish club in 1946 and her activities are bowling and golf. Reading is Lois' hobby.

Hilda Burden was born in the "pretty city" of Oklahoma City on Dec. 4, 1929. She has attended school in Hedley, Matador, and Pampa. Hilda has majored in English and math. She was in student council in '45 and in the sextet. Her hobbies are playing the piano and collecting postcards and letters. Texas Tech is the college of her choice.

Homemaking, English, and history are Bobby Annette Burns' majors. She was born in Shamrock on Oct. 23, 1929, but she has attended only Pampa schools. Bobby states that sewing and skating are her hobbies. She plans to attend Hills Business college at Oklahoma City.

Dixon Uses Guest For Intriguing Theme

Last Friday at 4:45 p. m. the Pampa High Review brought something new in entertainment. Margery Dixon read her theme that she wrote in Speech I class, which contained the words of Edgar Guest cleverly woven into a story of a "father and son companionship."

Scholarship Award Open to Graduates

Five per cent of the seniors will have a chance to try for the Pepsi-Cola college scholarship on Nov. 21, 1947.

The Pepsi-Cola scholarship program offers each year to outstanding high school seniors a four-year college scholarship and college entrance awards. All funds are provided by the Pepsi-Cola company.

Each four-year scholarship pays the regular tuition at any accredited academic college or university in the United States, certain academic fees, traveling expenses at the rate of three cents a mile for one round trip home each school year, and an allowance of \$25 per month.

The entrance award winners will receive a grant of \$50 if he enters an accredited college in the fall after winning the award.

A student entering the competition for these scholarships must be a graduating senior. He must be one of the five per cent selected by the students and one whom the faculty thinks likely to make an important contribution to human progress. The names must be in before Oct. 24, 1947.

The winners will be selected after taking a two-hour general scholastic aptitude test on Nov. 21, 1947. The top 15 students from this test in each state will take the regular supervised scholastic aptitude test on Jan. 24, 1948, at a place not more than 65 miles from their homes. The two highest will receive the four-year scholarships and the next highest five will receive the college entrance award.
